Creates the 24/7 Sobriety and Drug Monitoring Program Act. Provides that there is created a statewide 24/7 sobriety and drug monitoring program administered by the probation department in counties that have adopted the program. Provides that a court in a participating county, as a condition of bond, pretrial release, sentence, suspended sentence, probation, or conditional discharge, may: (1) require a person who has been charged, pled guilty, or convicted of a crime in which the abuse of alcohol or drugs was a contributing factor in the commission of the crime to abstain from alcohol or drugs for a specific period of time; and (2) require the person to be subject to testing to determine the presence of alcohol or drugs in his or her body: (A) at least twice a day at a central location where immediate sanctions may be applied; (B) if twice a day testing creates a documented hardship or is geographically impractical by an alternate method as determined by the court and consistent with this Section in which timely sanctions may be effectively applied; or (C) if testing only for drugs, as frequently as practicable, as determined by the court. Provides that the Division of Probation Services of the Supreme Court shall assist in the creation and administration of the 24/7 sobriety and drug monitoring program in the manner provided in this Act in the participating counties. Provides that the Division shall also assist participating counties in which a 24/7 program exists in determining alternatives to incarceration. Provides that the probation department in the participating county may designate a third party to provide the testing services. Effective immediately.

Provides that if a child loses permanent housing and becomes a homeless person, within the meaning of the Act, and the parent or guardian of the child finds temporary housing or shelter that still renders the child homeless within the meaning of the Act and if the school district of the child's school of origin is thereby required to pay the transportation costs of the child to and from his or her school of origin and the school district can save money by providing housing assistance to the parent or guardian of the child such that it would allow the child to attend his or her school of origin instead of providing transportation to and from the child's school of origin, then the school district may, at its discretion, provide rental or mortgage assistance. Sets forth provisions concerning the amount of assistance, providing the assistance indirectly through a homeless assistance agency, providing assistance to those at risk of homelessness, the length of assistance provided, and the school district funds from which the assistance may be drawn.
