18. PRESIDING OFFICER: (SENATOR DONNEWALD)

19. May I have the attention of the Senate, please. We're
20. honored today to have a group of young men that represent the
21. winner of the Class A Tournament in the great State of Illinois
22. and I would now defer to Senator George Sangmeister to make
23. the presentation of the...winners.

24. SENATOR SANGMEISTER:

25. Well, thank you, Mr. President. It's indeed an honor
26. for me to have this group of young men here today. As you know
27. I had the honor last year of presenting to you the Class AA
28. champs and also the girl's champions from Joliet and today
29. I'm very proud to present to you the Providence Celtics from
30. New Lennox - Will County area who are the Class A champions.
31. To the best of my knowledge and I'm sure that I'm accurate
32. on this, this is the first non-public school to ever have won
33. a State Championship and we're very proud that they're from
34. our area and from my legislative district. And Father Kaffer

1. who is the principal, if you would step up here please and
2. coach Frank Palmasani, I'd like to present you a Resolu-
3. tion that has been passed by this Body, inmemorial of the
4. great occasion of your being the champions and Father Kaffer,
5. if you would just say a few words, please.

6. FATHER KAFFER:

7. We're very honored to be here, representating all the
8. people of Providence and as I have told the students again
9. and again, the athletes, we play for victory and pray for
10. sportsmanship. I'm very proud of these young men, not only
11. for the fact that they won, but especially for the way that
12. they won. We thank you very much for honoring us by having
13. us here.

14. SENATOR SANGMEISTER:

15. Father, for the school, I'd would like to give you a
16. copy of the Senate Resolution and coach, for yourself and
17. for each member of the team and there may be one or two
18. extras there, I would like to have one for each one. And
19. although you should never single out, I don't think probably
20. a member of a team, I'm going to do it anyway, I would like
21. Walter Downing to come up here. Would you please, Walter?
22. Come on, Walter. The reason I'm doing this, is this gentleman
23. has slight size on him and he is a sophmore, we are looking
24. for great things from Walter and I think one of the things
25. that was not brought out in that tournament that I think is
26. so important that they played three games down here in the
27. tournament. The opposing center from all three of those
28. teams never scored one point. Three...three games, three
29. centers never scored one point against Walter Downing. Thank
30. you.

31. PRESIDING OFFICER: (SENATOR DONNEWALD)

32. I think that I'm going to be the sponsor of a bill that
33. these people cannot go to any university except one in the

1. State of Illinois. Senator Knuppel. Senator Knuppel, for
2. what purpose do you arise? You state your point, Senator.

3. SENATOR KNUPPEL:

4. Well, as you well know, my home town, Havana, was the
5. team they beat in the finals and I got to say this for
6. Walter Downing too, the fellow he held to no points scored
7. twenty-six points in the Super Sectional, but I'm extending
8. to this team a challenge to meet them the same place the
9. same time next year. This...Havana has finished second
10. twice, the third time going to be the charm.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

9. regard to Senate Bill 23, solid waste disposal in the St. Louis
10. region is approaching a serious crisis. Our Illinois Counties
11. of Madison, Monroe and St. Clair produce and dispose of over
12. two thousand tons of refuse each day. In St. Louis City
13. and three adjacent Missouri counties generates some seven
14. thousand tons of trash daily. Of this two thousand tons per
15. day end up in Illinois land fills and as a result, the Illinois
16. counties with twenty percent of the regions population provide
17. land disposal for forty-four percent of its waste. And with
18. the City of St. Louis about to shut down its refuse incinerators
19. and two of Missouri's five land fills nearing capacity, the
20. percentage could increase and still more. Adoption of Senate
21. Bill 23 is essential for this project to be realized. And bistate
22. lacks express legal authority to build a solid waste to energy
23. project and I would appreciate a favorable vote. It passed out
24. of committee by an eight to nothing vote.

