**Fiscal Note (Department of Insurance)**

As a result of the requirements brought about by this legislation, the Department of Insurance would need to add, at minimum, one (1) full time position to fulfill complaint unit duties. This position would be housed within the Department's Life and Annuities Products Division at a total annual cost to the Department of Insurance of approximately \$100,000 for both personal services and related expenses and lower line item costs. The projected cost associated with these responsibilities is expected to be covered by Other, Dedicated State Funding.

This legislation has no fiscal or population impact on the Department of Corrections.

**Housing Affordability Impact Note (Housing Development Authority)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

This bill does not create a State mandate.

Senate Committee Amendment No. 1

Adds reference to:

215 ILCS 185/30

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: In provisions amending the Unclaimed Life Insurance Benefits Act, provides that an insurer shall initially perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2012 by using the full Death Master File (rather than all certain policies, contracts, and accounts). Provides that an insurer required to perform a comparison of certain policies, contracts, and accounts in force on or after January 1, 2000 shall perform a comparison of certain policies, contracts, and accounts in force between January 1, 2000 and December 31, 2016 on or before December 31, 2018 by using the full Death Master File. Removes language requiring an insurer to request information sufficient to ensure that all benefits or proceeds are distributed to the appropriate persons upon the death of the insured. Further amends the Unclaimed Life Insurance Benefits Act. Requires the Department of Insurance to define "electronic searchable files" in rules. Removes provisions allowing the Department to limit an insurer's Death Master File comparisons to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer. Provides that the Act applies to policies, annuity contracts, and retained asset accounts in force at any time on or after January 1, 2012 (rather than on or after January 1, 1996). Provides that for an insurer that has entered into a written agreement with the State Treasurer on or before December 31, 2018 to resolve an unclaimed property examination, the provisions of the Act apply to certain policies, contracts, and accounts in force on or after January 1, 2017. Provides that the provisions of the Act apply to certain policies, contracts and accounts in force at any time on or after January 1, 2000 to the extent that an insurer has electronic searchable files concerning those policies, contracts, and accounts.

40 ILCS 5/4-108.6

40 ILCS 5/6-227

30 ILCS 805/8.41 new

Amends the Downstate Firefighter and Chicago Firefighter Articles of the Illinois Pension Code. Authorizes a firefighter to transfer up to 10 years of creditable service in a downstate firefighter pension fund to the Firemen's Annuity and Benefit Fund of Chicago upon payment of a specified amount. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688. This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

House Floor Amendment No. 1

Limits the authorization to transfer credit to the period ending 6 months after the effective date of the amendatory Act.

Fiscal Note (Dept of Insurance)

HB 688 has no projected fiscal impact upon the Illinois Department of Insurance.

Land Conveyance Appraisal Note, House Floor Amendment No. 1 (Dept. of Transportation)

The Illinois Department of Transportation has determined that no Land Conveyance is required by this bill.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

It is difficult to discern the potential impact of HB 688(H-AM 1). This bill would only affect Firefighters who earned serviceable credit under a Downstate Police pension fund and are now members of the Firemen's Annuity and Benefit Fund of Chicago. That amount of firefighters who meet this criterion is currently unavailable. The fiscal impact of this legislation would need to be evaluated on a case-by-case basis by the Chicago Fire Pension Fund's actuary.

State Debt Impact Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

HB 688 (H-AM 1) would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Floor Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to House Bill 688 (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note, House Floor Amendment No. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

Housing Affordability Impact Note, House Floor Amendment No. 1 (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Correctional Note, House Floor Amendment No. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

Fiscal Note, House Floor Amendment No. 1 (Dept of Insurance)

HB 688 (H-AM 1) has no projected fiscal impact upon the Illinois Department of Insurance.

State Mandates Fiscal Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

This bill does create a State mandate.

Home Rule Note, House Floor Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

Requires application within 6 months after the effective date of the amendatory Act. Authorizes reinstatement of service that was terminated by a refund. Effective immediately.

 35 ILCS 120/3 from Ch. 120, par. 442

Amends the Downstate Public Transportation Act, the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act. Beginning July 1, 2018, instead of use and occupation tax collections being deposited into the General Revenue Fund and then transferred monthly by the Comptroller from the General Revenue Fund to the Downstate Public Transportation Fund, requires the Department of Revenue to deposit the designated fraction of the net revenue realized from those collections directly into the Downstate Public Transportation Fund. Effective July 1, 2018.

