Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 02584 (Continued)

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

30 ILCS 805/8.49 new

Amends the Chicago Firefighter Article of the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Chicago Firefighter Article, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under the Chicago Firefighter Article to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. Amends the State Mandates Act to require implementation without reimbursement by the State.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

HB 2705 (H-AM 1) amends various provisions of the Illinois Pension Code pertaining to public safety employees, including ensuring Tier 1 status and providing for reciprocity, among other changes. An actuarial study would need to be completed in order to determine the fiscal impact of HB 2705 (H-AM 1) To the extent that this bill allows public safety employees with prior service (including non-public safety Tier 1 service) in other pension funds to qualify for Tier 1 status, liabilities of the applicable pension funds would increase. In regard to reciprocity, to the extent that the affected pension funds would be required to pay a pension for non-vested service that currently only qualifies for a refund of contributions, there could be a financial impact, as liabilities would increase in such situations. The magnitude of this impact would depend on the number of affected members and the length of reciprocal service credited. An actuarial study would be needed to analyze several different sample scenarios under which members may avail themselves of reciprocity.

Pension Note (Government Forecasting & Accountability)

HB 2856 mirrors HB 3765, as amended by HA 3, from the 103rd General Assembly. Two separate actuarial studies were conducted for this bill. According to Segal, HB 3765, as amended by HA 3, would increase total State contributions (nominal dollars) through 2045 by \$41 million for SERS and \$9 million for SURS, resulting in a \$50 million increase. A summary chart of the impact of a DROP plan on the cities of Aurora and Rock Falls along with the actuarial study from Segal and actuarial study from Foster & Foster is included in this pension impact note.

105 ILCS 5/34-18	from Ch. 122, par. 34-18

Amends the School Code. In provisions requiring access to a high school campus and student directory information to the official recruiting representatives of the armed forces of Illinois and the United States, deletes language that provides that a school board is not required to give greater notice regarding the right of access to recruiting representatives than is given to other persons and groups. Provides instead that a school board shall invite official recruiting representatives of the armed forces of Illinois and the United States to hold a recruitment event on the high school campus at least once per school year.

Defines "de facto firefighter". Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Downstate Firefighter Article and the Chicago Firefighter Article, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. Amends the Airport Authorities Act. Provides that, in an order finding the results of an election to be favorable to the establishment of an airport authority, the circuit court shall determine, among other things, the population of each municipality within the authority having 5,000 or more inhabitants who reside within the corporate limits of the authority (rather than the population of each municipality within the authority having 5,000 or more inhabitants). Provides that, if a municipality not wholly located within the Springfield Airport Authority attains 5,000 or more inhabitants who reside within both the corporate limits of the municipality and the corporate limits of the Springfield Airport Authority, then a referendum may be held to determine whether those residents may be deannexed from the Springfield Airport Authority. Authorizes the referendum to be initiated either (i) by a petition signed by a number of voters equal to or at least 8% of the total votes cast for candidates for Governor in the last gubernatorial election by the registered voters who reside in the corporate limits of the municipality and the corporate limits of the Springfield Airport Authority or (ii) by the corporate authorities of a municipality not wholly located within the corporate limits of the Springfield Airport Authority with 5,000 or more inhabitants who reside within both the corporate limits of the municipality and the corporate limits of the Springfield Airport Authority. Specifies that, if the majority of those voting on the referendum approve of deannexation, then the Springfield Airport Authority shall either deannex all the territory within the corporate limits of the municipality or accept the appointment of one additional commissioner to the board who shall be appointed by the municipality that voted for deannexation. Requires the Springfield Airport Authority to vote to either deannex the affected property or accept the appointment of an additional commissioner within 45 days after certification of the vote. Requires all appointments of commissioners to boards of commissioners of airport authorities to indicate whether or not the person appointed resides within or without a municipality having a population of 5,000 or more inhabitants within the corporate limits of the authority (rather than a municipality having a population of 5,000 or more inhabitants).

