

AN ACT concerning finance.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 5. The State Finance Act is amended by changing Section 25 as follows:

(30 ILCS 105/25) (from Ch. 127, par. 161)

Sec. 25. Fiscal year limitations.

(a) All appropriations shall be available for expenditure for the fiscal year or for a lesser period if the Act making that appropriation so specifies. A deficiency or emergency appropriation shall be available for expenditure only through June 30 of the year when the Act making that appropriation is enacted unless that Act otherwise provides.

(b) Outstanding liabilities as of June 30, payable from appropriations which have otherwise expired, may be paid out of the expiring appropriations during the 2-month period ending at the close of business on August 31. Any service involving professional or artistic skills or any personal services by an employee whose compensation is subject to income tax withholding must be performed as of June 30 of the fiscal year in order to be considered an "outstanding liability as of June 30" that is thereby eligible for payment out of the expiring appropriation.

(b-1) However, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code may be made by the State Board of Education from its appropriations for those respective purposes for any fiscal year, even though the claims reimbursed by the payment may be claims attributable to a prior fiscal year, and payments may be made at the direction of the State Superintendent of Education from the fund from which the appropriation is made without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payment of tuition reimbursement claims under Section 14-7.03 or 18-3 of the School Code as of June 30, payable from appropriations that have otherwise expired, may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-2) All outstanding liabilities as of June 30, 2010, payable from appropriations that would otherwise expire at the conclusion of the lapse period for fiscal year 2010, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2010, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2010.

(b-2.5) All outstanding liabilities as of June 30, 2011, payable from appropriations that would otherwise expire at the

conclusion of the lapse period for fiscal year 2011, and interest penalties payable on those liabilities under the State Prompt Payment Act, may be paid out of the expiring appropriations until December 31, 2011, without regard to the fiscal year in which the payment is made, as long as vouchers for the liabilities are received by the Comptroller no later than August 31, 2011.

(b-3) Medical payments may be made by the Department of Veterans' Affairs from its appropriations for those purposes for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-4) Medical payments may be made by the Department of Healthcare and Family Services and medical payments and child care payments may be made by the Department of Human Services (as successor to the Department of Public Aid) from appropriations for those purposes for any fiscal year, without regard to the fact that the medical or child care services being compensated for by such payment may have been rendered in a prior fiscal year; and payments may be made at the direction of the Department of Healthcare and Family Services from the

Health Insurance Reserve Fund and the Local Government Health Insurance Reserve Fund without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments made by the Department of Healthcare and Family Services, child care payments made by the Department of Human Services, and payments made at the discretion of the Department of Healthcare and Family Services from the Health Insurance Reserve Fund and the Local Government Health Insurance Reserve Fund payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(b-5) Medical payments may be made by the Department of Human Services from its appropriations relating to substance abuse treatment services for any fiscal year, without regard to the fact that the medical services being compensated for by such payment may have been rendered in a prior fiscal year, provided the payments are made on a fee-for-service basis consistent with requirements established for Medicaid reimbursement by the Department of Healthcare and Family Services, except as required by subsection (j) of this Section. Beginning on June 30, 2021, medical payments made by the Department of Human Services relating to substance abuse treatment services payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on

October 31.

(b-6) Additionally, payments may be made by the Department of Human Services from its appropriations, or any other State agency from its appropriations with the approval of the Department of Human Services, from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986, without regard to any fiscal year limitations, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payments made by the Department of Human Services from the Immigration Reform and Control Fund for purposes authorized pursuant to the Immigration Reform and Control Act of 1986 payable from appropriations that have otherwise expired may be paid out of the expiring appropriation during the 4-month period ending at the close of business on October 31.

(c) Further, payments may be made by the Department of Public Health, the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act), and the Department of Healthcare and Family Services from their respective appropriations for grants for medical care to or on behalf of

persons suffering from chronic renal disease, persons suffering from hemophilia, rape victims, and premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program, for any fiscal year without regard to the fact that the services being compensated for by such payment may have been rendered in a prior fiscal year, except as required by subsection (j) of this Section. Beginning on June 30, 2021, payments made by the Department of Public Health, the Department of Human Services, and the Department of Healthcare and Family Services from their respective appropriations for grants for medical care to or on behalf of persons suffering from chronic renal disease, persons suffering from hemophilia, rape victims, and premature and high-mortality risk infants and their mothers and for grants for supplemental food supplies provided under the United States Department of Agriculture Women, Infants and Children Nutrition Program payable from appropriations that have otherwise expired may be paid out of the expiring appropriations during the 4-month period ending at the close of business on October 31.

(d) The Department of Public Health and the Department of Human Services (acting as successor to the Department of Public Health under the Department of Human Services Act) shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority

Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(e) The Department of Healthcare and Family Services, the Department of Human Services (acting as successor to the Department of Public Aid), and the Department of Human Services making fee-for-service payments relating to substance abuse treatment services provided during a previous fiscal year shall each annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, the respective Chairmen and Minority Spokesmen of the Appropriations Committees of the Senate and the House, on or before November 30, a report that shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for (i) services provided in prior fiscal years and (ii) services for which claims were received in prior fiscal years.

(f) The Department of Human Services (as successor to the Department of Public Aid) shall annually submit to the State Comptroller, Senate President, Senate Minority Leader, Speaker of the House, House Minority Leader, and the respective Chairmen and Minority Spokesmen of the Appropriations

Committees of the Senate and the House, on or before December 31, a report of fiscal year funds used to pay for services (other than medical care) provided in any prior fiscal year. This report shall document by program or service category those expenditures from the most recently completed fiscal year used to pay for services provided in prior fiscal years.

(g) In addition, each annual report required to be submitted by the Department of Healthcare and Family Services under subsection (e) shall include the following information with respect to the State's Medicaid program:

(1) Explanations of the exact causes of the variance between the previous year's estimated and actual liabilities.

(h) As provided in Section 4 of the General Assembly Compensation Act, any utility bill for service provided to a General Assembly member's district office for a period including portions of 2 consecutive fiscal years may be paid from funds appropriated for such expenditure in either fiscal year.

(i) An agency which administers a fund classified by the Comptroller as an internal service fund may issue rules for:

(1) billing user agencies in advance for payments or authorized inter-fund transfers based on estimated charges for goods or services;

(2) issuing credits, refunding through inter-fund transfers, or reducing future inter-fund transfers during the subsequent fiscal year for all user agency payments or authorized inter-fund transfers received during the prior fiscal year which were in excess of the final amounts owed by the user agency for that period; and

(3) issuing catch-up billings to user agencies during the subsequent fiscal year for amounts remaining due when payments or authorized inter-fund transfers received from the user agency during the prior fiscal year were less than the total amount owed for that period.

User agencies are authorized to reimburse internal service funds for catch-up billings by vouchers drawn against their respective appropriations for the fiscal year in which the catch-up billing was issued or by increasing an authorized inter-fund transfer during the current fiscal year. For the purposes of this Act, "inter-fund transfers" means transfers without the use of the voucher-warrant process, as authorized by Section 9.01 of the State Comptroller Act.
