Representative Katie Stuart
HB 01581 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Adequate and Equitable Public University Funding Act. Adds, changes, and removes definitions. Changes the adequate and equitable funding formula. Provides that the adequacy target for each eligible public institution is the sum of the eligible public institution's cost of providing an equitable and adequate education based on the specific characteristics of the per student adequacy components and institutional adequacy components (rather than of the eligible public institution and the eligible public institution's student body). Requires the Board of Higher Education to include in each eligible public institution's adequacy target the amount required to provide students with access support. Sets forth how to determine the high-cost program adjustment to core instructional program support. Requires the Board to include the funding required to conduct research. Makes changes to the membership of the Accountability and Transparency Committee and the Funding Formula Review Panel. Deletes certain provisions regarding the Accountability and Transparency Committee, as well as regarding certain reporting requirements. Makes other changes. Effective immediately.

Fiscal Note, House Committee Amendment No. 1 (Illinois Board of Higher Education)

HB 1581 HA #1 creates the Adequate and Equitable Funding for Public Universities Act. Illinois Board of Higher Education (IBHE), in conjunction with outside consultants, estimates that the cost to implement this legislation is \$1.85 billion. That means the state would have to increase public university appropriations by \$1.85 billion above the current level at full implementation. The legislation calls for an annual increase in appropriation for the public universities of \$135 million. Relative to the current fiscal year and assuming no inflation adjustment, that would mean an increase \$135 million in the first year of implementation, \$270 million in the second year of implementation, \$405 million in the third year of implementation, etc., until the appropriation is \$1.85 billion higher than it is today. However, the legislation specifies that components of the funding formula are adjusted by inflation each year. Therefore, the total cost will exceed \$1.85 billion if incremental investments are made over time. Finally, the legislation assigns new responsibilities to IBHE, which would require three additional staff positions and associated costs, at an estimated total cost of \$350,000.

New Act

Creates the Warehouse Tornado Preparedness Act. Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

Adds reference to:
65 ILCS 5/11-31.1-1.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

Senate Committee Amendment No. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

Amends the Board of Higher Education Act. Removes language providing that: each State university shall report annually to the Board on programs of instruction, research, or public service that have been terminated, dissolved, reduced, or consolidated by the university, and all programs of instruction, research, and public service that exhibit a trend of low performance in enrollments, degree completions, and high expense per degree; and the Board shall compile an annual report that shall contain information on new programs created, existing programs that have been closed or consolidated, and programs that exhibit low performance or productivity. Instead, requires the Board to annually identify and provide to each public university certain programs of instruction that exhibit indicators of low performance in enrollment, degree completion, and relative high expense per degree, and for each public university to review such information and report annually to the Board with its proposed performance improvement plan for each identified program. Requires the Board to report annually on the instructional programs offered at public institutions of higher education, to show number, types, and locations of instructional programs, new programs created, existing programs that have been closed or consolidated as a result of the review and report above, and other information relevant to assessing the State's portfolio of programs. Requires the report to be submitted to the General Assembly and the Governor (not only the General Assembly). Amends the Private College Act. Provides that applications submitted to the Board of Higher Education shall contain a statement, among others, regarding the tuition schedule. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe medication abortion. Provides that a public institution of higher education that dispenses medication abortion from the university pharmacy shall enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Requires each public institution of higher education to report annually to the Board of Higher Education that policies under the provisions have been adopted. Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

New Act

30 ILCS 105/5.1030 new

Creates the Health Care Availability and Access Board Act. Establishes the Health Care Availability and Access Board to protect State residents, State and local governments, commercial health plans, health care providers, pharmacies licensed in the State, and other stakeholders within the health care system from the high costs of prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Prohibits the Board from creating an upper payment limit that is different from the Medicare Maximum Fair Price for the prescription drug product that has a Medicare Maximum Fair Price. Requires the Board to implement an upper payment limit that is the same as the Medicare Maximum Fair Price no sooner than the Medicare implementation date. Provides that Medicare Part C and D plans are not required to reimburse at the upper payment limit. Provides that the Attorney General may enforce the Act and may pursue any available remedy under State law when enforcing the Act. Effective 180 days after becoming law.

Fiscal Note (Dept. of Central Management Services)

CMS does expect a fiscal impact as a result of this proposed legislation; however, due to the nature in which prescription drug rebates are calculated on a quarterly basis in arrears and based on drug pricing, utilization, etc., the impact will ever be fluctuating. Some Medicare Maximum Fair Price drugs may result in a savings while others will result in a cost. It's impossible for CMS to quantify.

HB 01443 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Makes changes to defined terms. Replaces references to the Health Care Availability and Access Board, the Health Care Availability and Access Stakeholder Council, and the Health Care Availability and Access Board Fund to the Prescription Drug Affordability Board, the Prescription Drug Affordability Stakeholder Council, and the Prescription Drug Affordability Board Fund. Requires Prescription Drug Affordability Board membership to also include individuals with expertise in the practice of pharmacy. Includes reimbursements from health benefit plans in provisions concerning upper payment limits for payor reimbursements. Requires the Board to maintain financial records and accounts in accordance with generally accepted governmental accounting principles. Provides that the Board shall be deemed a public body for purposes of the Freedom of Information Act and the Open Meetings Act; all records of the Board, including meeting minutes, cost review records, and correspondence, shall be public records subject to disclosure in accordance with the Freedom of Information Act, except as otherwise provided by law; and meetings of the Board shall be open to the public in accordance with the Open Meetings Act. Requires the Board to establish an operational plan for distribution and access to a drug with an upper payment limit before the Board reviews specific drugs for affordability and establishes any upper payment limits. Provides that the Board shall prioritize establishing and implementing upper payment limits for the 10 prescription drug products with a Medicare Maximum Fair Price that went into effect in 2026 before proceeding with upper payment limits on other prescription drug products with a Medicare Maximum Fair Price or affordability reviews for any other prescription drug products. Adds more items to the list of information that may be included to conduct an affordability review. Provides that the Board may suspend an upper payment limit if it determines that there is a shortage of the drug in the State unless the Board determines that the shortage was caused by a manufacturer or its agent. Changes expertise requirements for membership of the Prescription Drug Affordability Stakeholder Council. Establishes specified exemptions for the Department of Healthcare and Family Services and other State departments in provisions concerning protections and other Board considerations. Provides that any upper payment limit established by the Board shall not apply to prescription drug products purchased by the Department of Healthcare and Family Services for the medical assistance program under Article V of the Illinois Public Aid Code or to a health care plan serving Medicaid populations that provides, arranges for, pays for, or reimburses the cost of any health care service for persons who are enrolled under the medical assistance program under Article V of the Illinois Public Aid Code unless, after consultation with and approval of the Director of Healthcare and Family Services, it is determined that the upper payment limit would reduce costs to the State. Provides that, if a prescription drug product subject to an upper payment limit established under the Act is intended to be made available for purchase by pharmacies, distributors, or wholesalers licensed in the State, it shall be available at a price that does not exceed the upper payment limit (rather than a wholesaler or distributor shall make any prescription drug product that is subject to an upper payment limit established under the Act available for purchase by pharmacies licensed in this State at a price that does not exceed the established upper payment limit), and, if a wholesaler or distributor acquires a prescription drug product subject to an upper payment limit at a price that exceeds the upper payment limit, the wholesaler or distributor is entitled to a chargeback or rebate equal to the difference between the price and the upper payment limit from the entity that sold the product to the wholesaler or distributor. Changes the required reporting date for the Board concerning the operation of the generic drug market in the United States to June 1, 2027 (rather than June 1, 2025). Requires the Board to notify the General Assembly if 5 years have passed without any litigation hindering Board operations. Provides that the Act is repealed 5 years after the effective date of the Act. Makes other changes. Effective 180 days after becoming law.