11. Obligation Bonds from, reduced amount from ten to eight.

26. SENATOR VADALABENE:
27. Thank you, Mr. President, members of the Senate. Senate
28. Bill 145 provides that the...Tri City Regional Port District
29. is requesting to be exempted from the Industrial Revenue Building
30. Bond Act and avoid...to avoid any possible missinterpretation
31. between the Act and the Tri City Regional Port District Act
32. with regard to the interest limitations. The Tri City Regional
33. Port feels the need to increase the interest rate limitations

1. in order to issue additional Revenue Bonds at the current
2. market rate for such bonds. Industrial Revenue Bonds are not
3. an obligation of the unit of government issuing the bonds.
4. Unit of government serves only as a conduit between a
5. private company and guarantees repayment of the bonds and
6. the bond purchaser. In regard to that portion of the bill
7. which attempts to exempt the Tri City Regional Port District
8. from the application of the...Public Court Corporation Interest
9. Rate Act would have no fiscal effect on the State of Illinois
10. or any other municipality of the State of Illinois. The
11. purpose of the exemption of the Tri City Regional Port District
12. from the application of this act is to prevent any conflict
13. between the interest rate specified in this act, eight percent,
14. and the interest rate of ten percent specified for the Port District
15. Revenue Bonds which we just passed as a companion bill to
16. Senate Bill 142. And I would appreciate a favorable vote.

23. Indicates he will.

24. SENATOR RHOADS:

25. Senator, my question relates to the...the last paragraph
26. you just read. The relationship between this bill and Senate
27. Bill 142 which was just passed. Could you go over that one
28. more time please, just a little bit more slowly so we can
29. absorb it?

30. PRESIDING OFFICER: (SENATOR DONNEWALD)

31. Senator Vadalabene.

32. SENATOR VADALABENE:

33. Well, the way I understand the bill, in Senate Bill 142,

1. if we didn't pass this bill, there would be a conflict in the
2. interest rates that are presently passed by Senate Bill 142.

3. PRESIDING OFFICER: (SENATOR DONNEWALD)

4. Senator Rhoads.

5. SENATOR RHOADS:

6. So what? Wouldn't...wouldn't 142 prevail?

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. Senator Vadalabene.

9. SENATOR VADALABENE:

10. Yes, that is correct, but they...this bill is also needed

12. the Public Corporation..interest also.

24. (Secretary reads title of bill)

25. 3rd reading of the bill.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Senator Daley.

28. SENATOR DALEY:

29. Mr. President and fellow Senators. This is a bill that
30. I put in due to circumstances that involve me during the year.
31. That each and every one of us have credit cards, whether for
32. our Senate office, whether your local office or whether your
33. business office and today I have received from the Illinois

1. Bell Telephone, now you can have your own telephone credit
2. card. They encourage each and every one of us to have credit
3. cards for local calls or long distance phone calls. What I've
4. done in this bill is, unknown to me until March, all of a
5. sudden using my local credit card call for, at a hospital
6. that my son was at, the telephone company informed me over the
7. phone, you cannot use your credit card for local calls. I
8. immediately called the Illinois Bell Telephone Company. I
9. sat down with their representatives and before the committee
10. they told us they had the...the authority from the Illinois
11. Commerce Commission to okay this. I talked to the Commerce
12. Commission last week, they never heard of it, informally or
13. formally, they never made a decision on their authorization
14. to discontinue use or local use of credit cards for local
15. calls within the City of Chicago and the south suburban
16. area. It extends from the north side of Chicago, up from O'Hare...
17. O'Hare Field all the way down to Chicago Heights. It's a study
18. that the Illinois Bell Telephone is using supposedly to cut
19. down fraud. And I mentioned to them, if you cannot use your
20. credit card for local calls, you automatically cut down fraud
21. if you want...if that's what you're looking for. We found out
22. in the testimony, there's more fraud in long distance phone
23. calls than in local calls. This allows an individual who has
24. a credit card, that applies for and receives a credit card
25. from the Illinois Bell Telephone to use it for local credit
26. card calls. And that's all the bill does.

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. Is there discussion? Senator Mitchler.

