Amends the Public Utilities Act. In provisions concerning expenses that are recoverable by a public utility, provides that the Illinois Commerce Commission shall not consider as an expense of any public utility company, for the purpose of determining any rate or charge, any amount expended for political activity or lobbying, any amount expended for contributions to a trade association or a chamber of commerce, and any amount expended by a public utility for director and officer liability insurance and fiduciary liability insurance. Provides that, in determining whether the purchase of other types of insurance by a public utility is recoverable, the Commission shall determine whether the specific type of insurance is financially beneficial to the public utility's ratepayers or the public utility's shareholders. Provides that, if the Commission determines that the insurance purchased by the public utility is financially beneficial to its shareholders, then the purchase of the insurance shall not be a recoverable expense. Provides that goodwill or institutional advertising shall not be a recoverable expense by a public utility. Provides that the Commission shall deem as a nonrecoverable expense by a public utility (rather than the Commission shall specifically assess the justness and reasonableness of) any amount expended by a public utility to compensate attorneys or technical experts to prepare and litigate a general rate case filing. Provides that the amount that is deposited into the Consumer Intervenor Compensation Fund by a public utility shall not be a recoverable expense by the public utility. Provides that the computation of compensation awarded from the Fund shall take into consideration the market rates paid to persons of comparable training and experience who offer similar services, but may not exceed the comparable market rate for services paid by the public utility as part of its nonrecoverable rate case expense reported to the Commission (rather than as part of its rate case expense). Makes other changes.

Creates the Gender-Based Violence Article in the Code of Civil Procedure. Provides that the Article applies to any motion to dispose of a claim that is based on, relates to, or is in response to the moving party's reporting gender-based violence. Provides that if a court finds that the civil action is based on the moving party reporting gender-based violence, it shall grant a motion to dismiss the claim unless it finds that the responding party has established by a preponderance of the evidence that the moving party's reporting gender-based violence was done with knowledge that the report was false or with reckless disregard of whether it was false or not. Provides that absent any additional corroborating evidence, specified pieces of evidence may not, on its own or in combination with each other, be used to establish that the moving party's reporting of gender-based violence was done with knowledge that the report was false or with reckless disregard of whether it was false or not. Sets forth motion and procedure standards for a motion filed under the Article. Establishes awards for attorney's fees and costs, injunctive relief, and damages. Provides that the Act may be referred to as the Protect Survivors Reporting Act. Effective immediately.

Provides that the motion created by the amendatory Act shall be available in all actions pending or commenced on or after the effective date of the amendatory Act. Effective immediately.

Amends the Environmental Protection Act. Repeals the definition of "food scrap"; adds definitions for "anaerobic digestion", "biogas", "digestate", "food waste", "organic material", and "organic waste"; and updates the definitions of "compost" and "composting". In provisions regarding pollution control facilities, includes a new exemption for portions of sites or facilities used for composting or anaerobic digestion of organic waste that meet specified siting, setback, floodplain, and operational requirements. In provisions regarding prohibited acts, establishes permitting requirements for organic waste composting operations and organic waste anaerobic digesters, and creates exemptions for small-scale and certain farm-based composting operations that meet volume limits, setback distances, and other environmental safeguards. Provides that anaerobic digesters using only non-waste feedstock are exempt from solid waste permitting and clarifies that digested material returned to the economic mainstream is not regulated as waste. Authorizes the Environmental Protection Agency to recommend, and the Pollution Control Board to adopt, performance standards for organic waste compost facilities and testing procedures for end-product compost, and requires a Technical Advisory Committee with balanced stakeholder representation. Specifies that standards apply to compost offered for sale or use and exempts on-site residential composting. Makes conforming changes throughout to integrate new definitions and regulatory requirements.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes the definitions of "biogas" and "food waste". In provisions regarding facilities that are not pollution control facilities, deletes specified changes from the introduced bill not referential to organic waste or food waste, including specified references to anaerobic digestion. In provisions regarding prohibited acts, replaces all changes from the introduced bill with a provision that no person shall conduct an organic waste composting operation without an Agency permit, provided, however, that no permit shall be required for any person conducting an organic waste composting operation for organic wastes generated by such person's own activities which are stored, treated, or disposed of within the site where such wastes are generated or for any person conducting an organic waste composting operation that (i) has not more than 50 cubic yards of organic waste, composting additives, composting material, or end-product compost on-site at any one time and (ii) is not engaging in commercial activity. Specifies that landscape waste composting operations are subject to different provisions. Makes technical changes.

Amends the Unified Code of Corrections. Provides that the amendatory Act may be referred to as the Criminal Justice Procedural Clarification Act. Eliminates the consent of the State's Attorney as a requirement for a defendant to participate in the First Time Weapon Offense Program. Changes the eligibility requirements for the Program. Provides that the court may sentence a defendant to probation to participate in the Program, regardless of whether the State's Attorney affirmatively offers or consents to participation in the Program. Provides that a defendant shall not be deemed ineligible for probation under these provisions solely because the defendant was legally ineligible to apply for a Firearm Owner's Identification Card, at the time of the offense, if no other statutory disqualifications apply. Provides that in cases involving a firearm-related offense, the court shall consider diversion to treatment, including eligibility for the First Time Weapon Offense Program prior to imposing a sentence of incarceration if certain conditions are met. Affirms support for the freedom of the press and the freedom of speech as outlined in the First Amendment to the United States Constitution. Recognizes the Trump Administration's efforts to exert editorial control over media companies by using the official powers of the government to punish dissent and reward acquiescence as textbook corruption. Condemns President Trump's efforts to restrict the right to free speech as attacks on democracy itself.

States that the shared challenges and shared interests of disproportionately impacted urban communities and rural communities need to be addressed to develop and strengthen urban-rural partnerships and education to advance food systems, agriculture, and equitable economic development across Illinois. Urges State agencies, local governments, educational institutions, community-based organizations, farmers, workers, and small businesses to pursue new and expanded urban-rural partnerships that connect disproportionately impacted urban communities and rural communities through equitable food systems, workforce development, and local economic investment. Encourages education, outreach, and technical-assistance initiatives that promote agricultural literacy, food-system careers, entrepreneurship, and cross-regional understanding, with particular attention to disproportionately impacted urban communities and historically underserved rural areas. Supports policy frameworks that strengthen local and regional food infrastructure, protect farmland, expand urban agriculture in disproportionately impacted urban communities, improve market access, and address food-access gaps in both urban and rural communities. Urges policymakers at all levels to reject false divisions between urban and rural Illinois and instead pursue inclusive, data-driven, and community-informed solutions that recognize collaboration and partnership as essential to the State's food security, economic resilience, and shared prosperity.

