105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

New Act

110 ILCS 205/8

from Ch. 144, par. 188

Creates the Adequate and Equitable Public University Funding Act. Provides that all general operating expenses for public universities shall be distributed by the Board of Higher Education through a funding formula for eligible public institutions and shall be administered by the Board. Defines "eligible public institution". Sets forth provisions concerning the adequacy targets and resource profiles of eligible public institutions. Provides for the distribution of State appropriations and the calculation of the base funding minimum for each eligible public institution. Provides that the Board shall oversee an accountability and transparency framework for assessing the distribution and use of all funds appropriated by the funding formula and evaluating the funds' effects on institutional outcomes pertaining to student affordability, enrollment, persistence, and outcome metrics. Provides for reporting and the establishment of an Accountability and Transparency Committee. Provides that the Board shall establish a Funding Formula Review Panel tasked with studying and reviewing topics pertaining to the implementation and impact of the funding formula. Contains provisions concerning the Board's annual budget request and the collection of data. Amends the Board of Higher Education Act. Removes certain provisions concerning budget proposals. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes in the Adequate and Equitable Public University Funding Act. Adds, changes, and removes definitions. Changes the adequate and equitable funding formula. Provides that the adequacy target for each eligible public institution is the sum of the eligible public institution's cost of providing an equitable and adequate education based on the specific characteristics of the per student adequacy components and institutional adequacy components (rather than of the eligible public institution and the eligible public institution's student body). Requires the Board of Higher Education to include in each eligible public institution's adequacy target the amount required to provide students with access support. Sets forth how to determine the high-cost program adjustment to core instructional program support. Requires the Board to include the funding required to conduct research. Makes changes to the membership of the Accountability and Transparency Committee and the Funding Formula Review Panel. Deletes certain provisions regarding the Accountability and Transparency Committee, as well as regarding certain reporting requirements. Makes other changes. Effective immediately.

Fiscal Note, House Committee Amendment No. 1 (Illinois Board of Higher Education)

HB 1581 HA #1 creates the Adequate and Equitable Funding for Public Universities Act. Illinois Board of Higher Education (IBHE), in conjunction with outside consultants, estimates that the cost to implement this legislation is \$1.85 billion. That means the state would have to increase public university appropriations by \$1.85 billion above the current level at full implementation. The legislation calls for an annual increase in appropriation for the public universities of \$135 million. Relative to the current fiscal year and assuming no inflation adjustment, that would mean an increase \$135 million in the first year of implementation, \$270 million in the second year of implementation, \$405 million in the third year of implementation, etc., until the appropriation is \$1.85 billion higher than it is today. However, the legislation specifies that components of the funding formula are adjusted by inflation each year. Therefore, the total cost will exceed \$1.85 billion if incremental investments are made over time. Finally, the legislation assigns new responsibilities to IBHE, which would require three additional staff positions and associated costs, at an estimated total cost of \$350,000.

Provides that, beginning July 1, 2026 (rather than 2022), and continuing as long as funds are available, each income-eligible person (rather than each person) shall be eligible to apply for a rebate following the purchase of an eligible electric vehicle (rather than an electric vehicle). Provides that the Environmental Protection Agency shall establish one rebate application cycle for each State fiscal year, shall cause each rebate application cycle to have a duration of one State fiscal year, and shall cause the Agency to accept rebate applications and issue rebates under the Act throughout each rebate application cycle. Repeals provisions regarding certain rebates. Provides for, beginning July 1, 2026, a \$2,000 rebate for eligible applicants toward the purchase of a new or used electric vehicle that is not an electric motorcycle and a \$1,500 rebate for the purchase of an electric vehicle that is an electric motorcycle, with low-income applicants eligible for an additional \$2,000 rebate for new vehicles or \$1,500 rebate for used vehicles that not electric motorcycles. Provides for, beginning July 1, 2028, a \$2,000 rebate for eligible applicants toward the purchase of a new or used electric vehicle that is not an electric motorcycle and a \$750 rebate for the purchase of an electric vehicle that is an electric motorcycle, with low-income applicants eligible for an additional \$1,000 for new or used vehicles that are not electric motorcycles. Provides that the Agency shall make available a public dashboard with resources on electric vehicles, charging infrastructure, applicant and vehicle eligibility, participating dealers, State incentives, and as up-to-date as is feasible remaining funding availability for the fiscal year. Provides that the changes by this amendatory Act are not intended to affect any rebates issued before the effective date of this amendatory Act. Provides that, subject to State procurement requirements, the Agency may retain a contractor or contractors to assist with marketing, program development, and administration of certain programs related to electric vehicle rebates. Requires a purchaser to purchase an electric vehicle in Illinois on or after July 1, 2022 (rather than July 1, 2026). Reinserts stricken provisions that require a purchaser to apply for the rebate within 180 (rather than 90) days, with certain other requirements. Requires a purchaser to apply for the rebate during an open rebate cycle and certify that the purchaser qualifies as an eligible applicant and a low-income applicant, if applicable. Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Requires a parent-teacher advisory committee to develop policy guideline procedures to establish and maintain a reciprocal reporting system between the school district and local law enforcement agencies regarding both criminal and civil offenses (rather than only criminal offenses) committed by students. Removes language providing that a student may not be issued a monetary fine or fee as a disciplinary consequence. Instead, prohibits school personnel from issuing a monetary fine, fee, ticket, or citation for a municipal code violation. Provides that school personnel (rather than a school district) may not refer a truant, chronic truant, or truant minor to any other local public entity, school resource officer, or peace officer (rather than only to any other local public entity) for that local public entity, school resource officer, or peace officer to issue the child a fine or fee as punishment for truancy. Effective immediately.

