Amends the Home Repair and Remodeling Act. Provides that "residence" means a single-family home or dwelling or a multiple-family home or dwelling containing 6 or fewer apartments, condominiums, town houses, or dwelling units, used or intended to be used by the consumer as his or her dwelling place (instead of "by occupants as dwelling places"). In the home repair consumer rights pamphlet, replaces notice language concerning lien waivers with the following: "Illinois law requires that, before payment, your contractor give you a sworn statement which lists: (1) all the persons or companies your contractor hired to work on your home and their addresses; and (2) the amounts previously paid, the amounts about to be paid, and the total amount owed after the payment to these persons or companies. The sworn statement should be fully completed, signed, and notarized. When the contractor's sworn statement lists an amount due or to become due to a subcontractor, or when a subcontractor gives you notice of an amount due to the subcontractor, you must retain sufficient funds to pay that subcontractor. Subcontractors give the contractors lien waivers when they are paid. Ask your contractor for copies of these lien waivers. If your contractor tells you he or she needs a payment from you in order to pay subcontractors, you have the right to pay the subcontractors directly.".

House Committee Amendment No. 1

Deletes reference to:

815 ILCS 513/10

Replaces everything after the enacting clause. Amends the Home Repair and Remodeling Act. In the home repair consumer rights pamphlet, replaces the revised notice language relating to lien waivers with the following: "Before you pay your contractor, understand that the Mechanics Lien Act requires that you shall request and the contractor shall give you a signed and notarized written statement (known as a "Sworn Statement") that lists all the persons or companies your contractor hired to work on your home, their addresses along with the amounts about to be paid, and the total amount owed after the payment to those persons or companies. Suppliers and subcontractors have a right to file a lien against your home if they do not get paid for their labor or materials. To protect yourself against liens, you should demand that your contractor provide you with a Sworn Statement before you pay the contractor. You should also obtain lien waivers from all contractors and subcontractors if appropriate. You should consult with an attorney to learn more about your rights and obligations under the Mechanics Lien Act." States that the pamphlet language is informational only and is not a substantive enforceable provision of the Home Repair and Remodeling Act and does not affect substantive law under the Mechanics Lien Act.

305 ILCS 5/9A-11

from Ch. 23, par. 9A-11

Amends the Illinois Public Aid Code. Provides that notwithstanding any other provision of law or administrative rule to the contrary, beginning in fiscal year 2019, the specified threshold for working families must be no less than 185% of the then-current federal poverty level for each family size. Effective immediately.

Fiscal Note (Dept. of Human Services)

There is no fiscal impact to the Department of Human Services. Effective October 1st 2017, the FPL was increased to 185% for eligibility in the Child Care Assistance Program (CCAP). The Department's opposition is because the legislation sets in statute the income level at the 185% threshold for low-income working families applying for CCAP. By establishing it in law, it restricts the State from decreasing the FPL for eligibility. The FPL is currently set in rule, and rules allow the necessary flexibility to raise and/or lower the FPL in order to be fiscally responsible and comply with any changes in federal law that may impact the Child Care Program.
