LRB104 07069 BAB 25508 a

1 AMENDMENT TO SENATE BILL 25

2 AMENDMENT NO. _____. Amend Senate Bill 25 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Swimming Facility Act is amended by
5 changing Section 3 and by adding Sections 3.25, 3.26, and 21.2
6 as follows:

7 (210 ILCS 125/3) (from Ch. 111 1/2, par. 1203)

8 Sec. 3. Definitions. As used in this Act, unless the
9 context otherwise requires, the terms specified in Sections
10 3.01 through 3.26 ~~3.24~~ have the meanings ascribed to them in
11 those Sections.

12 (Source: P.A. 96-1081, eff. 7-16-10; 97-957, eff. 1-1-13.)

13 (210 ILCS 125/3.25 new)

14 Sec. 3.25. Cold spa. "Cold spa" means a basin of cold water
15 that is maintained at a cold temperature. "Cold Spa" does not

1 include the use or installation of portable, manufactured, or
2 commercially available cold spas unless they comply with the
3 provisions of this Act.

4 (210 ILCS 125/3.26 new)

5 Sec. 3.26. Cold water. "Cold water" means water that is
6 maintained between 40 degrees Fahrenheit and 60 degrees
7 Fahrenheit.

8 (210 ILCS 125/21.2 new)

9 Sec. 21.2. Operation of cold spa. It is lawful for a
10 licensee to operate a cold spa in a manner that complies with
11 the provisions of this Act, subject to the following
12 conditions:

13 (1) the licensee must display a sign posted in a
14 conspicuous position that allows the patron to read the
15 sign prior to entering the cold spa warning users about
16 the risks associated with the use of cold spas and
17 recommended guidelines, including, but not limited to:

18 (A) the operating temperature, which shall not be
19 less than 40 degrees Fahrenheit;

20 (B) the duration of time for the use of cold spas;

21 (C) the possible impact on clear thinking and
22 restriction of normal physical activity; and

23 (D) discomfort or pain that may be experienced
24 during rewarming;

1 (2) the licensee must prohibit use of the cold spa by
2 children under the age of 14;

3 (3) the licensee must ensure that there is an employee
4 on staff during staffed business hours that is trained in
5 recognizing the signs and symptoms of hypothermia;

6 (4) the licensee must have at least one hypothermic
7 thermometer or electronic thermometer capable of aiding in
8 the diagnosis of hypothermia on the facility premises;

9 (5) the licensee must include a non-slip deck or mat
10 around the entrance and exit of the cold spa;

11 (6) the licensee must install a clock or timer in a
12 conspicuous location that can be viewed from anywhere in
13 the cold spa; and

14 (7) the water must be continuously filtered or
15 sanitized, or the water must be drained and replaced with
16 sanitized water between each use."
