(c-10) (1) An applicant, who is denied, revoked, or has his or her Firearm Owner's Identification Card seized under subsection (e) of Section 8 of this Act based upon a determination of a developmental disability or an intellectual disability may apply to the Firearm Owner's Identification Card Review Board ~~Director of State Police~~ requesting relief.

(2) The ~~Board Director~~ shall act on the request for relief within 60 business days of receipt of written certification, in the form prescribed by the ~~Board Director~~, from a physician or clinical psychologist, or qualified examiner, that the aggrieved party's developmental disability or intellectual disability condition is determined by a physician, clinical psychologist, or qualified to be mild. If a fact-finding conference is scheduled to obtain additional information concerning the circumstances of the denial or revocation, the 60 business days the Director has to act shall be tolled until the completion of the fact-finding conference.

(3) The ~~Board Director~~ may grant relief if the aggrieved party's developmental disability or intellectual disability is mild as determined by a physician, clinical psychologist, or qualified examiner and it is established by the applicant to the ~~Board's Director's~~ satisfaction that:

(A) granting relief would not be contrary to the public interest; and

(B) granting relief would not be contrary to federal law.

(4) The ~~Board Director~~ may not grant relief if the condition is determined by a physician, clinical psychologist, or qualified examiner to be moderate, severe, or profound.

(5) The changes made to this Section by Public Act 99-29 ~~this amendatory Act of the 99th General Assembly~~ apply to requests for relief pending on or before July 10, 2015 (the effective date of Public Act 99-29) ~~this amendatory Act~~, except that the 60-day period for the Director to act on requests pending before the effective date shall begin on July 10, 2015 (the effective date of Public Act 99-29) ~~this amendatory Act~~. (e) The court shall review the denial of an application or the revocation of a Firearm Owner's Identification Card of a person who has been adjudicated delinquent for an offense that if committed by an adult would be a felony if an application for relief has been filed at least 10 years after the adjudication of delinquency and the court determines that the applicant should be granted relief from disability to obtain a Firearm Owner's Identification Card. If the court grants relief, the court shall notify the ~~Illinois Department of~~ State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is subject to the disabilities of 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act of 1968 because of an adjudication or commitment that occurred under the laws of this State or who was determined to be subject to the provisions of subsections (e), (f), or (g) of Section 8 of this Act may apply to the ~~Illinois Department of~~ State Police requesting relief from that prohibition. The ~~Board Director~~ shall grant the relief if it is established by a preponderance of the evidence that the person will not be likely to act in a manner dangerous to public safety and that granting relief would not be contrary to the public interest. In making this determination, the ~~Board Director~~ shall receive evidence concerning (i) the circumstances regarding the firearms disabilities from which relief is sought; (ii) the petitioner's mental health and criminal history records, if any; (iii) the petitioner's reputation, developed at a minimum through character witness statements, testimony, or other character evidence; and (iv) changes in the petitioner's condition or circumstances since the disqualifying events relevant to the relief sought. Sec. 13.4. Illinois State Police; rule making authority. The Illinois State Police shall by rule adopt the following procedures:

(1) When a person who possesses a valid Firearm Owner's Identification Card applies for and is approved for a concealed carry license, the valid Firearm Owner's Identification Card is renewed for 10 years from the time of approval instead of 10 years from the date of the original card.

If a person who possesses a combined Firearm Owner's Identification Card and a concealed carry license becomes subject to suspension or revocation under the Firearm Concealed Carry Act, but is otherwise eligible for a valid Firearm Owner's Identification Card, the Illinois State Police shall ensure the person's Firearm Owner's Identification Card status is not interrupted. The Illinois State Police shall adopt rules to implement this Section.

Section 25. The Firearm Concealed Carry Act is amended by changing Sections 10, 20, 30, 50, 55, and 70 and by adding Sections 10.5, 10.6, and 66 as follows:

The database shall be available to all federal, State, and local law enforcement agencies, State's Attorneys, the Attorney General, and authorized court personnel. Within 180 days after the effective date of this Act, the database shall be searchable and provide all information included in the application, including the applicant's previous addresses within the 10 years prior to the license application and any information related to violations of this Act. No law enforcement agency, State's Attorney, Attorney General, or member or staff of the judiciary shall provide any information to a requester who is not entitled to it by law.

The terms of the commissioners appointed on or after the effective date of this amendatory Act of the 102nd General Assembly shall be as follows: one of the initial members shall be appointed for a term of one year, 3 shall be appointed for terms of 2 years, and 3 shall be appointed for terms of 4 years. Thereafter, the commissioners shall hold office for 4 years, with terms expiring on the second Monday in January of the fourth year. Commissioners may be reappointed. Vacancies in the office of commissioner shall be filled in the same manner as the original appointment, for the remainder of the unexpired term. The Governor may remove a commissioner for incompetence, neglect of duty, malfeasance, or inability to serve. Commissioners shall receive compensation in an amount equal to the compensation of members of the Executive Ethics Commission and may be reimbursed for reasonable expenses actually incurred in the performance of their Board duties, from funds appropriated for that purpose.

(c) The Board shall meet at the call of the chairperson as often as necessary to consider objections to applications for a license under this Act. (d) The Board shall adopt rules for the review of objections and the conduct of hearings. The Board shall maintain a record of its decisions and all materials considered in making its decisions. All Board decisions and voting records shall be kept confidential and all materials considered by the Board shall be exempt from inspection except upon order of a court.

(e) In considering an objection of a law enforcement agency or the Department, the Board shall review the materials received with the objection from the law enforcement agency or the Department. The Board may require that the applicant submit electronic fingerprints to the Department for an updated background check where the Board determines it lacks sufficient information to determine eligibility. The Board may only consider information submitted by the Department, a law enforcement agency, or the applicant. The Board shall review each objection and determine by a majority of commissioners whether an applicant is eligible for a license.

(f) The Board shall issue a decision within 30 days of receipt of the objection from the Department. However, the Board need not issue a decision within 30 days if:

(2) the applicant agrees, in writing, to allow the Board additional time to consider an objection;

or  
(3) the Board notifies the applicant and the Department that the Board needs an additional 30 days to issue a decision.

(g) If the Board determines by a preponderance of the evidence that the applicant poses a danger to himself or herself or others, or is a threat to public safety, then the Board shall affirm the objection of the law enforcement agency or the Department and shall notify the Department that the applicant is ineligible for a license. If the Board does not determine by a preponderance of the evidence that the applicant poses a danger to himself or herself or others, or is a threat to public safety, then the Board shall notify the Department that the applicant is eligible for a license.

(h) Meetings of the Board shall not be subject to the Open Meetings Act and records of the Board shall not be subject to the Freedom of Information Act.

(i) The Board shall report monthly to the Governor and the General Assembly on the number of objections received and provide details of the circumstances in which the Board has determined to deny licensure based on law enforcement or Department objections under Section 15 of this Act. The report shall not contain any identifying information about the applicants.

If an order of protection is issued against a licensee, the licensee shall surrender the license, as applicable, to the court at the time the order is entered or to the law enforcement agency or entity serving process at the time the licensee is served the order. The court, law enforcement agency, or entity responsible for serving the order of protection shall notify the Department within 7 days and transmit the license to the Department.

(c) A license is invalid upon expiration of the license, unless the licensee has submitted an application to renew the license, and the applicant is otherwise eligible to possess a license under this Act.

(a) A petitioner may request an emergency firearms restraining order by filing an affidavit or verified pleading alleging that the respondent poses an immediate and present danger of causing personal injury to himself, herself, or another by having in his or her custody or control, purchasing, possessing, or receiving a

firearm. The petition shall also describe the type and location of any firearm or firearms presently believed by the petitioner to be possessed or controlled by the respondent.

