d. The sign structure containing the required notices must be permanently installed with the bottom of the sign not less than 4 feet above ground level, and must be continuously maintained on the property for not less than 24 hours prior to the towing or removing of any vehicle.

6. Any towing service that tows or removes vehicles and proposes to require the owner, operator, or person in control of the vehicle to pay the costs of towing and storage prior to redemption of the vehicle must file and keep on record with the local law enforcement agency a complete copy of the current rates to be charged for such services, and post at the storage site an identical rate schedule and any written contracts with property owners, lessors, or persons in control of property which authorize them to remove vehicles as provided in this Section. 10. When a vehicle has been towed or removed pursuant to this Section, it must be released to its owner or custodian within one half hour after requested, if such request is made during business hours. Any vehicle owner or custodian or agent shall have the right to inspect the vehicle before accepting its return, and no release or waiver of any kind which would release the towing service from liability for damages incurred during the towing and storage may be required from any vehicle owner or other legally authorized person as a condition of release of the vehicle. A detailed, signed receipt showing the legal name of the towing service must be given to the person paying towing or storage charges at the time of payment, whether requested or not.

This Section shall not apply to law enforcement, firefighting, rescue, ambulance, or other emergency vehicles which are marked as such or to property owned by any governmental entity.

When an authorized person improperly causes a motor vehicle to be removed, such person shall be liable to the owner or lessee of the vehicle for the cost or removal, transportation and storage, any damages resulting from the removal, transportation and storage, attorney's fee and court costs.

Any towing or storage charges accrued shall be payable by the use of any major credit card, in addition to being payable in cash.

11. Towing companies shall also provide insurance coverage for areas where vehicles towed under the provisions of this Chapter will be impounded or otherwise stored, and shall adequately cover loss by fire, theft or other risks.

Any person who fails to comply with the conditions and restrictions of this subsection shall be guilty of a Class C misdemeanor and shall be fined not less than \$100 nor more than \$500.

(g)(1) When a vehicle is determined to be a hazardous dilapidated motor vehicle pursuant to Section 11-40-3.1 of the Illinois Municipal Code or Section 5-12002.1 of the Counties Code, its removal and impoundment by a towing service may be authorized by a law enforcement agency with appropriate jurisdiction.

(2) When a vehicle removal from either public or private property is authorized by a law enforcement agency, the owner of the vehicle shall be responsible for all towing and storage charges.

(3) Vehicles removed from public or private property and stored by a commercial vehicle relocater or any other towing service authorized by a law enforcement agency in compliance with this Section and Sections 4-201 and 4-202 of this Code, or at the request of the vehicle owner or operator, shall be subject to a possessor lien for services pursuant to the Labor and Storage Lien (Small Amount) Act. The provisions of Section 1 of that Act relating to notice and implied consent shall be deemed satisfied by compliance with Section 18a-302 and subsection (6) of Section 18a-300. In no event shall such lien be greater than the rate or rates established in accordance with subsection (6) of Section 18a-200 of this Code. In no event shall such lien be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act. Every such lien shall be payable by use of any major credit card, in addition to being payable in cash.

(4) Any personal property belonging to the vehicle owner in a vehicle subject to a lien under this subsection (g) shall likewise be subject to that lien, excepting only: child restraint systems as defined in Section 4 of the Child Passenger Protection Act and other child booster seats; eyeglasses; food; medicine; perishable property; any operator's licenses; any cash, credit cards, or checks or checkbooks; any wallet, purse, or other property containing any operator's license or other identifying documents or materials, cash, credit cards, checks, or checkbooks; and any personal property belonging to a person other than the vehicle owner if that person provides adequate proof that the personal property belongs to that person. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property excepted under this paragraph (4) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner.

(5) This paragraph (5) applies only in the case of a vehicle that is towed as a result of being involved in an accident. In addition to the personal property excepted under paragraph (4), all other personal property in a vehicle subject to a lien under this subsection (g) is exempt from that lien and may be claimed by the vehicle owner if the vehicle owner provides the commercial vehicle relocater or towing service with proof that the vehicle owner has an insurance policy covering towing and storage fees. The spouse, child, mother, father, brother, or sister of the vehicle owner may claim personal property in a vehicle subject to a lien under this subsection (g) if the person claiming the personal property provides the commercial vehicle relocater or towing service with the authorization of the vehicle owner and proof that the vehicle owner has an insurance policy covering towing and storage fees. The regulation of liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident are exclusive powers and functions of the State. A home rule unit may not regulate liens on personal property and exceptions to those liens in the case of vehicles towed as a result of being involved in an accident. This paragraph (5) is a denial and limitation of home rule powers and functions under subsection (h) of Section 6 of Article VII of the Illinois Constitution.