29. SENATOR MITCHLER:

30. Thank you, Mr. President and members of the Senate. In
31. committee the Senate Agriculture, Conservation, Energy Committee,
32. where this bill was heard, it was pointed out that the Illinois
33. Bell Telephone Company has fraud in the amount of three hundred

1. sixty thousand dollars annually through the...fraudulent
2. use of credit cards and this is the reason for this bill.
3. Let me correct myself, did I say it's three hundred and sixty
4. thousand dollars, monthly, is the amount that they have in
5. fraudulent use of credit cards and they've evaluated where
6. the greatest fraud in the credit cards have been used. And
7. they have found that in this area of use in the larger cities
8. where someone will come in and make all of their credit cards
9. all day long on credit cards is the greatest offender. Now
10. that is the reason that they have asked for the termination
11. of the use of credit cards in the local credit...in the local
12. calling area. Now, what Senator Daley is alluding to, a credit
13. card issued by the telephone company is sort of a privilege
14. and during the hearing it was brought out that when you use
15. a credit card locally, it's costing you forty-eight cents,
16. in addition to the...to the regular use. It costs you more
17. to use a credit card in making a call than a twenty-cent
18. regular call. So this charge to the person using the credit
19. card can be justified in the fact that they have an extra
20. convenience in that it's billed and they have a billing. Now,
21. the problem at the telephone company and their objection to
22. Senator Daley's bill...

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. Just...just a moment.

25. SENATOR MITCHLER:

26. Just let me finish...now...

27. PRESIDING OFFICER: (SENATOR DONNEWALD)

28. No...just a moment...Senator D'Arco, for what purpose do
29. you arise?

30. SENATOR D'ARCO:

31. I just want to know if he's for or against the bill, that's
32. all.

33. PRESIDING OFFICER: (SENATOR DONNEWALD)

1. Well, no, continue, Senator.

2. SENATOR MITCHLER:

3. The...the reason that it was opposed in committee by
4. the telephone company was because they are experiencing some
5. three hundred and sixty thousand dollars a month fraud. Now,
6. if they continue to experience this, that three hundred and
7. sixty thousand dollars per month has to be passed on to
8. the other consumers who do not use a credit card. I'm going
9. to support Senator Daley's bill, in answer to the bill, but
10. I wanted to bring this out because there may be a bill in
11. that will allow that charge to be picked up on to the credit
12. card users. Because it shouldn't be that a credit card user
13. causes this fraud that has to be passed on to those who do not
14. use a credit card. I use a credit card and it was brought
15. out that the fraud for long distance calls outside a local
16. calling area are even greater than in the local area. Now,
17. I have a bill that I...I'm considering introducing before
18. the deadline. It would protect those that do not use a
19. credit card from having to pick up this tremendous cost of
20. fraud that's experienced by and caused by people that do use
21. credit cards. I just wanted to put that in the record because
22. that was brought out in testimony in the committee. I did not
23. know about that and many of you probably are in the same position
24. as I was not knowing about it. But maybe we can be more enlightened
25. about it. But the ability to use a credit card should be extended
26. and if you want to pay extra for it, as you are paying when you're
27. using a credit card. Maybe many of you didn't know that...that
28. it costs more. And in the last bulletin put out by the Illinois
29. Bell Telephone Company with your bill, it has an explanation of
30. the additional cost for a credit card call above a regular dialing
31. your number. Thank you.

32. PRESIDING OFFICER: (SENATOR DONNEWALD)

33. Senator Demuzio.

1. SENATOR DEMUZIO:

2. Thank...thank you, Mr. President. I just want to correct
3. something that Senator Mitchler had indicated. He indicated
4. that the testimony in committee was that the total one month
5. loss in fraudulent local calls was three hundred and sixty
6. thousand dollars. That is a yearly figure, I am told, not a
7. monthly figure. In addition to that, I was surprised to
8. learn that there is twice...twice as much fraud that takes
9. place in long distance credit card calls as there is that
10. transpires and takes place with local calls. And I would
11. suggest to you that if we're going to eliminate the credit
12. card usage by local individuals, we have to do it for long
13. distance as well. I think that another thing that I was
14. surprised to learn that this is only applicable in certain
15. parts of Chicago, that this is taking place. That, in fact,
16. what they're doing here is that you're discriminating against
17. the...the long distance credit card holders and you're also
18. discriminating against other areas in the City of Chicago
19. by letting them use their local...their credit card for local
20. calls and not in the areas to which the Senator is referring.
21. I think it's a good bill. If you have a credit card, I think
22. it ought to be applicable to both the local calls as well as
23. long distance.

