SENATE RESOLUTION NO. 99

WHEREAS, The members of the Illinois Senate are deeply concerned about the impact of climate change and the future health and well-being of our planet; we believe that energy efficiency, natural resource conservation, and a demand by the voting public for action by elected officials are important elements to combating climate change; and

WHEREAS, Earth Hour is an international and local symbolic event organized by the World Wildlife Fund to raise awareness about climate change issues and to encourage businesses, individuals, and governments to take action to reduce their carbon emissions and their impact on the environment in their daily lives and operations; and

WHEREAS, Earth Hour asks all citizens, businesses, government agencies, and commercial and non-commercial establishments to turn off all non-essential lighting for one hour, beginning at 8:30 P.M. on March 28, 2009, and to encourage citizens and businesses to commit to actions they can take in the coming year to reduce their carbon footprints and conserve energy; and

WHEREAS, If every household were to install one compact fluorescent lamp (CFL), annual energy savings will reach approximately 18 gigawatt hours per year, or 1.3% of total residential energy demand; and

WHEREAS, Earth Hour will be used as a tool to inform local residents and businesses about existing information and tools already available within the community to assist them in increasing energy efficiency and decreasing emissions and the use of natural resources; and

WHEREAS, Extinguishing non-essential lights in all State government buildings, public schools, and public landmarks for one hour and urging all businesses and citizens to do the same will send a clear message that the people of Illinois are concerned about climate change, that we stand with the rest of the world in seeking solutions, and that we are demanding that elected leaders act immediately to take measures that will help fight global climate change effort to stop climate change, including the passage of legislation and good-faith participation in the United Nations Climate Change Conference negotiations in Copenhagen, Denmark in December of 2009; and

SENATE JOINT RESOLUTION NO. 30

WHEREAS, The United States Supreme Court in *Olmstead v. L.C. Ex Rel. Zimring*, 119 S.Ct. 2176 (1999), held that the unjustifiable institutionalization of a person with a disability who could live in the community with appropriate supports and services, and wishes to do so, is unlawful discrimination in violation of the Americans with Disabilities Act (ADA); and

WHEREAS, Many individuals with developmental disabilities in Illinois who desire home or
[February 20, 2009]

community-based residential services are unable to obtain them due to the unavailability of such options; and

WHEREAS, As a result of insufficient home and community-based service options for individuals with developmental disabilities in Illinois, many individuals and their families must choose between living with their parents or other family members without the supports and services they need, or living in a State-operated development center or another institution, even if they could live successfully in a less restrictive setting with appropriate supports and services; and

WHEREAS, There are now over 15,000 individuals with developmental disabilities in Illinois with documented emergency, critical or future service needs who are on the Department of Human Services' PUNS waiting list for services and supports, and the need is probably greater because this number only represents those individuals who have actually signed up for the PUNS database; and

WHEREAS, Almost 10 years after the Olmstead decision, a recent report titled "The State of the States in Disabilities 2008" by the Department of Psychiatry and Coleman Institute for Cognitive Disabilities of the University of Colorado ranks the State of Illinois 51st in the nation in terms of making small community living arrangements (6 residents or fewer) available to individuals with developmental disabilities; and

WHEREAS, The State of Illinois ranks near the very bottom both nationally and among other Midwest states in per capita spending for home and community-based supports and services for individuals with developmental disabilities; and

WHEREAS, The level of need for individuals with developmental disabilities in Illinois will grow each year as the number of aging caregivers increases; and

WHEREAS, Numerous legislative measures and lawsuits over the last decade have attempted to address the shortcomings of Illinois' fragmented and inadequate system of services and supports to individuals with developmental disabilities; and

WHEREAS, Until the State breaks the cycle of underfunding and lack of significant growth of home and community-based services and supports for people with developmental disabilities and their families which perpetuates short-term measures to address crises in the system and which, in the long term, has maintained and fostered the competition among many for scarce public resources; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that the Department of Human Services, Division of Developmental Disabilities, shall develop a 7-year Plan with yearly benchmarks to enhance and expand access to quality community services and supports as described in the recommendations of the "Blueprint for System Redesign" (January 2008) and other reports that have been done, by December 1, 2009; and be it further