(b) If the respondent is alleged to pose an immediate and present danger of causing personal injury to an intimate partner, or an intimate partner is alleged to have been the target of a threat or act of violence by the respondent, the petitioner shall make a good faith effort to provide notice to any and all intimate partners of the respondent. The notice must include that the petitioner intends to petition the court for an emergency firearms restraining order, and, if the petitioner is a law enforcement officer, referral to relevant domestic violence or stalking advocacy or counseling resources, if appropriate. The petitioner shall attest to having provided the notice in the filed affidavit or verified pleading. If, after making a good faith effort, the petitioner is unable to provide notice to any or all intimate partners, the affidavit or verified pleading should describe what efforts were made.

(f-5) If the court issues an emergency firearms restraining order, it shall, upon a finding of probable cause that the respondent possesses firearms, issue a search warrant directing a law enforcement agency to seize the respondent's firearms. The court may, as part of that warrant, direct the law enforcement agency to search the respondent's residence and other places where the court finds there is probable cause to believe he or she is likely to possess the firearms.

(g) An emergency firearms restraining order shall require:

The firearm or firearms and Firearm Owner's Identification Card and concealed carry license, if unexpired, shall be returned to the respondent after the firearms restraining order is terminated or expired.~~

(h) Except as otherwise provided in subsection (h-5) of this Section, upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card and concealed carry license cannot be returned to the respondent because the respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or use the firearms for any other application as deemed appropriate by the local law enforcement agency.

(h-5) On or before January 1, 2022, a ~~A~~ respondent whose Firearm Owner's Identification Card has been revoked or suspended may petition the court, if the petitioner is present in court or has notice of the respondent's petition, to transfer the respondent's firearm to a person who is lawfully able to possess the firearm if the person does not reside at the same address as the respondent. Notice of the petition shall be served upon the person protected by the emergency firearms restraining order. While the order is in effect, the transferee who receives the respondent's firearms must swear or affirm by affidavit that he or she shall not transfer the firearm to the respondent or to anyone residing in the same residence as the respondent.

If the court determines that person to be the lawful owner of the firearm, the firearm shall be returned to him or her, provided that:

(1) the firearm is removed from the respondent's custody, control, or possession and the lawful owner agrees to store the firearm in a manner such that the respondent does not have access to or control of the firearm; and

Sec. 24-8. Firearm evidence tracing.

(a) Upon recovering a firearm from the possession of anyone who is not permitted by federal or State law to possess a firearm, a ~~local~~ law enforcement agency shall use the best available information, including a firearms trace when necessary, to determine how and from whom the person gained possession of the firearm. Upon recovering a firearm that was used in the commission of any offense classified as a felony or upon recovering a firearm that appears to have been lost, mislaid, stolen, or otherwise unclaimed, a ~~local~~ law enforcement agency shall use the best available information, including a firearms trace ~~when necessary~~, to determine prior ownership of the firearm.

(b) Law ~~Local law~~ enforcement shall, when appropriate, use the National Tracing Center of the Federal Bureau of Investigation in complying with subsection (a) of this Section.

(c) Law ~~Local law~~ enforcement agencies shall use the Illinois Department of State Police Law Enforcement Agencies Data System (LEADS) Gun File to enter all stolen, seized, or recovered firearms as prescribed by LEADS regulations and policies.

(d) Whenever a law enforcement agency recovers a fired cartridge case at a crime scene or has reason to believe that the recovered fired cartridge case is related to or associated with the commission of a crime, the law enforcement agency shall submit the evidence to the National Integrated Ballistics Information Network (NIBIN) or an Illinois State Police laboratory for NIBIN processing. Whenever a law enforcement agency seizes or recovers a semiautomatic firearm that is deemed suitable to be entered into the NIBIN that was: (i) unlawfully possessed, (ii) used for any unlawful purpose, (iii) recovered from the scene of a crime, (iv) is reasonably believed to have been used or associated with the commission of a crime, or (v) is acquired by the law enforcement agency as an abandoned or discarded firearm, the law enforcement agency shall submit the evidence to the NIBIN or an Illinois State Police laboratory for NIBIN processing. When practicable, all NIBIN-suitable evidence and NIBIN-suitable test fires from recovered firearms shall be entered into the NIBIN within 2 business days of submission to Illinois State Police laboratories that have NIBIN access or another NIBIN site. Exceptions to this may occur if the evidence in question requires analysis by other forensic disciplines. The Illinois State Police laboratory, submitting agency, and relevant court representatives shall determine whether the request for additional analysis outweighs the 2 business-day requirement. Illinois State Police laboratories that do not have NIBIN access shall submit NIBIN-suitable evidence and test fires to an Illinois State Police laboratory with NIBIN access. Upon receipt at the laboratory with NIBIN access, when practicable, the evidence and test fires shall be entered into the NIBIN within 2 business days. Exceptions to this 2 business-day requirement may occur if the evidence in question requires analysis by other forensic disciplines. The Illinois State Police laboratory, submitting agency, and relevant court representatives shall determine whether the request for additional

analysis outweighs the 2 business-day requirement. Nothing in this Section shall be interpreted to conflict with standards and policies for NIBIN sites as promulgated by the federal Bureau of Alcohol, Tobacco, Firearms and Explosives or successor agencies.

Section 35. The Code of Criminal Procedure of 1963 is amended by changing Section 112A-14 as follows:

(725 ILCS 5/112A-14) (from Ch. 38, par. 112A-14)

Sec. 112A-14. Domestic violence order of protection; remedies.

(a) (Blank).

(b) The court may order any of the remedies listed in this subsection (b). The remedies listed in this subsection (b) shall be in addition to other civil or criminal remedies available to petitioner.

(1) Prohibition of abuse. Prohibit respondent's harassment, interference with personal liberty, intimidation of a dependent, physical abuse, or willful deprivation, as defined in this Article, if such abuse has occurred or otherwise appears likely to occur if not prohibited.

(2) Grant of exclusive possession of residence. Prohibit respondent from entering or remaining in any residence, household, or premises of the petitioner, including one owned or leased by respondent, if petitioner has a right to occupancy thereof. The grant of exclusive possession of the residence, household, or premises shall not affect title to real property, nor shall the court be limited by the standard set forth in subsection (c-2) of Section 501 of the Illinois Marriage and Dissolution of Marriage Act.

(A) Right to occupancy. A party has a right to occupancy of a residence or household if it is solely or jointly owned or leased by that party, that party's spouse, a person with a legal duty to support that party or a minor child in that party's care, or by any person or entity other than the opposing party that authorizes that party's occupancy (e.g., a domestic violence shelter). Standards set forth in subparagraph (B) shall not preclude equitable relief.

(B) Presumption of hardships. If petitioner and respondent each has the right to occupancy of a residence or household, the court shall balance (i) the hardships to respondent and any minor child or dependent adult in respondent's care resulting from entry of this remedy with (ii) the hardships to petitioner and any minor child or dependent adult in petitioner's care resulting from continued exposure to the risk of abuse (should petitioner remain at the residence or household) or from loss of possession of the residence or household (should petitioner leave to avoid the risk of abuse). When determining the balance of hardships, the court shall also take into account the accessibility of the residence or household. Hardships need not be balanced if respondent does not have a right to occupancy.

The balance of hardships is presumed to favor possession by petitioner unless the presumption is rebutted by a preponderance of the evidence, showing that the hardships to respondent substantially outweigh the hardships to petitioner and any minor child or dependent adult in petitioner's care. The court, on the request of petitioner or on its own motion, may order respondent to provide suitable, accessible, alternate housing for petitioner instead of excluding respondent from a mutual residence or household.

