225 ILCS 65/60-5

225 ILCS 65/60-10

Amends the Nurse Practice Act. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. In provisions concerning nursing licensure by examination, removes the provision regarding the good standing period for professional nursing programs on probationary status.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Precicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

In provisions concerning exemptions, provides that poultry raisers with respect to poultry raised on the poultry raisers' own farms are exempt from the provisions if such raisers slaughter, eviscerate, or further process not more than 7,500 (rather than 5,000) poultry during the calendar year for which the exemption is being granted, and such poultry or poultry products are slaughtered, otherwise prepared, sold or delivered to the consumer on or from the premises for which the exemption is given, including sales at the poultry raiser's farm, at a farmers' market, at a roadside stand, or through delivery to the consumer (rather than only for which the exemption is given), in addition to other criteria. Adds the following requirements to provisions exempting poultry raisers with respect to poultry raised on the poultry raisers' own farms: (i) there is at least one person who is responsible for all periods of operation for the premises for which the exemption is given who has successfully obtained a certification as a Certified Food Protection Manager from a program that is accredited by the American National Standards Institute; (ii) the poultry products are labeled in at least 10-point font to include the producer's name and address, the date on which the poultry product was processed, and the statement "NOT INSPECTED-Exempt P.L. 90-492"; and (iii) at the point of sale, notice is provided in a prominent location and states the following: "These poultry products were processed in an on-farm facility that is exempt from continuous inspection by the Illinois Department of Agriculture or the United States Department of Agriculture.". House Committee Amendment No. 1

Changes the effective date to January 1, 2027 (rather than effective immediately).

House Committee Amendment No. 2

Further amends the Statute on Statutes. Provides that nothing in the amendatory Act or in any other Act replacing the term "mentally handicapped" with "intellectual disability" is intended to make any substantive change to eligibility, benefits, or coverage under any provision of law. Provides that the replacement of the term "mentally handicapped" with "intellectual disability" shall be construed as a modernization of terminology only and shall not be interpreted to narrow or expand eligibility.

House Floor Amendment No. 3

Removes a provision on the Act's rule of construction.

Pension Note (Government Forecasting & Accountability)

HB 4284, as amended by HA 1-3, should have no fiscal impact, as the bill makes non-substantive language changes to update and modernize disability-related terminology.

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. This bill prohibits "covered entities" from purchase single-family residences for at least 75 days. Covered Entities are organizations that receive funding to buy Single-Family housing stock. Condemns, in the strongest possible terms, any proposal, threat, or effort to invade, annex, or forcibly seize Greenland or any other territory of a United States treaty ally. Expresses support for the United States' enduring commitment to the North Atlantic Treaty Organization (NATO), to the sovereignty of allied nations, and to the principle that disputes among friends are resolved through diplomacy, not violence. Affirms that wars of aggression against allies are morally indefensible, strategically catastrophic, and incompatible with the values and obligations of the United States under international law. Calls upon all elected officials, regardless of party or office, to reject rhetoric and policies that would place American service members in the position of betraying allies and committing acts of unjust war. Makes changes to the requirements for a registered professional nursing education program in provisions concerning the establishment of a new program, program policies, faculty members, training and development, the program's curriculum, the program's use of simulation, the accreditation process, approval by the Board of Nursing, and the program closure process. Makes a conforming change. Provides that the Department of Financial and Professional Regulation may, without hearing, rescind the license of any person who obtain a license after completing a program or obtaining credit from a program that does not meet the requirements of the provisions regarding registered professional nursing education programs. House Floor Amendment No. 1