(6) No lien under this subsection (g) shall: exceed \$2,000 in its total amount; or be increased or altered to reflect any charge for services or materials rendered in addition to those authorized by this Act.

(h) Whenever a peace officer issues a citation to a driver for a violation of subsection (a) of Section 11-506 of this Code, the arresting officer may have the vehicle which the person was operating at the time of the arrest impounded for a period of 5 days after the time of arrest. An impounding agency shall release a motor vehicle impounded under this subsection (h) to the registered owner of the vehicle under any of the following circumstances:

(1) If the vehicle is a stolen vehicle; or

(2) If the person ticketed for a violation of subsection (a) of Section 11-506 of this Code was not authorized by the registered owner of the vehicle to operate the vehicle at the time of the violation; or

(4) If the legal owner or registered owner of the vehicle is a rental car agency; or

(5) If, prior to the expiration of the impoundment period specified above, the citation is dismissed or the defendant is found not guilty of the offense.

(8) To charge the private property owner, who requested that an unauthorized vehicle be removed from his property, with the costs of removing the vehicle contrary to any terms that may be a part of the contract between the property owner and the commercial relocator. Nothing in this paragraph shall prevent a relocator from assessing, collecting, or receiving from the property owner, lessee, or their agents any fee prescribed by the Commission;

(11) To fail to notify law enforcement authorities in the jurisdiction in which the trespassing vehicle was removed within one hour of the removal. Notification shall include a complete description of the vehicle, registration numbers if possible, the locations from which and to which the vehicle was removed, the time of removal, and any other information required by regulation, statute or ordinance;

(15) To fail to make a telephone number available to the police department of any municipality in which a relocator operates at which the relocator or an employee of the relocator may be contacted at any time during the hours in which the relocator is engaged in the towing of vehicles, or advertised as engaged in the towing of vehicles, for the purpose of effectuating the release of a towed

vehicle; or to fail to include the telephone number in any advertisement of the relocator's services published or otherwise appearing on or after the effective date of this amendatory Act; or to fail to have an employee available at any time on the premises owned or controlled by the relocator for the purposes of arranging for the immediate release of the vehicle.

Apart from any other penalty or liability authorized under this Act, if after a reasonable effort, the owner of the vehicle is unable to make telephone contact with the relocator for a period of one hour from his initial attempt during any time period in which the relocator is required to respond at the number, all fees for towing, storage, or otherwise are to be waived. (760 ILCS 5/8.5 new)

Sec. 8.5. Certification of trust.

(a) Instead of furnishing a copy of the trust instrument to a person other than the beneficiary, the trustee may furnish to the person a certification of trust containing the following information:

(1) a statement that the trust exists and the date the trust instrument was executed;

(2) the identity of the settlor;

(3) the identity and address of the currently acting trustee;

(4) the powers of the trustee;

(5) the revocability or irrevocability of the trust, whether the trust is amendable or unamendable, and the identity of any person holding a power to revoke or amend the trust;

(6) the authority of co-trustees to sign or otherwise authenticate and whether all or less than all are required in order to exercise powers of the trustee;

(7) the trust's taxpayer identification number; and

(8) the manner of taking title to trust property.

(b) A certification of trust must be signed or otherwise authenticated by one or more of the trustees. A third party may require that the certification of trust be acknowledged.

(c) A certification of trust must state that the trust has not been revoked, modified, or amended in any manner that would cause the representations contained in the certification of trust to be incorrect.

(d) A certification of trust need not contain the dispositive terms of a trust.

(e) A recipient of a certification of trust may require the trustee to furnish copies of those excerpts from the original trust instrument and later amendments which designate the trustee and confer upon the trustee the power to act in the pending transaction.

(f) A person who acts in reliance upon a certification of trust without knowledge that the representations contained therein are incorrect is not liable to any person for so acting and may assume without inquiry the existence of the facts contained in the certification. Knowledge of the terms of the trust may not be inferred solely from the fact that a copy of all or part of the trust instrument is held by the person relying upon the certification.

(g) A person who in good faith enters into a transaction in reliance upon a certification of trust may enforce the transaction against the trust property as if the representations contained in the certification were correct.

(h) A person making a demand for the trust instrument in addition to a certification of trust or excerpts is liable for damages if the court determines that the person did not act in good faith in demanding the trust instrument. A person required to examine a complete copy of the trust instrument for purposes of complying with applicable federal, state, or local law, a person acting in a fiduciary capacity with respect to a trust, and the Attorney General's Charitable Trust Bureau are deemed to be acting in good faith when demanding a copy of the trust instrument.

(i) This Section does not limit the right of a person to obtain a copy of the trust instrument in a judicial proceeding concerning the trust.