(3) Stay away order and additional prohibitions. Order respondent to stay away from petitioner or any other person protected by the domestic violence order of protection, or prohibit respondent from entering or remaining present at petitioner's school, place of employment, or other specified places at times when petitioner is present, or both, if reasonable, given the balance of hardships. Hardships need not be balanced for the court to enter a stay away order or prohibit entry if respondent has no right to enter the premises.

(A) If a domestic violence order of protection grants petitioner exclusive possession of the residence, prohibits respondent from entering the residence, or orders respondent to stay away from petitioner or other protected persons, then the court may allow respondent access to the residence to remove items of clothing and personal adornment used exclusively by respondent, medications, and other items as the court directs. The right to access shall be exercised on only one occasion as the court directs and in the presence of an agreed-upon adult third party or law enforcement officer.

(B) When the petitioner and the respondent attend the same public, private, or non-public elementary, middle, or high school, the court when issuing a domestic violence order of

protection and providing relief shall consider the severity of the act, any continuing physical danger or emotional distress to the petitioner, the educational rights guaranteed to the petitioner and respondent under federal and State law, the availability of a transfer of the respondent to another school, a change of placement or a change of program of the respondent, the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school, and any other relevant facts of the case. The court may order that the respondent not attend the public, private, or non-public elementary, middle, or high school attended by the petitioner, order that the respondent accept a change of placement or change of program, as determined by the school district or private or non-public school, or place restrictions on the respondent's movements within the school attended by the petitioner. The respondent bears the burden of proving by a preponderance of the evidence that a transfer, change of placement, or change of program of the respondent is not available. The respondent also bears the burden of production with respect to the expense, difficulty, and educational disruption that would be caused by a transfer of the respondent to another school. A transfer, change of placement, or change of program is not unavailable to the respondent solely on the ground that the respondent does not agree with the school district's or private or non-public school's transfer, change of placement, or change of program or solely on the ground that the respondent fails or refuses to consent or otherwise does not take an action required to effectuate a transfer, change of placement, or change of program. When a court orders a respondent to stay away from the public, private, or non-public school attended by the petitioner and the respondent requests a transfer to another attendance center within the respondent's school district or private or non-public school, the school district or private or non-public school shall have sole discretion to determine the attendance center to which the respondent is transferred. If the court order results in a transfer of the minor respondent to another attendance center, a change in the respondent's placement, or a change of the respondent's program, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the transfer or change.

(C) The court may order the parents, guardian, or legal custodian of a minor respondent to take certain actions or to refrain from taking certain actions to ensure that the respondent complies with the order. If the court orders a transfer of the respondent to another school, the parents, guardian, or legal custodian of the respondent is responsible for transportation and other costs associated with the change of school by the respondent.

(4) Counseling. Require or recommend the respondent to undergo counseling for a specified duration with a social worker, psychologist, clinical psychologist, psychiatrist, family service agency, alcohol or substance abuse program, mental health center guidance counselor, agency providing services to elders, program designed for domestic violence abusers, or any other guidance service the court deems appropriate. The court may order the respondent in any intimate partner relationship to report to an Illinois Department of Human Services protocol approved partner abuse intervention program for an assessment and to follow all recommended treatment.

(5) Physical care and possession of the minor child. In order to protect the minor child from abuse, neglect, or unwarranted separation from the person who has been the minor child's primary caretaker, or to otherwise protect the well-being of the minor child, the court may do either or both of the following: (i) grant petitioner physical care or possession of the minor child, or both, or (ii) order respondent to return a minor child to, or not remove a minor child from, the physical care of a parent or person in loco parentis.

If the respondent is charged with abuse (as defined in Section 112A-3 of this Code) of a minor child, there shall be a rebuttable presumption that awarding physical care to respondent would not be in the minor child's best interest.

(6) Temporary allocation of parental responsibilities and significant decision-making responsibilities. Award temporary significant decision-making responsibility to petitioner in accordance with this Section, the Illinois Marriage and Dissolution of Marriage Act, the Illinois Parentage Act of 2015, and this State's Uniform Child-Custody Jurisdiction and Enforcement Act.

If the respondent is charged with abuse (as defined in Section 112A-3 of this Code) of a minor child, there shall be a rebuttable presumption that awarding temporary significant decision-making responsibility to respondent would not be in the child's best interest.

(7) Parenting time. Determine the parenting time, if any, of respondent in any case in which the court awards physical care or temporary significant decision-making responsibility of a minor child to petitioner. The court shall restrict or deny respondent's parenting time with a minor child if the court finds that respondent has done or is likely to do any of the following:

- (i) abuse or endanger the minor child during parenting time;
- (ii) use the parenting time as an opportunity to abuse or harass petitioner or petitioner's family or household members;
- (iii) improperly conceal or detain the minor child; or
- (iv) otherwise act in a manner that is not in the best interests of the minor child.

The court shall not be limited by the standards set forth in Section 603.10 of the Illinois Marriage and Dissolution of Marriage Act. If the court grants parenting time, the order shall specify dates and times for the parenting time to take place or other specific parameters or conditions that are appropriate. No order for parenting time shall refer merely to the term "reasonable parenting time". Petitioner may deny respondent access to the minor child if, when respondent arrives for parenting time, respondent is under the influence of drugs or alcohol and constitutes a threat to the safety and well-being of petitioner or petitioner's minor children or is behaving in a violent or abusive manner. If necessary to protect any member of petitioner's family or household from future abuse, respondent shall be prohibited from coming to petitioner's residence to meet the minor child for parenting time, and the petitioner and respondent shall submit to the court their recommendations for reasonable alternative arrangements for parenting time. A person may be approved to supervise parenting time only after filing an affidavit accepting that responsibility and acknowledging accountability to the court.

(8) Removal or concealment of minor child. Prohibit respondent from removing a minor child from the State or concealing the child within the State.

(9) Order to appear. Order the respondent to appear in court, alone or with a minor child, to prevent abuse, neglect, removal or concealment of the child, to return the child to the custody or care of the petitioner, or to permit any court-ordered interview or examination of the child or the respondent.

(10) Possession of personal property. Grant petitioner exclusive possession of personal property and, if respondent has possession or control, direct respondent to promptly make it available to petitioner, if:

- (i) petitioner, but not respondent, owns the property; or
- (ii) the petitioner and respondent own the property jointly; sharing it would risk abuse of petitioner by respondent or is impracticable; and the balance of hardships favors temporary possession by petitioner.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may award petitioner temporary possession thereof under the standards of subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

No order under this provision shall affect title to property.

(11) Protection of property. Forbid the respondent from taking, transferring, encumbering, concealing, damaging, or otherwise disposing of any real or personal property, except as explicitly authorized by the court, if:

- (i) petitioner, but not respondent, owns the property; or
- (ii) the petitioner and respondent own the property jointly, and the balance of hardships favors granting this remedy.

If petitioner's sole claim to ownership of the property is that it is marital property, the court may grant petitioner relief under subparagraph (ii) of this paragraph only if a proper proceeding has been filed under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended.

The court may further prohibit respondent from improperly using the financial or other resources of an aged member of the family or household for the profit or advantage of respondent or of any other person.

(11.5) Protection of animals. Grant the petitioner the exclusive care, custody, or control of any animal owned, possessed, leased, kept, or held by either the petitioner or the respondent or a minor child residing in the residence or household of either the petitioner or the respondent and order the

respondent to stay away from the animal and forbid the respondent from taking, transferring, encumbering, concealing, harming, or otherwise disposing of the animal.