Amends the Department of Professional Regulation Law of the Civil Administrative Code of Illinois. In provisions concerning applicants with criminal convictions, requires the Department of Financial and Professional Regulation to consider various factors when considering whether a prior conviction is directly related to the ability of an applicant to safely perform the duties, functions, and responsibilities of the position (instead of whether a prior conviction will impair the ability of the applicant to engage in the practice). Amends the General Provisions Article of the Illinois Pension Code. Provides that the amendatory Act may be referred to as the Fossil Fuel Divestment Act. With regard to the retirement systems established under the General Assembly, State Employees, State Universities, Downstate Teachers, or Judges Article of the Code and the Illinois State Board of Investment, prohibits direct investment of any additional pension assets in the stocks, securities, or other obligations of any fossil fuel company or any subsidiary, affiliate, or parent of a fossil fuel company. Provides that each board of trustees of a pension system shall ensure the pension system does not make further indirect investments unless, upon exercising due diligence, the board of trustees is satisfied that the investment vehicle is unlikely to have more than 2% of its assets invested in fossil fuel companies. Requires pension system trustees to identify the pension system's holdings, whether directly or indirectly invested, including private investments. Requires pension system trustees to identify holdings that are invested in the stocks, securities, equities, fixed income, corporate bonds, prime commercial paper, or other obligations of fossil fuel companies. Requires pension systems to, in accordance with sound investment criteria and consistent with fiduciary obligations, divest any fossil fuel holdings, which must be completed by January 1, 2030. Requires pension systems to adopt an update to their written investment policies if necessary. Requires each pension system to disclose the analytic methods used, if any, in determining the climate-related financial risks posed by its fossil fuel investments (both publicly traded and private investments) and the results of the analysis. Sets forth provisions concerning definitions, de minimis exposure to fossil fuel securities, and annual reporting. Effective immediately.

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts provisions of the bill with the following changes. Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

Defines "CCR management unit" as any area of land at any facility with a CCR surface impoundment, on which any noncontainerized accumulation of CCR is received, is placed, or is otherwise managed, and that is not itself a CCR surface impoundment. Provides that the term "CCR management unit" does not include CCR used in a manner that meets the definition of coal combustion by-product, unless the owner or operator, or the Agency, determines that the CCR is causing or contributing to a statistically significant concentration of one or more constituents above the groundwater protection standard established by the Board. Provides that no later than February 8, 2027, the owner or operator of a CCR surface impoundment must submit to the Agency a copy of the Facility Evaluation Reports Part 1 and 2. Provides that the Board shall adopt rules establishing permit requirements, reporting, financial assurance, and closure and post-closure care requirements for CCR management units. Provides that the owner or operator of a CCR management unit shall pay an initial fee of \$75,000 for each CCR management unit by July 1, 2027 and an annual fee of \$25,000 for each CCR management unit that has not completed closure; and \$15,000 for each CCR management unit that has not completed post-closure care, beginning July 1, 2028.

