OFFICE OF THE GOVERNOR

107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois

[July 22, 2008]

House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

Item Vetoes

I hereby veto the appropriations items listed below:

OFFICE OF THE GOVERNOR
107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

[July 22, 2008]

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

Item Vetoes

I hereby veto the appropriations items listed below:

OFFICE OF THE GOVERNOR
107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

[July 22, 2008]

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

Item Vetoes

I hereby veto the appropriations items listed below:

OFFICE OF THE GOVERNOR
107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

OFFICE OF THE GOVERNOR

107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois [July 22, 2008]

House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

Item Vetoes

I hereby veto the appropriations items listed below:

OFFICE OF THE GOVERNOR
107 STRATTON BUILDING, SPRINGFIELD, ILLINOIS 62706

ROD BLAGOJEVICH GOVERNOR

July 9, 2008

To the Honorable Member of the
Illinois House of Representatives
95th General Assembly

It is with great reluctance that I am returning House Bill 5701 entitled "An Act concerning appropriations" with line item vetoes and reductions in appropriations totaling \$1,253,638,333, pursuant to my authority under Article IV, Section 9(d) of the Illinois Constitution. While these line-item vetoes and reductions will impact numerous programs that I support, I cannot in good conscience sign an

[July 22, 2008]

appropriations bill that is not supported by current funding sources, and may ultimately lead our State into economic disarray.

It is the constitutional duty of the Illinois General Assembly to pass a balanced budget each fiscal year. Article VIII, Section 2(b) of the Illinois Constitution is clear in its requirement that the appropriations made by the General Assembly for the ensuing fiscal year shall not exceed funds estimated to be available during that year. Unfortunately, this year, the General Assembly failed to adhere to its constitutional obligation and passed a budget which is grossly out of balance. Specifically, the Illinois House of Representatives failed to pass the funding measures necessary to support the appropriations it made, and placed its responsibility of balancing the budget on the executive. The line-item vetoes and reductions in House Bill 5701 are a direct result of the Illinois House of Representatives' failure to perform its constitutional duties. Although the House, by and through its leadership, is forcing these actions today, I am still hopeful that funding solutions can be passed to restore these worthy programs.

Item Vetoes

I hereby veto the appropriations items listed below:
