

AN ACT concerning firearms.

**Be it enacted by the People of the State of Illinois,  
represented in the General Assembly:**

Section 1. Short title. This Act may be cited as the Safe Gun Storage Act.

Section 5. Storage of firearms. A firearm owner shall not store or keep any firearm in any premises where the firearm owner knows or reasonably should know a minor without the lawful permission of the minor's parent, guardian, or person having charge of the minor, an at-risk person, or a prohibited person is likely to gain access to the firearm unless the firearm is secured in a locked container, properly engaged so as to render the firearm inaccessible or unusable to any person other than the owner or other lawfully authorized user. If the firearm is carried by or under the control of the owner or other lawfully authorized user, then the firearm is deemed lawfully stored or kept. This Section does not apply (i) if the minor, an at-risk person, or a prohibited person gains access to a firearm and uses it in a lawful act of self-defense or defense of another or (ii) to any firearm obtained by a minor, an at-risk person, or a prohibited person because of an unlawful entry of the premises by the minor, at-risk person, prohibited person or another person.

Section 10. Penalties; violations.

(a) In this Act:

"At-risk person" means a person who has made statements or exhibited behavior that indicates to a reasonable person there is a likelihood that the person is at risk of attempting suicide or causing physical harm to oneself or others.

"Minor" means a person under 18 years of age; however, "minor" does not include a member of the United States Armed Forces or the Illinois National Guard.

"Premises" includes any land, building, structure, vehicle, or place directly or indirectly under the control of the firearm owner.

"Prohibited person" means a person ineligible under federal or State law to possess a firearm. "Prohibited person" does not include a person who is otherwise eligible to own a firearm pursuant to the Firearm Owners Identification Card Act but does not, at the time of the violation, have a Firearm Owner's Identification Card.

(b)(1) Except as otherwise provided in paragraphs (2) and (3) of this subsection (b), a violation of Section 5 is subject to a civil penalty not to exceed \$500.

(2) If any person knows or reasonably should know that a minor, an at-risk person, or a prohibited person is likely to gain access to a firearm belonging to or under the control of that person, and a minor, an at-risk person, or a prohibited

person obtains the firearm, the civil penalty shall not exceed \$1,000.

(3) If a minor, an at-risk person, or a prohibited person obtains a firearm and uses it to injure or cause the death of a person or uses the firearm in connection with a crime, the civil penalty shall not exceed \$10,000.

(c) The court may order a person who is found in violation of Section 5 to perform community service or pay restitution in lieu of the civil penalties imposed under this Section if good cause is shown.

(d) Nothing in this Act shall be construed to preclude civil liabilities for violations of this Act.

(e) A violation of this Act is prima facie evidence of negligence per se in any civil proceeding if a minor, an at-risk person, or a prohibited person obtains a firearm and causes personal injury or the death of oneself or another or uses the firearm in the commission of a crime.

(f) An action to collect a civil penalty under this Act may be brought by the Attorney General or the State's Attorney of the county in which the violation occurred. Any money received from the collection of a civil penalty under this Act shall be deposited in the Mental Health Fund.

Section 85. The Gun Trafficking Information Act is amended by changing Section 10-5 as follows:

(5 ILCS 830/10-5)

Sec. 10-5. Gun trafficking information.

(a) The Illinois State Police shall use all reasonable efforts, as allowed by State law and regulations, federal law and regulations, and executed Memoranda of Understanding between Illinois law enforcement agencies and the U.S. Bureau of Alcohol, Tobacco, Firearms and Explosives, in making publicly available, on a regular and ongoing basis, key information related to firearms used in the commission of crimes in this State, including, but not limited to: reports on crimes committed with firearms, locations where the crimes occurred, the number of persons killed or injured in the commission of the crimes, whether or not a stolen firearm was used in the commission of the crimes, the state where the firearms used originated, the Federal Firearms Licensee that sold the firearm, the type of firearms used, if known, annual statistical information concerning Firearm Owner's Identification Card and concealed carry license applications, revocations, and compliance with Section 9.5 of the Firearm Owners Identification Card Act, the information required in the report or on the Illinois State Police's website under Section 85 of the Firearms Restraining Order Act, and firearm dealer license certification inspections. The Illinois State Police shall make the information available on its website, which may be presented in a dashboard format, in addition to electronically filing a report with the Governor and the

General Assembly. The report to the General Assembly shall be filed with the Clerk of the House of Representatives and the Secretary of the Senate in electronic form only, in the manner that the Clerk and the Secretary shall direct.