HB 04539 (Continued)

Amends the Abused and Neglected Child Reporting Act. In the definition of "abused child", changes the list of persons who may be considered a perpetrator of abuse to include a child's parent, a parent's paramour, or any other person 14 years of age or older who is either responsible for the child's welfare, is an immediate family member, or resides in the same home as the child. Provides that, if the Department of Children and Family Services does not accept an abuse or neglect report for investigation on the sole basis that the alleged perpetrator is another person in the household under the age of 14, then the Department shall consider if there is reasonable cause to suspect that the alleged maltreatment is the result of blatant disregard on the part of an adult or agency who is an eligible perpetrator. Provides that, if so, the Department shall accept a report alleging abuse or neglect identifying the adult or agency as the alleged perpetrator. Permits the Department to also consider whether a child welfare service referral would be appropriate.

House Committee Amendment No. 1

Provides that if the Department of Children and Family Services does not accept a report for investigation on the sole basis that the alleged perpetrator is another person in the household or an immediate family member under the age of 14 (rather than the alleged perpetrator is another person in the household under the age of 14), then the Department shall consider if there is reasonable cause to suspect that the alleged maltreatment is the result of blatant disregard on the part of a person or agency (rather than on the part of an adult or agency) who is the eligible perpetrator.

Rep. Elizabeth "Lisa" Hernandez

Creates the Regional Stormwater and Sewerage Equitable Solution Commission to study the problem of antiquated stormwater and sewerage systems in the area collectively referred to as "the region" and to suggest policy and legislative solutions. Requests that the Governor's Office of Management and Budget, following consultation with the Department of Commerce and Economic Opportunity, submit to the General Assembly a separate report detailing legislation and budgetary recommendations to offset the costs borne by residents, businesses, and governmental entities in "the region" as the result of the inequitable circumstances surrounding the antiquated stormwater and sewerage systems.

New Act

110 ILCS 205/8

from Ch. 144, par. 188

Creates the Adequate and Equitable Public University Funding Act. Provides that all general operating expenses for public universities shall be distributed by the Board of Higher Education through a funding formula for eligible public institutions and shall be administered by the Board. Defines "eligible public institution". Sets forth provisions concerning the adequacy targets and resource profiles of eligible public institutions. Provides for the distribution of State appropriations and the calculation of the base funding minimum for each eligible public institution. Provides that the Board shall oversee an accountability and transparency framework for assessing the distribution and use of all funds appropriated by the funding formula and evaluating the funds' effects on institutional outcomes pertaining to student affordability, enrollment, persistence, and outcome metrics. Provides for reporting and the establishment of an Accountability and Transparency Committee. Provides that the Board shall establish a Funding Formula Review Panel tasked with studying and reviewing topics pertaining to the implementation and impact of the funding formula. Contains provisions concerning the Board's annual budget request and the collection of data. Amends the Board of Higher Education Act. Removes certain provisions concerning budget proposals. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Adequate and Equitable Public University Funding Act. Adds, changes, and removes definitions. Changes the adequate and equitable funding formula. Provides that the adequacy target for each eligible public institution is the sum of the eligible public institution's cost of providing an equitable and adequate education based on the specific characteristics of the per student adequacy components and institutional adequacy components (rather than of the eligible public institution and the eligible public institution's student body). Requires the Board of Higher Education to include in each eligible public institution's adequacy target the amount required to provide students with access support. Sets forth how to determine the high-cost program adjustment to core instructional program support. Requires the Board to include the funding required to conduct research. Makes changes to the membership of the Accountability and Transparency Committee and the Funding Formula Review Panel. Deletes certain provisions regarding the Accountability and Transparency Committee, as well as regarding certain reporting requirements. Makes other changes. Effective immediately.

Fiscal Note, House Committee Amendment No. 1 (Illinois Board of Higher Education)

HB 1581 HA #1 creates the Adequate and Equitable Funding for Public Universities Act. Illinois Board of Higher Education (IBHE), in conjunction with outside consultants, estimates that the cost to implement this legislation is \$1.85 billion. That means the state would have to increase public university appropriations by \$1.85 billion above the current level at full implementation. The legislation calls for an annual increase in appropriation for the public universities of \$135 million. Relative to the current fiscal year and assuming no inflation adjustment, that would mean an increase \$135 million in the first year of implementation, \$270 million in the second year of implementation, \$405 million in the third year of implementation, etc., until the appropriation is \$1.85 billion higher than it is today. However, the legislation specifies that components of the funding formula are adjusted by inflation each year. Therefore, the total cost will exceed \$1.85 billion if incremental investments are made over time. Finally, the legislation assigns new responsibilities to IBHE, which would require three additional staff positions and associated costs, at an estimated total cost of \$350,000.

Amends the Underserved Health Care Provider Workforce Act. Changes the definition of "designated shortage area" to mean an area designated as a medically underserved area or a health professional shortage area (rather than a physician shortage area, a medically underserved area, or a critical health manpower shortage area). Changes the term "eligible medical student" to "eligible student", and includes in the definition of that term a person who is studying optometry in an optometry college or institution located in Illinois and that a person may agree to practice full-time in a designated shortage area as an optometrist or anesthesiologist one year for each year he or she is a scholarship recipient. Includes a rural health center, a federally qualified health center, a federally qualified health center look alike, and an optometric office in the definition of "medical facility". Includes an optometrist in the definition of "eligible health care provider". Includes an obstetrician or gynecologist in the definition of "primary care physician". Includes loan repayment recipients in a provision regarding scholarship recipients who fail to fulfill specified obligations, and provides that the amounts paid by these scholarship or loan repayment recipients shall be deposited into the fund where the payment originated from (rather than the Community Health Center Care Fund). Repeals a different provision defining "primary care physician". Effective January 1, 2026.

Provides that the report shall contain information on (1) current research on the effectiveness of an OPS as an overdose prevention strategy; (2) OPS best practices for staffing, placement, and activities; and (3) the benefits and challenges of different OPS models - structures and settings. Requires the Department, in collaboration with people with lived experience, to develop a pilot service, subject to available funding, aimed at saving the lives of people who use substances that shall include the establishment of at least one OPS. Requires the pilot OPSs to offer people, who are most likely to use drugs in public, unobserved, high-risk, and unsanitary locations, a safe space to use pre-obtained substances and connect to community supports or other existing treatment and recovery programs, harm reduction services, and health care. Contains provisions concerning certain principles pilot OPSs must abide by; OPS staffing and location requirements; pilot OPS services; and other matters. Permits the Department to approve an entity to operate a pilot program in one or more jurisdictions. Grants criminal and civil immunity to persons who use pilot OPSs services; pilot OPS staff; and any real property owner upon which the OPS site is located or operates. Provides that the Department of Human Services shall have the authority to approve any pilot overdose prevention site, including establishing minimum standards for patient, client, and participant safety and compliance and monitoring procedures. Provides that any entity approved (rather than licensed) as an OPS Harm Reduction Services provider may operate an overdose prevention site as authorized by the Department. Makes some technical changes.

