

80TH GENERAL ASSEMBLY

GENERAL SESSION

JULY 1, 1978

1. PRESIDING OFFICER: (SENATOR ROCK)

2. Senator Ziomek. Conference Committee Report on House
3. Bill 339. Senator Nimrod.

4. SENATOR NIMROD:

5. Yes, thank you, Mr. President. I just wanted to say one
6. thing to both you, Senator Hynes and all of the Senators that
7. I did have a chance to speak on this bill and discuss some
8. of the very important issues and I want us to know that there
9. was not adequate debate and certainly the information that was
10. given was not accurate. There are some very serious consequences
11. which we are unaware of and, in fact, what we have done here is
12. put the trust fund into some forty million dollars further into
13. debt and...and what...and what's happened in this particular
14. area is that we not only have...and not only is the trust fund
15. going to go deeper into debt for another...about approximate
16. forty million but there are some very serious nonconformity
17. requirements that were put into this. I think we have done this
18. a very serious injustice and to cut off debate it takes two-
19. thirds of the vote of this Senate and you did not even acknowledge
20. that...to cut...to be able to cut off this debate. I think that
21. the information has not been disseminated. The facts are not
22. known about this and, in fact, there are some untruths that
23. have been said about this particular bill in its present...
24. posture.

25. PRESIDING OFFICER: (SENATOR ROCK)

26. All right. The Conference Committee Report with respect
27. to House Bill 3392. Senator Ziomek.

28. SENATOR ZIOMEK:

29. Yes, Mr. President, I move to have a second conference
30. committee appointed.

31. PRESIDING OFFICER: (SENATOR ROCK)

32. The question is, shall the Senate accede to the request of
33. the House that a second conference committee be appointed. All

1. in favor signify by saying Aye. Opposed. The Ayes have it.
2. The motion carries and the Senate does accede to the request.
3. Senator Rhoads, for what purpose do you arise?

4. SENATOR RHOADS:

5. Mr. President, I move that the Senate stand adjourned
6. until 10:00 a.m. tomorrow morning.

7. PRESIDING OFFICER: (SENATOR ROCK)

8. That motion is in order. All those in favor signify by
9. saying Aye. All those opposed. The motion fails. Roll call
10. has been requested. The question is, the motion to adjourn.
11. Those in favor will vote Aye. Those opposed will vote Nay.
12. The voting is open. (Machine cutoff) voted who wish? Have
13. all voted who wish? Take the record. On that question, the
14. Ayes are 20, the Nays are 34, None Voting Present. The motion
15. fails. 2981, Senator Nimrod. Yes, Senator Graham.

16. SENATOR GRAHAM:

17. A point...A point of inquiry, Mr. President.

18. PRESIDING OFFICER: (SENATOR ROCK)

19. Yes, Sir.

20. SENATOR GRAHAM:

21. You were ready to present a second adoption of a second
22. Conference Committee Report previously to this.

23. PRESIDING OFFICER: (SENATOR ROCK)

24. No. No. 33...Senator Ziomek had requested that the Senate
25. accede to the House that a second Conference Committee be appointed.
26. That was the request. All right. (Machine cutoff) 981.

27. SENATOR NIMROD:

28. Yeah, thank you, Mr. President. What I'd like to do is
29. just take one minute if I can look at the Conference Committee
30. Report because I have not seen it. Is that all right?

31. PRESIDING OFFICER: (SENATOR ROCK)

32. Senator Ozinga, how about 2851? The Legislative Council,
33. I understand is back. All right. On the Conference Committee

1. Report with respect to House Bill 2851, Senator Ozinga.

2. SENATOR OZINGA:

3. Mr. President and members of the Senate. The Conference
4. Committee has recommended the following action be taken on the
5. Legislative Council's Appropriation. Number one, the Senate
6. recede from the Amendment No. 1 which was the Hynes Amendment.
7. Number two, the House concurs in Senate Amendment No. 2 which
8. made the pay plan reduction of eight thousand two hundred dollars.
9. Number three, the council's appropriation be increased some
10. ninety thousand nine hundred...nine hundred dollars which consisted
11. of the following. Twenty-two thousand dollars for two new
12. positions. One thousand six hundred dollars for retirement. One
13. thousand three hundred dollars for social security and sixty-six
14. thousand dollars for printing of the House and Senate Calendars
15. next Session. Number four was to remove the fifty percent
16. limitation of the Amendment No. 1 from the equipment and I ask
17. that a favorable vote be had on that report.

18. PRESIDING OFFICER: (SENATOR ROCK)

19. Is there any discussion? The question is, shall the Senate
20. adopt the Conference Committee Report on House Bill 2851. Those
21. in favor will vote Aye. Those opposed will vote Nay. The voting
22. is open. The Chair would point out that it is after midnight and
23. ...three-fifths affirmative vote will be required. Have all
24. voted who wish? Have all voted who wish? Take the...take the
25. record. On that question, the Ayes are 52, the Nays are 2, None
26. Voting Present. The Senate does adopt the Conference Committee
27. Report on House Bill 2851 and bill having received the required
28. constitutional majority is declared passed and the bill having
29. received the affirmative vote of three-fifths of the members
30. elected is effective immediately upon its becoming a law.

31. PRESIDING OFFICER: (SENATOR BRUCE)

32. For what purpose does Senator Ziomek arise?

33. SENATOR ZIOMEK:

34. I ask for leave of the Body to take the action taken on

1. 3392 out of the record.