(b) The Illinois State Police shall study, on a regular and ongoing basis, and compile reports on the number of Firearm Owner's Identification Card checks to determine firearms trafficking or straw purchase patterns. The Illinois State Police shall, to the extent not inconsistent with law, share such reports and underlying data with academic centers, foundations, and law enforcement agencies studying firearms trafficking, provided that personally identifying information is protected. For purposes of this subsection (b), a Firearm Owner's Identification Card number is not personally identifying information, provided that no other personal information of the card holder is attached to the record. The Illinois State Police may create and attach an alternate unique identifying number to each Firearm Owner's Identification Card number, instead of releasing the Firearm Owner's Identification Card number itself.

(c) Each department, office, division, and agency of this State shall, to the extent not inconsistent with law, cooperate fully with the Illinois State Police and furnish the Illinois State Police with all relevant information and assistance on a timely basis as is necessary to accomplish the purpose of this Act. The Illinois Criminal Justice Information

Authority shall submit the information required in subsection (a) of this Section to the Illinois State Police, and any other information as the Illinois State Police may request, to assist the Illinois State Police in carrying out its duties under this Act.

Section 90. The Firearm Owners Identification Card Act is amended by changing Sections 3, 3.1, 8, and 8.1 and by adding Section 7.10 as follows:

(430 ILCS 65/3) (from Ch. 38, par. 83-3)

Sec. 3. (a) Except as provided in Section 3a, no person may knowingly transfer, or cause to be transferred, any firearm, firearm ammunition, stun gun, or taser to any person within this State unless the transferee with whom he deals displays either: (1) a currently valid Firearm Owner's Identification Card which has previously been issued in his or her name by the Illinois State Police under the provisions of this Act; or (2) a currently valid license to carry a concealed firearm which has previously been issued in his or her name by the Illinois State Police under the Firearm Concealed Carry Act. In addition, all firearm, stun gun, and taser transfers by federally licensed firearm dealers are subject to Section 3.1 and beginning January 1, 2027, the federally licensed firearm

dealers shall check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm under subsection (a-25) of this Section. New firearms shipped directly from the manufacturer are exempt from this provision.

(a-5) Any person who is not a federally licensed firearm dealer and who desires to transfer or sell a firearm while that person is on the grounds of a gun show must, before selling or transferring the firearm, request the Illinois State Police to conduct a background check on the prospective recipient of the firearm in accordance with Section 3.1 and beginning January 1, 2027, the person who is not a federally licensed firearm dealer shall check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm under subsection {a-25} of this Section. New firearms shipped directly from the manufacturer are exempt from this provision.

(a-10) Notwithstanding item (2) of subsection (a) of this Section, any person who is not a federally licensed firearm dealer and who desires to transfer or sell a firearm or firearms to any person who is not a federally licensed firearm dealer shall, before selling or transferring the firearms,

contact a federal firearm license dealer under paragraph (1) of subsection (a-15) of this Section to conduct the transfer or the Illinois State Police with the transferee's or purchaser's Firearm Owner's Identification Card number to determine the validity of the transferee's or purchaser's Firearm Owner's Identification Card under State and federal law, including the National Instant Criminal Background Check System. This subsection shall not be effective until July 1, 2023. Until that date the transferor shall contact the Illinois State Police with the transferee's or purchaser's Firearm Owner's Identification Card number to determine the validity of the card. The Illinois State Police may adopt rules concerning the implementation of this subsection. The Illinois State Police shall provide the seller or transferor an approval number if the purchaser's Firearm Owner's Identification Card is valid. Approvals issued by the Illinois State Police for the purchase of a firearm pursuant to this subsection are valid for 30 days from the date of issue.

