15. worked over in the Senate and I doubt if there's any
16. questions. Would ask for a favorable roll.

13. 2885, Senator Rock. Read the bill.

14. SECRETARY:

15. House Bill 2885.
16. (Secretary reads title of bill)
17. 3rd reading of the bill.

18. PRESIDENT:

19. Senator Rock.

20. SENATOR ROCK:

21. Thank you, Mr. President, Ladies and Gentlemen of the
22. Senate. This is the annual appropriation for the State's
23. Judicial System in the amount of fifty-four million dollars.
24. It's been amended by Appropriations I and I would solicit
25. a favorable roll call.

26. PRESIDENT:

27. Is there any discussion? Senator Philip.

28. SENATOR PHILIP:

29. Will the sponsor yield for a question?

30. PRESIDENT:

31. Indicates he will yield.

32. SENATOR PHILIP:

33. Are there any raises for any clerks or any administrative

1. people at all?
2. PRESIDENT:
3. Senator Rock.
4. SENATOR ROCK:
5. ...Yes, but limited to 5.5 as with every other State
6. agency.
7. PRESIDENT:
8. Is there any further discussion? Senator Berning.
9. SENATOR BERNING:
10. Well, thank you, Mr. President. I gathered the same
11. information from one other bill that I voted no on, that
12. was 2843. Seems to me that in light of what appears to
13. be straightened financial circumstances for the State
14. of Illinois and a growing animosity on the part of the
15. electorate over the increasing cost of government at all
16. levels to arbitrarily in...grant salary increases every
17. year, is indefensible. We are not only precluding
18. any attempt at controlling government spending, but we
19. are really contributing to the inflationary spiral.
20. Ladies and Gentlemen of the Senate, if we did not get
21. any message whatsoever from the California referendum,
22. we ought to recognize that even in Illinois our fellow
23. citizens are tired of the ever escalating government
24. spending. We defend our position in additional appropria-
25. tions by the recognition that our instate income escalates
26. by about a half a billion dollars a year. But did it
27. ever occur to us to attempt to conserve that or even half
28. of it, rather than continually to appropriate every
29. available dime. Mr. President, I want the record to show
30. that I am voting Nay in protest on the appropriations which
31. contained the 5.5 salary increase.
32. PRESIDENT:
33. Senator Weaver.

1. SENATOR WEAVER:

2. Senator Rock, I was just wondering if the provisions of
3. House Bill 32 are provided for in this appropriation?

4. PRESIDENT:

5. Senator Rock.

6. SENATOR ROCK:

7. They are not.

8. PRESIDENT:

9. Is there any further discussion? If not, the question
10. is shall House Bill 2885 pass. Those in favor will vote
11. Aye. Those opposed will vote Nay. The voting is open.
12. Have all voted who wish? Have all voted who wish? Take
13. the record. On that question the Ayes are 44, the Nays
14. are 1, none Voting Present. House Bill 2885, having
15. received the required constitutional majority is declared
16. passed. On the Order of House Bills 3rd reading is House
17. Bill 2988, Senator Vadalabene. Read the bill.

18. SECRETARY:

19. House Bill 2988.

20. (Secretary reads title of bill)
21. 3rd reading of the bill.

22. PRESIDENT:

23. Senator Vadalabene.

24. SENATOR VADALABENE:

25. Yes, thank you, Mr. President and members of the Senate.
26. House Bill 2988 amended appropriates funds for the ordinary and
27. contingent expenses for the St. Louis Metropolitan Air...Airport
28. Authority and I would appreciate a favorable vote.

29. PRESIDENT:

30. Is there any discussion? If not, the question is shall
31. House Bill 2988...Senator Philip.

32. SENATOR PHILIP:

33. Is this the East St. Louis Airport Authority? That

1. controversial authority that is being put out of business
2. by the East St. Louis Airport, which the Carter administra-
3. tion has said that they're not going to expand in...an airport
4. in East Saint Louis, Illinois. Is this the same monstrosity?
5. I can't believe it. Could I have an answer on that, Robin
6. Hood?

7. PRESIDENT:

8. Senator Vadalabene. Senator Vadalabene is waving a
9. yellow folder, Senator Philip. Senator Vadalabene.

10. SENATOR VADALABENE:

11. This is not the East St. Louis Airport Authority.
12. This is a Columbia-Waterloo. This is Governor Thompson's
13. bill. This is Governor Thompson's yellow folder and I
14. would appreciate a...a favorable vote.

15. PRESIDENT:

16. Senator Regner.

17. SENATOR REGNER:

18. I would just like to thank Senator Vadalabene for
19. taking that yellow folder, because we couldn't sell it
20. on this side for a sponsor.

21. PRESIDENT:

22. Senator Vadalabene, we were doing very well until
23. you brought that folder out. Senator...Senator Kenneth
24. Hall.

25. SENATOR KENNETH HALL:

26. Thank you, Mr. President and Ladies and Gentlemen
27. of the Senate. I'm happy Senator Vadalabene called that
28. to the attention, Senator, because I wanted to be sure
29. you weren't color blind.

30. PRESIDENT:

31. Is there any further discussion? If not, the
32. question is shall House Bill 2988 pass. Those in favor
33. will vote Aye. Those opposed will vote Nay. The voting

1. is open. Have all voted who wish? Have all voted who
2. wish? Have all voted who wish? Take the record. On
3. that question the Ayes are 31, the Nays are 10, 4 Voting
4. Present. House Bill 2988, having received a required
5. constitutional majority is declared passed. We have an
6. ...for what purpose does Senator Vadalabene arise?
7. SENATOR VADALABENE:
8. Having voted on the prevailing side, I don't want
9. to take a chance.
10. PRESIDENT:
11. Senator Vadalabene moves to...to reconsider, Senator
12. Johns move to Table. All those in favor signify by
13. saying Aye. Opposed. The Ayes have it. The motion is
14. Tabled. We have an additional list of appropriation
15. bills which the staffs have checked and they are as
16. follows: House Bill 2979, Senator Rupp, House Bill
17. 2981, Senator Nimrod, House Bill 3077, Senator Bloom,
18. House Bill 3124, Senator Sangmeister, House Bill 3197,
19. Senator Leonard, House Bill 3368, Senator Collins.
20. Do we have leave to go to the...the order of those bills?
21. Leave is granted. On the Order of House Bills 3rd reading.
22. House Bill 2979, Senator Rupp. Read the bill.
23. SECRETARY:
24. House Bill 2979.
25. (Secretary reads title of bill)
26. 3rd reading of the bill.
27. PRESIDENT:
28. Senator Rupp.
29. SENATOR RUPP:
30. These are just the...annual appropriation bill for
31. the Human Relations Commission and the chickee-back 2979.
32. And add on FEPC. Ask for a favorable roll call.
33. PRESIDING OFFICER: (SENATOR ROCK)

1. Is there any discussion? If not, the question is
2. shall House Bill 2979 pass. Those in favor will vote
3. Aye. Those opposed will vote Nay. The voting is open.
4. Have all voted who wish? Have all voted who wish? Take
5. the record. On that question the Ayes are 37, the Nays
6. are 10, none Voting Present. House Bill 2979 having
7. received the required constitutional majority is declared
8. passed. House Bill 2981, Senator Nimrod. Read the bill.
9. SECRETARY:
10. House Bill 2981.
11. (Secretary reads title of bill)
12. 3rd reading of the bill.
13. PRESIDENT:
14. Senator Nimrod.
15. SENATOR NIMROD:
16. Well I guess the best thing I can say is a favorable
17. roll call.
18. PRESIDENT:
19. Is there any...
20. SENATOR NIMROD:
21. Yeah, however, the increases were reduced and the
22. amounts were reduced by almost a half a million dollars.
23. I would ask...and also the Racing Board has been added
24. on to this bill yesterday and that amounts to some two
25. million, two hundred, ninety-four thousand. I would
26. ask for a favorable roll call.
27. PRESIDENT:
28. Is...is there any discussion? Senator Hickey.
29. SENATOR HICKEY:
30. Thank you, Mr. President. I wonder if the sponsor
31. would yield for a question.
32. PRESIDENT:
33. Indicates he will yield.

1. SENATOR HICKEY:

2. What was the five hundred thousand in the Arts Council
3. designated for which was eliminated?

4. PRESIDENT:

5. Senator Nimrod.

6. SENATOR NIMROD:

7. Yes, Senator Hickey, there was some seven hundred
8. thousand that was asked for, an increase in grants, and
9. that amount was reduced down to three hundred thousand.
10. And also the ethnic appropriation of two hundred thousand
11. was reduced by eighteen thousand, five hundred.

12. PRESIDENT:

13. Senator Hickey.

14. SENATOR HICKEY:

15. Is it more than...is the total more than last year?
16. Thank you.

17. PRESIDENT:

18. Senator Mitchler.

19. SENATOR MITCHLER:

20. Oh, Mr. President and members of the Senate. I'd
21. point out again, if...if the time comes when we decide
22. we are going to start being conservative and reducing
23. the cost of State government, this is one area that
24. I think we can start in. It's about a two...about a
25. three million dollar appropriation and I notice that
26. you have in there for about...almost a million dollars
27. in to the Illinois Arts Council Trust Fund and that's
28. a program to enhance the culutural environment in
29. Illinois. We've got many universities, we've got local
30. areas, a lot of this can be done by grants from local
31. volunteer organizations. But this started out a few
32. years ago with a twenty-five thousand or fifty-thousand
33. dollar appropriation. It's now up to about three million

1. and it's a haven for all of these people that like to gather
2. and get in their tuxedos and meet and display their arts
3. and this would be one of the areas that we could cut down.
4. It can be done in the private sector by people that are
5. interested and got the money and want...want to promote
6. these arts and that...not have the State of Illinois get
7. involved in it.

8. PRESIDENT:

9. Is there any further discussion? If not, the question
10. is shall House Bill 2981 pass. Those in favor will vote
11. Aye. Those opposed will vote Nay. The voting is open.
12. Have all voted who wish? Have all voted who wish? Take
13. the record. On that question the Ayes are 37, the Nays
14. are 10, 2 Voting Present. House Bill 2981 having received
15. the required constitutional majority is declared passed.
16. House Bill 3077, Senator Bloom. Read the bill.

17. SECRETARY:

18. House Bill 3077.
19. (Secretary reads title of bill)
20. 3rd reading of the bill.

21. PRESIDENT:

22. Senator Bloom.

23. SENATOR BLOOM:

24. Thank you, Mr. President. This is the appropriation
25. for the Dangerous Drug Commission and also the Liquor
26. Control Commission. The Liquor Control Commission
27. appropriation is five hundred and thirty-six thousand
28. and the Dangerous Drug with the two committee amendments
29. and the Floor amendment would be 11.7 million. They're
30. both dangerous drugs, yes, Senator Weaver. Any questions?

31. PRESIDENT:

32. Senator Regner.

33. SENATOR REGNER:

1. Mr. President and members of the Senate. Just to tell
2. the rest of the Senate what was discussed to a great extent
3. in committee and that is to put the Liquor Control Commission
4. into the Department of Law Enforcement. They rely on the
5. Department of Law Enforcement a great deal to carry out
6. their duties and the feeling of the committee was that
7. they should be included in Law Enforcement, however, it
8. would take statutory language to do that and Senator
9. Carroll and myself intend next year to introduce legisla-
10. tion to Statutorily put the Liquor Commission in the
11. Department of Law Enforcement, but it has to be separate
12. this year yet because of the language in the Statutes.

13. PRESIDENT:

14. Senator Schaffer.

15. SENATOR SCHAFFER:

16. Mr. President, the...I'm going to oppose this particular
17. appropriation because of the Dangerous Drugs Commissions
18. absolute unwillingness to do anything in the suburban area.
19. They seem to totally ignore the drug problems in a large part
20. of this State and until they recognize that there are drug
21. problems everywhere, I don't feel inclined to recognize
22. their appropriation.

23. PRESIDENT:

24. Is there any further discussion? If not, the question
25. is shall House Bill 3077 pass. Those in favor will vote
26. Aye. Those opposed will vote Nay. The voting is open.
27. (Machine cut-off)...all voted who wish? Have all voted
28. who wish? Take the record. On that question the Ayes are
29. 39, the Nays are 6, 5 Voting Present. House Bill 3077,
30. having received the required constitutional majority is
31. declared passed. On the Order of House Bills 3rd reading
32. is House Bill 3124, Senator Sangmeister.

33. SECRETARY:

1. House Bill 312...

2. PRESIDENT:

3. Mr. Secretary, take it out of the record. On the

4. Order of House Bills 3rd reading, House Bill 3197. Senator

5. Leonard, read the bill.

6. SECRETARY:

7. House Bill 3197.

8. (Secretary reads title of bill)

9. 3rd reading of the bill.

10. PRESIDENT:

11. Senator Leonard.

12. SENATOR LEONARD:

13. This bill appropriates twenty-one million, six hundred

14. thousand dollars for the ordinary, contingent and distributive

15. expenses of the State Comptroller in Fiscal '79 and I ask

16. for its adoption.

17. PRESIDENT:

18. Is there any discussion? If not...Senator Berning.

19. SENATOR BERNING:

20. Just want to make the same inquiry. Does this have

21. the 5.5 salary increase?

22. PRESIDENT:

23. Senator Leonard.

24. SENATOR LEONARD:

25. Yes, it does.

26. PRESIDENT:

27. Is there any further discussion? Senator Buzbee.

28. Is there any further discussion? If not, the question

29. is shall House Bill 3197 pass. Those in favor will

30. vote Aye. Those opposed will vote Nay. The voting is

31. open. Have all voted who wish? Have all voted who

32. wish? Take the record. On that question the Ayes

33. are 39, the Nays are 6, none Voting Present. House

34. Bill 3197 having received the required constitutional

1. majority is declared passed. On the Order of House Bills
2. 3rd reading is House Bill 3368, Senator Collins. Read the
3. bill, Mr. Secretary.
4. SECRETARY:
5. House Bill 3368.
6. (Secretary reads title of bill)
7. 3rd reading of the bill.
8. PRESIDENT:
9. Senator Collins.
10. SENATOR COLLINS:
11. Mr. President, this is the annual appropriation for
12. the Intergovernmental Cooperation Commission. Total appropriation is
13. five hundred and forty-nine thousand, round figure and I move
14. for a favorable roll call.
15. PRESIDENT:
16. Is there any discussion? If not, the question is shall
17. House Bill 3368 pass. Those in favor will vote Aye. Those
18. opposed will vote Nay. The voting is open. Have all voted
19. who wish? Have all voted who wish? Take the record. On
20. that question the Ayes are 41, the Nays are 8, none Voting
21. Present. House Bill 3368 having received the required
22. constitutional majority is declared passed. May I have
23. your attention. We have another list of bills that have
24. been checked by the staffs and appear to be without sub-
25. stantial controversy and we would ask leave to go to
26. those bills and they are House Bill 384, Senator Guidice,
27. House Bill 1068, Senator Ziomek, House Bill 2730, Senator
28. Rupp, House Bill 3027, Senator Bloom, House Bill 3135,
29. Senator Davidson, House Bill 3386, Senator Berning. Is
30. leave granted? Leave is granted. On the Order of House
31. Bills 3rd reading, House Bill 384, Senator Guidice.
32. Read the bill, Mr. Secretary.
33. SECRETARY:

1. House Bill 384.

2. (Secretary reads title of bill)

3. 3rd reading of the bill.

4. PRESIDENT:

5. Senator Guidice.

6. SENATOR GUIDICE:

7. Thank you, Mr. President and members of the Senate.

8. The House Bill 384 does exactly what the Calendar showed that

9. provides that resolutions, motions...ordinances returned

10. to City Council by the Mayor must be considered at the

11. next regular meeting of the council. There's also an

12. amendment and I would yield to Senator Berning to explain

13. that part of the amendment which is the other part of the

14. bill.