2. PRESIDING OFFICER: (SENATOR BRUCE)

3. All right. The difficulty is that the Conference
4. Committee Report was...has been defeated in the House and
5. we made a motion to accede to the request. We have not,
6. in fact, received that message from the House and so it
7. will cause a great deal of difficulty with our Journal.
8. And Senator Ziomek has moved to take the action we had
9. on 3392, Conference Committee Report thereon, from the
10. record. Is there leave? Leave is granted. Conference
11. Committee Reports. Senate Bill 1595. Senator Weaver is
12. recognized.

13. SENATOR WEAVER:

14. Thank you, Mr. President. I would move that we concur
15. or accept the Conference Committee Report on Senate Bill
16. 1595. There was one item in dispute, we had cut quite
17. a bit out of the Fire Marshall's office. This is a
18. restoration of forty-eight thousand, nine hundred dollars
19. to the Fire Marshall.

20. PRESIDING OFFICER: (SENATOR BRUCE)

21. Is there discussion? Senator Carroll, on 1595.

22. SENATOR CARROLL:

23. Great bill.

24. PRESIDING OFFICER: (SENATOR BRUCE)

25. The question is shall the Senate adopt the Conference
26. Committee Report on Senate Bill 1595. Those in favor vote
27. Aye. Those opposed vote Nay. The voting is open. Have
28. all voted who wish? Have all voted who wish? Take the
29. record. On that question the Ayes are 49, the Nays are 1,
30. 1 Voting Present. Senate Bill...the Senate does adopt the
31. Conference Report on Senate Bill 1595 and the bill having
32. received the required constitutional majority, required
33. three-fifths constitutional majority is declared passed.

1. Leave to go to the Order of Resolutions. Resolutions.
2. Is there leave? Leave is granted. Resolutions.
3. SECRETARY:
4. Senate Joint Resolution 104 offered by Senator Lemke.
5. PRESIDING OFFICER: (SENATOR BRUCE)
6. Executive. Is Senator Rock on the Floor? Senator
7. Kenneth Hall on the Floor? Senator Rock, 2885. Hall, 3351,
8. Conference Committee Report. Okay.
9. PRESIDENT:
10. The Senate will please...the Senate will please come
11. to order. Message from the House.
12. SECRETARY:
13. A Message from the House by Mr. O'Brien, Clerk.
14. Mr. President - I am directed to inform the Senate
15. the House of Representatives refused to adopt the First
16. Conference Committee Report on House Bill 3177 and request
17. a Second Committee of Conference to consider the difference
18. between the two Houses in regards to Amendments Numbers
19. 1, 2, 3 and 5. The Speaker of the House has appointed
20. the members on the part of the House.
21. PRESIDENT:
22. Senator Savickas.
23. SENATOR SAVICKAS:
24. Yes, Mr. President, I move that we...have another Second
25. Conference Committee. Accede to the request of the House
26. and appoint a Second Conference Committee.
27. PRESIDENT:
28. Senator Savickas has moved that the Senate accede to
29. the request of the House and a Second Conference Committee
30. be appointed. All those in favor of the motion signify by
31. saying Aye. Opposed. The motion carries and the Senate
32. accedes to the request of the House to appoint a Second
33. Conference Committee. Message from the House.

1. SECRETARY:

2. A like message on House Bill 3392. The House refuses
3. to adopt the First Conference Committee and requests a
4. second to consider the difference between the two Houses
5. on Amendments 1 and 2. And the Speaker has appointed a
6. committee on the part of the House.

7. PRESIDENT:

8. Senator Ziomek.

9. SENATOR ZIOMEK:

10. Thank you, Mr. President. I'd like to make a motion
11. to accede to the House for the Second Conference Committee.

12. PRESIDENT:

13. Senator Ziomek has moved that the Senate accede to the
14. request of the House that a Second Conference Committee be
15. appointed. All those in favor of the motion signify by
16. saying Aye. Opposed. The Ayes have it. The motion carries
17. and the Senate accedes to the request to appoint a Second
18. Conference. For what purpose does Senator Nimrod arise?

19. SENATOR NIMROD:

20. Yes, Mr. President, I just thought I might ask Senator
21. Savickas what time is the Conference meeting going to be
22. held?

23. PRESIDENT:

24. Senator Savickas.

25. SENATOR SAVICKAS:

26. Well I hope to have it set for 3:00 o'clock.

27. SECRETARY:

28. A Message from the House by Mr. O'Brien, Clerk.

29. Mr. President - I am directed to inform the
30. Senate the House of Representatives refused to adopt
31. the First Conference Committee Report on Senate Bill 1672
32. and request a Second Committee of Conference to consider the
33. difference between the two Houses in regards to Amendments

1. Numbers 1, 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13 and 15.
2. The Speaker has appointed the members on the part of
3. the House.

4. PRESIDENT:

5. Senator Shapiro...moves to accede to the request
6. of the House that a Second Conference Committee be
7. appointed as to Senate Bill 1672. All those in favor
8. of the motion signify by saying Aye. Opposed. The
9. Ayes have it. The Senate accedes to the request of
10. the House that a Second Conference Committee be
11. appointed as to Senate Bill 1672. For what purpose does
12. Senator Harber Hall whistle?