24. PRESIDING OFFICER: (SENATOR DONNEWALD)

25. Senator Grotberg.

26. SENATOR GROTEBERG:

27. A question of the sponsor, Mr. President.

28. PRESIDING OFFICER: (SENATOR DONNEWALD)

29. Indicates he will respond.

30. SENATOR GROTEBERG:

31. Senator Daley you reiterated...it is only Illinois Bell,
32. but the bill reads, oh, I've got five phone companies in my
33. district, would they all be involved in this?

1. PRESIDING OFFICER: (SENATOR DONNEWALD)

2. Senator Daley.

3. SENATOR DALEY:

4. Yes, as I understand, Illinois Bell Telephone is the only
5. one that's doing it. They're the only one that are discriminating
6. if you have a credit card, you want to use it for local calls.
7. I think the problem is, all the telephone companies send this
8. to all the credit...anyone who wants credit. They've been
9. sending these, whether in your district or my district and every-
10. one gets these...they think they get local...they can use their
11. local credit card for local calls or long distance. Besides
12. that, it is not forty-seven cents, it's sixty-eight cents for
13. a use of a credit card, local credit card, for local call. So
14. it's up about twenty cents, even if they charge a dollar fifty,
15. they wouldn't have to tell you what they charge prior to it. So
16. we can come up with another bill, I know Senator Mitchler will,
17. for specific prices for utilities, especially Illinois Bell
18. Telephone. In other words, they have to specify what they're
19. going to charge before you get a credit card.

20. PRESIDING OFFICER: (SENATOR DONNEWALD)

21. Senator Nash. Senator Geo-Karis.

22. SENATOR GEO-KARIS:

23. Mr. President and Ladies and Gentlemen of the Senate, I
24. always thought I got a break by using my credit cards until
25. I found out at the hearing in which this committee took place,
26. this bill was took place, that it does cost us about forty-
27. eight cents a call, locally, and also about, I think it was
28. sixty-eight or better for long distance. It would seem to
29. me if the telephone company wanted to eliminate fraud, it
30. should be more discriminating as to where they issued their
31. credit cards because I can just picture the situation with
32. someone with twenty cents in change making a call on a credit
33. card and if it's not allowed to do so, not having any change

1. and everybody being closed around and all stores closed
2. and if it were an emergency, it couldn't get through. So
3. I certainly heartily support the bill and I'm glad it
4. applies to all telephone companies because the emergencies
5. are there and there's another point. You spend money making
6. local calls to your constituents and what have you and believe
7. it or not it tolls up, at least if you have a record, you've
8. got it for your tax purposes, too.

9. PRESIDING OFFICER: (SENATOR DONNEWALD)

10. Senator Nimrod.

11. SENATOR NIMROD:

12. Yeah, a...a question, Mr. President. Senator Daley, in
13. reading the bill, it just says that the credit card may be
14. used for local calls. I've not looked at the area that
15. it's referring to, but maybe you might be able to clarify it
16. for me. Can this be interpreted that you cannot use the
17. credit calls for long distance calls? Or is there somewhere
18. that gives you permission in there.

19. PRESIDING OFFICER: (SENATOR DONNEWALD)

20. Senator Daley.

21. SENATOR DALEY:

22. No, the Bell Telephone Company or any telephone company
23. is not denied...does not denied use, this is just a study they're
24. doing, they haven't received the authorization from the Illinois
25. Commerce Commission. Now, there is more of a problem now, once
26. the credit card holders find out within that geographical
27. district that they just went ahead and did it without authorization
28. from the Illinois Commerce Commission. They cannot deny the
29. use of a credit card for long distance phone calls.

