SENATE RESOLUTION NO. 326

WHEREAS, Under Article IV, Section 3 of the Illinois Constitution of 1970, in the year following each federal decennial census year, the General Assembly by law shall redistrict the Legislative Districts and the Representative Districts by June 30; and

WHEREAS, The United States Census Bureau failed to deliver the 2020 Census Public Law 94-171 population data to the States, including Illinois, by March 31, 2021 as required by the federal Census Act; and

WHEREAS, The United States Census Bureau, on February 12, 2021, announced it would not release the 2020 Census Public Law 94-171 population data to the States, including Illinois, until approximately September 30, 2021; and

WHEREAS, On April 26, 2021, the United States Census Bureau released the 2020 Census apportionment data, which showed that the total resident population of Illinois as of April 1, 2020 was 12,812,508 according to the 2020 Census, a decrease of more than 18,000 people, or 0.14%, from the 2010 Census; and

WHEREAS, In addition to the decennial census, the United States Census Bureau conducts the American Community Survey, a nationwide, continuous survey that includes detailed questions about population and housing characteristics, and publishes the data on a 1-year and 5-year basis; and

WHEREAS, State and federal courts across the country, including the United States District Court for the Northern District of Illinois, have recognized the American Community Survey 5-year data as a reliable population measure related to redistricting, particularly for compliance with the federal Voting Rights Act; and

[May 28, 2021]

WHEREAS, The total resident population of Illinois according to the 2015-2019 American Community Survey data was 12,770,577, which is approximately 0.3% less than the total resident population from the 2020 Census; and

WHEREAS, The 2015-2019 American Community Survey data represents the most accurate, recent low-level population data available to the Illinois public in the spring of 2021; and

WHEREAS, The Illinois General Assembly conducted 50 hearings on redistricting, resulting in hundreds of testimonials from the public; and

WHEREAS, Staffs for the House and Senate reached out to more than 2,000 community groups, local leaders, and stakeholders in advance of these hearings; and

WHEREAS, At those hearings, the Illinois General Assembly heard from experts in the area of redistricting, considered comments from public officials and members of the general public, and received proposals submitted by members of the public and stakeholder groups; and

WHEREAS, The 2011 General Assembly Redistricting Plan has been a model for the nation, resulting in about a third of the members in the General Assembly being African American, Hispanic, or Asian, which reflects the minority citizen voting age population in the State; and

WHEREAS, The Illinois General Assembly has drafted a plan for redistricting the Legislative Districts and the Representative Districts (the "2021 General Assembly Redistricting Plan"); therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that in establishing boundaries for Illinois Legislative and Representative Districts ("Districts"), the following redistricting principles were taken into account:

- (i) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be substantially equal in population;
- (ii) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the United States Constitution;
- (iii) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the federal Voting Rights Act, where applicable;
- (iv) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be compact and contiguous, as required by the Illinois Constitution;
- (v) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the Illinois Voting Rights Act of 2011, where applicable; and
- (vi) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn taking into account the partisan composition of the District and of the Plan itself; and be it further

RESOLVED, That in addition to the foregoing redistricting principles, each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to reflect a balance of the following redistricting principles: the preservation of the core or boundaries of the existing Districts; the preservation of communities of interest; respect for county, township, municipal, ward, and other political subdivision boundaries; the maintenance of incumbent-constituent relationships and tracking of population migration; proposals or other input submitted by members of the public and stakeholder groups; public hearing testimony; respect for geographic features and natural or logical boundaries; and other redistricting principles recognized by State and federal court decisions; and be it further

RESOLVED, That the Senate used the 2015-2019 American Community Survey data, election data, other publicly available data, and public input to establish the boundaries for the 2021 General Assembly Redistricting Plan; and be it further

RESOLVED, That the Senate hereby adopts and incorporates by reference all information received by the House Redistricting Committee or the Senate Redistricting Committee and the Senate Redistricting Subcommittees that was submitted by the general public and stakeholders in person or remotely at the

[May 28, 2021]

hearings; by email; by U.S. mail; by facsimile; or via the public portal on the House and Senate Democratic redistricting websites; and be it further

RESOLVED, That the Senate further adopts and incorporates by reference transcripts of proceedings for all of the redistricting hearings conducted by either the House or Senate or both; and be it further

RESOLVED, That the Legislative Districts proposed in the 2021 General Assembly Redistricting Plan are substantially equal in population, with the largest deviation being +0.2%/-0.17%, or +422/-368 people, from the target population; and be it further

RESOLVED, That the Legislative Districts proposed in the 2021 General Assembly Redistricting Plan are as compact overall as the existing Legislative Districts adopted in 2011; and be it further

RESOLVED, That the Legislative Districts proposed in the 2021 General Assembly Redistricting Plan are contiguous; and be it further

RESOLVED, That the following summary describes the general characteristics of each Legislative District and makes reference to some but not all of the redistricting principles that were considered in drawing that District:

Proposed Legislative District 1

Proposed Legislative District 1 is located on the southwest side of Chicago into the immediate southwestern Cook County suburbs. Current Legislative District 1 saw a decrease of 5,849 in population which is 4,831 under the ideal population target. To account for these population shifts, Legislative District 1 has been reconfigured. The northern boundary of proposed Legislative District 1 is generally Roosevelt Road, the western boundary is generally Kemman Avenue, the eastern boundary is generally South Wallace Street, and the most southern boundary is generally Marquette Road. The proposed district includes portions of the 11, 14, 15, 16, 17, 22, and 23 wards, including the Chicago neighborhoods of Gage Park, Back of the Yards, and Archer Heights. The proposed district includes portions of Cicero, Berwyn, Riverside, McCook, Brookfield, Lyons, Stickney, and Forest View.

The Stevenson Expressway Interstate 55 runs east to west through the center of the proposed Legislative District and serves as a major thoroughfare, as do Ogden, Archer, Harlem and Cicero Avenue. Chicago Transit Authority bus and rail lines (Orange line) also serve portions of the district on the southwest side of Chicago. Metra also provides transportation services with the BNSF Railway route to Aurora which has had some of the busiest stations in the Chicagoland area for more than a decade. Proposed Legislative District 1 is drawn along precinct lines, streets and rail lines along Archer Avenue on the south. Proposed Legislative District 1 strives to keep together several communities of interest and transportation hubs, including major roadways and railways. Portions of the Chicago Sanitary and Ship Canal also run through the proposed district with the Metropolitan Water Reclamation District of Greater Chicago maintaining waste treatment facilities in Stickney and Cicero.

It contains predominantly working-class neighborhoods and suburbs located near industrial and commercial facilities. The areas located in Proposed Legislative District 1 share similar elementary (Berwyn South 100, Cicero 99, Lyons 103, Central Stickney, Summit 104 and Chicago Public Schools of Columbia Explorers, Edwards, Everett, and McClellan) and secondary (J. Sterling Morton 201, Reavis Township 220, Riverside Brookfield Township 208 and Chicago Public Schools of Curie, Gage Park, Kelly, Kennedy Solorio, and Tilden). The proposed district is also home to the Brookfield Zoo, which spans approximately 216 acres through Brookfield and maintains about 370 full-time employees while bringing on about 600-700 seasonal hires each year. Also in the proposed district is Hawthorne Racecourse and the presently developing Hawthorne Casino. The proposed district is also home to Morton College, the second oldest community college in the State, which reported 84% Hispanic student population in the 2019-2020 academic year.

Proposed Legislative District 1 has a total population that is 31.05% White, 7.34% Black, 2.36% Asian, and 58.66% Hispanic. The total minority population is 79.73%. The total citizen voting age population is 31% White, 7.3% Black, 2.4% Asian, and 58.7% Hispanic. The total minority citizen voting age population is 68.95%. Proposed Legislative District 1 retains 41% of its core constituency to provide

[May 28, 2021]

continuity for the existing incumbent constituency relations and allows the formation of new relationships. Incumbent Senator Antonio "Tony" Muñoz (D) resides within the proposed district.

Proposed Legislative District 2

Proposed Legislative District 2 is located on the northwest side of Chicago into the immediate northwestern Cook County suburbs. Current Legislative District 2 saw a decrease of 3,445 in population which is 2,427 under the ideal population target. To account for these population shifts, Legislative District 2 has been reconfigured. The northern boundary of proposed Legislative District 2 is generally Belmont Avenue and Fullerton Avenue, with the northernmost boundary at Addison Street. The western boundary is generally Interstate 80, the eastern boundary is generally Ashland Avenue and Paulina Avenue, and the southern boundary is generally Grand Avenue and the Milwaukee and Soo Line railroads. The proposed district includes portions of the 1, 2, 26, 27, 30, 35, and 36 wards, along with a portion of the municipality of Elmwood Park. The district contains the neighborhoods of Wicker Park, Montclare, Belmont Cragin, and extends to Elmwood Park, Illinois. Major north-south thoroughfares are Kedzie Avenue, Kimball, and Kostner Avenue, major east-west thoroughfares are Division Street, North Avenue, Fullerton Avenue.