(a-15) The provisions of subsection (a-10) of this Section do not apply to:

(1) transfers that occur at the place of business of a federally licensed firearm dealer, if the federally licensed firearm dealer conducts a background check on the prospective recipient of the firearm in accordance with Section 3.1 of this Act and follows all other applicable federal, State, and local laws as if he or she were the

seller or transferor of the firearm, although the dealer is not required to accept the firearm into his or her inventory. The purchaser or transferee may be required by the federally licensed firearm dealer to pay a fee not to exceed \$25 per firearm, which the dealer may retain as compensation for performing the functions required under this paragraph, plus the applicable fees authorized by Section 3.1;

(2) transfers as a bona fide gift to the transferor's husband, wife, son, daughter, stepson, stepdaughter, father, mother, stepfather, stepmother, brother, sister, nephew, niece, uncle, aunt, grandfather, grandmother, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, or daughter-in-law;

(3) transfers by persons acting pursuant to operation of law or a court order;

(4) transfers on the grounds of a gun show under subsection (a-5) of this Section;

(5) the delivery of a firearm by its owner to a gunsmith for service or repair, the return of the firearm to its owner by the gunsmith, or the delivery of a firearm by a gunsmith to a federally licensed firearms dealer for service or repair and the return of the firearm to the gunsmith;

(6) temporary transfers that occur while in the home of the unlicensed transferee, if the unlicensed transferee

is not otherwise prohibited from possessing firearms and the unlicensed transferee reasonably believes that possession of the firearm is necessary to prevent imminent death or great bodily harm to the unlicensed transferee;

(7) transfers to a law enforcement or corrections agency or a law enforcement or corrections officer acting within the course and scope of his or her official duties;

(8) transfers of firearms that have been rendered permanently inoperable to a nonprofit historical society, museum, or institutional collection; and

(9) transfers to a person who is exempt from the requirement of possessing a Firearm Owner's Identification Card under Section 2 of this Act.

(a-20) The Illinois State Police shall develop an Internet-based system for individuals to determine the validity of a Firearm Owner's Identification Card prior to the sale or transfer of a firearm. The Illinois State Police shall have the Internet-based system updated and available for use by January 1, 2024. The Illinois State Police shall adopt rules not inconsistent with this Section to implement this system; but no rule shall allow the Illinois State Police to retain records in contravention of State and federal law. On or before January 1, 2027, the Internet-based system shall include a written notice, in both English and Spanish, of a firearm owner's obligation to report to local law enforcement any lost or stolen firearm within 48 hours after the owner

first discovers the loss or theft.

(a-25) On or before January 1, 2022, the Illinois State Police shall develop an Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access for individuals to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm under this Section. The Illinois State Police shall have the Internet-based system completed and available for use by July 1, 2022. The Illinois State Police shall adopt rules not inconsistent with this Section to implement this system. On or before January 1, 2027, the Illinois State Police shall make the Internet-based system created under this subsection accessible to federally licensed firearms dealers to verify that the make, model, and serial numbers of firearms that are being bought, sold, or transferred by the dealers have not been reported stolen and shall also provide a receipt or approval number to a transferor or federally licensed firearms dealer as verification that the firearm being transferred did not appear on the stolen firearm database.

(a-30) On or before January 1, 2027, the Illinois State Police shall establish an electronic mechanism by which law enforcement shall report individuals who have failed to report the loss or theft of a firearm pursuant to Section 24-4.1 of the Criminal Code of 2012.

(b) Any person within this State who transfers or causes to be transferred any firearm, stun gun, or taser shall keep a

record of such transfer for a period of 10 years from the date of transfer. Any person within this State who receives any firearm, stun gun, or taser pursuant to subsection (a-10) shall provide a record of the transfer within 10 days of the transfer to a federally licensed firearm dealer and shall not be required to maintain a transfer record. The federally licensed firearm dealer shall maintain the transfer record for 20 years from the date of receipt. A federally licensed firearm dealer may charge a fee not to exceed \$25 to retain the record. The record shall be provided and maintained in either an electronic or paper format. The federally licensed firearm dealer shall not be liable for the accuracy of any information in the transfer record submitted pursuant to this Section. Such records shall contain the date of the transfer; the description, serial number or other information identifying the firearm, stun gun, or taser if no serial number is available; and, if the transfer was completed within this State, the transferee's Firearm Owner's Identification Card number and any approval number or documentation provided by the Illinois State Police pursuant to subsection (a-10) of this Section; if the transfer was not completed within this State, the record shall contain the name and address of the transferee. On or after January 1, 2006, the record shall contain the date of application for transfer of the firearm. On demand of a peace officer such transferor shall produce for inspection such record of transfer. For any transfer pursuant

