Darren Reisberg Chair of the Board **Dr. Carmen I. Ayala**State Superintendent of Education

#### **MEMORANDUM**

TO: The Honorable William E. Brady, Senate Minority Leader

The Honorable Don Harmon, Senate President
The Honorable Jim Durkin, House Minority Leader

The Honorable Michael J. Madigan, Speaker of the House

FROM: Dr. Carmen I. Ayala

State Superintendent of Education

DATE: October 5, 2020

SUBJECT: FY18/19 Preschool for All Biennial Report

Please find the FY18/19 Preschool for All biennial report submitted in compliance with the requirements as outlined in Section 2-3.71 (a) (6) of the Illinois School Code. The reports contain results and progress of students who were enrolled in preschool educational programs, including an assessment of which programs have been most successful in promoting academic excellence and alleviating academic failure.

If you have any questions regarding this report, please contact Amanda Elliott, executive director of Legislative Affairs, at (217) 782-6510.

cc: The Honorable JB Pritzker, Governor

Secretary of the Senate Clerk of the House Legislative Research Unit

## **Foreword**

This Preschool for All (PFA) Biennial Report for fiscal years 2018 and 2019 intends to fulfill the requirements outlined in Section 2-3.71 (a) (6) of the Illinois School Code:

"The State Board of Education shall report to the General Assembly by November 1, 2018 and every 2 years thereafter on the results and progress of students who were enrolled in preschool educational programs, including an assessment of which programs have been most successful in promoting academic excellence and alleviating academic failure. The State Board of Education shall assess the academic progress of all students who have been enrolled in preschool educational programs."

Collection of program information contained herein occurred in FY 2018 and FY 2019 from various sources as outlined in the Discussion of Data section. Analysis and commentary of these data center on the deliverables outlined in the legislation above:

- 1. Demographic and risk indicator characteristics of students served by entities that received funding from PFA programs
- 2. Program evaluation results from the ExceleRate Illinois Quality Recognition and Improvement System (QRIS) for programs evaluated during FY 2018 and FY 2019
- 3. Academic progress of former PFA children performance as measured by the Partnership for Assessment of Readiness for College and Career (PARCC) for 3<sup>rd</sup> graders in FY 2018 and FY 2019

For more information, please contact Carisa Hurley, Director of the Department of Early Childhood, at (217) 524-4835.

## **Program Background**

In 1985, the Illinois State Board of Education (ISBE) adopted a policy on early childhood education and was authorized by legislation to administer grants to school districts to operate prekindergarten programs for children 3 to 5 years of age. Other eligible entities have been able to receive the grant since FY 2004. The eligible population to be served in this program is defined in Section 2-3.71 (a) (4.5) of the Illinois School Code. The Preschool for All program has received funds since FY 2007.

Children who are at risk are eligible under this grant. Also, children can be eligible if the family income is less than four times the Federal Poverty Level. Children are identified for the program through individual screening and assessment, not by their membership in a given group or the characteristics of their families. Individual projects establish their own eligibility criteria and methods for screening based on local needs. ISBE requires the following to be included in screening: fine and gross motor skills, cognitive development, visual-motor integration, language and speech development, vocabulary, English proficiency, and social competence. Information on family history is also collected. Criteria such as low income, homelessness, single parenting, teen parenting, the parents' education level, drug/alcohol abuse, etc. are also used by projects to determine program eligibility. No single uniform eligibility standard or screening system is applied to all age-appropriate populations. Program eligibility is based on local needs; therefore, the characteristics and services of the programs vary according to the needs of the participants.

## **Executive Summary**

### **Data Highlights**

#### **Enrollment Counts**

Enrollments remained nearly flat from FY 2018 to FY 2019 as shown in Figure 1. Downstate programs saw a jump of 1,500 children with a similar decrease in children served by CPS between the two fiscal years. Downstate enrollments continue a recent trend of increasing service levels over the past 4 years (54,568 in FY 2016 and 54,633 in FY 2017).