(12) Order for payment of support. Order respondent to pay temporary support for the petitioner or any child in the petitioner's care or over whom the petitioner has been allocated parental responsibility, when the respondent has a legal obligation to support that person, in accordance with the Illinois Marriage and Dissolution of Marriage Act, which shall govern, among other matters, the amount of support, payment through the clerk and withholding of income to secure payment. An order for child support may be granted to a petitioner with lawful physical care of a child, or an order or agreement for physical care of a child, prior to entry of an order allocating significant decision-making responsibility. Such a support order shall expire upon entry of a valid order allocating parental responsibility differently and vacating petitioner's significant decision-making responsibility unless otherwise provided in the order.

(13) Order for payment of losses. Order respondent to pay petitioner for losses suffered as a direct result of the abuse. Such losses shall include, but not be limited to, medical expenses, lost earnings or other support, repair or replacement of property damaged or taken, reasonable attorney's fees, court costs, and moving or other travel expenses, including additional reasonable expenses for temporary shelter and restaurant meals.

(i) Losses affecting family needs. If a party is entitled to seek maintenance, child support, or property distribution from the other party under the Illinois Marriage and Dissolution of Marriage Act, as now or hereafter amended, the court may order respondent to reimburse petitioner's actual losses, to the extent that such reimbursement would be "appropriate temporary relief", as authorized by subsection (a)(3) of Section 501 of that Act.

(ii) Recovery of expenses. In the case of an improper concealment or removal of a minor child, the court may order respondent to pay the reasonable expenses incurred or to be incurred in the search for and recovery of the minor child, including, but not limited to, legal fees, court costs, private investigator fees, and travel costs.

(14) Prohibition of entry. Prohibit the respondent from entering or remaining in the residence or household while the respondent is under the influence of alcohol or drugs and constitutes a threat to the safety and well-being of the petitioner or the petitioner's children.

(14.5) Prohibition of firearm possession.

(A) A person who is subject to an existing domestic violence order of protection issued under this Code may not lawfully possess weapons or a Firearm Owner's Identification Card under Section 8.2 of the Firearm Owners Identification Card Act.

(B) Any firearms in the possession of the respondent, except as provided in subparagraph (C) of this paragraph (14.5), shall be ordered by the court to be turned over to a person with a valid Firearm Owner's Identification Card for safekeeping. The court shall issue an order that the respondent comply with Section 9.5 of the Firearm Owners Identification Card Act. ~~the respondent's Firearm Owner's Identification Card be turned over to the local law enforcement agency, which in turn shall immediately mail the card to the Department of State Police Firearm Owner's Identification Card Office for safekeeping. The period of safekeeping shall be for the duration of the domestic violence order of protection. The firearm or firearms and Firearm Owner's Identification Card, if unexpired, shall at the respondent's request be returned to the respondent at expiration of the domestic violence order of protection.~~

(C) If the respondent is a peace officer as defined in Section 2-13 of the Criminal Code of 2012, the court shall order that any firearms used by the respondent in the performance of his or her duties as a peace officer be surrendered to the chief law enforcement executive of the agency in which the respondent is employed, who shall retain the firearms for safekeeping for the duration of the domestic violence order of protection.

(D) Upon expiration of the period of safekeeping, if the firearms or Firearm Owner's Identification Card cannot be returned to respondent because respondent cannot be located, fails to respond to requests to retrieve the firearms, or is not lawfully eligible to possess a firearm, upon petition from the local law enforcement agency, the court may order the local law enforcement agency to destroy the firearms, use the firearms for training purposes, or for any other application as deemed appropriate by the local law enforcement agency; or that the firearms be turned over to a third party who is lawfully eligible to possess firearms, and who does not reside with respondent.

(15) Prohibition of access to records. If a domestic violence order of protection prohibits respondent from having contact with the minor child, or if petitioner's address is omitted under subsection (b) of Section 112A-5 of this Code, or if necessary to prevent abuse or wrongful removal or concealment of a minor child, the order shall deny respondent access to, and prohibit respondent from inspecting, obtaining, or attempting to inspect or obtain, school or any other records of the minor child who is in the care of petitioner.

(16) Order for payment of shelter services. Order respondent to reimburse a shelter providing temporary housing and counseling services to the petitioner for the cost of the services, as certified by the shelter and deemed reasonable by the court.

(17) Order for injunctive relief. Enter injunctive relief necessary or appropriate to prevent further abuse of a family or household member or to effectuate one of the granted remedies, if supported by the balance of hardships. If the harm to be prevented by the injunction is abuse or any other harm that one of the remedies listed in paragraphs (1) through (16) of this subsection is designed to prevent, no further evidence is necessary to establish that the harm is an irreparable injury.

(18) Telephone services.

(A) Unless a condition described in subparagraph (B) of this paragraph exists, the court may, upon request by the petitioner, order a wireless telephone service provider to transfer to the petitioner the right to continue to use a telephone number or numbers indicated by the petitioner and the financial responsibility associated with the number or numbers, as set forth in subparagraph (C) of this paragraph. In this paragraph (18), the term "wireless telephone service provider" means a provider of commercial mobile service as defined in 47 U.S.C. 332. The petitioner may request the transfer of each telephone number that the petitioner, or a minor child in his or her custody, uses. The clerk of the court shall serve the order on the wireless telephone service provider's agent for service of process provided to the Illinois Commerce Commission. The order shall contain all of the following:

(i) The name and billing telephone number of the account holder including the name of the wireless telephone service provider that serves the account.

(ii) Each telephone number that will be transferred.

(iii) A statement that the provider transfers to the petitioner all financial responsibility for and right to the use of any telephone number transferred under this paragraph.

(B) A wireless telephone service provider shall terminate the respondent's use of, and shall transfer to the petitioner use of, the telephone number or numbers indicated in subparagraph (A) of this paragraph unless it notifies the petitioner, within 72 hours after it receives the order, that one of the following applies:

(i) The account holder named in the order has terminated the account.

(ii) A difference in network technology would prevent or impair the functionality of a device on a network if the transfer occurs.

(iii) The transfer would cause a geographic or other limitation on network or service provision to the petitioner.

(iv) Another technological or operational issue would prevent or impair the use of the telephone number if the transfer occurs.

(C) The petitioner assumes all financial responsibility for and right to the use of any telephone number transferred under this paragraph. In this paragraph, "financial responsibility" includes monthly service costs and costs associated with any mobile device associated with the number.

(D) A wireless telephone service provider may apply to the petitioner its routine and customary requirements for establishing an account or transferring a number, including requiring the petitioner to provide proof of identification, financial information, and customer preferences.

(E) Except for willful or wanton misconduct, a wireless telephone service provider is immune from civil liability for its actions taken in compliance with a court order issued under this paragraph.

(F) All wireless service providers that provide services to residential customers shall provide to the Illinois Commerce Commission the name and address of an agent for service of

orders entered under this paragraph (18). Any change in status of the registered agent must be reported to the Illinois Commerce Commission within 30 days of such change.

(G) The Illinois Commerce Commission shall maintain the list of registered agents for service for each wireless telephone service provider on the Commission's website. The Commission may consult with wireless telephone service providers and the Circuit Court Clerks on the manner in which this information is provided and displayed.

(c) Relevant factors; findings.

(1) In determining whether to grant a specific remedy, other than payment of support, the court shall consider relevant factors, including, but not limited to, the following:

(i) the nature, frequency, severity, pattern, and consequences of the respondent's past abuse of the petitioner or any family or household member, including the concealment of his or her location in order to evade service of process or notice, and the likelihood of danger of future abuse to petitioner or any member of petitioner's or respondent's family or household; and

(ii) the danger that any minor child will be abused or neglected or improperly relocated from the jurisdiction, improperly concealed within the State, or improperly separated from the child's primary caretaker.

(2) In comparing relative hardships resulting to the parties from loss of possession of the family home, the court shall consider relevant factors, including, but not limited to, the following:

(i) availability, accessibility, cost, safety, adequacy, location, and other characteristics of alternate housing for each party and any minor child or dependent adult in the party's care;

(ii) the effect on the party's employment; and

(iii) the effect on the relationship of the party, and any minor child or dependent adult in the party's care, to family, school, church, and community.