Rep. Carol Ammons

Acknowledges and condemns the historical injustice associated with the original creation of the Benin Bronzes, the subsequent British acquisition and distribution of the relics, and the current possession of the Benin Bronzes by museums and collectors who are unwilling to share the relics with the heirs of the enslaved people who paid for them with their lives and the heirs of the Benin Kingdom slave traders. Urges the following steps be taken in regard to the Benin Bronzes: (1) an official request for the return and sharing of the Benin Bronzes, (2) the establishment of the Repatriation Committee, (3) the formation of an inventory and comprehensive documentation, (4) the development of a decision-making process, (5) the development of a sharing framework, (6) the collection of resale royalties, (7) the allocation of adequate resources from museum exhibit, loan, and resale royalty fees, (8) the initiation of programs and initiatives to bring heirs of the enslaved and the Benin Kingdom together for healing and reconciliation, and (9) the cooperation of heirs. Urges all nations, stakeholder museums, and collectors to support and adhere to this resolution, recognizing the importance of equitable sharing, redress, and healing in the context of the Benin Bronzes.

Replaces everything after the enacting clause. Amends the O'Hare Driver Safety Act. Allows the Illinois State Police (rather than the Illinois Toll Highway Authority) to issue the violation of stopping or standing within one-half mile of O'Hare International Airport to the lessee of the vehicle in the same manner as it would issue a violation to a registered owner of a vehicle. Changes references from "substantial equivalency" to "enhanced mobility". Changes provisions regarding substantial equivalency for an individual whose principal place of business is not in the State but who has a valid CPA license issued by another state to require that the licensure requirements of the issuing state must be equivalent to the criteria in the Act or, if the licensure requirements of the issuing state are not equivalent, to require that the individual must petition the Public Accountant Registration and Licensure Committee for, and obtain from the Public Accountant Registration and Licensure Committee, an equivalency determination (instead of requiring a verification of the criteria by the National Qualification Appraisal Service of the National Association of State Boards of Accountancy). Provides that, on and after January 1, 2027, the Department may license as licensed CPAs, individuals who have received a bachelor's degree in accounting from an accredited college or university and an exam certificate or certification from the Board and have had at least 2 years of experience as defined by Department of Financial and Professional Regulation rule. Creates a privilege from civil arrest for a person who in good faith is attending a State court proceeding or who is going to, remaining at, or returning from the place of the court proceeding. Provides that a person who violates provisions of the Act is liable for civil damages for false imprisonment, including actual damages and statutory damages of \$10,000, if that person knew or reasonably should have known that the person arrested is a person duly and in good faith attending a State court proceeding in which the person is a party, a witness, a potential witness, or a court companion of a party, witness, or potential witness while going to, remaining at, and returning from the court proceeding. Authorizes a court to grant any equitable or declaratory relief it deems appropriate and just. Prohibits an action from being commenced under the Act against the Illinois court system or any Illinois court system personnel acting lawfully under duty to maintain safety and order in the courts. Requires the Department of Children and Family Services or the Department of Early Childhood, as is applicable, to make available on its website specified resources for families. Provides that, if a child's parent or guardian directly faces immigration enforcement action, a licensed day care center shall use the child's emergency contact information and release the child to the persons designated as the child's emergency contacts or into the custody of an individual who presents a properly executed appointment of short-term guardian form on behalf of the child. Sets forth provisions requiring a licensed day care center to adopt certain policies concerning consent to disclosure. Rep. Dagmara Avelar-Nicholas K. Smith

210 ILCS 45/2-217

210 ILCS 85/6.22

305 ILCS 5/5-4.2

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning non-emergency transportation services for medical assistance recipients, removes a requirement that facilities complete a Physician Certification Statement prior to ordering non-emergency transportation services for a patient. Instead, requires the Department of Healthcare and Family Services to develop, subject to federal approval, a Uniform Non-Emergency Transportation Certification Form (form) for non-emergency transportation. Provides that the form shall be the only form used by and required of all facilities, physicians, transportation providers, and transportation brokers whenever a patient or person covered by the medical assistance program is being transported from a facility or personal residence and requires non-emergency transportation. Makes corresponding changes to the Nursing Home Care Act and the Hospital Licensing Act. Further amends the Medical Assistance Article with a provision authorizing transportation brokers to use a network of independent driver providers for the delivery of covered transportation services. Provides that transportation brokers and participating independent driver providers shall be subject to the same driver credentialing and licensing standards and provider registration requirements as transportation network companies (TNC) and TNC drivers enrolled in the Impact Medicaid Program Advanced Cloud Technology system. With respect to the Department's Business Enterprise Program requirements for Medicaid managed care organizations (MCO), requires each MCO to submit only one Letter of Intent that consolidates and sets forth all pending transportation services from all BEP-certified transportation providers contracted with the MCO. Requires the Department to permit a MCO's transportation broker to attest to the accuracy of all claims for services provided by a contracted transportation provider.