House Floor Amendment No. 4

Requires the Department to determine at least 3 optional locations within a qualifying municipality for the pilot OPS. Provides that location priority shall be given to communities that have the highest number of fatal and nonfatal overdoses and that specifically target high-risk and socially marginalized drug users. Provides that all proposed optional locations must have municipal approval, and a final administrative decision for the operation of no more than one facility must be approved by rule before the pilot OPS can begin operations. Requires the Department to prepare a report to the General Assembly based on its data collection regarding overdose prevention sites within 12 months after the starting operation date of the pilot OPS. Grants limited immunity to persons employed at or participating in activities related to the creation, maintenance, or use of the pilot OPS. Requires the entity or entities operating the pilot OPS to submit a report to the Department on the number of people who use services provided by the pilot OPS and other information regarding the OPS' operations. Requires the Department to submit a final report, with recommendations, to the General Assembly 4 years after the starting date of the OPS' operations. Effective immediately.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Replaces everything after the enacting clause. Creates the Federally Assisted Tenant Protection Act. Provides that every covered housing provider, as defined, and its agents that receive federal housing assistance payments from the U.S. Department of Housing and Urban Development are subject to the provisions of the Act. Provides that unless required by federal law or an applicable State or federal funding program, no covered housing provider shall establish or implement any rules, policies, or procedures that: (i) impose time limits as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants; or (ii) impose work requirements as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants. Provides that nothing with respect to this prohibition prevents a covered housing provider from terminating assistance or a residential lease as authorized by federal law. Permits a covered housing provider to establish and implement a voluntary employment or job training program, or encourage a covered housing applicant or tenant to participate in a voluntary employment or job training program if program participation does not impact the applicant's or tenant's initial or continued eligibility for the rent subsidy or assistance or the amount of rent subsidy or assistance; and the program has one or more specified goals, including, but not limited to, (i) increasing personal income, (ii) generating financial savings, and (iii) homeownership. 820 ILCS 405/612 from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

HB 04416 (Continued)

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000.

Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

Provides that the civil penalty and license revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides exemptions. Provides that the Illinois State Police may adopt rules to implement the Act. Provides for emergency rulemaking by the Illinois State Police to implement the Act. Provides that "convertible pistol" does not include hammer-fired semiautomatic pistols. A tab or other piece of material on a pistol frame is not sufficient to prevent ready alteration so that the pistol can be converted into a machine gun by the installation or attachment of a switch, and will not prevent such pistol from qualifying as a convertible pistol, if that tab or other piece of material can be readily removed with common household tools. Defines other terms. Amends the Illinois Administrative Procedure Act to make conforming changes.

HB 02139 (Continued)

Replaces everything after the enacting clause. Amends America's Central Port District Act. Authorizes the District Board to borrow money from a governmental agency, bank, or other financial institution (rather than only a bank or other financial institution). Changes the definition of "financial institution". Provides that a majority of the appointed Board (rather than 5 members of the Board) constitutes a quorum for the transaction of business. Provides that the governing board and administrative body of the Port District is a Board of Commissioners consisting of up to 9 members (rather than 9 members). Provides that all actions of the Board must be by ordinance or resolution, and the affirmative vote of a majority of those members physically present is necessary for the adoption of any ordinance or resolution. Provides that, if the chair of the Board objects to an ordinance or resolution, the objections can be overridden by a vote of at least two-thirds of the members (rather than 6 members). Allows funds to be withdrawn or paid out by Automated Clearing House transaction or other electronic means (rather than only by check or draft) and also removes the \$2,500 cap for allowing a Board member or any officer of the district to sign for the treasurer to pay an obligation. Provides that, within 9 months after the end of each fiscal year, the Board must have an independent auditor prepare and complete a detailed report and financial statement. Deletes the requirement that copies of the report must be filed with the presiding officers of the county boards of Madison and Jersey Counties.

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

New Act

Creates the Crossing of Electric Utility Property Act. Requires a public utility to provide an expedited review and grant of a crossing application and may not unreasonably withhold an allowance for a crossing, unless a public utility provides a reasonable justification that the crossing will impair or harm the right-of-way. Authorizes an occupant to commence use of a crossing within 90 days after meeting the following conditions: (i) notice is sent to the public utility that occupant owns or controls land on both sides of the public utility property and that a crossing is reasonably required to expand or maintain operations on the occupant's property or to benefit the public; (ii) provides to the public utility engineering specifications to demonstrate that the proposed crossing will not impair the public utility's occupancy and use of the right-of-way; (iii) affirms to the public utility that the occupant must maintain and repair the owner's own crossing and must bear responsibility for the owner's own acts and omissions concerning use of the crossing; and (iv) provides to the public utility a payment for establishment of the crossing and the first year of crossing fees. Prohibits a public from unreasonably denying a crossing and lists conditions that make a denial unreasonable. Requires that the occupant provide the public utility reasonable access to the crossing to inspect and monitor, and the occupant provide engineering studies that demonstrate that the crossing will not reasonably interrupt or impair the public utility's right-of-way.

Requires the Illinois Gaming Board to provide written status updates to each applicant for a license issued under the Act no later than 30, 60, and 90 days after the date the application is deemed complete by the Board. Sets forth information to be included in the written status updates. Provides that if the Board has not issued a final determination approving or denying an application within 365 days after the date the application is deemed complete, the Board shall issue a conditional approval to the applicant unless the delay is attributable to: the applicant's failure to timely provide requested information or documentation; a pending criminal investigation or enforcement action directly involving the applicant; or a written finding by the Board, supported by specific facts, that issuance of a conditional approval would pose a material risk to the public interest or the integrity of video gaming. Provides that a conditional approval authorizes the applicant to proceed with preparatory business activities consistent with licensure but does not authorize operation of video gaming terminals until final approval is issued. Provides that nothing limits the Board's authority to approve, deny, suspend, revoke, or condition a license upon completion of its investigation. Amends the First Responders Suicide Prevention Act. Provides that confidentiality protections under the Act apply regardless of whether the peer support person is employed by, or affiliated with, the same agency as the first responder receiving support. Provides that, except in specified circumstances, all communications, records, notes, reports, or information disclosed during, or in connection with, a critical incident stress management session is confidential and may not be disclosed by any CISM practitioner. Provides that a CISM practitioner may not be compelled to testify or disclose any communication, record, note, report, or information disclosed during, or in connection with, a critical incident stress management session in any administrative, civil, or criminal proceeding. Provides that the confidentiality protections under the provisions apply whether or not the CISM practitioner is affiliated with the same agency as the individual receiving services. Provides that any communication described in the provisions is subject to subpoena for good cause shown. Provides that the confidentiality protections under the provisions do not apply to (1) any threat of suicide or homicide made by a participant in a peer support counseling session or any information conveyed in a peer support counseling session related to a threat of suicide or homicide; (2) any information mandated by law or agency policy to be reported, including, but not limited to, domestic violence, child abuse or neglect, or elder abuse or neglect; (3) any admission of criminal conduct; or (4) an admission or act of refusal to perform duties to protect others or the employee of the emergency services provider or law enforcement agency. Defines "CISM practitioner" and "CISM services".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Removes a provision concerning the exceptions to the confidentiality privileges established under the Act for any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session. In provisions concerning the confidentiality privileges applied to any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session, provides that the privileges do not apply if: (1) the communication indicates an intent to engage in conduct likely to result in imminent death or serious physical injury to the participant or another individual; (2) the person receiving the peer support counseling session or critical incident stress management services discloses information that is required to be reported under the mandated reporting laws, including, but not limited to, the reporting of maltreatment of minors or the reporting of maltreatment of vulnerable adults, provided the disclosure is only for the purpose of reporting maltreatment and limited to information necessary to make such a report; (3) the participant expressly waives the privilege or gives consent to disclosure of the privileged communication; (4) the participant is deceased and the surviving spouse or the executor or administrator of the estate of the deceased participant expressly waives the privilege or gives consent to disclosure of the privileged communication; or (5) the participant sought or obtained the peer support counseling services or critical incident stress management services to enable or aid anyone to commit or plan to commit what the participant knew, or reasonably should have known, was a fraud or other crime. Defines terms.