15. PRESIDENT:

16. Senator Berning.

17. SENATOR BERNING:

18. Thank you, Mr. President. The bill as amended...

19. the bill as amended accommodates one little village in

20. Lake County which by referendum sometime back established

21. a two year term for its board members. The very next

22. year by referendum they sought to change that and elect

23. their members for the usual four year terms, however,

24. they have not been able to do so because of the existing

25. Statute, which restricts them and consequently at this

26. time they are electing one trustee, one year, and five

27. at the following election. And all this amendment does

28. is allow them to phase in the election of three trustees

29. at every other election.

30. PRESIDENT:

31. Senator Kenneth Hall.

32. SENATOR KENNETH HALL:

33. Would the sponsor yield for a question?

1. PRESIDENT:
2. Indicates he will yield.

3. SENATOR KENNETH HALL:
4. Senator, does this apply to all cities? I mean, what...

5. PRESIDENT:
6. The question is directed to Senator Berning?

7. SENATOR KENNETH HALL:
8. Okay.

9. PRESIDENT:
10. Senator Berning.

11. SENATOR BERNING:
12. If you are inquiring about the amendment that affects
13. this one village in Lake County, I would say no, it doesn't
14. affect any other because no other municipality is on the
15. election schedule that Lindenhurst is at this time.

16. PRESIDENT:
17. Senator Kenneth Hall.

18. SENATOR KENNETH HALL:
19. I thought I understood Senator Guidice says that
20. the...it does exactly what it says here on the Calendar
21. and if I'm reading correctly, it says that resolution,
22. motions and ordinance return to the city council by
23. the mayor must be considered the next regular meeting
24. of the council. So what...that's my point.

25. PRESIDENT:
26. Senator Guidice.

27. SENATOR GUIDICE:
28. That part, yes.

29. PRESIDENT:
30. Is there any further discussion? If not, the question
31. is shall House Bill 384 pass. Those in favor will vote Aye.
32. Those opposed will vote Nay. The voting is open. Have all
33. voted who wish? Have all voted who wish? Take the record.

1. On that question the Ayes are 36, the Nays are 9, 2 Voting
2. Present. House Bill 384 having received the required
3. constitutional majority is declared passed. House Bill 1068,
4. Senator Ziomek. Read the bill.
5. SECRETARY:
6. House Bill 1068.
7. (Secretary reads title of bill)
8. 3rd reading of the bill.
9. PRESIDING:
10. ...Ziomek.
11. SENATOR ZIOMEK:
12. Thank you, Mr. President and members of the Senate.
13. This bill just extends by ten days the earliest date
14. on which a registered elector may apply for an absentee
15. ballot. And I ask for a favorable roll call.
16. PRESIDENT:
17. Is there any discussion? Senator Rhoads.
18. SENATOR RHOADS:
19. Yes, the bill does one other thing by virtue of
20. Amendment No. 1 and it provides that the chairman...the
21. salary of the Chairman of the Chicago Board of Election
22. Commissioners is raised from thirty-five thousand to
23. forty-eight thousand, five hundred and prohibits outside
24. employment for that chairman. And I rise in support
25. of the bill.
26. PRESIDENT:
27. Is there any further discussion? If not, the
28. ...question is shall House Bill 1068 pass. Those in
29. favor will vote Aye. Those opposed will vote Nay. The
30. voting is open. Have all voted who wish? Have all voted
31. who wish? Take the record. On that question the Ayes
32. are 39, the Nays are 10, 2 Voting Present. House Bill
33. 1068 having received the required constitutional majority

1. is declared passed. For what purpose does Senator Demuzio
2. arise?
3. SENATOR DEMUZIO:
4. Yes, I'd...I would like the record to reflect that
5. had I been in my seat I would have voted Aye on House
6. Bill 3197 and the same request of Senator Netsch, please.
7. PRESIDENT:
8. The record will so show. Senator Vadalabene, for
9. what purpose do you arise?
10. SENATOR VADALABENE:
11. Yes, I was in a caucus out in the rotunda when House
12. Bill 384 passed and I would like to be shown had I been
13. here that I would have voted Aye.
14. PRESIDENT:
15. The record will so reflect, Senator. House Bill
16. 2730, Senator Rupp. Read the bill.
17. SECRETARY:
18. House Bill 2730.
19. (Secretary reads title of bill)
20. 3rd reading of the bill.
21. PRESIDENT:
22. Senator Rupp.
23. SENATOR RUPP:
24. Thank you, Mr. President. House Bill 2730 contains
25. two items now. One is the original, one was the labor
26. supplemental which came in from the House at seven and a
27. half million. It was reduced by Senate Amendments by
28. two million and that's now five million, five hundred and
29. forty-eight thousand. The Industrial Commission which was
30. added on at the start, was two million, nine hundred and
31. fifty-eight thousand. That was reduced two hundred and fifty
32. thousand, it's now two hundred and seven-eight thousand.
33. I ask for a favorable roll call.

1. PRESIDENT:

2. Senator Knuppel.

3. SENATOR KNUPPEL:

4. Well, if I understood Senator Rupp correctly, he
5. said there had been an amendment decreasing the amount
6. of money appropriated for the industrial commission from
7. their original request. May I ask, was their original
8. request increased and if so, how much from last year?

9. PRESIDENT:

10. Senator Rupp.

11. SENATOR RUPP:

12. I don't have that entry right in front of me. Take
13. it out of the record. I can tell you that it was introduced
14. in the Senate at two million, nine fifty-eight, eight hundred
15. thousand.

16. PRESIDENT:

17. Senator Knuppel.

18. SENATOR KNUPPEL:

19. Let me say this. I'm very concerned about the Industrial
20. Commission. I've tried a few Industrial Commission cases as Senator
21. Hickey knows and there is a deplorable situation existing
22. there at the present time where if you get an award that's
23. appealed you cannot get that reviewed in very much less
24. than one year. Now whether shortage of...of personnel, whether
25. shortage of court reporters or whatever it is, we have people
26. who are industrially injured in the State of Illinois who are
27. not getting the relief that the Industrial Commission was
28. created to give them, which is prompt, rather than to be held
29. up for years like you are in a negligence case. And I...and
30. I want the thing taken out of the record because I want
31. some consideration given to the fact that this Body is not
32. functioning in the State of Illinois despite all they may
33. want to be doing, they're not functioning as they were designed

1. to function, to serve those people who are injured in
2. industry in the State of Illinois and I hate to see their
3. budget cut when they're doing the best they can and when
4. the...when the funds very well may be needed and it's
5. a paltry two hundred and fifty thousand when we talk
6. about the size of this budget and I just can't see
7. cutting these people while they are not getting the job
8. done.

9. PRESIDENT:

10. Senator Rupp.

11. SENATOR RUPP:

12. Mr. President, be pleased to take it out. This is
13. more than it was last year, I learned that, but I'll be
14. pleased to take it out of the record and discuss the
15. matter. Thank you.

16. PRESIDENT:

17. All right. Senator Rupp has asked leave to take
18. the bill out of the record. It will be taken out of
19. the record. Senator Hickey.

20. SENATOR HICKEY:

21. Thank you, Mr. President. I just wanted to remind
22. Senator Knuppel again that two hundred and fifty thousand
23. dollars isn't going to save the work of the Industrial
24. Commission and make it what it should be. As I think
25. ...he's heard me say before, it needs complete reorganization
26. and while I'm glad that he's interested in not seeing it
27. cut down, I am too. This is never going to make it do
28. what it's supposed to do.

29. PRESIDENT:

30. On the Order of House Bills 3rd reading, House Bill
31. 3027, Senator Bloom. Read the bill.

32. SECRETARY:

33. House Bill 3027.

1. (Secretary reads title of bill)

2. 3rd reading of the bill.

