Further amends the Illinois Horse Racing Act of 1975. Makes various changes concerning Board members. Indefinitely extends the authorization for advance deposit wagering. Contains provisions concerning testing of horses at county fairs and standardbred horses. Further amends the Riverboat Gambling Act. Changes the short title to the Illinois Gambling Act and changes corresponding references to the Act. Adds additional owners licenses, one of which authorizes the conduct of casino gambling in the City of Chicago. Makes changes in provisions concerning the admission tax and privilege tax. Makes other changes. Contains a severability provision. Effective immediately, but does not take effect at all unless Senate Bills 1, 2, 3, 4, 5, 6, 8, 9, 10, 11, 12, and 13 of the 100th General Assembly become law.

Senate Floor Amendment No. 3

SB 00007 (CONTINUED)

Removes provisions requiring that the Chicago Casino Development Authority board select the casino operator by a competitive sealed bidding process. Requires the proposed casino operator to pay a fee of \$50,000,000, to be deposited into the Gaming Facilities Fee Revenue Fund. Allows the Chicago Casino Development Authority to conduct gaming operations in an airport under the administration or control of the Chicago Department of Aviation under specified conditions. Provides that revenues in the Gaming Facilities Fee Revenue Fund shall be used, subject to appropriation, by the Comptroller for the purpose of providing appropriations to the Illinois Gaming Board for the administration and enforcement of the Illinois Gambling Act and the applicable provisions of the Chicago Casino Development Authority Act, with any remaining amounts being transferred to the General Revenue Fund (rather than the Comptroller using the remainder for the payment of vouchers that are outstanding for more than 60 days). Removes provisions amending the State Officials and Employees Ethics Act to create an Executive Inspector General for gaming activities. In provisions amending the Illinois Horse Racing Act of 1975, makes changes concerning the award of racing dates and the pari-mutuel tax credit based on real estate taxes. Removes the authorization to pay certain expenditures from the Illinois Standardbred Breeders Fund. Makes changes to the wagering tax provisions of the Riverboat Gambling Act (the short title of which is changed to the Illinois Gambling Act by the introduced bill). Further amends the Riverboat Gambling Act. Requires that applications for the new licenses be submitted to the Illinois Gaming Board no later than 120 days (rather than 6 months) after the effective date of the amendatory Act. Removes language requiring unused gaming positions to be allocated through a competitive bidding process. In order to expedite the application process, allows the Illinois Gaming Board to establish rules allowing applicants to acquire criminal background checks and financial integrity reviews as part of the initial application process from a list of vendors approved by the Board. Authorizes the operation of a wide area progressive system. Defines "wide area progressive system". Provides that the Administrator of the Illinois Gaming Board shall have regulatory oversight of wide area progressive systems. Provides how jackpots are to be calculated and how payment is to be made. Requires wide area progressive system providers to maintain reserves. Further amends the Video Gaming Act. Provides that licensed establishments, licensed truck stop establishments, licensed veterans establishments, and licensed fraternal establishments may operate one or more wide area progressive systems per establishment. Increases the maximum bet from \$2 to \$4 and the maximum cash award for a maximum wager from \$500 to \$1199, except for wide area progressive systems, which shall have no limits on cash awards. Provides that wide area progressive system providers must submit approved policies to the Illinois Gaming Board before establishing a system. Makes other changes.

Makes other changes. Contains inseverability and severability provisions. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

Pension Note (Government Forecasting & Accountability)

SB14 makes several changes to city contribution rates for the Municipal Employees' Annuity and Benefit Fund and Laborers' Annuity and Benefit Fund. Such changes include defined maximums for tax levies on the city's taxable property for years 2018 through 2022, and a new method for calculating maximums for years following 2022. The bill also offers increased employee contribution rates to Tier 2 employees who opt for reduced retirement ages. This bill also introduces an annuity for Tier 3 members, and all new city officers who are members of the Municipal Employees' Annuity and Benefit Fund will not be eligible for alternative annuity or alternative disability benefits. There are several factors in this bill that will likely make a significant fiscal impact on both the Municipal Employees' and Laborers' Fund. At this time, no actuarial cost study has been made available to CGFA, thus the long-term fiscal impact cannot be determined. An updated impact note will be issued when an actuarial cost study has been obtained from the affected pension funds.

