on page 3, below line 24, by inserting the following:

"(625 ILCS 5/11-602) (from Ch. 95 1/2, par. 11-602)

Sec. 11-602. Alteration of limits by Department. Whenever the Department determines, upon the basis of an engineering and traffic investigation concerning any highway for which the Department has maintenance responsibility, that a maximum speed limit prescribed in Section 11-601 of this Chapter is greater or less than is reasonable or safe with respect to the conditions found to exist at any intersection or other place on such highway or along any part or zone thereof, the Department shall determine and declare a reasonable and safe absolute maximum speed limit applicable to such intersection or place, or along such part or zone. However, such limit shall not exceed 65 miles per hour, ~~or 55 miles per hour for a second division vehicle designed or used for the carrying of a gross weight of 8,001 pounds or more (including the weight of the vehicle and maximum load),~~ on a highway or street which is especially designed for through traffic and to, from, or over which owners of or persons having an interest in abutting property or other persons have no right or easement, or only a limited right or easement, of access, crossing, light, air, or view, and shall not exceed 55 miles per hour on any other highway. Where a highway under the Department's jurisdiction is contiguous to school property, the Department may, at the school district's request, set a reduced maximum speed limit for student safety purposes in the portion of the highway that faces the school property and in the portions of the highway that extend one-quarter mile in each direction from the opposite ends of the school property. A limit determined and declared as provided in this Section becomes effective, and suspends the applicability of the limit prescribed in Section 11-601 of this Chapter, when appropriate signs giving notice of the limit are erected at such intersection or other place, or along such part or zone of the highway. Electronic speed-detecting devices shall not be used within 500 feet beyond any such sign in the direction of travel; if so used in violation hereof, evidence obtained thereby shall be inadmissible in any prosecution for speeding. However, nothing in this Section prohibits the use of such electronic speed-detecting devices within 500 feet of a sign within a special school speed zone indicating such zone, conforming to the requirements of Section 11-605 of this Act, nor shall evidence obtained thereby be inadmissible in any prosecution for speeding provided the use of such device shall apply only to the enforcement of the speed limit in such special school speed zone. PRESENTATION OF RESOLUTIONS

Senator Demuzio offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 88

WHEREAS, The U.S. Congress amended title II of the Social Security Act in 1977 to enact the Government Pension Offset and in 1983 to enact the Windfall Elimination Provision; and

WHEREAS, The majority of public employees affected by the Government Pension Offset lost their entire spousal benefit despite the fact that their spouses paid Social Security contributions for many years; and

WHEREAS, The Windfall Elimination Provision causes public employees to lose up to 60% of the benefits that they earned; and

WHEREAS, According to the Social Security Administration's actuaries, the long-term cost of eliminating both of these provisions is negligible while the loss of income to affected employees caused by these provisions forces some civil servants into poverty; and

WHEREAS, These provisions discriminate against teachers, police, firefighters, social workers, and other civil servants; and

WHEREAS, The State and national shortage of teachers, police officers, and firefighters is exacerbated by these provisions because they discourage people from entering and staying in these professions; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the U.S. Congress to pass legislation that eliminates both the Government Pension Offset and the Windfall Elimination Provision; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the President pro tempore of the U.S. Senate, the Speaker of the U.S. House of Representatives, and each member of the Illinois Congressional delegation.

Senators Harmon – Hendon offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 89

WHEREAS, The United States of America was the victim of a massive and unprovoked terrorist attack on September 11, 2001; and

WHEREAS, The terrorist attack of September 11, 2001 was orchestrated by Osama bin Laden and the al Qaeda terrorist network; and

WHEREAS, Osama bin Laden and the al Qaeda terrorist network are also responsible for horrible acts of treachery and murder against American citizens in Yemen, Tanzania, and Kenya; and

WHEREAS, The oppressive Taliban regime of Afghanistan harbored Osama bin Laden and the leadership of the al Qaeda terrorist network, and the Taliban regime of Afghanistan refused to disavow and turn over to the United States government Osama bin Laden and the leadership of the al Qaeda terrorist network responsible for the September 11, 2001 attack; and

[March 8, 2007]

WHEREAS, With the strong support of the people of the United States, including the people of Illinois, the United States Armed Forces pursued Osama bin Laden and the al Qaeda terrorist network in Afghanistan and toppled the Taliban regime; and

WHEREAS, Through the dedicated efforts of the United States Armed Forces and as a direct result of the fall of the Taliban regime, a democratically elected government emerged in Afghanistan; and