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard**HB 01807 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Requires the approval of the Department of Financial and Professional Regulation for certain aspects of nursing education programs. Provides that a nursing education program may not use simulation as a substitute for traditional clinical experience for more than 25% (rather than 50%) of a course's total clinical hours. Provides that programs may seek an exception to the simulation limitation from the Board of Nursing and must follow the requirements set forth in the "Guidelines for the Use of Simulation by Prelicensure Nursing Programs" as published on the Department's website. Provides that if the Department obtains evidence at any time that a registered professional nursing program does not comply with the Act, it may perform an unannounced site visit. Provides that the Department may, without a hearing, rescind the license of an individual who has been identified by a federal investigation as presenting illegitimate educational credentials that have been flagged by the National Council of State Boards of Nursing (rather than the license of any person who obtained a license after completing a program or obtaining credit from a program that does not meet the requirements of the amendatory provisions). Sets forth provisions concerning notice and review of a rescission. Provides that a rescission shall not constitute discipline as provided in the Act and shall not be an automatic bar to licensure if the applicant elects to re-apply (rather than shall not constitute discipline as provided in the Act). Provides that the amendatory provisions shall not prevent the Department from considering a rescission during a future regulatory action. Removes provisions concerning what a registered professional nursing education program must do when it loses its national accreditation, when the Board may withdraw its approval of a registered professional nursing education program, the closing of a registered professional nursing education program due to withdrawal of Board approval or due to voluntary closure, and mitigation efforts by a registered professional nursing education program during a declared state of emergency. Makes other changes. Effective July 1, 2026.

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard**HB 02584 (Continued)****Fiscal Note (Dept. of Healthcare & Family Services)**

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

Provides that a student enrolled in a homeschool program in which the homeschool administrator has not notified the public school or school district with the Homeschool Declaration Form is considered truant, with penalties applying. Provides that if a child in a homeschool program seeks to enroll part time in a public school or participate in any public school activities taking place on or off of school grounds, the homeschool administrator must submit proof that the child has received all required immunizations and health examinations or a signed Certificate of Religious Exemption. House Democrat Sponsor Synopsis Report

Representative Terra Costa Howard**HB 02827 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Pension Note (Government Forecasting & Accountability)

HB 2827, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$1,574.16 for implementation. There may also be increased costs to school districts, regional offices of education, and public schools, but those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

House Floor Amendment No. 2

Deletes reference to:

105 ILCS 10/8.5 new

Adds reference to:

105 ILCS 5/26-5

from Ch. 122, par. 26-5

Adds reference to:

325 ILCS 5/4.4d new

Replaces everything after the enacting clause. Creates the Homeschool Act. Requires the State Board of Education to create a homeschool notification form that a parent or guardian shall submit to the regional office of education, intermediate service center, or superintendent for the area in which the student resides. Requires the notification form to be published in a downloadable and printable format on the Board's website no later than June 1, 2026. Provides that beginning with the 2026-2027 school year, a parent or guardian who homeschooled the parent's or guardian's student shall submit the notification form before September 1 of each year. Provides that a public school or school district shall only retain a copy of the notification form if the homeschool parent or guardian requests that the record be retained by the public school or school district, and if such record is retained, the regional office of education, intermediate service center, or superintendent shall retain the record for not less than 5 years. Provides that there exists a rebuttable presumption that a student is not truant if a homeschool notification form was submitted. Allows a homeschool administrator to have a high school diploma or its recognized equivalent. Provides that consent must be obtained from the Department of Children and Family Services' Guardian Administrator prior to a homeschool notification form being submitted for all youth under the custody and guardianship of the Department. Provides that homeschools shall provide every student enrolled in homeschool instruction sufficient content to satisfy certain requirements of the School Code. Allows a truant officer to request an educational portfolio as part of a truancy investigation, which must be produced by the homeschool no later than 10 days after the request is made. Allows the State Board of Education to adopt any rules necessary to implement and administer the Act. Makes other changes. Makes conforming changes in the Freedom of Information Act, the School Code, the Illinois School Student Records Act, and the Abused and Neglected Child Reporting Act.

Amends Student Transfer Achievement Reform Act. Defines "transfer articulation agreement". Sets forth the purpose of the Act. Provides that a State university shall (rather than the General Assembly encourages State universities) to facilitate the seamless transfer of credits toward a baccalaureate degree. Provides that a State university shall enter into a transfer articulation agreement with the community college district to provide a seamless pathway for transfer. Provides that if, within 180 calendar days of the community college's initial request to enter into a transfer articulation agreement with the State university, the community college and State university do not reach agreement on the transfer articulation agreement, then the community college and State university shall jointly implement the provisions of the Model Transfer Articulation Agreement. Provides that a Model Transfer Articulation Agreement shall be developed through a Transfer Articulation Committee by December 31, 2025. Requires each community college and State university to publish the institution's process and timeline for reviewing and making decisions regarding transfer credit requests on the institution's website. Removes language regarding the Board of Higher Education's reviews and reports. Provides instead that, by May 1, 2026, and May 1 of each subsequent year, each State university shall report to the Board of Higher Education specified information. Effective immediately.