Fiscal Note (Office of the Comptroller)

Provisions of HB 2453 would require the deposit of transit funds derived from sales taxes directly into the Downstate Public Transportation Fund that would amount to an estimated \$205 million annually. Currently, the Office of the Comptroller makes transfers from the General Revenue Fund into the Downstate Public Transportation Fund as available balances in the GRF allows throughout the fiscal year while facing a general funds backlog of bills at \$12.6 billion. This legislation would essentially remove the Comptroller's discretion for making such payments for downstate transit districts from cash management criteria used by the Comptroller in balancing payments for all the other pending obligations such as for education, medical programs, certain human service programs, debt service and State payrolls. As of March 24, 2017 the pending backlog for the Downstate transit programs was estimated at \$70 million.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This legislation does not create a State mandate.

Balanced Budget Note (Office of Management and Budget)

This bill will have a negative fiscal impact on the State by increasing the workload on Illinois Department of Labor as it expands the Equal Pay Act to include newly prohibited activity. This increase in costs is not included in the Governor's FY18 proposed budget. There are no proposed revenues or offsetting budget reductions to support these increased costs. It is unknown how much additional operational cost it will bring to the Department at this point, therefore an accurate cost assessment cannot be determined.

Fiscal Note (Dept. of Revenue)

With passage of this bill, the Department of Revenue will need to add at least (1) full time staff. The increase in staff would consist of a Labor Conciliator. Additional administrative costs include postage, office supplies and new employee IT equipment and licensing. Fiscal Impact = \$162,000.

House Floor Amendment No. 1

Provides exceptions to the applicability of a provision stating that it is unlawful for an employer to seek the wage or salary history of any job applicant from any current or former employer.

Judicial Note (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the State.

Fiscal Note (Illinois Workers' Compensation Commission)

House Bill 2525 as introduced would have a significant fiscal impact on the Illinois Workers' Compensation Commission. The bill includes a provision that would result in less revenues to fund office operations while requiring increased expenditure of State funds to hire additional professionals with expertise in various disciplines and additional investigators to investigate workers' compensation fraud. An accurate cost estimate of this legislation is not available at this time.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Pension Note (Government Forecasting & Accountability)

This legislation will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

This legislation would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Correctional Note (Dept of Corrections)

This legislation has no fiscal or population impact on the Department of Corrections.

Housing Affordability Impact Note (Housing Development Authority)

**HB 02525 (CONTINUED)**

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

## New Act

Creates the Parental Rights for the Blind Act. Contains statements of legislative findings and purpose. Defines terms. Provides that a person's blindness shall not serve as a basis for denial or restriction of parenting time, the allocation of parental responsibilities, participation in adoption proceedings, foster care placement, or guardianship appointment. Provides that the court may require that the supportive parenting services be put in place, with an opportunity to review the need for continuation of the services within a reasonable period of time. Provides that if a court determines that a blind person's parental rights should be denied or limited in any manner, the court shall make specific written findings stating the basis for such a determination and why the provision of supportive parenting services is not a reasonable accommodation that must be made to prevent such denial or limitation.

## House Floor Amendment No. 1

Provides that if a court determines that a blind person's parental rights should be denied or limited in any manner, the court shall make specific written findings stating why supportive parenting services cannot prevent the denial or limitation (instead of "why the provision of supportive parenting services is not a reasonable accommodation that must be made to prevent such denial or limitation"). Provides that the Department of Children and Family Services shall develop and implement procedures that ensure and provide equal access to child welfare services, programs, and activities in a nondiscriminatory manner and provide training to child welfare investigators and caseworkers on these procedures. Deletes language providing that: (1) if a person's blindness is alleged to have a detrimental impact on a child, the party raising the allegation bears the burden of proving by clear and convincing evidence that the blindness endangers or will likely endanger the health, safety, or welfare of the child; (2) if the burden is met, the person with blindness shall have the opportunity to demonstrate that the implementation of supportive parenting services will alleviate any concerns that have been raised; and (3) the court may require that the supportive parenting services be put in place, with an opportunity to review the need for continuation of the services within a reasonable period of time.

New Act

Replaces everything after the enacting clause. Creates the State Agency Student Worker Opportunity Act. Provides that, whenever a State agency has a job opening for an intern or a student worker, that State agency shall notify the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services. Requires the Department of Human Services, the Department of Juvenile Justice, and the Department of Children and Family Services to take steps to notify qualified applicants of the job opening. Provides that the term "qualified applicant" means an individual who: (1) is 21 years of age or younger; (2) is qualified for the internship or student worker position; and (3) is or has been a dependent child in foster care, a homeless youth, or a formerly incarcerated youth. Requires State agencies to maintain certain records.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Children & Family Services)

The Department estimates that House Bill 2987 (H-AM 1) will not have any significant fiscal impact on the Department of Children and Family Services.