RESOLVED, That any increase in the resources available to the Department shall be appropriated to services and supports consistent with the action steps in the Plan considering, but not limited to, funding incentives, maximizing current revenue sources, creating opportunities for capacity building and new rate methodologies that enhance quality service and quality assurance, crisis intervention and workforce development; and be it further

RESOLVED, That the Secretary of Human Services shall provide an annual report on the implementation of the Plan to the Governor and to each member of the General Assembly by not later than July 1 of each year and interim progress reports to the Governor and to the members of the General Assembly not later than December 31 of each year until the Plan is fully implemented; and be it further

RESOLVED, That appropriate committees of the House of Representatives and the Senate shall convene at least one hearing not later than July 1 of each year on the subject of the Plan; and be it further

RESOLVED, That copies of this Resolution be sent to the Governor, the Secretary of Human Services, the Director of the Governor's Office of Management and Budget, and all members of the

Senator Schoenberg offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

SENATE JOINT RESOLUTION NO. 31

WHEREAS, The State of Illinois' children, mothers, families and individuals are experiencing economic hardships, increasing stress in their personal and family lives; and

WHEREAS, The loss of jobs, homes, and charitable and government funded services adds to the incidence and severity of mental illness and substance abuse, resulting in increased burdens on law enforcement services and hospital emergency rooms and suffering of children and the families who bear the burden of dealing with those suffering from mental illness and substance abuse; and

WHEREAS, The State of Illinois is in an historic fiscal crisis affecting its ability to maintain support of safety net community care for mental and substance use disorders; and

WHEREAS, The Illinois General Assembly in its wisdom and through the appropriation of both federal and State funds has historically supported community based care provided by community care mental health and substance misuse treatment providers; and

WHEREAS, The Illinois General Assembly's wisdom and prudent appropriations from the Health and Human Services Medicaid Trust Fund have resulted in a significant current balance in this dedicated fund; and

WHEREAS, The Illinois General Assembly in its wisdom has directed additional deposits into the Health and Human Services Medicaid Trust Fund for State fiscal years 2009 through 2013; and

WHEREAS, The recent increase in the Federal Medical Assistance Percentage, also known as FMAP, affords the State of Illinois the ability to pay its financial obligations in a timely fashion, helping to maintain community care provided by mental health and substance misuse treatment community providers; and

WHEREAS, The recently approved Federal Medical Assistance Percentage, also known as FMAP, increase will result in increased deposits into the Community Mental Health Medicaid Trust Fund; and

WHEREAS, A prudent use of a combination of these existing funds would allow the State of Illinois to maintain its current commitments for Illinois children, mothers, families and individuals in need of care and treatment provided by mental health and substance misuse treatment community providers; and

WHEREAS, A prudent use of these existing funds would allow the State of Illinois to address the infrastructure needs of mental health and substance misuse treatment community providers; and

WHEREAS, The State of Illinois can rescue children, mothers, families and individuals in need of community care by using available funds from the increase in FMAP, the available funds in the Health and Human Services Medicaid Trust Fund, and the increased deposits into the Community Mental Health Medicaid Trust Fund, which can help maintain care and treatment and the community care infrastructure; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we do hereby encourage the Governor's Office of Management and Budget to utilize the funds available due to the increased Federal Medical Assistance Percentage, also known as FMAP, along with funds available in the Health and Human Services Medicaid Trust Fund and funds available in the Community Mental Health Medicaid Trust Fund, to maintain appropriation levels supporting current community care

[February 20, 2009]

provided by mental health and substance misuse treatment community providers and increase funding to pay the State's obligations in a timely fashion; and be it further

RESOLVED, That we do hereby encourage the Governor's Office of Management and Budget to utilize the funds available due to the increased Federal Medical Assistance Percentage, also known as FMAP, along with funds available in the Health and Human Services Medicaid Trust Fund and funds available in the Community Mental Health Medicaid Trust Fund, to ensure that all rates are sufficient to maintain current community care infrastructure provided by mental health and substance misuse treatment community providers; and be it further

RESOLVED, That copies of this resolution be sent to the Illinois General Assembly, the Office of the Governor, and the Director of the Governor's Office of Management and Budget.