The proposed Legislative District contains Humboldt Park and parts of the Hermosa neighborhood, which have a strong Puerto Rican presence and cultural impact. The National Museum of Puerto Rican Arts and Culture and the Puerto Rican Cultural Center is located within Humboldt Park and Paseo Boricua kicks off the Division Street Corridor which houses various Puerto Rican-owned businesses. Belmont Cragin has a large Latino community, with about 70 percent of the population speaking Spanish at home, and is home to the Agujón Theater, which focuses on Spanish-language productions. Throughout the district there is a range of Latino food offerings, including Mexican, Venezuelan, and Honduran. The proposed district has similar age and income demographics throughout preserving communities of interest. It is served by five major Chicago Public School high schools: Roberto Clemente, North Grand, Kelyvn Park, Foreman, and Steinmetz College Prep and Elmwood Park 401.

The entirety of the proposed district is located within Cook County and the majority is within the City of Chicago. The proposed Legislative District is serviced by public transportation including the Chicago Transit Authority bus and rail lines (Blue line) and the Metra Milwaukee District-West line. The district extends to Elmwood Park, Illinois, which has seen a rising Latino population.

Proposed Legislative District 2 has a total population that is 31.90% White, 6.41% Black, 2.66% Asian, and 57.37% Hispanic. The total minority population is 68.10%. The total citizen voting age population is 40.7% White, 8.32% black, 2.91% Asian, and 46.65% Hispanic. The total minority citizen voting age population is 59.3%. Proposed Legislative District 2 retains 84% of its core constituency to provide continuity for the existing incumbent constituency relations. Incumbent Senator Omar Aquino (D) resides in the proposed district.

Proposed Legislative District 3

Proposed Legislative District 3 is located in Chicago, primarily in the south side and downtown areas. The northern boundary of proposed Legislative District 3 is generally Division Street, the western boundary is generally the Chicago River and Dan Ryan Expressway, the eastern boundary is generally Martin Luther King Drive, the southern boundary is generally 67th Street. The proposed district includes portions of the 3, 15, 16, 20, and 42 wards. Current Legislative District 3 saw an increase of 2,137 in population which is 3,155 over the ideal population target. To account for these population shifts, Legislative District 3 has been reconfigured. Proposed Legislative District 3 maintains a similar shape to the 2002 and 2012 map iterations.

Proposed Legislative District 3 contains the vast majority of the downtown Loop area, as well as portions of the Near North Side and Near South Side. Proposed Legislative District 3 also contains portions of the south side neighborhoods of Douglas, Grand Boulevard, Washington Park, Chicago Lawn, West Englewood, Englewood, and West Woodlawn. The South Side community of Fuller Park is also located wholly within the district. The areas south of the downtown Loop area have seen a population decrease since the 2010 census and the 2008 mortgage crisis. This is especially true in the West Englewood and Englewood areas where more than a quarter of all city-led demolitions from 2008 to 2018 have occurred due to rampant vacancies and expansion of Norfolk Southern Railway but with little to no new construction occurring in the area.

Interstate 90/94 runs north to south through the core of the district and Garfield Boulevard, 47th Street, and 59th Street are major east to west thoroughfares. The district is also accessible by public transportation via the Chicago Transit Authority bus and rail lines (Red and Green Lines). Proposed

Legislative District 3 also contains much of downtown Chicago's Loop business district. The Chicago Loop is the historic commercial center of downtown Chicago. It is the seat of government for Chicago and Cook County, and also contains the historic theater and shopping districts. On the South end of the district is Marquette (Jacques) Park, the largest park on the southwest side of Chicago at 323 acres located in the Chicago Lawn neighborhood. The north central part of the district continues to contain Guaranteed Rate Field, home of the Chicago White Sox. On the eastern border of the Proposed Legislative District near 63rd Street in Proposed Legislative District 13, the construction of the Obama Presidential Center is expected to bring thousands of visitors to the South Side, which could infuse the area with new minority-owned businesses consistent with the current demographics of the Proposed Legislative District 3. Much of the southern part of the district is within New Englewood STEM High School attendance boundaries.

Proposed Legislative District 3 has a total population that is 25.99% White, 50.87% Black, 7.15% Asian, and 13.82% Hispanic. The total minority population is 74.01%. The total citizen voting age population is 30.71% White, 53.18% Black, 5.63% Asian, and 8.69% Hispanic. The total minority citizen voting age population is 69.29%. Proposed Legislative District 3 retains 87% of its core constituency to provide continuity for the existing constituency relations. Incumbent Senator Mattie Hunter (D) resides within the proposed district.

Proposed Legislative District 4

Proposed Legislative District 4 is located on the west side of Chicago into the immediate western suburbs of Cook and eastern suburbs of DuPage County. Current Legislative District 4 saw a decrease of 2,179 in population which is 1,161 under the ideal population target. To account for these population shifts, Legislative District 4 has been reconfigured. The core of current Legislative District 4 is maintained by continuing to connect Chicago's Austin Neighborhood with Proviso Township municipalities which have been linked together for nearly two decades in some instances. Due to population loss in the present and surrounding districts, Proposed Legislative District 4 continues the expansion started in the 2011 legislative map into the southwest suburbs of Cook County and further West, now crossing into the near suburbs of DuPage County.

The eastern boundary of proposed District 4 is generally Cicero Avenue in the north and precinct boundaries in the south. The northern boundary generally follows U.S. Highway 20/Lake Street in the west and central parts of the district, and Grand Avenue in the east. The western boundary is composed of precinct boundaries in Western Springs, La Grange, and Indian Head Park, York Street throughout Elmhurst, IL-83 in the central east, and the Eisenhower Expressway in the north.

The west suburban communities of Maywood, Hillside, Broadview, Bellwood, Berkeley and Westchester are entirely within the proposed district, as well as portions of Countryside, Indian Head Park, Western Springs, Berwyn, La Grange, Hodgkins, and La Grange Park. A portion of Chicago's Austin and The Island neighborhood including portions of the 28th, 29th, and 37th Chicago Wards are also within the proposed district. The communities of La Grange Park, and Westchester, and Western Springs, are all located in southern Proviso Township and share the Salt Creek Woods Nature Preserve, and a nearby Metra line (Green line). The communities of Elmhurst, Oak Brook, and Western Springs are partially contained within the district and have similar socioeconomic makeup, with an average household income of \$137,276.

The district encompasses various outdoor interests, with the Theodore Stone Forest in Countryside; the La Grange Country Club; the Fresh Meadow Golf Club in Hillside; Chicago Highlands Club, Meadowlark Golf Course, Wolf Road Prairie and Bemis Woods in Westchester; the Oak Brook Golf Club, Butler National Country Club, and the Oak Brook - Central Park in Oak Brook; and Columbus Park, which includes the Columbus Park Golf Course, in Chicago's Austin neighborhood. Salt Creek and Addison Creek run throughout the district, as well as a portion of the Des Plaines River. The proposed district contains the Edward Hines Jr. VA Hospital and Loyola University Medical Center. Access to major thoroughfares in the proposed district includes the Eisenhower Expressway, the Tri-State Tollway, Cermak Road, Roosevelt Road, Harlem Avenue, and La Grange Road. The proposed district is also accessible via public transportation, including Chicago Transit Authority bus and rail lines (Blue and Green lines), as well as the Metra Union Pacific West and Burlington Northern Santa Fe commuter rail lines.

Proposed Legislative District 4 has a total population that is 32.04% White, 46.80% Black, 1.92% Asian, and 17.68% Hispanic. The total minority population is 67.96%. The total citizen voting age population is 34.46% White, 50.51% Black, 1.79% Asian, and 12.21% Hispanic. The total minority citizen voting age population is 65.54%. Proposed Legislative District 4 retains 81% of its core constituency to

provide continuity for the existing incumbent constituency relations and allows the formation of new relationships. Incumbent Senator Kimberly A. Lightford (D) resides in the proposed district.

Proposed Legislative District 5

Proposed Legislative District 5 is located on the west side of Chicago. Current Legislative District 5 saw an increase of 3,304 in population which is 4,322 over the ideal population target. To account for these population shifts, Legislative District 5 has been reconfigured. The proposed Legislative District 5 northern boundary is generally West Grand Avenue and Fullerton Avenue, the western boundary is generally Cicero Avenue, the eastern boundary is generally the Chicago River and North Orleans Street, the southern boundary is generally 16th Street. Proposed Legislative District 5 contains a vast majority of the west side neighborhood of North Lawndale. It also includes portions of Garfield Park, and West Garfield Park, Humboldt Park, West Town, Near West Side, West Loop, Goose Island, River West, Greektown, Bucktown, Pulaski Park, and Cabrini Green neighborhoods.

Proposed Legislative District 5 contains a vast majority of the west side neighborhood of North Lawndale. It also includes portions of Garfield Park, and West Garfield Park, Humboldt Park, West Town, Near West Side, West Loop, Goose Island, River West, Greektown, Bucktown, Pulaski Park, and Cabrini Green neighborhoods. A majority of Proposed Legislative District 5 is within the attendance boundaries of Wells, Manley, and Marshall High Schools in the Chicago Public Schools system.

Interstate 290 and Interstate 90/94 are major thoroughfares that are easily accessed in the district. The proposed district is also serviced by public transportation, including the Chicago Transit Authority bus and rail lines (Green, Blue, and Pink lines). The proposed district includes the University of Illinois at Chicago, Rush University and Malcolm-X College, as well as a large part of DePaul University's Lincoln Park campus. The district contains the Illinois Medical District, which includes the University of Illinois at Chicago Medical Center, Stroger Hospital, Rush University Medical Center, and Jesse Brown Veterans Administration Medical Center. Mount Sinai Hospital and RML Specialty Hospital are also located in the proposed Legislative District. The district also includes the United Center and both Douglas and Garfield Park.

