

AN ACT concerning mosquito abatement districts.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The Mosquito Abatement District Act is amended by changing Section 8 as follows:

(70 ILCS 1005/8) (from Ch. 111 1/2, par. 81)

Sec. 8. The board of trustees of any mosquito abatement district shall, in its work, advise and cooperate with the Department of Public Health of the State, and the board of trustees of such district shall submit to such Department, on or before January 1st of each year, a report of the work done and results obtained by the district during the preceding year.

The board of trustees of any mosquito abatement district, or its designee, shall conduct routine surveillance of mosquitoes to detect the presence of mosquito-borne diseases of public health significance. The surveillance shall be conducted in accordance with mosquito abatement and control guidelines as set forth by the U.S. Centers for Disease Control and Prevention. Areas reporting disease in humans shall be included in the surveillance activities. Mosquito abatement districts shall report to the local certified public health department the results of any positive mosquito samples infected with any arboviral infections, including, but not limited to: West Nile Virus, St. Louis Encephalitis, and Eastern Equine Encephalitis. Reports shall be made to the local certified public health department's director of environmental health, or a designee of the department, within 24 hours after receiving a positive report. The report shall include the type of infection, the number of mosquitoes collected in the trapping device, the type of trapping device used, and the type of laboratory testing used to confirm the infection. Any trustee of a mosquito abatement district, or designee of the

board of trustees of a mosquito abatement district, that fails to comply with the requirements of this Act is guilty of a Class A Misdemeanor.