HB 05460

Rep. Camille Y. Lilly-Stephanie A. Kifowit-Matt Hanson and Sharon Chung
(Sen. Karina Villa)

110 ILCS 947/65.110

Amends the Higher Education Student Assistance Act. Provides that the Post-Master of Social Work School Social Work Professional Educator License scholarships may also be known as School Social Work scholarships. Includes, as a qualified applicant subject to meeting the other requirements, (i) a person who is pursuing a clinical social work license or social work license and (ii) a person who will obtain a master's degree in social work from an approved program before enrolling the academic program that the scholarship would support. Allows scholarships to be applied to the payment of tuition and mandatory fees at a private, not-for-profit institution of higher education in the State that prepares students to obtain an Illinois Professional Educator License with an endorsement in School Social Work. Provides that a scholarship for a recipient attending a private, not-for-profit institution shall not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public university in the State. Effective July 1, 2026.

Fiscal Note (Illinois Student Assistance Commission)

The additional flexibility provided by HB 5460 could lead to more interest in the program, resulting in more students applying for the existing 250 slots and receiving scholarships, but the bill does not increase the number of scholarships available, does not increase the maximum award, and is not expected to require additional appropriations to implement.

HB 01085 (Continued)

Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under those provisions. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:
5 ILCS 375/6.11

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Interagency Children's Behavioral Health Services Act. Requires the Department of Human Services, in coordination with a statewide association representing a majority of hospitals, to establish and offer a voluntary training that will be recorded and made available on the Department's website to all hospital social workers, clinicians, and administrative staff to inform them of BEACON, a centralized resource for Illinois youth and families seeking services for behavioral health needs, with the goal of encouraging families to seek assistance through BEACON and the Interagency Children's Behavioral Health Services Team. Provides that the training shall include how families and hospital staff can access BEACON, the process once a case is entered into BEACON, and State and community programs accessible through BEACON. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires a psychiatric hospital to contact a youth or the youth's parents, guardian, or caregiver about the BEACON portal (rather than the Family Support Program and the Specialized Family Support Program) prior to referring the youth to the Department of Children and Family Services because the youth was left at the psychiatric hospital beyond medical necessity. Amends the School Code. Requires the State Board of Education, in consultation with the Children's Behavioral Health Transformation Team in the Office of the Governor and relevant stakeholders, to report its work and make available resource materials, including model policies and guidance informed by a phased approach to implementing universal mental health screening in schools. Requires the State Board of Education to report its work by September 1, 2026. Provides that mental health screenings shall be offered by school districts to students enrolled in kindergarten through grade 12, at least once a year, beginning with the 2027-2028 school year.

HB 03440 (Continued)

Further amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning youth left in a psychiatric hospital beyond medical necessity, requires a hospital to attempt to contact the youth and the youth's parents, guardian, or caregiver about the BEACON portal and assist with entering the youth's information into the BEACON portal to begin the process of connecting the youth and family to available resources (rather than assist with connections to the designated Family Support Program coordinator in the service area by providing educational materials developed by the Department of Healthcare and Family Services).

Pension Note (Government Forecasting & Accountability)

HB 3440, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (Dept. of Human Services)

HB 3440 HA#1 states that psychiatric hospital shall assist in entering the youth's information into the BEACON portal.

This would not have a fiscal cost to DHS because our State psychiatric hospitals do not serve individuals under 18.

Requires the Department to ensure the data collection process is secure and adheres to State and federal privacy laws, including de-identification of personal data. HB 03572 (Continued)

Amends the Code of Criminal Procedure of 1963. Adds a Diversion of Unfit Misdemeanants Article to the Code. Provides that a defendant charged with one or more misdemeanors and for whom a court has determined that a bona fide doubt of the defendant's fitness has been raised may be admitted into an unfit misdemeanor diversion program only upon the approval of the court. Provides that the Illinois Supreme Court or any circuit court of the State may adopt rules establishing unfit misdemeanor diversion programs consistent with the Article. Provides that the court shall require an eligibility screening and an assessment of the defendant to determine whether the defendant may be able to receive mental health services under the Mental Health and Developmental Disabilities Code which shall reasonably assure his or her safety and that of the public and his or her continued participation in treatment. Provides that if, following this screening, the State and the defendant agree to the diversion and the court determines that the defendant is appropriate for diversion, the criminal charges may be dismissed with prejudice. Provides that if the court does not approve, the court shall order a fitness examination and the matter shall be governed by any other relevant provisions of the Fitness for Trial, To Plead, or to be Sentenced Article of the Code. Provides that the misdemeanor diversion program may maintain or collaborate with mental health and substance use treatment providers necessary to provide a continuum of treatment options commensurate with the needs of the defendant and available resources. Treatment programs shall comply with all relevant statutes and rules. Requires the Department of Human Services to provide care to persons determined to be subject to involuntary admission on an inpatient basis as defined in the Mental Health and Developmental Disabilities Code or may make arrangements with any other appropriate inpatient mental health facility to provide those services. Makes conforming changes in the Fitness for Trial, To Plead, or to be Sentenced Article of the Code. Provides that the Act may be referred to as the Diversion of Unfit Misdemeanants Act.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