Amends the Uniform Electronic Transactions Act. In provisions regarding the acceptance and distribution of electronic records and electronic signatures by governmental agencies, provides that, to the extent that a governmental agency uses electronic records and electronic signatures, the governmental agency (rather than the Department of Innovation and Technology and the Secretary of State) may specify (rather than shall adopt rules specifying) the required format and attributes of the electronic records and electronic signatures and the specific processes and procedures governing their use. In the Illinois State Police Law, removes provisions requiring the Office of the Statewide 9-1-1 Administrator, in consultation with the Statewide 9-1-1 Advisory Board, to develop comprehensive guidelines for training and adopt rules and minimum standards for continuing education on emergency medical dispatch. HB 01697 (Continued)

Replaces everything after the enacting clause. Provides that the amendatory Act may be referred to as the Prescription Drug Affordability Act. Amends the Department of Commerce and Economic Opportunity Law of the Civil Administrative Code of Illinois. Provides that the Department of Insurance shall use moneys deposited into the DCEO Projects Fund pursuant to specified provisions of the Illinois Insurance Code to make a grant to a statewide retail association representing pharmacies to promote access to pharmacies and pharmacist services. Amends the Illinois Insurance Code. Makes changes to defined terms in provisions concerning pharmacy benefit manager contracts. Provides that a pharmacy benefit manager or an affiliate acting on its behalf shall not conduct spread pricing, steer a covered individual, or limit a covered individual's access to drugs from a pharmacy or pharmacist enrolled with the health benefit plan under the terms offered to all pharmacies in the plan coverage area by designating the covered drug as a specialty drug contrary to the specified definition. Provides that a pharmacy benefit manager or affiliated rebate aggregator must remit no less than 100% of any amounts paid by a pharmaceutical manufacturer, wholesaler, or other distributor of a drug. Provides that the contract between the pharmacy benefit manager and the insurer or health benefit plan sponsor must allow and provide for the pharmacy benefit manager's compliance with an audit at least once per calendar year of the rebate and fee records remitted from a pharmacy benefit manager or its affiliated party to a health benefit plan. Provides that the changes made to provisions concerning pharmacy benefit manager contracts by the Act shall apply with respect to any health benefit plan that provides coverage for drugs that is amended, delivered, issued, or renewed on or after January 1, 2026. Sets forth provisions concerning pharmacy benefit manager reporting requirements. In provisions concerning pharmacy benefit manager licensure requirements, provides that on or before August 1, 2025, the pharmacy benefit manager shall submit a report to the Department that lists the name of each health benefit plan it administers, provides the number of covered individuals for each health benefit plan as of the date of submission, and provides the total covered individuals across all health benefit plans the pharmacy benefit manager administers. Provides that on or before September 1, 2025, a registered pharmacy benefit manager, as a condition of its authority to transact business in the State, must submit to the Department an amount equal to \$15 or an alternate amount as determined by the Director by rule per covered individual enrolled by the pharmacy benefit manager in the State. Provides that on or before September 1, 2026 and each September 1 thereafter, payments submitted in provisions concerning pharmacy benefit manager licensure requirements shall be based on the number of covered individuals reported to the Department in specified provisions of the Illinois Insurance Code. Makes changes to provisions concerning examinations of registered pharmacy benefit managers. Amends the Illinois Public Aid Code. Makes changes to provisions concerning critical access care pharmacies. In provisions concerning pharmacy benefits, provides that a pharmacy benefit manager must comply with all provisions of the Pharmacy Benefit Managers Article of the Illinois Insurance Code to the extent that the provisions do not prevent the application of any provision of the Article or applicable federal law. Amends the State Employees Group Insurance Act of 1971 and the School Code to require coverage from specified provisions of the Illinois Insurance Code under the provisions of those Acts. Amends the Juvenile Court Act of 1987, the Unified Code of Corrections, and the County Jail Act to require specified contracts and pharmacy benefit manager activities to be subject to the Pharmacy Benefit Managers Article of the Illinois Insurance Code and the authority of the Director of Insurance to enforce those provisions. Makes other changes. Effective January 1, 2026, except that certain provisions are effective immediately.

