#### **AMENDMENT NO. 2 TO HOUSE BILL 1870**

AMENDMENT NO. 2. Amend House Bill 1870 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Insurance Code is amended by changing Sections 245.21, 531.03, 531.05, 531.07, 531.08, 531.09, and 531.14 as follows:

(215 ILCS 5/245.21) (from Ch. 73, par. 857.21)

Sec. 245.21. Establishment of separate accounts by domestic companies organized to do a life, annuity, or accident and health insurance business. A domestic company, including for the purposes of this Article all domestic fraternal benefit societies, may, for authorized classes of insurance, establish one or more separate accounts, and may allocate thereto amounts (including without limitation proceeds applied under optional modes of settlement or under dividend options) to provide for life, annuity, or accident and health insurance (and benefits incidental thereto), payable in fixed or variable amounts or both, subject to the following:

[May 17, 2011]

(1) The income, gains and losses, realized or unrealized, from assets allocated to a separate account must be credited to or charged against the account, without regard to other income, gains or losses of the company.

(2) Except as may be provided with respect to reserves for guaranteed benefits and funds referred to in paragraph (3) of this Section (i) amounts allocated to any separate account and accumulations thereon may be invested and reinvested without regard to any requirements or limitations of Part 2 or Part 3 of Article VIII of this Code and (ii) the investments in any separate account or accounts may not be taken into account in applying the investment limitations otherwise applicable to the investments of the company.

(3) Except with the approval of the Director and under the conditions as to investments and other matters as the Director may prescribe, that must recognize the guaranteed nature of the benefits provided, reserves for (i) benefits guaranteed as to dollar amount and duration and (ii) funds guaranteed as to principal amount or stated rate of interest may not be maintained in a separate account.

(4) Unless otherwise approved by the Director, assets allocated to a separate account must be valued at their market value on the date of valuation, or if there is no readily available market, then as provided in the contract or the rules or other written agreement applicable to the separate account. Unless otherwise approved by the Director, the portion, if any, of the assets of the separate account equal to the company's reserve liability with regard to the guaranteed benefits and funds referred to in paragraph (3) of this Section must be valued in accordance with the rules otherwise applicable to the company's assets.

(5) Amounts allocated to a separate account under this Article are owned by the company, and the company may not be, nor hold itself out to be, a trustee with respect to those amounts. The assets of any separate account equal to the reserves and other contract liabilities with respect to the account may not be charged with liabilities arising out of any other business the company may conduct, except with approval of the Director under conditions as to investments and other matters as the Director may prescribe.

(6) No sale, exchange or other transfer of assets may be made by a company between any of its separate accounts or between any other investment account and one or more of its separate accounts unless, in case of a transfer into a separate account, the transfer is made solely to establish the account or to support the operation of the contracts with respect to the separate account to which the transfer is made, and unless the transfer, whether into or from a separate account, is made (i) by a transfer of cash, or (ii) by a transfer of securities having a readily determinable market value, if the transfer of securities is approved by the Director. The Director may approve other transfers among those accounts if, in his or her opinion, the transfers would not be inequitable.

(7) To the extent a company considers it necessary to comply with any applicable federal or state laws, the company, with respect to any separate account, including without limitation any separate account which is a management investment company or a unit investment trust, may provide for persons having an interest therein appropriate voting and other rights and special procedures for the conduct of the business of the account, including without limitation special rights and procedures relating to investment policy, investment advisory services, selection of independent public accountants, and the selection of a committee, the members of which need not be otherwise affiliated with the company, to manage the business of the account.

(215 ILCS 5/531.03) (from Ch. 73, par. 1065.80-3)

Sec. 531.03. Coverage and limitations.

(1) This Article shall provide coverage for the policies and contracts specified in paragraph (2) of this Section:

(a) to persons who, regardless of where they reside (except for non-resident certificate holders under group policies or contracts), are the beneficiaries, assignees or payees of the persons covered under subparagraph (1)(b), and

(b) to persons who are owners of or certificate holders under the policies or contracts (other than unallocated annuity contracts and structured settlement annuities) and in each case who:

(i) are residents; or

(ii) are not residents, but only under all of the following conditions:

(A) the insurer that issued the policies or contracts is domiciled in this State;

(B) the states in which the persons reside have associations similar to the Association created by this Article;

(C) the persons are not eligible for coverage by an association in any other state due to the fact that the insurer was not licensed in that state at the time specified in that state's guaranty association law.

