WHEREAS, The Merrill C. Meigs Field Airport was a single-strip airport on Northerly Island in Chicago that began operation on December 10, 1948; by 1955, Meigs Field became the country's busiest single-strip airport, generating 40,000 flights every year and earning over \$450,000,000 annually; and

WHEREAS, On March 31, 2003, Chicago Mayor Richard J. Daley ordered private crews to destroy the Meigs Field runway in the middle of the night, bulldozing large X-shaped gouges into the runway surface and rendering the airstrip unusable; and

WHEREAS, Repairing and reopening Meigs Field could spur great economic growth in the City of Chicago and State of Illinois; advances in technology and proper administration could increase traffic at Meigs to over 50,000 flights every year and bring in over \$600,000,000 annually, which would serve as a great boon to the people of this State during these sagging economic times; and

WHEREAS, Reopening Meigs Field would also relieve the congestion problems routinely seen at Midway Airport and O'Hare International Airport and would lead to the creation of many jobs; and

WHEREAS, Most people who traveled to Meigs Field came to the City of Chicago to conduct business or to attend conventions within the city; reopening the airport would reestablish this economic opportunity and aid the various convention centers throughout Chicago, including McCormick Place; and

WHEREAS, The revitalization and reopening of Meigs Field represents a golden opportunity for the people of the City of Chicago and the State of Illinois to improve the economic climate of the City of Chicago and the State, create countless new jobs for Illinois workers, and to bring an iconic symbol back to the City of Chicago; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-SIXTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we urge the City of Chicago to repair and reopen Meigs Field Airport as soon as possible in order to bring much-needed resources and jobs to this State; and be it further

GOVERNOR

July 27, 2010

To the Honorable Members of the Illinois Senate,
96th General Assembly

Today, I return Senate Bill 2499 to the Illinois Senate, vetoed in its entirety.

I commend the sponsors of this bill for their commitment not only to the constituents they represent, but also to all of the citizens of our State. They are tireless advocates for their communities with a genuine interest in improving education in their districts and beyond.

Senate Bill 2499 amends the School Code to specify that starting with the 2010-2011 school year, if a school district's boundaries span multiple counties, then the Illinois State Board of Education must use the limiting rate and individual rates by purpose for the county that contains the majority of the school district's Equalized Assessed Valuation.

For Fiscal Year 2011, the General State Aid remains fixed at the same level as the previous two years. School districts in Illinois have not had any increase in general state aid despite increasing costs. In addition, districts face delayed payments for special education programs, early childhood education block grants and transportation services. Many have received less than half of the payments that are owed to them for FY 2010. Both of these factors have resulted in a significant drain on school resources and districts are faced with difficult choices on maintaining programs. I cannot approve a measure that will boost General State Aid to one district at the expense of all others.

As Governor, I have fought to ensure adequate resources for students in every school district in Illinois. Despite the most difficult fiscal conditions in our State's history, I have maintained the foundation level at \$6,119. Approving this bill means lowering the foundation level in every other school district in the State—which I cannot approve of at this time.

I truly believe that in the near future, we need to evaluate the way that we fund education in Illinois. Financing a 21st century education with a 19th century funding model is not beneficial to students and is not fair to taxpayers. However, making piecemeal changes will not fix the system. I look forward to genuine reform in the context of a much broader discussion of funding our State's priorities.

Therefore, in accordance with Article IV, Section 9(b) of the Illinois Constitution, I hereby return Senate Bill 2499, entitled "AN ACT concerning education.", with this statement of objections, vetoed in its entirety.

Sincerely,

s/Pat Quinn

[November 4, 2010]

To the Honorable Members of the Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(b) of the Illinois Constitution, I hereby veto Senate Bill 2635.

According to a June report submitted to the United States Congress by the bipartisan Medicare Payment Advisory Commission, the growth of self-referral for ancillary services in physicians' offices amplifies incentives to increase volume. Under fee-for service reimbursement plans, this increases the overall cost of health care for patients. In short, citizens will pay more for health care services.

As Governor, I am committed to protecting affordable and accessible health care for the people of Illinois. The bill before me today does not go far enough to protect patient choice, restrict fee-splitting practices, and limit self-referrals within the health care industry. Senate Bill 2635 also incents medical professionals to increase the volume of services provided. There is broad consensus among health policy analysts and economists that in order to restrain the explosion in our nation's healthcare expenditures, we must eliminate incentives which drive volume of services. I cannot approve a measure that promises to raise health care costs in Illinois.

Therefore, pursuant to Article IV, Section 9(b) of the Illinois Constitution of 1970, I hereby return Senate Bill 2635, entitled "AN ACT concerning professional regulation." vetoed in its entirety with this statement of objections.

Sincerely,

s/Pat Quinn
Governor

Pursuant to Senate Rule 9-1, the foregoing Senate Bills, which were returned by the Governor, were ordered placed on the Senate Calendar.

GOVERNOR

July 20, 2010

To the Honorable Members of the Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(e) of the Illinois Constitution, I hereby return Senate Bill 2544 with a specific recommendation for change.