HB 01611 (Continued)

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Makes other changes to the bill.

Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Removes language providing that a student may not be issued a monetary fine or fee as a disciplinary consequence. Instead, prohibits school personnel from issuing a monetary fine, fee, ticket, or citation for a municipal code violation. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Amends the Mental Health Early Action on Campus Act. Provides that the expert panel designated by the board of trustees to develop and implement policies and procedures shall be comprised of at least 2 administrators, 2 members of faculty, and one mental health professional. Requires each public college or university to provide at least 3 on-site licensed clinical professional counselors or licensed clinical social workers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning local partnerships, provides that each public college or university shall provide at least 3 licensed mental health professionals (instead of 3 on-site licensed clinical professional counselors or licensed clinical social workers) or less than 3 if the benchmark ratio falls under 3. Provides that the mental health professionals must be employed by the public college or university. Provides that service hours for the mental health professionals should be informed by campus utilization data and may include in-person and telehealth modalities to ensure access to the mental health professionals. Removes language requiring the professionals to be available on weekdays from 10 a.m. to 6 p.m. excluding holidays.

Senate Committee Amendment No. 1

Removes language requiring the mental health professionals to be employed by the public college or university. Provides instead that the mental health professional may be provided either in (i) a part-time, on-campus capacity or (ii) a full-time, on- or off-campus capacity.

30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

820 ILCS 405/612

from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000.

Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

In provisions concerning an employment history review, requires a job applicant to provide the name, address, telephone number, and other relevant contact information of the applicant's current employer only if the applicant has direct contact with children or students at the applicant's current employer. Provides that for a licensed substitute teacher who is seeking employment in more than one school district, a school district's regional office of education or intermediate service center shall collect and, at the request of the substitute teacher, share specified information and records. Provides that a regional office of education's or intermediate service center's participation in the employment history review shall be limited to collecting such information and records and sharing the information and records with the school district, school districts, or other regional offices of education or intermediate service centers. Amends the Illinois Lottery Law. Removes a provision that requires the Department of the Lottery to publish each January in the Illinois Register a list of all game-specific rules, play instructions, directives, operations manuals, brochures, or other game-specific publications issued by the Department during the previous year and instructions concerning how the public may obtain copies of these materials from the Department. Provides that the State Lottery Fund shall receive from the sale of lottery tickets or shares consisting of the net of commissions and fees representing those expenses that are directly proportionate to the sale of tickets or shares at the agent location and prizes of \$600 or less (rather than less than \$600) which have been validly paid at the agent level. Allows, with the consent of the Director, the State Treasurer to act as an agent of the Department to perform the financial functions as the Director may prescribe. Removes language requiring the Director to prepare and send to the State Comptroller vouchers requesting payment from the Deferred Lottery Prize Winners Trust Fund to deferred prize winners. Removes certain deadlines related to private managers. In provisions concerning preaudits by the State Comptroller, removes a limitation that the provisions apply to payments for prizes of \$25,000 or less. Makes other changes.

Amends the Illinois Banking Act. In provisions concerning the penalty for misleading practices and names, changes the civil penalty that may be imposed to the maximum amount otherwise permitted under specified provisions, \$100,000 for each violation (rather than \$10,000 for each violation). Provides that the remedies provided in those provisions are in addition to, not to the exclusion of, any other remedies available under the law. Defines terms. Makes other changes.

House Committee Amendment No. 1

Provides that an existing bank (instead of a State bank) may report an alleged violation to the Commissioner of Banks and Real Estate in provisions concerning soliciting business. Provides that "bank" means a State bank or an entity whose deposits are insured, to the applicable limit, by the Federal Deposit Insurance Corporation or any successors thereto (instead of a State bank or an entity of which a substantial portion of its operations is the business of accepting deposits and which such deposits are insured, to the applicable limit, by the Federal Deposit Insurance Corporation or any successors thereto). Makes other changes in provisions concerning defined terms. Makes a grammatical correction.

