New Act

Creates the Early Mental Health and Addictions Treatment Act. Requires the Department of Healthcare and Family Services, and other specified agencies and entities, to develop a pilot program under which a qualifying adolescent or young adult may receive community-based mental health treatment from a youth-focused community support team for early treatment that is specifically tailored to the needs of youth and young adults in the early stages of a serious emotional disturbance or serious mental illness. Requires the Department to apply, no later than September 30, 2019, for any necessary federal waiver or State Plan amendment to implement the pilot program. Requires the Department to implement the pilot program no later than December 31, 2019 if federal approval is not necessary. Contains provisions concerning the creation of a community-based treatment model under the pilot program; the development of a pay-for-performance payment model; Department rules to implement the pilot program; and analytics and outcomes report. Requires the Department to develop an Assertive Engagement and Community-Based Clinical Treatment Pilot Program for individuals with opioid and other drug addictions. Contains provisions on in-office, in-home, and in-community services provided under the pilot program; application for a federal waiver or State Plan amendment to implement the pilot program; development of a pay-for-performance payment model; Department rules to implement the pilot program; and analytics and outcomes report. Effective immediately.

Senate Floor Amendment No. 1

Provides that the pilot programs authorized under the amendatory Act shall be implemented across a broad spectrum of geographic regions across the State. Provides that the community-based treatment model implemented under the pilot program shall take into consideration area workforce, community uniqueness, and cultural diversity. In provisions requiring the Department of Healthcare and Family Services to develop a pay-for-performance payment model, provides that the payment model shall include all provider costs associated with the data collection for purposes of certain analytics and outcomes reporting requirements. In a provision requiring the Department to deliver a report to the General Assembly on the outcomes of the pilot program, provides that the final report shall be submitted within one year after 4 years (rather than 5 years) of full implementation and after 7 years of full implementation. Requires the Department to collect and include in its final report post-pilot program discharge outcomes for all service recipients who exit the pilot program for up to 3 years post exit. Requires the Department to file its reports with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

105 ILCS 5/22-30

105 ILCS 5/27A-5

Amends the School Code. With regard to the self-administration and self-carry of asthma medication, provides that a school district, public school, charter school, or nonpublic school may authorize a school nurse or trained personnel to (i) provide undesignated asthma medication to a student for self-administration only or to any personnel authorized under a student's Individual Health Care Action Plan or asthma action plan, plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or individualized education program plan to administer to the student that meets the student's prescription on file, (ii) administer an undesignated asthma medication that meets the prescription on file to any student who has an Individual Health Care Action Plan or asthma action plan, plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or individualized education program plan that authorizes the use of asthma medication; and (iii) administer an undesignated asthma medication to any person that the school nurse or trained personnel believes in good faith is having respiratory distress; defines "undesignated asthma medication" and "respiratory distress". Changes the definition of "asthma medication" to mean quick-relief asthma medication that is approved by the United States Food and Drug Administration for the treatment of respiratory distress. Provides that a school nurse or trained personnel may administer undesignated asthma medication to any person whom the school nurse or trained personnel in good faith believes to be experiencing respiratory distress (i) while in school, (ii) while at a school-sponsored activity, (iii) while under the supervision of school personnel, or (iv) before or after normal school activities. Provides that a school district, public school, charter school, or nonpublic school may maintain a supply of an asthma medication in any secure location where a person is most at risk. Provides that a training curriculum to recognize and respond to respiratory distress may be conducted online or in person. Specifies training requirements. Makes other changes. Effective immediately.

Senate Committee Amendment No. 1

Provides that, within 24 hours after the administration of an undesignated asthma medication, a school district, public school, charter school, or nonpublic school must follow up with the school nurse as provided under the provision in the School Code governing the administration of asthma medication. Removes the immediate effective date of the bill.

Senate Committee Amendment No. 2

Replaces everything after the enacting clause. Amends the School Code. With regard to the self-administration and self-carry of asthma medication, provides that a school district, public school, charter school, or nonpublic school may authorize a school nurse or trained personnel to (i) provide undesignated asthma medication to a student for self-administration only or to any personnel authorized under a student's Individual Health Care Action Plan or asthma action plan, plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or individualized education program plan to administer to the student that meets the student's prescription on file, (ii) administer undesignated asthma medication that meets the prescription on file to any student who has an Individual Health Care Action Plan or asthma action plan, plan pursuant to Section 504 of the federal Rehabilitation Act of 1973, or individualized education program plan that authorizes the use of asthma medication; and (iii) administer undesignated asthma medication to any person that the school nurse or trained personnel believes in good faith is having respiratory distress; defines "undesignated asthma medication" and "respiratory distress". Changes the definition of "asthma medication" to mean quick-relief asthma medication, including albuterol or other short-acting bronchodilators, that is approved by the United States Food and Drug Administration for the treatment of respiratory distress. Provides that a school nurse or trained personnel may administer undesignated asthma medication to any person whom the school nurse or trained personnel in good faith believes to be experiencing respiratory distress (i) while in school, (ii) while at a school-sponsored activity, (iii) while under the supervision of school personnel, or (iv) before or after normal school activities. Provides that a school district, public school, charter school, or nonpublic school may maintain a supply of asthma medication in any secure location that is accessible before, during, or after school where a person is most at risk. Provides that a training curriculum to recognize and respond to respiratory distress may be conducted online or in person. Specifies training requirements. Makes other changes.