House Floor Amendment No. 2

In provisions concerning confidentiality, replaces a reference to "peer support person" with a reference to "peer support advisor". In provisions concerning confidentiality of critical incident stress management communications, replaces a reference to "an emergency service provider" with a reference to "emergency service personnel". Provides that specified confidential and privileged communication is subject to a subpoena for good cause shown.

New Act

Creates the Prohibition on Anticompetitive Pharmaceutical Practices Act. Provides that, except as specified, a court before which the Attorney General brings an action under the Act shall presume that a resolution agreement that ends a dispute over an alleged infringement of a patent, or a violation of other protection for a protected drug, has anticompetitive effects and is a violation of the Act if, as part of or in connection with the resolution agreement, an alleged infringer: (1) receives an item of value; or (2) agrees to limit or stop researching, developing, manufacturing, marketing, or selling a competing drug. Provides that a resolution agreement does not violate the Act and a party to the resolution agreement may overcome the presumption of anticompetition if the party, by a preponderance of evidence, can demonstrate that: (1) the item of value that the alleged infringer received is fair and reasonable compensation solely for other goods or services that the claimant promised to provide to the alleged infringer; or (2) the agreement has directly generated procompetitive benefits within the relevant market and the procompetitive benefits of the resolution agreement favor competition to the extent that the procompetitive benefits materially outweigh the anticompetitive effects of the resolution agreement. Sets forth provisions concerning penalties and enforcement of the Act by the Attorney General. Provides that the Act applies to resolution agreements: (1) that are negotiated, completed, or entered into within the State on or after the effective date of this Act; (2) where the dispute arose out of or was substantially related to pharmaceutical sales that were made within the State; or (3) where a party to the resolution agreement is an entity registered to conduct business within the State.

Requires the Department of Human Services to implement the federal Family Violence Option created by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, and other specified federal provisions that permit state agencies to waive TANF work and self-sufficiency requirements for individuals who are the victims of domestic or sexual violence. Contains provisions on how individuals may apply for a "good cause" waiver of TANF requirements due to domestic or sexual violence, including, provisions concerning required documentation or third-party verification to support a good cause waiver claim; and the option to self-attest to a claim of domestic or sexual violence in support of a good cause waiver claim. Contains provisions on notification requirements imposed on the Department; crisis assistance funding; rulemaking; and data reporting requirements.

House Committee Amendment No. 1

Adds reference to:

305 ILCS 5/4-12

from Ch. 23, par. 4-12

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Removes language concerning crisis assistance funding that were included with the amendatory provisions concerning the waiver of TANF work and self-sufficiency requirements for individuals who are the victims of domestic or sexual violence. Instead amends an existing statutory provision regarding crisis assistance funds for families who have become homeless due to domestic or sexual violence. Requires the Department of Human Services to inform such families, during their application for TANF, on the availability of crisis assistance funding. Provides that the Department shall provide no less than \$1,250 to eligible families for up to 4 months. Provides that the provisions of the bill are subject to the civil remedies outlined in the Public Assistance Fraud Article of the Illinois Public Aid Code.

Amends the School Code. Prohibits a child from being denied a free public education through secondary school while in the State based on the child's or associated person's perceived or actual citizenship or immigration status. Prohibits a school from excluding a child, or associated person, from participation in or denying a child, or associated person, the benefits of any program or activity on the grounds of that child's, or associated person's, actual or perceived citizenship or immigration status. Provides that a school must not use criteria, measures, or methods of administration that have the effect of excluding from participation or denying the benefits of any program or activity because of a child's, or associated person's, actual or perceived immigration status. Prohibits a school from threatening to disclose information regarding or relating to the actual or perceived citizenship or immigration status of a child, or associated person, or actually disclosing information based on perceived or unverified citizenship or immigration status, to any other person, entity, or any immigration or law enforcement agency. Provides that a school must not allow an immigration agent to enter a school site or school district facility for any purpose without providing valid identification, a written statement of purpose, and a valid judicial warrant, and, to the extent possible, receiving approval from the superintendent of the school district or the principal of the charter school, and their legal counsel. Provides that a school district or school must not detain any individual solely on the basis of any formal or informal request, or immigration detainer or civil immigration warrant from an immigration agent. Requires a school district or school to adopt a policy for complying with the amendatory Act. Allows any party aggrieved by a violation of the provisions to bring a civil lawsuit no later than 2 years after the violation occurred. Provides that if the court finds that a violation has occurred, the court may award to the plaintiff 3 times actual damages or \$17,000, whichever is greater. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

Fiscal Note, House Floor Amendment No. 2 (State Board of Education)

HB 3247 (H-AM-2) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Provides that if the State agency does not confirm or reject the claim within that 30-day period, then the State agency forfeits the right to reject or contest the claim. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