3. PRESIDENT:

4. Senator Bloom.

5. SENATOR BLOOM:

6. Thank you, Mr. President. This bill is very close
7. to House Bill 2173 which passed both Houses of this
8. General Assembly last year. It was Vetoed by the
9. Governor as lacking four provisions. This bill has
10. added these four provisions including the probation
11. officers subsidy and that's also put under the administra-
12. tive office of the Illinois courts where they would establish
13. minimum hiring promotional standards for state subsidized
14. county probation officers, uniform record keeping, system
15. of training for them and a system of collecting uniform
16. statistical information. I'd be glad to answer any questions.

17. PRESIDENT:

18. Senator Knuppel.

19. SENATOR KNUPPEL:

20. Well, this is another bill that I spoke on in...in
21. committee and I voted for it, I'm going to vote for it
22. again because these...these people say they want this.
23. I think it just creates more bureaucracy and...and I
24. don't think they're really even sure themselves that
25. with this extra record keeping and so forth, that it's
26. going to uniform record keeping and so forth, that it's
27. going to make a better job that they do. I think it's just
28. going to be further bureaucracy, they know I think this, but
29. my people in my district have...asked me to support it,
30. they think it'll help, although they're quite doubtful.

31. PRESIDENT:

32. Is there any further discussion? If not, the question
33. is shall House Bill 3027 pass. Those in favor will vote Aye,

1. those opposed will vote Nay. The voting is open. Have all
2. voted who wish? Have all voted who wish? Take the record.
3. On that question the Ayes are 49, the Nays are none, none
4. Voting Present. House Bill 3027 having received the
5. required constitutional majority is declared passed. House
6. Bill 3135, Senator Davidson. Is Senator Davidson on the
7. Floor? Read the bill, Mr. Secretary.
8. SECRETARY:
9. House Bill 3135.
10. (Secretary reads title of bill)
11. 3rd reading of the bill.
12. PRESIDENT:
13. Senator Davidson.
14. SENATOR DAVIDSON:
15. Yes, Mr. President and members of the Senate. This
16. bill, since it was amended yesterday, now does two things.
17. It has a, as it states on the Calendar, for the busses and
18. the bus drivers and the additional was put in yesterday
19. for Secretary of State, for the staggered registration
20. which will let the Secretary of State save two hundred
21. and seventeen thousand dollars on a license registration.
22. Appreciate a favorable vote.
23. PRESIDENT:
24. Is there any discussion? Senator Vadalabene.
25. SENATOR VADALABENE:
26. Yes, as joint sponsor, I would urge my colleagues
27. to support this legislation.
28. PRESIDENT:
29. Senator Glass.
30. SENATOR GLASS:
31. Question of the sponsor, if he will yield. Senator
32. Davidson, under the present law, is...is it true that
33. anybody drinking alcohol on a bus is operating illegally,

1. is that correct? Whether it's a charter bus or any other bus?

2. PRESIDENT:

3. We have a request for television filming during the
4. Session. Is leave granted? Leave is granted. Senator
5. Davidson.

6. SENATOR DAVIDSON:

7. That's correct, that's why this bill was in...it
8. began with the Motor Vehicle Laws because if you were
9. on a chartered and you were there as a nondrinker or
10. didn't participate and someone on that bus did have an
11. open can of alcoholic beverages and the bus was stopped
12. or any such reason, the law enforcement officer under
13. the present law would have to give a ticket to every-
14. body on the bus whether they had an open container or
15. not.

16. PRESIDENT:

17. Senator Glass.

18. SENATOR GLASS:

19. But under the bill, are you exempting from liability
20. everybody on the bus except the driver?

21. PRESIDENT:

22. Senator...Senator Davidson.

23. SENATOR DAVIDSON:

24. Yes.

25. PRESIDENT:

26. Senator Glass.

27. SENATOR GLASS:

28. Well I...I question the wisdom of that. There may be
29. several people on the bus drinking, at least they ought to
30. be responsible for their own acts. And...and I gather from
31. what you said, they wouldn't be. So I would therefore urge
32. opposition.

33. PRESIDENT:

1. Is there any further discussion? If not, the question
2. is...Senator Davidson, you wish to close the debate? Senator
3. Davidson.

4. SENATOR DAVIDSON:

5. Yes, but Senator Glass, there's other provisions under
6. the Statute under any other number of statutes that would
7. take care of that problem if the persons were drinking.

8. PRESIDENT:

9. The question is shall House Bill 3135 pass. Those in
10. favor will vote Aye. Those opposed will vote Nay. The
11. voting is open. Have all voted who wish? Have all voted
12. who wish? Take the record. On that question the Ayes are
13. 33, the Nays are 9, none...7 Voting Present. House Bill
14. 3135 having received the required constitutional majority
15. is declared passed. House Bill 3386, Senator Berning.

16. Read the bill.

17. SECRETARY:

18. House Bill 3086.

19. (Secretary reads title of bill)

20. 3rd reading of the bill.

21. PRESIDENT:

22. Senator Berning.

23. SENATOR BERNING:

24. Thank you, Mr. President. House Bill 3386 provides
25. for the inclusion of narcotics agents who had been under
26. the...law, Department of Police to...to be brought in
27. under the Department of Law Enforcement. There are a
28. couple of other smaller changes, one that requires the
29. Statute to conform to the Federal Act eliminating the
30. discrimination against conscientious objectors and one
31. amendment that was added at the request of the department
32. to identify or to provide for the differentiation between
33. law enforcement. There are two classifications of officers

1. under the Law Enforcement Department and this was to correct
2. the definition of them. I'm...the...the term investigator
3. had to be changed to special agent in order to allow the
4. inclusion of these sworn law enforcement officers. It's
5. a clean-up sort of bill, Mr. President.

6. PRESIDENT:

7. Is there any discussion? If not, the question is shall
8. House Bill 3386 pass. Those in favor will vote Aye. Those
9. opposed will vote Nay. The voting is open. Have all
10. voted who wish? Have all voted who wish? Take the record.
11. On that question the Ayes are 37, the Nays are 9, 8...2
12. Voting...2 Voting Present. House Bill 3386 having received
13. the required constitutional majority is declared passed.

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. The Senate will stand at ease. House Bills 2nd reading.
16. House Bill 1264, Senator Savickas. House Bill 2118, Senator
17. Leonard. Wish to move the bill? We're on Order of 2nd
18. reading, page 8. House Bill 2339, Senator Berman. House
19. Bill 2539, Senator Demuzio-Vadalabene. We are...for the
20. third, yes, we are on 2nd reading. House Bill 2570, Senator
21. Hynes. House Bill 2575, Senator Lane-Johns. House Bill
22. 2632, Senator Rock. Read the bill, Mr. Secretary.

23. SECRETARY:

24. House Bill 2632.

25. (Secretary reads title of bill)

26. 2nd reading of the bill. No committee amendments.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. Are there amendments from the Floor?

29. SECRETARY:

30. No Floor amendments.

31. PRESIDING OFFICER: (SENATOR DONNEWALD)

32. 3rd reading. House Bill 2684, Senator Collins. Read
33. the bill, Mr. Secretary.

1. SECRETARY:

2. House Bill 2684.

3. (Secretary reads title of bill)

4. 2nd reading of the bill. The Committee on Elementary and

5. Secondary Education offers one amendment.

6. PRESIDING OFFICER: (SENATOR DONNEWALD)

7. Senator Collins.

8. SENATOR COLLINS:

9. Mr. President, I will yield to Senator Clewis to

10. explain that amendment. He...amendment.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

12. Senator Clewis. Senator Clewis.

13. SENATOR CLEWIS:

14. Mr. President and members of the Senate. This

15. amendment clears up a problem with the...in the Chicago

16. Board of Education in terms of the proceeds from the

17. sale or the profit...profits that come in for any school

18. owned land. Up until last Session these proceeds had

19. to go into a special land trust. There was a bill passed

20. and inadvertently the language of the bill said...on the

21. effective date of this bill that the proceeds that were

22. on deposit. So what that meant is any subsequent sales

23. or profits would revert back to the same kind of a land

24. trust situation. It clears up the intent of the original

25. bill and I move for its adoption.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Is there further discussion? The question is shall

28. Amendment No. 1 to House Bill 2684 be adopted. Those

29. in favor indicate by saying Aye. Those opposed. The

30. Ayes have it. Amendment No. 1...is adopted. Are there

31. further amendments?