Senate Floor Amendment No. 4

In an applicability provision concerning violations of pharmacy benefit manager contract requirements, specifies that the provisions do not apply to a contract directly between a 340B entity and the plan sponsor of a self-funded, single-employer or multiemployer (rather than only single-employer) employee welfare benefit plan subject to 29 U.S.C. 1144. In provisions concerning amounts transferred to the Prescription Drug Affordability Fund, specifies that the first \$25,000,000 transferred into the DCEO Projects Fund shall be for grants to pharmacies under specified provisions of the Department of Commerce and Economic Opportunity Law. Removes provision excluding a pharmacy that participates or contracts in the 340B program as a contract pharmacy from the definition of "critical access pharmacy". Provides that 340B pharmacies that are participants in the critical access care pharmacy program shall only be reimbursed for the actual acquisition costs of the 340B covered drugs dispensed to participants in the State's medical assistance program as defined in the Illinois Public Aid Code.

Senate Floor Amendment No. 5

Requires the Department to publish and maintain on its public-facing website a current list of covered entities and provide for public access to the disclosure form submitted by each covered entity; adopt rules implementing the Department's duties; and develop and administer to the public an education and awareness program regarding how denial of care may negatively impact health care access and quality, may be avoided, and affects vulnerable people and communities. New Act

Creates the Patient Access to Pharmacy Protection Act. Defines terms. Provides that no person, including a pharmaceutical manufacturer, may deny, restrict, prohibit, condition, or otherwise interfere with, either directly or indirectly, the acquisition of a 340B drug by, or delivery of a 340B drug to, a 340B covered entity or a 340B contract pharmacy authorized to receive 340B drugs on behalf of the 340B covered entity unless such receipt is prohibited by federal law. Provides that no person, including a pharmaceutical manufacturer, may impose any restriction on the ability of a 340B covered entity to contract with or designate a 340B contract pharmacy including restrictions relating to the number, location, ownership, or type of 340B contract pharmacy. Provides that no person, including a pharmaceutical manufacturer, may require or compel a 340B covered entity or 340B contract pharmacy to submit or otherwise provide ingredient cost or pricing data pertinent to 340B drugs unless required by State or federal law; institute requirements in any way relating to how a 340B covered entity manages its inventory of 340B drugs that are not required by a State or federal agency, including requirements relating to the frequency or scope of audits of inventory management systems of a 340B covered entity or a 340B contract pharmacy; or submit data or information that is not required by State or federal law as a condition for a 340B covered entity, its 340B contract pharmacy, or a location otherwise authorized by a 340B covered entity to receive 340B drugs. Sets forth provisions concerning enforcement of this Act; preemption of this Act; and severability of this Act. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

Amends the Illinois Insurance Code. Requires a group or individual policy of accident and health insurance or a managed care plan to provide coverage for at least one early egg allergen introduction dietary supplement and one early peanut allergen introduction dietary supplement. Provides that the required coverage shall be provided at no cost to a covered individual, including deductible payments and cost-sharing amounts charged once a deductible is met. Except as otherwise provided, nothing in the provisions prevents the operation of such a policy provision as a deductible, coinsurance, allowable charge limitation, coordination of benefits, or a provision restricting coverage to services by a licensed, certified, or carrier-approved provider or facility. Provides that the required coverage does not apply to accident-only, specified disease, hospital indemnity, Medicare supplement, long-term care, disability income, or other limited benefit health insurance policies, and that the cost-sharing limitation does not apply to a catastrophic health plan to the extent the cost-sharing limitation would cause the plan to fail to be treated as a catastrophic plan under federal law. Provides that the cost-sharing limitation does not apply to a high deductible health plan to the extent this cost-sharing limitation would cause the plan to fail to be treated as a high deductible health plan under specified provisions of the Internal Revenue Code. Provides that, if the cost-sharing limitation would result in an enrollee becoming ineligible for a health savings account under federal law, the cost-sharing limitation only applies to a qualified high deductible health plan after the enrollee's deductible has been met. Amends the State Employees Group Insurance Act of 1971, the Counties Code, the Illinois Municipal Code, the School Code, the Health Maintenance Organization Act, the Limited Health Service Organization Act, the Voluntary Health Services Plans Act, and the Illinois Public Aid Code to require coverage under those provisions.