from Ch. 111, par. 1701-7

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Removes the requirement that a person who is licensed or registered to engage in any of the professions licensed or registered by the Department be of good moral character. Prohibits the Department from using a vague term in its consideration of a criminal record and decision regarding whether a criminal record is disqualifying for licensure, certification, or registration, including, but not limited to, "good moral character", "moral turpitude", or "character and fitness". Makes other changes. Amends the Barber, Cosmetology, Esthetics, Hair Braiding, and Nail Technology Act of 1985. Provides that no application shall be automatically placed on hold, delayed, denied, or otherwise not processed by the Department because it was submitted by a person who is incarcerated. New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Representative Lisa Davis**HB 04283 (Continued)**

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis (\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

New Act

30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

New Act

Deletes reference to:

30 ILCS 540/1

from Ch. 127, par. 132.401

Adds reference to:

30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

Senate Floor Amendment No. 3

Provides that the provision does not apply to the Illinois State Toll Highway Authority.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides instead that student discipline data shall be reported to the State Board annually by all school districts in the State, including State-authorized charter schools, in a form and manner as specified by the State Board, no later than July 31 for the previous school year and by July 31 of each year thereafter. Provides that no action may be brought against a school board for an expulsion in kindergarten through grade 2 under certain circumstances. Provides that any student in kindergarten through grade 2 placed in an out-of-district alternative learning opportunities program shall have the student's placement limited to 90 days beginning on the student's first date of attendance in the program. Requires the superintendent of a school district, the director of an early childhood program, or the superintendent's or director's equivalent to provide verbal or written approval to suspend a student in preschool for longer than 3 days and, if such approval is not received by the third day, the student shall return to school by the fourth day. Amends the Regional Planning Act. Creates the Northeastern Illinois Water Governance Advisory Committee within the Chicago Metropolitan Agency for Planning. Describes membership of the Committee. Provides that, no later than May 31, 2027, the Chicago Metropolitan Agency for Planning, the Metropolitan Planning Organization, and the Northeastern Illinois Water Governance Advisory Committee shall develop and submit a report of legislative recommendations to the Governor and General Assembly regarding the sufficiency, management, and governance of water in Northeastern Illinois. Provides that the report shall include (1) the projected water use needs in the region through 2075, including any projected growth in water demand owing to residential, industrial, agricultural, or commercial development; (2) the adequacy of currently available water sources and infrastructure to meet projected water use needs in the region; (3) the risks to water security in the region, including any risks from climate change, groundwater depletion, biological or technological interference, increased drawdown from water intensive manufacturing, infrastructure failure within community water supplies, infrastructure failure across water supplies, and other risks as deemed appropriate; (4) existing data that the State collects related to water withdrawal, transmission, and use, including where the data is kept and how it is used and shared by agencies; (5) potential future government or management structures that would better ensure affordable water access for the region's water users, including possible structures to regionalize water service in the region; (6) recommendations on the feasibility and cost-effectiveness of at least 2 intergovernmental or governmental structures to improve water quality, long-term security, and affordability in the region; and (7) recommendations on how State agencies and departments can improve data collection, planning, and regulation of water in the region. Provides that appointments to the Northeastern Illinois Water Governance Advisory Committee shall be made within 90 days after the effective date of the amendatory Act. Dissolves the Northeastern Illinois Water Governance Advisory Committee on July 1, 2027.

Provides that, to facilitate the development of the assessment, relevant State agencies, including the Environmental Protection Agency, the Department of Natural Resources, the Department of Public Health, and the Illinois State Water Survey, shall provide relevant data sets, documentation, and information to the Chicago Metropolitan Agency for Planning as soon as practicable, subject to applicable confidentiality requirements. Provides that the Northeastern Illinois Water Governance Advisory Committee shall be dissolved on the day after the report is submitted to the Governor and the General Assembly (rather than July 1, 2027). from Ch. 68, par. 7A-102

