Contains provisions concerning testing of horses at county fairs and standardbred horses. Further amends the Riverboat Gambling Act. Adds additional owners licenses, one of which authorizes the conduct of casino gambling in the City of Chicago. Makes changes in provisions concerning the admission tax and privilege tax. Makes other changes. Contains a severability provision. Effective immediately, but does not take effect at all unless Senate Bills 1, 2, 3, 4, 5, 6, 8, 9, 10, 11, 12, and 13 of the 100th General Assembly become law.

Senate Floor Amendment No. 3

**SB 00007 (CONTINUED)**

Removes provisions requiring that the Chicago Casino Development Authority board select the casino operator by a competitive sealed bidding process. Requires the proposed casino operator to pay a fee of \$50,000,000, to be deposited into the Gaming Facilities Fee Revenue Fund. Allows the Chicago Casino Development Authority to conduct gaming operations in an airport under the administration or control of the Chicago Department of Aviation under specified conditions. Provides that revenues in the Gaming Facilities Fee Revenue Fund shall be used, subject to appropriation, by the Comptroller for the purpose of providing appropriations to the Illinois Gaming Board for the administration and enforcement of the Illinois Gambling Act and the applicable provisions of the Chicago Casino Development Authority Act, with any remaining amounts being transferred to the General Revenue Fund (rather than the Comptroller using the remainder for the payment of vouchers that are outstanding for more than 60 days). Removes provisions amending the State Officials and Employees Ethics Act to create an Executive Inspector General for gaming activities. In provisions amending the Illinois Horse Racing Act of 1975, makes changes concerning the award of racing dates and the pari-mutuel tax credit based on real estate taxes. Removes the authorization to pay certain expenditures from the Illinois Standardbred Breeders Fund. Makes changes to the wagering tax provisions of the Riverboat Gambling Act (the short title of which is changed to the Illinois Gambling Act by the introduced bill). Further amends the Riverboat Gambling Act. Requires that applications for the new licenses be submitted to the Illinois Gaming Board no later than 120 days (rather than 6 months) after the effective date of the amendatory Act. Removes language requiring unused gaming positions to be allocated through a competitive bidding process. In order to expedite the application process, allows the Illinois Gaming Board to establish rules allowing applicants to acquire criminal background checks and financial integrity reviews as part of the initial application process from a list of vendors approved by the Board. Authorizes the operation of a wide area progressive system. Defines "wide area progressive system". Provides that the Administrator of the Illinois Gaming Board shall have regulatory oversight of wide area progressive systems. Provides how jackpots are to be calculated and how payment is to be made. Requires wide area progressive system providers to maintain reserves. Further amends the Video Gaming Act. Provides that wide area progressive system providers must submit approved policies to the Illinois Gaming Board before establishing a system. Makes other changes.