405 ILCS 5/3-210

from Ch. 91 1/2, par. 3-210

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

House Committee Amendment No. 1

Deletes reference to:

705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill. Provides that the pilot program shall provide long-acting injectable medications for opioid use disorder, when clinically appropriate, to not fewer than 3,000 individuals in the custody of the Department of Corrections (rather than a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders). Provides that the Department shall design and operate the pilot program in accordance with established and nationally recognized clinical guidelines, protocols, and standards for the treatment of opioid use disorder using long-acting injectable medications. Provides that the pilot program shall be funded using opioid settlement funds allocated to the Department. Provides that the Department shall establish and publicly post eligibility criteria and a selection process for participation in the pilot program. Eligibility criteria shall be based on clinical need, medical appropriateness, and operational considerations, consistent with nationally recognized clinical guidelines. The Department shall ensure that participation in the pilot program is offered in an equitable and transparent manner across facilities. Provides that if the number of eligible individuals exceeds program capacity, the Department shall use a fair and objective selection methodology, which may include prioritization based on clinical need or a randomized selection process. Provides that the Department shall document the basis for inclusion or non-inclusion of eligible individuals and shall make aggregate information regarding eligibility and selection available to the General Assembly upon request. Provides that the Department shall not commence implementation of the pilot program unless and until sufficient opioid settlement funds have been secured to fully implement the program and to ensure that individuals participating in the pilot program may receive the full course of treatment clinically indicated. Provides that the Department shall ensure that, prior to the release of a person participating in the pilot program, the person is connected to an appropriate provider or treatment site in the geographic region in which the person will reside after release, that an appointment for continued treatment is scheduled with that provider or site, and that relevant medical and treatment information is shared with the receiving provider to support continuity of care. Provides that the Department shall contract with an independent research organization, public university, or other qualified third-party evaluator to conduct an independent evaluation of the pilot program. Provides that the Department shall provide the evaluator with access to relevant program and administrative data necessary to complete the evaluation, subject to applicable privacy protections. Provides that the independent evaluator shall prepare a report summarizing the findings of the evaluation and shall submit the report to the Department and the General Assembly no later than January 1, 2029 (rather than January 1, 2028). Deletes the immediate effective date of the bill.

HB 04785 (Continued)

Creates the Preventing Crisis Cost Shifting to Medicaid Act. Provides that the General Assembly finds that (i) behavioral health crisis services, including crisis call centers, mobile crisis response, and crisis stabilization and receiving services, function as essential public health infrastructure and must be available statewide without regard to insurance status; and (ii) commercial health insurance policies issued or administered in the State generally do not provide comprehensive coverage for the full continuum of behavioral health crisis services, resulting in the cost of such services being disproportionately borne by Medicaid, local governments, and taxpayers. Requires specified entities (surcharge payors) that are authorized to issue or administer a policy or contract of accident and health insurance or a health maintenance organization contract in the State to pay a behavioral health crisis assessment to the Department of Human Services for deposit into the Statewide 9-8-8 Trust Fund. Exempts Medicaid managed care organizations from paying the behavioral health crisis assessment. Permits the Department to update the total behavioral health crisis assessment amount as necessary to ensure the continued availability, quality, or geographic equity of the statewide behavioral health crisis system. Requires the Department to establish an appropriate mechanism for enforcing a surcharge payor's liability, which may include accrued interest on unpaid liabilities at a rate not to exceed 18% per annum and late fees or penalties at a rate not to exceed 5% per month. Provides that the enforcement mechanism may also include notification to the Department of Healthcare and Family Services to offset payments on the surcharge payor's claims. Provides that the Department of Human Services shall not direct the Department of Healthcare and Family Services to offset claims payments unless the surcharge payor has maintained an outstanding liability to the Statewide 9-8-8 Trust Fund for a period longer than 45 days and has received proper notice of pending enforcement.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Rep. Lindsey LaPointe, Katie Stuart and Gregg Johnson