Figure 1 - Number of participating children served in FY 2018 and FY 2019 split by CPS and Downstate

#### Met PFA 82.5% At-Risk Criteria 76.8% 58.3% Eligible for Free or Reduced Lunch 60.9% Racial/Ethnic 61.5% Minority 60.1% 21.3% Limited English Proficiency 21.4% Has Individualized 18.3% **Education Plan** 19.8% 2.2% Homeless

Figure 3 - Demographic traits and risk indicator percentages in FY 2018 and FY 2019

■ FY 2018 ■ FY 2019

#### **Demographic Traits and Risk Indicators**

Figure 2 highlights several of the most important demographic traits and risk indicators for early childhood. Children that met PFA at-risk criteria saw a drop between FY 2018 and FY 2019 but remains one of the single largest demographic groups within early childhood. All other traits and indicators remained stable and in line with the previous biennial report findings (Department of Early Childhood).

#### **Program Quality**

Program quality remains a key focus of Early Childhood programs across the state<sup>1</sup>. Over 75% of all programs monitored in both FY 2018 and FY 2019 received the highest possible award (Gold) (ExceleRate Illinois). 98% of all programs monitored (269 in FY2018 and 185 in FY 2019) were awarded silver or higher. Figure 3 displays the mix of awards over the previous two fiscal years.

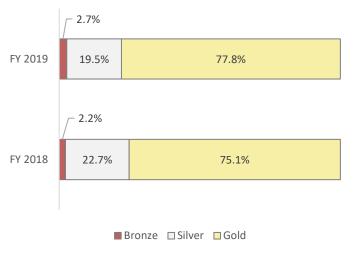

Figure 2 - Circle of Quality award percentage of all programs evaluated in FY 2018 and FY 2019

<sup>&</sup>lt;sup>1</sup> Does not include CPS or DCFS licensed facilities. These entities provide their own monitoring and quality recognition assessment.

## **Discussion of Data**

#### **Data Limitations**

Program data submitted through IWAS is self-reported information for each PFA program. To ensure data quality, SIS provides a comprehensive data import process that validates information uploaded into SIS follows required element guidelines including appropriate data types, field length and business logic. SIS also provides a data quality dashboard where programs can review uploaded data and identify missing elements. Finally, SIS provides programs the ability to indicate erroneous records to prevent their inclusion into final reports. A complete list of validations is maintained in the Student Information System (SIS) System Validations<sup>2</sup> document. SIS also provides a data quality dashboard where programs can identify potential issues.

#### Sources

#### ISBE Web Application Security (IWAS)

PFA programs across the state interact with ISBE through a common access point known as IWAS. IWAS allows credential provisioning and authentication for all ISBE data systems. Programs are granted access to a number of data systems ranging in function from simple data collection to end to end grant application processing. ISBE staff can communicate with programs through IWAS blasts that include reminders on due dates, changes in data collection or other data related notifications.

#### Student Information System (SIS)

SIS is a statewide data system developed by ISBE and IBM Corp. PFA programs submit child and caregiver records with the required elements outlined in the SIS Data Elements<sup>3</sup> documentation. These data include demographic information, enrollment details and risk indicators. In addition to data collection, SIS allows programs to view descriptive reports of their data.

#### Electronic Grants Management System (eGMS)

The eGMS provides a common and consistent grant process for education agencies as well as ISBE staff. Programs can apply, amend, and submit grant applications directly to ISBE. Data contained in eGMS include financial/budgetary information, program details, estimated enrollment counts, and directory information.

#### Illinois Early Childhood Asset Map (IECAM)

IECAM is an early childhood access point for data, legislation and resources partially funded by ISBE. IECAM's stated goals are to provide assistance in the legislative process, to make public resource allocation transparent and to enhance access to data germane to early childhood (IECAM, n.d.). For purposes of this report, IECAM provides access to U.S. Census Bureau demographic data and risk indicator population estimates. IECAM uses Public Use Microdata Sample (PUMS) data, ISBE data, and geographic data to provide geographical context to early childhood needs and services across the state.