20 ILCS 2605/2605-53

Amends the Illinois State Police Law. Provides that, beginning January 1, 2026, all 9-1-1 telecommunicators who provide dispatch for emergency medical conditions shall be required to be trained, utilizing the most current nationally recognized emergency cardiovascular care guidelines, in high-quality telecommunicator cardiopulmonary resuscitation (T-CPR). Defines telecommunicator cardiopulmonary resuscitation for the purposes of the provisions.

House Committee Amendment No. 1

Adds reference to:

210 ILCS 50/3.70

In the Illinois State Police Law, removes provisions requiring the Office of the Statewide 9-1-1 Administrator, in consultation with the Statewide 9-1-1 Advisory Board, to develop comprehensive guidelines for training and adopt rules and minimum standards for continuing education on emergency medical dispatch. Amends the Emergency Medical Services (EMS) Systems Act. Requires an emergency medical dispatcher to complete a training course in telecommunicator cardiopulmonary resuscitation (T-CPR) in accordance with rules adopted by the Illinois Department of Public Health. Requires each emergency medical dispatcher to provide prearrival instructions and telecommunicator cardiopulmonary resuscitation (T-CPR) in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department (rather than provide prearrival instructions in compliance with protocols selected and approved by the system's EMS medical director and approved by the Department).

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Removes language providing that moneys deposited into the Prescription Drug Affordability Fund shall be used to pay the expenses of the Department of Insurance.

HB 03352 (Continued)

Amends the Collection Agency Act. Provides that a debtor is not liable for any coerced debt, as defined in the Act, and may assert that they have incurred a coerced debt by providing to a collection agency an oral or written Statement of Coerced Debt, as specified. Sets forth provisions concerning notice of coerced debt to a collection agency; duties of a collection agency upon receiving an incomplete statement of coerced debt; affirmative defenses in collection actions or arbitration; civil liability; protections from perpetrators of coerced debt; restrictions on waivers; and liability of collection agencies for violations of the Act. Provides that, upon receiving the debtor's complete statement of coerced debt and specified supporting information, a collection agency shall review and consider all the information received from the debtor as well as any other information available in the collection agency's file or from the creditor related to the alleged coerced debt within 90 days after receipt of the statement of coerced debt. Requires a collection agency, within 5 days after receipt of the complete statement of coerced debt and supporting information, to cease any pre-judgment attempts to collect the coerced debt from the debtor, including refraining from filing any lawsuit or arbitration to collect the coerced debt, and notify any consumer reporting agency to which the collection agency or creditor furnished adverse information about the debtor that the debtor disputes the adverse information. Establishes additional requirements for a collection agency that reviews a statement of coerced debt. Provides that, within 180 days after the effective date of the Act, the Department of Financial and Professional Regulation may design and publish a model coerced debt and third party written verification form in English and any other language it determines, within its discretion, is the first language of a significant number of consumers in the State. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes to defined terms. Provides that a debtor may assert that the debtor has incurred a coerced debt by providing to a collection agency a written statement (rather than written or oral) of coerced debt. Makes changes to the contents required to be in the statement of coerced debt. Establishes requirements for delivery of the statement of coerced debt. Provides that, if a debtor notifies a collection agency orally that the debt it is pursuing is coerced debt or is partially coerced debt, the collection agency shall notify the debtor orally or in writing, within 14 days (rather than 10 business days) after receiving oral notice, that the debtor's claim must be in writing and refer the debtor to any model statement that is posted by the Department of Financial and Professional Regulation on its website (rather than the model statement). Provides that a debtor shall have 21 days after receipt that the statement is incomplete to respond with the additional information required, and the collection agency may resume collection activities if a complete statement of coerced debt has not been provided by the debtor to the collection agency on or before 30 days after notice of an incomplete statement of coerced debt was provided to the debtor. Provides that a qualified third party who fraudulently certifies that the debtor sought assistance from the qualified third party related to the coerced debt, abuse, exploitation, or human trafficking shall be liable to the collection agency for actual damages, court costs and reasonable attorney's fees. Provides that any statute of limitation that may apply to a debt that is alleged to be coerced debt shall be tolled for the duration of any time period during which the collection agency is temporarily prevented from commencing legal action related to the debt or any portion of the debt. Provides that a debtor who receives a good faith determination, as provided, that the debt or portion of the debt does not constitute coerced debt may not submit a second or subsequent statement of coerced debt to the collection agency for the same debt or portion of the debt prior to any lawsuit or arbitration to collect that debt and the collection agency is not required to respond to the debtor regarding the second or subsequent statement of coerced debt. Makes other changes.