Expresses the belief that nursing, social work, professional counseling, marriage and family therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education are professional disciplines that require advanced graduate education, professional licensure, and adherence to rigorous ethical and clinical standards. Lists the graduate degrees that should be considered professional degrees. States that any state agency, public university, or entity receiving state funds should take all necessary steps to avoid discrimination against individuals holding these graduate degrees in hiring, promotion, compensation, professional development funding, or other terms and conditions of employment based on any federal student loan classification. Urges the United States Department of Education to include all graduate degrees in nursing, social work, counseling, therapy, physical therapy, occupational therapy, speech-language pathology, audiology, physician assistant practice, public health, and education in its definition of "professional degrees" for federal student loan purposes. Urges the Illinois Congressional Delegation to advocate for legislation to ensure that graduate students in all health and human services professions have access to adequate federal student loan funding to complete their professional education. Commits to exploring state-level solutions to support graduate education in health and human services professions, including but not limited to scholarships, grants, loan repayment assistance programs, and other workforce development initiatives. Expresses support for the licensed health and human services professionals in Illinois who serve our most vulnerable populations with skill, compassion, and unwavering commitment to the public good.

Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth. Provides that an Illinois Medicaid certified and enrolled doula shall not be counted as a support person or against the guest quota before, during, or after childbirth. Requires each applicable facility to post a summary of the facility's adopted policies and procedures on its website, including contact information to facilitate communication between the facility and Illinois Medicaid enrolled doulas and doula organizations. Provides that nothing in the amendatory Act: (i) shall be construed to provide a doula with access to a patient when that access is inconsistent with generally accepted medical standards or practices; and (ii) is intended to expand or limit the malpractice liability of a hospital beyond the limits existing in current Illinois statutory and common law. Requires Illinois Medicaid enrolled doulas to provide written acknowledgment of doula certification and enrollment in the medical assistance program upon request of the hospital or birthing facility. Permits the Departments of Healthcare and Family Services and Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services.

Amends the Rehabilitation of Persons with Disabilities Act. Requires direct service workers employed by the Department of Human Services, or an agency contracted with the Department, to provide services under the Home Services Program to complete at least 2 hours of dementia training at the start of their employment and annually thereafter. Requires the training to cover subjects concerning Alzheimer's disease and dementia, safety risks, and communication and behavior. Provides that an individual who is required to receive dementia training under any other law or rule may be considered exempt from the requirements of the amendatory Act if the other law's or rule's training requirement includes a minimum 2 hours of dementia training in the required subjects (rather than a minimum 2 hours of dementia training). Provides that for individual providers (rather than personal assistants), the Department shall work with the joint training committee established by the collective bargaining agreement covering individual providers (rather than personal assistants) to discuss parameters and specific topics for curriculum covering dementia training as part of the provided training for individual providers (rather than personal assistants).

105 ILCS 5/10-20.88 new
105 ILCS 5/34-18.88 new

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as \$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

HB 05460

Rep. Camille Y. Lilly-Stephanie A. Kifowit-Matt Hanson and Sharon Chung
(Sen. Karina Villa)

110 ILCS 947/65.110

Amends the Higher Education Student Assistance Act. Provides that the Post-Master of Social Work School Social Work Professional Educator License scholarships may also be known as School Social Work scholarships. Includes, as a qualified applicant subject to meeting the other requirements, (i) a person who is pursuing a clinical social work license or social work license and (ii) a person who will obtain a master's degree in social work from an approved program before enrolling the academic program that the scholarship would support. Allows scholarships to be applied to the payment of tuition and mandatory fees at a private, not-for-profit institution of higher education in the State that prepares students to obtain an Illinois Professional Educator License with an endorsement in School Social Work. Provides that a scholarship for a recipient attending a private, not-for-profit institution shall not exceed the maximum grant payable to a student enrolled in the most expensive comparable program of study at a public university in the State. Effective July 1, 2026.

