Rep. Jed Davis

New Act

105 ILCS 5/27A-5

Creates the School Book Rating and Transparency Act. Requires a publisher supplying books to a public or nonpublic school, including a charter school, or a school-sponsored book fair to assign a content rating to each book and provide that content rating. Provides that each school shall ensure that the content rating is displayed in at least one of the following locations: (1) the school library's online catalog entry; (2) the school library's website; (3) the classroom library's catalog or posted list; (4) printed or digital reading lists distributed to students; or (5) signage or catalogs displayed at a school-sponsored book fair. Requires the State Board of Education to develop and publish a one-page rating key, and requires a school to make the rating key available. Provides that no teacher, school librarian, school administrator, or school district employee is subject to liability, discipline, or adverse employment action for relying in good faith on publisher-provided content ratings. Requires the State Board to submit an annual report to the General Assembly containing an assessment of publisher compliance and any recommendations for system improvements. Authorizes the State Board to adopt any rules necessary to implement the Act. Amends the School Code to make a related change. Effective July 1, 2026.