House Committee Amendment No. 1

Deletes reference to:
705 ILCS 505/21

Replaces everything after the enacting clause. Provides these changes to the bill. Provides that a State agency must confirm or reject a claim arising under the Act that is from a lapsed appropriation and valued at less than \$2,500 within 45 days (instead of 30 days) after being notified in writing of the claim by the Attorney General. Deletes provisions that if the State agency does not confirm or reject the claim within a 30-day period, then the State agency forfeits the right to reject or contest the claim. Provides that if the court determines that it is unable to process such a contractual claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 45 days (instead of 30 days) after the bill or invoice was first submitted. Requires the court to produce an annual report to the General Assembly on claims arising from lapsed appropriations. Provides that the report shall include data on the number of claims submitted each year, the number of claims resolved, the number and dollar amount of claims paid and pending, the State agencies associated with the lapsed claims, the average length of time from claim submission to resolution for each State agency, and the number and age of unresolved claims that are older than 12 months, by State agency. Requires the Department of Public Health to establish the Abortion Access Fund Grant Program to award grants from the Abortion Access Fund to support access to abortion care services throughout the State. Provides that grants awarded under the Program shall only be used to fund abortion services for which the use of federal funds is prohibited for patients who are uninsured or underinsured with respect to those services. Allows the Department to establish rules necessary to implement the Abortion Access Fund Grant Program, including eligibility criteria, grant limits, application standards, requirements for the distribution and obligation of grant funds, accounting for the use of the funds, and standards for monitoring compliance with the requirements of the Program. Amends the State Finance Act to create the Abortion Access Fund as a special fund in the State treasury. Amends the Illinois Health Benefits Exchange Law. Requires specified health insurance issuers that have offered one or more qualified health plans through the Illinois Health Benefits Exchange to report to the Department of Insurance an accounting of receipts, disbursements, transfers of funds between accounts, total dollar claims paid, accrued interest, and the year-end balance for each reporting year for the separate allocation accounts that the issuer has established under specified provisions of federal law for abortion services for which federal funding is prohibited. Establishes further reporting requirements for health insurance issuers. House Committee Amendment No. 1

Provides that the Task Force created under the Act shall be established within the Department of Corrections rather than the Illinois Criminal Justice Authority. Provides that the Governor shall appoint the Director of the Sentencing Policy Advisory Council, a representative of an association that represents attorneys statewide, and a representative of a philanthropic organization with expertise and experience in funding services and policies for justice-involved emerging adults to the Task Force.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment 1 with the following changes. In provisions relating to legislative findings, provides that developmental psychology and neuroscience studies have shown (rather than Developmental psychology and neuroscience conclude) that judgment, impulse control, and psychosocial maturity may continue (rather than continue) developing into the mid-20s. Further provides that emerging adults may differ (rather than differ) significantly from older adults in risk assessment, susceptibility to peer influence, emotional regulation, and decision making under stress. Further provides that emerging adults may also (rather than also) face elevated rates of mental health disorders, trauma exposure, substance use disorders, unemployment, and housing instability. Further provides that adult jails and prisons can be (rather than are) associated with higher rates of victimization, self harm, long-term disability, and recidivism among the emerging adult population. Further provides that after decades of program based intervention alternatives for juveniles, it is appropriate for the task force to evaluate the efficacy of each of these programs to ensure only those that are reducing criminal behavior and providing for public safety are continued while those that are not providing the expected benefits are phased out. In provisions concerning the composition of the Task Force, provides that the Task Force shall include two representatives (rather than one representative) of a municipal police department. Further provides that the Task Force shall include two representatives (rather than one representative) of a sheriff's office. Further provides that that the Task Force shall include two representatives (rather than one representative) of a community based legal services or holistic defense organization serving emerging adults. Effective immediately.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

820 ILCS 405/604 from Ch. 48, par. 434

Amends the Unemployment Insurance Act. Provides that an individual shall be ineligible for benefits for a period totaling and not to exceed 2 weeks (rather than an individual shall be ineligible for benefits for any week) with respect to which it is found that his total or partial unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed. Provides that, after the 2-week period, the individual will be eligible for benefits.

HB 02565 (Continued)

Fiscal Note, House Floor Amendment No. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to request that any interview or statement be conducted in the presence of a law enforcement officer of a particular sex or gender, if one is reasonably available. Provides that if a law enforcement officer of the requested sex or gender is not reasonably available, the interview or statement shall proceed without unnecessary delay.

House Committee Amendment No. 1

Provides that, if no law enforcement officer of that sex or gender with the training on sexual assault and sexual abuse allegations is reasonably available, the victim may consent to be interviewed by any available law enforcement officer with that training, decline to be interviewed, or choose to schedule an interview when such an officer will be available, if possible. Provides that every law enforcement agency shall establish a policy that defines "reasonably available" for the purposes of the provision. Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to have a support person of the victim's choosing present during any interview by a law enforcement officer or prosecutor, unless the law enforcement officer or prosecutor makes a good faith determination based on professional judgment that the presence of the support person would be detrimental to the purpose of the interview. Provides that, if the support person engages in behavior that disrupts or undermines the interview, the support person may be removed. Provides that, if the support person is not permitted to accompany the victim or is removed, the victim may consent to be interviewed without a support person, decline to be interviewed, or choose to schedule an interview at a later date and bring a different support person.

House Floor Amendment No. 2

Provides that at law enforcement agencies that employ officers of more than one sex or gender who have the training in investigating sexual assault and sexual abuse cases under the Illinois Police Training Act and the Illinois State Police Law, a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the opportunity to request to be interviewed by an officer of a particular sex or gender. Provides that if, when a request is made, no officer at that agency of the requested sex or gender with that training is reasonably available, the victim may consent to be interviewed by any available law enforcement officer with that training, decline to be interviewed, or choose to schedule an interview at another time when such an officer is expected to be available. Provides that if the victim requests an officer of a particular sex or gender at the scene, in the emergency department of a hospital, at an approved pediatric health care facility, or under exigent circumstances, the responding officer shall accommodate the request when an officer of the requested sex or gender is reasonably available. Provides that every law enforcement agency shall establish a policy that defines "reasonably available" for the purposes of the provisions. Makes other changes.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4805 and has determined that the legislation could have a fiscal impact on the administrative costs for the Department.

The Department's cost estimate for this Fiscal Note assumes that information the Department receives from employers in the event of a layoff, furlough, or shutdown functions to initiate and file an unemployment insurance claim on behalf of each affected worker. The Department estimates that the administrative costs of reprogramming systems, administering new processes, engaging in rule-making, and related activities would be approximately \$1,000,000. The Department notes that some information required to initiate an unemployment insurance claim and appropriately determine an individual's weekly benefit amount would, in most cases, likely not be available to employers. The Department also notes that individuals would still be required to create their own account with identity-proofing methods required of all unemployment insurance claimants. The Department estimates that there would be a de minimis fiscal impact on the Unemployment Insurance Trust Fund. The Department has also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL has asked for clarification, and the Department is working with you and stakeholders to respond.

(Sen. Christopher Belt)

20 ILCS 2105/2105-368

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In conjunction with applications for health care professional licensure and renewals, requires the Department of Financial and Professional Regulation shall require applicants to provide practice information that include areas of practice specialty, addresses of all current practice locations, hours spent at each practice location on direct outpatient care, the applicant's National Provider Identifier (NPI) number if applicable, and anticipated date of retirement. Provides that the Department shall share the information with authorized personnel at the Department of Public Health. Specifies that the data is exempt from the Freedom of Information Act. Defines "health care professional". Provides that data published in conjunction with applications for health care professional licensure shall not identify a health care professional's name or any other data that leads to identification.