Creates the Behavioral Health Workforce Data Collection Act. Requires The Department of Financial and Professional Regulation to collect data, as specified, from behavioral health professionals at the time of initial application for licensure and renewal of an active license. Requires the Department to ensure the data collection process is secure and adheres to State and federal privacy laws, including de-identification of personal data. Provides that the Department shall make the collected data publicly available in an aggregated, de-identified format. Requires the data to be published in a format that allows policy groups, advocates, and other stakeholders to monitor the diversity, linguistic capacity, and availability of the behavioral health workforce; identify regions and specialties with severe shortages; and forecast future workforce needs. Requires the Department to publish the aggregated data annually by January 31 on its website and through other accessible formats. Grants the Department rulemaking authority to implement the Act. Requires the Department to comply with applicable data privacy and confidentiality laws. Provides that, for a period of 2 years following the effective date of the Act, the Department shall submit to the Illinois Behavioral Health Workforce Center a list of email addresses or email communications, subject to data privacy and confidentiality laws, of all licensed behavioral health professionals exclusively for purposes of collecting data related to the behavioral health workforce in Illinois. Amends the Landlord and Tenant Act. Prohibits a landlord from imposing a move-in fee. Provides that a landlord may not demand any charge for the processing, reviewing, or accepting of an application, or demand any other payment, fee, or charge before or at the beginning of the tenancy. Exempts entrance fees charged by nursing homes or similar institutions. Prohibits a landlord from renaming a fee or charge to avoid application of these provisions. Limits fees for the late payment of rent in certain situations. Provides that any provision of a lease, rental agreement, contract, or any similar document purporting to waive or limit these provisions is void and unenforceable as against public policy. New Act

Adds reference to:

765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

Senate Floor Amendment No. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to charge an application fee to cover the costs of tenant screening.

Amends the Firearms Restraining Order Act. Requires the court or allows a State's Attorney to provide simplified forms and clerical assistance to help with the filing (rather than the writing and filing) of a petition for a firearms restraining order by any person not represented by counsel. Requires the clerk to immediately notify the State's Attorney of the filing of each firearms restraining order when it is filed. Gives the State's Attorney legal standing to represent any and all petitioners if the petitioners request the State's Attorney's assistance in filing the pleadings or in conducting the hearings. In provisions regarding ex parte hearings, requires the court to consider specific evidence and changes the burden of proof from probable cause to a preponderance of the evidence. Provides for the issuance of a plenary (rather than 6-month) firearms restraining order after a full hearing. Makes other changes.

Amends the School Code. In a provision concerning third party non-instructional services, allows a board of education to enter into a one-time contract (rather than a contract), of no longer than 3 months in duration, with a third party for non-instructional services currently performed by an employee or bargaining unit member for the purpose of augmenting the current workforce in an emergency situation that threatens the safety or health of the school district's students or staff, provided that the school board meets all of its obligations under the Illinois Educational Labor Relations Act prior to entering into such a contract (rather than not specifying a time period). Defines "emergency situation". Provides that a board of education that attempts to enter into a contract with a third party for non-instructional services, as specified, more than once during a school year is required to receive the mutual agreement of the affected collective bargaining unit or units. Provides that, beginning with the 2025-2026 school year, if the public institution of higher education's student health services includes a pharmacy, the pharmacy on campus shall dispense contraception to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall provide enrolled students with access to health care professionals authorized under State law to prescribe medication abortion. Provides that a public institution of higher education that dispenses medication abortion from the university pharmacy shall enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Requires each public institution of higher education to report annually to the Board of Higher Education that policies under the provisions have been adopted. Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

from Ch. 38, par. 108-8

725 ILCS 5/108-15 new

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Makes other changes to the bill.

New Act

Creates the Restaurant Reservation Anti-Piracy Act. Provides that a third-party restaurant reservation service shall not list, advertise, promote, or sell reservations for a food service establishment through the website, mobile application, or other platform of the third-party restaurant reservation service without a written agreement between the third-party restaurant reservation service and the food service establishment. Provides that a written agreement that contains specified indemnifications shall be void and unenforceable. Provides that any person who violates, or causes another person to violate, a provision of the Act shall be subject to a civil penalty of up to \$1,000 for each violation. Provides for a private right of action.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the definition of "third-party restaurant reservation service" does not include any reservation distribution channel that is authorized to distribute reservations through a contract with either a food service establishment or an entity authorized to distribute reservations through a contract with the food service establishment. Removes a provision prohibiting indemnity agreements with a third-party restaurant reservation service.

New Act

Creates the Civil Remedies for Nonconsensual Recording of Children Act. Creates a civil action for a child or the parent or legal guardian on behalf of a child if a person (1) makes a video record or transmits a live video of the child without the consent of the child's parent or guardian in a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence; or (2) makes a video record or transmits a live video of a child without the consent of the child's parent or guardian in a residence in which the child does not reside. Provides for exceptions. Provides that a child who proves by a preponderance of the evidence that a defendant violated the Act against the child is considered obviously and materially harmful to the child and is per se harmful and traumatic. Authorizes a prevailing plaintiff to recover: (1) the greater of: (A) economic and noneconomic damages proximately caused by the defendant's violation of the Act, including but not limited to damages for emotional distress whether or not accompanied by other damages; or (B) statutory damages, not to exceed \$10,000, against each defendant found liable under the Act; (2) punitive damages; and (3) reasonable attorney's fees and costs. Provides that an action under the Act may not be brought no later than 2 years from the date the cause of action was discovered or should have been discovered with the exercise of reasonable diligence. Tolls the statute of limitation until the child becomes emancipated or attains the age of majority. Provides that if a State agency or unit of local government is required by law or ordinance to inspect a restroom, tanning bed, tanning salon, locker room, changing room, or hotel residence, the State agency or unit of local government must also inspect for hidden cameras. Provides that if a hidden camera is discovered, the owner or operator of the inspected location must post a public notice advising of the camera and the area it films. Provides that the notice must be in English and any other language that is spoken by a significant number of local residents in that area. Provides that the Act applies to causes of action accruing on or after the effective date of this amendatory Act.

Exempts (1) a parent or legal guardian of the child who is the subject of the recording unless the parent's or legal guardian's action is prohibited by a law other than the Act; (2) a recording made by law enforcement in the lawful performance of official duties; and (3) a recording made in good faith in the reporting of unlawful conduct. Authorizes a prevailing plaintiff to recover economic and noneconomic damages, punitive damages, and reasonable attorney's fees and costs. Provides that if a State agency or unit of local government is required by law or ordinance to inspect certain locations, the inspection must also include an inspection for hidden cameras and establishes requirements for notification to law enforcement if a hidden camera is discovered. Amends the Property Tax Code. In provisions concerning township or multi-township assessment books, provides that, if the supervisor of assessments determines that the township or multi-township assessor has not completed the assessments as required by law before returning the assessment books, then the supervisor of assessments (rather than the county board) may submit a bill to the township board of trustees for the reasonable costs incurred by the supervisor of assessments in completing the assessments. Provides that, if the supervisor of assessments determines that the township or multi-township assessor has provided incomplete books or workbooks within the prior quadrennial assessment cycle, then the supervisor of assessments may give notice to the township assessor or multi-township assessor and shall receive the assessment books or workbooks up to 90 days in advance of the deadlines if either (1) the township or multi-township has omitted new construction in the prior year for more than 6 months; or (2) at least 20% of any property class fails to be changed in the township or multi-township assessment books in the prior general assessment year. Provides that, if the supervisor of assessments determines that a review of the books of the township or multi-township is necessary, then the year the review takes place, the revaluation powers of the supervisor of assessments shall be the same as in the general assessment year and the supervisor of assessments shall have the authority to value omitted property. Provides that, if any valuation changes occur as the result of the provisions, then the county treasurer shall keep a list of the properties identified by the supervisor of assessments on the county's website. Provides that, if the township maintains a website, then the information shall be posted on the township's website. Effective immediately.

