

AN ACT concerning education.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Critical Health Problems and Comprehensive Health Education Act is amended by adding Section 3.5 as follows:

(105 ILCS 110/3.5 new)

Sec. 3.5. Nutrition and physical activity best practices database.

(a) The State Board of Education shall develop and maintain a nutrition and physical activity best practices database. The database shall contain the results of any wellness-related fitness testing done by local school districts, as well as information on successful programs and policies implemented by local school districts designed to improve nutrition and physical activity in the public and charter schools. This information may include (i) a description of the program or policy, (ii) advice on implementation, (iii) any assessment of the program or policy, (iv) a contact person from the local school district, and (v) any other information the State Board of Education deems appropriate. The database shall be readily accessible to all local school districts Statewide. The State Board of Education shall encourage local school districts to

submit information to the database, however no school district shall be required to submit information.

(b) The State Board of Education may adopt rules necessary for administration of this Section.

(c) The requirements of the State Board of Education to establish this database shall become effective once the State Board of Education has secured all of the funding necessary to implement it.

Section 99. Effective date. This Act takes effect July 1, 2010.