13. SENATOR HARBER HALL:

14. Mr. President, I would...I would like the record
15. to show that at 3:20 a. m. on July 1st, at this time,
16. Mr. President, I make the point that I have just
17. returned from a Second Conference Committee in respect
18. to House Bill 3177. To my knowledge, Mr. President,
19. at this time there has not been appointed by the leader-
20. ship of the Senate a Second Conference Committee on
21. that bill. And I want that record to be noted.

22. PRESIDENT:

23. Well, the record will reflect that insofar as
24. your knowledge is concerned that it hasn't been appointed.
25. There may be others that have information to the contrary.
26. Senator Hall.

27. SENATOR HARBER HALL:

28. Well, I placed myself on record as saying this and if
29. ...I was on the committee that was called, but I don't
30. see any indication that I should be on the Second. Has that
31. been printed? Has it been read into the record that a
32. Second Conference Committee would be called?

33. PRESIDENT:

1. Yes, it has.
2. SENATOR HARBER HALL:
3. And have you issued those...
4. PRESIDENT:
5. Yes, it has.
6. SENATOR HARBER HALL:
7. ...announcements of who would be on it?
8. PRESIDENT:
9. As I understand it, they have been...appointed.
10. SENATOR HARBER HALL:
11. As you understand it, Mr. President. Would I have
12. been on it?
13. PRESIDENT:
14. I don't recall the names of the members and I don't
15. appoint the members from your side of the aisle.
16. SENATOR HARBER HALL:
17. Well, there's no record that either of the Republican
18. members in the Senate were appointed.
19. PRESIDENT:
20. It may be that the paper work hasn't caughten up
21. with the activity...hasn't caught up with the activity
22. that is going on.
23. SENATOR PHILIP:
24. Thank you, Mr. President. Parliamentary inquiry.
25. I'm on a Conference Committee for Senate Bill 1725. If
26. we don't make any report, what happens to it?
27. PRESIDENT:
28. It's...it...it is in limbo.
29. SENATOR PHILIP:
30. Well, I...I...I would ask that would be put on the
31. fall Calendar then, if that's in order.
32. PRESIDENT:
33. Well, it would...it would stay in limbo until the fall.

1. If you want to file a report then it would stay there.

2. SENATOR PHILIP:

3. If I were to file a report, it would stay where?

4. PRESIDENT:

5. It...it would then stay on the Secretary's Desk,

6. where you file the report. A Conference Committee is

7. a...a metaphysical being, insofar as the Legislature

8. is concerned, it's in existence, but it's...located in

9. any particular place, but it is still alive and...and

10. here.

11. SENATOR PHILIP:

12. All right, thank you.

13. PRESIDENT:

14. What purpose does Senator Lemke arise?

15. SENATOR LEMKE:

16. Well if we're in a lull, I have a House Joint Resolution

17. 99 of Boris Antonovych, could we move to have that adopted?

18. PRESIDENT:

19. ...Lemke, Senator Lemke, we will get to that...in

20. a moment if you don't mind. Senator Lemke on House

21. Joint Resolution 99. Would you explain the resolution,

22. Senator. On the Secretary's Desk.

23. SENATOR LEMKE:

24. What the resolution does is sets up a committee

25. called the Ethnic Heritage Festival Committee. And the

26. committee will have two House members from each side of

27. the aisle and two Senate members from each side of the

28. aisle. And three public members from each side of the

29. aisle in the House and from the Senate. No money.

30. PRESIDENT:

31. Is there any further discussion? Senator Rhoads.

32. SENATOR RHOADS:

33. Well, I have to speak in favor of this resolution.

1. Not because I'm convinced of the merits, but because I'm
2. in Representative Antonovych's tank and...I...I think we
3. all ought to vote for this, it's good resolution.
4. PRESIDENT:
5. Is there any further discussion? If not, Senator
6. Lemke moves the adoption of House Joint Resolution 99.
7. All those in favor signify by saying Aye. Opposed. The
8. Ayes have it. The resolution is adopted. On the Secretary's
9. Desk is a Conference Committee Report on House Bill 3276.
10. Senator Coffey.
11. SENATOR COFFEY:
12. Mr. President, I would like to ask the...members of
13. the Senate to concur with the Conference Report which
14. the House concurs with Senate Amendments 3 through 29.
15. The Senate recedes from Senate Amendments 1 and 2 and
16. the House further amends and adds back the operations
17. that was cut out originally and cuts...leaves a total
18. cut in operations of one million, four hundred and
19. seventy-eight thousand. Further it lump sums all the
20. Series B Fund Bonds and also adds one pork project for
21. twenty-nine thousand dollars back in the bill. I would
22. ask this Body to concur with this report. The Department
23. of Transportation...this is a Department of Transportation
24. Bill on...on House Bill 3276.
25. PRESIDENT:
26. Senator Carroll.
27. SENATOR COFFEY:
28. And that was...amendment.
29. SENATOR CARROLL:
30. ...Just to answer everyone's questions, Mr. President
31. and members of the Senate, this is as loaded with chicken
32. as you can get.
33. PRESIDENT:

1. Is there any further discussion? If not, the question
2. is shall the Senate adopt the Conference Committee Report
3. on House Bill 3276. Those in favor will vote Aye. Those
4. opposed will vote Nay. The voting is open. Have all voted
5. who wish? Have all voted who wish? Take the record. On
6. that question the Ayes are 42, the Nays are 10, none Voting
7. Present. The Senate does adopt the Conference Committee
8. Report on House Bill 3276 and the bill having received the
9. required affirmative votes of three-fifths of the members
10. elected is declared...is declared passed and is effective
11. immediately upon its becoming a law. Secretary's Desk
12. and a Conference Committee Report on House Bill 3394.
13. Senator Shapiro. Department of Personnel and Business
14. and Economic Development. Senator Shapiro on the Floor?
15. Senator Regner asks leave to...move the adoption of the
16. Conference Committee Report. Is leave granted? Leave is granted.