#### **ExceleRate Illinois**

ECERS-3 evaluation and ISBE compliance checklist data for PFA program evaluations are collected by National Louis University and provided to ISBE for recognition calculation. Recognition is calculated per the definitions stipulated in the ExceleRate Illinois Circles of Quality chart (ExceleRate Illinois). ExceleRate provides access to PFA program awards through their website.

<sup>&</sup>lt;sup>2</sup> See Links section for hyperlink to SIS validation documentation

<sup>&</sup>lt;sup>3</sup> See Links for hyperlink to SIS data elements documentation

## **Data Tables**

The following data tables provide a demographic profile of the population being served by PFA programming, funding summary information, program quality evaluations, and budgetary/service level information. Broadly, these data are used to ensure program accountability, to ensure equity and accessibility, to confirm priority populations are being served, and to identify future needs.

### **Demographics**

PFA programming aims to serve children most at risk of academic failure due to several risk factors. Demographic data collected in both fiscal years confirm that an overwhelming majority of children served meet one or both of two key risk indicators – PFA at-risk criteria and free or reduced lunch eligibility (FRL). Over 80 percent served in FY 2018 and 76 percent served in FY 2019 met PFA at-risk criteria. FRL eligible children made up nearly 60 percent of those served in both fiscal years. These populations are important because research indicates these children are most at-risk of academic failure, especially when in combination (Rathbyn, West, & Walston, 2005). Tables 1, 2 and 3 provide demographic and risk indicator breakouts in counts and percentage for FY 2018 and FY 2019.

Table 1 - Number and percentage of participating children by race/ethnicity

	FY 2018	FY 2018		
	Child Count	Percent of Total	Child Count	Percent of Total
American Indian/Alaska Native	200	0.3%	208	0.3%
Asian	2,738	3.7%	2,939	4.0%

Homeless	1,608	2.2%	1,687	2.3%
=	70.040		70.400	

**Total Children** 73,312 73,188

### **Program Funding**

Table 4 - Program level data for Downstate (excludes CPS) and Statewide (includes CPS) PFA programs

	FY 2	018			FY	2019		
	State	ewide	Dowr	nstate	Sta	tewide	Dowr	nstate
Funded Programs		453		452		423		422
Children Served		73,312		54,346		73,188		55,839
Total Funding	\$	319,232,877	\$ 19	6,620,777	\$	339,343,257	\$ 18	8,055,038
Cost per Student	\$	4,354	\$	3,618	\$	4,637	\$	3,368

## **Program Evaluation**

Simply serving these children is not enough. Quality service is paramount in providing them a foundation for academic and social growth. During the FY 2018 and FY 2019 evaluations, over 98 percent of programs were awarded the Gold or Silver designation. These awards give caregivers confidence that children receive high quality care and education tailored to meet their unique needs.

Table 5 - ExceleRate Illinois QRIS awards granted in FY 2018 and FY 2019

	FY 2018		FY 2019	
	Program Count	Percent of Total	Program Count	Percent of Total
Gold	202	75.1%	144	77.8%
Silver	61	22.7%	36	19.5%
Bronze	6	2.2%	5	2.7%
Grand Total	269	100.0%	185	100.0%

## **Geographical Need for Services**

Research shows that two primary factors can contribute to a child's future academic stagnation, when present at an early age: **poverty** and **limited parental education**. In addition to correlating with lower academic achievement, these factors are more likely to be present in the lives of children with multiple other risk factors (e.g, single-parent household, primary home language other than English). (Rathbyn, West, & Walston, 2005)

The next two pages include an overlay of FY 2019 PFA sites on top of poverty and education data by county/PUMA<sup>4</sup> throughout the state of Illinois. FY 2018 is the most recent data available for both poverty and education data used in the following figures.

<sup>&</sup>lt;sup>4</sup> PUMA: Public-Use Microdata Area. PUMAs are geographic groups of states that contain at least 100,000 people.