Fiscal Note (Illinois Student Assistance Commission)

The additional flexibility provided by HB 5460 could lead to more interest in the program, resulting in more students applying for the existing 250 slots and receiving scholarships, but the bill does not increase the number of scholarships available, does not increase the maximum award, and is not expected to require additional appropriations to implement.

(Sen. Suzy Glowiak Hilton-Steve McClure and Sally J. Turner)

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.

Amends the Revised Uniform Unclaimed Property Act. HB 03247 (Continued)

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Amends the Construction Site Temporary Restroom Facility Act. Changes the Act's short title to the Construction Site Temporary Restroom Facility and Sanitary Conditions for Menstruation and Lactation Act. Repeals a provision which specifies that separate toileting facilities are not required for males and females if individual portable toilet facilities are used by an owner of a portable building or building under construction to provide access to a restroom. Provides that, if a woman or an individual who menstruates is present on a work site and there are 10 or more workers of any gender at the work site, then a separate toilet facility shall be provided at the work site and designated for use by women and individuals who menstruate. Requires employers in the construction industry to provide their workers who menstruate and are performing construction activities on a work site with minimum sanitary conditions. Describes the required minimum sanitary conditions. Requires employers in the construction industry, upon request, to provide their workers who are lactating and performing construction activities on a work site with reasonable accommodations needed to express breast milk. Describes reasonable accommodations for lactation. Provides that, on or before January 1, 2027, the Department of Public Health shall provide guidance to employers on the accommodations to be provided. Authorizes employees of construction sites to call the certified local public health agency with jurisdiction over a construction site to request an inspection if noncompliance with the Act is suspected. Prohibits retaliation by employers if a call is made by an employee on a construction site for suspected noncompliance with the Act. Provides that any owner who fails or refuses to comply with the provisions of the Act commits a petty offense and is subject to a fine to be determined by the certified local public health agency (rather than only being subject to a petty offense). Defines "employer". Effective immediately.

Makes changes in provisions concerning definitions; oaths, subpoenas, and penalties; applicants with criminal convictions; qualification for licensure or registration; health care worker licensure actions; automatic suspension of a health care worker's license; the publication of disciplinary actions; and records of Department actions. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. In provisions concerning required licensure, provides that an application shall not be automatically placed on hold, delayed, denied, or otherwise not processed by the Department of Financial and Professional Regulation because it was submitted by a person who is incarcerated. Amends the Health Care Professional Credentials Data Collection Act. In provisions concerning licensure records, provides that licensure records designated confidential and considered sealed (rather than expunged) for reporting purposes by the licensee are not reportable under the Act. Amends the Unified Code of Corrections. In provisions concerning loss and restoration of rights, provides that no application for specific licenses granted under the authority of the State shall be denied to (rather than denied by reason of) an eligible offender who has obtained a certificate of relief from disabilities, having been previously convicted of one or more criminal offenses (rather than or by reason of a finding of lack of "good moral character"), when the finding is solely based upon the fact that the applicant has previously been convicted of one or more criminal offenses, except for certain circumstances. Repeals provisions concerning the Department of Financial and Professional Regulation's annual report to the General Assembly. Makes other changes. Effective immediately.

House Floor Amendment No. 1

Provides that the Act may be referred to as the Comprehensive Licensing Information to Minimize Barriers Act (rather than the Reducing Barriers to Licensure Act). In provisions amending the Unified Code of Corrections, provides that failure to obtain a certificate of relief from disabilities shall not be the sole reason for denial of specific licenses. Provides that nothing in the Act shall be construed to eliminate the reporting requirements pursuant to a specific provision of the Department of Professional Regulation Law of the Civil Administrative Code of Illinois.

HB 05071 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. House Democrat Sponsor Synopsis Report

Representative Natalie A. Manley
HB 01697 (Continued)

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Removes language providing that moneys deposited into the Prescription Drug Affordability Fund shall be used to pay the expenses of the Department of Insurance.

HB 02459 (Continued)

Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. Makes conforming and other changes.