to subsection (a-10) of this Section, on the demand of a peace officer, such transferee shall identify the federally licensed firearm dealer maintaining the transfer record. If the transfer or sale took place at a gun show, the record shall include the unique identification number. Failure to record the unique identification number or approval number is a petty offense. For transfers of a firearm, stun gun, or taser made on or after January 18, 2019 (the effective date of Public Act 100-1178), failure by the private seller to maintain the transfer records in accordance with this Section, or failure by a transferee pursuant to subsection a-10 of this Section to identify the federally licensed firearm dealer maintaining the transfer record, is a Class A misdemeanor for the first offense and a Class 4 felony for a second or subsequent offense occurring within 10 years of the first offense and the second offense was committed after conviction of the first offense. Whenever any person who has not previously been convicted of any violation of subsection (a-5), the court may grant supervision pursuant to and consistent with the limitations of Section 5-6-1 of the Unified Code of Corrections. A transferee or transferor shall not be criminally liable under this Section provided that he or she provides the Illinois State Police with the transfer records in accordance with procedures established by the Illinois State Police. The Illinois State Police shall establish, by rule, a standard form on its website.

(b-5) Any resident may purchase ammunition from a person within or outside of Illinois if shipment is by United States mail or by a private express carrier authorized by federal law to ship ammunition. Any resident purchasing ammunition within or outside the State of Illinois must provide the seller with a copy of his or her valid Firearm Owner's Identification Card or valid concealed carry license and either his or her Illinois driver's license or Illinois State Identification Card prior to the shipment of the ammunition. The ammunition may be shipped only to an address on either of those 2 documents.

(c) The provisions of this Section regarding the transfer of firearm ammunition shall not apply to those persons specified in paragraph (b) of Section 2 of this Act.

Sec. 3.1. Firearm Transfer Inquiry Program.

(a) The Illinois State Police shall provide a dial up telephone system or utilize other existing technology which shall be used by any federally licensed firearm dealer, gun show promoter, or gun show vendor who is to transfer a firearm, stun gun, or taser under the provisions of this Act. The Illinois State Police may utilize existing technology which allows the caller to be charged a fee not to exceed \$2. Fees

collected by the Illinois State Police shall be deposited in the State Police Firearm Services Fund and used to provide the service. Beginning January 1, 2027, a federally licensed firearm dealer, gun show promoter, and gun show vendor shall additionally check the Illinois State Police Internet-based system upon which the serial numbers of firearms that have been reported stolen are available for public access to ensure any firearms are not reported stolen prior to the sale or transfer of a firearm under subsection (a-25) of Section 3 of this Act. New firearms shipped directly from the manufacturer are exempt from this provision.

(b) Upon receiving a request from a federally licensed firearm dealer, gun show promoter, or gun show vendor, the Illinois State Police shall immediately approve or, within the time period established by Section 24-3 of the Criminal Code of 2012 regarding the delivery of firearms, stun guns, and tasers, notify the inquiring dealer, gun show promoter, or gun show vendor of any objection that would disqualify the transferee from acquiring or possessing a firearm, stun gun, or taser. In conducting the inquiry, the Illinois State Police shall initiate and complete an automated search of its criminal history record information files and those of the Federal Bureau of Investigation, including the National Instant Criminal Background Check System, and of the files of the Department of Human Services relating to mental health and developmental disabilities to obtain any felony conviction or

patient hospitalization information which would disqualify a person from obtaining or require revocation of a currently valid Firearm Owner's Identification Card.

(b-5) By January 1, 2023, the Illinois State Police shall by rule provide a process for the automatic renewal of the Firearm Owner's Identification Card of a person at the time of an inquiry in subsection (b). Persons eligible for this process must have a set of fingerprints on file with their applications under either subsection (a-25) of Section 4 or the Firearm Concealed Carry Act.

(c) If receipt of a firearm would not violate Section 24-3 of the Criminal Code of 2012, federal law, or this Act, the Illinois State Police shall:

(1) assign a unique identification number to the transfer; and

(2) provide the licensee, gun show promoter, or gun show vendor with the number.

(d) Approvals issued by the Illinois State Police for the purchase of a firearm are valid for 30 days from the date of issue.