32. SECRETARY:

33. No further committee amendments.

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. Are there amendments from the Floor?

3. SECRETARY:

4. Amendment No. 2 offered by Senator Philip.

5. PRESIDING OFFICER: (SENATOR DONNEWALD)

6. Senator Philip.

7. SENATOR PHILIP:

8. Thank you, Mr. President and Ladies and Gentlemen of
9. the Senate. Senate Amendment No. 2 to House Bill 2684
10. amends the life safety section of the School Code. Provides
11. that when a levy for the purpose may only be made when all
12. alterations have been approved by the regional superintendent
13. and the State superintendent. As you're probably aware, after
14. Our Lady of the Angel fire in Chicago that we in the General
15. Assembly passed a tax that would allow a one half of one
16. percent for safety and fire, which I think was a good idea.
17. Unfortunately some of the schools had been misusing this
18. half of one percent fund. And I'll give you some examples:
19. Evanston Township High School, two hundred and twenty-five
20. thousand dollars to replace cinder running tax, nineteen
21. thousand dollars to resurface six tennis courts; Kirsh
22. High School, Harvey, six thousand to enlarge the school
23. kitchen; Thornton High School, a hundred and ten thousand,
24. three hundred dollars to install a new floor in the field
25. house; ...Evergreen Park High School, fifty thousand for
26. dimmer equipment in the auditorium; I could go on and on
27. and on. All this merely does is tighten it up and it
28. makes it a little more difficult for them to receive the
29. funds.

30. PRESIDING OFFICER: (SENATOR DONNEWALD)

31. Is there discussion? Senator Berman.

32. SENATOR BERMAN:

33. Thank you, Mr. President. I rise in opposition to the

1. amendment. I think that the amendment is in response to
2. a Chicago Tribune article that was published and in a
3. typical attempt to highlight some unusual situations that
4. pinpointed some of the abuses that may have, in fact, occurred
5. in the use of these funds. But I think that what we are doing
6. here is throwing the baby out with the bath water in response
7. to the Tribune article. First of all, I would point out that
8. the present law allows the use of these funds for three purposes.
9. One, the safety of school children from fire, number two, for
10. the protection and safety of the environment and three for
11. energy conservation purposes. Those are in the existing...
12. language of the Statute. The tightening up language only
13. refers to the protection from fire and for the Environmental
14. Protection Act. It leaves out the wording for energy
15. conservation purposes and I think that it is technically
16. defective. But beyond that, I understand what Representative
17. ...what Senator Philip is trying to do and I think that perhaps
18. we ought to take a close look at some of the areas that some
19. of this money has been spent. Regrettably, I think, that we
20. don't have the time or is this the method in which to address
21. those things. I would suggest rather that Senator Philip
22. allow the...perhaps the, a subcommittee of the Senate Elementary
23. and Secondary Education Committee to take a look because I
24. think in some ways the language in the existing Statute should
25. be loosened up and in other ways it ought to be tightened up.
26. Because there are Life Safety Code expenditures that have
27. been made that are for Life and Safety Code requirements that
28. probably don't fall within the strict language of this Statute.
29. There are many safety requirements that are beyond just the
30. safety of children from fire. There can be many other areas
31. that proper use of Life Safety Code money ought to be spent
32. and neither the existing Statute nor Senator Philip's amend-
33. ment addresses that and I think also we ought to call on the

1. carpet some of the superintendents that perhaps have gone
2. far beyond what the proper use of this money is. But I
3. think that we ought to be given a more timely and a greater
4. ability to take a look and see just what should be done
5. again in line with the intent of this section and that is
6. the safety of children. So I would urge a defeat of this
7. amendment, but not a defeat in order to brush it under
8. the rug, but rather a defeat to take a proper look at
9. this area of concern.

10. PRESIDING OFFICER: (SENATOR DONNEWALD)

11. Senator Buzbee.

12. SENATOR BUZBEE:

13. Thank you, Mr. President. I agree with Senator Berman.
14. This is...a...a problem that perhaps should be addressed
15. at some point in the future, however I think that we're
16. being very hasty about...because this is in...in...
17. reaction, a reaction to one story that appeared in the
18. Chicago Tribune about some school boards...a very limited
19. number of school boards that have practiced some abuse
20. of this. Those school boards are going to have to
21. answer to their voters for that abuse and I would submit
22. that we ought to address this question at some point later
23. on in the future and defeat this amendment at this time.

24. PRESIDING OFFICER: (SENATOR DONNEWALD)

25. Senator Hynes.

26. SENATOR HYNES:

27. Mr. President and members of the Senate. It was our
28. thought that today because of the...the nature of the, not
29. only the...the day, but the Session itself and we do have
30. a few members absent that it would be limited to those
31. matters that were relatively noncontroversial and that
32. goes for 2nd reading, we've been discussing concurrences.
33. I would ask the sponsor of the amendment, take it out of

1. the record and that the sponsor of the bill hold the bill
2. on 2nd reading and we can...we can go to it tomorrow when
3. we have a full complement here. And I...and I would ask
4. any other sponsors of bills or amendments that are going
5. to generate a...a great deal of controversy to hold those
6. until tomorrow. But I do caution the membership that
7. tomorrow will be the last day for 2nd reading of Senate
8. ...of House Bills rather and therefore they will have to
9. be moved tomorrow and we will be in Session all day
10. tomorrow, as late as it takes to...to get the work done.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

12. Take the bill out of the record. Senator Hickey.

13. SENATOR HICKEY:

14. Mr. President, I'd like to ask the sponsor to...to
15. put the amendment on our desks before tomorrow.

16. PRESIDING OFFICER: (SENATOR DONNEWALD)

17. What...just a moment. The bill is...is...is remaining
18. on the Order of 2nd reading with one amendment adopted and
19. that is the posture of the bill and it is, it's not being
20. considered anymore, but Senator Philip, do we still want
21. to talk about it.

22. SENATOR PHILIP:

23. No...no, Mr. President, but I just might remind Senator
24. Hickey that when Senator Collins said she was going to call
25. the bill maybe a week ago, I did pass out an amendment to
26. every member of this Senate. So the amendment has been
27. passed on. I'm sorry if...if it's still not... I'll be
28. happy to get you an amendment.

29. PRESIDING OFFICER: (SENATOR DONNEWALD)

30. House Bills...Senator Clewis.

31. SENATOR CLEWIS:

32. Couldn't be save a lot of time by moving it on to
33. 3rd and bringing it back?

1. PRESIDING OFFICER: (SENATOR DONNEWALD)
2. No...no, that's...we'll have to leave it on the Order
3. of 2nd reading. House Bill 2691, Senator Berman. House
4. Bill 2757, Senator Glass-Davidson. House Bill 2818, Senator
5. Hickey. Read the bill, Mr. Secretary.
6. SECRETARY:
7. House Bill 2818.
8. (Secretary reads title of bill)
9. 2nd reading of the bill. No committee amendments.
10. PRESIDING OFFICER: (SENATOR DONNEWALD)
11. Senator Hickey.
12. SENATOR HICKEY:
13. There is a Floor amendment which you have there.
14. Oh, okay.
15. PRESIDING OFFICER: (SENATOR DONNEWALD)
16. Are there amendments from the Floor?
17. SECRETARY:
18. Amendment No. 1 offered by Senator Hickey.
19. SENATOR HICKEY:
20. Thank you. This bill simply deletes references to
21. full fare cash value and inserts in lieu thereof equalized
22. assessed value in the Public Community College Act and
23. after the bill was drafted we found one more incidence
24. of this and this does exactly the same thing.
25. PRESIDING OFFICER: (SENATOR DONNEWALD)
26. Is there further discussion? The question is shall
27. Amendment No. 1 to House Bill 2818 be adopted. Those
28. in favor indicate by saying Aye. Those opposed. The
29. Ayes have it. Amendment No. 1 is adopted. Are there
30. further amendments?
31. SECRETARY:
32. No further amendments.
33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. 3rd reading. House Bill 3069, Senator Egan-Carroll.
2. House Bill 3168, House Bill 3177, Senator Savickas, House
3. Bill 3192, Senator Egan-Carroll. 3192. It's your desire
4. to call it. Read the bill, Mr. Secretary.