In a provision concerning applications for health care professional licensure and renewals, provides that the Division of Professional Regulation of the Department of Financial and Professional Regulation shall request, and applicants may voluntarily provide, (rather than shall require applicants to provide) practice information. Defines "health care professional" as a person who is licensed or has applied to be licensed by the Department as a physician to practice medicine in all its branches under the Medical Practice Act of 1987, an advanced practice registered nurse under the Nurse Practice Act, or a dentist under the Illinois Dental Practice Act (rather than a person licensed or registered by the Department under the Medical Practice Act of 1987, the Nurse Practice Act, the Clinical Psychologist Licensing Act, the Illinois Optometric Practice Act of 1987, the Illinois Physical Therapy Act, the Physician Assistant Practice Act of 1987, the Clinical Social Work and Social Work Practice Act, the Nursing Home Administrators Licensing and Disciplinary Act, the Illinois Occupational Therapy Practice Act, the Podiatric Medical Practice Act of 1987, the Respiratory Care Practice Act, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, and the Illinois Speech-Language Pathology and Audiology Practice Act).

Rep. Aaron M. Ortiz-Gregg Johnson

425 ILCS 25/6
425 ILCS 25/6.1

from Ch. 127 1/2, par. 6

Amends the Fire Investigation Act. Directs the Office of the State Fire Marshal to investigate the cause, origin, and circumstances of a fire or an explosion in which fire is presumed to be a contributing factor in a death, and lists related procedures and requirements. Provides that the reporting of fires, hazardous material incidents, and other incidents shall be based upon the nationally recognized standards of the United States Fire Administration's National Emergency Response Information System (rather than the National Fire Incident Reporting System). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that, upon discovery of a fire-related death at the scene of the incident (rather than just upon discovery of a fire-related death), the chief of the fire department or the chief's designee shall notify the Office to initiate its investigation (rather than shall notify the Office for an investigation of the cause, origin, and circumstances). Allows the Office to request the fire chief or the chief's designee to take reasonable steps to maintain control of the scene and, if making such request, directs the office to provide an estimated time of arrival to the fire chief or the chief's designee (rather than directs the chief of the fire department or designee to maintain control of the scene until a representative of the Office arrives on the scene and initiates the investigation). Provides that, if the fire chief or the chief's designee has agreed to maintain control of the scene, the fire chief or the chief's designee may turn over control of a scene to a law enforcement officer. Provides that the fire chief, designee, or law enforcement officer is not required to maintain a scene (i) after the arrival of a representative of the Office or (ii) upon advisement from the Office that it is no longer necessary to maintain control of the scene, whichever is first.

320 ILCS 40/16

Amends the Program of All-Inclusive Care for the Elderly Act. Provides that to ensure that organizations contracted to implement the Program of All-Inclusive Care for the Elderly (PACE) program meet the needs of PACE participants, the Department of Healthcare and Family Services shall reform the rate-setting methodology for the PACE program by establishing a blended rate structure based on a 30% Home and Community-Based Services and 70% Skilled Nursing Facility case-mix which is a more accurate proportion of the comparable population expected to reside in an institution or the community if not enrolled in PACE. Requires the blended rate structure to more accurately reflect the comprehensive nature of care provided by PACE organizations and address the unique needs of PACE participants as a higher risk/acuity population with expected higher costs and frailty than comparable populations. Provides that when developing rates under the blended rate structure, the Department must consider not only the standard cost experiences of PACE participants but also the unique characteristics and specific care needs of the PACE population as well as any additional State plan services or populations that are not included in the State's Medicaid managed care contracts but are required under the PACE program.

HB 01085 (Continued)

Amends the Illinois Insurance Code. Establishes reimbursement rates for mental health and substance use disorder treatment services for all group or individual policies of accident and health insurance or managed care plans that are amended, delivered, issued, or renewed on or after January 1, 2027 or for any contracted third party administering the behavioral health benefits for the insurer. Requires a group or individual policy of accident and health insurance or managed care plan that is amended, delivered, issued, or renewed on or after January 1, 2026 or any contracted third party administering the behavioral health benefits for the insurer to cover certain medically necessary mental health and substance use disorder treatment services. Provides that, if the Department of Insurance determines that an insurer or a contracted third party administering the behavioral health benefits for the insurer has violated a provision concerning mental health and substance use parity, the Department shall by order assess a civil penalty of \$1,000 for each violation. Excludes certain health care plans serving Medicaid populations who are enrolled under the Illinois Public Aid Code or under the Children's Health Insurance Program Act from provisions concerning mental health and substance use parity. Requires the Department to review the impact of the proposed mental health and substance abuse mandate on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Permits the Department to examine out-of-network utilization and out-of-pocket costs for insureds for mental health and substance use treatment and services for all plans to compare with in-network utilization. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, and the School Code to require coverage under those provisions. Effective immediately.

House Committee Amendment No. 1

Deletes reference to:
5 ILCS 375/6.11

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. HB 02683 (Continued)

Specifies that the amendatory Act may be referred to as the Equality for Every Family Act. Amends the Illinois Parentage Act of 2015. Declares it to be the public policy of Illinois that a child has the same rights and protections under law to parentage without regard to the marital status, age, gender, gender identity or sexual orientation of their parents, or the circumstances of the child's birth, including whether the child was born as a result of assisted reproduction or surrogacy. Changes the burden of proof for challenging a presumption of parentage from clear and convincing evidence to a preponderance of the evidence. Provides that a person who gave birth to a child and an alleged genetic parent of the child, a presumed parent under the Illinois Parentage Act of 2015, or an intended parent under the assisted reproduction provisions may sign an acknowledgment of parentage to establish the parentage of the child. Prohibits genetic testing from being used to: (i) challenge the parentage of a person who is a parent by assisted reproduction under the Illinois Parentage Act of 2015 or the Gestational Surrogacy Act; or (ii) establish the parentage of a person who is a donor. Changes the venue provisions for a proceeding to adjudicate parentage and the related notice provisions in such a proceeding. Provides that an individual who consents to assisted reproduction with the intent to be a parent of a child conceived by assisted reproduction is a parent of the child. Amends the Illinois Gestational Surrogacy Act. Contains provisions describing the consequences if a change in the marital status of a surrogate occurs. Sets out provisions concerning the termination of a gestational surrogacy agreement. Amends the Adoption Act. Provides a process for a confirmatory adoption for children born through assisted reproduction. Defines terms. Makes other changes. Effective immediately.

