4 Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from
10 disclosure under this Section, but also contains information
11 that is not exempt from disclosure, the public body may elect
12 to redact the information that is exempt. The public body
13 shall make the remaining information available for inspection
14 and copying. Subject to this requirement, the following shall
15 be exempt from inspection and copying:

16 (a) Information specifically prohibited from
17 disclosure by federal or State law or rules and
18 regulations implementing federal or State law.

19 (b) Private information, unless disclosure is required
20 by another provision of this Act, a State or federal law,
21 or a court order.

22 (b-5) Files, documents, and other data or databases
23 maintained by one or more law enforcement agencies and

1 specifically designed to provide information to one or
2 more law enforcement agencies regarding the physical or
3 mental status of one or more individual subjects.

4 (c) Personal information contained within public
5 records, the disclosure of which would constitute a
6 clearly unwarranted invasion of personal privacy, unless
7 the disclosure is consented to in writing by the
8 individual subjects of the information. "Unwarranted
9 invasion of personal privacy" means the disclosure of
10 information that is highly personal or objectionable to a
11 reasonable person and in which the subject's right to
12 privacy outweighs any legitimate public interest in
13 obtaining the information. The disclosure of information
14 that bears on the public duties of public employees and
15 officials shall not be considered an invasion of personal
16 privacy.

17 (d) Records in the possession of any public body
18 created in the course of administrative enforcement
19 proceedings, and any law enforcement or correctional
20 agency for law enforcement purposes, but only to the
21 extent that disclosure would:

22 (i) interfere with pending or actually and
23 reasonably contemplated law enforcement proceedings
24 conducted by any law enforcement or correctional
25 agency that is the recipient of the request;

26 (ii) interfere with active administrative

1 enforcement proceedings conducted by the public body
2 that is the recipient of the request;

7 confidential source, confidential information
8 furnished only by the confidential source, or persons
9 who file complaints with or provide information to
10 administrative, investigative, law enforcement, or
11 penal agencies; except that the identities of
12 witnesses to traffic crashes, traffic crash reports,
13 and rescue reports shall be provided by agencies of
14 local government, except when disclosure would
15 interfere with an active criminal investigation
16 conducted by the agency that is the recipient of the
17 request;

18 (v) disclose unique or specialized investigative
19 techniques other than those generally used and known
20 or disclose internal documents of correctional
21 agencies related to detection, observation, or
22 investigation of incidents of crime or misconduct, and
23 disclosure would result in demonstrable harm to the
24 agency or public body that is the recipient of the
25 request;

26 (vi) endanger the life or physical safety of law

1 enforcement personnel or any other person; or
2 (vii) obstruct an ongoing criminal investigation
3 by the agency that is the recipient of the request.

4 (d-5) A law enforcement record created for law
5 enforcement purposes and contained in a shared electronic
6 record management system if the law enforcement agency
7 that is the recipient of the request did not create the
8 record, did not participate in or have a role in any of the
9 events which are the subject of the record, and only has
10 access to the record through the shared electronic record
11 management system.

12 (d-6) Records contained in the Officer Professional
13 Conduct Database under Section 9.2 of the Illinois Police
14 Training Act, except to the extent authorized under that

23 correctional institutions and detention facilities.

24 (e-5) Records requested by persons committed to the
25 Department of Corrections, Department of Human Services
26 Division of Mental Health, or a county jail if those

1 materials are available in the library of the correctional
2 institution or facility or jail where the inmate is
3 confined.

4 (e-6) Records requested by persons committed to the
5 Department of Corrections, Department of Human Services

15 Mental Health.

16 (e-8) Records requested by a person committed to the
17 Department of Corrections, Department of Human Services

21 institution or facility.

22 (e-9) Records requested by a person in a county jail
23 or committed to the Department of Corrections or

8 Corrections, Department of Human Services Division of
9 Mental Health, or a county jail, including, but not
10 limited to, arrest and booking records, mug shots, and

12 relevant to the requester's current or potential case or
13 claim.

14 (f) Preliminary drafts, notes, recommendations,
15 memoranda, and other records in which opinions are
16 expressed, or policies or actions are formulated, except
17 that a specific record or relevant portion of a record

5 requested.

6 The information included under this exemption includes
7 all trade secrets and commercial or financial information
8 obtained by a public body, including a public pension
9 fund, from a private equity fund or a privately held

12 a potential investment of public funds in a private equity
13 fund. The exemption contained in this item does not apply
14 to the aggregate financial performance information of a
15 private equity fund, nor to the identity of the fund's
16 managers or general partners. The exemption contained in
17 this item does not apply to the identity of a privately
18 held company within the investment portfolio of a private

21 Nothing contained in this paragraph (g) shall be
22 construed to prevent a person or business from consenting
23 to disclosure.

24 (h) Proposals and bids for any contract, grant, or
25 agreement, including information which if it were
26 disclosed would frustrate procurement or give an advantage

1 to any person proposing to enter into a contractor
2 agreement with the body, until an award or final selection
3 is made. Information prepared by or for the body in
4 preparation of a bid solicitation shall be exempt until an
5 award or final selection is made.