WHEREAS, The President of the United States and members of the United States government, utilizing faulty and unreliable intelligence, redirected United States military resources from pursuing Osama bin Laden and the leaders of the al Qaeda terrorist network in Afghanistan to an invasion of the country of Iraq, though the government of Iraq had no responsibility for the terrorist attacks of September 11, 2001, and harbored neither Osama bin Laden nor the leadership of the al Qaeda terrorist network; and

WHEREAS, The United States Armed Forces are now engaged in a protracted occupation of the country of Iraq that began in 2003; and

WHEREAS, More than 137,000 American military personnel are serving in Iraq, and thousands more have served since March of 2003, with the bravery and professionalism consistent with the finest traditions of the United States Armed Forces; and

WHEREAS, Thousands of American military personnel serving in Iraq, including members of the Illinois National Guard, are past and present residents of the State of Illinois; and

WHEREAS, All United States military personnel deserve the support of the American people, and the people of Illinois; and

WHEREAS, The war and occupation of Iraq have resulted in the deaths of more than 3,000 United States military personnel, and the wounding and disabling of more than 22,000 United States military personnel, among them past and present residents of the State of Illinois; and

WHEREAS, On January 10, 2007, President George W. Bush announced the escalation of United States military involvement in Iraq by proposing the deployment of more than 21,000 additional United States military personnel, who are likely to include many past and present residents of the State of Illinois; and

WHEREAS, The proposed escalation could further extend the tours of duty of members of the Illinois National Guard; and

WHEREAS, The cost of deployment to Iraq of members of the Illinois National Guard has been significant, as reckoned in lost lives; combat injuries; disruption of family life; financial hardship for individuals, families, and businesses; interruption of careers; and damage to the fabric of civic life in our communities; and

WHEREAS, An escalated, open-ended commitment of United States military forces in Iraq is unsustainable and serves as a deterrent to the government of Iraq exercising political and military leadership and providing Iraqi personnel and resources required to end sectarian violence; and

WHEREAS, The continued redirection of United States military resources away from the pursuit of Osama bin Laden and the leadership of the al Qaeda terrorist network in Afghanistan has led to a resurgence of Taliban forces, which could lead to the destabilization of the democratically elected government of Afghanistan; and

WHEREAS, United States military experts, including past and present members of the Joint Chiefs of Staff, have stated their opposition to an escalation of United States military personnel in Iraq; and

WHEREAS, More than \$357 billion has been appropriated by the United States Congress to fund military and reconstruction efforts in Iraq to date, money that could be utilized for education, health care, housing, nutrition, and other domestic social services, along with international humanitarian aid; and

[March 8, 2007]

WHEREAS, Prior appropriations made by the United States Congress have prioritized operations in Iraq, resulting in cuts to critical financial assistance to states, including the State of Illinois, and have increased the gross debt and compounded interest of the United States, which leads to additional cuts in funding for critical needs in the states; and

WHEREAS, The United States Congress has broad authority and a long tradition of limiting military escalation by placing budgetary limitations on such escalation, utilizing power granted by the Constitution of the United States of America; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FIFTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, That the State of Illinois, on behalf of its citizens, salutes and supports the dedicated service of the members of the United States Armed Forces, including members of the Illinois National Guard; and be it further

RESOLVED, That the American people, including the people of Illinois, with unbounded determination, support the efforts of the United States Armed Forces to pursue and defeat the terrorist forces responsible for the September 11, 2001 attack and make certain this form of treachery will never endanger the American people again; and be it further

RESOLVED, That the State of Illinois, on behalf of its citizens, urges that the United States government should not put more members of the United States Armed Forces in harm's way by escalating our involvement in Iraq through an increase in troop levels; and be it further

RESOLVED, That the President of the United States should obtain explicit approval from the United States Congress before the deployment of additional United States military personnel to Iraq; and be it further

RESOLVED, That the United States Congress should pass legislation prohibiting the President of the United States from spending additional taxpayer money to fund an escalation of troop levels in Iraq unless the President seeks and receives congressional approval; and be it further

RESOLVED, That suitable copies of this resolution shall be sent to President of the United States George W. Bush, each member of the Illinois congressional delegation, the Speaker of the United States House of Representatives, the Minority Leader of the United States House of Representatives, the President Pro Tempore of the United States Senate, and the Minority Leader of the United States Senate.

Senator Harmon offered the following Senate Resolution, which was referred to the Committee on Rules:

WHEREAS, Children's social development and emotional development are essential underpinnings to school readiness and academic success; and

[March 8, 2007]