(e) (1) The Illinois State Police must act as the Illinois Point of Contact for the National Instant Criminal Background Check System.

(2) The Illinois State Police and the Department of Human Services shall, in accordance with State and federal law regarding confidentiality, enter into a memorandum of

understanding with the Federal Bureau of Investigation for the purpose of implementing the National Instant Criminal Background Check System in the State. The Illinois State Police shall report the name, date of birth, and physical description of any person prohibited from possessing a firearm pursuant to the Firearm Owners Identification Card Act or 18 U.S.C. 922(g) and (n) to the National Instant Criminal Background Check System Index, Denied Persons Files.

(3) The Illinois State Police shall provide notice of the disqualification of a person under subsection (b) of this Section or the revocation of a person's Firearm Owner's Identification Card under Section 8 or Section 8.2 of this Act, and the reason for the disqualification or revocation, to all law enforcement agencies with jurisdiction to assist with the seizure of the person's Firearm Owner's Identification Card.

(f) The Illinois State Police shall adopt rules not inconsistent with this Section to implement this system.

(430 ILCS 65/7.10 new)

Sec. 7.10. Notice of obligation to report lost or stolen firearm. Upon the issuance and each renewal of a Firearm Owner's Identification Card, the Illinois State Police shall advise the applicant or holder in writing, in both English and

Spanish, of his or her obligation to report to local law enforcement any lost or stolen firearm within 48 hours after he or she first discovers the loss or theft. A person is deemed to have discovered that a firearm was lost or stolen only when the person has received evidence indicating that a loss or theft has occurred.

(430 ILCS 65/8) (from Ch. 38, par. 83-8)

Sec. 8. Grounds for denial and revocation. The Illinois State Police has authority to deny an application for or to revoke and seize a Firearm Owner's Identification Card previously issued under this Act only if the Illinois State Police finds that the applicant or the person to whom such card was issued is or was at the time of issuance:

(a) A person under 21 years of age who has been convicted of a misdemeanor other than a traffic offense or adjudged delinquent;

(b) This subsection (b) applies through the 180th day following July 12, 2019 (the effective date of Public Act 101-80). 181st day following July 12, 2019 (the effective date of Public Act 101-80). A person under 21 years of age who is not an active duty member of the United States Armed Forces or the Illinois National Guard and does not have the written consent of his or her parent or guardian to acquire and possess firearms and firearm ammunition, or whose parent or guardian has revoked such written consent, or where such parent or guardian does not qualify to have a Firearm Owner's Identification Card;

(d) If a person is determined to pose a clear and present danger to himself, herself, or to others:

(1) by a physician, clinical psychologist, or qualified examiner, or is determined to have a developmental disability by a physician, clinical psychologist, or qualified examiner, whether employed by the State or privately, then the physician, clinical psychologist, or qualified examiner shall, within 24 hours of making the determination, notify the Department of Human Services that the person poses a clear and present danger or has a developmental disability; or

Section 110. The Unified Code of Corrections is amended by changing Section 5-4-1 as follows:

(730 ILCS 5/5-4-1) (from Ch. 38, par. 1005-4-1)

Sec. 5-4-1. Sentencing hearing.

(a) After a determination of guilt, a hearing shall be held to impose the sentence. However, prior to the imposition of sentence on an individual being sentenced for an offense based upon a charge for a violation of Section 11-501 of the Illinois Vehicle Code or a similar provision of a local ordinance, the individual must undergo a professional evaluation to determine if an alcohol or other drug abuse problem exists and the extent of such a problem. Programs conducting these evaluations shall be licensed by the Department of Human Services. However, if the individual is not a resident of Illinois, the court may, in its discretion, accept an evaluation from a program in the state of such individual's residence. The court shall make a specific finding about whether the defendant is eligible for participation in a Department impact incarceration program as provided in Section 5-8-1.1 or 5-8-1.3, and if not, provide an explanation as to why a sentence to impact incarceration is not an appropriate sentence. The court may in its sentencing order recommend a defendant for placement in a Department of Corrections substance abuse treatment program as provided in paragraph (a) of subsection (1) of Section 3-2-2 conditioned upon the defendant being accepted in a program by the Department of Corrections. At the hearing the court shall:

(1) consider the evidence, if any, received upon the trial;

(2) consider any presentence reports;