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed with the following changes: Changes references from "electronic gaming license" and "electronic gaming facility" to "organization gaming license" and "organization gaming facility" and makes corresponding changes throughout the amendatory Act. In the Illinois Horse Racing Act of 1975 and the Riverboat Gambling Act (the short title of which is changed to the Illinois Gambling Act by the engrossed bill), defines "organization gaming license" as a license issued by the Illinois Gaming Board under specified provisions of the Illinois Gambling Act authorizing certain games at an organization gaming facility. Defines "organization gaming facility" as the portion of an organization licensee's racetrack facilities at which certain gaming is conducted. Makes related changes. In the Illinois Horse Racing Act of 1975, authorizes the construction of a new racetrack limited to standardbred racing in Cook County. Requires Fairmount Racetrack to provide the Board a copy of its contractual agreement with the Casino Queen before being issued an organization gaming license. In the Riverboat Gambling Act, requires the municipality or county in which an applicant for a new owners license is located to pass an ordinance in support of the riverboat. Requires the Board to give first preference for applicants for a new owners license to Illinois-based companies. In the Video Gaming Act, provides that an establishment authorized to conduct video gaming may operate up to 6 (rather than 5) video gaming terminals on its premises at any time. Provides factors to be considered by the Board in determining restrictions on licenses in malls. Amends the Prizes and Gifts Act. Changes the short title to the Sweepstakes, Prizes, and Gifts Act. Prohibits the operation of more than 10 electronic product promotion sweepstakes kiosks at premises unless the premises operates as: a racetrack licensed under the Illinois Horse Racing Act of 1975; a licensed fraternal establishment or licensed veterans establishment as defined under the Video Gaming Act; a location under the control of a recognized 501(c)(3) charitable organization as defined in the Internal Revenue Code; or an airport. Provides that an electronic product promotion sweepstakes kiosk may not be connected to the Internet. Provides that the amendatory Act does not permit a person to operate an Internet site allowing the playing of a game of chance or skill for money or other thing of value by means of the Internet or the making of a wager upon the result of any game, contest, political nomination, appointment, or election by means of the Internet in violation of specified provisions of the Criminal Code of 2012. Prohibits the operation of an electronic promotion sweepstakes kiosk where the sale of a product is a subterfuge for gambling. Provides that a subterfuge shall be the sale of Internet access, a telephone card, a calling card, or a phone card. Makes conforming changes in the Video Gaming Act and the Criminal Code of 2012. Adds short title Sections for the Fantasy Sports Contest Act, the Internet Gaming Act, and the Sports Wagering Act. Makes other changes. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB14 makes several changes to city contribution rates for the Municipal Employees' Annuity and Benefit Fund and Laborers' Annuity and Benefit Fund. Such changes include defined maximums for tax levies on the city's taxable property for years 2018 through 2022, and a new method for calculating maximums for years following 2022. The bill also offers increased employee contribution rates to Tier 2 employees who opt for reduced retirement ages. This bill also introduces an annuity for Tier 3 members, and all new city officers who are members of the Municipal Employees' Annuity and Benefit Fund will not be eligible for alternative annuity or alternative disability benefits. There are several factors in this bill that will likely make a significant fiscal impact on both the Municipal Employees' and Laborers' Fund. At this time, no actuarial cost study has been made available to CGFA, thus the long-term fiscal impact cannot be determined. An updated impact note will be issued when an actuarial cost study has been obtained from the affected pension funds.

Fiscal Note (Government Forecasting & Accountability)

SB 14 will not have a fiscal impact on the Commission on Government Forecasting and Accountability.

Correctional Note (Dept of Corrections)

SB 14 has no fiscal or population impact on the Department of Corrections

State Debt Impact Note (Government Forecasting & Accountability)

SB 14 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

**SB 00014 (CONTINUED)**

This legislation would neither increase nor decrease the number of judges needed in the State.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Amends the State Universities Article of the Illinois Pension Code. Changes the definition of "service" to include periods where earnings credits were established for periods of voluntary pay reduction in lieu of furlough. In a provision concerning retirement annuity payment periods, provides that for a recipient of a disability retirement annuity, the date on which a retirement annuity payment period begins shall not be prior to the discontinuation of the disability retirement annuity. Provides for the discontinuation of a disability retirement annuity when the recipient refuses to submit to a reasonable physical examination by a physician approved by the board or when the recipient fails to provide an earnings verification necessary to determine continuance of benefits. Requires the board to prescribe rules governing the filing, investigation, control, and supervision of disability retirement annuity claims. Adds provisions concerning costs incurred in connection with completing a claim for a disability retirement annuity. Authorizes the secretary of the board to issue subpoenas to obtain information to assist in the collection of sums due to the System, the determination of the death of a benefit recipient or a potential benefit recipient, or obtaining personal identifying information necessary for the administration of benefits. Makes other changes. Effective immediately.