5. SECRETARY:

6. House Bill 3192.

7. (Secretary reads title of bill)

8. 2nd reading of the bill. No committee amendments.

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. Are there amendments from the Floor?

11. SECRETARY:

12. No Floor amendments.

13. PRESIDING OFFICER: (SENATOR DONNEWALD)

14. 3rd reading.

2. Senator Buzbee for what purpose do you arise?

3. SENATOR BUZBEE:

4. I had a question of the sponsor, Mr. President. I wanted...

5. does he favor the bill or is he opposed to it?

6. PRESIDING OFFICER: (SENATOR DONNEWALD)

7. Well you...he's right next to you. Ask him. House Bill

8. 3202, Senator Newhouse. House Bill 3236, Senator Shapiro.

9. 3236, Senator Shapiro. House Bill 32...House Bill 3276,

10. Senator Coffey. Read the bill, Mr. Secretary.

11. SECRETARY:

12. House Bill 3276.

13. (Secretary reads title of bill)

14. ...2nd reading of the bill. No committee amendments.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. Just a moment. Senator Hynes for what purpose do you

17. arise?

18. SENATOR HYNES:

19. That's all right.

20. PRESIDING OFFICER: (SENATOR DONNEWALD)

21. Senator Carroll.

22. SENATOR CARROLL:

23. Thank you. Since many members are getting a little

24. nervous the agreement with Senator Coffey is to move this

25. bill today to save the legislative day and bring it back

26. tomorrow for dealing with any and all amendments.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. Is there leave? Leave is granted. Are there Floor...

29. are there amendments from the Floor?

30. SECRETARY:

31. No Floor amendments.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. 3rd reading...with that understanding. Senator Knuppel, for

1. what purpose do you arise?
2. SENATOR KNUPPPEL:
3. You've just finished 2nd reading now?
4. PRESIDING OFFICER: (SENATOR DONNEWALD)
5. It appears that's the case.
6. SENATOR KNUPPPEL:
7. Yeah. Well it may be out of order but at this particular
8. moment you will recall we had here before us on the Motions
9. to Discharge House Bill 2604 of Senator Sangmeister's. I
10. don't want to have it heard today but I do want to move to
11. continue that motion to hearing until a later date. Now I know...
12. I've talked to Senator Hynes. He says there's some problems
13. with this. However, I'll talk to him in the meantime and see
14. if we can get them worked out but I'd ask leave to continue
15. that until say Monday.
16. PRESIDING OFFICER: (SENATOR DONNEWALD)
17. Do we have leave? Senator Hynes.
18. SENATOR HYNES:
19. Well he has leave to do it but I...I also want leave to continue
20. any objections that I might have so that we can avoid the...
21. PRESIDING OFFICER: (SENATOR DONNEWALD)
22. There's leave for that. Senator Knuppel.
23. SENATOR KNUPPPEL:
24. I just passed out a court...or a newspaper article here.
25. Of course, that doesn't necessarily say what...
26. PRESIDING OFFICER: (SENATOR DONNEWALD)
27. Is this a point of personal privilege...
28. SENATOR KNUPPPEL:
29. Yes.
30. PRESIDING OFFICER: (SENATOR DONNEWALD)
31. ...Senator.
32. SENATOR KNUPPPEL:
33. Yes. It has to do...

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. State your point.

3. SENATOR KNUPPEL:

4. ...with a high court decision with respect to the dumping
5. of trash. We've spend a great deal of time on that in the last
6. two years and I just thought that it would be of interest to
7. everybody in this Body. Now you can't judge what a court
8. decision is by what comes out in the newspaper but at least
9. at the time and the first time and I think every time that I've
10. voted against Senator Demuzio's bills I am in sympathy with him
11. but I have made this statement that I thought that to prohibit
12. other states interfered with interstate commerce and that they
13. were unconstitutional. I just thought it might be of interest
14. to this Body.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. On...Senator Graham, for what purpose do you arise?

17. SENATOR GRAHAM:

18. To follow up with Senator Knuppel on a point of personal
19. privilege on that same sheet...on that same sheet that he
20. passed out on...on the right hand column in the lower part
21. you might find something fairly interesting with...with regard
22. to a court decision regarding what they may do if a prisoner
23. successfully sues the Department of Corrections and wins his
24. lawsuit, who might pay the bills. There's more to that than
25. dumping of trash. This is very important under the same Article,
26. Senator.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. On the Order of...page 11, Secretary's Desk...On the...

29. Senator Knuppel, for what purpose do you arise?

30. SENATOR KNUPPEL:

31. I just wanted to respond. It doesn't have anything to do
32. with prisoners conjugal rights does it?

33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. No. Senator Hynes.

2. SENATOR HYNES:

3. Mr. President, on the Order of the Secretary's Desk on
4. Concurrences there are several bills. Some of them are with-
5. out controversy and can be moved or nonconcurrent in and...the
6. conferences...the conference committee procedure can get under
7. way and I would suggest we go to that but, again, with the
8. understanding that if there is objection from leadership on
9. either side that the bill will be held until tomorrow but
10. there are several that can be moved that are without any
11. controversy the best we can determine.

12. PRESIDING OFFICER:(SENATOR DONNEWALD)

13. Senator Demuzio, for what purpose do you arise? Your button
14. is flickering.

15. SENATOR DEMUZIO:

16. I just wanted to point out some of the other things...

17. PRESIDING OFFICER: (SENATOR DONNEWALD)

18. Is this a point of personal privilege?

19. SENATOR DEMUZIO:

20. Yes, a point of personal privilege.

21. PRESIDING OFFICER: (SENATOR DONNEWALD)

22. Well, all right.

23. SENATOR DEMUZIO:

24. I just wanted to point out a few other things that the high
25. court has done in this article that was passed out if you notice
26. on the right hand side, the court ruled unanimously that
27. Mississippi has no authority to enforce its criminal laws
28. in lands designated for reservation of the Choctaw Indians and
29. I wanted to point that out to...to all of the members of the
30. Senate here that were curious about this...these...high court
31. rulings.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. On page 11, Secretary's Desk on the Order of Concurrences

1. on Senate Bill 82, Senator Regner. Senate Bill 554, Senator
2. D'Arco. Senate Bill 571, Senator D'Arco. Senate Bill 771,
3. Senator Netsch. Senate Bill 1060, Senator Berman. Senate
4. Bill 1419, Senator Maragos. Senator Maragos. Senate Bill
5. 1475, Senator Sangmeister. Senate Bill 1523, Senator Regner.
6. Senate...Senator Shapiro, you wish to proceed with this?
7. Senate Bill 1527. Senate...Senator Shapiro.

8. SENATOR SHAPIRO:

9. Mr. President and Ladies and Gentlemen of the Senate.
10. Senate Bill 1527 is the annual appropriation for the Board
11. of Regents and when it left the Senate and arrived in the House
12. it had a typing error in one of the line items on page 1,
13. line 25 and had happened, the typist had transposed two digits
14. in the one of the line item appropriations and what the House
15. amendment does is changes nine hundred and thirty-four thousand
16. nine hundred dollars to nine hundred and forty-three thousand
17. nine hundred dollars so I would now move that the Senate concur
18. to House Amendment No. 1 to Senate Bill 1527.