(3) consider the financial impact of incarceration based on the financial impact statement filed with the clerk of the court by the Department of Corrections;

(4) consider evidence and information offered by the parties in aggravation and mitigation;

(4.5) consider substance abuse treatment, eligibility screening, and an assessment, if any, of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(5) hear arguments as to sentencing alternatives;

(6) afford the defendant the opportunity to make a statement in his own behalf;

(7) afford the victim of a violent crime or a violation of Section 11-501 of the Illinois Vehicle Code, or a similar provision of a local ordinance, the opportunity to present an oral or written statement, as guaranteed by Article I, Section 8.1 of the Illinois Constitution and provided in Section 6 of the Rights of Crime Victims and Witnesses Act. The court shall allow a victim to make an oral statement if the victim is present in the courtroom and requests to make an oral or written statement. An oral or written statement includes the victim or a representative of the victim reading the

written statement. The court may allow persons impacted by the crime who are not victims under subsection (a) of Section 3 of the Rights of Crime Victims and Witnesses Act to present an oral or written statement. A victim and any person making an oral statement shall not be put under oath or subject to cross-examination. All statements offered under this paragraph (7) shall become part of the record of the court. In this paragraph (7), "victim of a violent crime" means a person who is a victim of a violent crime for which the defendant has been convicted after a bench or jury trial or a person who is the victim of a violent crime with which the defendant was charged and the defendant has been convicted under a plea agreement of a crime that is not a violent crime as defined in subsection (c) of 3 of the Rights of Crime Victims and Witnesses Act;

(7.5) afford a qualified person affected by: (i) a violation of Section 405, 405.1, 405.2, or 407 of the Illinois Controlled Substances Act or a violation of Section 55 or Section 65 of the Methamphetamine Control and Community Protection Act; or (ii) a Class 4 felony violation of Section 11-14, 11-14.3 except as described in subdivisions (a)(2)(A) and (a)(2)(B), 11-15, 11-17, 11-18, 11-18.1, or 11-19 of the Criminal Code of 1961 or the Criminal Code of 2012, committed by the defendant the opportunity to make a statement concerning the impact on the qualified person and to offer evidence in aggravation

or mitigation; provided that the statement and evidence offered in aggravation or mitigation shall first be prepared in writing in conjunction with the State's Attorney before it may be presented orally at the hearing. Sworn testimony offered by the qualified person is subject to the defendant's right to cross-examine. All statements and evidence offered under this paragraph (7.5) shall become part of the record of the court. In this paragraph (7.5), "qualified person" means any person who: (i) lived or worked within the territorial jurisdiction where the offense took place when the offense took place; or (ii) is familiar with various public places within the territorial jurisdiction where the offense took place when the offense took place. "Qualified person" includes any peace officer or any member of any duly organized State, county, or municipal peace officer unit assigned to the territorial jurisdiction where the offense took place when the offense took place;

(8) in cases of reckless homicide afford the victim's spouse, guardians, parents or other immediate family members an opportunity to make oral statements;

(9) in cases involving a felony sex offense as defined under the Sex Offender Management Board Act, consider the results of the sex offender evaluation conducted pursuant to Section 5-3-2 of this Act; ~~and~~

(10) make a finding of whether a motor vehicle was

used in the commission of the offense for which the defendant is being sentenced; and ~~or~~

(11) make a finding of whether a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible stolen firearms database was used in the commission of the offense for which the defendant is being sentenced.

(b) All sentences shall be imposed by the judge based upon his independent assessment of the elements specified above and any agreement as to sentence reached by the parties. The judge who presided at the trial or the judge who accepted the plea of guilty shall impose the sentence unless he is no longer sitting as a judge in that court. Where the judge does not impose sentence at the same time on all defendants who are convicted as a result of being involved in the same offense, the defendant or the State's Attorney may advise the sentencing court of the disposition of any other defendants who have been sentenced.

(b-1) In imposing a sentence of imprisonment or periodic imprisonment for a Class 3 or Class 4 felony for which a sentence of probation or conditional discharge is an available sentence, if the defendant has no prior sentence of probation or conditional discharge and no prior conviction for a violent crime, the defendant shall not be sentenced to imprisonment before review and consideration of a presentence report and determination and explanation of why the particular evidence,

information, factor in aggravation, factual finding, or other reasons support a sentencing determination that one or more of the factors under subsection (a) of Section 5-6-1 of this Code apply and that probation or conditional discharge is not an appropriate sentence.