Fiscal Note (Government Forecasting & Accountability)

SB 14 will not have a fiscal impact on the Commission on Government Forecasting and Accountability.

Correctional Note (Dept of Corrections)

SB 14 has no fiscal or population impact on the Department of Corrections

State Debt Impact Note (Government Forecasting & Accountability)

SB 14 would not change the amount of authorization for any type of State-issued or State-supported bond, and, therefore, would not affect the level of State indebtedness.

Judicial Note (Admin Office of the Illinois Courts)

SB 00014 (CONTINUED)

This legislation would neither increase nor decrease the number of judges needed in the State.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

The Balanced Budget Note Act does not apply to this bill as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Home Rule Note (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. Defines "applicant", "email address of record", "license", and "licensee". Provides that the Department of Financial and Professional Regulation shall require all applicants and licensees to provide a valid address and email address, which shall serve as the address and email address of record, and to inform the Department of any change of address or email address through specified means. Changes references of "registrant" to "licensee or applicant" and references of "certificate" to "license" throughout the Law. Provides that if a licensed health care worker has been convicted of a criminal battery against any patient in the course of patient care or treatment or is required to register as a sex offender and the health care worker has had his or her license revoked for a forcible felony conviction, the health care worker may not petition the Department to restore his or her license. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions creating the Department of Innovation and Technology Act: Adds a definition of "State agency" and "legacy information technology division". Provides that the status and rights of the employees and the State of Illinois, or its transferring agencies, under the Illinois Public Labor Relations Act shall not be affected by the Act. Provides that under the direction of the Governor, the Secretary, in consultation with the transferring agencies and labor organizations representing the affected employees, shall identify each position and employee who is engaged in the performance of functions transferred to the Department, or engaged in the administration of a law the administration of which is transferred to the Department, to be transferred to the Department. Provides that an employee engaged primarily in providing administrative support to a legacy information technology division or information technology personnel may be considered engaged in the performance of functions transferred to the Department. Deletes language that provides that to the extent that an employee performs duties for the dedicated unit, information technology functions, and duties for the transferring agency itself or any other division or agency within the transferring agency that are dedicated to non-information technology functions, that employee shall be transferred at the Governor's discretion. Provides that the Department shall, when requested and when in the best interest of the State, provide for, coordinate, and establish charges for information technology for State constitutional offices. Excludes State constitutional offices from a provision relating to the Department providing for and coordinating communications services. Specifies that the Department has the power to examine the accounts and information technology-related data of a State constitutional office when requested by that office. In provisions amending the Illinois Century Network Act, removes changes to the Illinois Century Network Policy Committee, and instead abolishes the Committee. Provides that the Department of Innovation and Technology shall govern the staffing and contractual services necessary to support the activities of the Illinois Century Network. Further amends the Illinois Century Network Act. Makes additional legislative findings. Provides that the Illinois Century Network shall provide reliable communication links for wholesale connections with other registered or certified providers and the direct communication needs of anchor institutions (rather than provide reliable communication links to and among various institutions). Provides that the Network may (rather than shall) build on existing investments. Requires the Department to perform a comprehensive review of the Network by July 1, 2018. Defines "anchor institutions". In the State Finance Act, restores language pertaining to transfers from the Secretary of State Special Services Fund to the Statistical Services Revolving Fund and changes a reference from "Statistical Services Revolving Fund" to "Technology Management Revolving Fund". Amends the Illinois Procurement Code. Provides that the Department may enter into leases for dark fiber networks for any period of time deemed to be in the best interests of the State but not exceeding 20 years inclusive. Allows the State to lease State-owned dark fiber networks to third parties for any period not exceeding 20 years. Limits the usage of dark fiber network leases. Provides that dark fiber network lease contracts shall be subject to other requirements of the Code. Makes grammatical, stylistic, and other changes. Effective immediately.
