Barbara Wood,

The South Barrington received and installed two (2) camera systems from a grant in 2021. These cameras were installed in two (2) of our marked police vehicles, #475 and #478. Our review process is as follows:

- Our four (4) Patrol Sergeants conduct random video review at least two (2) times per month for each of their subordinates
- The video reviews are documented in a tracking software (Guardian Tracking)
- The documentation includes the functionality of the equipment and any subordinate issues that are observed that need correction or coaching
- The entries are reviewed by the Chief and Deputy Chief.

Please see the attached grant report in accordance with the terms of our grant agreement. The Excel form includes all the data requested.

Sincerely

Michael Garrison
Deputy Chief of Police