(c) For unallocated annuity contracts specified in subsection (2), paragraphs (a) and (b) of this subsection (1) shall not apply and this Article shall (except as provided in paragraphs (e) and (f) of this subsection) provide coverage to:

(i) persons who are the owners of the unallocated annuity contracts if the contracts are issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in this State; and

(ii) persons who are owners of unallocated annuity contracts issued to or in connection with government lotteries if the owners are residents.

(d) For structured settlement annuities specified in subsection (2), paragraphs (a) and (b) of this subsection (1) shall not apply and this Article shall (except as provided in paragraphs (e) and (f) of this subsection) provide coverage to a person who is a payee under a structured settlement annuity (or beneficiary of a payee if the payee is deceased), if the payee:

(i) is a resident, regardless of where the contract owner resides; or

(ii) is not a resident, but only under both of the following conditions:

(A) with regard to residency:

(I) the contract owner of the structured settlement annuity is a resident; or

(II) the contract owner of the structured settlement annuity is not a resident but the insurer that issued the structured settlement annuity is domiciled in this State and the state in which the contract owner resides has an association similar to the Association created by this Article; and

(B) neither the payee or beneficiary nor the contract owner is eligible for coverage by the association of the state in which the payee or contract owner resides.

(e) This Article shall not provide coverage to:

(i) a person who is a payee or beneficiary of a contract owner resident of this State if the payee or beneficiary is afforded any coverage by the association of another state; or

(ii) a person covered under paragraph (c) of this subsection (1), if any coverage is provided by the association of another state to that person.

(f) This Article is intended to provide coverage to a person who is a resident of this State and, in special circumstances, to a nonresident. In order to avoid duplicate coverage, if a person who would otherwise receive coverage under this Article is provided coverage under the laws of any other state, then the person shall not be provided coverage under this Article. In determining the application of the provisions of this paragraph in situations where a person could be covered by the association of more than one state, whether as an owner, payee, beneficiary, or assignee, this Article shall be construed in conjunction with other state laws to result in coverage by only one association.

(2)(a) This Article shall provide coverage to the persons specified in paragraph (1) of this Section for direct, (i) nongroup life, health, annuity and supplemental policies, or contracts, (ii) for certificates under direct group policies or contracts, (iii) for unallocated annuity contracts and (iv) for contracts to furnish health care services and subscription certificates for medical or health care services issued by persons licensed to transact insurance business in this State under the Illinois Insurance Code. Annuity contracts and certificates under group annuity contracts include but are not limited to guaranteed investment contracts, deposit administration contracts, unallocated funding agreements, allocated funding agreements, structured settlement agreements, lottery contracts and any immediate or deferred annuity contracts.

(b) This Article shall not provide coverage for:

(i) that portion of a policy or contract not guaranteed by the insurer, or under which the risk is borne by the policy or contract owner;

(ii) any such policy or contract or part thereof assumed by the impaired or insolvent insurer under a contract of reinsurance, other than reinsurance for which assumption certificates have been issued;

(iii) any portion of a policy or contract to the extent that the rate of interest on which it is based or the interest rate, crediting rate, or similar factor is determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value:

(A) averaged over the period of 4 years prior to the date on which the member insurer becomes an impaired or insolvent insurer under this Article, whichever is earlier, exceeds the rate of interest determined by subtracting 2 percentage points from Moody's Corporate Bond Yield Average averaged for that same 4-year period or for such lesser period if the policy or contract was issued less than 4 years before the member insurer becomes an impaired or insolvent insurer under this Article, whichever is earlier; and

(3.2) The limitations set forth in subsections (3) and (3.1) ~~this subsection~~ are limitations on the benefits for which the Association is

~~(a)~~ ~~(1)~~ subject to approval by a court ~~in this State~~, impose permanent policy or contract liens in connection with a guarantee, assumption, or reinsurance agreement if the Association finds that the amounts which can be assessed under this Article are less than the amounts needed to assure full

and prompt performance of the Association's duties under this Article or that the economic or financial conditions as they affect member insurers are sufficiently adverse to render the imposition of such permanent policy or contract liens to be in the public interest; or