Amends the Pharmacy Practice Act. Provides that the Department of Financial and Professional Regulation shall authorize the examination of applicants as pharmacists at such times and places as it may determine (rather than not less than 3 times per year). Provides that the Department and the Board of Pharmacy shall regularly monitor the North American Pharmacist Licensure Examination or its successor to ensure that the examination of applicants is of a character to give a fair test of the qualifications of the applicant to practice pharmacy. Provides that applicants for examination as pharmacists for the calendar years 2025, 2026, and 2027 shall be required to pass only the North American Pharmacist Licensure Examination. Provides that the results from the Multistate Pharmacy Jurisprudence Examination for such applicants shall be disregarded and shall not prohibit an applicant who has successfully passed the North American Pharmacist Licensure Examination from engaging in the practice of pharmacy. Provides that applicants for examination as pharmacists shall be required to pay, either to the Department or the National Association of Boards of Pharmacy (rather than the designated testing service), a fee covering the cost of providing the examination. Provides that the Department shall notify applicants taking the examination of their results no later than 2 weeks after (rather than within 7 weeks of) the examination date. Makes conforming changes.

House Committee Amendment No. 1

Provides that the Department of Financial and Professional Regulation shall authorize examination of applicants as pharmacists at such times and places as it may determine (rather than not less than 3 times per year at such times and places as it may determine). Provides that the examination shall assess an applicant's competence of theoretical and applied pharmaceutical sciences. Provides that there shall not be a separate examination of pharmacy law required for licensure as a pharmacist in Illinois. Makes conforming changes.

House Floor Amendment No. 2

225 ILCS 85/12 from Ch. 111, par. 4132

Provides that applicants for licensure as pharmacists shall also be required to complete an Accreditation Council on Pharmacy Education approved program and assessment related to Illinois pharmacy law developed and provided by the Illinois Pharmacists Association, or any other such program and assessment or test approved by the Department of Financial and Professional Regulation by rule. Provides that, if, an applicant neglects, fails, or refuses to take an examination or fails to pass an examination for a license under the Act within 3 years after filing his application, the application shall expire (rather than the application being denied). Provides provisions concerning the expiration of licenses and license renewal. In a provision concerning the condition for the renewal of a license as a pharmacist, 2 hours of the 30 hours of continuing pharmacy education must be in the subject of pharmacy law. Makes other changes. Effective immediately.

HB 04284 (Continued)

765 ILCS 605/18.12

Amends the Statute on Statutes and other various Acts. Changes all occurrences of "disabled person" to "person with a disability", changes all occurrences of "a person who is handicapped" to "a person who has a disability", changes all occurrences of "physically or mentally handicapped" to "having a physical or intellectual disability", and changes all occurrences of "visually handicapped" to "visually impaired". Replaces an outdated reference to the "Disabled Person Identification Card" with "the Illinois Person with a Disability Identification Card". Amends the Aid to the Aged, Blind or Disabled Article of the Illinois Public Aid Code. Changes "Aid to the Aged, Blind or Disabled program" to "Aid to the Aged, Blind or Persons with Disabilities program". Makes corresponding references in various Acts. Effective immediately.

House Committee Amendment No. 1

Changes the effective date to January 1, 2027 (rather than effective immediately).

House Committee Amendment No. 2

Further amends the Statute on Statutes. Provides that nothing in the amendatory Act or in any other Act replacing the term "mentally handicapped" with "intellectual disability" is intended to make any substantive change to eligibility, benefits, or coverage under any provision of law. Provides that the replacement of the term "mentally handicapped" with "intellectual disability" shall be construed as a modernization of terminology only and shall not be interpreted to narrow or expand eligibility.

House Floor Amendment No. 3

Removes a provision on the Act's rule of construction.

Pension Note (Government Forecasting & Accountability)

HB 4284, as amended by HA 1-3, should have no fiscal impact, as the bill makes non-substantive language changes to update and modernize disability-related terminology.

Representative Natalie A. Manley**HB 05225 (Continued)**

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Illinois Insurance Code, provides that "diagnosis of autism spectrum disorder" includes one or more tests, evaluations, and assessments to diagnose whether an individual has autism spectrum disorder that are prescribed, performed, or ordered by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders in children under age 3 (rather than by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders). In provisions amending the Illinois Speech-Language Pathology and Audiology Practice Act, makes changes to the requirements necessary for a speech-language pathologist to diagnose autism spectrum disorders. In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). Effective immediately.

New Act

Creates the Protecting Illinois Native Landscapes Act. 330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

House Committee Amendment No. 1

Adds reference to:
725 ILCS 5/112A-11.5

Adds reference to:
750 ILCS 60/201 from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

415 ILCS 5/57.9

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Makes technical and other changes.