Requires the Board to post to its website annually each public institution of higher education's compliance with the policies under the provisions. Effective immediately.

House Committee Amendment No. 1

In the provisions concerning medication abortion availability on campus, removes the requirement that a public institution of higher education that dispenses medication abortion from the university pharmacy enter into a referral agreement with a tertiary care facility with obstetrics and gynecological services in the event of complication from medication abortion or suspected complicated pregnancy prior to dispensing medication abortion. Makes a conforming change.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that each public institution of higher education with student health services shall provide enrolled students with access to one or more health care professionals whose scopes of practice collectively include prescribing and dispensing contraception to patients in the State or include prescribing medication abortion to patients in the State (rather than to health care professionals authorized under State law to prescribe contraception or medication abortion). Makes changes concerning the provision of services. Provides that, beginning with the 2025-2026 school year, each public institution of higher education with student health services shall make available, on the public institution of higher education's student health services' website, information on how students can access medication contraception on campus. Removes language providing that the pharmacy on campus shall dispense the medication abortion to enrolled students who wish to fill their prescriptions at the university pharmacy. Provides that the public institution of higher education shall make medication abortion available at a physical location on campus and enrolled students shall be able to access medication abortion at either a pharmacy on campus, the student health center via a health care professional licensed to dispense medication abortion, or another physical location on campus where students access other similar medications. Makes grammatical changes. Effective immediately.

Amends the Court of Claims Act. Creates an administrative process for uncontested claims for vendors arising from contracts with the State. Requires a State agency to confirm or reject an uncontested claim that is from a lapsed appropriation and valued at less than \$2,500 within 30 days after being notified in writing by the Attorney General. Requires the Comptroller, subject to appropriation, then issue payment to the vendor within 30 days of the court entering such an award. Provides that if the court determines that it is unable to process such an uncontested claim because the bill or invoice contains a defect, the court must notify the vendor in writing of the defect no later than 30 days after the bill or invoice was first submitted. Provides that if one or more items on a bill or invoice are disapproved, but not the entire bill or invoice, then the portion that is not disapproved must be transmitted to the Comptroller for payment. Changes the filing fees required under the Act as follows: a fee of \$15 for a petition seeking more than \$500 but less than \$10,000; and \$35 for a petition seeking more than \$10,000 or more. Requires that the court must allow claimants to submit documentation to amend and cure defects. Makes other changes. Authorizes the Court of Claims to adopt rules to implement the Act.

House Democrat Sponsor Synopsis Report

Representative Dagmara Avelar**HB 04941 (Continued)**

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to underground storage tanks over 30 years old with references to underground storage tanks installed before January 1, 1976. Provides that the Underground Storage Tank Fund shall be accessible by owners and operators for eligible costs associated with the removal of underground storage tanks installed before January 1, 1976, including, but not limited to, costs for removal of visibly contaminated fill material within 4 feet of the outside dimensions of the tank, removal of groundwater in the excavation that exhibits a sheen, and sampling to determine whether a release from the tank has occurred (rather than shall be accessible by owners and operators who intend to remove underground storage tanks installed over 30 years before removal). Requires the costs, in order for the owner or operator to access the Fund, to be incurred as a result of removing an underground storage tank installed before January 1, 1976 that contained specified substances (rather than installed over 30 years prior to removal). Requires the owner or operator, in order to access the Fund, to have obtained Agency approval of a tank removal plan and budget prior to the tank's removal (rather than to have registered the tank and paid all fees in accordance with the statutory and regulatory requirements of the Gasoline Storage Act). Deletes a requirement for the owner or operator to have notified the Illinois Environmental Protection Agency and the Office of the State Fire Marshal of the owner's or operator's intent to remove the underground storage tank. Provides that costs paid under a specified provision shall be subject to the application of a \$5,000 deductible, and that any deductible amount applied shall also apply towards any deductible amount required under another specified provision so as to prevent the application of duplicate deductibles. In provisions regarding eligibility and deductibility determinations to be made by the Office of the State Fire Marshal, deletes a requirement for the Office to provide a form when an owner or operator notifies the Office of the owner's or operator's intention to remove an underground storage tank over 30 years old. Makes technical and other changes.

from Ch. 121, par. 100-8

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

Amends the Affordable Housing Planning and Appeal Act. Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

House Floor Amendment No. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

Urges President Donald Trump to stop the actions of the administration that are impacting or eliminating educational funding, educational supports, and educational services provided to English learner students, limited English proficient parents, and the educators that serve these students. Urges federal lawmakers to instead prioritize the maintenance and improvement of educational services for English learner students, maintain and provide for increases to ESSA Title III funding aligned with inflationary measures and other appropriate funding to support educational services for English learner students and the educators that serve them, maintain and provide for language access services for parents with limited English proficiency, and ensure the educational rights of all students guaranteed under the U.S. Constitution.

Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

New Act

Creates the Restaurant Reservation Anti-Piracy Act. Provides that a third-party restaurant reservation service shall not list, advertise, promote, or sell reservations for a food service establishment through the website, mobile application, or other platform of the third-party restaurant reservation service without a written agreement between the third-party restaurant reservation service and the food service establishment. Provides that a written agreement that contains specified indemnifications shall be void and unenforceable. Provides that any person who violates, or causes another person to violate, a provision of the Act shall be subject to a civil penalty of up to \$1,000 for each violation. Provides for a private right of action.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Provides that the definition of "third-party restaurant reservation service" does not include any reservation distribution channel that is authorized to distribute reservations through a contract with either a food service establishment or an entity authorized to distribute reservations through a contract with the food service establishment. Removes a provision prohibiting indemnity agreements with a third-party restaurant reservation service.

Adds reference to:

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

625 ILCS 7/Act rep.

Creates the Highway Work Zone Safety Act. Requires the Department of Transportation, in coordination with the Illinois State Police, to establish the Highway Work Zone Speed Control Program for the purposes of enforcing the speed limits established for construction or maintenance speed zones. Requires the Illinois State Police, in conjunction with the Department of Transportation and the Illinois State Toll Highway Authority, to set up and operate automated traffic control systems in highway construction and maintenance speed zones to detect violations of posted work zone speed limits. Allows the Department of Transportation or the Illinois State Police to employ automated traffic control system operators to operate automated traffic control systems in construction or maintenance speed zones. Provides, with exceptions, that information and photographs or recorded images collected under the Program are not discoverable by court order as evidence in a proceeding. Requires information and photographs or recorded images collected under the Program to be destroyed not later than 2 years after the date the information and photographs or recorded images are collected. Provides that information and photographs or recorded images collected under the Program are the exclusive property of the State and not the property of the manufacturer or vendor of the automated traffic control system. Prohibits the use of a photograph or recorded image obtained through the use of an automated traffic control system for the purpose of enforcing a traffic offense. Provides that a person who owns a motor vehicle that is identified by an automated traffic control system as operating in a construction or maintenance speed zone at a speed in excess of the posted speed limit commits a civil law violation that is punishable by a minimum fine of \$100 and a maximum fine of \$200. Grants rulemaking authority to the Department of Transportation to implement and administer the Act. Makes other changes. Makes corresponding changes in the Freedom of Information Act and the Illinois Vehicle Code. Repeals the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act. Effective January 1, 2027, except provisions regarding procurement and rulemaking are effective immediately.

House Committee Amendment No. 1

Adds reference to:

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. Changes the term "automatic traffic control system" to "work zone speed safety camera system". Changes the name of the Program from the Highway Work Zone Speed Control Program to the Highway Work Zone Safety Speed Control Program. Removes language providing that information collected under the Program must be destroyed not later than 2 years after the date the information is collected. Further amends the Illinois Vehicle Code. Provides that highway construction or maintenance speed zone special speed limit signs must state that higher fines apply (rather than state the amount of the minimum fine) for a violation. Changes the effective date of the date to immediate, except that the repeal of the Automated Traffic Control Systems in Highway Construction or Maintenance Zones Act is effective January 1, 2027.

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Amends the Mental Health Early Action on Campus Act. Provides that the expert panel designated by the board of trustees to develop and implement policies and procedures shall be comprised of at least 2 administrators, 2 members of faculty, and one mental health professional. Requires each public college or university to provide at least 3 on-site licensed clinical professional counselors or licensed clinical social workers.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning local partnerships, provides that each public college or university shall provide at least 3 licensed mental health professionals (instead of 3 on-site licensed clinical professional counselors or licensed clinical social workers) or less than 3 if the benchmark ratio falls under 3. Provides that the mental health professionals must be employed by the public college or university. Provides that service hours for the mental health professionals should be informed by campus utilization data and may include in-person and telehealth modalities to ensure access to the mental health professionals. Removes language requiring the professionals to be available on weekdays from 10 a.m. to 6 p.m. excluding holidays.