(b) ~~(2)~~ subject to approval by a court ~~in this State~~, impose temporary moratoriums or liens on payments

of cash values and policy loans or any other right to withdraw funds held in conjunction with policies or contracts in addition to any contractual provisions for deferral of cash or policy loan value. In addition, in the event of a temporary moratorium or moratorium charge imposed by the receivership court on payment of cash values or policy loans or on any other right to withdraw funds held in conjunction with policies or contracts, out of the assets of the impaired or insolvent insurer, the Association may defer the payment of cash values, policy loans, or other rights by the Association for the period of the moratorium or moratorium charge imposed by the receivership court, except for claims covered by the Association to be paid in accordance with a hardship procedure established by the liquidator or rehabilitator and approved by the receivership court.

(6) ~~(4)~~ There shall be no liability on the part of and no cause of action shall arise against the Association or against any transferee from the Association in connection with the transfer by reinsurance or otherwise of all or any part of an impaired or insolvent insurer's business by reason of any action taken or any failure to take any action by the impaired or insolvent insurer at any time.

(7) ~~(3)~~ If the Association fails to act within a reasonable period of time as provided in subsection (2) of this Section with respect to an insolvent insurer, the Director shall have the powers and duties of the Association under this Act with regard to such insolvent insurers.

(9) ~~(4)~~ The Association shall have standing to appear or intervene before a court or agency in this State with jurisdiction over an impaired or insolvent insurer concerning which the Association is or may become obligated under this Article or with jurisdiction over any person or property against which the Association may have rights through subrogation or otherwise. Standing shall extend to all matters germane to the powers and duties of the Association, including, but not limited to, proposals for reinsuring, modifying, or guaranteeing the policies or contracts of the impaired or insolvent insurer and the determination of the policies or contracts and contractual obligations. The Association shall also have the right to appear or intervene before a court or agency in another state with jurisdiction over an impaired or insolvent insurer for which the Association is or may become obligated or with jurisdiction over any person or property against whom the Association may have rights through subrogation or otherwise.

(10)(a) ~~(a)~~ A person receiving benefits under this Article shall be deemed to have assigned the rights under and any causes of action against any person for losses arising under, resulting from, or otherwise relating to the covered policy or contract to the Association to the extent of the benefits received because of this Article, whether the benefits are payments of or on account of contractual obligations, continuation of coverage, or provision of substitute or alternative coverages. The Association may require an assignment to it of such rights and cause of action by any payee, policy, or contract owner, beneficiary, insured, or annuitant as a condition precedent to the receipt of any right or benefits conferred by this Article upon the person.

(b) ~~(2)~~ The subrogation rights of the Association under this subsection have the same priority against the assets of the impaired or insolvent insurer as that possessed by the person entitled to receive benefits under this Article.

(c) ~~(2)~~ In addition to paragraphs (a) ~~(1)~~ and (b) ~~(2)~~, the Association shall have all common law rights of

subrogation and any other equitable or legal remedy that would have been available to the impaired or insolvent insurer or owner, beneficiary, or payee of a policy or contract with respect to the policy or contracts, including without limitation, in the case of a structured settlement annuity, any rights of the owner, beneficiary, or payee of the annuity to the extent of benefits received pursuant to this Article, against a person originally or by succession responsible for the losses arising from the personal injury relating to the annuity or payment therefor, excepting any such person responsible solely by reason of serving as an assignee in respect of a qualified assignment under Internal Revenue Code Section 130.

(d) ~~(4)~~ If the preceding provisions of this subsection (10) ~~(4)~~ are invalid or ineffective with respect to any person or claim for any reason, then the amount payable by the Association with respect to the related covered obligations shall be reduced by the amount realized by any other person with respect to the person or claim that is attributable to the policies, or portion thereof, covered by the

Association.

(e) ~~(5)~~ If the Association has provided benefits with respect to a covered obligation and a person recovers amounts as to which the Association has rights as described in the preceding paragraphs of this subsection (10), then the person shall pay to the Association the portion of the recovery attributable to the policies, or portion thereof, covered by the Association.

(e) ~~(5)~~ Negotiate and contract with any liquidator, rehabilitator, conservator, or ancillary receiver to carry out the powers and duties of the Association.

