

AN ACT concerning wildlife.

**Be it enacted by the People of the State of Illinois,
represented in the General Assembly:**

Section 5. The Fish and Aquatic Life Code is amended by changing Sections 20-45, 20-50, and 20-51 as follows:

(515 ILCS 5/20-45) (from Ch. 56, par. 20-45)

Sec. 20-45. License fees for residents. Fees for licenses for residents of the State of Illinois shall be as follows:

(a) Except as otherwise provided in this Section, for sport fishing devices as defined in Section 10-95 or spearing devices as defined in Section 10-110, the fee is \$14.50 for individuals 16 to 64 years old, one-half of the current fishing license fee for individuals age 65 or older, and, commencing with the 2012 license year, one-half of the current fishing license fee for resident veterans of the United States Armed Forces after returning from service abroad or mobilization by the President of the United States. Veterans must provide, to the Department at one of the Department's 5 regional offices, verification of their service. The Department shall establish what constitutes suitable verification of service for the purpose of issuing fishing licenses to resident veterans at a reduced fee.

(a-5) The fee for all sport fishing licenses shall be

\$1 for residents over 75 years of age.

(b) All residents before using any commercial fishing device shall obtain a commercial fishing license, the fee for which shall be \$60 and a resident fishing license, the fee for which is \$14.50. Each and every commercial device used shall be licensed by a resident commercial fisherman as follows:

(1) For each 100 lineal yards, or fraction thereof, of seine the fee is \$18. For each minnow seine, minnow trap, or net for commercial purposes the fee is \$20.

(2) For each device to fish with a 100 hook trot line device, basket trap, hoop net, or dip net the fee is \$3.

(3) When used in the waters of Lake Michigan, for the first 2000 lineal feet, or fraction thereof, of gill net the fee is \$10; and for each 1000 additional lineal feet, or fraction thereof, the fee is \$10. These fees shall apply to all gill nets in use in the water or on drying reels on the shore.

(4) For each 100 lineal yards, or fraction thereof, of gill net or trammel net the fee is \$18.

(c) Residents of the State of Illinois may obtain a sportsmen's combination license that shall entitle the holder to the same non-commercial fishing privileges as residents holding a license as described in subsection (a) of this Section and to the same hunting privileges as

residents holding a license to hunt all species as described in Section 3.1 of the Wildlife Code. No sportsmen's combination license shall be issued to any individual who would be ineligible for either the fishing or hunting license separately. The sportsmen's combination license fee shall be \$25.50. For residents age 65 or older, the fee is one-half of the fee charged for a sportsmen's combination license. For resident veterans of the United States Armed Forces after returning from service abroad or mobilization by the President of the United States, the fee, commencing with the 2012 license year, is one-half of the fee charged for a sportsmen's combination license. Veterans must provide to the Department, at one of the Department's 5 regional offices, verification of their service. The Department shall establish what constitutes suitable verification of service for the purpose of issuing sportsmen's combination licenses to resident veterans at a reduced fee.

(d) For 24 hours of fishing by sport fishing devices as defined in Section 10-95 or by spearing devices as defined in Section 10-110 the fee is \$5. This license does not exempt the licensee from the requirement for a salmon or inland trout stamp. The licenses provided for by this subsection are not required for residents of the State of Illinois who have obtained the license provided for in subsection (a) of this Section.

(e) All residents before using any commercial mussel device shall obtain a commercial mussel license, the fee for which shall be \$50.

(f) Residents of this State, upon establishing residency as required by the Department, may obtain a lifetime hunting or fishing license or lifetime sportsmen's combination license which shall entitle the holder to the same non-commercial fishing privileges as residents holding a license as described in paragraph (a) of this Section and to the same hunting privileges as residents holding a license to hunt all species as described in Section 3.1 of the Wildlife Code. No lifetime sportsmen's combination license shall be issued to or retained by any individual who would be ineligible for either the fishing or hunting license separately, either upon issuance, or in any year a violation would subject an individual to have either or both fishing or hunting privileges rescinded. The lifetime hunting and fishing license fees shall be as follows:

(1) Lifetime fishing: 30 x the current fishing license fee.

(2) Lifetime hunting: 30 x the current hunting license fee.

(3) Lifetime sportsmen's combination license: 30 x the current sportsmen's combination license fee.

Lifetime licenses shall not be refundable. A \$10 fee shall

be charged for reissuing any lifetime license. The Department may establish rules and regulations for the issuance and use of lifetime licenses and may suspend or revoke any lifetime license issued under this Section for violations of those rules or regulations or other provisions under this Code or the Wildlife Code. Individuals under 16 years of age who possess a lifetime hunting or sportsmen's combination license shall have in their possession, while in the field, a certificate of competency as required under Section 3.2 of the Wildlife Code. Any lifetime license issued under this Section shall not exempt individuals from obtaining additional stamps or permits required under the provisions of this Code or the Wildlife Code. Individuals required to purchase additional stamps shall sign the stamps and have them in their possession while fishing or hunting with a lifetime license. All fees received from the issuance of lifetime licenses shall be deposited in the Fish and Wildlife Endowment Fund.

Except for licenses issued under subsection (e) of this Section, all licenses provided for in this Section shall expire on March 31 of each year, except that the license provided for in subsection (d) of this Section shall expire 24 hours after the effective date and time listed on the face of the license.

All individuals required to have and failing to have the license provided for in subsection (a) or (d) of this Section shall be fined according to the provisions of Section 20-35 of this Code.

All individuals required to have and failing to have the licenses provided for in subsections (b) and (e) of this Section shall be guilty of a Class B misdemeanor.

The Department of Natural Resources shall designate any person found by it to be competent to give instruction in the handling of firearms, hunter safety, and bow and arrow. The persons so appointed shall give the course of instruction and upon the successful completion shall issue to the person instructed a certificate of competency in the safe handling of

firearms, hunter safety, and bow and arrow. No charge shall be made for any course of instruction except for materials or ammunition consumed. The Department of Natural Resources shall furnish information on the requirements of hunter safety education programs to be distributed free of charge to applicants for hunting licenses by the persons appointed and authorized to issue licenses. Funds for the conducting of firearms and hunter safety courses shall be taken from the fee charged for the Firearm Owners Identification Card.

The fee for a hunting license to hunt all species for a resident of Illinois is \$12. For residents age 65 or older, and, commencing with the 2012 license year, resident veterans of the United States Armed Forces after returning from service abroad or mobilization by the President of the United States, the fee is one-half of the fee charged for a hunting license to hunt all species for a resident of Illinois. The fees for State Pheasant Stamps and State Furbearer Stamps shall be waived for residents over 75 years of age.

The Department shall furnish the holders of hunting licenses and stamps with an insignia as evidence of possession of license, or license and stamp, as the Department may consider advisable. The insignia shall be exhibited and used as the Department may order.