17. SENATOR REGNER:

18. Mr. President...Mr. President and members of the
19. Senate. This contains Department of Personnel, it restores
20. from the original cuts taken, the Senate restores five-
21. hundred and twenty thousand dollars to the Department of
22. Personnel's Appropriation. The totals are hundred and eighty-
23. nine thousand .2 Personal Service, 15.8 Retirement, twelve
24. thousand Social Security and three hundred and three thousand
25. .3, restores fundings and various line items were deleted.
26. And I would move for the adoption of Conference...Conference
27. Committee Report Number 2 on House Bill 3394.

28. PRESIDENT:

29. Is there any discussion? If not, the question is shall
30. the Senate adopt the Conference Committee Report on House
31. Bill 3394. Those in favor will vote Aye. Those opposed
32. will vote Nay. The voting is open. ...wish? Have all
33. voted who wish? Take the record. On that question the

1. Ayes are 49, the Nays are 4, 1 Voting Present. The Senate
2. does adopt the Conference Report on House Bill 3394 and
3. the bill having received the required constitutional majority
4. is declared passed and the bill having received the affirmative
5. vote of three-fifths of the members elected is effective
6. immediately upon its becoming a law. Senator Sommer on
7. the Floor? ...time, Senator Carroll, we have all night.
8. On the Secretary's Desk is the Conference Committee Report
9. on Senate Bill 1601. Senator Sommer.

10. SENATOR SOMMER:

11. Amendment to that, Mr. President. This is a concurrence
12. in House action, this has not been to a conference. I would
13. move...

14. PRESIDENT:

15. You are correct, the Chair was in error. It is on the
16. Secretary's Desk on the Order of Concurrence.

17. SENATOR SOMMER:

18. I would move to concur in all of the House Amendments.
19. And this is the new appropriation for Capital Expenditures.

20. PRESIDENT:

21. The question is shall the Senate concur in House Amend-
22. ments 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16,
23. 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 28, 30, 31, 33, 35
24. and 36 to Senate Bill 1601. Those in favor will vote
25. Aye. Those opposed will vote Nay. The voting is open.
26. ...voted who wish? Have all voted who wish? Take the
27. record. On that question the Ayes are 49, the Nays are 3,
28. 2 Voting Present. The Senate does concur in House Amend-
29. ments 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16,
30. 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 28, 30, 31, 33, 35
31. and 36 to Senate Bill 1601 and the bill having received
32. the required constitutional majority is declared passed.
33. And the bill having received the affirmative vote of

1. three-fifths of the members elected is effective immediately
2. upon its becoming a law.

3. PRESIDING OFFICER: (SENATOR BRUCE)

4. The Senate will come to order. Conference Committee
5. Reports. House Bill 2981, Conference Committee Report.
6. Senator Nimrod is recognized.

7. SENATOR NIMROD:

8. Mr. President and Ladies and Gentlemen of the Senate.
9. This is the Illinois Arts Council and the Racing Board
10. Appropriation. Second...second report is the same as the
11. first and I would vote for a favorable roll call.

12. PRESIDING OFFICER: (SENATOR BRUCE)

13. Is there discussion? The question is shall the Senate
14. adopt the Conference Committee Report on House Bill 2981.
15. Those in favor vote Aye. Those opposed vote Nay. The
16. voting is open. Have all voted who wish? Have all voted
17. who wish? Take the record. On that question the Ayes
18. are 42, the Nays are 8, 1 Voting Present. The Senate
19. does...the Senate does adopt the Conference Committee
20. Report on House Bill 2981 and the bill having received
21. the required constitutional majority is declared passed.
22. And the bill having received the affirmative vote of
23. three-fifths of the members elected is effective immediately
24. upon its becoming a law. 2979...Conference Committee
25. Reports, House Bill 2979. Senator Rupp is recognized.
26. Senator Rupp:

27. Thank you, Mr. President. I move that the Senate
28. recede from Senate Amendment No. 5 on House Bill 2979.
29. Amendment 5 reduced the number of a field examiner by
30. five with a dollar reduction of sixty-eight thousand,
31. five hundred dollars. I ask that...move that the Senate
32. recede.

33. PRESIDING OFFICER: (SENATOR BRUCE)

1. This...this is not a Conference Committee Report. The
2. motion by Senator Rupp is to recede from Amendment No. 5.
3. The question is shall the Senate recede from Amendment
4. No. 5 to House Bill 2979. Those in favor vote Aye. Those
5. opposed vote Nay. The voting is open. ...all voted who
6. wish? Have all voted who wish? Take the record. On that
7. question the Ayes are 44, the Nays are 4, 1 Voting Present.
8. The Senate recedes from Amendment No. 5 to House Bill
9. 2979 and the bill having received the required constitutional
10. majority is declared passed. And the bill having received
11. the affirmative votes of three-fifths of the members elected
12. is effective immediately upon its becoming a law.

13. SENATOR KNUPPEL:

14. Now is the time to vote.

15. PRESIDING OFFICER: (SENATOR BRUCE)

16. ...Does Senator Sangmeister arise?