(f) ~~(6)~~ Take such legal action as may be necessary to avoid payment of improper claims.

(g) ~~(7)~~ Exercise, for the purposes of this Article and to the extent approved by the Director, the powers of a domestic life or health insurer, but in no case may the Association issue insurance policies or annuity contracts other than those issued to perform the contractual obligations of the impaired or insolvent insurer.

(h) ~~(8)~~ Exercise all the rights of the Director under Section 193(4) of this Code with respect to covered policies after the association becomes obligated by statute.

(12) ~~(12)~~ With respect to covered policies for which the Association becomes obligated after an entry of an order of liquidation or rehabilitation, the Association may elect to succeed to the rights of the insolvent insurer arising after the date of the order of liquidation or rehabilitation under any contract of reinsurance to which the insolvent insurer was a party, to the extent that such contract provides coverage for losses occurring after the date of the order of liquidation or rehabilitation. As a condition to making this election, the Association must pay all unpaid premiums due under the contract for coverage relating to periods before and after the date of the order of liquidation or rehabilitation.

(13) ~~(13)~~ A deposit in this State, held pursuant to law or required by the Director for the benefit of creditors, including policy owners, not turned over to the domiciliary liquidator upon the entry of a final order of liquidation or order approving a rehabilitation plan of an insurer domiciled in this State or in a reciprocal state, pursuant to Article XIII 1/2 of this Code, shall be promptly paid to the Association. The Association shall be entitled to retain a portion of any amount so paid to it equal to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the Association has provided statutory benefits by the aggregate amount of all policy owners' claims in this State related to that insolvency and shall remit to the domiciliary receiver the amount so paid to the Association less the amount retained pursuant to this subsection ~~(13)~~. Any amount so paid to the Association and retained by it shall be treated as a distribution of estate assets pursuant to applicable State receivership law dealing with early access disbursements.

(14) ~~(14)~~ The Board of Directors of the Association shall have discretion and may exercise reasonable business judgment to determine the means by which the Association is to provide the benefits of this Article in an economical and efficient manner.

(15) ~~(15)~~ Where the Association has arranged or offered to provide the benefits of this Article to a covered person under a plan or arrangement that fulfills the Association's obligations under this Article, the person shall not be entitled to benefits from the Association in addition to or other than those provided under the plan or arrangement.

(16) ~~(16)~~ Venue in a suit against the Association arising under the Article shall be in Cook County. The Association shall not be required to give any appeal bond in an appeal that relates to a

cause of action arising under this Article.

(17) ~~(\*)~~ The Association may join an organization of one or more other State associations of similar purposes to further the purposes and administer the powers and duties of the Association.

(18) ~~(\*)~~ In carrying out its duties in connection with guaranteeing, assuming, or reinsuring policies or contracts under subsections (1) or (2), the Association may, subject to approval of the receivership court, issue substitute coverage for a policy or contract that provides an interest rate, crediting rate, or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with the following provisions:

(a) ~~(1)~~ in lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for (i) a fixed interest rate, or (ii) payment of dividends with minimum guarantees, or (iii) a different method for calculating interest or changes in value;

(b) ~~(2)~~ there is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the replaced policy or contract; and

(c) ~~(3)~~ the alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

(215 ILCS 5/531.09) (from Ch. 73, par. 1065.80-9)

Sec. 531.09. Assessments.

(1) For the purpose of providing the funds necessary to carry out the powers and duties of the Association, the board of directors shall assess the member insurers, separately for each account, at such times and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after written notice to the member insurers and shall accrue interest from the due date at such adjusted rate as is established under Section 6621 of Chapter 26 of the United States Code and such interest shall be compounded daily.

(2) There shall be 2 classes of assessments, as follows:

(a) Class A assessments shall be made for the purpose of meeting administrative costs and other general expenses and examinations conducted under the authority of the Director under subsection (5) of Section 531.12.

(b) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the Association under Section 531.08 with regard to an impaired or insolvent domestic insurer or insolvent foreign or alien insurers.