## **Geographical Need – Poverty**

### Children Living at or below Federal Poverty Level by County with PFA Site Overlay

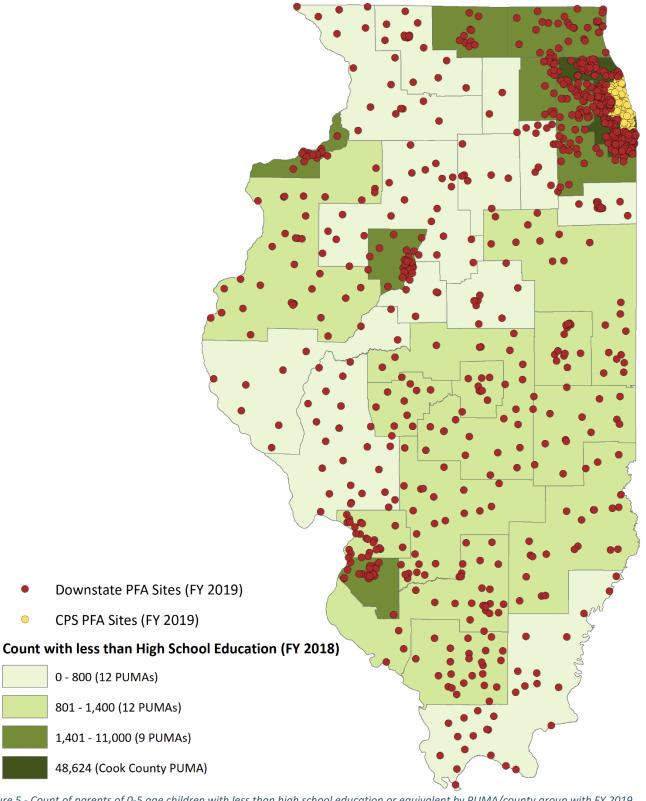

Figure 5 - Count of parents of 0-5 age children with less than high school education or equivalent by PUMA/county group with FY 2019 PFA sites

## **Cohort PARCC/IAR Performance**

Early Childhood programming provides at-risk children much needed educational services to provide a foundation for future academic success. One way to gauge the impact is to look at assessment performance of children who previously received Early Childhood services. In FY 2019, the Partnership for Assessment of Readiness for College and Career (PARCC) assessment was replaced by the Illinois Assessment of Readiness (IAR). Both assessments are virtually identical and are synonymous for purposes of the following analysis. These assessments are administered starting in the third grade, typically the fourth school year after a child leaves pre-k age.

Restrictions have been placed on these data to ensure a consistent data set. For purposes of this report, cohorts are populated based on the last year a child was enrolled in a PFA program and the first year they received the PARCC/IAR assessment as a third grader. PARCC/IAR data with missing or incomplete scores across mathematics (Math) and English language arts (ELA) subjects are excluded.

To help illustrate how a cohort is populated in this report, suppose a child was enrolled in a PFA program in 2014. This child moves on to kindergarten and finally in 2018 is enrolled in a third grade classroom. The child receives the PARCC assessment for the first time. This child would be placed in the 2014 Cohort. Any further results (e.g. in 2019 as a fourth grader) are excluded from this data set for this child.

Figure 6 - Count (top) and percentage (bottom) of PARCC achievement results for children previously enrolled in a PFA program

## **Budget, Expenditures, and Service Levels**

The following table contains data used by ISBE to identify programs meeting the budgetary requirements for receiving PFA funding. Service levels are the most important expression of how programs use PFA funds. Comparing the "To Be Served" total with the "Actually Served" total is a simple way to identify programs using PFA funds effectively.

Table 6 - Budget, Expenditures and Service Levels by program in FY 2018 and FY 2019

## **Additional Resources**

## **Quality Recognition and Improvement System**

Preschool for All began to participate in the ExceleRate Illinois Quality Recognition and Improvement System (QRIS) in FY 2012. PFA programs are monitored at least once every three years. Programs that receive ISBE coaching services may be monitored more than once in an evaluation cycle. PFA programs are rated for quality based upon the Early Childhood Environment Rating Scale (ECERS-3) metric, as well as certain items of the ISBE PFA Compliance Checklist. From these metrics, the evaluated program is determined to fall into one of three Circles of Quality - Gold, Silver, or Bronze.