Proposed Legislative District 5 has a total population that is 34.69% White, 44.5% Black, 7.15% Asian, and 11.22% Hispanic. The total minority population is 65.31%. The total citizen voting age population is 40% White, 44.07% black, 5.37% Asian, and 8.96% Hispanic. The total minority citizen voting age population is 60%. Proposed Legislative District 5 retains 88% of its core constituency to provide continuity for the existing incumbent constituency relations and allows the formation of new relationships. Incumbent Senator Patricia Van Pelt resides in the proposed district.

Proposed Legislative District 6

Proposed Legislative District 6 is located on the north side of Chicago. The current Legislative District 6 saw an increase of 17,524 in population which is 18,542 over the ideal population target. To account for these population shifts, Legislative District 6 has been reconfigured. The proposed district is bounded on the east by Lake Michigan, while the northern boundary is generally Montrose and Eastwood Avenues, and Grace Street. The southern and western boundaries generally run along the north branch of the Chicago River, Addison Street, and Fullerton, Sacramento Avenue, North Belmont, Western, and Damen Avenues. The southernmost point of the district is Chestnut Street between Michigan Ave and Mies Van Der Rohe Way. The proposed district includes portions of the 43, 44, 46, and 47 wards. The borders of the proposed district generally adhere to existing precinct boundaries. Proposed District 6 contains portions of the Chicago Neighborhoods of Lincoln Park, Lakeview, Boystown, Old Town, Ravenswood, Buena Park, Wrigleyville, North Center.

U.S. Route 24 runs through the entirety of the district going east and west.

Proposed Legislative District 53 has a total population that is 88.89% White, 2.47% Black, 2.53% Asian, and 4.47% Hispanic. The total minority population is 11.11%. The total citizen voting age population is 92.66% White, 2.2% Black, 1.24% Asian, and 2.93% Hispanic. The total minority citizen voting age population is 7.34%. Proposed Legislative District 53 retains 68% of its core constituency. Incumbent Senator Jason Barickman (R) resides in the proposed district.

Proposed Legislative District 54

Proposed Legislative District 54 is located in central Illinois. The current Legislative District 54 saw a decrease of 2,967 in population which is 1,949 under the ideal population target. To account for these population shifts, Legislative District 54 has been reconfigured. The northern border follows county lines in Sangamon and Moultrie Counties along with township and precinct lines in Sangamon, Christian, and Macon Counties. The western border follows township and precinct lines in Moultrie County, and county lines in Shelby and Effingham Counties. The southern border runs along precinct township and precinct lines in Effingham, Madison and Fayette counties in addition to county lines in Montgomery County. The proposed Legislative District contains the entirety of Montgomery and Shelby Counties and portions of Macoupin, Sangamon, Macon, Christian, Moultrie, Effingham, Fayette, and Madison Counties.

The district relies primarily on agriculture, energy, manufacturing, and healthcare for economic sustenance. It has also historically contained a large number of State employees who commute to Springfield from rural Macoupin, Montgomery, and Christian Counties using Interstate 55. The district is also served by Interstate 70 in the southeastern portion and IL Route 51 in the central portion.

Proposed Legislative District 54 has a total population that is 94.41% White, 1.91% Black, 0.68% Asian, and 1.52% Hispanic. The total minority population is 5.59%. The total citizen voting age population is 95.63% White, 2.04% Black, 0.44% Asian, and 0.96% Hispanic. The total minority citizen voting age population is 4.37%. Proposed Legislative District 54 retains 17% of its core constituency of Current

Legislative District 54; however, significant portions of Current Legislative District 48 and 50 make up part of Proposed Legislative District 54. Incumbent Senator Steve McClure (R) resides within the proposed district.

Proposed Legislative District 55

Proposed Legislative District 55 is located in south central Illinois. The current Legislative District 55 saw a decrease of 8,267 in population which is 7,249 under the ideal population target. To account for these population shifts, Legislative District 55 has been reconfigured. The western border of the proposed district runs along precinct lines in St. Clair and Madison Counties, and its eastern boundary follows the Indiana state line where it meets Wabash County and the eastern boundary of Richland County. The northern border of the district follows township lines in Madison, Fayette, and Effingham Counties, and county lines in Bond, Clay, Richland, and Wabash Counties. The southern district line follows township and precinct lines in St. Clair and Wayne Counties, and county lines in Clinton, Marion, Edwards, and Wabash Counties. The proposed district is located in 12 south-central Illinois counties, including portions of Madison, St. Clair, Fayette, Effingham, and Wayne Counties, and the entirety of Bond, Clinton, Marion, Clay, Richland, Edwards, and Wabash Counties. The municipalities of Greenville, Vandalia, Carlyle, Centralia, Salem, Fairfield City, Olney, and Mount Carmel are included in the proposed district.

Population loss in much of the greater St. Louis Metro East area and surrounding districts resulted in legislative districts in the region expanding to maintain population requirements. Proposed Legislative District 55 was expanded to like populations in south-central Illinois to meet the population goal. The district is traversable by various major roads. Interstate 70 runs east to west through the majority of the district while Interstate 57 travels through the north-south center of the district. U.S. Route 50 traverses east to west through the entire district.

The proposed district combines areas currently in the 54th Legislative District with similarly situated municipalities in east central Illinois. The district captures the far Metro East suburbs along Interstates 70 and 55 and U.S. Route 40 combining them with a number of familiar rural small and midsized municipalities like Greenville, Vandalia, Carlyle, Centralia and Salem and expanding the district to include similarly situated municipalities like Fairfield City, Olney, and Mount Carmel. Agriculture is an important industry in a region filled with farms and agriculture service providers. The district includes Vandalia and Centralia State Correctional Facilities and the Federal Correctional Institution at Greenville are major employers in the region. The proposed district includes a number of institutions of higher education including Kaskaskia, Olney Central, and Wabash Valley Community Colleges, as well as Greenville University.

Proposed Legislative District 55 has a total population that is 92.42% White, 2.87% Black, 0.68% Asian, and 2.31% Hispanic. The total minority population is 7.58%. The total citizen voting age population is 93.76% White, 3.02% Black, 0.53% Asian, and 1.62% Hispanic. The total minority citizen voting age population is 6.24%. Proposed Legislative District 55 retains 28% of its core constituency; however, it includes significant portions of Current Legislative District 54. Senators residing in the proposed district include Senators Jason Plummer (R) and Darren Bailey (R). The pairing of these incumbents stems mainly from the need to expand districts in southern and east central Illinois. Furthermore, Senator Bailey has announced his intention to run for Governor, thus this pairing will mostly likely not result in a primary battle between two incumbents.

Proposed Legislative District 56

Proposed Legislative District 56 is located in the Metro East in Madison County. The current Legislative District 56 saw a decrease of 3,061 in population which is 2,043 under the ideal population target. To account for these population shifts, Legislative District 56 has been reconfigured. The western board of the proposed district runs along the Mississippi River and Illinois' border with Missouri. The western border runs from East Street north to Winter Lane. The northern boundary of the proposed legislative district is formed mainly along precinct boundaries. The Eastern boundary runs along mainly precinct lines from North State Route 157 south into St. Clair County with Piper Hills Drive being the most southern part of the district. The southern boundary of the proposed district runs mainly along streets.

Municipalities like Hartford, Roxana, South Roxana, Alton, and Wood River are all entirely in the proposed legislative district. Communities with roots that trace back to the Phillips 66 Refinery, now the Wood River Refinery, providing jobs and services to the surrounding municipalities. The history of the Phillips 66 Refinery is so engrained in this community that their high school mascot is the Shells. The

[May 28, 2021]

proposed Legislative District adds Granite City, home to several large steel companies such as US Steel, Heidtman Steel, and America Steel.

Proposed Legislative District 56 links higher education institutions. Southern Illinois University Edwardsville, Southern Illinois School of Dental Medicine, Lewis & Clark Community College, all in the same Legislative District. These higher education facilities drive the region's economy and provide numerous educational opportunities to people across the area.

The proposed Legislative District encompasses many healthcare partners within the district such as Southwestern Illinois Health Facilities Inc., Alton Memorial Hospital, Gateway Regional Medical Center, to serve the region.

Interstates 270 and 55/70 along with the Clark Bridge in Alton provide the residents of Proposed Legislative District 56 easy access to downtown St. Louis and the city's western suburbs.

Proposed Legislative District 56 has a total population that is 80.34% White, 11.54% Black, 1.31% Asian, and 4.13% Hispanic. The total minority population is 19.66%. The total citizen voting age population is 84.39% White, 10.63% Black, 0.94% Asian, and 2.54% Hispanic. The total minority citizen voting age population is 15.61%. Proposed Legislative District 56 retains 89% of its core constituency to provide continuity for existing incumbent constituency relationships while allowing for the development of new relationships. Incumbent Senator Rachelle Aud Crowe (D) resides within the proposed district.