(3)(a) The amount of any Class A assessment shall be determined at the discretion of the board of directors and such assessments shall be authorized and called on a non-pro rata basis. The amount of any Class B assessment shall be allocated for assessment purposes among the accounts and subaccounts pursuant to an allocation formula which may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

(b) Class B assessments against member insurers for each account and subaccount shall be in the proportion that the premiums received on business in this State by each assessed member insurer on policies or contracts covered by each account or subaccount for the three most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this State for such calendar years by all assessed member insurers.

(c) Assessments for funds to meet the requirements of the Association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this Article. Classification of assessments under subsection (2) and computations of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(4) The Association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated or deferred in whole or in part the amount by which the assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this Section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the Association.

(5) (a) ~~(i)~~ Subject to the provisions of subparagraph (ii) of this paragraph, the total of all assessments authorized by the Association with respect to a member insurer for each subaccount of the life insurance

and annuity account and for the health account shall not in one calendar year exceed 2% of that member insurer's average annual premiums received in this State on the policies and contracts covered by the subaccount or account during the 3 calendar years preceding the year in which the insurer became an impaired or insolvent insurer.

(ii) If 2 or more assessments are authorized in one calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in subparagraph (a) of this paragraph shall be equal and limited to the higher of the 3-year average annual premiums for the applicable subaccount or account as calculated pursuant to this Section.

(iii) If the maximum assessment, together with the other assets of the Association in an account, does not provide in one year in either account an amount sufficient to carry out the responsibilities of the Association, the necessary additional funds shall be assessed as soon thereafter as permitted by this Article.

(b) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(c) If the maximum assessment for a subaccount of the life insurance and annuity account in one year does not provide an amount sufficient to carry out the responsibilities of the Association, then pursuant to paragraph (b) of subsection (3), the board shall assess the other subaccounts of the life and annuity account for the necessary additional amount, subject to the maximum stated in paragraph (a) of this subsection.

(6) The board may, by an equitable method as established in the plan of operation, refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the Association with regard to that account, including assets accruing from net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the Association and for future losses.

(7) An assessment is deemed to occur on the date upon which the board votes such assessment. The board may defer calling the payment of the assessment or may call for payment in one or more installments.

(8) It is proper for any member insurer, in determining its premium rates and policyowner dividends as to any kind of insurance within the scope of this Article, to consider the amount reasonably necessary to meet its assessment obligations under this Article.

(9) The Association must issue to each insurer paying a Class B assessment under this Article a certificate of contribution, in a form acceptable to the Director, for the amount of the assessment so paid. All outstanding certificates are of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the Director may approve, provided the insurer shall in any event at its option have the right to show a certificate of contribution as an admitted asset at percentages of the original face amount for calendar years as follows:

- 100% for the calendar year after the year of issuance;
- 80% for the second calendar year after the year of issuance;
- 60% for the third calendar year after the year of issuance;
- 40% for the fourth calendar year after the year of issuance;
- 20% for the fifth calendar year after the year of issuance.

(10) The Association may request information of member insurers in order to aid in the exercise of its power under this Section and member insurers shall promptly comply with a request.

(215 ILCS 5/531.14) (from Ch. 73, par. 1065.80-14)

Sec. 531.14. Miscellaneous Provisions.

(1) Nothing in this Article may be construed to reduce the liability for unpaid assessments of the insured of an impaired or insolvent insurer operating under a plan with assessment liability.

(2) Records must be kept of all negotiations and meetings in which the Association or its representatives are involved to discuss the activities of the Association in carrying out its powers and duties under Section 531.08. Records of such negotiations or meetings may be made public only upon the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent insurer, upon the termination of the impairment or insolvency of the insurer, or upon the order of a court of competent jurisdiction. Nothing in this paragraph (2) limits the duty of the Association to render a report of its activities under Section 531.15.

(3) For the purpose of carrying out its obligations under this Article, the Association is deemed to be a creditor of the impaired or insolvent insurer to the extent of assets attributable to covered policies reduced by any amounts to which the Association is entitled as subrogee (under paragraph (8) of Section 531.08). All assets of the impaired or insolvent insurer attributable to covered policies must be used to continue all covered policies and pay all contractual obligations of the impaired insurer as required by this Article. "Assets attributable to covered policies", as used in this paragraph (3), is that proportion of the assets which the reserves that should have been established for such policies bear to the reserve that should have been established for all policies of insurance written by the impaired or insolvent insurer.