Provides that the Department of Children and Family Services, through June 30, 2027 (rather than June 30, 2026), or the Department of Early Childhood, on and after July 1, 2027 (rather than July 1, 2026), shall allow day care centers, day care homes, and group day care homes to hire, on a probationary basis, any employee or volunteer authorizing a criminal background investigation. Amends the Criminal Identification Act. Provides that information reported to the Illinois State Police under the Act is confidential and shall not be released unless expressly permitted by State or federal law. Provides that, upon positive identification, the Illinois State Police shall provide the qualified entity with records of the applicant's conviction of or entry of a plea of guilty or nolo contendere, finding of guilt, jury verdict, or entry of judgment or sentencing, including, but not limited to, convictions, preceding sentences of supervision, conditional discharge, or first offender probation, under the laws of any jurisdiction of the United States that is a felony or any crime directly related to providing care, treatment, education, training, instruction, supervision, or recreation to children, the elderly, or individuals with disabilities. Provides that any information received by a qualified entity under the provisions shall be used solely for internal purposes in determining the suitability of an applicant. Provides that a background check conducted under the provisions does not constitute compliance with any background check required by law. Provides that, if the Illinois State Police determines that the Illinois records provided to a qualified entity were inaccurate, then the Illinois State Police shall provide updated records to the qualified entity and the applicant. States that the new Department of Early Childhood and its planning process should prioritize appropriate attention to the facilities needs of our State's mixed-delivery system of early care and education. Additionally states that the State should move expeditiously to award its remaining Early Childhood Construction Grant monies to qualified applicants, to assist providers of critical birth-to-five programs in meeting their growing building-and-repair demands. Finally states that the State should also move as quickly as feasible to replenish Early Childhood Construction Grant resources to help Illinois achieve the long-term vision of the bipartisan Funding Commission for making services "simpler, better, fairer" for young children, their families, and communities statewide.

New Act

Creates the Community-Based Corrections Act. Provides that the Department of Corrections shall establish a program that funds community-based nonprofit providers to serve emerging adults as an alternative to traditional incarceration. Provides that community-based providers shall offer housing, workforce training, mental health counseling, and restorative justice programming in alignment with State guidelines. Provides that the program shall be subject to judicial discretion, allowing sentencing judges to assign eligible individuals to community-based settings instead of Department of Corrections facilities. Provides that all community-based providers must have a written agreement with a restorative justice court for all emerging adults within their care to participate in the restorative justice court programs. Provides that community-based providers shall be compensated at a rate equivalent to the monthly per-inmate cost of incarceration as determined by the Department in its Fiscal Impact Statement. Community-based providers shall be paid on a monthly basis for the number of individuals within their care. Provides that the Department of Corrections shall allocate existing budget authority for contractual services to fund the program created by the Act. Provides that the Department of Human Services shall establish operational standards, including housing conditions, workforce training quality, and mental health support services, to ensure program efficacy. Provides that the Department of Human Services shall monitor and evaluate providers to maintain compliance with State and judicial requirements. Provides that community-based providers shall submit annual reports to the Department of Corrections and the Department of Human Services detailing participant outcomes, including recidivism rates, employment statistics, and community reintegration success. Provides that the Department of Corrections shall report program performance to the General Assembly annually, including cost savings from reduced incarceration based on emerging adults participating with community-based providers for fewer years than they would serve in a Department of Corrections facility. Effective immediately.

Creates the Inclusive History Act. Establishes the Inclusive History Commission to (i) address the deficiencies and inadequacies in both perspective and content in traditional history course material and instruction and (ii) develop multiperspective, inclusive, and comprehensive standards that a school may use as a guide in replacing or developing its curricula for history education. Sets forth the membership of the Commission. Contains provisions concerning meetings, duties, and reporting. Repeals the provisions on December 31, 2026. Amends the Courses of Study Article of the School Code. Beginning with the 2025-2026 school year, requires schools to suspend all instruction in history education, with exceptions. Not later than June 30, 2026, requires the State Superintendent of Education to provide to schools instructional guidelines and standards based on the recommendations of the Commission so that schools may develop alternative curricula to replace traditional course material and instruction to ensure that students obtain a multiperspective, inclusive, and comprehensive understanding about history. Provides that beginning with the 2026-2027 school year, schools shall resume instruction in history, which shall require the use of age-appropriate discussion, textbooks, and other course material that reframe the study of history by presenting to students an examination of history through the inclusion of diverse perspectives, contrary interpretations, and the viewpoints of various groups of people whose voices have traditionally been excluded from the conventional teaching of history. Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