820 ILCS 405/604 from Ch. 48, par. 434

Amends the Unemployment Insurance Act. Provides that an individual shall be ineligible for benefits for a period totaling and not to exceed 2 weeks (rather than an individual shall be ineligible for benefits for any week) with respect to which it is found that his total or partial unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed. Provides that, after the 2-week period, the individual will be eligible for benefits.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

HB 02983 (Continued)

Amends the Illinois Vehicle Code. Requires the Secretary of State to include information advising drivers of the laws and best practices for safely sharing the roadway with bicyclists and pedestrians in the Illinois Rules of the Road Publication. Provides that an applicant for a school bus driver permit or commercial driver's license with a school bus driver endorsement is not required to pass a written test if the applicant holds a valid commercial driver's license or a commercial driver's license that expired in the preceding 30 days issued by another state with a school bus and passenger endorsements. Requires all driver education courses to include information advising drivers of the laws and best practices for safely sharing the roadway with bicyclists and pedestrians. Provides that the examination to test an applicant's ability to read and understand official traffic control devices and knowledge of safe driving practices and traffic laws may be administered at a Secretary of State facility, remotely via the Internet, or in a manner otherwise specified by the Secretary of State by administrative rule. Allows the Secretary to destroy a driving record created 20 or more years ago for a person who was convicted of an offense and who did not have an Illinois driver's license if the record no longer contains any convictions or withdrawal of driving privileges due to the convictions. Provides that the application for an instructor for a driving school must be accompanied by a medical examination report completed by a competent medical examiner (rather than a competent physician). Provides that the restricted commercial driver's license issued for farm-related service industries may be available for periods not to exceed a total of 210 (rather than 180) days in any 12-month period. Removes some of the duration limitations for suspended licenses. Provides that the traffic-control signals also apply to bicyclists. Restricts a person from driving a motor vehicle on a bicycle lane, trail, or path designated by an official sign or marking for the exclusive use of bicycles or pedestrians. Makes other changes. Amends the School Code to make a conforming change. Effective immediately.

Amends the Juvenile Court Act of 1987. In the Abused, Neglected, or Dependent Minors Article of the Act, provides that an environment is injurious to the minor's welfare if conditions in the child's environment create a real, significant and imminent likelihood of harm to the child's health, well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence unless the court determines the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian resulting in a determination of abuse or neglect under the Act. Provides that in making a custody determination, the court shall presume that it is consistent with the health, safety, and best interests of the minor to remain in the custody of a parent, guardian, or custodian who experienced domestic violence, unless the court has determined that the parent, guardian, or custodian who experienced domestic violence has committed acts or omissions unrelated to domestic violence against that parent, guardian, or custodian that is sufficient to independently support a determination of abuse or neglect under the Act. Defines "domestic violence".

House Floor Amendment No. 1

Deletes reference to:

705 ILCS 405/2-18

Adds reference to:

325 ILCS 5/3

from Ch. 23, par. 2053

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with certain changes. In the amendatory changes to the Juvenile Court Act of 1987, provides that for purposes of determining whether a minor is neglected, provides that an environment is injurious if conditions in the child's environment create a real, significant and imminent likelihood of severe harm to the child's health, physical well-being, or welfare and the parent or caretaker blatantly disregarded his or her parental responsibility to prevent or mitigate such harm as defined in the Abused and Neglected Child Reporting Act. Provides that domestic violence that is perpetrated against someone other than the minor where there is no demonstrated likelihood of present and imminent bodily harm to the minor is not sufficient to determine that an urgent and immediate necessity exists to remove a minor from a parent who is not the perpetrator of that domestic violence. Provides that in making findings as to whether a minor has been abused, neglected, or dependent, the factual basis supporting a determination that the child has been abused, neglected, or dependent must be sufficient and independent of exposure to domestic violence that is perpetrated against someone other than the child where there is no demonstrated likelihood of imminent bodily harm to the child. Makes other changes. Amends the Abused and Neglected Child Reporting Act to make conforming changes.

Amends the Board of Higher Education Act, various Acts relating to the governance of public universities in Illinois, and the Higher Education Student Assistance Act. Requires the Board of Higher Education to establish a pathway program in which any public high school student in this State who graduates in the top 10% of the student's graduating class or meets other standardized thresholds is guaranteed admission to at least one public university. Requires the Board to submit an annual report to the General Assembly (and make the report publicly available) that includes, with respect to public universities: (1) how many in-state residents were admitted in the prior academic year compared to the number of out-of-state residents that were admitted; (2) the tuition trends for students who are residents of this State; and (3) how many university graduates continue to reside within this State following graduation. With respect to each academic program of a public university that has a limited capacity to admit students due to a high demand for admission to the program, provides that at least 70% of the students admitted to the program must be residents of this State. Beginning with the 2027-2028 academic year, prohibits the governing board of each public university from increasing its in-state tuition rate for a given academic year by a percentage that exceeds the percentage increase, if any, in the Consumer Price Index for All Urban Consumers for all items published by the Bureau of Labor Statistics of the United States Department of Labor for the 12 months ending on the previous December 31. Requires the Illinois Student Assistance Commission to establish a workforce incentive program in which a student who enrolls in a high-need field at an institution of higher learning may receive a grant to reduce tuition costs or loan forgiveness if the student commits to working in this State for at least 3 after graduation. Provides that under the program, a student from an underserved region of this State may also receive additional admission and tuition support from the Commission.

Amends the Code of Civil Procedure. Provides a process for an operator of a hotel to evict an occupant of the hotel who fails to pay the full amount of lodging when due and remains on the premises without the consent of the operator. Provides that nothing in the Act may be construed to affect the rights or remedies of an occupant who is a tenant under a bona fide lease agreement governed by Illinois landlord-tenant law. Provides that an operator or employee of an operator who is acting in good faith and in substantial compliance with the Act to be civilly or criminally liable for requesting law-enforcement assistance or for the peaceful removal of a non-paying occupant. Provides that the Act does not apply to any occupant placed in a hotel under a government-funded emergency, disaster-relief, or transitional housing program if: (1) the cost of lodging is paid for, directly or indirectly, by a federal, State, or local agency; and (2) the lodging agreement or agency contract expressly specifies the occupant's temporary stay and removal procedures. Authorizes a peace officer to remove a non-paying occupant as a trespasser upon verification of the operator's documentation under the Act and arrest the person for criminal trespass to real property under the Criminal Code of 2012. Provides that nothing in the Act requires law enforcement to intervene in a bona fide lease dispute or a matter in which the occupant's payment status is genuinely contested. Authorizes the Illinois Law Enforcement Training and Standards Board to adopt model policies and training materials for law-enforcement agencies and operators regarding the application of the Act.