17. SENATOR SANGMEISTER:

18. I was wondering if we're ready to go to the Order of
19. Motions yet? Do you think that we could have motions here?

20. PRESIDING OFFICER: (SENATOR BRUCE)

21. We're...we're going to take that up in the next Fiscal
22. Year. For what purpose does Senator Guidice arise?

23. SENATOR GUIDICE:

24. Privilege, Mr. President. I think we ought to congrat-
25. ulate those fine people in the Gallery who stuck with us
26. all night, thus far, I think they've...they've got a record
27. here. And they should...

28. PRESIDING OFFICER: (SENATOR BRUCE)

29. And...and the people behind us. And our apologies
30. for waking you up. For what purpose does Senator Vadalabene
31. arise?

32. SENATOR VADALABENE:

33. Yes, I would like to recognize George, who's been here

1. for the entire Session. George, how far do you live from
2. here? Stand up and get a round of applause, George.

3. PRESIDING OFFICER: (SENATOR BRUCE)

4. ...Ready to go to the Order of Resolutions? Leave
5. is granted. Resolutions, Mr. Secretary.

6. SECRETARY:

7. Senate Resolution 471 offered by Senator Hynes and
8. all Senators.

9. (Secretary reads SR 471)

10. PRESIDING OFFICER: (SENATOR BRUCE)

11. Senator Hynes.

12. SENATOR HYNES:

13. Mr. President and members of the Senate. I would
14. move to suspend the rules for the immediate consideration
15. and adoption of the resolution. Senator Smith is doing
16. very well, in fact, so well that he wanted to come down
17. yesterday and today. I think had he been here he would
18. have been very sorry that he did come, but Mrs. Smith
19. and his doctor prevailed upon him and he did not. So
20. he is doing well and I thought that this would be a
21. fitting testimonial from the Senate for his many, many
22. years of wonderful service.

23. PRESIDING OFFICER: (SENATOR BRUCE)

24. Senator Graham.

25. SENATOR GRAHAM:

26. Mr. President and members of the Senate. When I came
27. down here twenty years ago Fred Smith was here to talk
28. to us, reminisce, to tell us about the time that he
29. didn't...couldn't get a bed in the Abe Lincoln and he
30. and I were arch-rivals on many of his measures that he
31. felt strongly about. And our oratory became explanatory
32. many times. We each won some and we each lost some.
33. Fred Smith never failed to treat me as a gentleman,

1. never carried the animosity around in his heart. I'm
2. sure you remembered and I thank the...probably the
3. nicest thing that Senator Hynes has said tonight is
4. that it, probably the most restful thing that's happened
5. to him in the last ten years that he wasn't here tonight.
6. I think as I remember when I came down when there wasn't
7. name calling on the Senate Floor, we referred to our
8. colleagues as a gentleman from whatever town or whatever
9. county he came from there was decorum and times have
10. changed. I don't know that Fred Smith and Frank Ozinga
11. and I are really ready to adjust to all those, however
12. I do remember one night when the Senate was in some
13. sort of a turmoil and made this little fiasco tonight look
14. like a Sunday school picnic. When Jimmie Lynch was
15. sitting back over there about where Senator Joyce is,
16. he threw a Digest at John William Chapman, who was
17. the Lieutenant Governor and presiding officer and hit
18. the front of the podium. John didn't see it coming, I
19. don't think. So we have gone through some of those times
20. of turmoil too, but those guys never forgot that each
21. antagonist, each adversary, was either a lady or a
22. gentleman. At that time we had a couple of gals down
23. here to kind of keep the act cleaned up too, Lillian
24. Schlagenhauf and Lottie Holman O'Neil and I don't
25. know if they could have gone through this tonight really
26. either. Times are changed and I certainly hope that
27. Fred Smith, who has been so concerned about so many
28. of us who have had similiar illness to him, as his.
29. Wanted him to know that this resolution is an expression
30. of the entire Senate. I want this fine old gentleman
31. to know that I share...I have a concern about his health,
32. as well as he had about mine. I'd like to...speaking from
33. our...from our side of the aisle to commend this resolution

1. to us for our adoption and I know he'll read it and cherish
2. it for the rest of his life. Thank you, Mr. President.

3. PRESIDING OFFICER: (SENATOR BRUCE)

4. Senator Hynes asks leave of the Senate for the immediate
5. consideration and adoption of Senate Joint Resolution...Senate
6. Resolution 472. Is there leave? Leave is granted. Senator
7. Hynes moves the adoption of Senate Resolution 472. Those
8. in favor say Aye. Opposed Nay. The Ayes have it, the resolution
9. is adopted. On the Order of Resolutions is House Joint Resolu-
10. tion 82. Recognizing the lateness of the hour, Senator
11. Clewis is still desirous of passing House Joint Resolution
12. 82 which deals with the Energy Resources Commission and
13. requiring a study. We will go to this order of business and
14. ...only if there is no objection. Is...is there objection in
15. considering this resolution at this time? Senator Clewis
16. to explain the resolution. House Joint Resolution 82.

17. SENATOR CLEWIS:

18. Mr. President and members of the Senate. This resolution
19. merely directs the Energy Resources Commission to initiate
20. a study and conduct hearings to assist local school districts
21. in determining and implementing different cost saving
22. methods and programs in order to conserve fuel resources
23. in a daily operation through their school facilities. There's
24. no cost involved. The attractive point of the whole thought
25. of the resolution is that with this kind of direction it
26. could attract some Federal Funds. Senator Knuppel, who is
27. very much opposed to resolutions, talked to me earlier and
28. said that he would even vote for this resolution because
29. he thought it was a good idea in this area. And I would
30. appreciate a favorable roll call. Or adoption.