(4) (a) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders and policyowners of the impaired or insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of such impaired or insolvent insurer. In such a determination, consideration must be given to the welfare of the policyholders of the continuing or successor insurer.

(b) No distribution to stockholders, if any, of an impaired or insolvent insurer may be made until and unless the total amount of valid claims of the Association for funds expended, with interest, in carrying out its powers and duties under Section 531.08, with respect to such insurer have been fully recovered by the Association.

(5) (a) If an order for liquidation or rehabilitation of an insurer domiciled in this State has been entered, the receiver appointed under such order has a right to recover on behalf of the insurer, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs (b) to (d).

(b) No such dividend is recoverable if the insurer shows that when paid the distribution was lawful and reasonable, and that the insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the insurer to fulfill its contractual obligations.

(c) Any person who as an affiliate that controlled the insurer at the time the distributions were paid is liable up to the amount of distributions he received. Any person who was an affiliate that controlled the insurer at the time the distributions were declared, is liable up to the amount of distributions he would have received if they had been paid immediately. If 2 persons are liable with respect to the same distributions, they are jointly and severally liable.

(d) The maximum amount recoverable under subsection (5) of this Section is the amount needed in excess of all other available assets of the insolvent insurer to pay the contractual obligations of the insolvent insurer.

(e) If any person liable under paragraph (c) of subsection (5) of this Section is insolvent, all its affiliates that controlled it at the time the dividend was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

(6) As a creditor of the impaired or insolvent insurer as established in subsection (3) of this Section and consistent with subsection (2) of Section 205 of this Code, the Association and other similar associations shall be entitled to receive a disbursement of assets out of the marshaled assets, from time to time as the assets become available to reimburse it, as a credit against contractual obligations under this Article. If the liquidator has not, within 120 days after a final determination of insolvency of an insurer by the receivership court, made an application to the court for the approval of a proposal to disburse assets out of marshaled assets to guaranty associations having obligations because of the insolvency, then the Association shall be entitled to make application to the receivership court for approval of its own proposal to disburse these assets.

Section 10. The Health Maintenance Organization Act is amended by changing Section 6-14 as follows:

(215 ILCS 125/6-14) (from Ch. 111 1/2, par. 1418.14)

Sec. 6-14. Miscellaneous Provisions. (1) Records must be kept of all negotiations and meetings in which the Association or its representatives are involved to discuss the activities of the Association in carrying out its powers and duties under Section 6-8. Records of such negotiations or meetings may be made public only upon the termination of a liquidation, rehabilitation, or conservation proceeding involving the impaired or insolvent organization, upon the termination of the impairment or insolvency of the organization, or upon the order of a court of competent jurisdiction. Nothing in this subsection (1) limits the duty of the Association to submit a report of its activities under Section 6-15.

(2) For the purpose of carrying out its obligations under this Article, the Association is deemed to be a

creditor of the impaired or insolvent organization to the extent of assets attributable to covered health care plan certificates reduced by any amounts to which the Association is entitled as subrogee (under subsection (7) of Section 6-8). All assets of the impaired or insolvent organization attributable to covered health care plan certificates must be used to continue all covered health care plan certificates and pay all contractual obligations of the impaired organization as required by this Article. "Assets attributable to covered health care plan certificates", as used in this subsection (2), is that proportion of the assets which the reserves that should have been established for such health care plan certificates bear to the reserve that should have been established for all health care plan certificates of the impaired or insolvent organization.

(3) (a) Prior to the termination of any liquidation, rehabilitation, or conservation proceeding, the court may take into consideration the contributions of the respective parties, including the Association, the shareholders of the impaired or insolvent organization, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of such impaired or insolvent organization. In such a determination, consideration must be given to the welfare of the enrollees of the continuing or successor organization.

(b) No distribution to stockholders, if any, of an impaired or insolvent organization may be made until and unless the total amount of valid claims of the Association for funds expended in carrying out its powers and duties under Section 6-8, with interest, with respect to such organization have been fully recovered by the Association.

(4) (a) If an order for liquidation or rehabilitation of an organization domiciled in this State has been entered, the receiver appointed under such order has a right to recover on behalf of the organization, from any affiliate that controlled it, the amount of distributions, other than stock dividends paid by the organization on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation subject to the limitations of paragraphs (b) to (d).