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. Is there discussion? The question is, shall the Senate
21. concur in House Amendment No. 1 to Senate Bill 1527. Those in
22. favor vote Aye. Those opposed Nay. The voting is open. Have
23. all those voted who wish? Have all those voted who wish? Take
24. the record. On that question, the Ayes are 51, the Nays are
25. None. The Senate does concur in House Amendment No. 1 to
26. Senate Bill 1527 and the bill having received the required
27. constitutional majority is declared passed. Senate Bill 1530,
28. Senator Bruce. Senator Bruce.

29. SENATOR BRUCE:

30. Thank you...Mr. President and members of the Senate. The
31. amendment added by the House and which I think we...with which
32. we ought to concur adds back in the IBA rental. Senator Weaver
33. put an amendment on in the Senate to remove the retirement portion

1. of the Community College Appropriation. There was a typing error
2. and we removed Section VII rather than Section VI and when we
3. renumbered the sections of the bill we had removed the twelve
4. million six hundred thousand dollars to pay IBA rentals rather
5. than the section that we wanted to remove on the retirement.
6. The House corrected the error as removed the retirement money
7. that is now in another bill. This reinstates the twelve
8. million six hundred thousand for IBA rentals which is what we
9. intended to do. I talked to the Secretary of the Senate. It
10. was an error of all the amendments being Tabled and reoffered
11. and in the renumbering we took out the wrong section. I would
12. move that we concur with House Amendment No. 1 to Senate Bill
13. 1530.

14. PRESIDING OFFICER:(SENATOR DONNEWALD)

15. ...Is there discussion? The question is, shall the Senate
16. concur in House Amendment No. 1 to Senate Bill 1530. Those in
17. favor vote Aye. Those opposed Nay. The voting is open. Have
18. all voted who wish? Have all those voted who wish? Take the
19. record. On that question, the Ayes are 51, the Nays are 1.
20. The Senate does concur in House Amendment No. 1 to Senate Bill
21. 1530 and bill having received the required constitutional
22. majority is declared passed. Senate Bill 1534, Senator Kenneth
23. Hall. Senator Kenneth Hall. We're ready.

24. SENATOR KENNETH HALL:

25. Thank you, Mr. President and Ladies and Gentlemen of the
26. Senate. I move to concur with Amendment 1 to Senate Bill 1534.
27. Now this was the Community College Rate bill and it was included
28. into our bill over there House...Senate Bill 1534. I think
29. Senator Bruce...It was Senator Bruce's bill so I'll defer to
30. him and let you...him explain the other portion of it.

31. PRESIDING OFFICER:(SENATOR DONNEWALD)

32. Senator Bruce.

33. SENATOR BRUCE:

1. Thank you, Mr. President and members of the Senate. House
2. Amendment No. 1 adds back in the identical rates for community
3. colleges which was contained in House Bill 1529 as it left the
4. Senate. The House Rules Committee in the last day that they
5. were having deliberation did not run out 1529. They did run
6. out 1530. The bill...that we just passed for the appropriation.
7. The rates contained in the bill are the five that we talked
8. about with the approval of the Board of Higher Education,
9. Illinois Community College Board and I would ask for a concurrence
10. in House Amendment No. 1 to Senate Bill 1534.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

12. Is there discussion? The question is, shall the Senate
13. concur in House Amendment No. 1 to Senate Bill 1534. Those in
14. favor vote Aye. Those opposed Nay. The voting is open. Have
15. all those voted who wish? Have all those voted who wish? Take
16. the record. On that question, the Ayes are 42, the Nays are 4.
17. The Senate does concur in...House Amendment No. 1 to Senate Bill
18. 1534 and bill having received the constitutional...received the
19. required constitutional majority is declared passed. Senate
20. Bill 1546, Senator Bloom. Proceed. Senator Bloom.

21. SENATOR BLOOM:

22. Yes thank you, Mr. President. This is the Gas Curtailment
23. bill that came over with the House Amendment No. 2. I've
24. discussed this with the Chairman of the Agriculture and Energy
25. Resources Committee and the majority leader and I would move
26. that we nonconcur with Representative Levine's amendment.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. Is there discussion? Senator Bloom moves to nonconcur
29. in House Amendment No. 2 to Senate Bill 15...Just a moment.
30. Senator Grotberg, did you wish to discuss this issue? Senator Grotberg.

31. SENATOR GROTERBERG:

32. I appreciate the noncurrence but is it fair to ask you what
33. that amendment did to this concept, Senator Bloom?

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. Senator Bloom.

3. SENATOR BLOOM:

4. Yes, I'm sorry, Senator Grotberg, the bill as it went out
5. spoke to...giving preference to essential human services. The
6. bill as it came out came back refers with more specificity
7. and omits schools or attendance centers which certainly would
8. provide essential human services.

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. Is there further discussion? Senator Bloom moves to
11. nonconcur in House Amendment No. 2 to Senate Bill 1546. All
12. those in favor indicate by saying Aye. Those opposed. The
13. Ayes have it. The motion carries and the Secretary shall so
14. inform the House. Senate Bill 1555, Senator Lane. Senate
15. Bill 1598, Senator Bloom. You may proceed.

16. SENATOR BLOOM:

17. Thank you, Mr. President. This is the appropriation for
18. the...ordinary and contingent expenses, the Office of the
19. Commissioner of Savings and Loans. Senate...or House Amendment
20. No. 1 as it came back deleted providing them funds for moving
21. expenses. As we learned in Appropriations Committee, Director
22. Puckorious is evicting them. I've discussed this with both
23. minority and majority appropriations staff and the Chairman
24. of Appropriation I and I'd move that we nonconcur so that we
25. could get them back their moving expenses. Thank you.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Is there discussion? Senator Bloom moves to nonconcur in
28. House Amendment No. 1 to Senate Bill 1598. Those in favor
29. indicate by saying Aye. Those opposed. The Ayes have it. The
30. motion carries and the Secretary shall so inform the House.
31. Senate Bill 1667, Senator Glass. You may proceed.

32. SENATOR GLASS:

33. Thank you, Mr. President and Ladies and Gentlemen. I move

1. to concur with House Amendment 1 and 3 to Senate Bill 1667.
2. This is...these are amendments both of which are virtually
3. identical to bills passed in the Senate but, apparently,
4. did not get out of the House Rules Committee. The first one
5. was put on by Representative Houlihan increasing from sixty
6. to eighty acres the size of property that can be in...annexed
7. by a park district when it is wholly bounded one or more park
8. districts, river, lake, railroad, et cetera. Amendment 3 was
9. put on by Representative Schneider and is the DuPage County
10. amendment that you recall that Senator Bowers sponsored the
11. bill over here. This is where a provision that a park district
12. located in a county of over four hundred and fifty thousand
13. population but less than a million population shall have
14. condemnation and eminent domain powers as to all real estate
15. situated up to a mile outside the district and I...I move for
16. concurrence with these amendments.

17. PRESIDING OFFICER: (SENATOR DONNEWALD)

18. Senator Rock.

19. SENATOR ROCK:

20. Yeah, just a question to the sponsor. As I read the
21. digest today I think the Calendar might be in error. It
22. appears that it's Amendment No. 2. Is that the way the
23. message reads?

24. PRESIDING OFFICER: (SENATOR DONNEWALD)

25. Mr. Secretary.

26. SECRETARY:

27. According to the...to the record it is Amendment No. 1
28. and 3.

29. PRESIDING OFFICER: (SENATOR DONNEWALD)

30. Senator Rock.

31. SENATOR ROCK:

32. I wonder then if we might take it out of the record. The
33. ...the digest says Amendment No. 2 and that's the one about

1. which Senator Glass just explained and further Senator Wooten
2. yesterday amended a bill...I'm trying to remember the number...
3. 1651 having to do with this same section and it concerned
4. itself with the Rock Island Park District to...they were
5. attempting to accommodate and I...this amendment would appear
6. to disaccommodate them. Maybe we can...if you just hold it...
7. maybe...I'm sure we can work it out.

8. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. Take it out of the record. Senate Bill 1723, Senator
10. McMillan. You may proceed.