Proposed Legislative District 57

Proposed Legislative District 57 is located in the Metro East, mainly in St. Clair County. The current Legislative District 57 saw a decrease of 9,346 in population which is 8,328 under the ideal population target. To account for these population shifts, Legislative District 57 has been reconfigured. The western boundary to the proposed district is the Mississippi River and the Illinois and Missouri border. The western border goes from East Street south to the southern border of St. Clair County. The southern boundary of the proposed district runs along county, municipal, and precinct lines spanning from the Mississippi River east to the eastern border of Shiloh Valley Township. The eastern boundary of the proposed 57th Legislative District runs from the southern border of Shiloh Valley Township north to Seger Road mainly along precinct boundaries. The northern boundary is formed mainly along precinct and county lines.

To accommodate for population loss in the Metro East of about 10,000 people the Proposed Legislative District 57 had to be expanded outward allowing the proposed district to keep previously divided municipalities whole. The proposed 57th Legislative District also expands south to include all of Cahokia, Dupo, Sauguet Village which are historically underrepresented Black communities of similar social and economic concerns with the residents of East St. Louis, Madison, and Venice which are now all located in the proposed district. This also allowed the proposed district to encompass East Carondelet and Dupo Village, keeping similar communities together.

The proposed district is anchored on the east side of the district by Scott Air Force Base, a major employer in the region. Keeping the Air Force Base and the surrounding communities in one district allows these communities with a shared economic goal to be included in a singular district. The proposed district remains the home to the MidAmerica St. Louis Airport, which employs 119 full-time employees and is growing the local economy and expanding housing options to the area.

Interstates 64, 55, and 255 run through the proposed district providing access to St. Louis and its suburbs. Continued investments into infrastructure expansion projects will unite the region with the greater St. Louis, Missouri metropolitan area.

Proposed Legislative District 57 has a total population of 57.57% White, 34.36% Black, 1.27% Asian, and 3.85% Hispanic. The total minority population is 42.43%. The total citizen voting age population is 61.48% White, 33.08% Black, 0.96% Asian, and 2.69% Hispanic. The total minority citizen voting age population is 38.52%. Proposed Legislative District 57 retains 85% of its core constituency to provide continuity for existing incumbent constituency relationships while allowing for the development of new relationships. Incumbent Senator Christopher Belt (D) resides in the proposed legislative district.

Proposed Legislative District 58

Proposed Legislative District 58 is located in southern Illinois. The current Legislative District 58 saw a decrease of 4,802 in population which is 3,784 under the ideal population target. To account for these population shifts, Legislative District 58 has been reconfigured. The western border of the proposed district follows the Mississippi River from the northern border of Monroe County to the middle of Jackson County and the eastern border runs along the border of White County and the Indiana state line. The northern border

generally follows county lines with the exception of St. Clair and Wayne Counties, in which it runs along precinct and township lines. To the south, the district is bordered almost exclusively on township lines, except in White County where the county's southern boundary is followed. The proposed Legislative District is located in portions of St. Clair, Jackson, Monroe, Franklin, Wayne, and Hamilton Counties and the entirety of Randolph, Washington, Perry, Jefferson, and White Counties. The district is populated by numerous small towns including Columbia, Waterloo, Red Bud, Sparta, Chester, Murphysboro, DuQuoin, Pinckneyville, Nashville, Benton, McLeansboro and Carmi.

During a hearing of the Senate Redistricting Subcommittee on Southern Illinois, a representative of the League of Women Voters' stated that there were two main issues with the current configuration of the 58th Legislative District. First, the 58th District is almost "V-shaped". The second main issue is that the City of Carbondale is currently split between the 58th and 59th Legislative Districts. In order to achieve near ideal population and address concerns regarding about the current district, the existing district was reconfigured east to west to give the district a more streamlined design while compensating for significant population loss in the region. In an effort to address these concerns, the population of the City of Carbondale was placed entirely in the 59th District.

The district is traversable by various major roads. Interstate 64 runs east to west through the majority of the district. Other major roadways that connect the district include U.S. Route 51, State Routes 154, 127, 15 13 and 4. The proposed district seeks to create a rural district where urban influences are minimized as much as possible in order to provide a clear voice for rural communities with similar values in the region. Agriculture is an important industry throughout the district, as many of the towns are small farming communities and a majority of the farms are multi-generational. The district is home of the Du Quoin State Fair which brings visitors from throughout the region. The district also brings together many former or current manufacturing communities, as many of the villages throughout are former industrial communities or are communities built around presently operating manufacturing plants. Continental Tire has a large plant in Mt. Vernon where many people from across the district are employed. Pepsi MidAmerica also employs a great deal of residents at its Chester and Mt. Vernon locations.

Home value and average income are generally comparable throughout the proposed district as a result of the shared industries and similar social experiences. Many of the high schools are longstanding sports rivals and many of the residents work at the same plants and coal mines. The proposed district attempts to keep counties as whole as possible and pair together communities that share values and experiences throughout the region.

Proposed Legislative District 58 has a total population that is 90.79% White, 4.64% Black, 0.89% Asian, and 2.34% Hispanic. The total minority population is 9.21%. The total citizen voting age population is 91.91% White, 5.15% Black, 0.58% Asian, and 1.68% Hispanic. The total minority citizen voting age population is 8.09%. Proposed Legislative District 58 retains 74% of its core constituency to provide continuity for the existing incumbent constituency relations and allows the formation of new relationships. Incumbent Senator Terri Bryant (R) resides in the proposed district.

Proposed Legislative District 59

Proposed Legislative District 59 is located in southern Illinois. The current Legislative District 59 saw a decrease of 7,514 in population which is 6,496 under the ideal population target. To account for these population shifts, Legislative District 59 has been reconfigured. The western, eastern, and southern borders of the district run along the Illinois state line formed by the Mississippi and Ohio Rivers. The northern boundary follows township lines in Jackson, Franklin, and Hamilton Counties, and the Gallatin County line. The proposed Legislative District is located in portions of the state's southern 13 counties: Jackson, Union (entire county), Alexander (entire county), Pulaski (entire county), Franklin, Williamson (entire county), Johnson (entire county), Massac (entire county), Hamilton, Saline (entire county), Pope (entire county), Gallatin (entire county), and Hardin (entire county).

In order to achieve near ideal population, the proposed district is expanded geographically and reconfigured to compensate for regional population loss as well as pairing communities with shared interests in the southernmost counties in Illinois. The proposed district pairs together more urban areas in generally rural southern Illinois. As requested in testimony at a regional Senate Redistricting Committee hearing, the entirety of Carbondale is now represented in one district whereas it had previously been separated. Other relative population hubs such as Metropolis, Marion, and Harrisburg are included as well in the proposed district, along with the surrounding satellite municipalities.

Proposed Legislative District 59's economy is largely supported by agriculture, tourism, coal mining and light manufacturing. Transportation is extremely important to the district's economy. Major roadways such as Interstates 24 and 57, U.S. Routes 45 and 51 and State Routes 13, 127, and 145 tie the district together and provide important economic assistance to the region. Due to its strategic location, river transportation has long played a role in the area. The State of Illinois has committed \$40 million in capital project funding to build a new inland port in Cairo in hopes of reviving a once thriving river town. Higher education is an important economic driver across the district, as it is home to John A. Logan, Shawnee Community, and Southeastern Illinois Colleges, as well as Southern Illinois University at Carbondale.

The tourism industry is also important to the district as the Shawnee Wine Trail stretches throughout the majority of the region. It is home to Metropolis, IL, the hometown of Superman, boasts an annual Superman Festival and a 15 foot tall statue of the man of steel which brings thousands of tourists to the area. The proposed district includes a riverboat casino in Metropolis and a proposed new casino resort at Walker's Bluff Williamson County. The district is an outdoor paradise containing the Shawnee National Forest, Garden of the Gods, numerous State parks, Cave-in-Rock. The heavily traveled River to River Trail, a 151.8 mile point-to-point trail, winds through the heart of the proposed district starting at Elizabethtown on the Ohio River and ending at Devil's Backbone on the Mississippi River. The coal industry has been historically important to the district with coal mines still operating throughout the district today.

The district brings together significant African American communities in Alexander and Pulaski Counties that have been historically underrepresented in an effort to maximize their voice in the region. It also seeks to ensure that relatively urban populations in the southernmost stretch of the State are represented. Many of the communities in the proposed district share similar socioeconomic status, and property and home value is comparable throughout, creating a district with generally shared social and economic values and goals. Proposed Legislative District 59 has a total population that is 85.18% White, 8.08% Black, 1.31% Asian, and 2.91% Hispanic. The total minority population is 14.82%. The total citizen voting age population is 87.66% White, 8.08% Black, 0.6% Asian, and 2.12% Hispanic. The total minority citizen voting age population is 12.34%. Proposed Legislative District 59 retains 84% of its core constituency to provide continuity for the existing incumbent constituency relations and allows the formation of new relationships. Incumbent Senator Dale Fowler (R) resides in the proposed district.

Senator Koehler offered the following Senate Resolution, which was referred to the Committee on Assignments:

At the periodic reviews, the team shall determine whether modification or revision of the outcomes or services is necessary.

As soon as exceptional family circumstances no longer exist or parental consent has been obtained, the initial evaluation, the initial assessment, and the initial Plan meeting must be completed as soon as possible. With parental consent, early intervention services may commence before the completion of the comprehensive assessment and development of the Plan.