House Committee Amendment No. 1

Adds reference to:

735 ILCS 5/Art. IX Pt. 4 heading new

Replaces everything after the enacting clause. Adds a Failure to Pay for Lodging Part to the Eviction Article of the Code of Civil Procedure. Provides that an occupant who fails to pay the full amount of lodging charges for the rental, usage, or occupation of a room or unit in a hotel when due and who remains on the hotel premises without the consent of the operator is a trespasser and not a tenant. Allows the operator of the hotel to remove the occupant after providing written notice to vacate. Authorizes a peace officer to remove the nonpaying occupant as a trespasser under certain conditions and to arrest the occupant for criminal trespass to real property if the occupant refuses to vacate after the notice. Provides that nothing in the Act may be construed to affect the rights or remedies of an occupant who is a tenant under a lease agreement governed by Illinois landlord and tenant law. Exempts from the definition of "hotel" any facility that provides emergency shelter or emergency housing to persons who are unhoused or unsheltered if (1) a person's admission to the facility is limited to a single overnight stay or is renewable on a daily basis and (2) the facility does not require the payment of any fees by these persons for admission to the facility. Provides that the new provisions do not apply to any occupant placed in a hotel under a government-funded emergency, disaster relief, or transitional housing program under certain conditions. Provides that an operator or employee acting in good faith and in substantial compliance with the Act is not civilly or criminally liable for requesting law enforcement assistance or for the peaceful removal of a nonpaying occupant. Provides that an operator may not remove an occupant until 90 days after its effective date if the occupant is occupying a room or unit in a hotel on the effective date and has failed to pay the full amount of lodging charges when due. Provides that an operator must provide such an occupant written notice of the operator's intent to remove the occupant not less than 30 days before the expiration of that 90-day period. Limits home rule powers. Effective January 1, 2027.

Replaces everything after the enacting clause. Deletes changes to the Sanitary District Act of 1907, the North Shore Water Reclamation District Act, the Sanitary District of 1917, and the Metro-East Sanitary District Act of 1974. In provisions concerning the dissolution of sanitary and drainage districts, provides that the dissolution procedures described in the amendatory Act apply to drainage and sanitary districts operated under the Illinois Drainage Code or the Sanitary District Act of 1936 in a county that has more than 650,000 but fewer than 1,000,000 inhabitants (rather than to sanitary districts operated under the Illinois Drainage Code or the Sanitary District Act of 1936 in a county with fewer than 1,000,000 inhabitants). Makes changes concerning information that must be supplied to the Department of Revenue following the dissolution of such a district. Effective immediately.

Replaces everything after the enacting clause. Amends the Election Code. Provides that, in the case of petitions for the office of multi-township assessor, petitions shall be filed with the election authority not more than 141 (currently, 113 days) nor less than 134 days before the consolidated election. Provides that an election authority shall, except as otherwise provided under the Code, allow a voter who is in line to vote at the time an early voting polling place closes to cast a ballot. In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Provides that election authorities may authorize service of objections to candidate nominations through electronic mail in lieu of personal service under specified circumstances. Requires each election authority to post certain election results on its website. Creates the universal vote centers pilot program. Sets forth provisions concerning name standardization. Requires election authorities to establish curbside voting for individuals with disabilities. Provides that, for specified applications, change of address forms, or recertifications of a driver's license or State identification card, the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Modifies requirements of the dual-purpose application. Modifies the content of the written notice required to be given by the Office of the Secretary of State to each applicant and requires the Office of the Secretary of State to determine whether each applicant is currently registered to vote in Illinois and the applicant's registration address. Requires election authorities to establish a website for eligible voters to request vote by mail ballots. Authorizes a reduction in the number of election judges in each precinct. Provides that an election authority shall test the voting devices and equipment in 5% of the voting devices used in early voting and at vote centers (rather than 5% of the voting devices used in early voting). Amends the Illinois Vehicle Code to make conforming changes. Amends the Downstate Forest Preserve District to correct a cross-reference to a Public Act. Amends the State Officials and Employees Ethics Act. In the School Board Association Article of the Code, provides that a school board association may offer and provide scholarships or other reimbursements to school board members, and a school board member may receive scholarships or other reimbursements from an association for reasonable travel and lodging expenses to attend meetings or other events hosted by the association which are reasonably related to the school board member's duties and will contribute to the professional development of the school board member. In the Chicago School District Article of the Code, provides that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners and shall be prepared, filed, and certified as outlined in the Election Code (rather than providing that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners within the time provided for in the Election Code, except that petitions for the nomination of members of the Chicago Board of Education for the 2024 general election shall be prepared and certified as outlined in the Election Code). In the Educational Service Regions Article of the School Code, provides that, when a vacancy occurs in the office of regional superintendent of schools and more than 28 months remain in that term and the vacancy occurs at least 130 days before the next general election, appointment to fill the vacancy shall be until the next general election (rather than if more than 28 months remain in that term, the appointment shall be until the next general election). HB 01581 (Continued)

Fiscal Note, House Committee Amendment No. 1 (Illinois Board of Higher Education)

HB 1581 HA #1 creates the Adequate and Equitable Funding for Public Universities Act. Illinois Board of Higher Education (IBHE), in conjunction with outside consultants, estimates that the cost to implement this legislation is \$1.85 billion. That means the state would have to increase public university appropriations by \$1.85 billion above the current level at full implementation. The legislation calls for an annual increase in appropriation for the public universities of \$135 million. Relative to the current fiscal year and assuming no inflation adjustment, that would mean an increase \$135 million in the first year of implementation, \$270 million in the second year of implementation, \$405 million in the third year of implementation, etc., until the appropriation is \$1.85 billion higher than it is today. However, the legislation specifies that components of the funding formula are adjusted by inflation each year. Therefore, the total cost will exceed \$1.85 billion if incremental investments are made over time. Finally, the legislation assigns new responsibilities to IBHE, which would require three additional staff positions and associated costs, at an estimated total cost of \$350,000.