31. PRESIDING OFFICER: (SENATOR BRUCE)

32. Senator Knuppel.

33. SENATOR KNUPPEL:

1. I've reviewed this with the staff and we find nothing
2. objectionable in it and provided that they ever get their
3. act together down in Washington, there may be some Federal
4. Funds involved and I think based on that it could be a
5. good idea, so I would suggest we go ahead and vote for it.

6. PRESIDING OFFICER: (SENATOR BRUCE)

7. Senator Philip.

8. SENATOR PHILIP:

9. Yes, Mr. President, I'd just like to make this
10. observation. The sponsor says it isn't going to cost
11. any money on the first hand. The second hand, he says
12. it's going to attract Federal funds. Now if that isn't
13. a contradiction, I don't know what the heck is.

14. PRESIDING OFFICER: (SENATOR BRUCE)

15. Is there further discussion? All right. Senator
16. Clewis moves the adoption of House Joint Resolution 82.
17. Those in favor say Aye. Opposed Nay. The Ayes have it
18. the resolution is adopted. Is there leave to go to the
19. Order of...Conference Committee Reports? Leave is granted.
20. Conference Committee Reports, House Bill 3392. Senator
21. Ziomek is recognized on House Bill 3392.

22. SENATOR ZIOMEK:

23. Yes, thank you, Mr. President, Ladies and Gentlemen
24. of the Senate. I now move to adopt this Second Conference
25. Committee Report on House Bill 3392. And I ask for your
26. favorable roll call.

27. PRESIDING OFFICER: (SENATOR BRUCE)

28. Is there discussion? Is there discussion? ...does
29. Senator Walsh arise?

30. SENATOR WALSH:

31. Will the gentleman yield for a question?

32. PRESIDING OFFICER: (SENATOR BRUCE)

33. Indicates he will yield. Senator Walsh.

1. SENATOR WALSH:

2. Senator I see that the...there is an appropriation in
3. here for the Illinois Racing Board. Didn't we...didn't we
4. have that appropriation in the...with the Arts Council?

5. PRESIDING OFFICER: (SENATOR BRUCE)

6. Senator Carroll.

7. SENATOR CARROLL:

8. On behalf of Senator Ziomek, that's a transfer
9. bill and that was one of the bills that apparently the
10. House had not dealt with. So it was put into the omnibus.

11. PRESIDING OFFICER: (SENATOR BRUCE)

12. For what purpose does Senator Graham arise?

13. SENATOR GRAHAM:

14. I'd like to know what the secret is about this little
15. gem. I don't have a copy of it. I'd like to see this
16. Christmas tree. I want to see how much turkey is in this
17. one.

18. PRESIDING OFFICER: (SENATOR BRUCE)

19. I think that Senator, if you'll wait just a second
20. you'll have a copy in your hands.

21. SENATOR GRAHAM:

22. I appreciate it very much. Thank you.

23. PRESIDING OFFICER: (SENATOR BRUCE)

24. Purpose does Senator Guidice arise?

25. SENATOR GUIDICE:

26. Thank you, Mr. President. I don't have a copy of
27. the report either, but I just wonder if you can tell
28. me if my purple light bill was in there?

29. PRESIDING OFFICER: (SENATOR BRUCE)

30. Don't believe it made this piece of legislation.

31. For what purpose does Senator Carroll arise?

32. SENATOR CARROLL:

33. It was in an earlier draft, but no, it's not in this

1. one.
2. PRESIDING OFFICER: (SENATOR BRUCE)
3. Purpose does Senator Coffey arise?
4. SENATOR COFFEY:
5. Mr. President, is the Middle Fork Reservoir Project
6. in this?
7. PRESIDING OFFICER: (SENATOR BRUCE)
8. Senator Carroll.
9. SENATOR CARROLL:
10. No.
11. PRESIDING OFFICER: (SENATOR BRUCE)
12. Senator Maragos, on behalf of Mary Orkis.
13. SENATOR MARAGOS:
14. Then...as long as everybody is asking, is Mary Orkis
15. in this project?
16. PRESIDING OFFICER: (SENATOR BRUCE)
17. Senator Carroll.
18. SENATOR CARROLL:
19. I'm not sure, I better check. It is in.
20. PRESIDING OFFICER: (SENATOR BRUCE)
21. What purpose does Senator Mitchler arise?
22. SENATOR MITCHLER:
23. Well yes, Mr. President, up to this point we've all
24. had copies of these Conference Committee Reports. I don't
25. know why we shouldn't have a copy of this. I'd like to
26. take this home and...and show it to everybody. And show
27. them just what you're doing in the last hours. And I'm
28. not joking. I'd like to have a copy of this here before
29. we vote on it. I think everybody should have a copy. Take
30. it home and frame it. Show the people what you're voting
31. on here. You're talking about a Christmas tree with turkeys
32. in it, these turkeys don't even have feathers, they have
33. plumes.
34. PRESIDING OFFICER: (SENATOR BRUCE)

1. I...I...I'm...for what purpose does Senator Mitchler
2. arise?

3. SENATOR MITCHLER:

4. Yes, thank you, Mr. President. Are we going to get
5. copies of this or there only just one or two be circulated.
6. Is the xerox machine broke down or what?