(c) In imposing a sentence for a violent crime or for an offense of operating or being in physical control of a vehicle while under the influence of alcohol, any other drug or any combination thereof, or a similar provision of a local ordinance, when such offense resulted in the personal injury to someone other than the defendant, the trial judge shall specify on the record the particular evidence, information, factors in mitigation and aggravation or other reasons that led to his sentencing determination. The full verbatim record of the sentencing hearing shall be filed with the clerk of the court and shall be a public record.

(c-1) In imposing a sentence for the offense of aggravated kidnapping for ransom, home invasion, armed robbery, aggravated vehicular hijacking, aggravated discharge of a firearm, or armed violence with a category I weapon or category II weapon, the trial judge shall make a finding as to whether the conduct leading to conviction for the offense resulted in great bodily harm to a victim, and shall enter that finding and the basis for that finding in the record.

(c-1.5) Notwithstanding any other provision of law to the contrary, in imposing a sentence for an offense that requires

a mandatory minimum sentence of imprisonment, the court may instead sentence the offender to probation, conditional discharge, or a lesser term of imprisonment it deems appropriate if: (1) the offense involves the use or possession of drugs, retail theft, or driving on a revoked license due to unpaid financial obligations; (2) the court finds that the defendant does not pose a risk to public safety; and (3) the interest of justice requires imposing a term of probation, conditional discharge, or a lesser term of imprisonment. The court must state on the record its reasons for imposing probation, conditional discharge, or a lesser term of imprisonment.

(c-2) If the defendant is sentenced to prison, other than when a sentence of natural life imprisonment is imposed, at the time the sentence is imposed the judge shall state on the record in open court the approximate period of time the defendant will serve in custody according to the then current statutory rules and regulations for sentence credit found in Section 3-6-3 and other related provisions of this Code. This statement is intended solely to inform the public, has no legal effect on the defendant's actual release, and may not be relied on by the defendant on appeal.

The judge's statement, to be given after pronouncing the sentence, other than when the sentence is imposed for one of the offenses enumerated in paragraph (a)(4) of Section 3-6-3, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, assuming the defendant receives all of his or her sentence credit, the period of estimated actual custody is ... years and ... months, less up to 180 days additional earned sentence credit. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations, does not receive those credits, the actual time served in prison will be longer. The defendant may also receive an additional one-half day sentence credit for each day of participation in vocational, industry, substance abuse, and educational programs as provided for by Illinois statute."

When the sentence is imposed for one of the offenses enumerated in paragraph (a)(2) of Section 3-6-3, other than first degree murder, and the offense was committed on or after June 19, 1998, and when the sentence is imposed for reckless homicide as defined in subsection (e) of Section 9-3 of the Criminal Code of 1961 or the Criminal Code of 2012 if the offense was committed on or after January 1, 1999, and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in

subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, and when the sentence is imposed for aggravated arson if the offense was committed on or after July 27, 2001 (the effective date of Public Act 92-176), and when the sentence is imposed for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (C) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code committed on or after January 1, 2011 (the effective date of Public Act 96-1230), the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is entitled to no more than 4 1/2 days of sentence credit for each month of his or her sentence of imprisonment. Therefore, this defendant will serve at least 85% of his or her sentence. Assuming the defendant receives 4 1/2 days credit for each month of his or her sentence, the period of estimated actual custody is ... years and ... months. If the defendant, because of his or her own misconduct or failure to comply with the institutional regulations

receives lesser credit, the actual time served in prison will be longer."

When a sentence of imprisonment is imposed for first degree murder and the offense was committed on or after June 19, 1998, the judge's statement, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant is not entitled to sentence credit. Therefore, this defendant will serve 100% of his or her sentence."