(3) Subject to the exceptions set forth in paragraph (4) of this subsection (c), the court shall make its findings in an official record or in writing, and shall at a minimum set forth the following:

(i) That the court has considered the applicable relevant factors described in paragraphs (1) and (2) of this subsection (c).

(ii) Whether the conduct or actions of respondent, unless prohibited, will likely cause irreparable harm or continued abuse.

(iii) Whether it is necessary to grant the requested relief in order to protect petitioner or other alleged abused persons.

(4) (Blank).

(5) Never married parties. No rights or responsibilities for a minor child born outside of marriage attach to a putative father until a father and child relationship has been established under the Illinois Parentage Act of 1984, the Illinois Parentage Act of 2015, the Illinois Public Aid Code, Section 12 of the Vital Records Act, the Juvenile Court Act of 1987, the Probate Act of 1975, the Uniform Interstate Family Support Act, the Expedited Child Support Act of 1990, any judicial, administrative, or other act of another state or territory, any other statute of this State, or by any foreign nation establishing the father and child relationship, any other proceeding substantially in conformity with the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, or when both parties appeared in open court or at an administrative hearing acknowledging under oath or admitting by affirmation the existence of a father and child relationship. Absent such an adjudication, no putative father shall be granted temporary allocation of parental responsibilities, including parenting time with the minor child, or physical care and possession of the minor child, nor shall an order of payment for support of the minor child be entered.

(d) Balance of hardships; findings. If the court finds that the balance of hardships does not support the granting of a remedy governed by paragraph (2), (3), (10), (11), or (16) of subsection (b) of this Section, which may require such balancing, the court's findings shall so indicate and shall include a finding as to whether granting the remedy will result in hardship to respondent that would substantially outweigh the hardship to petitioner from denial of the remedy. The findings shall be an official record or in writing.

(e) Denial of remedies. Denial of any remedy shall not be based, in whole or in part, on evidence that:

(1) respondent has cause for any use of force, unless that cause satisfies the standards for justifiable use of force provided by Article 7 of the Criminal Code of 2012;

(2) respondent was voluntarily intoxicated;

(3) petitioner acted in self-defense or defense of another, provided that, if petitioner utilized force, such force was justifiable under Article 7 of the Criminal Code of 2012;

- (4) petitioner did not act in self-defense or defense of another;
- (5) petitioner left the residence or household to avoid further abuse by respondent;
- (6) petitioner did not leave the residence or household to avoid further abuse by respondent; or
- (7) conduct by any family or household member excused the abuse by respondent, unless that same conduct would have excused such abuse if the parties had not been family or household members.

**AMENDMENT NO. 3 TO SENATE BILL 815**

AMENDMENT NO. 3. Amend Senate Bill 815, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Commission on Equitable Public University Funding Act.

Section 5. Findings. The General Assembly finds all of the following:

[May 31, 2021]

(1) Historical and continued systemic racism has created significant disparities in college access, affordability, and completion for Black, Latinx, and other underrepresented and historically underserved students in this State.

(2) Improvements in postsecondary access, completion, and success rates are required in order to meet State goals for equity in attainment and will require further investments in the higher education system to support historically underrepresented and underserved groups, including Black, Latinx, and low-income students in particular.

(3) This State's approach to funding education has contributed to racial and socioeconomic inequities in access to resources and educational outcomes.

(4) Great strides have been made in this State in addressing inequity in funding the kindergarten through grade 12 public school system, including the adoption of an evidence-based funding formula, which has resulted in new funds being targeted to the highest-need districts.

(5) Adequate, equitable, and stable investment in higher education is the key to ensuring that every institution of higher education can provide adequate academic, financial, and social-emotional support and services that improve persistence and completion.

(6) In this State, higher education appropriations have effectively been cut in half since fiscal year 2002. Institutions of higher education serving higher percentages of Black students are more reliant on State funds and have been disproportionately harmed by this disinvestment in higher education.

(7) As a result of historic underfunding and level cuts to institutions of higher education, this State's public universities have needed to increase tuition to make up the funding shortfalls.

(8) Combined with the high cost of college and insufficient State financial aid, racial income and wealth disparities caused by structural racism contribute to the accumulation of student debt and make college enrollment and persistence more challenging for Black and Latinx students.

(9) Despite similar numbers of Black high school graduates, about 25,000 fewer Black students enrolled in institutions of higher education in this State in 2018 compared to 2008.

(10) State appropriations make it possible for colleges to provide essential academic services, social-emotional support and services, and institutional aid to students to improve student persistence and completion.

(11) This State must strategically invest in higher education to address wide disparities in degree completion. Public community colleges currently graduate Black and Latinx students at a rate of 14% and 26% within 3 years, respectively, compared to 38% of white students. At public universities, Black and Latinx students currently graduate at a rate of 34% and 49%, respectively, compared to 66% of white students, within 6 years.

(12) This State has a moral obligation and economic interest in dismantling and reforming structures that create or exacerbate racial and socioeconomic inequities in higher education.

(13) This State benefits from a public higher education system that receives adequate and stable resources for student success and that strategically uses those resources to maximize the potential of each public institution of higher education and to maximize the benefits to this State, including, but not limited to, improved college access and attainment and higher median wages for all residents, reduced income inequalities, improved economic output and innovation, increased access and engagement in world-class research opportunities, and improved college enrollment, persistence, and completion of underrepresented and historically underserved students, including Black and Latinx students and students from low-income families.

Section 10. Commission on Equitable Public University Funding; purpose.

(a) There is created the Commission on Equitable Public University Funding.

(b) The purpose of the Commission is to, at a minimum, recommend specific data-driven criteria and approaches to the General Assembly to adequately, equitably, and stably fund public universities in this State and to evaluate the existing funding methods used for public universities.

Section 15. Membership; administrative support; compensation.

(a) The membership of the Commission shall include, at a minimum:

(1) One member of the Senate appointed by the President of the Senate, who shall serve as co-chairperson.

(2) One member of the House of Representatives appointed by the Speaker of the House of Representatives, who shall serve as co-chairperson.

(3) The chairperson of the Board of Higher Education or a designee, who shall serve as co-chairperson.

(4) One member appointed by the Governor, who shall serve as co-chairperson.

(5) One member of the Senate appointed by the Minority Leader of the Senate.

(6) One member of the House of Representatives appointed by the Minority Leader of the House of Representatives.

(7) The chairperson of the Illinois Student Assistance Commission or a designee.

(8) The chairperson of the Higher Education Committee of the House of Representatives or a designee.

(9) The chairperson of the Higher Education Committee of the Senate or a designee.

(10) Twelve members representing the public universities in this State each appointed by the President of each public university.

(11) One member representing a higher education advocacy organization focused on eliminating disparities in college completion in this State for low-income and first-generation college students and students of color appointed by the Board of Higher Education.

(12) One member representing a statewide advocacy organization focused on improving educational and employment opportunities for women and adults appointed by the Board of Higher Education.

(13) One member representing a statewide advocacy organization focused on developing an equitable birth-to-career educational system appointed by the Board of Higher Education.

(14) One member representing a statewide organization that advocates for alternative education and bridge programs and the re-enrollment of students in this State appointed by the Board of Higher Education.

(15) One member representing a fiscal policy research organization focused on the impact that State-level budget and tax policies have on equitable education funding solutions appointed by the Board of Higher Education.

(16) Two members representing an organization that advocates on behalf of public university faculty members who are each employed by a different university appointed by the Board of Higher Education.

(17) One health care expert from the public higher education arena appointed by the Board of Higher Education, in consultation with the presidents and chancellors of the public universities.