(b) No such distribution is recoverable if the organization shows that when paid the distribution was lawful and reasonable, and that the organization did not know and could not reasonably have known that the distribution might adversely affect the ability of the organization to fulfill its contractual obligations.

(c) Any person who was an affiliate that controlled the organization at the time the distributions were paid is liable up to the amount of distributions he received. Any person who was an affiliate that controlled the organization at the time the distributions were declared, is liable up to the amount of distributions he would have received if they had been paid immediately. If 2 persons are liable with respect to the same distributions, they are jointly and severally liable.

(d) The maximum amount recoverable under subsection (4) of this Section is the amount needed in excess of all other available assets of the insolvent organization to pay the contractual obligations of the insolvent organization.

(e) If any person liable under paragraph (c) of subsection (4) of this Section is insolvent, all its affiliates that controlled it at the time the distribution was paid are jointly and severally liable for any resulting deficiency in the amount recovered from the insolvent affiliate.

(1) Life, accident and health. No company transacting the kind or kinds of business enumerated in Classes 1 (a), 1 (b) and 2 (a) of Section 4 shall issue or deliver in this State a policy or certificate of insurance or evidence of coverage, attach an endorsement or rider thereto, incorporate by reference bylaws or other matter therein or use an application blank in this State until the form and content of such policy, certificate, evidence of coverage, endorsement, rider, bylaw or other matter incorporated by reference or application blank has been filed electronically with the Director, either through the System

[May 17, 2011]

for Electronic Rate and Form Filing (SERFF) or as otherwise prescribed by the Director, and approved by the Director. The Department shall mail a quarterly invoice to the company for the appropriate filing fees required under Section 408. Any such endorsement or rider that unilaterally reduces benefits and is to be attached to a policy subsequent to the date the policy is issued must be filed with, reviewed, and formally approved by the Director prior to the date it is attached to a policy issued or delivered in this State. It shall be the duty of the Director to withhold approval of any such policy, certificate, endorsement, rider, bylaw or other matter incorporated by reference or application blank filed with him if it contains provisions which encourage misrepresentation or are unjust, unfair, inequitable, ambiguous, misleading, inconsistent, deceptive, contrary to law or to the public policy of this State, or contains exceptions and conditions that unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the policy. In all cases the Director shall approve or disapprove any such form within 60 days after submission unless the Director extends by not more than an additional 30 days the period within which he shall approve or disapprove any such form by giving written notice to the insurer of such extension before expiration of the initial 60 days period. The Director shall withdraw his approval of a policy, certificate, evidence of coverage, endorsement, rider, bylaw, or other matter incorporated by reference or application blank if he subsequently determines that such policy, certificate, evidence of coverage, endorsement, rider, bylaw, other matter, or application blank is misrepresentative, unjust, unfair, inequitable, ambiguous, misleading, inconsistent, deceptive, contrary to law or public policy of this State, or contains exceptions or conditions which unreasonably or deceptively affect the risk purported to be assumed in the general coverage of the policy or evidence of coverage.

If a previously approved policy, certificate, evidence of coverage, endorsement, rider, bylaw or other matter incorporated by reference or application blank is withdrawn for use, the Director shall serve upon the company an order of withdrawal of use, either personally or by mail, and if by mail, such service shall be completed if such notice be deposited in the post office, postage prepaid, addressed to the company's last known address specified in the records of the Department of Insurance. The order of withdrawal of use shall take effect 30 days from the date of mailing but shall be stayed if within the 30-day period a written request for hearing is filed with the Director. Such hearing shall be held at such time and place as designated in the order given by the Director. The hearing may be held either in the City of Springfield, the City of Chicago or in the county where the principal business address of the company is located. The action of the Director in disapproving or withdrawing such form shall be subject to judicial review under the Administrative Review Law.

This subsection shall not apply to riders or endorsements issued or made at the request of the individual policyholder relating to the manner of distribution of benefits or to the reservation of rights and benefits under his life insurance policy.