30. PRESIDING OFFICER: (SENATOR DONNEWALD)

31. Senator Nimrod.

32. SENATOR NIMROD:

33. My only comment is, by the way the bill is being written,

1. it seems to limit the credit card to local calls only because
2. it's the only section it refers to in B unless there's some-
3. place else where it refers to that credit cards can be used
4. for other calls. This could be interpreted that the law
5. gives you only the authority to use it for local calls and
6. I...and I don't believe that's your intent. Now, maybe...maybe
7. what should be written instead of locals calls, that you should
8. be able to make a call anywhere with your credit card. A
9. valid credit card should be able to make credit calls anywhere
10. and that may...may recover you.

11. PRESIDING OFFICER: (SENATOR DONNEWALD)

12. Senator Mitchler, do you wish to address the Body again?

13. SENATOR MITCHLER:

14. Yes, well to correct something. In my opening statement,
15. I first alluded to the fact that the fraud in the Chicago
16. area where they tested this amounted to about three hundred
17. and sixty thousand dollars a year, then I corrected myself
18. that it's a month. Now, Senator Demuzio got up and said it
19. was a year. Senator Demuzio, we're going by our figures and
20. it is three hundred, sixty thousand dollars revenue per month.
21. Now, that's a tremendous figure of fraud on credit cards and
22. I first thought it was so great that it must be a year, but
23. it's actually per month. And that amount is passed on to those
24. who don't use a credit card and I think that we ought to correct
25. that along with what Senator Daley has.

26. PRESIDING OFFICER: (SENATOR DONNEWALD)

27. Well, could we continue that debate in Walter's office?

28. Senator Daley.

29. SENATOR DALEY:

30. Yes, Senator Mitchler, the problem is...is the Illinois
31. Bell Telephone Company is...allowed anybody the use of a
32. credit card. Now, they haven't made any safeguards about
33. protecting you, as a credit card holder. What they've done,

1. they issued millions of credit cards and anyone can use the
2. credit card. I could copy...anyone could copy any number
3. and use your credit card at any time. And they haven't made
4. any...any alternatives or...or programs to do something about
5. the misuse of credit cards. What they've done is they just said
6. you can't use them anymore.

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. Senator Demuzio.

9. SENATOR DEMUZIQ:

10. Yes, I wanted to call it to Senator Mitchler's attention
11. that our staff has indicated that the eight hundred and twelve
12. thousand calls were on a yearly basis and that the amount was
13. three hundred and sixty thousand. Since our staff is better
14. than your staff we accept your apologies, Senator Mitchler.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. We'll have the two staff's debate. Is there further
17. discussion? Senator Daley may close...if he so desires.
18. The question is shall Senate Bill 247 pass. Those in favor
19. vote Aye. Those opposed Nay. The voting is open. Have
20. all those voted who wish? Have all those voted who wish?
21. Take the record. On that question the Ayes are 38, the Nays
22. are 10, 2 Voting Present. Senate Bill 247 having received
23. a constitutional majority is declared passed.

7. PRESIDING OFFICER: (SENATOR DONNEWALD)

8. Senator Daley.

9. SENATOR DALEY:

10. Mr. President and fellow Senators. This is...appropriation
11. bill for the Illinois Division of Services for Crippled Children
12. ...within the University of Illinois budget. During the years
13. I explained prior on my prior bill, that I...I never knew this,
14. that outside the City of Chicago, if you...son or daughter has
15. cancer, brain surgery, is crippled, he gets a hundred percent
16. funding, rehabilitation and medical. Automatically they receive that.
17. The Federal law came into effect about 1935. Since 1935 anyone
18. living with...outside the City of Chicago is a hundred percent
19. funded. If your son or daughter or relative has...is crippled,
20. has brain surgery, you apply for monies to be used
21. it's a hundred percent rehabilitation or medical money. If
22. you have a child or anybody living within the City of Chicago,
23. you are denied certain medical money and you're fully denied
24. rehabilitation money. I think it's...really it's a disgrace that
25. it's lasted this long, but it takes, you know, something to happen
26. and someone mentions it to a Senator or someone else and you
27. find out that there are thousands of kids today who are crippled
28. who have had...without brain surgery who had...various other
29. diseases, have never received any medical money or rehabilitation
30. money. It's very, very sad. It's a sad comment. What this done
31. alone gives five hundred thousand dollars to the Illinois Division
32. of Crippled Children. Just this...the last three months, so
33. children within the City of Chicago can apply for. I'm coming
back with a...an appropriation for next year. I think it's 2.2

1. million dollars for the children within the City of Chicago to
2. receive equal status throughout the State. That's all the bill does.

