RE: Data Incident Notification

Honorable Members of the Illinois General Assembly:

We serve as counsel for Illinois Finance Authority (“IFA”). Assuming that IFA is subject to 815 ILCS 530/25, we write to inform you of a data security incident experienced by IFA pursuant to the requirements within the Illinois Personal Information Protection Act (“PIPA”), 815 ILCS 530/1 *et seq.* By providing this notice, IFA does not waive any rights or defenses under Illinois law, including the data breach notification statute.

On or about November 6, 2023, IFA experienced a network disruption incident. Upon discovery, IFA took immediate action to address and investigate the event, which included engaging third-party specialists to assist with determining the nature and scope of the event, in addition to securely restoring operations. At this time, investigation into the scope of information affected remains ongoing and currently IFA is not aware of any impacts to individuals’ personal information. Should IFA learn of impact to individuals’ personal information, notification will be provided to such individuals accordingly.

If there are any questions regarding this letter, please contact me at jgoodwin@c-wlaw.com or 610-862-1977.

Sincerely,

Jason Goodwin, Esq.