Requires the Department to develop guidelines of appropriate national accrediting organizations within 6 months after the effective date of the amendatory Act. Requires the State Use Committee to, not less than every 3 years, develop a strategic plan for increasing the number of products or services purchased from qualified agencies (rather than developing one 5-year strategic plan). Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Defines "applicant", "email address of record", "license", and "licensee". Provides that the Department of Financial and Professional Regulation shall require all applicants and licensees to provide a valid address and email address, which shall serve as the address and email address of record, and to inform the Department of any change of address or email address through specified means. Provides that the Department shall provide notice of a suspension to the licensee by mailing a copy of the Department's order to the licensee's address of record or emailing a copy of the order to the licensee's email address of record (rather than mailing a copy of the order by certified and regular mail to the licensee's last known address as registered with the Department). Makes changes concerning the contents marketing materials of the alternative retail electric suppliers and alternative gas suppliers. House Floor Amendment No. 5

In provisions amending the Public Utilities Act, provides that an alternative retail electric supplier or alternative gas supplier shall not submit or execute a change in a customer's electric or gas supply service under specified circumstances. Provides that before an alternative retail electric supplier or alternative gas supplier submits or executes a change in a customer's supply service, it shall confirm whether the customer is eligible to receive or has received certain financial assistance for utility service and confirm with the utility certain records regarding the customer, and provides that an agreement entered into in violation of such requirements is void and unenforceable. Makes conforming changes in the Consumer Fraud and Deceptive Business Practices Act. Provides that no customer who has received certain financial assistance shall be switched to an alternative retail electric supplier or alternative gas supplier unless the customer is switched to an Illinois Commerce Commission-approved savings guarantee plan (rather than applying the prohibition 90 days after the effective date of the amendatory Act). Makes changes to the disclosures required by an alternative retail electric supplier, electric utility, alternative gas supplier, and gas utility. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions creating the Department of Innovation and Technology Act: Adds a definition of "State agency" and "legacy information technology division". Provides that the status and rights of the employees and the State of Illinois, or its transferring agencies, under the Illinois Public Labor Relations Act shall not be affected by the Act. Provides that under the direction of the Governor, the Secretary, in consultation with the transferring agencies and labor organizations representing the affected employees, shall identify each position and employee who is engaged in the performance of functions transferred to the Department, or engaged in the administration of a law the administration of which is transferred to the Department, to be transferred to the Department. Provides that an employee engaged primarily in providing administrative support to a legacy information technology division or information technology personnel may be considered engaged in the performance of functions transferred to the Department. Deletes language that provides that to the extent that an employee performs duties for the dedicated unit, information technology functions, and duties for the transferring agency itself or any other division or agency within the transferring agency that are dedicated to non-information technology functions, that employee shall be transferred at the Governor's discretion. Provides that the Department shall, when requested and when in the best interest of the State, provide for, coordinate, and establish charges for information technology for State constitutional offices. Excludes State constitutional offices from a provision relating to the Department providing for and coordinating communications services. Specifies that the Department has the power to examine the accounts and information technology-related data of a State constitutional office when requested by that office. In provisions amending the Illinois Century Network Act, removes changes to the Illinois Century Network Policy Committee, and instead abolishes the Committee. Provides that the Department of Innovation and Technology shall govern the staffing and contractual services necessary to support the activities of the Illinois Century Network. Further amends the Illinois Century Network Act. Makes additional legislative findings. Provides that the Illinois Century Network shall provide reliable communication links for wholesale connections with other registered or certified providers and the direct communication needs of anchor institutions (rather than provide reliable communication links to and among various institutions). Provides that the Network may (rather than shall) build on existing investments. Requires the Department to perform a comprehensive review of the Network by July 1, 2018. Defines "anchor institutions". In the State Finance Act, restores language pertaining to transfers from the Secretary of State Special Services Fund to the Statistical Services Revolving Fund and changes a reference from "Statistical Services Revolving Fund" to "Technology Management Revolving Fund". Amends the Illinois Procurement Code. Provides that the Department may enter into leases for dark fiber networks for any period of time deemed to be in the best interests of the State but not exceeding 20 years inclusive. Allows the State to lease State-owned dark fiber networks to third parties for any period not exceeding 20 years. Limits the usage of dark fiber network leases. Provides that dark fiber network lease contracts shall be subject to other requirements of the Code. Makes grammatical, stylistic, and other changes. Effective immediately.