(2) Casualty, fire, and marine. The Director shall require the filing of all policy forms issued or delivered by any company transacting the kind or kinds of business enumerated in Classes 2 (except Class 2 (a)) and 3 of Section 4 in an electronic format either through the System for Electronic Rate and Form Filing (SERFF) or as otherwise prescribed and approved by the Director. In addition, he may require the filing of any generally used riders, endorsements, certificates, application blanks, and other matter incorporated by reference in any such policy or contract of insurance. The Department shall mail a quarterly invoice to the company for the appropriate filing fees required under Section 408. Companies that are members of an organization, bureau, or association may have the same filed for them by the organization, bureau, or association. If the Director shall find from an examination of any such policy form, rider, endorsement, certificate, application blank, or other matter incorporated by reference in any such policy so filed that it (i) violates any provision of this Code, (ii) contains inconsistent, ambiguous, or misleading clauses, or (iii) contains exceptions and conditions that will unreasonably or deceptively affect the risks that are purported to be assumed by the policy, he shall order the company or companies issuing these forms to discontinue their use. Nothing in this subsection shall require a company transacting the kind or kinds of business enumerated in Classes 2 (except Class 2 (a)) and 3 of Section 4 to obtain approval of these forms before they are issued nor in any way affect the legality of any policy that has been issued and found to be in conflict with this subsection, but such policies shall be subject to the provisions of Section 442.

(3) This Section shall not apply (i) to surety contracts or fidelity bonds, (ii) to policies issued to an industrial insured as defined in Section 121-2.08 except for workers' compensation policies, nor (iii) to riders or endorsements prepared to meet special, unusual, peculiar, or extraordinary conditions applying to an individual risk.

**AMENDMENT NO. 2 TO SENATE BILL 1352**

AMENDMENT NO. 2. Amend Senate Bill 1352 by replacing everything after the enacting clause with the following:

"Section 5. The Illinois Procurement Code is amended by changing Section 30-30 as follows:

(30 ILCS 500/30-30)

Sec. 30-30. Contracts in excess of \$250,000. For building construction contracts in excess of \$250,000, separate specifications shall be prepared for all equipment, labor, and materials in connection with the following 5 subdivisions of the work to be performed:

- (1) plumbing;
- (2) heating, piping, refrigeration, and automatic temperature control systems, including the testing and balancing of those systems;
- (3) ventilating and distribution systems for conditioned air, including the testing and balancing of those systems;
- (4) electric wiring; and
- (5) general contract work.

The specifications must be so drawn as to permit separate and independent bidding upon each of the 5 subdivisions of work. All contracts awarded for any part thereof shall award the 5 subdivisions of work separately to responsible and reliable persons, firms, or corporations engaged in these classes of work. The contracts, at the discretion of the construction agency, may be assigned to the successful bidder on the general contract work or to the successful bidder on the subdivision of work designated by the construction agency before the bidding as the prime subdivision of work, provided that all payments will be made directly to the contractors for the 5 subdivisions of work upon compliance with the conditions of the contract. A contract may be let for one or more buildings in any project to the same contractor. The specifications shall require, however, that unless the buildings are identical, a separate price shall be submitted for each building. The contract may be awarded to the lowest responsible bidder for each or all of the buildings included in the specifications.

Until a date 4 years after ~~July 1, 2011~~ ~~January 1, 2009~~ (the effective date of Public Act 95-758), the requirements of this Section do not apply to a construction project for which the Capital Development Board is the construction agency if: (i) the project budget is at least ~~\$15,000,000~~ ~~\$20,000,000~~; (ii) the Capital Development Board has submitted to the Procurement Policy Board a written request for a public hearing on waiver of the application of the requirements of this Section to that project, including

[May 17, 2011]

its reasons for seeking the waiver and why the waiver is in the best interest of the State; (iii) the Capital Development Board has posted notice of the waiver hearing on its procurement web page and on the online Procurement Bulletin at least 15 working days before the hearing; (iv) the Procurement Policy Board, after conducting the public hearing on the waiver request, reviews and approves the request in writing before the award of the contract; (v) the successful low bidder has prequalified with the Capital Development Board; (vi) the bid of the successful low bidder identifies the name of the subcontractor, if any, and the bid proposal costs for each of the 5 subdivisions of work set forth in this Section; and (vii) the contract entered into with the successful bidder provides that no identified subcontractor may be terminated without the written consent of the Capital Development Board.