Fiscal Note, House Committee Amendment No. 1 (Dept of Juvenile Justice)

If passed, HB 2987 (H-AM 1) would mandate that state agencies notify the Department of Juvenile Justice regarding job openings for an intern or a student worker. The Department must notify the qualified applicants and maintain records detailing the number of applicants for the aforementioned positions. The Department has the capability to track youth currently on Aftercare. However, this legislation poses many issues for youth no longer in the Department's custody.

Because the implementation would be administrative in nature, the legislation has a minimal, if any, fiscal impact on the Department but would pose administrative burden on the Department of Juvenile Justice.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of House Amendment 1. Replaces the term "formerly incarcerated youth" with "court-involved youth". Provides that the term "court-involved youth" means an individual who was committed to the custody of the Department of Juvenile Justice or a county juvenile detention center and has been released from that facility or discharged from custody. Removes provisions concerning recordkeeping. Makes other changes.

Provides that this policy shall be posted on the Department website and at each facility. Amends the Emancipation of Minors Act. Removes language pertaining to homeless minors from provisions governing: purpose and policy; jurisdiction; rights and responsibilities of an emancipated minor; petitions; and hearings. Repeals the definition of "homeless minor" and "youth transitional housing program". Amends the Children and Family Services Act. Provides that services provided by youth transitional housing programs may include a service assessment, individualized case management, and life skills training. Provides that a homeless minor is eligible if certain criteria are met. Provides that if a homeless minor voluntarily leaves or is dismissed from a youth transitional housing program prior to reaching the age of majority, the youth transitional housing program agency shall contact the comprehensive community based youth services agency that provided crisis intervention services to the eligible homeless minor to assist in finding an alternative placement for the minor. Provides that nothing in the new provisions shall be construed to require an eligible homeless minor to acquire the consent of a parent, guardian, or custodian to consent to a youth transitional housing program. Provides that an eligible homeless minor is deemed to have the legal capacity to consent to receiving housing and services from a licensed youth transitional housing program. Contains a statement of purpose.

Fiscal Note (Dept. of Children & Family Services)

These Transitional Living Programs receive funding from many sources (federal, state, local and private sources). They do not receive DCFS funding. They will serve homeless youth regardless of changes to this act. Therefore, there is no anticipated fiscal impact.

Fiscal Note (Dept. of Human Services)

No fiscal impact exists for the Department of Human Services. These services are already within the scope of the current Comprehensive Community-Based Youth Services (CCBYS) and Homeless Youth programs.

House Committee Amendment No. 1

Replaces a cross reference to the Mental Health and Developmental Disabilities Code with a reference to the Juvenile Court Act of 1987. Provides that the eligibility criteria for youth transitional housing programs include a requirement that the minor does not require placement in a residential care facility. Provides that beginning January 1, 2019, and annually thereafter through January 1, 2024, the Department of Human Services shall submit annual reports to the General Assembly regarding homeless minors older than 16 years of age but less than 18 years of age referred to a youth transitional housing program for whom parental consent to enter the program is not obtained. Provides that the reports shall contain specified information.

305 ILCS 5/9A-11

from Ch. 23, par. 9A-11

Amends the Illinois Public Aid Code. Adds families that are not recipients of benefits under the Temporary Assistance for Needy Families (TANF) program and that need child care assistance to participate in education and training activities to the list of family categories that are covered under the child care assistance program. Deletes a provision: requiring the Department of Human Services to allocate \$7,500,000 annually for a test program for families that are income-eligible for child care assistance, are not recipients of TANF, and need child care assistance to participate in education and training activities; and requiring the Department to specify the conditions of eligibility for the test program. Effective July 1, 2017.

Fiscal Note (Dept. of Human Services)

The proposed FY18 budget restores education and training activities to the list of income eligible non-TANF families in the Child Care eligibility priority group; this is all specifically included in rules. Adding this language into statute would limit the Department's flexibility to revise and/or change eligibility criteria when necessary to comply with changes in federal regulations and/or budgetary matters.

Education and training for families that qualify is increased by approximately \$37. 1 million in the FY18 budget request, for total funding of \$59.8 million. This amount is included even though the program is currently in the Department's rules and not in statute.