305 ILCS 5/5-30

Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that the Department of Healthcare and Family Services shall provide dental services to an adult who is otherwise eligible for assistance under the medical assistance program. Provides that targeted dental services, as set forth in a specified exhibit in a federal consent decree, that are provided to adults under the medical assistance program shall be reimbursed at the rates set forth in a specified column in the exhibit for targeted dental services that are provided to persons under the age of 18 under the medical assistance program. Requires the Department to actively monitor the contractual relationship between Managed Care Organizations (MCOs) and a dental administrator contracted by an MCO to provide dental services. Contains provisions concerning the Department's adoption of appropriate data and measures; the inclusion of certain dental performance measures in the Department's Health Plan Comparison Tool and Illinois Medicaid Plan Report Card; and the collection of information about the types of contracted, broad-based care coordination occurring between a MCO and any dental administrator. Prohibits a health plan from attempting to limit the right of medical assistance recipients to obtain dental services from a qualified Medicaid provider. Prohibits the Department from adopting a rule or entering into a contract that prohibits a licensed dentist or dental hygienist from receiving reimbursement under the medical assistance program for a dental encounter. Effective immediately.

Senate Committee Amendment No. 2

In provisions concerning provider network adequacy and transparency requirements for managed care organizations, provides that each managed care organization shall confirm its receipt of information submitted specific to dentist additions or deletions from the managed care organization's provider network within 3 days of receiving all required information from contracted dentists; and electronic dental directories must be updated consistent with federal rules. Effective immediately.

Requires the Department of Healthcare and Family Services to adopt appropriate dental Healthcare Effectiveness Data and Information Set (HEDIS) measures and to include the Annual Dental Visit (ADV) HEDIS measure in its Health Plan Comparison Tool and Illinois Medicaid Plan Report Card that is available on the Department's website for enrolled individuals (rather than adopt appropriate dental Healthcare Effectiveness Data and Information Set measures or other dental quality performance measures as part of its monitoring and include additional specific dental performance measures in its Health Plan Comparison Tool and Illinois Medicaid Plan Report Card that is available on the Department's website for enrolled individuals). Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that if a patient's mammogram demonstrates dense breast tissue, the Department of Public Health shall require every provider of mammography services to include (rather than the Department shall require every provider of mammography services to, if a patient's mammogram demonstrates dense breast tissue, provide notification to the patient) in any summary of the mammography report sent to the patient in accordance with (rather than pursuant to) the federal Mammography Quality Standards Act a specified notice (rather than that shall include, but not be limited to, certain information). Amends the Condominium Property Act. Provides that the lien for nonpayment of common expenses and fines attaches after the unit owner is given written notice and an opportunity to be heard. Provides that the board of managers may seek remedies under the Act after providing the unit owner or agent of the unit owner with written notice of the default and providing an opportunity to be heard regarding any fees that are in dispute. Provides that the bylaws shall provide that the association has no authority to initiate collection proceedings against a unit owner until the board of managers issues a 30-day written notice of delinquency, and an opportunity for a hearing is given to dispute any amounts due. Provides that the board of managers has the power, after written notice (instead of "notice") and an opportunity to be heard, to levy reasonable fines for violation of the declaration, bylaws, and rules and regulations of the association.