HB 03350 (Continued)

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions of the bill with the following changes. Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

215 ILCS 122/5-35 new

Amends the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Requires the Department of Public Health to establish the Abortion Access Fund Grant Program to award grants from the Abortion Access Fund to support access to abortion care services throughout the State. Provides that grants awarded under the Program shall only be used to fund abortion services for which the use of federal funds is prohibited for patients who are uninsured or underinsured with respect to those services. Allows the Department to establish rules necessary to implement the Abortion Access Fund Grant Program, including eligibility criteria, grant limits, application standards, requirements for the distribution and obligation of grant funds, accounting for the use of the funds, and standards for monitoring compliance with the requirements of the Program.

Amends the State Finance Act to create the Abortion Access Fund as a special fund in the State treasury. Amends the Illinois Health Benefits Exchange Law. Requires specified health insurance issuers that have offered one or more qualified health plans through the Illinois Health Benefits Exchange to report to the Department of Insurance an accounting of receipts, disbursements, transfers of funds between accounts, total dollar claims paid, accrued interest, and the year-end balance for each reporting year for the separate allocation accounts that the issuer has established under specified provisions of federal law for abortion services for which federal funding is prohibited. Establishes further reporting requirements for health insurance issuers. Provides that, if the amount of premiums collected during the plan year for abortion services for which federal funding is prohibited exceeds total claims paid for such services rendered during the plan year, the Director of Insurance shall order the health insurance issuer to transfer funds, and the issuer shall complete the transfer, to the Abortion Access Fund. Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. HB 01085 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions concerning mental health and substance use parity, makes changes to defined terms. Requires specified provider reimbursement rates to comply with the reimbursement floors for all in-network mental health and substance use disorder services. Establishes the reimbursement rate floor for each Healthcare Common Procedure Coding System (HCPCS) code, Current Procedural Terminology (CPT) code, Ambulatory Payment Classification (APC), Enhanced Ambulatory Patient Group (EAPG), Medicare Severity Diagnosis Related Group (MS-DRG), All Patient Refined Diagnosis Related Group (APR-DRG), and base payment rate with adjusters and applicable outliers for a mental health or substance use disorder service. Provides that a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2027, or any contracted third party administering the behavioral health benefits for the insurer, shall cover all medically necessary mental health or substance use disorder services received by the same insured on the same day from the same or different mental health or substance use provider or facility for both outpatient and inpatient care. Sets forth provisions concerning additional coverage requirements; disclosure provisions; and provisions concerning the Department of Insurance's enforcement authority, reporting requirements, and rulemaking. 105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

20 ILCS 2105/2105-17

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In a provision concerning the requirements that a health care professional must meet before he or she can have his or her license placed on volunteer status (rather than being granted a volunteer license), provides that a health care professional must possess an active license that is not currently subject to discipline or under investigation by the Department of Financial and Professional Regulation (rather than satisfaction of all requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the Act). Removes the volunteer licensure fee and removes references to volunteer licenses. Provides that a health care professional whose license is in volunteer status may request that the Department change the status of the license to active as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license. Provides that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Provides that the Department may adopt rules for the administration of the provisions regarding volunteer licenses (rather than determining by rule the total number of volunteer licenses to be issued). Makes conforming and other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a health care professional whose license is in volunteer status may request the Department of Financial and Professional Regulation to change the status to active as long as the request to be active is made during the same renewal period in which the license was previously active or the health care professional renews in the same manner and at the same time with the same conditions as an active license (rather than as long as the request for the change is made during the same renewal period in which the license was previously active or the license is renewed in the same manner, at the same time, and with the same conditions as an active license). Removes language providing that a health care professional who holds an active license that was previously a volunteer license is subject to the requirements of the State licensing Act that applies to his or her health care profession and the rules adopted under the relevant Act. Makes a conforming change.