(18) One member who has legal expertise in higher education funding and finance appointed by the Board of Higher Education.

(19) One postsecondary student enrolled at a public university in this State appointed by the Board of Higher Education.

(b) The Board of Higher Education shall recognize and consider the representation of underrepresented and historically underserved groups, including those who are Black, Latinx, or from low-income families, and the racial and geographical diversity of this State when making appointments to the Commission.

(c) The co-chairpersons may identify and invite experts to speak to the Commission on issues, including, but not limited to, higher education funding, finance, health care, and research and development.

(d) The Board of Higher Education shall provide administrative support to the Commission, including any related workgroups, and shall be responsible for administering the Commission's operations and ensuring that the requirements of this Act are met.

(e) The members of the Commission shall serve without compensation for their services as members of the Commission.

#### Section 20. Meetings; reports.

(a) The Commission shall meet at least once per quarter beginning no later than October 15, 2021.

(b) On or before July 1, 2023, the Commission shall deliver to the General Assembly and publish on the Board of Higher Education's Internet website or otherwise make publicly available a report on the Commission's recommendations, including specific criteria and funding approaches in accordance with all applicable laws, to establish an equity-based funding model for the allocation of State funds to public

universities. The recommendations included in the report must be equity-centered and consider all of the following areas:

(1) Remediating inequities in funding that have led to disparities in access, affordability, and completion for underrepresented and historically underserved student groups, including students who are Black, Latinx, or from low-income families.

(2) Ensuring that this State adequately, equitably, and stably funds public institutions of higher education in a manner that recognizes historical and current inequities impacting underrepresented minorities' higher education access and completion.

(3) Providing incentives to all 4-year institutions of higher education in this State to enroll underrepresented and historically underserved student groups, including students who are Black, Latinx, or from low-income families, in proportion to the diversity of this State's population.

(4) Allowing ongoing monitoring and continuous improvement of the public university funding models by requiring transparency and accountability in how State appropriations are expended and identifying a mechanism to study and review the implementation of any funding model developed and the long-term implications of this Act.

(5) Creating guidelines for how funding is distributed during times of significant economic hardship, as defined by the Commission, so that public institutions of higher education are able to adequately, equitably, and stably serve students.

(6) Ensuring that this State adequately and stably funds public institutions of higher education that serve underrepresented and historically underserved student groups, including students who are Black, Latinx, or from low-income families, and graduate and professional students, including doctors, dentists, pharmacists, and veterinarians.

(7) Supporting the diverse individual mission of each public university, including its commitment to research and health care enterprises that serve and enhance the well-being of the residents of this State.

(8) Fostering the economic activity and innovation generated by a university's activities, while recognizing the impact historic funding inequities may have had on the university's activities.

(9) Taking into consideration the percentage of institutional aid provided from an institution's annual budget.

(10) Taking into consideration the number of undergraduate students engaged in research at each university.

(11) Supporting institutional efforts to recruit and retain world-class faculty and university leaders.

(12) Ensuring stable and adequate funding for all institutions and that all universities are held harmless to their current funding level. The Commission may consider and report approaches to and the impact of a hold harmless funding provision for institutions of higher education as part of its final recommendations.

(13) Taking into consideration the long-term implications and outcomes of the funding systems.

The recommendations must fulfill the principles established by the Board of Higher Education's Strategic Plan. The recommendations may also be informed by the data-driven findings and recommendations established by the Chicago State University Equity Working Group and other groups researching equity in higher education and higher education funding and be aligned to this State's postsecondary attainment goal and related equity targets.

Section 25. Compliance. Notwithstanding any other law or provision to the contrary, all public institutions of higher education and State agencies regulating public institutions of higher education shall furnish such data and information to the Commission as the Commission deems necessary to fulfill the requirements of this Act.

Section 99. Effective date. This Act takes effect upon becoming law."

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 1697

A bill for AN ACT concerning finance.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 3 to SENATE BILL NO. 1697

Passed the House, as amended, May 31, 2021.

JOHN W. HOLLMAN, Clerk of the House

**AMENDMENT NO. 3 TO SENATE BILL 1697**

AMENDMENT NO. 3. Amend Senate Bill 1697 by replacing everything after the enacting clause with the following:

"Section 5. The Grant Accountability and Transparency Act is amended by changing Sections 20, 25, and 45 as follows:

(30 ILCS 708/20)

Sec. 20. Adoption of federal rules applicable to grants.

(a) On or before July 1, 2016, the Governor's Office of Management and Budget, with the advice and technical assistance of the Illinois Single Audit Commission, shall adopt rules which adopt the Uniform Guidance at 2 CFR 200. The rules, which shall apply to all State and federal pass-through awards effective on and after July 1, 2016, shall include the following:

[May 31, 2021]

(1) Administrative requirements. In accordance with Subparts B through D of 2 CFR 200, the rules shall set forth the uniform administrative requirements for grant and cooperative agreements, including the requirements for the management by State awarding agencies of federal grant programs before State and federal pass-through awards have been made and requirements that State awarding agencies may impose on non-federal entities in State and federal pass-through awards.

(2) Cost principles. In accordance with Subpart E of 2 CFR 200, the rules shall establish principles for determining the allowable costs incurred by non-federal entities under State and federal pass-through awards. The principles are intended for cost determination, but are not intended to identify the circumstances or dictate the extent of State or federal pass-through participation in financing a particular program or project. The principles shall provide that State and federal awards bear their fair share of cost recognized under these principles, except where restricted or prohibited by State or federal law.

(3) Audit and single audit requirements and audit follow-up. In accordance with Subpart F of 2 CFR 200 and the federal Single Audit Act Amendments of 1996, the rules shall set forth standards to obtain consistency and uniformity among State and federal pass-through awarding agencies for the audit of non-federal entities expending State and federal awards. These provisions shall also set forth the policies and procedures for State and federal pass-through entities when using the results of these audits.

The provisions of this item (3) do not apply to for-profit subrecipients because for-profit subrecipients are not subject to the requirements of 2 CFR 200, Subpart F, Audits of States, Local and Non-Profit Organizations. Audits of for-profit subrecipients must be conducted pursuant to a Program Audit Guide issued by the Federal awarding agency. If a Program Audit Guide is not available, the State awarding agency must prepare a Program Audit Guide in accordance with the 2 CFR 200, Subpart F – Audit Requirements - Compliance Supplement. For-profit entities are subject to all other general administrative requirements and cost principles applicable to grants.

(b) This Act addresses only State and federal pass-through auditing functions and does not address the external audit function of the Auditor General.

(c) For public institutions of higher education, the provisions of this Section apply only to awards funded by ~~State appropriations and~~ federal pass-through awards from a State agency to public institutions of higher education. Federal pass-through awards from a State agency to public institutions of higher education are governed by and must comply with federal guidelines under 2 CFR 200.

(d) The State grant-making agency is responsible for establishing requirements, as necessary, to ensure compliance by for-profit subrecipients. The agreement with the for-profit subrecipient shall describe the applicable compliance requirements and the for-profit subrecipient's compliance responsibility. Methods to ensure compliance for State and federal pass-through awards made to for-profit subrecipients shall include pre-award, audits, monitoring during the agreement, and post-award audits. The Governor's Office of Management and Budget shall provide such advice and technical assistance to the State grant-making agency as is necessary or indicated.

- (1) Criteria to define mandatory formula-based grants and discretionary grants.
- (2) The award of one-year grants for new applicants.
- (3) The award of competitive grants in 3-year terms (one-year initial terms with the option to renew for up to 2 additional years) to coincide with the federal award.