When the sentencing order recommends placement in a substance abuse program for any offense that results in incarceration in a Department of Corrections facility and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the judge's statement, in addition to any other judge's statement required under this Section, to be given after pronouncing the sentence, shall include the following:

"The purpose of this statement is to inform the public of the actual period of time this defendant is likely to spend in prison as a result of this sentence. The actual period of

prison time served is determined by the statutes of Illinois as applied to this sentence by the Illinois Department of Corrections and the Illinois Prisoner Review Board. In this case, the defendant shall receive no earned sentence credit under clause (3) of subsection (a) of Section 3-6-3 until he or she participates in and completes a substance abuse treatment program or receives a waiver from the Director of Corrections pursuant to clause (4.5) of subsection (a) of Section 3-6-3."

(c-4) Before the sentencing hearing and as part of the presentence investigation under Section 5-3-1, the court shall inquire of the defendant whether the defendant is currently serving in or is a veteran of the Armed Forces of the United States. If the defendant is currently serving in the Armed Forces of the United States or is a veteran of the Armed Forces of the United States and has been diagnosed as having a mental illness by a qualified psychiatrist or clinical psychologist or physician, the court may:

- (1) order that the officer preparing the presentence report consult with the United States Department of Veterans Affairs, Illinois Department of Veterans' Affairs, or another agency or person with suitable knowledge or experience for the purpose of providing the court with information regarding treatment options available to the defendant, including federal, State, and local programming; and

- (2) consider the treatment recommendations of any

diagnosing or treating mental health professionals together with the treatment options available to the defendant in imposing sentence.

For the purposes of this subsection (c-4), "qualified psychiatrist" means a reputable physician licensed in Illinois to practice medicine in all its branches, who has specialized in the diagnosis and treatment of mental and nervous disorders for a period of not less than 5 years.

(c-6) In imposing a sentence, the trial judge shall specify, on the record, the particular evidence and other reasons which led to his or her determination that a motor vehicle was used in the commission of the offense.

(c-7) In imposing a sentence for a Class 3 or 4 felony, other than a violent crime as defined in Section 3 of the Rights of Crime Victims and Witnesses Act, the court shall determine and indicate in the sentencing order whether the defendant has 4 or more or fewer than 4 months remaining on his or her sentence accounting for time served.

(d) When the defendant is committed to the Department of Corrections, the State's Attorney shall and counsel for the defendant may file a statement with the clerk of the court to be transmitted to the department, agency or institution to which the defendant is committed to furnish such department, agency or institution with the facts and circumstances of the offense for which the person was committed together with all other factual information accessible to them in regard to the

person prior to his commitment relative to his habits, associates, disposition and reputation and any other facts and circumstances which may aid such department, agency or institution during its custody of such person. The clerk shall within 10 days after receiving any such statements transmit a copy to such department, agency or institution and a copy to the other party, provided, however, that this shall not be cause for delay in conveying the person to the department, agency or institution to which he has been committed.

(e) The clerk of the court shall transmit to the department, agency or institution, if any, to which the defendant is committed, the following:

(1) the sentence imposed;

(2) any statement by the court of the basis for imposing the sentence;

(3) any presentence reports;

(3.3) the person's last known complete street address prior to incarceration or legal residence, the person's race, whether the person is of Hispanic or Latino origin, and whether the person is 18 years of age or older;

(3.5) any sex offender evaluations;

(3.6) any substance abuse treatment eligibility screening and assessment of the defendant by an agent designated by the State of Illinois to provide assessment services for the Illinois courts;

(4) the number of days, if any, which the defendant

has been in custody and for which he is entitled to credit against the sentence, which information shall be provided to the clerk by the sheriff;

(4.1) any finding of great bodily harm made by the court with respect to an offense enumerated in subsection (c-1);

(5) all statements filed under subsection (d) of this Section;

(6) any medical or mental health records or summaries of the defendant;

(7) the municipality where the arrest of the offender or the commission of the offense has occurred, where such municipality has a population of more than 25,000 persons;

(8) all statements made and evidence offered under paragraph (7) of subsection (a) of this Section; and

(9) all additional matters which the court directs the clerk to transmit.

(f) In cases in which the court finds that a motor vehicle was used in the commission of the offense for which the defendant is being sentenced, the clerk of the court shall, within 5 days thereafter, forward a report of such conviction to the Secretary of State.

(g) In cases in which the court finds that a firearm with a serial number reported as stolen on the Illinois State Police publicly accessible database was used in the commission of the offense for which the defendant is being sentenced, the clerk

of the court shall, within 5 days thereafter, forward a report of such conviction to the Illinois State Police Division of Justice Services.