Amends the Illinois Human Rights Act. Provides that for charges alleging violations under the Equal Employment Opportunity Commission or the Illinois Human Rights Act, if the EEOC issues a right to sue, the Department will issue a Departmental right to sue. Provides that if the complainant does not file a written request with the Department to review the EEOC's determination within 35 days after receipt of the Department's notice, the Department shall issue to the complainant, within 10 business days after the expiration of the 35-day period, a Departmental right to sue notice stating that the complainant has the right, within 90 days after receipt of the Department's notice, to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court. Requires the Department, within 10 days of the date on which the charge was filed, to serve a copy of the charge on the respondent and provide all parties with a notice of the complainant's right to opt out of the investigation within 60 days to commence an action in circuit court and the complainant's right to request a Departmental right to sue notice after 60 days has elapsed to file in the Human Rights Commission or commence a civil action in circuit court. Provides that within 10 business days of receipt of the complainant's request to opt out of the investigation, the Director shall issue an opt out notice to commence an action in circuit court to the parties. Provides that a Departmental right to sue notice does not constitute a finding of substantial evidence or of a lack of substantial evidence. Requires that any Departmental right to sue notice to state that the complainant shall have 90 days from the date of receipt of the notice to either file the complainant's own complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the Department of Human Rights to notify the parties that the complainant may request a Departmental notice of right to sue when submitting the Equal Employment Opportunity Commission determination after the Department receives notice that a charge was filed with the EEOC. Requires that if the EEOC does not issue a determination or determines that it is unable to establish illegal discrimination, the Department must proceed as follows: if the complainant timely notifies the Department of the EEOC's determination and also requests in writing that the Department issue a Departmental notice of right to sue, then the Department shall issue such notice within 10 business days after the receipt of the EEOC's determination and request from the complainant; but if the complainant does not submit the written request as required when notifying the Department of the EEOC's determination, then the Department must inform the parties, within 10 business days after receipt of the EEOC's determination, that the Department will issue a Departmental notice of right to sue unless the complainant requests in writing within 35 days after receipt that the Department review the EEOC's determination. Provides that if the complainant does file a written request with the Department to review the EEOC's determination, the Department shall review the EEOC's determination and may review any information submitted by the complainant with the written request and any evidence obtained by the EEOC during its investigation. Provides that if the Department receives a written request from the complainant to opt out of the investigation after the 60-day opt-out time period has elapsed, the Department shall process the request as a request for a Departmental notice of right to sue. Provides that if more than 365 days have elapsed after the charge is filed, or any such longer period agreed to in writing by all the parties, the complainant may exercise the complainant's rights to either file a complaint with the Human Rights Commission or commence a civil action in the appropriate circuit court without requesting or obtaining a Departmental notice of right to sue. Makes structural changes. Provides that the changes made to the Section governing procedures by Public Act 104-425 apply to charges pending or filed on or after January 1, 2026.

Requires the Latine studies requirement to begin with the 2026-2027 school year. Provides that the State Superintendent of Education may (rather than shall) prepare and make available to all school boards instructional resources (rather than materials). Amends the Illinois Public Accounting Act. Changes the definition of "CPA firm" to remove a reference to limited liability companies and to include professional limited liability companies. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Provides that, on and after January 1, 2027, the Department may license as licensed CPAs individuals who have received a master's degree, a bachelor's degree with 30 hours of accounting from an accredited college or university and an exam certificate or certification from the Board, and at least one year of experience as defined by Department rule. Changes the organization that the Department may rely on for enhanced mobility determinations from the National Qualification Appraisal Service of the National Association of State Board of Accountancy to the Public Accountant Registration and Licensure Committee. 625 ILCS 5/3-400

from Ch. 95 1/2, par. 3-400

625 ILCS 5/11-612

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

625 ILCS 5/11-605.1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

House Floor Amendment No. 3

Adds reference to:

625 ILCS 5/12-502

from Ch. 95 1/2, par. 12-502

Further amends the Illinois Vehicle Code. Allows public transit vehicles to use an electronic rear-view monitoring system on commercial motor vehicles owned by the agency and the mirror requirements of the Code of Federal Regulations so long as an exemption to the Code of Federal Regulations granted by the Federal Motor Carrier Safety Administration remains in effect.

415 ILCS 5/57.9

Amends the Environmental Protection Act. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal if the eligibility requirements of specified provisions are satisfied and (1) neither the owner nor the operator is the United States Government; (2) the tank does not contain fuel which is exempt from the Motor Fuel Tax Law; (3) the costs were incurred as a result of removing an underground storage tank installed over 30 years prior to removal; (4) the owner or operator registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act; (5) the owner or operator notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank; and (6) the costs have not already been paid to the owner or operator under a private insurance policy, other written agreement, or court order.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Makes technical and other changes.