  - (F) pre-award costs;

(G) performance measures and statewide prioritized goals under Section 50-25 of the State Budget Law of the Civil Administrative Code of Illinois, commonly referred to as "Budgeting for Results"; and

(H) for mandatory formula grants, the merit of the proposal and the risk posed should result in additional reporting, monitoring, or measures such as reimbursement-basis only.

(5) The development of uniform budget requirements, which shall include:

(A) mandatory submission of budgets as part of the grant application process;

(30 ILCS 708/45)

Sec. 45. Applicability.

(a) Except as otherwise provided in this Section, the requirements established under this Act apply to State grant-making agencies that make State and federal pass-through awards to non-federal entities. These requirements apply to all costs related to State and federal pass-through awards. The requirements established under this Act do not apply to private awards, to allocations of State revenues paid over by the Comptroller to units of local government and other taxing districts pursuant to the State Revenue Sharing Act from the Local Government Distributive Fund or the Personal Property Tax Replacement Fund, or to allotments of State motor fuel tax revenues distributed by the Department of Transportation to units of local government pursuant to the Motor Fuel Tax Law from the Motor Fuel Tax Fund or the Transportation Renewal Fund.

(a-5) Nothing in this Act shall prohibit the use of State funds for purposes of federal match or maintenance of effort.

(b) The terms and conditions of State, federal, and pass-through awards apply to subawards and subrecipients unless a particular Section of this Act or the terms and conditions of the State or federal award specifically indicate otherwise. Non-federal entities shall comply with requirements of this Act regardless of whether the non-federal entity is a recipient or subrecipient of a State or federal pass-through award. Pass-through entities shall comply with the requirements set forth under the rules adopted under subsection (a) of Section 20 of this Act, but not to any requirements in this Act directed towards State or federal awarding agencies, unless the requirements of the State or federal awards indicate otherwise.

When a non-federal entity is awarded a cost-reimbursement contract, only 2 CFR 200.330 through 200.332 are incorporated by reference into the contract. However, when the Cost Accounting Standards are applicable to the contract, they take precedence over the requirements of this Act unless they are in conflict with Subpart F of 2 CFR 200. In addition, costs that are made unallowable under 10 U.S.C. 2324(e) and 41 U.S.C. 4304(a), as described in the Federal Acquisition Regulations, subpart 31.2 and subpart 31.603, are always unallowable. For requirements other than those covered in Subpart D of 2 CFR 200.330 through 200.332, the terms of the contract and the Federal Acquisition Regulations apply.

With the exception of Subpart F of 2 CFR 200, which is required by the Single Audit Act, in any circumstances where the provisions of federal statutes or regulations differ from the provisions of this Act, the provision of the federal statutes or regulations govern. This includes, for agreements with Indian tribes, the provisions of the Indian Self-Determination and Education and Assistance Act, as amended, 25 U.S.C. 450-458ddd-2.

(c) State grant-making agencies may apply subparts A through E of 2 CFR 200 to for-profit entities, foreign public entities, or foreign organizations, except where the awarding agency determines that the application of these subparts would be inconsistent with the international obligations of the United States or the statute or regulations of a foreign government.

(d) 2 CFR 200.101 specifies how 2 CFR 200 is applicable to different types of awards. The same applicability applies to this Act.

(e) (Blank).

(f) For public institutions of higher education, the provisions of this Act apply only to awards funded by ~~State appropriations and~~ federal pass-through awards from a State agency to public institutions of higher education. This Act shall recognize provisions in 2 CFR 200 as applicable to public institutions of higher education, including Appendix III of Part 200 and the cost principles under Subpart E.

(g) Each grant-making agency shall enhance its processes to monitor and address noncompliance with reporting requirements and with program performance standards. Where applicable, the process may include a corrective action plan. The monitoring process shall include a plan for tracking and documenting performance-based contracting decisions.

Section 10. The Downstate Public Transportation Act is amended by changing Sections 2-3, 2-4, 2-5, 2-5.1, 2-7, 2-9, 2-10, 2-11, 2-12, 2-13, 2-14, 2-15.2, 2-15.3, and 2-17 as follows:

(30 ILCS 740/2-3) (from Ch. 111 2/3, par. 663)

Sec. 2-3. (a) As soon as possible after the first day of each month, beginning July 1, 1984, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the Downstate Public Transportation Fund, an amount equal to 2/32 (beginning July 1, 2005, 3/32) of the net revenue realized from the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of each participant, other than any Metro-East Transit District participant certified pursuant to subsection (c) of this Section during the preceding month, except that the Department shall pay into the Downstate Public Transportation Fund 2/32 (beginning July 1, 2005, 3/32) of 80% of the net revenue realized under the State tax Acts named above within any municipality or county located wholly within the boundaries of each participant, other than any Metro-East participant, for tax periods beginning on or after January 1, 1990. Net revenue realized for a month shall be the revenue collected by the State pursuant to such Acts during the previous month from persons incurring municipal or county retailers' or service occupation tax liability for the benefit of any municipality or county located wholly within the boundaries of a participant, less the amount paid out during that same month as refunds or credit memoranda to taxpayers for overpayment of liability under such Acts for the benefit of any municipality or county located wholly within the boundaries of a participant.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (a) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b) As soon as possible after the first day of each month, beginning July 1, 1989, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from

the General Revenue Fund to a special fund in the State Treasury which is hereby created, to be known as the Metro-East Public Transportation Fund, an amount equal to 2/32 of the net revenue realized, as above, from within the boundaries of Madison, Monroe, and St. Clair Counties, except that the Department shall pay into the Metro-East Public Transportation Fund 2/32 of 80% of the net revenue realized under the State tax Acts specified in subsection (a) of this Section within the boundaries of Madison, Monroe and St. Clair Counties for tax periods beginning on or after January 1, 1990. A local match equivalent to an amount which could be raised by a tax levy at the rate of .05% on the assessed value of property within the boundaries of Madison County is required annually to cause a total of 2/32 of the net revenue to be deposited in the Metro-East Public Transportation Fund. Failure to raise the required local match annually shall result in only 1/32 being deposited into the Metro-East Public Transportation Fund after July 1, 1989, or 1/32 of 80% of the net revenue realized for tax periods beginning on or after January 1, 1990.

(b-5) As soon as possible after the first day of each month, beginning July 1, 2005, upon certification of the Department of Revenue, the Comptroller shall order transferred, and the Treasurer shall transfer, from the General Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Monroe and St. Clair Counties under the State Tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2005, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Monroe and St. Clair Counties.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-5) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b-6) As soon as possible after the first day of each month, beginning July 1, 2008, upon certification by the Department of Revenue, the Comptroller shall order transferred and the Treasurer shall transfer, from the General Revenue Fund to the Downstate Public Transportation Fund, an amount equal to 3/32 of 80% of the net revenue realized from within the boundaries of Madison County under the State Tax Acts specified in subsection (a) of this Section and provided further that, beginning July 1, 2008, the provisions of subsection (b) shall no longer apply with respect to such tax receipts from Madison County.

Notwithstanding any provision of law to the contrary, beginning on July 6, 2017 (the effective date of Public Act 100-23), those amounts required under this subsection (b-6) to be transferred by the Treasurer into the Downstate Public Transportation Fund from the General Revenue Fund shall be directly deposited into the Downstate Public Transportation Fund as the revenues are realized from the taxes indicated.

(b-7) Beginning July 1, 2018, notwithstanding the other provisions of this Section, instead of the Comptroller making monthly transfers from the General Revenue Fund to the Downstate Public Transportation Fund, the Department of Revenue shall deposit the designated fraction of the net revenue realized from collections under the Retailers' Occupation Tax Act, the Service Occupation Tax Act, the Use Tax Act, and the Service Use Tax Act directly into the Downstate Public Transportation Fund.