(d) Parents must be informed that early intervention services shall be provided to each eligible infant and toddler, to the maximum extent appropriate, in the natural environment, which may include the home or

other community settings. Parents must also be informed of the availability of early intervention services provided through telehealth services. Parents shall make the final decision to accept or decline early intervention services, including whether accepted services are delivered in person or via telehealth services. A decision to decline such services shall not be a basis for administrative determination of parental fitness, or other findings or sanctions against the parents. Parameters of the Plan shall be set forth in rules.

(e) The regional intake offices shall explain to each family, orally and in writing, all of the following:

(1) That the early intervention program will pay for all early intervention services set forth in the individualized family service plan that are not covered or paid under the family's public or private insurance plan or policy and not eligible for payment through any other third party payor.

(2) That services will not be delayed due to any rules or restrictions under the family's insurance plan or policy.

(3) That the family may request, with appropriate documentation supporting the request, a determination of an exemption from private insurance use under Section 13.25.

(4) That responsibility for co-payments or co-insurance under a family's private insurance plan or policy will be transferred to the lead agency's central billing office.

(5) That families will be responsible for payments of family fees, which will be based on a sliding scale according to the State's definition of ability to pay which is comparing household size and income to the sliding scale and considering out-of-pocket medical or disaster expenses, and that these fees are payable to the central billing office. Families who fail to provide income information shall be charged the maximum amount on the sliding scale.

(f) The individualized family service plan must state whether the family has private insurance coverage and, if the family has such coverage, must have attached to it a copy of the family's insurance identification card or otherwise include all of the following information:

(1) The name, address, and telephone number of the insurance carrier.

(2) The contract number and policy number of the insurance plan.

(3) The name, address, and social security number of the primary insured.

(4) The beginning date of the insurance benefit year.

(g) A copy of the individualized family service plan must be provided to each enrolled provider who is providing early intervention services to the child who is the subject of that plan.

(h) Children receiving services under this Act shall receive a smooth and effective transition by their third birthday consistent with federal regulations adopted pursuant to Sections 1431 through 1444 of Title 20 of the United States Code. Beginning July 1, 2022, children who receive early intervention services prior to their third birthday and are found eligible for an individualized education program under the Individuals with Disabilities Education Act, 20 U.S.C. 1414(d)(1)(A), and under Section 14-8.02 of the School Code and whose birthday falls between May 1 and August 31 may continue to receive early intervention services until the beginning of the school year following their third birthday in order to minimize gaps in services, ensure better continuity of care, and align practices for the enrollment of preschool children with special needs to the enrollment practices of typically developing preschool children.

- (12) less than 40 grams of a substance containing a substance classified as a narcotic drug in Schedules I or II, or an analog thereof, which is not otherwise included in this subsection.

(e) The limited immunity described in subsections (b) and (c) of this Section shall not be extended if law enforcement has reasonable suspicion or probable cause to detain, arrest, or search the person described in subsection (b) or (c) of this Section for criminal activity and the reasonable suspicion or probable cause is based on information obtained prior to or independent of the individual described in subsection (b) or (c) taking action to seek or obtain emergency medical assistance and not obtained as a direct result of the action of seeking or obtaining emergency medical assistance. Nothing in this Section is intended to interfere with or prevent the investigation, arrest, or prosecution of any person for the delivery or distribution of cannabis, methamphetamine or other controlled substances, drug-induced homicide, or any other crime if the evidence of the violation is not acquired as a result of the person seeking or obtaining emergency medical assistance in the event of an overdose.

HOUSE BILL RECALLED

On motion of Senator Pacione-Zayas, **House Bill No. 2878** was recalled from the order of third reading to the order of second reading.

Senator Pacione-Zayas offered the following amendment and moved its adoption:

AMENDMENT NO. 3 TO HOUSE BILL 2878

AMENDMENT NO. 3. Amend House Bill 2878 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Early Childhood Access Consortium for Equity Act.

Section 5. Findings. The General Assembly makes all of the following findings:

(1) This State faces a shortage of qualified early childhood educators, with high vacancy rates in child care centers, community-based early childhood programs, and school-based classrooms across this State. Like roads and bridges, early education and child care is an essential part of our infrastructure that enables families to work in all other industries. Beyond addressing the current need, growing federal and State commitments to expanding early childhood services, including the recommendations put forth in the Governor's Illinois Commission on Equitable Early Childhood Education and Care Funding report in March 2021, suggest that this State must be prepared to meet the growing demand for a qualified workforce to deliver these services in the coming years.

(2) To meet this growing demand and support this critical infrastructure, the Illinois higher education system must support our incumbent early childhood workforce through credential and degree attainment. The workforce is overwhelmingly made up of women and women of color, and many are balancing full-time employment, family needs, and other responsibilities. Often, traditional bachelor's degree programs are not accessible to place-bound, full-time working parents.

(3) In this State, there is a history of partnership among early childhood providers, stakeholders, and higher education to identify workforce needs and strategies to help promote access to higher education and degree completion among the workforce. Illinois institutions of higher education have taken steps to demonstrate a commitment to the early childhood field, as well as underserved student populations. Hybrid program models, cohort program models, and scholarships and financial incentives for students help to promote access to many early childhood degree programs in this State.

(4) Over the past 2 decades, this State has attempted numerous strategies to develop and support partnerships among institutions of higher education that are focused on this State's early childhood workforce. Through these broader initiatives, as well as many individual local partnerships,

community colleges and public and private universities have worked to implement articulation agreements, credit transfer agreements, and program delivery models, although not all partnerships have been maintained. Such initiatives include all of the following:

(A) In 2004, this State developed the Associate of Arts in Teaching (AAT) degree model to promote articulation among 2-year and 4-year institutions of higher education. However, with the challenges in credit transfer contributing to the limited viability and success of the degree model, the Illinois Community College Board stopped approving the AAT degree model and has worked across the higher education system to discontinue these programs.

(B) In 2013, this State dedicated federal Race to the Top funds to create the Early Childhood Educator Preparation Program Innovation (EPPI) Grant program. Among other goals, the EPPI Grant program aimed to foster the creation or further development of partnerships between 2-year and 4-year preparation programs at institutions of higher education, promote articulation and alignment of the curriculum between 2-year and 4-year programs, and support early childhood educator preparation programs in designing a curriculum to incorporate new State standards and program requirements. While the EPPI Grant program led to some effective partnerships that still remain intact today, program evaluations found varying levels of partnership and that, in many cases, successful agreements were contingent upon individual relationships or individual leaders within institutions.

(C) Through the Illinois Articulation Initiative (IAI), there are 3 early childhood courses approved for articulation among participating institutions. More than 100 Illinois colleges and universities participate in the IAI, though challenges with inconsistent participation and recognition do exist.

(D) Most recently, the creation of competency-based education components for early childhood education will help ensure that higher education and credential programs are designed to prepare early childhood educators to demonstrate the same critical core competencies. The emphasis on core competencies could improve educator preparedness and could ease credit transfer and articulation processes moving forward.

These programs and partnerships continue to benefit many early childhood education students across this State, but, overall, these efforts have not produced adequate early childhood degrees to meet the demands in the field. These types of initiatives are highly contingent upon relationships and partnerships between specific institutions and are often impacted if an institution experiences turnover or program changes. Furthermore, these partnerships often do not address the geographic, structural, and economic barriers the incumbent workforce often faces in accessing bachelor's degree programs while working full-time in the field. These ongoing challenges are not new and have been noted in the development of these previous efforts.

(5) As noted in the provisions of Public Act 101-654, the General Assembly recognizes the critical role of the early childhood workforce and, in response to challenges, including staffing shortages and barriers to higher education, calls upon the Board of Higher Education to better meet the needs of the early childhood workforce.

(6) The General Assembly encourages this State to consider dedicating federal funds for pandemic relief and economic recovery efforts to ensure a successful launch of the Consortium and the opportunities it creates to meet the needs of the early childhood incumbent workforce, including student financial support. This State, the incumbent workforce, and the children in care will benefit as workers enroll, persist, and complete credential and degree programs.

Section 10. Definitions. In this Act:

"Community college" means a public community college that is included in the definition of "Community Colleges" under Section 1-2 of the Public Community College Act.

"Consortium" means the Early Childhood Access Consortium for Equity.

"Credit for prior learning" means the evaluation and assessment of a student's life learning through employment, training, and experiences outside an academic environment from which skills that comprise terminal objectives are mastered to an acceptable degree of proficiency for college credit, certification, or advanced standing toward further education or training.

"Home institution" means the community college or university at which the student has been admitted.

"Incumbent workforce" means an individual or a group of individuals working or having worked in the early childhood industry, including family child care and center-based care settings, Preschool for All school-based settings, and Head Start, that serves children from birth to age 5 and includes teachers, assistant teachers, directors, family child care providers, and assistants.

"Member institutions" means the institutions of higher education participating in the Consortium.

"Public university" means the University of Illinois, Southern Illinois University, Chicago State University, Eastern Illinois University, Governors State University, Illinois State University, Northeastern Illinois University, Northern Illinois University, Western Illinois University, or any other public university or college, other than a community college, now or hereafter established or authorized by the General Assembly.

Section 15. Creation of Consortium; purpose; administrative support.

(a) The Board of Higher Education and the Illinois Community College Board shall create and establish the Early Childhood Access Consortium for Equity.