11. SENATOR McMILLAN:

12. The amendment that was added in the House clears up some
13. language with regard to types of windstorms and makes it very
14. clear in this bill which deals with the regulation of ware-
15. houses, precisely, what kind of insurance a warehouse operator
16. has to have and I would move to concur with the House amendment.

17. PRESIDING OFFICER: (SENATOR DONNEWALD)

18. Is there discussion? The question is, shall the Senate
19. concur in House Amendment No. 1 to Senate Bill 1723. Those in
20. favor vote Aye. Those opposed Nay. The voting is open. Have
21. all those voted who wish? Take the record. On that question,
22. the Ayes are 52, the Nays are None and the Senate does concur
23. in House Amendment No. 1 to Senate Bill 1723 and bill having
24. received the required constitutional majority is declared
25. passed. Senate Bill 1747, Senator Merlo. You may proceed.

26. SENATOR MERLO:

27. Thank you, Mr. President and members of the Senate.
28. I move to concur to House Amendment No. 1 to Senate Bill 1747.
29. It makes the amendatory act effective upon its becoming law.

30. PRESIDING OFFICER: (SENATOR DONNEWALD)

31. Is there further discussion? The question is, shall the
32. Senate concur in House Amendment No. 1 to Senate Bill 1747.
33. Those in favor vote Aye. Those opposed Nay. The voting is

1. open. (Machine cutoff) voted who wish? Have all those voted
2. who wish? Take the record. On that question, the Ayes are
3. 50, the Nays are None. The Senate does concur in Amendment
4. No. 1 to Senate Bill 1747 and the bill having received the
5. required constitutional majority is declared passed. Senate
6. Bill 1785, Senator Hynes. Senate Bill 1790, Senator Berman.
7. Please proceed. Senator Berman.
8. SENATOR BERMAN:

9. Mr. President, this is...shown on the concurrence but it
10. really should be on the nonconcurrence motions. Do you want to
11. proceed now or my motion is to nonconcur.

12. PRESIDING OFFICER:(SENATOR DONNEWALD)

13. Well we...we've...we've proceeded then this same basis
14. earlier in several nonconcurrences. Proceed. Is there discussion?
15. Senator...Senator Berman moves to nonconcur in House Amendment
16. No. 1 to Senate Bill 1790. Those in favor say Aye. Those opposed.
17. The Ayes have it and the motion carries and the Secretary shall
18. so inform the House. Senate Bill 1792, Senator Guidice. Proceed.

19. SENATOR GUIDICE:

20. Thank you, Mr. President. I move to nonconcur in House
21. Amendments 1 and 4 and that a Conference Committee be appointed.

22. PRESIDING OFFICER:(SENATOR DONNEWALD)

23. Is there discussion? Senator Guidice moves to nonconcur
24. in Senate...House Amendment...Senator Rhoads.

25. SENATOR RHOADS:

26. Well, Senator, I just...I think we deserve a little bit
27. more explanation about what those amendments did.

28. PRESIDING OFFICER:(SENATOR DONNEWALD)

29. Senator Guidice.

30. SENATOR GUIDICE:

31. The...the amendment gutted the original bill inadvertently
32. by the House. Is that good enough, Senator? Would you...

33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. All right. The Senator...Senator Guidice moves to nonconcur
2. in House Amendments 1 and 4 to Senate Bill 1792. Those in favor
3. say Aye. Those opposed Nay. The Ayes have it. The motion
4. carries and the Secretary shall so inform the House. Senate
5. Bill 1798, Senator Carroll. Proceed.

6. SENATOR CARROLL:

7. Thank you, Mr. President. I would move that we nonconcur
8. with House Amendment No. 1 and ask that the House to recede
9. from that amendment.

10. PRESIDING OFFICER: (SENATOR DONNEWALD)

11. Is there discussion? Senator Carroll moves to nonconcur
12. in House Amendment No. 1 to Senate Bill 1798. Those in favor
13. say Aye. Those opposed Nay. The Ayes have it. The motion
14. carries and the Secretary shall so inform the House. A Message
15. from the House.

16. SECRETARY:

17. A Message from the House by Mr. O'Brien, Clerk.

18. Mr. President - I am directed to inform the Senate
19. that the House of Representatives has refused to concur with
20. the Senate in the adoption of their amendment to a bill with
21. the following title: House Bill 2808 with Senate Amendment
22. No. 1.

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. On the Order of the Secretary's Desk on nonconcurrence
25. on page 13, House Bill 2648, Senator Demuzio.

26. SENATOR DEMUZIO:

27. Thank you, Mr. President. I move to recede from Senate
28. Amendment No. 1. Senator Moore put Senate Amendment No. 1 on
29. this bill which would have provided that the money that...was
30. to be obtained from the sale of the President's house at the
31. Illinois School for the Deaf be earmarked and allocated for
32. a television decoder for captioning TV stations at the school
33. for the deaf. Senator Moore has agreed to...to take that

1. amendment...recede from that amendment and he has found some
2. other vehicle for his proposed amendment.

3. PRESIDING OFFICER: (SENATOR DONNEWALD)

4. Is there...is there further...Senator Mitchler.

5. SENATOR MITCHLER:

6. Mr. President, just a question. I want to support you,
7. Senator...What is a television decoder that the deaf use? Just
8. for my information.

9. PRESIDING OFFICER:(SENATOR DONNEWALD)

10. Senator Demuzio.

11. SENATOR DEMUZIO:

12. I would be delighted to yield to Senator Moore, the expert
13. in the area of television programs.

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. Senator Moore.

16. SENATOR MOORE:

17. In conjunction with a television broadcast someone is there
18. that on the screen it decodes what they can't hear so that they
19. can understand and read what is on the television screen.

20. PRESIDING OFFICER: (SENATOR DONNEWALD)

21. If you don't understand that go back in the telephone booth.
22. Senator...Senator Mitchler.

23. SENATOR MITCHLER:

24. It's like when I go to these Spanish and Chinese movies
25. and they got the English printed underneath...

26. PRESIDING OFFICER:(SENATOR DONNEWALD)

27. That's right. The question is, shall the Senate recede
28. from Amendment No. 1 to House Bill 2648. Those in favor vote
29. Aye. Those opposed Nay. The voting is open. (Machine cutoff)
30. voted who wish? Have all those voted who wish? Take the
31. record. On that question, the Ayes are 50, the Nays are None.
32. The Senate recesses from Amendment No. 1 to House Bill 2648 and
33. the bill having received the required constitutional majority

1. is declared passed. House Bill 3351, Senator Kenneth Hall.

2. Proceed.

3. SENATOR KENNETH HALL:

4. Thank you, Mr. President and Ladies and Gentlemen of the
5. Senate. Mr. President, I refused to recede and I would like
6. a Conference Committee to be appointed on House Bill...I mean
7. on House Bill 3351.

8. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. Is there further discussion? Senator Glass.

10. SENATOR GLASS:

11. Would...would you explain, Senator, what the amendment
12. is which you are moving not to recede from?

13. PRESIDING OFFICER: (SENATOR DONNEWALD)

14. Senator Rock.

15. SENATOR ROCK:

16. Yes, I understand...I've been informed, reliably, by the
17. administration with whom I'm doing a lot of business allegedly
18. these days. This was a conveyance of some property in Ogle...
19. Ogle County and there was a technical error and so Senator
20. Roe has requested a Conference Committee to work out the
21. technical error.

22. PRESIDING OFFICER: (SENATOR DONNEWALD)

23. Is there further discussion? Senator Hall moves that the
24. Senate refuse to recede from the adoption of Amendment No...
25. Amendment No. 1 to House Bill 3351 and that a Conference Committee
26. be appointed. Those in favor indicate by saying Aye. Those
27. opposed Nay. The Ayes have it. The Secretary shall so inform
28. the House. Further business to come before the Senate? The
29. Senate shall adjourn to ten o'clock tomorrow morning, June the
30. 26th.

31.

32.

33.