7. PRESIDING OFFICER: (SENATOR BRUCE)

8. Well, Senator, I...I am reliably told that because
9. of a massive amount of 4th of July speeches that were
10. reproduced earlier today that the...machine has taken
11. on a headache.

12. SENATOR MITCHLER:

13. Well, I hope you take those home and use those as
14. I'm going to use this. Thank you.

15. PRESIDING OFFICER: (SENATOR BRUCE)

16. We are trying to circulate copies of this to...

17. SENATOR MITCHLER:

18. When I have a copy, I am very happy.

19. PRESIDING OFFICER: (SENATOR BRUCE)

20. ...each...each member that desires one. We have
21. tried to kind of cluster around the available copies.
22. The Chair is informed that the Pioneer Memorial Plaza
23. Commission is also in there, Senator Mitchler. Is
24. there further debate? Further debate? Senator Regner,
25. is there further debate? Senator Weaver? ...Purpose
26. does Senator Mitchler arise?

27. SENATOR MITCHLER:

28. I've had a...I've had an opportunity to look over
29. my copy of this bill, House Bill 3392 and I'm really
30. appalled. It has so many things of such a variety of
31. nature that it's obvious that what this Legislative
32. Body has done is everything that hasn't gone through
33. committee or passed or somebody wants, they've combined

1. it all in one and they're...if it passes it goes to the
2. Governor and the Governor will have to be the Legislative
3. Body of the State as he Vetoes through the Amendatory Veto
4. and...and pairs down and...and works on this, but to cast
5. a vote on this is irresponsible. I don't know how you
6. can go back and tell your people you voted for something
7. like this. I intend to vote No.

8. PRESIDING OFFICER: (SENATOR BRUCE)

9. Is there further discussion? Senator Weaver. Senator
10. Sommer, Senator Regner, further discussion? The question
11. is shall the Senate adopt the Conference Committee Report
12. on House Bill 3392. Those in favor vote Aye. Those opposed
13. vote Nay. The voting is open. Have all voted who wish?
14. Have all voted who wish? Thirty-six votes will be required
15. for passage. Have all voted who wish? Have all voted who
16. wish? Mr. Secretary, take the record. On that question
17. the Ayes are 39, the Nays are 11, 2 Voting Present. The
18. Senate does adopt the Conference Committee Report on House
19. Bill 3392 and the bill having received the required consti-
20. tutional majority is declared passed. And the bill having
21. received the affirmative votes of three-fifths of the
22. members elected is effective immediately upon its becoming
23. a law. Messages from the...is there leave to go to the Order
24. of Messages from the House? Message from the House.

25. SECRETARY:

26. A Message from the House by Mr. O'Brien, Clerk.

27. Mr. President - I am directed to inform the Senate
28. the House of Representatives has adopted the following
29. Joint Resolution in the adoption of which I am instructed
30. to ask the concurrence of the Senate, to-wit:

31. House Joint Resolution 103.

32. (Secretary reads HJR 103)

33. PRESIDING OFFICER: (SENATOR BRUCE)

1. Senator Rock.

2. PRESIDING OFFICER: (SENATOR BRUCE)

3. Adjournment Resolution.

4. SENATOR ROCK:

5. Thank you, Mr. President, Ladies and Gentlemen of
6. the Senate. This is the Adjournment Resolution, I
7. presume it calls for us to return on November the 14th at
8. the hour of 1:00 o'clock, is that correct? I would move
9. for the suspension of the rules and the immediate consider-
10. ation and adoption.

11. PRESIDING OFFICER: (SENATOR ROCK)

12. And...and alerting the membership that we have one
13. additional bill to consider, Senator Rock. This is
14. not adjournment, it's adoption of the Adjournment
15. Resolution. Is there leave to suspend rules for the
16. immediate consideration and adoption? Leave is granted.
17. Senator Rock moves the adoption of House Joint Resolution
18. 103. All in favor say Aye. Opposed Nay. The Ayes have
19. it. The resolution is adopted. Is there leave to return
20. to the Order of Conference Committee Reports? Leave is
21. granted. Conference Committee Reports. I would just
22. announce to the membership that it appears that we have
23. one additional Conference Committee Report to adopt and
24. that will be considered momentarily. ...Does Senator
25. Nimrod arise?

26. SENATOR NIMROD:

27. Parliamentary inquiry, Mr. President.

28. PRESIDING OFFICER: (SENATOR BRUCE)

29. State your inquiry.

30. SENATOR NIMROD:

31. On a House Bill, as I understand, on a Second Conference
32. Committee Report that those Conference Committee Reports,
33. they're not actually found that those bills, in fact, are
34. Tabled, according to the House Rules as I was told. What

1. happens to that Conference Committee Report that's over here
2. in the Senate with no actions taken on it? I'm referring in
3. particular to reference to House Bill 3177.

4. PRESIDING OFFICER: (SENATOR BRUCE)

5. Well, there are two possible instances, one if a
6. Conference Committee Report is filed with the Secretary, he
7. will keep it here until such time as the Senate wishes to
8. take action upon it. Senator Nimrod.