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

705 ILCS 205/13 new

Amends the Attorney Act. Prohibits a private equity group, hedge fund, or any entity owned, operated, or controlled by a private equity group or hedge fund, including management services organizations, that is involved with a law firm or an attorney's practice from: (1) interfering with the professional judgment of attorneys in representing clients; (2) exercising control over or being delegated the power to own or determine the content of client records, select, hire, or terminate the employment of attorneys or allied legal staff in whole or in part based on competency or proficiency; or set competency or proficiency parameters for attorneys or allied legal staff; or (3) charging any fee to the attorney or law firm that is directly or indirectly based on the fees, revenues, or profits of the attorney or law firm. Prohibits an attorney from sharing legal fees directly or indirectly with an out-of-state alternative business structure unless: (1) the attorney is also licensed in the state in which the alternative business structure is approved; (2) the fees are compensation for providing legal services in that state; and (3) the law of that state is controlling under the Illinois Rules of Professional Conduct or a successor rule. Provides for the recovery of statutory damages, attorney's fees and costs, and injunctive or declaratory relief as a remedy for violation. Defines terms. Contains applicability provisions. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions in the bill as introduced with these changes. Deletes references to "hedge fund" and "private equity group" and makes the Act applicable to "an entity owned, operated, or controlled in whole or in part by persons not licensed as attorneys". Prohibits such an entity from accessing, owning, or determining the content of client records or accessing any attorney-client communications. Makes conforming changes. Effective immediately.

House Floor Amendment No. 2

Provides that an attorney who violates the provisions may be subject to statutory damages of \$10,000 per violation or 3 (rather than 25) times the actual damages incurred by the client, whichever is greater.

Replaces everything after the enacting clause. Amends the Election Code. Provides that, in the case of petitions for the office of multi-township assessor, petitions shall be filed with the election authority not more than 141 (currently, 113 days) nor less than 134 days before the consolidated election. Provides that an election authority shall, except as otherwise provided under the Code, allow a voter who is in line to vote at the time an early voting polling place closes to cast a ballot. In provisions concerning primary election ballots, provides that the lettering of candidate names on a ballot shall be in both capital and lowercase letters in conformance with standard English language guidelines, unless compliance is not feasible due to the election system used by the election authority. Provides that election authorities may authorize service of objections to candidate nominations through electronic mail in lieu of personal service under specified circumstances. Requires each election authority to post certain election results on its website. Creates the universal vote centers pilot program. Sets forth provisions concerning name standardization. Requires election authorities to establish curbside voting for individuals with disabilities. Provides that, for specified applications, change of address forms, or recertifications of a driver's license or State identification card, the application, form, or recertification shall serve as a dual-purpose application when the applicant presents specified identification (rather than meets the requirements of the federal REAL ID Act of 2005). Modifies requirements of the dual-purpose application. Modifies the content of the written notice required to be given by the Office of the Secretary of State to each applicant and requires the Office of the Secretary of State to determine whether each applicant is currently registered to vote in Illinois and the applicant's registration address. Provides that, if an applicant provides the Secretary of State with an identification document which demonstrates that the applicant is not a United States citizen, the application shall not serve as a dual-purpose application. Requires election authorities to establish a website for eligible voters to request vote by mail ballots. Authorizes a reduction in the number of election judges in each precinct. Provides that an election authority shall test the voting devices and equipment in 5% of the voting devices used in early voting and at vote centers (rather than 5% of the voting devices used in early voting). Amends the Illinois Vehicle Code to make conforming changes. Amends the Downstate Forest Preserve District to correct a cross-reference to a Public Act. Amends the State Officials and Employees Ethics Act. Provides that a prohibition on fundraising during session does not apply to a constitutional officer of the executive branch or a General Assembly member who is a candidate for federal office if the fundraising function is held outside of Sangamon County. Makes changes in provisions concerning personnel policies and ethics commissions. Amends the School Code. In the School Board Association Article of the Code, provides that a school board association may offer and provide scholarships or other reimbursements to school board members, and a school board member may receive scholarships or other reimbursements from an association for reasonable travel and lodging expenses to attend meetings or other events hosted by the association which are reasonably related to the school board member's duties and will contribute to the professional development of the school board member. In the Chicago School District Article of the Code, provides that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners and shall be prepared, filed, and certified as outlined in the Election Code (rather than providing that all petitions for the nomination of members of the Chicago Board of Education shall be filed with the board of election commissioners within the time provided for in the Election Code, except that petitions for the nomination of members of the Chicago Board of Education for the 2024 general election shall be prepared and certified as outlined in the Election Code). In the Educational Service Regions Article of the School Code, provides that, when a vacancy occurs in the office of regional superintendent of schools and more than 28 months remain in that term and the vacancy occurs at least 130 days before the next general election, appointment to fill the vacancy shall be until the next general election (rather than if more than 28 months remain in that term, the appointment shall be until the next general election). HB 01085 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions amending the State Employees Group Insurance Act of 1971. In provisions concerning mental health and substance abuse parity, removes provision limiting the applicability of parity requirements for mental health or substance use disorder services provided by a hospital when the hospital has a contract with the insurer that provides for reimbursement for such services based on achieving specified patient health outcomes and other quality measures and includes shared savings from lower health care costs. Makes conforming changes.

Senate Committee Amendment No. 1

Deletes reference to:
215 ILCS 125/5-3

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Replaces provisions concerning reimbursement for in-network mental health and substance use disorder treatment services. Provides that, consistent with the principles of the federal Mental Health Parity and Addiction Equity Act of 2008, and for the purposes of strengthening network adequacy for mental health and substance use disorder services and lowering out-of-network utilization, the Department of Human Services, by rule, shall determine a reimbursement rate floor for all in-network mental health and substance use disorder services, including inpatient services, outpatient services, office visits, and residential care, delivered by Illinois providers and facilities using the Illinois data in Research Triangle Institute International's study. Sets forth provisions concerning requirements for the reimbursement rate floor. Grants the Department of Insurance enforcement and monitoring authority over the reimbursement rate floor and requires the Department to publish the rate floor set by the Department of Human Services in Title 50 of the Illinois Administrative Code. Provides that, at the end of 2 years, 7 years, and 12 years (rather than 5 years, 10 years, and 15 years) following the implementation of provisions concerning the reimbursement rate floor, the Department of Insurance shall review the impact of provisions concerning mental health and substance use parity on network adequacy for mental health and substance use disorder treatment and access to affordable mental health and substance use care. Requires the Department to submit a report to the General Assembly by no later than December 31, 2030, December 31, 2035, and December 31, 2040 (rather than by December 31, 2033, December 31, 2038, and December 31, 2043) that includes its analyses and findings following the Department's review. Makes changes in provisions granting the Department of Insurance the authority to examine out-of-network utilization and out-of-pocket costs. Provides that the Department of Insurance and the Department of Human Services (rather than only the Department of Insurance) shall adopt any rules necessary to implement provisions concerning mental health and substance use parity by no later than May 1, 2026. Removes provisions amending the Health Maintenance Organization Act. Effective immediately.