This legislation would allow Illinois to join the Interstate Insurance Product Regulation Compact to ensure uniformity of group annuity, life insurance, disability income and long-term care insurance product approval standards. I understand the Compact is aimed at raising standards for consumers and improving the efficiency of insurance product review, and I commend the sponsors for their hard work on behalf of the citizens of Illinois.

Senate Bill 2544 will require the State to expend significant resources and time to adopt the Compact immediately upon signing. Implementing Senate Bill 2544 immediately is too burdensome given this period of unprecedented financial strain. Immediate implementation would result in the unnecessary shift of personnel and other Department resources from federal law compliance efforts, including health insurance reform. Such shift of personnel and resources would be detrimental to employers and families who purchase health insurance in Illinois, and to the industry that sells insurance. For that reason, I recommend delaying the effective date.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 2544, entitled "AN ACT concerning insurance." with the following specific recommendation for change:

On page 34, by replacing lines 23 and 24 with "Section 99. Effective date. This Act takes effect on July 1, 2011."

With this change, Senate Bill 2544 will have my approval. I respectfully request your concurrence.

Sincerely,

s/Pat Quinn

GOVERNOR

July 30, 2010

To the Honorable Members of the Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(e) of the Illinois Constitution, I hereby return Senate Bill 2819 with specific recommendations for change.

This legislation would change the bearer of the burden of proof of death from the life insurance company to the claimant. Before proceeds are issued, a claimant must establish the fact of the insured's death, the claimant's identity and the claimant's interest in the insurance proceeds. Families grieving after the loss of a loved one should not be subjected to an administratively onerous process to meet this burden of proof that may result in delayed life insurance payments. Some of these families will need the policy proceeds to continue caring for survivors of the deceased. For that reason, it is imperative I recommend the due proof of death standard be changed to protect consumers.

[November 4, 2010]

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 2819, entitled "AN ACT concerning insurance." with the following specific recommendations for change:

on page 6, by replacing lines 1 through 11 with the following:

"of due proof of death and not later than 2 months after the receipt of such proof. The policy may require that due proof of the death of the insured shall consist of a certified copy of the death certificate of the insured, or other lawful evidence providing equivalent information, and proof of the claimant's interest in the proceeds."; and

on page 6, line 17, by replacing "the rate" with "the annual rate"; and

by replacing line 20 on page 6 through line 6 on page 7 with the following:

"is made within 15 days after the latest of the following to occur:

(1) the date that due proof of death is received by the company;

(2) the date the company receives sufficient information to determine its liability, the extent of the liability, and the appropriate payee legally entitled to the proceeds; and

(3) the date that legal impediments to payment of proceeds that depend on the action of parties other than the company are resolved and sufficient evidence of the same is provided to the company; legal impediments to payment include, but are not limited to (i) the establishment of guardianships and conservatorships; (ii) the appointment and qualification of trustees, executors, and administrators; and (iii) the submission of information required to satisfy State and federal reporting requirements.

~~is made within fifteen (15) days from the date of receipt by the company of due proof of loss.~~
 This provision need not appear in the policy; however, the company shall notify the beneficiary at the time of claim of this provision.  GOVERNOR

July 30, 2010

To the Honorable Members of the Illinois Senate,
 96th General Assembly:

In accordance with Article IV, Section 9(e) of the Illinois Constitution, I hereby return Senate Bill 3047 with specific recommendations for change.

[November 4, 2010]

I commend the sponsors for their hard work on this bill on behalf of the nearly two million Illinoisans without access to affordable health care coverage. This bill would create a Health Care Justice Implementation Task Force to monitor the implementation of the federal *Affordable Care Act* and make recommendations regarding further reforms. The State of Illinois is committed to implementing the *Affordable Care Act* in a manner that will ensure we are improving the health of residents by increasing citizen access to health care, reducing costs and improving the quality and effectiveness of health care.

Though I recognize the importance of establishing a Task Force of stakeholders to monitor implementation, I am recommending changes to Senate Bill 3047 to ensure the Task Force's structure and timeline is consistent with the Administration's efforts and the *Affordable Care Act's* timeline for implementation, given several meaningful reforms will not become effective until 2014. As Governor, I am issuing an Executive Order today to create The Illinois Health Care Reform Implementation Council ("Council") comprised of key State agencies and offices to recommend to me what changes need to be made to fully implement the *Affordable Care Act*. I am confident my recommended changes will help us all achieve our shared goal of providing quality, affordable health care for all Illinois residents.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 3047, entitled "AN ACT concerning health care." with the following specific recommendations for change:

on page 2, line 13 by deleting "September 1, 2010" and inserting "September 1, 2011"; and

on page 4, by replacing lines 7 through 12 with the following:

"voting members appointed as follows: 13 ~~5~~ shall be appointed by the Governor; 4 ~~6~~ shall be appointed by the President of the Senate, 4 ~~6~~ shall be appointed by the Minority Leader of the Senate, 4 ~~6~~ shall be appointed by the Speaker of the House of Representatives, and 4 ~~6~~ shall be appointed by the Minority Leader of the House of Representatives. The Task Force shall"; and

on page 4, by replacing lines 21 through 25 with the following:

"Force meetings, but shall not be members of the Task Force. The terms of all serving members shall end on the effective date of this amendatory Act of the 96th General Assembly. The members of the Task Force shall be appointed within 60 ~~30~~ days after the effective date of this amendatory Act of the 96th General Assembly and hold its first meeting within 30 days thereafter. The departments of State government represented on"; and

on page 5, by replacing lines 2 through 4 with the following:

"administrative support for the Task Force; the Department of Healthcare and Family Services and the Department of Insurance ~~Public Health~~ shall be the primary agencies ~~agency~~ in providing that administrative support, subject to appropriation."; and

on page 6, by replacing lines 24 and 25 with the following:

"Section 99. Effective date. This Act takes effect July 1, 2011."

With these changes, Senate Bill 3047 will have my approval. I respectfully request your concurrence.

PAT QUINN
GOVERNOR

July 30, 2010

[November 4, 2010]

To the Honorable Members of the
Illinois Senate,
96th General Assembly:

In accordance with Article IV, Section 9(e) of the Illinois Constitution, I hereby return Senate Bill 3084 with specific recommendations for change.

Senate Bill 3084 requires all persons who have committed what is now considered to be a sex crime to register on the Illinois Sex Offender Registry, no matter when the offense occurred. Because the registry was not created until 1996, many individuals who have committed heinous crimes were never required to register or obey the restrictions that accompany being a sex offender. Senate Bill 3084 seeks to rectify this problem, and I applaud the sponsors' intention in undertaking this task.

I believe it is imperative to make sure that all offenders who should be registered as a sex offender do so. When the registry was first created in 1996, the Illinois State Police retroactively checked records for the preceding 10 years. As a result, this legislation addresses those who committed offenses at least 24 years ago. This undertaking will require precision and accuracy and the legislation must be sufficiently clear for it to be done properly. Additionally, Illinois is in the process of complying with the Federally-enacted Adam Walsh Act. Among other things, the Adam Walsh Act requires law enforcement to check an individual's record for retroactive sex offender registration only after that person is convicted of a felony. My recommendations below ensures that our State is compliant with this federal law.

The sponsors of this legislation have worked hard to protect the people of our State. I commend them for doing so and share their goal. Accordingly, I am pleased to honor their request for this amendatory veto and look forward to working with them in the future on this very important issue.

Therefore, pursuant to Article IV, Section 9(e) of the Illinois Constitution of 1970, I hereby return Senate Bill 3084, entitled "AN ACT concerning sex offenders." with the following specific recommendations for change:

on page 10, line 2, by replacing "law; or" with "law; ~~or~~"; and

on page 10, by replacing line 5 with the following:

"1961; or

(7) required to register in another State due to a conviction, adjudication or other action of any court triggering an obligation to register as a sex offender, sexual predator, or substantially similar status under the laws of that State."; and

on page 16, by replacing lines 5 through 17 with:

"(2.1) A sex offender, as defined in Section 2 of this Act, or sexual predator who was not required to register under this Act before the effective date of this amendatory Act of the 96th General Assembly now has a duty to register. Any sex offender who on or after July 1, 2011 is on parole, mandatory supervised release, probation, or conditional discharge for a conviction for any felony offense or for a conviction for any misdemeanor offense under the Criminal Code of 1961 shall be notified of his or her duty to register as a sex offender by his or her supervising officer or as otherwise provided in Section 5 of this Act. The court or supervising officer shall require the person to read and sign such form as may be required by the Department of State Police stating that the duty to register and the procedure for registration have been explained to him or her and that he or she understands the duty to register and the procedure for registration. He or she shall register in person within 3 days after notification by his or her supervising officer or the court as provided in Section 6 of this Act. Any person unable to comply with the registration requirements of this amendatory Act of the 96th General Assembly because he or she is confined, institutionalized, or imprisoned in Illinois on or

[November 4, 2010]

after the effective date of this amendatory Act of the 96th General Assembly shall register in person within 3 days after discharge, parole, or release.”; and

on page 22, by replacing line 16 with “shall register for a period of 10 years after conviction or adjudication”; and

on page 22, line 17, by deleting “date of this amendatory Act of the 96th General Assembly”; and

on page 22, by replacing line 21 with “this provision shall only revive the period of”; and

on page 22, by replacing line 25 with “Act of the 96th General Assembly if he or she is convicted of any felony offense, or convicted of any misdemeanor offense under the Criminal Code of 1961 as amended, after July 1st 2011. A person who becomes subject”; and

on page 24, by replacing line 3 with “parole, a conviction reviving registration, or other circumstances that do not relate to the”; and

on page 24, line 26, by deleting “upon”; and

on page 25, by replacing line 1 with “July 1, 2011”.

With these changes, Senate Bill 3084 will have my approval. I respectfully request your concurrence.