9. SENATOR NIMROD:

10. Except that it's a House...that's okay on a Senate
11. Bill, as we've seen before, but on a House Bill, if in
12. fact, if it dies and it dies in one House, why would the
13. other House, which wasn't the house of origin, have any...
14. any jurisdiction over that bill because it can't pass
15. at all:

16. PRESIDING OFFICER: (SENATOR BRUCE)

17. Well, it...the...each House loses jurisdiction of the
18. bill because it is in a Conference Committee. And if this...
19. if the Senate...if the Senate has not considered the Conference
20. Committee Report and it's still outstanding, we can still
21. take action. There's also the possibility, obviously, of
22. moving to reconsider the vote by which the Second Conference
23. Committee Report was lost and the House then could take
24. final passage and action on the bill. Senator Nimrod.

25. SENATOR NIMROD:

26. You mean...you mean the House could reconsider by
27. which it was lost or is it just Tabled? You see, if...if
28. there's only One Conference Committee Report and it's
29. failed in the other House then why would the second House
30. carry it, that's my parliamentary inquiry.

31.

32. (Continued on next page)

33.

16-1672
7/11/72

1. PRESIDING OFFICER: (SENATOR BRUCE)

2. I don't want to indicate that I am fully aware of House
3. rules, but if they, in fact, have sufficient votes, they
4. can either take it from the Table or move to reconsider
5. the vote by which it lost as we could in the Senate under
6. the Senate rules. ...Hynes, are we ready on 1672?
7. ...have the attention of the membership. A minor problem has
8. arisen in 1672. We expect to have an answer to the membership
9. within the next five minutes, if you'll just stay very close
10. to your voting switches so that you'll be able to vote on
11. this matter, we should get to it almost instantly. Senator
12. Shapiro. Conference Committee Reports on Senate Bill 1672.
13. Senator Shapiro is recognized.

14. SENATOR SHAPIRO:

15. Well, Mr. President and Ladies and Gentlemen of the Senate.
16. Senate Bill 1672 is the Capital...Capital Bond Authorization,
17. a new authorization in a total amount of one billion
18. one hundred and eighteen million dollars which is an increase
19. of a 196.6 million over last year's authorization and I would
20. urge adoption of Conference Committee Report No. 2 on
21. Senate Bill 1672.

22. PRESIDING OFFICER: (SENATOR BRUCE)

23. Is there discussion? Senator Regner.

24. SENATOR REGNER:

25. Yes, Mr. President and members of the Senate. Just a few
26. comments. Right now we have over two billion dollars in
27. bonded indebtedness. This adds another one billion dollars to
28. give us about 3.25 billion dollars in bonded indebtedness and
29. what we're doing here, we're not only hurting ourselves, but we're
30. mortgaging the lives of our children and grandchildren and this
31. is the way New York went, that's the way they went bankrupt and I
32. think it's a bad, bad precedent to have this kind of outstanding
33. bonded indebtedness and I'd urge the defeat of this bill.

1. PRESIDING OFFICER: (SENATOR BRUCE)

2. Further discussion? Since this increases the bond
3. authorization of the State of Illinois, it will require
4. a three-fifths vote. The question is shall the Senate
5. adopt the Conference Committee Report on Senate
6. Bill 1672. Those in favor vote Aye. Those opposed vote
7. Nay. The voting is open. ...all voted who wish?
8. Have all voted who wish? Have all voted who wish? Have all
9. voted who wish? Have all voted who wish? Mr. Secretary,
10. take the roll. On that question the Ayes are 33, the
11. Nays are 14, 4 Voting Present. For what purpose does Senator
12. Shapiro arise?

13. SENATOR SHAPIRO:

14. Postponed consideration, please.

15. PRESIDING OFFICER: (SENATOR BRUCE)

16. The question of the adoption of Conference Committee
17. Report will be placed on the Order of Consideration Postponed.
18. For what purpose does Senator Hynes arise?

19. SENATOR HYNES:

20. Mr. President and members of the Senate. That
21. completes the business that we will transact for this
22. Session. We will have to stand at ease for a few moments
23. until the House completes action on the last bill that
24. it is working on tonight...or this morning, rather,
25. and while we have that momentary lull, I would like to
26. express on a personal basis, my appreciation to all
27. of the members for the hard work and the effort that
28. was put in during this Session and for the spirit
29. of cooperation that has been displayed here. It has
30. been a pleasure for me with only a few exceptions and
31. I think we have had a very successful Session and I
32. wish all of you a happy holiday and a good summer.

33. PRESIDING OFFICER: (SENATOR BRUCE)

1. What...does Senator Shapiro arise?

2. SENATOR SHAPIRO:

3. Mr. President, to the best of my knowledge, the Governor
4. is still planning on having a reception for the members of
5. the General Assembly at the mansion immediately upon adjourn-
6. ment.

7. PRESIDING OFFICER: (SENATOR BRUCE)

8. Senator Hynes.

9. SENATOR HYNES:

10. Mr. President, I would like to announce that Comptroller
11. Bakalis is having a reception at the State House Inn immediately
12. following adjournment. And...and I might say the comptroller
13. is on the Floor, oh, he just walked out the door.

14. PRESIDING OFFICER: (SENATOR BRUCE)

15. There he is. Comptroller's...

16. SENATOR HYNES:

17. Mr. President, I am informed that the House has completed
18. action and has adjourned and I therefore move you that the
19. Senate adjourned until November 14th.

20. PRESIDING OFFICER: (SENATOR BRUCE)

21. The motion is that the Senate stand adjourned until November
22. the 14th at the hour of 1:00 p. m. All in favor say Aye. Opposed
23. Nay. The Ayes have it. The Senate stands adjourned.

24.

25.

26.

27.

28.

29.

30.

31.

32.

33.