Provides that a home care consumer in the Department of Human Services' Home Services Program has the right and discretion to: (i) select and hire a personal assistant or other individual provider of his or her choice; and (ii) determine the number of hours worked weekly by his or her personal assistant or other individual provider. Provides that the provisions do not limit the Department's authority in any other statute to disqualify an individual from providing services in the Department's Home Services Program for reasons other than the number of weekly hours worked by the individual.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Rehabilitation of Persons with Disabilities Act. Provides that a home care consumer in the Department of Human Services' Home Services Program has the right and discretion to: (1) select and hire a personal assistant or other individual provider of his or her choice; and (2) determine the number of hours per week his or her personal assistant or other individual provider may work. Provides that nothing shall limit the Department's authority under any other statute to disqualify an individual from providing services in the Department's Home Services Program for reasons other than the number of weekly hours worked by the individual.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Human Services)

This proposal would limit the State's ability to manage and control costs related to the Home Services Program. Based on the most current data, the estimated cost for hours worked beyond 40 hour/week would be \$15-16M. This does not include any assumptions for possible changes in PA behavior.

40 ILCS 5/1-110.16

Amends the Illinois Procurement Code. Provides that an expatriate corporation shall be considered a non-resident bidder for purposes of the Code. Provides that no business or member of a unitary business group shall submit a bid for or enter into a contract with a State agency under the Code if the business is an expatriate corporation. Defines "expatriate corporation". Amends the Illinois Income Tax Act. Provides that notwithstanding provisions of the Act, any person formed or incorporated in a foreign tax haven may be a member of a unitary business group without regard to where its business activities are conducted. Defines "foreign tax haven". Amends the General Provisions Article of the Illinois Pension Code. Requires the Illinois Investment Policy Board to make its best efforts to identify all expatriate companies and include those companies in the list of restricted companies distributed to each retirement system and the Illinois State Board of Investment.

Fiscal Note (Dept. of Revenue)

This bill would have no impact on State income tax revenue. Since the Illinois Income Tax Act is already a territorial based taxing system, a corporate inversion transaction is not a State Income tax avoidance scheme. Under current law, the Illinois Income Tax Act taxes U.S. companies only on their domestic income derived from Illinois business activities but does not tax foreign income. As a result, the bill does not provide a remedy to any State income tax planning.

Extends the period to respond to certain deficiencies in a submitted bid or proposal from 5 days to 10 calendar days. Corrects a grammatical error. Makes changes to the information that must be submitted in the voluntary diversity report by certain telecom and communications entities. Provides that for purposes of determining the rights to property passing upon the death of a decedent under any instrument or the intestacy rules of this State, unless a contrary intention is expressly stated in the instrument: (1) the decedent is a parent of a posthumous child in utero at the time of the decedent's death; and (2) if a decedent had consented in writing to be a parent of any child born of his or her gametes posthumously, and died before the insemination of the individual's gametes or embryo transfer, the decedent is a parent of any resulting child born within 36 months of the death of the decedent, but only if the holder of property subject to the instrument receives timely written notice, from a person to whom such consent applies that: (i) the decedent's gametes exist; and (ii) the person has the intent to use the gametes in a manner that could result in a child being born within 36 months of the death of the decedent. Provides that if the holder of the property does not receive the written notice, the holder of the property shall not be liable to the posthumously conceived child or any person claiming for or through the child for any property passing upon the death of the decedent. Provides that for purposes of the descent and distribution of property passing by intestate succession, a posthumous child of a decedent not in utero at the decedent's death is entitled to the same share of an estate as if the child had been born in wedlock during the decedent's lifetime only if specified conditions are met. Provides that the requirements impose no duty on the administrator of an estate to provide notice of death to any person and apply without regard to when any person receives notice of the decedent's death. Provides that for the purpose of determining the property rights of any person under any instrument: (1) a posthumous child of a decedent who is in utero at the decedent's death shall be treated as a child of the decedent unless the intent to exclude such child is demonstrated by the express terms of the instrument by clear and convincing evidence; and (2) a posthumous child of a decedent not in utero at the decedent's death shall not be treated as a child of the decedent unless specified conditions are met. Provides that the use in an instrument of terms such as "child", "children", "grandchild", "grandchildren", "descendants", and "issue", whether or not modified by phrases such as "biological", "genetic", "born to", or "of the body" shall not alone constitute clear and convincing evidence of an intent to include posthumous children not in utero at the decedent's death. Provides that an intent to exclude posthumous children not in utero at the decedent's death shall be presumed with respect to any instrument that does not address specifically how and when the class of posthumous children are to be determined with respect to each division or distribution provided for under the instrument as well as whose posthumous children are to be included and when a posthumous child has to be born to be considered a beneficiary with respect to a particular division or distribution. Provides that no fiduciary or other person shall be liable to any other person for any action taken or benefit received prior to the effective date of the amendatory Act that was based on a good faith interpretation of Illinois law regarding the right of posthumous children to take property by intestate succession or under an instrument. Contains applicability language.