(b) The purpose of the Consortium is to serve the needs of the incumbent early childhood workforce and the employers of early childhood educators and to advance racial equity while meeting the needs of employers by streamlining, coordinating, and improving the accessibility of degree completion pathways for upskilling and the sustained expansion of educational pipelines at Illinois institutions of higher education.

(c) The Board of Higher Education and the Illinois Community College Board shall convene the member institutions by July 1, 2021 or within 60 days after the effective date of this amendatory Act of the 102nd General Assembly. The Board of Higher Education and the Illinois Community College Board shall provide administrative support for the start up and operation of the Consortium until a permanent governance structure is developed and implemented. The Board of Higher Education and the Illinois Community College Board shall work with member institutions to establish geographic regional hubs, including public universities and the proximate community colleges responsible for serving each regional hub.

Section 20. Membership; functions.

(a) Membership in the Consortium shall include all public universities and community colleges in this State that offer early childhood programs. Membership by private, not-for-profit universities is optional and conditional on the acceptance of the terms adopted by the public members, the related administrative rules, and the provisions of this Act. For-profit institutions of higher education are not eligible for membership in the Consortium. Participating institutions must be accredited by the Higher Learning Commission and entitled to offer Gateways Credentials.

(b) The members of the Consortium shall operate jointly and in cooperation through regional hubs to provide streamlined paths for students to attain associate degrees, bachelor's degrees, master's degrees, certificates, and Gateways Credentials and other licensure endorsements in early childhood education. The priority shall be to focus on the incumbent workforce, which includes working adults who require programs of study that offer flexibility in the times courses are offered, location, and format. The Consortium shall cooperate in all of the following:

(1) Providing course offerings within each regional hub in online, hybrid, and in-person formats that are available to any student enrolled in a member institution in that hub for occasions in which a particular course is not available at the student's home institution. In this paragraph (1), "not available" may mean the course is not offered during a term, at a time, or in a format that works best for the student. Courses taken at any member institution shall be accepted toward the student's degree at any other member institution. Course offerings across regional hubs may also be provided by an agreement between Consortium members. All course registration shall take place in consultation with a student's academic advisor.

(2) Shared responsibilities through the Consortium and within and across regional hubs to expand access for students.

(3) Transfers in accordance with Section 130-10 of the Transitions in Education Act.

(4) The development of standardized methods for awarding credit for prior learning.

(5) The support necessary for student access, persistence, and completion shall be provided by the home institution, unless otherwise provided by agreement between Consortium members.

(6) Admissions, financial arrangements, registration, and advising services shall be functions of the home institution but shall be honored across the Consortium.

(7) Member institutions working with their regional pre-kindergarten through 12th grade and early childhood employer partners to determine demand throughout the region.

(8) Data-sharing agreements.

(9) An agreement that students enrolled in associate degree programs are encouraged to complete the associate degree program prior to transferring to a bachelor's degree program.

(10) Development of other shared agreements and terms necessary to implement the Consortium and its responsibilities.

By January 31, 2022, the Consortium shall decide how to assign college credit for the incumbent workers who have a Child Development Associate (CDA) credential and for future workers obtaining a CDA.

(c) The Consortium may facilitate or implement the following if deemed beneficial and feasible:

(1) the creation of an open education resource library;

(2) support and training for program coaches and cross-institutional navigators; and

(3) support for the development, implementation, and participation in a statewide registry system through the Illinois Network of Child Care Resource and Referral Agencies (INCCRRA) to provide tracking and data capabilities for students across the system as they attain competency through coursework.

(c) The advisory committee shall meet quarterly. The committee meetings shall be open to the public in accordance with the provisions of the Open Meetings Act.

Section 30. Reporting. The Consortium shall report to the General Assembly, to the Senate and House Committees with oversight over higher education, to the Governor, and to the advisory committee on the progress made by the Consortium. A report must include, but is not limited to, all of the following information:

(1) Student enrollment numbers for the fall and spring terms or semesters, retention rates, persistence in relevant associate, baccalaureate, and credential programs, including demographic data that is disaggregated by race, ethnicity, and federal Pell Grant status, reported twice per year. Completion numbers and rates, employer type, and years worked shall be reported annually.

(2) Tuition rates charged and net prices paid, reported both as including and excluding student loans, by enrolled members of the incumbent workforce, reported annually.

(7) The Consortium budget including the use of federal funds, reported annually.

(8) Member contributions, including financial, physical, or in-kind contributions, provided to the Consortium, reported annually.

Section 35. Goals and metrics.

(a) By July 1, 2021 or within 60 days after the effective date of this amendatory Act of the 102nd General Assembly, the Board of Higher Education's Strategic Plan Educator Workforce subgroup on the early childhood workforce must set goals for the Consortium for the enrollment, persistence, and completion of members of the incumbent workforce in associate, bachelor's, and master's degree programs, Gateways Credentials in Level 2, 3, or 4, and Professional Educator Licensure by September 30, 2024. The goals set for the Consortium must be data informed and include targets for annual enrollment and persistence.

(b) Data from the Gateways Registry, March 2020, indicates that there are 7,670 individuals with an associate degree who would benefit from progressing to a baccalaureate degree and 20,467 individuals with a high school diploma or some college who would benefit from progressing to an associate degree. If the goals cannot be set in accordance with subsection (a), the goal for the Consortium shall be that by September 30, 2024, 20% of the individuals described in this subsection (b) who do not have a degree will have enrolled and be persisting toward or have attained a Gateways Credential in Level 2, 3, or 4 or an associate degree and, of the individuals who have an associate degree, will be enrolled and persisting toward or have attained a baccalaureate degree or will be persisting toward or have attained a Professional Educator License.

(c) Student financial aid, including incentives and stipends, data-sharing, and professional statewide engagement and marketing campaign and recruitment efforts are critical to the Consortium's ability to quickly attract and enroll students into these programs. Navigators, mentors, and advisors are critical for persistence and completion. If federal funds are not appropriated for these purposes and the other purposes of this Section, the Board of Higher Education, the Illinois Community College Board, the State Board of Education, the Department of Human Services, and the Governor's Office of Early Childhood Development, in consultation with the advisory committee, shall adjust the initial target metrics appropriately by adopting challenging goals that may be attainable with less public investment.

(d) The Board of Higher Education, the Illinois Community College Board, the State Board of Education, the Department of Human Services, and the Governor's Office of Early Childhood Development, in consultation with the advisory committee, shall determine new metrics and goals for the Consortium as they relate to the remaining and future early childhood workforce, to be instituted after the close of the 2024-2025 academic year and going forward. Metrics must take into consideration that the pipeline depends on sustained, increased student enrollment and completion rates at the associate degree level if this State aims to continue with sustained, increased student enrollment and completion at the bachelor's degree level.

Section 40. Affordability. The institutions participating in the Consortium and the advisory committee shall work to ensure that students have the most affordable options for advancing through and attaining their degree or credentials.

Section 90. Rules. The Board of Higher Education and the Illinois Community College Board may adopt any rules necessary to administer and implement this Act.

Section 500. The Transitions in Education Act is amended by adding Section 130-10 as follows:
(110 ILCS 180/130-10 new)

Sec. 130-10. Gateway Credentials; associate degree.

(a) A community college student who earns the Department of Human Services's Gateways ECE Credential Level 4 as part of an Associate of Applied Science (AAS) degree in early childhood education that is consistent with the degree requirements established by the Illinois Community College Board and the Board of Higher Education, as appropriate, is deemed eligible for transfer into an early childhood education baccalaureate program at a public university if the student meets all of the requirements of the AAS degree program, is transferring from a program entitled to offer the Gateways ECE Credential Level 4, and earns a minimum grade point average of a 2.0 on a 4.0 scale.

(b) Recognizing that the AAS degree and other associate degrees provide important pathways into the early childhood education profession and notwithstanding any other provision of law to the contrary, a public university shall grant junior level status in an early childhood education program to any community college student who has graduated from an Illinois community college with an Associate of Applied Science

degree in early childhood education. A public university may not require students transferring pursuant to this Section to repeat courses taken and completed successfully at the community college and applied toward the associate degree granted pursuant to subsection (a) of this Section. All courses completed successfully in the AAS degree program must count toward baccalaureate degree completion. Students entering with an AAS may not be required to take a total number of credits greater than those students first starting in a baccalaureate degree program. This includes any courses in which credit for prior learning was used to determine course equivalency and credit was awarded by the evaluating institution. Additional coursework may be required if a student is seeking to add one or more endorsements to the student's Illinois Professional Educator License.

Section 999. Effective date. This Act takes effect upon becoming law."