Senate Committee Amendment No. 1

Deletes language providing that the lien for nonpayment of common expenses and fines attaches after the unit owner is given written notice and an opportunity to be heard. Provides instead that the board of managers shall not record or foreclose upon a lien for nonpayment of common expenses and fines until after it provides the unit owner with written notice and an opportunity to be heard. Provides that the board of managers may seek remedies under the Act after providing the unit owner or agent of the unit owner with written notice of the default and providing an opportunity to be heard regarding charges assessed against the unit owner's account, including attorney's fees that are in dispute (instead of "any fees that are in dispute"). Provides that the bylaws shall provide that the association has no authority to report adverse information to a credit reporting agency until the board of managers issues a 30-day written notice of delinquency, and an opportunity for a hearing is given to dispute any amounts due. Specifies that a collection proceeding includes, but is not limited to, an action under the Eviction Article of the Code of Civil Procedure.

Senate Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Condominium Property Act. Provides that before the board may levy a fine, it shall first provide the unit owner a minimum of 20 days' written notice and an opportunity to be heard. Provides that the written notice shall be made in accordance with the requirements of the Act. Provides that the notice and opportunity to be heard requirements apply only to the ability to levy fines, and nothing contained in the new provisions limits or restricts the ability of the board to pursue or enforce the rights of the association. Provides that the association has no authority to report adverse information to a credit reporting agency or initiate collection proceedings against a unit owner for unpaid fines unless the board of managers has first complies with the notice and hearing requirements. Makes corresponding changes.

Replaces everything after the enacting clause. Amends the Automatic Telephone Dialers Act. Redefines "recorded message" to mean any artificial or recorded communication that includes or introduces an advertisement or constitutes telemarketing without live voice interaction (rather than any taped communication soliciting the sale of goods or services without live voice interaction). Prohibits an autodialer from providing inaccurate caller ID information in violation of a specified federal law and regulations of the Federal Communications Commission. Provides that it is a violation of the Act to play a recorded message (rather than a prerecorded message) placed by an autodialer without the (i) prior express written consent of the called party or (ii) the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization or is a call that delivers a health care message made by, or on behalf of, a covered entity or its business associate as those terms are defined in a specified provision of the Health Insurance Portability and Accountability Act of 1996. Defines "telemarketing" and "prior written consent".

House Committee Amendment No. 1

In provisions concerning violations of the Act, removes language providing that it is a violation to play a recorded message placed by an autodialer without the prior express written consent of the called party if the call is made by or on behalf of a tax-exempt nonprofit organization. Amends the Alcoholism and Other Drug Abuse and Dependency Act. Changes the short title of the Act to the Substance Use Disorder Act. Removes the terms "addict", "addiction", "alcoholic", "alcoholism", and "substance abuse" and their corresponding definitions. Requires the Department of Human Services to reduce the incidence of substance use disorders (rather than reduce the incidence and consequences of the abuse of alcohol and other drugs). Defines "substance use disorder". Requires the Department to design, coordinate, and fund prevention, early intervention, treatment, and other recovery support services for substance use disorders that are accessible and address the needs of at-risk individuals and their families. Requires the Department to develop a comprehensive plan on the provision of such services; assist other State agencies in developing and establishing substance use disorder services for the agencies' clients; adopt medical and clinical standards on how to determine a substance use disorder diagnosis; and other matters. Contains provisions concerning the licensing of substance use disorder treatment providers; licensure categories and services; the identification of individuals who need substance use disorder treatment using "SBIRT"; patients' rights; services for pregnant women, mothers, and criminal justice clients; and other matters. Repeals a provision of the Act establishing the Committee on Women's Alcohol and Substance Abuse Treatment. Repeals a provision of the Act setting forth the powers and duties of the Medical Advisory Committee. Makes conforming changes concerning the Substance Use Disorder Act to several Acts including the Department of Human Services Act, the Children and Family Services Act, and the Mental Health and Developmental Disabilities Administrative Act. Effective January 1, 2019.