Provides that upon written request, the Department shall furnish copies of a written accident report or any supplemental reports to a federal, State, or local agency that is engaged in highway safety research and study and to any person or entity that has a contractual relationship with the Department or a federal, State, or local agency to complete a highway safety research and study for the Department or the federal, State, or local agency. Provides that upon written request, the Department shall furnish motor vehicle accident data to a federal, State, or local agency, the Secretary of State, the Illinois Commerce Commission, or any other person or entity that has a contractual agreement with the Department or a federal, State, or local agency to complete a highway safety research and study for the Department or the federal, State, or local agency. 30 ILCS 500/50-60

820 ILCS 115/14 from Ch. 48, par. 39m-14

Amends the Illinois Procurement Code. Prohibits any person or business that violates the Illinois Wage Payment and Collection Act, the Minimum Wage Law, the Illinois Worker Adjustment and Retraining Notification Act, the Employee Classification Act, the Day and Temporary Labor Services Act, the Fair Labor Standards Act of 1938, or any comparable state statute or regulation of any state which governs the payment of wages to do business with the State or any State agency or enter into a subcontract that is subject to the Code for a period of 5 years. Amends the Illinois Wage Payment and Collection Act. Amends the Illinois Wage Payment and Collection Act. Provides that an employer that is able to pay wages and who refuses to pay is guilty of a Class 4 felony with respect to amounts of \$5,000 or less (rather than a Class B misdemeanor) and of a Class 3 felony with respect to amounts greater than \$5,000 (rather than a Class A misdemeanor). Provides that a subsequent failure to pay within 5 years (rather than 2 years) of a prior conviction is a Class 3 felony (rather than a Class 4 felony).

Senate Committee Amendment No. 1

Provides that a person or business that is subject to an adverse civil judgment related to violations of certain laws concerning wage payments may not do business with the State for a period of 5 years. Revises proposed changes in penalties for failure to pay wages, final compensation, or wage supplements. House Committee Amendment No. 1

Provides that a bidder must acknowledge that a chief procurement officer at a State agency, rather than a State agency, may declare a contract void if certain certifications made by the bidder are false.

Judicial Note, House Committee Amendment No. 1 (Admin Office of the Illinois Courts)

This bill would neither increase nor decrease the number of judges needed in the State.

State Mandates Fiscal Note, House Committee Amendment No. 1 (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Pension Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)

This bill will not impact any public pension fund or retirement system in Illinois.

State Debt Impact Note, House Committee Amendment No. 1 (Government Forecasting & Accountability)

This bill would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Balanced Budget Note, House Committee Amendment No. 1 (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Correctional Note, House Committee Amendment No. 1 (Dept of Corrections)

This bill has no fiscal or population impact on the Department of Corrections.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Central Management Services)

SB 01722

(Rep. Jim Durkin-Jaime M. Andrade, Jr.-John M. Cabello-Patricia R. Bellock-David Harris, Tom Demmer, Barbara Wheeler,  
Michael P. McAuliffe and Brian W. Stewart)

New Act

Creates the Safe Neighborhoods Reform Act. Contains only a short title provision.

Fiscal Note, Senate Floor Amendment No. 2 (Illinois State Police)

The Department of Innovation & Technology estimates it would take 2,500 hours and based on a simple \$100 per hour, an estimated fiscal impact of \$250,000 to implement. This estimate is based on a collaboration with the Administrative Office of Illinois Courts.

Correctional Note, Senate Floor Amendment No. 2 (Dept of Corrections)

The total impact of SB 1722 (S-AM 2) would be a decrease of 1,471 offenders with \$61,932,100 in marginal cost savings over the first ten years after enactment. Population reductions and fiscal savings are based on limited data and Department estimates, and the use of discretion when imposing longer sentences for firearms offenses is difficult to predict throughout the State. Therefore, the full population and fiscal impacts on the Department of Corrections for SB 1722 (S-AM 2) are unknown.
