The Commission on Government Forecasting & Accountability is a bipartisan legislative support service agency that is responsible for advising the Illinois General Assembly on economic and fiscal policy issues and for providing objective policy research for legislators and legislative staff. The Commission's board is comprised of twelve legislators-split evenly between the House and Senate and between Democrats and Republicans.

The Commission has three internal units--Revenue, Pensions, and Research, each of which has a staff of analysts and researchers who analyze policy proposals, legislation, state revenues & expenditures, and benefit programs, and who provide research services to members and staff of the General Assembly. The Commission's Revenue and Pension Units annually publish a number of statutorily mandated reports as well as on-demand reports in regard to Illinois' financial and economic condition, the annual operating and capital budgets, public employee retirement systems, and other policy issues. The Research Unit fulfills research requests from legislators, legislative committees, and partisan staffs. The staff's areas of expertise include law generally, science and technology, taxation, education, local government, economics and fiscal affairs, and the political and social history of Illinois. Additionally, the Research Unit publishes the *First Reading* newsletter, *Illinois Tax Handbook for Legislators*, *Federal Funds to State Agencies*, various reports detailing appointments to State Boards and Commission, and a number of other publications.

### **Note on appointment and expiration dates**

When an appointment or expiration date is denoted as "--", it means one of the following:

- The date is not specified in the law, or a date is specified in the law, but we do not know when the original appointment was made;
- the appointment authority did not specify a date in its letter of appointment;
- the appointee is an ex officio member who is serving for an unspecified term; or
- an appointee continues to serve until a successor is appointed, but to our knowledge no successor has been appointed.

### **Note on Senate confirmation**

When an appointment or group of appointments need to be confirmed by the Senate, in the heading of the section with that appointment(s) it will note "Confirmation Required."

When an appointment does not require Senate confirmation, the entry will be left blank.

### **Note on vacancies**

Public Act 86-1324 (25 ILCS 110/1) requires anyone authorized by law to make an appointment to any agency, board, commission, or other body of state government to report the appointment to the Commission on Government Forecasting and Accountability. This report contains the names of any appointment reported to the Commission on Government Forecasting and Accountability through July 29, 2022. Where the appointing authority has not notified the Commission on Government Forecasting and Accountability, a vacancy is indicated in this report.