25 (35 ILCS 200/9-290 new)

1 Sec. 9-290. Real property descriptions.

2 (a) This Section applies to all counties in which the
3 county board provides, by ordinance or resolution, that owners
4 of income-producing properties must comply with this Section.
5 Any ordinance or resolution providing that owners of
6 income-producing properties must comply with this Section
7 shall be adopted no later than December 31, 2029.

8 (b) In counties with 3,000,000 or more inhabitants, the
9 provisions of this Section apply as follows:

10 (1) if the general assessment year for the property is
11 2027, this Section applies from the effective date of the
12 ordinance or resolution adopted by the county board under
13 subsection (a) until December 31, 2029;

14 (2) if the general assessment year for the property is
15 2028, this Section applies from the effective date of the
16 ordinance or resolution adopted by the county board under
17 subsection (a) until December 31, 2030; and

18 (3) if the general assessment year for the property is
19 2029, this Section applies from the effective date of the
20 ordinance or resolution adopted by the county board under
21 subsection (a) until December 31, 2031.

22 In counties with fewer than 3,000,000 inhabitants, the
23 provisions of this Section apply on and after the effective
24 date of the ordinance or resolution adopted by the county
25 board under subsection (a) and until December 31 of the fourth
26 year following the adoption of the ordinance or resolution.

1 (c) For the applicable period set forth in subsection (b),
2 owners of income-producing properties in the county shall file
3 physical descriptions of their properties with the chief
4 county assessment officer in the form and manner determined by
5 the chief county assessment officer. Such a filing by the
6 owner is required only after the chief county assessment
7 officer notifies the owner of the property of the request for
8 information. That notice shall include an individualized
9 statement specifying all physical description information that
10 the assessor's office has on record or recorded against the
11 property and shall contain a statement that the owner may
12 confirm the information if no changes are required. A filing
13 by the owner that no changes are required is compliance with
14 the request for information. The notice shall include
15 description records or a link to an Internet resource of
16 description records for that property.

17 (d) A request for information under subsection (c) may be
18 issued with respect to a property only once during one general
19 reassessment cycle for the property. A response to the request
20 for information shall be submitted to the chief county
21 assessment officer within 90 days after the chief county
22 assessment officer mails the notice to the property owner
23 under subsection (c).

24 (e) If, upon receiving a request for information under
25 this Section, the owner of a property fails to submit the
26 required physical description within 90 days after the chief

1 county assessment officer mails the notice to the property
2 owner and fails to adequately explain why no submission is
3 required, the owner shall pay a penalty to the chief county
4 assessment officer as determined by the chief county
5 assessment officer of up to 0.025% of the prior year's market
6 value for the property at issue, as indicated by the most
7 recent certified assessed value, but in no case shall the
8 owner be required to pay more than a maximum penalty of \$1,000
9 per property. All penalties under this Section shall be
10 deposited into the county's general fund or as otherwise
11 allocated by the county board. The penalty under this Section
12 shall be waived if, upon notice of failure to file and the
13 imposition of the penalty, the owner provides the requested
14 physical descriptions within 30 days after the postmark date
15 of the notice of failure to file and the imposition of the
16 penalty. An owner who responds to a request for information
17 received under this Section with good faith efforts based on
18 reasonable information and belief, or who, upon diligent
19 investigation, is unable to provide specific requested
20 information and provides an answer to this effect, shall be
21 determined to be in substantial compliance with this Section
22 and shall not be subject to a penalty. Responses to requests
23 for information under this Section consistent with documents
24 from the sale or transfer of the property to the current owner
25 or with published advertisements made by the owner to current
26 or prospective tenants, unless the owner has modified those

1 particular aspects of the property since the sale, transfer,
2 lease, or lease proffer, shall be deemed to be made in good
3 faith. The owner may explain the reasons for any
4 inconsistencies and be deemed to have responded in good faith,
5 and any inconsistencies related to documents from the sale or
6 transfer of the property prepared by a prior owner shall not be
7 attributable to the current owner. The chief county assessment
8 officer shall review all submissions and determine whether the
9 owner provided sufficient evidence that the owner was not
10 required to report a property description or that the
11 submission complies based on available documentation.

12 (f) If a party is dissatisfied with a decision of the chief
13 county assessment officer, the party may request review of
14 that decision. Upon such a request, at least 30 days' notice
15 shall be provided to the party of a hearing to be conducted by
16 a hearing officer designated by the chief county assessment
17 officer. If a party is dissatisfied with a hearing officer's
18 decision, the party may appeal that decision to the circuit
19 court of the county in which the property is located as a final
20 administrative decision under the Administrative Review Law.
21 If a party is unsuccessful at hearing, the penalty imposed
22 under this Section shall bear interest at 0.05% per month
23 thereafter, beginning 21 days after the date of the decision
24 or 21 days after the date of the issuance of a final decision
25 on administrative review, as applicable.

26 Section 99. Effective date. This Act takes effect upon

1 becoming law.