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

Representative Maurice A. West, II
HB 01237 (Continued)

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

HB 02849 (Continued)

Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility service in which the public utility company charging for those services includes any service to common areas, other mobile homes, areas used or occupied by persons other than the individual tenant, and persons occupying the same mobile home with the tenant. Provides that a park owner may not request or cause a change in billing in metered utilities during the term of a lease (i) from a tenant to the park owner or landlord or (ii) from the park owner to a tenant. Requires the park owner to provide a minimum of 90 days' notice to each affected tenant before changing the service but no less than 90 days before the expiration of a lease. Allows the park owner and tenant to agree to amend the lease to effect such a change as long as the amendment is in writing and signed by both parties. Provides that any term or condition in a rental agreement between the park owner and the tenant that is inconsistent with the Act is void and unenforceable. Requires park owners to provide detailed copies of monthly utility bills to tenants for utilities paid by the park owner regardless of the metering arrangement.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Mobile Home Landlord and Tenant Rights Act. Provides that a park owner is prohibited from requiring a tenant to pay for utility services, such as water, sewer, and trash used in common areas in which a public utility company is charging for those services. Provides that if the public utility usage for common areas is not separately measured by equipment such as a water meter, the park owner may not charge the tenants for more than 80% of the public utility services for which the park owner was billed. Requires on an annual basis that the park owner provide tenants with a written explanation of how a tenant's share of the utility charge was calculated, and upon request from a tenant, must provide a copy of the park's monthly utility bills to tenants for any utility charge separately billed under the Act.

Creates the Inclusive History Act. Establishes the Inclusive History Commission to (i) address the deficiencies and inadequacies in both perspective and content in traditional history course material and instruction and (ii) develop multiperspective, inclusive, and comprehensive standards that a school may use as a guide in replacing or developing its curricula for history education. Sets forth the membership of the Commission. Contains provisions concerning meetings, duties, and reporting. Repeals the provisions on December 31, 2026. Amends the Courses of Study Article of the School Code. Beginning with the 2025-2026 school year, requires schools to suspend all instruction in history education, with exceptions. Not later than June 30, 2026, requires the State Superintendent of Education to provide to schools instructional guidelines and standards based on the recommendations of the Commission so that schools may develop alternative curricula to replace traditional course material and instruction to ensure that students obtain a multiperspective, inclusive, and comprehensive understanding about history. Provides that beginning with the 2026-2027 school year, schools shall resume instruction in history, which shall require the use of age-appropriate discussion, textbooks, and other course material that reframe the study of history by presenting to students an examination of history through the inclusion of diverse perspectives, contrary interpretations, and the viewpoints of various groups of people whose voices have traditionally been excluded from the conventional teaching of history. Effective immediately.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Provides that every covered housing provider, as defined, and its agents that receive federal housing assistance payments from the U.S. Department of Housing and Urban Development are subject to the provisions of the Act. Provides that unless required by federal law or an applicable State or federal funding program, no covered housing provider shall establish or implement any rules, policies, or procedures that: (i) impose time limits as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants; or (ii) impose work requirements as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants. Affirms voting is a protected civic activity that must be free from intimidation, fear, or the appearance of law enforcement surveillance unrelated to election administration. Declares immigration enforcement activity at or in the immediate vicinity of polling places, early voting locations, ballot drop boxes, voter registration sites, and election offices undermines public confidence in elections and the democratic process. Urges all federal agencies, including U.S. Immigration and Customs Enforcement, to refrain from conducting civil immigration enforcement operations at or near locations where voting or election administration is taking place. Affirms the authority of the State of Illinois to administer elections without interference from unrelated federal enforcement activity. Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning sexual assault or sexual abuse. Representative Ann M. Williams
HB 01302 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. In the amendatory changes to the Code of Criminal Procedure of 1963, deletes provision that a law enforcement officer may not refuse to complete a written report as required by the provision on any ground. In the amendatory changes to the Code of Criminal Procedure of 1963 concerning a motion to vacate a conviction for an offense committed as a result of the defendant having been a human trafficking victim, deletes provision that evidence demonstrating the defendant's status as a victim of human trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense and provides that with the exception of the expedited notice period and timeline for hearing, any petition to seal or expunge records shall be governed entirely by the provisions of the Criminal Identification Act. In the amendatory provisions of the Illinois Domestic Violence Act of 1986 concerning the written report by a law enforcement officer investigating an alleged incident of abuse, neglect, or exploitation between family or household members, provides that no law enforcement officer may refuse to complete a written report for a bona fide allegation (rather than any allegation) as required by the provision on any ground.

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes:
Provides that a person whose license was suspended and was issued a monitoring device driving permit and who is subsequently convicted of the underlying charge, for the same incident, shall be given credit for time served on the monitoring device driving permit towards any mandatory ignition interlock requirement resulting from the conviction if the person had no ignition interlock violations while on the monitoring device driving permit. HB 03339 (Continued)

Amends the Freedom of Information Act. Exempts images from cameras under the Expressway Camera Act and all automated license plate reader (ALPR) information used and collected by the Illinois State Police from inspection and copying. Amends the Expressway Camera Act. Provides that, as used in the Act, "forcible felony" means trafficking in persons and involuntary servitude (in addition to other specified offenses). Includes the counties of Lee, Ogle, and Whiteside in the program to increase cameras along expressways and the State highway system. Provides that images from the cameras, including, but not limited to, images of license plates collected by state-operated cameras and cameras operated by the Illinois State Toll Highway Authority, may be used by any law enforcement agency conducting an active law enforcement investigation. Removes provision allowing images from the cameras to be used by any law enforcement agency conducting an active law enforcement investigation. Provides that all images from the cameras that are exported through a law enforcement database shall be deleted from that law enforcement database within 120 days, unless the images are relevant to an ongoing investigation or pending criminal trial. Provides that any forcible felony, gunrunning, or firearms trafficking offense, as specified, respectively, committed on an expressway monitored by a camera system funded by money from the Road Fund or money from the Illinois State Toll Highway Authority and investigated by officers of the Illinois State Police may be prosecuted by the Attorney General or the State's Attorney where the offense was committed. Provides that the Act supersedes provisions in the Toll Highway Act regarding the confidentiality of personally identifiable information obtained through electronic toll collection systems. Provides that the Act is repealed on July 1, 2028 (rather than July 1, 2025). Effective immediately.