Senate Floor Amendment No. 1

**SB 02834 (CONTINUED)**

Further amends the Alcoholism and Other Drug Abuse and Dependency Act. Defines the terms "designated program", "recovery", "recovery support", "substance use disorder", and "withdrawal management". Restores all references to "designated program". Requires the Department of Human Services to promulgate regulations to identify and disseminate best practice guidelines that can be utilized by publicly and privately funded programs as well as for levels of payment to government funded programs that provide prevention, early intervention, treatment, and other recovery support services for substance use disorders and those services referenced in specified provisions of the Substance Use Disorder Act. Requires the Department to identify and disseminate evidence-based best practice guidelines as maintained in administrative rule that can be utilized to determine a substance use disorder diagnosis. Requires the Department to encourage all health and disability insurance programs to include substance use disorder treatment as a covered service and to use evidence-based best practice criteria as maintained in administrative rule and as required in Public Act 99-0480 in determining the necessity for such services and continued stay (rather than to use the clinical standards adopted by the Department in determining medical necessity for such services and criteria for continuing stay). Requires the Department to post on its website a licensed provider directory updated at least quarterly. In provisions allowing an individual who is charged with or convicted of a crime to receive substance use disorder treatment from a designated program as a condition of probation, requires case management services to be delivered by the designated program. Makes other changes.

Fiscal Note (IL Workers' Compensation Commission)

SB 2863 would have a significant fiscal impact on the Illinois Workers' Compensation Commission. The bill includes a provision that would result in less revenues to fund office operations while requiring increased expenditure of state funds to hire additional professionals with expertise in various disciplines and additional investigators to investigate workers' compensation fraud. An accurate cost estimate of this legislation is not available at this time.

625 ILCS 5/7-701.5 new

Provides that the Act may be referred to the Stay of Driver's License Suspension for Child Support Arrearage Law. Amends the Illinois Vehicle Code. Includes a statement of legislative purpose. Provides that in any proceeding to enforce arrearages in child support payments or orders, the obligor shall have the right to petition the court or child support administrative body for an order to stay the suspension of driver's license ("stay order") lasting 12 months after the date of the stay order. Provides that the court or the child support administrative body shall oversee the stay order and shall review the stay order every 90 days to determine if the obligor has started to pay child support if already employed, gains employment, or has made specified efforts to gain employment. Provides that the court shall impose specified requirements. Adds other provisions governing: employment, business, or self-employment income; additional issues, temporary disability or incapacity; support order requirements; termination of stay order for noncompliance; stay order extensions; and other matters. Provides that if the new provisions are inconsistent with Sections of the Code pertaining to notice and hearing requirements currently in place for the suspension of a driver's license for nonpayment, the new provisions control.

Senate Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: (1) provides that the obligor may petition the court for a stay order lasting up to 12 months (instead of "lasting 12 months"); (2) provides that as the child support arrearage accrued while the obligor's license had yet to be suspended, the obligor must prove by clear and convincing evidence that the suspension should be stayed and that the child support obligation will be paid; (3) provides that the court may enter additional sanctions against an obligor who fails to meet any or all of the new provisions; (4) provides that in order to be granted an extension of the stay order, the obligor must show a good faith effort on the part of the obligor to pay the child support obligation; and (5) makes corresponding changes.

Amends the Children with Disabilities Article of the School Code. Provides that, in a school district with a population of more than 500,000 inhabitants, the principal and all school personnel who are regular members of an individualized education program team shall determine the special education staffing needs of the school based on individualized education program minutes, status of the school's least restrictive environment, optimal scheduling protocols, and other relevant factors. Provides that once a staffing level is set, the school board shall provide full staffing for the school and shall fund the total cost of each position. Provides that the school board may not reduce the special education staffing levels of a school in which the general staffing levels are less than 90% of the State average. Provides that the school board may require more efficient staff scheduling if the scheduling does not impair or hinder any reasonable goals of the school's general education program. Prohibits the school district from banning the use of any measure that would prevent or delay an individualized education program team from adding a service to the program or creating a time restriction in which a service is prohibited from being added to the program. Makes other changes. Effective July 1, 2018.