HB 03811 (Continued)

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

Amends the Water Commission Act of 1985. Deletes a provision which specifies that no commissioner who is a member of the governing board or an officer or employee of the county or any unit of local government within the county may receive any compensation for serving as a commissioner on the county water commission. Allows a county water commission to use alternate project delivery methods, establish goals or requirements for the procurement of goods and services and for construction contracts, and accept assignment of municipal waterworks system contracts or other public improvement contracts. Gives commissions the authority to enter into design-build contracts and use a design-build delivery system. Includes requirements pertaining to the design-build delivery system. Amends the Illinois Municipal Code. Provides that a county water commission may construct water transmission and distribution lines within a radius of 50 miles (rather than 25 miles) outside the corporate limits of member municipalities for the purpose of furnishing water to any additional entities that contract with the commission for a supply of water.

Amends the Comprehensive Housing Planning Act. Requires the State to prepare and be guided by a 3-year Comprehensive Housing Plan, that is consistent with the affirmative fair housing provisions of the Illinois Human Rights Act and specifically addresses specified underserved populations including low-income households, individuals, and older adults with a population-specific need; survivors of gender-based violence; unnecessarily institutionalized persons; veterans; and youth, including those aging out of the foster care system; and any other high need population, as determined by the State Housing Task Force, to be defined in the Comprehensive Housing Plan, and revisited each planning cycle, as needed. New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Amends the Township Code. In provisions concerning disorderly conduct at township meetings, provides that if a person who has been ordered to withdraw from a township meeting by the moderator of a township meeting because of the person's disorderly conduct refuses to withdraw, then the moderator may report the person to an appropriate law enforcement agency (rather than order any police officer or other person to take the disorderly person from the meeting and confine the person in some convenient place until the meeting is adjourned). Removes provisions providing that the person refusing to withdraw shall, for that offense, forfeit a sum not exceeding \$10 for the use of the township to be recovered in a civil action in the name of the township in the circuit court.

725 ILCS 203/20

Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to request that any interview or statement be conducted in the presence of a law enforcement officer of a particular sex or gender, if one is reasonably available. Provides that if a law enforcement officer of the requested sex or gender is not reasonably available, the interview or statement shall proceed without unnecessary delay.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to request to be interviewed by a law enforcement officer of a particular sex or gender. Provides that, if no law enforcement officer of that sex or gender with the training on sexual assault and sexual abuse allegations is reasonably available, the victim may consent to be interviewed by any available law enforcement officer with that training, decline to be interviewed, or choose to schedule an interview when such an officer will be available, if possible. Provides that every law enforcement agency shall establish a policy that defines "reasonably available" for the purposes of the provision. Provides that a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the right to have a support person of the victim's choosing present during any interview by a law enforcement officer or prosecutor, unless the law enforcement officer or prosecutor makes a good faith determination based on professional judgment that the presence of the support person would be detrimental to the purpose of the interview. Provides that, if the support person engages in behavior that disrupts or undermines the interview, the support person may be removed. Provides that, if the support person is not permitted to accompany the victim or is removed, the victim may consent to be interviewed without a support person, decline to be interviewed, or choose to schedule an interview at a later date and bring a different support person.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Sexual Assault Incident Procedure Act. Provides that at law enforcement agencies that employ officers of more than one sex or gender who have the training in investigating sexual assault and sexual abuse cases under the Illinois Police Training Act and the Illinois State Police Law, a law enforcement officer shall inform a victim of sexual assault or sexual abuse of the opportunity to request to be interviewed by an officer of a particular sex or gender. Provides that if, when a request is made, no officer at that agency of the requested sex or gender with that training is reasonably available, the victim may consent to be interviewed by any available law enforcement officer with that training, decline to be interviewed, or choose to schedule an interview at another time when such an officer is expected to be available. Provides that if the victim requests an officer of a particular sex or gender at the scene, in the emergency department of a hospital, at an approved pediatric health care facility, or under exigent circumstances, the responding officer shall accommodate the request when an officer of the requested sex or gender is reasonably available. Provides that every law enforcement agency shall establish a policy that defines "reasonably available" for the purposes of the provisions. Makes other changes.

Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Amends the Juvenile Court Act of 1987. Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.