3. PRESIDING OFFICER: (SENATOR DONNEWALD)

4. Senator Schaffer.

5. SENATOR SCHAFFER:

6. Mr. President, I rise in support of this bill. What Senator
7. Daley has said is absolutely true, as unbelievable as it might
8. sound, for reasons that defy my ability to comprehend. We have had
9. a differential for, lo these many years, between the City of
10. Chicago and the rest of the State on this important area of service
11. to crippled children. There's no justification for the differential.
12. Somebody drew a line. I'm amazed that somebody hasn't gone to
13. court and bounced this thing out. If you have any belief in
14. fairness and decency, you have to be for this bill.

15. PRESIDING OFFICER: (SENATOR DONNEWALD)

16. Senator Weaver.

17. SENATOR WEAVER:

18. Thank you, Mr. President. Well, I rise in support of this bill,
19. also. I don't know what the background is on the differential, but
20. certainly every effort is being made by Senator Daley to correct
21. it and hopefully in the future there will be no differential
22. regarding where one resides in the State of Illinois.

23. PRESIDING OFFICER: (SENATOR DONNEWALD)

24. Is there further discussion? Senator Daley may close.

25. SENATOR DALEY:

26. Mr. President and members of the Senator Buzbee committee
27. has been very graceful to pass this bill unanimously. It's...it's a
28. bill that, like Senator Weaver stated and Senator Schaffer, no one
29. knows why...why children, you know, who have never received
30. rehabilitation today for the last thirty, forty years and it's
31. ...it's a very sad comment to make, but it happened. I...I...who
32. do you blame? You can't blame anyone. You look to the administrators
33. and the people that have been down there. No one ever raised this
question and I think there are thousands of kids that I think

1. rightfully so, maybe have a good lawsuit against those that were
2. in charge of this...of this committee or in this division to
3. say they...they're crippled, they were denied a surgery because
4. it just happened that way.

5. PRESIDING OFFICER: (SENATOR DONNEWALD)

6. Question is shall Senate Bill 260 pass. Those in favor vote
7. Aye. Those opposed Nay. The voting is open. Have all those voted

14. PRESIDING OFFICER: (SENATOR DONNEWALD)

15. Announcements. Senator Rock.

16. SENATOR ROCK:

17. Thank you, Mr. President, Ladies and Gentlemen of the Senate.
18. Before we adjourn to repair to our respective committee meetings, there
19. has been some concern expressed. Wednesday, of this week, of course,
20. as the deadline for introduction of bills. The Reference Bureau
21. is working overtime and double time in an attempt to accommodate
22. the membership. In a further attempt to accommodate the membership,
23. I've discussed with Senator Shapiro and on Wednesday of this week,
24. although the Senate will...our business will have been concluded
25. except for introduction of bills, our plan in...at this point, at
26. least, is to stay open...open for business for introduction as long
27. as is necessary, even if it means midnight. So, we will attempt
28. to accommodate the typewriters in the Reference Bureau working
29. overtime at this point and they're just really trying to grind it out.
30. But we are prepared to stay open as long as is necessary to make sure
31. that all those good proposals get introduced. So, if there is nothing
32. further, I would move that the Senate, at the conclusion of
33. announcements and so forth, will stand adjourned until noon
tomorrow.

8. SENATOR WOOTEN:

9. Mr. President, just for the benefit of those members who are
10. serving on the Senate Executive Committee, we will try to move with
11. some dispatch through the bills, principally the new bills and
12. resolutions that are posted today. We may have extensive testimony
13. on Senator Demuzio's bill to elect ICC members. We'll schedule that
14. at the end of the meeting and I hope that that will be...I hope
15. we can get through with the other committee business in forty-
16. five minutes or so.