(c) The Department shall certify to the Department of Revenue the eligible participants under this Article and the territorial boundaries of such participants for the purposes of the Department of Revenue in subsections (a) and (b) of this Section.

(d) For the purposes of this Article, beginning in fiscal year 2009 the General Assembly shall appropriate an amount from the Downstate Public Transportation Fund equal to the sum total of funds projected to be paid to the participants pursuant to Section 2-7. If the General Assembly fails to make appropriations sufficient to cover the amounts projected to be paid pursuant to Section 2-7, this Act shall constitute an irrevocable and continuing appropriation from the Downstate Public Transportation Fund of all amounts necessary for those purposes.

(e) (Blank).

(f) (Blank).

(g) (Blank).

(h) For State fiscal year 2020 only, notwithstanding any provision of law to the contrary, the total amount of revenue and deposits under this Section attributable to revenues realized during State fiscal year 2020 shall be reduced by 5%.

(i) For State fiscal year 2021 only, notwithstanding any provision of law to the contrary, the total amount of revenue and deposits under this Section attributable to revenues realized during State fiscal year 2021 shall be reduced by 5%.

(j) Commencing with State fiscal year 2022 programs, and for each fiscal year thereafter, all appropriations made under the provisions of this Act shall not constitute a grant program subject to the requirements of the Grant Accountability and Transparency Act. The Department shall approve programs of proposed expenditures and services submitted by participants under the requirements of Sections 2-5 and 2-11.

The Department shall, upon receipt of the quarterly report, determine whether the operating deficits were incurred in conformity with the program of proposed expenditures and services approved by the Department pursuant to Section 2-11. Any Metro-East District may either monthly or quarterly for any fiscal year file a request for the participant's eligible share, as allocated in accordance with Section 2-6, of the amounts transferred into the Metro-East Public Transportation Fund.

(b) Each participant other than any Metro-East Transit District participant shall, 30 days before the end of each quarter, file with the Department on forms provided by the Department for such purposes a report of the projected eligible operating expenses to be incurred in the next quarter and 30 days before the third and fourth quarters of any fiscal year a statement of actual eligible operating expenses incurred in the preceding quarters. Except as otherwise provided in subsection (b-5), within 45 days of receipt by the Department of such quarterly report, the Comptroller shall order paid and the Treasurer shall pay from the Downstate Public Transportation Fund to each participant an amount equal to one-third of such participant's eligible operating expenses; provided, however, that in Fiscal Year 1997, the amount paid to each participant from the Downstate Public Transportation Fund shall be an amount equal to 47% of such participant's eligible operating expenses and shall be increased to 49% in Fiscal Year 1998, 51% in Fiscal Year 1999, 53% in Fiscal Year 2000, 55% in Fiscal Years 2001 through 2007, and 65% in Fiscal Year 2008 and thereafter; however, in any year that a participant receives funding under subsection (i) of Section 2705-305

(b-15) Beginning on July 1, 2007, and for each fiscal year thereafter, each participant shall maintain a minimum local share contribution (from farebox and all other local revenues) equal to the actual amount provided in Fiscal Year 2006 or, for new recipients, an amount equivalent to the local share provided in the first year of participation. Any such contiguous-area service provided by a participant after July 1, 2007 must meet the requirements of subsection (a) of Section 2-5.1.

(c) No later than 180 days following the last day of the Fiscal Year each participant shall provide the Department with an audit prepared by a Certified Public Accountant covering that Fiscal Year. Sec. 4A-108. Internet-based systems of filing.

(a) Notwithstanding any other provision of this Act or any other law, the Secretary of State and county clerks are authorized to institute an Internet-based system for the filing of statements of economic interests in their offices. With respect to county clerk systems, the determination to institute such a system shall be in the sole discretion of the county clerk and shall meet the requirements set out in this Section. With respect to a Secretary of State system, the determination to institute such a system shall be in the sole discretion of the Secretary of State and shall meet the requirements set out in this Section and those Sections of the State Officials and Employees Ethics Act requiring ethics officer review prior to filing. The system shall be capable of allowing an ethics officer to approve a statement of economic interests and shall include a means to amend a statement of economic interests. When this Section does not modify or remove the requirements set forth elsewhere in this Article, those requirements shall apply to any system of Internet-based filing authorized by this Section. When this Section does modify or remove the requirements set forth elsewhere in this Article, the provisions of this Section shall apply to any system of Internet-based filing authorized by this Section.

(b) In any system of Internet-based filing of statements of economic interests instituted by the Secretary of State or a county clerk:

(1) Any filing of an Internet-based statement of economic interests shall be the equivalent of the filing of a verified, written statement of economic interests as required by Section 4A-101 or 4A-101.5 and the equivalent of the filing of a verified, dated, and signed statement of economic interests as required by Section 4A-103 ~~4A-104~~.

(2) The Secretary of State and county clerks who institute a system of Internet-based filing of statements of economic interests shall establish a password-protected website to receive the filings of such statements. A website established under this Section shall set forth and provide a means of responding to the items set forth in Section 4A-103 ~~4A-102~~ that are required of a person who files a statement of economic interests with that officer. A website established under this Section shall set forth and provide a means of generating a printable receipt page acknowledging filing.

(3) The times for the filing of statements of economic interests set forth in Section 4A-105 shall be followed in any system of Internet-based filing of statements of economic interests; provided that a

candidate for elective office who is required to file a statement of economic interests in relation to his or her candidacy pursuant to Section 4A-105(a) shall receive a written or printed receipt for his or her filing.

A candidate filing for Governor, Lieutenant Governor, Attorney General, Secretary of State, Treasurer, Comptroller, State Senate, ~~or~~ State House of Representatives, Supreme Court Justice, appellate court judge, circuit court judge, or judicial retention shall not use the Internet to file his or her statement of economic interests, but shall file his or her statement of economic interests in a written or printed form and shall receive a written or printed receipt for his or her filing. Annually, the duly appointed ethics officer for each legislative caucus shall certify to the Secretary of State whether his or her caucus members will file their statements of economic interests electronically or in a written or printed format for that year. If no certification is made by an ethics officer for a legislative caucus, or if a member of the General Assembly is not affiliated with a legislative caucus, then the affected member or members of the General Assembly may file their statements of economic interests using the Internet.

(4) In the first year of the implementation of a system of Internet-based filing of statements of economic interests, each person required to file such a statement is to be notified in writing of his or her obligation to file his or her statement of economic interests by way of the Internet-based system. If access to the website ~~web site~~ requires a code or password, this information shall be included in the notice prescribed by this paragraph.

(5) When a person required to file a statement of economic interests has supplied the Secretary of State or a county clerk, as applicable, with an email address for the purpose of receiving notices under this Article by email, a notice sent by email to the supplied email address shall be the equivalent of a notice sent by first class mail, as set forth in Section 4A-106 or 4A-106.5. A person who has supplied such an email address shall notify the Secretary of State or county clerk, as applicable, when his or her email address changes or if he or she no longer wishes to receive notices by email.

(6) If any person who is required to file a statement of economic interests and who has chosen to receive notices by email fails to file his or her statement by May 10, then the Secretary of State or county clerk, as applicable, shall send an additional email notice on that date, informing the person that he or she has not filed and describing the penalties for late filing and failing to file. This notice shall be in addition to other notices provided for in this Article.

(7) The Secretary of State and each county clerk who institutes a system of Internet-based filing of statements of economic interests may also institute an Internet-based process for the filing of the list of names and addresses of persons required to file statements of economic interests by the chief administrative officers that must file such information with the Secretary of State or county clerk, as applicable, pursuant to Section 4A-106 or 4A-106.5. (8) The Secretary of State and any county clerk who institutes a system of Internet-based filing of statements of economic interests shall post the contents of such statements filed with him or her available for inspection and copying on a publicly accessible website.