SENATE RESOLUTION NO. 335

WHEREAS, The City of Bloomington Human Relations Commission, in partnership with the McLean County Historical Society and the Bloomington/Normal Black History Project (BNBHP), will be hosting the 2021 Annual Juneteenth Celebration; and

WHEREAS, This virtual event, known as Justice Delayed, will encompass a week of education, motivation, and celebration covering the racial history of the United States; and

WHEREAS, Bloomington-Normal held its first Juneteenth celebration in 1993; and

WHEREAS, Juneteenth is the oldest known celebration commemorating the official ending of slavery in the United States when, on June 19, 1865, General Gordon Granger landed at Galveston, Texas with news that the war had ended and that the enslaved were freed; and

WHEREAS, The first Republican President, Abraham Lincoln, gave his famous Emancipation Proclamation executive order just two years prior in 1863, which declared southern slaves to be free; and

WHEREAS, The inhumane practice of slavery in the United States was finally brought to an end following the Civil War; and

WHEREAS, The practice of slavery is now widely condemned and recognized as evil, and courageous leaders such as President Lincoln are responsible for paving the way towards a future where all Americans are treated as equal regardless of skin color; and

[May 28, 2021]

WHEREAS, The rights guaranteed to all United States citizens were unjustly denied to people based on the color of their skin; and

WHEREAS, Many African American citizens were denied basic rights even after slavery was abolished, due to government mandated racial segregation; and

WHEREAS, This continued racial discrimination following the abolition of slavery spurred the rise of prominent, courageous, and influential civil rights leaders such as Dr. Martin Luther King Jr.; and

WHEREAS, Despite this history of racial injustice, the United States has made progress towards the goal of racial equality; and

WHEREAS, The prominence of African American individuals in American life, such as Barack Obama, Clarence Thomas, and Condoleezza Rice, is evidence of how far America has come regarding racial equality; and

WHEREAS, The ending of slavery and racial segregation serves as a reminder that America is capable of change for the better; and

WHEREAS, America's racial progress towards achieving Dr. King's dream, where people are judged by the content of their character and not by the color of their skin, is a call for celebration and reflection upon American history; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare the week of June 14, 2021 as "Juneteenth Remembrance Week" in the State of Illinois, to be celebrated with the appropriate events and activities; and be it further

RESOLVED, That suitable copies of this resolution be presented to the City of Bloomington Human Relations Commission, the McLean County Historical Society, and the Bloomington/Normal Black History Project.

REPORT FROM COMMITTEE ON ASSIGNMENTS

Senator Lightford, Chair of the Committee on Assignments, during its May 28, 2021 meeting, reported that the following Legislative Measure has been approved for consideration:

Floor Amendment No. 1 to Senate Bill 326

The foregoing floor amendment was placed on the Secretary's Desk.

HOUSE BILL RECALLED

On motion of Senator Harmon, **House Bill No. 2777** was recalled from the order of third reading to the order of second reading.

Senator Harmon offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO HOUSE BILL 2777

AMENDMENT NO. 1. Amend House Bill 2777 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the General Assembly Redistricting Act of 2021.

Section 5. Findings. In enacting this redistricting plan, the General Assembly finds and declares all of the following:

[May 28, 2021]

(a) Under Article IV, Section 3 of the Illinois Constitution of 1970, in the year following each federal decennial census year, the General Assembly is required to redistrict the Legislative Districts and the Representative Districts by law by June 30.

(b) The United States Census Bureau failed to deliver the 2020 Census Public Law 94-171 population data to the States, including Illinois, by March 31, 2021 as required by the federal Census Act and has announced it will release the 2020 Census Public Law 94-171 population data by September 30, 2021.

(c) To comply with its constitutional duty, the General Assembly must use data other than the 2020 decennial census data.

(d) The United States Census Bureau's 2015-2019 American Community Survey data is the most accurate, recent low-level population data available to the Illinois public in the spring of 2021 and was relied upon by the General Assembly in establishing the boundaries for the districts described in this Act. The total resident population of Illinois according to the 2015-2019 American Community Survey data was 12,770,577, which is approximately 0.3% less than the total resident population from the 2020 Census.

(e) In establishing boundaries for Illinois Legislative and Representative Districts ("Districts"), the following redistricting principles were taken into account:

(1) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be substantially equal in population;

(2) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the United States Constitution;

(3) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the federal Voting Rights Act, where applicable;

(4) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be compact and contiguous, as required by the Illinois Constitution;

(5) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to be consistent with the Illinois Voting Rights Act of 2011, where applicable; and

(6) each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn taking into account the partisan composition of the District and of the Plan itself.

(f) In addition to the redistricting principles set forth in subsection (e), each of the Districts contained in the 2021 General Assembly Redistricting Plan was drawn to reflect a balance of the following redistricting principles: the preservation of the core or boundaries of the existing Districts; the preservation of communities of interest; respect for county, township, municipal, ward, and other political subdivision boundaries; the maintenance of incumbent-constituent relationships and tracking of population migration; proposals or other input submitted by members of the public and stakeholder groups; public hearing testimony; other incumbent requests; respect for geographic features and natural or logical boundaries; and other redistricting principles recognized by state and federal court decisions.

(g) For purposes of legislative intent, the General Assembly adopts and incorporates herein, as if fully set forth, the provisions of House Resolution 359 of the 102nd General Assembly and Senate Resolution 326 of the 102nd General Assembly.

Section 10. Representative Districts. The State of Illinois is divided into 118 Representative Districts as set forth in this Section.

AMENDMENT NO. 2 TO SENATE BILL 642

AMENDMENT NO. 2. Amend Senate Bill 642 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Judicial Districts Act of 2021.

Section 5. Legislative intent. The intent of this Act is to redraw the Judicial Districts to meet the requirements of the Illinois Constitution of 1970 by providing that outside of the First District the State

[May 28, 2021]

"shall be divided by law into four Judicial Districts of substantially equal population, each of which shall be compact and composed of contiguous counties."

Section 2 of Article VI of the Illinois Constitution of 1970 divides the State into five Judicial Districts for the selection of Supreme and Appellate Court Judges, with Cook County comprising the First District and the remainder of the State "divided by law into four Judicial Districts of substantially equal population, each of which shall be compact and composed of contiguous counties." Further, Section 7 of Article VI provides that a Judicial Circuit must be located within one Judicial District, and also provides the First Judicial District is comprised of a judicial circuit and the remainder provided by law, subject to the requirement that Circuits composed of more than one county shall be compact and of contiguous counties. The current Judicial District map was enacted in 1963.

The current Judicial Districts do not meet the Constitution's requirement that four Districts other than the First District be of "substantially equal population." Using the American Community Survey data available at the time this Act is enacted, the population of the current First District is 5,198,212; Second District is 3,204,960; the Third District is 1,782,863; the Fourth District is 1,299,747; and the Fifth District is 1,284,757.

Under this redistricting plan, the population, according to the American Community Survey, of the Second District will be 1,770,983; the Third District will be 1,950,349; the Fourth District will be 2,011,316; and the Fifth District will be 1,839,679. A similar substantially equitable result occurs using the 2010 U.S. Census data, the most recent decennial census data available at the time of this Act, with the population of the Second District being approximately 1,747,387; the Third District being 1,936,616; the Fourth District being 2,069,660; and the Fifth District being 1,882,294. Because of the constitutional requirement that a District be composed of whole counties, and given that actual population changes on a day-to-day basis, the populations are not and could never be exact, but the population of each of the four Districts created by this Act is substantially equal.

In addition to ensuring the population of the four Districts are substantially equal, this Act complies with Section 7 of Article VI of the Illinois Constitution of 1970, which provides that the First Judicial District shall be comprised of a Judicial Circuit, and the remaining Judicial Circuits shall be provided by law, and Circuits comprised of more than one county shall be compact and of contiguous counties. To comply with Section 7 of Article VI and minimize disruption to the administration of the Judicial Branch, this Act avoids changing the compositions and boundaries of the Judicial Circuits, while simultaneously creating substantially equally populated, compact, and contiguous Judicial Districts.

To further avoid any interruption to the administration of the Judicial Branch, this Act does not require that the Supreme Court change where the Appellate Courts currently reside. By Supreme Court Rule, the Second District Appellate Court currently sits in Elgin; the Third District Appellate Court currently sits in Ottawa; the Fourth District Appellate Court currently sits in Springfield; and the Fifth District Appellate Court currently sits in Mt. Vernon. Under this Act, the Supreme Court is not required to change where the Appellate Courts sit as those cities remain in the Second, Third, Fourth, and Fifth District respectively.

To ensure continuity of service and compliance with the Illinois Constitution of 1970, nothing in this Act is intended to affect the tenure of any Appellate or Supreme Court Judge elected or appointed prior to the effective date of this Act. In accordance with the Constitution, no change in the boundaries shall affect an incumbent judge's qualification for office or right to run for retention. Incumbent judges have the right to run for retention in the counties comprising the District that elected the judge, or in the counties comprising the new District where the judge resides, as the judge may elect. As provided by the Constitution, upon a vacancy in an elected Supreme or Appellate Court office, the Supreme Court may fill the vacancy until the vacancy is filled in the next general election in the counties comprising the District created by this Act.

Further, nothing in this Act is intended to alter or impair the ability of the Supreme Court to fulfill its obligations to ensure the proper administration of the Judicial Branch. For example, it remains within the purview of the Supreme Court to assign or reassign any judge to any court or determine assignment of additional judges to the Appellate Court. Section 1 of the Appellate Act provides that the "Supreme Court may assign additional judges to service in the Appellate Court from time to time as the business of the Appellate Court requires." Currently the Supreme Court has three judges on assignment to the Second District Appellate Court, whereas one judge is on assignment to the Third, Fourth, and Fifth Districts. Nothing in this Act seeks to alter any judicial assignments.

Finally, it is the intent of the General Assembly that any appealable order, as defined by Supreme Court Rules, entered prior to the effective date of this Act shall be subject to judicial review by the Judicial

District in effect on the date the order was entered; however, the administrative and supervisory authority of the courts remains within the purview of the Supreme Court.

Section 10. The First Judicial District consists of the County of Cook.