HB 02966 (Continued)

Replaces everything after the enacting clause. Amends the School Code. Authorizes the State Board of Education to award grants to school districts in the State for the purpose of incentivizing those districts to conduct reorganization feasibility studies. Provides that, to be eligible for a grant under these provisions, the board of the school district that is applying for the grant shall (i) negotiate a proposed agreement to secure the services of a third-party consultant who will conduct the reorganization feasibility study; (ii) adopt a resolution that is signed by the board president of the district and calls for the initiation of a school district reorganization feasibility study in accordance with the terms of the proposed agreement and any rules adopted by the State Board of Education; and (iii) submit the completed agreement form, the signed board resolution, and such other information as the State Board of Education may, by administrative rule, require, to the regional office of education or the executive director of the intermediate service center for the district for approval. Provides that, upon receipt of a complete application from a district, the regional office of education or the executive director of the intermediate service center shall either (i) approve the agreement and send the agreement to the State Board of Education or (ii) disapprove the agreement and return the agreement to the district with a letter of explanation. Authorizes the State Board of Education to award grants under these provisions to districts for which it receives an approved agreement. Requires the State Board of Education to annually notify each school district in the State of the availability of grant funds and to provide with that notice specified information. Provides that, every 2 years, each board that receives a notice may include the question of whether to pursue this grant funding as an action item on the agenda at one of its meetings. Authorizes the State Board of Education to provide a school district up to the maximum reimbursement amount set by the State Board of Education, for the purpose of covering all or part of the costs borne by the school district to conduct a reorganization feasibility study. Directs the State Board of Education, in awarding these grants, to prioritize districts that are contiguous with one another, districts that have similar property tax rates, districts with similar per-pupil adequacy funding, and, beginning in State fiscal year 2030, other districts that have been identified as priority districts by the State Board of Education pursuant to rules it adopts. Prohibits a school district from being awarded a grant under these provisions in any 2 consecutive award cycles. Allows the State Board of Education to adopt any rules it deems necessary to implement and administer this program of grant funding, including, but not limited to, rules establishing the criteria that must be met by the third-party consultants who will perform the feasibility studies, rules describing minimum criteria to be included in agreements executed with the third-party consultants who will perform the feasibility studies described in this Section, and, beginning in State fiscal year 2030, rules identifying additional types of school districts to be prioritized for grant funding under these provisions. Directs the State Board of Education, in State fiscal year 2035, and every 5 years thereafter, to reevaluate and, if necessary, amend the rules identifying additional types of school districts to be prioritized for grant funding. Defines terms. Effective immediately.

HB 03718 (Continued)

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

(Sen. Julie A. Morrison)

215 ILCS 5/143.13b new

Amends the Illinois Insurance Code. Provides that every automobile insurance policy issued, renewed, or delivered in Illinois that includes first-party coverage for physical damage shall contain a provision granting either the insured or the insurer the right to invoke appraisal in the event of a dispute over (i) the actual cash value or amount of a loss, including repairable or total loss amounts; or (ii) the value of a settlement offer made to a third-party claimant. Sets forth provisions concerning the selection of appraisers; appointment of an umpire in the event of a disagreement between appraisers; issuance of the award following the appraisal; the binding effect of an agreement between appraisers or one appraiser and the umpire; cost allocation and consumer protections; the right of appraisal for third-party claimants; and enforcement and penalties. Creates the Automotive Appraisal Standards Advisory Board to provide guidance on rulemaking, enforcement priorities, and best practices. Sets forth membership provisions and provides that the Board shall meet no less than quarterly and may issue nonbinding recommendations to the Department of Insurance regarding updates to rules and emerging trends impacting fair claim resolution. Requires the Department to publish meeting summaries and any formal recommendations on its public website. Provides that the Department may adopt rules necessary to implement and enforce provisions concerning the right to appraisal. Effective 90 days after becoming law.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Removes provisions concerning the Automotive Appraisal Standards Advisory Board. Removes provisions concerning third-party claims. Provides that, if the appraisers fail to agree on an umpire within 15 calendar days after they failed to agree on the amount of the loss or the settlement offer, either party may petition a court (instead of a court of competent jurisdiction or request assistance from the Department of Insurance) to appoint a suitable umpire. Provides that the Department shall maintain a list of competent and disinterested umpires and shall furnish that list to any party that requests the list. Provides that, if an umpire is selected pursuant to the provisions, a final award shall be determined within 5 calendar days after the umpire was selected. Removes a provision requiring the insurer to pay all appraisal and umpire fees if the final appraisal award is 10% or more favorable to the policyholder compared to the insurer's last written offer prior to appraisal. Provides that any insurer in Illinois that fails to comply with the appraisal provisions of the amendatory Act, including any refusal to participate in the process in good faith, shall be subject to administrative penalties imposed by the Department (instead of being subject to a specified civil penalty, additional administrative penalties, and liability for reasonable attorney's fees and appraisal costs). Removes provisions concerning rulemaking. Effective 90 days after becoming law.

Provides that the amendatory Act may be referred to as the Strengthen Linkage to Follow-Up Care after a Behavioral Health Crisis Act. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that for purposes of timely linking an individual to follow-up mental health care immediately after a behavioral health crisis, when mobile crisis response services are provided to someone in a behavioral health crisis, the Illinois Medicaid-Crisis Assessment Tool approved by the Department of Healthcare and Family Services shall enable the delivery of community support services, medication monitoring, and other specified services when delivered by the same provider, for up to 30 days without beginning, performing, or completing an integrated assessment and treatment plan. Provides that such services shall be billed separate from mobile crisis response services. Prohibits the Department from imposing more stringent requirements on its Illinois Medicaid-Crisis Assessment Tool than those requirements that exist on the effective date of the amendatory Act, as long as the services provided are delivered under the supervision of a licensed practitioner of the healing arts. Requires the Department to file any rules necessary to implement the amendatory Act. Effective immediately.

775 ILCS 5/7A-102

from Ch. 68, par. 7A-102

Amends the Illinois Human Rights Act. Provides that for charges alleging violations under the Equal Employment Opportunity Commission or the Illinois Human Rights Act, if the EEOC issues a right to sue, the Department will issue a Departmental right to sue. Provides that if the complainant does not file a written request with the Department to review the EEOC's determination within 35 days after receipt of the Department's notice, the Department shall issue to the complainant, within 10 business days after the expiration of the 35-day period, a Departmental right to sue notice stating that the complainant has the right, within 90 days after receipt of the Department's notice, to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court. Requires the Department, within 10 days of the date on which the charge was filed, to serve a copy of the charge on the respondent and provide all parties with a notice of the complainant's right to opt out of the investigation within 60 days to commence an action in circuit court and the complainant's right to request a Departmental right to sue notice after 60 days has elapsed to file in the Human Rights Commission or commence a civil action in circuit court. Provides that within 10 business days of receipt of the complainant's request to opt out of the investigation, the Director shall issue an opt out notice to commence an action in circuit court to the parties. Provides that a Departmental right to sue notice does not constitute a finding of substantial evidence or of a lack of substantial evidence. Requires that any Departmental right to sue notice to state that the complainant shall have 90 days from the date of receipt of the notice to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the Department of Human Rights to notify the parties that the complainant may request a Departmental notice of right to sue when submitting the Equal Employment Opportunity Commission determination after the Department receives notice that a charge was filed with the EEOC. Requires that if the EEOC does not issue a determination or determines that it is unable to establish illegal discrimination, the Department must proceed as follows: if the complainant timely notifies the Department of the EEOC's determination and also requests in writing that the Department issue a Departmental notice of right to sue, then the Department shall issue such notice within 10 business days after the receipt of the EEOC's determination and request from the complainant; but if the complainant does not submit the written request as required when notifying the Department of the EEOC's determination, then the Department must inform the parties, within 10 business days after receipt of the EEOC's determination, that the Department will issue a Departmental notice of right to sue unless the complainant requests in writing within 35 days after receipt that the Department review the EEOC's determination. Provides that if the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and may review any information submitted by the complainant with the written request and any evidence obtained by the EEOC during its investigation. Provides that if the Department receives a written request from the complainant to opt out of the investigation after the 60-day opt-out time period has elapsed, the Department shall process the request as a request for a Departmental notice of right to sue. Provides that if more than 365 days have elapsed after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant may exercise the complainant's rights to either file a complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court without requesting or obtaining a Departmental notice of right to sue. Makes structural changes. Provides that the changes made to the Section governing procedures by Public Act 104-425 apply to charges pending or filed on or after January 1, 2026.