House Committee Amendment No. 1

Requires the Illinois State Police, the Department of Transportation, and the Illinois State Toll Highway Authority to issue a joint report to the General Assembly detailing the program operations by August 1st (rather than June 30th) of each year.

House Floor Amendment No. 2

In the Expressway Camera Act: Provides that offenses listed in the definition of "forcible felony" are as defined in the Criminal Code of 2012 or substantially similar federal or other state criminal laws. Provides that the Act does not supersede prohibitions related to users of automated license plate readers.

Senate Committee Amendment No. 1

In the Freedom of Information Act, provides that the exemption for images from cameras under the Expressway Camera Act and all automated license plate reader information used and collected by the Illinois State Police is inoperative on and after July 1, 2028 (rather than July 1, 2025).

HB 03399 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

House Floor Amendment No. 2

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat structures). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

Amends the Energy Transition Act. Adds electrification industries to clean energy jobs. Amends the Public Utilities Act. Provides that a gas utility may cease providing service if the Illinois Commerce Commission determines that adequate substitute service is available at a reasonable cost to support the existing end uses of the affected utility customers. Provides for cost-effective energy efficiency measures for natural gas utilities that supersede existing provisions concerning natural gas energy efficiency programs and take effect beginning January 1, 2025. Provides that gas main and gas service extension policies shall be based on the principle that the full incremental cost associated with new development and growth shall be borne by the customers that cause those incremental costs. Provides that, no later than 60 days after the effective date of the amendatory Act, the Commission shall initiate a docketed rulemaking reviewing each gas public utility tariff that provides for gas main and gas service extensions without additional charge to new customers in excess of the default extensions as specified in administrative rule. Adds the Clean Building Heating Law Article to the Act, with provisions concerning emissions standards for heating in buildings, as well as related and other provisions. Adds the 2050 Heat Decarbonization Standard Article to the Act, with provisions concerning options for compliance, measures for customer emission reduction, customer emission reductions, tradable clean heat credits, banking of emission reductions, equity in emission reductions, enforcement, the 2050 Heat Decarbonization Pathways Study, gas infrastructure planning, a study on gas utility financial incentive reform, and reporting requirements. Amends the School Code. In provisions concerning radon testing, provides that every school building of a school district that is occupied or will be occupied shall be tested by January 1, 2029 and shall be retested every 5 years thereafter for radon (instead of recommending that every occupied school building of a school district be tested every 5 years for radon). Provides that all new schools of a school district shall be built using radon resistant new construction techniques in accordance with the American National Standards Institute/American Association of Radon Scientists and Technologists CC-1000, Soil Gas Control Systems in New Construction of Multifamily, School, Commercial and Mixed-Use Buildings standard or a successor standard (instead of recommending that new schools of a school district be built using radon resistant new construction techniques, as shown in the United States Environmental Protection Agency document, Radon Prevention in the Design and Construction of Schools and Other Large Buildings). Removes a provision allowing a person to perform radon screening tests without a license. Makes changes concerning the exemption. New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act, the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

Amends the Children with Disabilities Article of the School Code. Provides that, by no later than the beginning of a student's third year of high school or by the student's 16th birthday, whichever occurs first, the transition planning process must include a consideration of whether the student is a candidate for graduation. Requires this process to involve discussions with the student's individualized education program team, including the parent and the student. Provides that the discussions must address the implications of graduating with a regular diploma, particularly how it affects the student's right to receive a free appropriate public education (FAPE). Effective immediately.

Requires the transition planning process to include informing the student, the student's parent or guardian, and the student's designated representative that (i) graduation with a regular high school diploma terminates the student's eligibility for a free appropriate public education (FAPE) and (ii) the student can continue to receive IEP services until the end of the school year in which the student turns 22 when appropriate to meet the student's IEP goals. New Act

Creates the River Access Modernization Act. Affirms the public's right to use navigable and recreationally suitable waters for canoeing, boating, kayaking, and angling, subject to protection of private property rights and environmental values. Provides that the public right of use does not include crossing private uplands or exiting onto private land without permission. Establishes landowner liability protections. Prohibits littering and alteration of flora and fauna. Grants rulemaking authority to the Department of Natural Resources to designate public access points, resolve conflicts, promote safety and conservation education, and maintain a listing of navigable waterways. Defines "navigable water" and "public recreational use".

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Changes the short title of the Act to the Public Waters Access Act. Makes changes to the definition of the term "navigable waters". In various provisions, replaces references to "waterway" and "public waterway" with references to "navigable waters" or "public waters". In a provision concerning the public right of use of navigable waters, defines the term "man-made structure" and specifies that the Act is not intended to restrict rights enjoyed by the public under State or federal law. Deletes the provisions in the introduced bill concerning liability and landowner protections. Specifies that liability and landowner protections are to be governed under the Recreational Use of Land and Water Areas Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause. Creates the Public Waters Access Task Force Act. Sets forth findings. Creates the Public Waters Access Task Force to study and make recommendations for increasing and improving public access to rivers for boaters, paddlers, and anglers throughout the State. Lists membership and duties of the Task Force. Directs the Department of Natural Resources to provide support to the Task Force. Requires the Task Force to submit a report no later than one year after the effective date of the Act, and dissolves the Task Force upon submission of the report. Repeals the Act 2 years after the effective date of the Act. Effective immediately.

Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2030 (instead of June 30, 2026). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the General Obligation Bond Act. Authorizes an additional \$700,000,000 (rather than \$1,000,000,000) of State Pension Obligation Acceleration Bonds. Makes a conforming change. Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2028 (instead of June 30, 2030). Effective immediately.

House Floor Amendment No. 2

In provisions amending the General Obligation Bond Act, authorizes an additional \$1,000,000,000 (rather than \$700,000,000) of State Pension Obligation Bonds. In language providing an exception to a limitation on bond issuance, excludes bonds authorized by certain changes made to the Act by Public Act 104-8 and bonds authorized by the amendatory Act. Makes a grammatical change.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 5196, as amended by HA 2, would extend the Accelerated Pension Buyout programs for two additional years, through June 30, 2028, and authorize an additional \$1 billion in State Pension Obligation Acceleration Bonds to pay for the buyouts, bringing the total bond authorization for these programs to \$3.2 billion. According to SERS, SURS, and TRS, the programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026). Given the experience of the buyout programs to date, it may be reasonable to anticipate similar participation patterns during the extended period under HA 2, which could help reduce the liability. However, estimating the precise reduction in pension liabilities is uncertain by nature, as participation is voluntary and individual member decisions play a significant role in determining overall program impact.