Senate Committee Amendment No. 3

Provides that a school district or school must follow up with the school nurse after the administration of undesignated asthma medication only if a school nurse is available.

Replaces everything after the enacting clause. Reinserts the introduced bill with the following changes: Removes language requiring a manufacturer of beer that imports beer into this State to obtain a non-resident dealer's license. Removes language providing that nothing in the Act prohibits an Illinois licensed distributor from offering credit or a refund for unused, salable alcoholic liquors to a holder of a special use permit license or from the special use permit licensee accepting the credit or refund of alcoholic liquors at the conclusion of the event specified in the license. In a provision concerning permanent inside signs, provides that all neons, illuminated signs, clocks, table lamps, mirrors, and tap handles (instead of all permanent inside signs, except alcohol lists and menus) are the property of the manufacturer and shall be returned to the manufacturer or its agent (instead of the manufacturer, distributor, or importing distributor) upon request. Removes language providing that coolers and buckets shall not be deemed to be inside signs or advertising materials. Provides that any manufacturer of beer that transfers beer into this State must comply with specified provisions of the Act related to recordkeeping and taxation. Provides that temporary inside signs include product displays. Effective immediately.

Replaces everything after the enacting clause. Amends the County Care for Persons with Developmental Disabilities Act. Changes the short title of the Act to the Community Care for Persons with Developmental Disabilities Act. Makes the Act applicable to counties, municipalities, and townships (rather than just counties). Adds definitions, including "developmental disability". Allows the board of directors to add to the definition of "developmental disability" in its jurisdiction by a majority vote. Provides that the changes do not affect any established county community developmental disability boards. Provides that the Act will be reassigned to 50 ILCS 835. Amends the Property Tax Code and the Counties Code making conforming changes.

225 ILCS 90/11 from Ch. 111, par. 4261

Amends the Illinois Occupational Therapy Practice Act and the Illinois Physical Therapy Act. Provides that the Department of Financial and Professional Regulation may issue an occupational therapist, occupational therapy assistant, physical therapist, or physical therapist assistant license to an applicant who is licensed under another jurisdiction upon filing an application, paying the required fee, and meeting requirements established by rule (rather than if the requirements for licensure in that jurisdiction were, at the date of licensure, substantially equivalent to the requirements in force in this State on that date or equivalent to the requirements of this Act). Provides that an applicant for endorsement shall meet the requirements for endorsement upon filing the application, paying the required fee, and showing proof of licensure in another jurisdiction for at least 10 consecutive years without discipline by certified verification of licensure by the jurisdiction. Effective immediately.

Senate Committee Amendment No. 1

In provisions regarding an application for licensure by endorsement as an occupational therapist, occupational therapy assistant, physical therapist, or physical therapist assistant, adds language requiring an applicant to have practiced for 10 consecutive years in another jurisdiction.

Amends the Professional Service Corporation Act. Provides that the certificate of registration shall expire on January 1, 2019, and on January 1 of every third year thereafter, for any professional service corporation that renders services that are regulated by the Department of Financial and Professional Regulation. Establishes a renewal fee of \$40 for a certificate of registration issued by the Department. Makes similar changes to the Medical Corporation Act. Amends the Limited Liability Company Act. Defines "professional limited liability company". Removes provisions prohibiting a limited liability company from rendering certain professional services, and instead provides that a limited liability company that intends to provide a professional service licensed by the Department of Financial and Professional Regulation must be formed in compliance with the Professional Limited Liability Company Act. Amends the Professional Limited Liability Company Act. Defines "license". Provides that one or more individuals may organize a professional limited liability company by filing articles of organization with the Secretary of State on forms furnished by the Secretary. Sets forth certain requirements the articles of organization must satisfy. Provides that the company name of a professional limited liability company must contain the terms "professional limited liability company", "P.L.L.C.", or "PLLC". Lists the professional services a professional limited liability company may render, with certain exceptions. Provides that a professional limited liability company's certificate of registration shall expire on January 1, 2019 and on January 1 of every third year thereafter; and that the renewal fee for a certificate of registration shall be \$40 (rather than calculated at the rate of \$40 per year). Effective immediately.

Senate Floor Amendment No. 1

Further amends the Professional Limited Liability Company Act. Provides that a limited liability company that provides professional services and requires registration with the Department of Financial and Professional Regulation may convert to a professional limited liability company by filing the appropriate forms with the Secretary of State. Provides that there shall be no fee for this conversion.