Section 15. Beginning on the effective date of this Act, the Second Judicial District consists of the counties of DeKalb, Kendall, Kane, Lake, and McHenry.

Section 20. Beginning on the effective date of this Act, the Third Judicial District consists of the counties of Bureau, LaSalle, Grundy, Iroquois, Kankakee, DuPage and Will.

Section 25. Beginning on the effective date of this Act, the Fourth Judicial District consists of the counties of Jo Daviess, Stephenson, Carroll, Ogle, Lee, Winnebago, Boone, Mercer, Rock Island, Whiteside, Henry, Stark, Putnam, Marshall, Peoria, Tazewell, Adams, Pike, Calhoun, Schuyler, Brown, Cass, Mason, Menard, Morgan, Scott, Greene, Jersey, Macoupin, Sangamon, Logan, McLean, Woodford, Livingston, Ford, Henderson, Warren, Knox, Fulton, McDonough and Hancock.

Section 30. Beginning on the effective date of this Act, the Fifth Judicial District consists of the counties of DeWitt, Macon, Piatt, Moultrie, Champaign, Douglas, Vermilion, Edgar, Coles, Cumberland, Clark, Christian, Shelby, Montgomery, Fayette, Effingham, Jasper, Clay, Marion, Clinton, Bond, Madison, St. Clair, Washington, Monroe, Randolph, Perry, Crawford, Richland, Lawrence, Wabash, Edwards, Wayne, Jefferson, Franklin, Hamilton, White, Gallatin, Hardin, Saline, Williamson, Jackson, Union, Johnson, Pope, Alexander, Pulaski, and Massac.

Section 35. Current Members of the Judiciary. Nothing in this Act shall affect the tenure of any Appellate or Supreme Court Judge serving on the effective date of this Act. No Appellate or Supreme Court Judge serving on the effective date of this Act shall be required to change his or her residency in order to continue serving in office or to seek retention or reappointment in office. Any Appellate or Supreme Court Judge elected to that office prior to the effective date of this Act who files to run for retention after the effective date of this Act shall have the right to seek retention in the district the Judge was elected from or seek retention in the district created by this Act. The Secretary of State, not less than 63 days before the election, shall certify the Judge's candidacy to the proper election officials.

Section 40. Severability. To the extent that any provision of this Act is found to be unconstitutional, that provision alone shall be deemed of no force and effect and all other provisions of this Act shall remain in full force and effect.

Section 45. The Judicial Districts Act is amended by changing Sections 2, 3, 4, and 5 as follows:

(This Act was repealed by P.A. 89-719, which has been held unconstitutional)

A message from the House by

Mr. Hollman, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 2661

A bill for AN ACT concerning government.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 2661

Passed the House, as amended, May 28, 2021.

JOHN W. HOLLMAN, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 2661

AMENDMENT NO. 1. Amend Senate Bill 2661 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Cook County Board of Review Redistricting Act of 2021.

Section 5. Findings. In enacting this redistricting plan, the General Assembly finds and declares all of the following:

(a) Under Section 5-5 of the Property Tax Code, in the year following each federal decennial census year, the General Assembly is required to redistrict the 3 districts for the board of review in each county with 3,000,000 or more inhabitants.

(b) The United States Census Bureau failed to deliver the 2020 Census Public Law 94-171 population data to the States, including Illinois, by March 31, 2021 as required by the federal Census Act and has announced it will release the 2020 Census Public Law 94-171 population data by September 30, 2021.

(c) The United States Census Bureau's 2015-2019 American Community Survey data is the most accurate, recent low-level population data available to the Illinois public in the spring of 2021 and was relied upon by the General Assembly in establishing the boundaries for the districts described in this Act. The total resident population of Illinois according to the 2015-2019 American Community Survey data was 12,770,577, which is approximately 0.3% less than the total resident population from the 2020 Census.

(d) In establishing boundaries for Cook County Board of Review districts ("Districts"), the following redistricting principles were taken into account:

- (1) each of the Districts was drawn to be substantially equal in population;
- (2) each of the Districts was drawn to be consistent with the United States Constitution;
- (3) each of the Districts was drawn to be consistent with the federal Voting Rights Act, where applicable;
- (4) each of the Districts was drawn to be compact and contiguous; and

[May 28, 2021]

(5) each of the Districts was drawn taking into account the partisan composition of the District and of the Plan itself.

(e) In addition to the redistricting principles set forth in subsection (d), each of the Districts contained was drawn to reflect a balance of the following redistricting principles: the preservation of the core or boundaries of the existing Districts; the preservation of communities of interest; respect for county, township, municipal, ward, and other political subdivision boundaries; the maintenance of incumbent-constituent relationships and tracking of population migration; proposals or other input submitted by members of the public and stakeholder groups; public hearing testimony; other incumbent requests; respect for geographic features and natural or logical boundaries; and other redistricting principles recognized by State and federal court decisions.

Section 10. Board of Review Districts. Cook County is divided into 3 Board of Review Districts as set forth in this Act.

Cook County Board of Review District 1 consists of the following:

Sec. 5-5. Election of commissioners of board of review; counties of 3,000,000 or more.

(a) In counties with 3,000,000 or more inhabitants, on the first Tuesday after the first Monday in November 1994, 2 commissioners of the board of appeals shall be elected to hold office from the first Monday in December following their election and until the first Monday in December 1998. In case of any vacancy, the chief judge of the circuit court or any judge of that circuit designated by the chief judge shall fill the vacancy by appointment. The commissioners shall be electors in the particular county at the time of their election or appointment and shall hold no other lucrative public office or public employment. Each commissioner shall receive compensation fixed by the county board, which shall be paid out of the county

treasury and which shall not be changed during the term for which any commissioner is elected or appointed. Effective the first Monday in December 1998, the board of appeals is abolished.

The board of appeals shall maintain sufficient evidentiary records to support all decisions made by the board of appeals. All records, data, sales/ratio studies, and other information necessary for the board of review elected under subsection (c) to perform its functions and duties shall be transferred by the board of appeals to the board of review on the first Monday in December 1998.

(b) (Blank).

(c) In each county with 3,000,000 or more inhabitants, there is created a board of review. The board of review shall consist of 3 commissioners, one elected from each election district in the county at the general election in 1998 to hold office for a term beginning on the first Monday in December following their election and until their respective successors are elected and qualified.

No later than June 1, 1996, the General Assembly shall establish the boundaries for the 3 election districts in each county with 3,000,000 or more inhabitants. The election districts shall be compact, contiguous, and have substantially the same population based on the 1990 federal decennial census. One district shall be designated as the first election district, one as the second election district, and one as the third election district. The commissioner from each district shall be elected to a term of 4 years.

In the year following each federal decennial census, the General Assembly shall reapportion the election districts to reflect the results of the census. In 2021 and any year following the federal decennial census in which the results of the census are not available by March 31, the General Assembly may use other population data, including, but not limited to, the most recent American Community Survey 5-year data, to reapportion the districts. The reapportioned districts shall be compact, contiguous, and contain substantially the same population. The commissioner from the first district shall be elected to terms of 4 years, 4 years, and 2 years. The commissioner from the second district shall be elected to terms of 4 years, 2 years, and 4 years. The commissioner from the third district shall be elected to terms of 2 years, 4 years, and 4 years.

In case of vacancy, the chief judge of the circuit court or any judge of the circuit court designated by the chief judge shall fill the vacancy by appointment of a person from the same political party. If the vacancy is filled with more than 28 months remaining in the term, the appointed commissioner shall serve until the next general election, at which time a commissioner shall be elected to serve for the remainder of the term. If a vacancy is filled with 28 months or less remaining in the term, the appointment shall be for the remainder of the term. No commissioner may be elected or appointed to the board of review unless he or she has resided in the election district he or she seeks to represent for at least 2 years before the date of the election or appointment. In the election following each federal decennial census and board of review redistricting, a candidate for commissioner may be elected from any election district that contains a part of the election district in which he or she resided at the time of the redistricting and re-elected if a resident of the new district he or she represents for 18 months prior to re-election. The commissioners shall hold no other lucrative public office or public employment.

Each commissioner shall receive compensation fixed by the county board, which shall be paid from the county treasury. Compensation for each commissioner shall be equitable and shall not be changed during the term for which that commissioner is elected or appointed. The county shall provide suitable office space for the board of review.

For the year beginning on the first Monday in December 1998 and ending the first Monday in December 1999, and every fourth year thereafter, the chair of the board shall be the commissioner elected from the first district. For the year beginning the first Monday in December 1999 and ending the first Monday in December 2000, and every fourth year thereafter, the chair of the board shall be the commissioner elected from the second district. For the year beginning the first Monday in December 2000 and ending the first Monday in December 2001, and every fourth year thereafter, the chair shall be the commissioner elected from the third district. For the year beginning the first Monday in December 2001 and ending the first Monday in December 2002, and every fourth year thereafter, the chair of the board shall be determined by lot.

On and after the first Monday in December, 1998, any reference in this Code to a board of appeals shall mean the board of review created under this subsection, and any reference to a member of a board of review shall mean a commissioner of a board of review. Whenever it may be necessary for purposes of determining its jurisdiction, the board of review shall be deemed to succeed to the powers and duties of the former board of appeals; provided that the board of review shall also have all of the powers and duties

granted to it under this Code. All action of the board of review shall be by a majority vote of its commissioners.