Amends the Affordable Housing Planning and Appeal Act. Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

House Floor Amendment No. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

HB 2705 (H-AM 1) amends various provisions of the Illinois Pension Code pertaining to public safety employees, including ensuring Tier 1 status and providing for reciprocity, among other changes. An actuarial study would need to be completed in order to determine the fiscal impact of HB 2705 (H-AM 1) To the extent that this bill allows public safety employees with prior service (including non-public safety Tier 1 service) in other pension funds to qualify for Tier 1 status, liabilities of the applicable pension funds would increase. In regard to reciprocity, to the extent that the affected pension funds would be required to pay a pension for non-vested service that currently only qualifies for a refund of contributions, there could be a financial impact, as liabilities would increase in such situations. The magnitude of this impact would depend on the number of affected members and the length of reciprocal service credited. An actuarial study would be needed to analyze several different sample scenarios under which members may avail themselves of reciprocity.

Amends the Downstate Teacher Article of the Illinois Pension Code. Sets forth other requirements for the single-vendor plan. Provides that no vendor may offer a plan under the provisions if an individual employed by, compensated by, or working for that vendor offers or gives anything of value to any employee who participates in the selection of the 457(b) plan vendor in the school district. Provides that an employee who participates in the selection of the single vendor must avoid outside business interests with any vendor chosen or under consideration for being chosen for the school district; disclose all outside business interests with a vendor chosen or under consideration for being chosen for the school district; not accept any gifts, preferential treatment, or benefits that might affect or appear to affect his or her ability to make sound judgments on selection of a vendor; act honestly and ethically in the best interests of the plan participants in all dealings with chosen vendor; and not obtain employment with any vendor chosen or in consideration for being chosen to offer a plan at the school district for the duration of an interested party's employment or involvement with the school district for a period of one year thereafter. Amends the First Responders Suicide Prevention Act. Provides that confidentiality protections under the Act apply regardless of whether the peer support person is employed by, or affiliated with, the same agency as the first responder receiving support. Provides that, except in specified circumstances, all communications, records, notes, reports, or information disclosed during, or in connection with, a critical incident stress management session is confidential and may not be disclosed by any CISM practitioner. Provides that a CISM practitioner may not be compelled to testify or disclose any communication, record, note, report, or information disclosed during, or in connection with, a critical incident stress management session in any administrative, civil, or criminal proceeding. Provides that the confidentiality protections under the provisions apply whether or not the CISM practitioner is affiliated with the same agency as the individual receiving services. Provides that any communication described in the provisions is subject to subpoena for good cause shown. Provides that the confidentiality protections under the provisions do not apply to (1) any threat of suicide or homicide made by a participant in a peer support counseling session or any information conveyed in a peer support counseling session related to a threat of suicide or homicide; (2) any information mandated by law or agency policy to be reported, including, but not limited to, domestic violence, child abuse or neglect, or elder abuse or neglect; (3) any admission of criminal conduct; or (4) an admission or act of refusal to perform duties to protect others or the employee of the emergency services provider or law enforcement agency. Defines "CISM practitioner" and "CISM services".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Removes a provision concerning the exceptions to the confidentiality privileges established under the Act for any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session. In provisions concerning the confidentiality privileges applied to any communication made by an employee of an emergency services provider, law enforcement agency, or peer support advisor in a peer support counseling session, provides that the privileges do not apply if: (1) the communication indicates an intent to engage in conduct likely to result in imminent death or serious physical injury to the participant or another individual; (2) the person receiving the peer support counseling session or critical incident stress management services discloses information that is required to be reported under the mandated reporting laws, including, but not limited to, the reporting of maltreatment of minors or the reporting of maltreatment of vulnerable adults, provided the disclosure is only for the purpose of reporting maltreatment and limited to information necessary to make such a report; (3) the participant expressly waives the privilege or gives consent to disclosure of the privileged communication; (4) the participant is deceased and the surviving spouse or the executor or administrator of the estate of the deceased participant expressly waives the privilege or gives consent to disclosure of the privileged communication; or (5) the participant sought or obtained the peer support counseling services or critical incident stress management services to enable or aid anyone to commit or plan to commit what the participant knew, or reasonably should have known, was a fraud or other crime. Defines terms.

House Floor Amendment No. 2

In provisions concerning confidentiality, replaces a reference to "peer support person" with a reference to "peer support advisor". In provisions concerning confidentiality of critical incident stress management communications, replaces a reference to "an emergency service provider" with a reference to "emergency service personnel". Provides that specified confidential and privileged communication is subject to a subpoena for good cause shown.

(Sen. Craig Wilcox-Darby A. Hills, Mike Porfirio, Seth Lewis and Chris Balkema)

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

House Floor Amendment No. 2

Adds reference to:
330 ILCS 61/1-10

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

In provisions concerning differential compensation for public employees during periods of military leave, provides that after a public employee is absent from his or her employment for a consecutive 3-year period (rather than for a consecutive period of 365 days) while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated.

HB 01872 (Continued)

Amends the Children and Family Services Act. Provides that all youth in care shall be assigned a mental health provider to manage their mental health care needs. Requires a youth's mental health provider to visit the youth and conduct a well-being assessment within 30 days after the youth is removed from his or her home and placed in the temporary custody or guardianship of the Department of Children and Family Services. Provides that additional follow-up visits and well-being checks shall be scheduled and conducted until the youth is no longer under the custody or guardianship of the Department. Provides that any mental health care services provided to the youth shall be in addition to any care or services the youth receives from his or her primary care provider. Grants the Department rulemaking authority.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. Defines "mental health and wellness screening".