Senate Committee Amendment No. 1

Provides that each public college or university shall provide at least 3 licensed mental health professionals or, if the benchmark ratio falls under 3, at least the number of licensed mental health professionals required by the benchmark ratio (rather than providing an exception requiring each public college or university to provide at least 3 licensed mental health professionals or less than 3 if the benchmark ratio falls under 3). Removes language requiring the mental health professionals to be employed by the public college or university. Provides instead that the mental health professional may be provided either in (i) a part-time, on-campus capacity or (ii) a full-time, on- or off-campus capacity.

Deletes as a ground for denial or discipline for an applicant or licensee who has failed to pay delinquent taxes and child support. Provides that if human remains have not been cremated within 30 days after the date of delivery to the crematory, and absent direction from a law enforcement agency to hold the remains, the crematory authority shall provide notice to the Comptroller's office and the coroner or medical examiner in the county in which the death occurred as to why the cremation cannot be performed and that this 30-day notice requirement may not be construed as a legal standard of reasonableness for the timeliness of a cremation. Provides that any person who intentionally violates a provision of the Act or a final order of the Comptroller is liable for a civil penalty not to exceed \$10,000 rather than \$25,000. Provides that pacemakers do not need to be removed in alkaline hydrolysis if: (1) the involved funeral director has received advance written notice from the crematory authority that its alkaline hydrolysis vessel has been certified by the manufacturer to work safely on human remains that contain pacemakers; and (2) the involved funeral director has received advance written confirmation that the aqueous solution that results from the alkaline hydrolysis of a pacemaker satisfies all federal and State hazardous waste rules and meets all publicly owned treatment works pretreatment standards upon being discharged into the sanitary sewer system. 325 ILCS 3/10-125 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions amending the Illinois Insurance Code, provides that "diagnosis of autism spectrum disorder" includes one or more tests, evaluations, and assessments to diagnose whether an individual has autism spectrum disorder that are prescribed, performed, or ordered by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders in children under age 3 (rather than by a licensed speech-language pathologist with expertise in diagnosing autism spectrum disorders). In provisions amending the Illinois Speech-Language Pathology and Audiology Practice Act, makes changes to the requirements necessary for a speech-language pathologist to diagnose autism spectrum disorders. In provisions amending the Illinois Public Aid Code, provides that treatment of autism spectrum disorders through applied behavior analysis shall be covered under the medical assistance program for children diagnosed with autism spectrum disorder when ordered by a speech-language pathologist licensed by the Department of Financial and Professional Regulation so long as the diagnosis by the speech-language pathologist occurs as part of the Illinois Early Intervention Program (rather than covering treatment by applied behavior analysis for children diagnosed with autism spectrum disorder by a speech-language pathologist licensed by the Department). House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Children and Family Services Act. Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. New Act

Creates the Agricultural Equipment Repair Bill of Rights Act. Provides that, for the purpose of providing services for agricultural equipment in the State, an original equipment manufacturer shall, with fair and reasonable terms and costs, make available to an independent repair provider or owner of the manufacturer's equipment any documentation, parts, embedded software, firmware, or tools that are intended for use with the equipment or any part, including updates to documentation, parts, embedded software, firmware, or tools. Provides that, with respect to agricultural equipment that contains an electronic security lock or other security-related function, a manufacturer shall, with fair and reasonable terms and costs, make available to independent repair providers and owners any documentation, parts, embedded software, firmware, or tools needed to reset the lock or function when disabled in the course of providing services. Provides that the manufacturer may make the documentation, parts, embedded software, firmware, or tools available to independent repair providers and owners through appropriate secure release systems. Provides that a manufacturer shall not refuse to make available to an independent repair provider or owner any documentation, part, embedded software, firmware, or tool necessary to provide services on grounds that the documentation, part, embedded software, firmware, or tool itself is a trade secret, except that information necessary to repair agricultural equipment may not be redacted. 725 ILCS 5/108-15 new

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

HB 01611 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. Makes other changes to the bill.

Replaces various references to "sexual assault" with "acute sexual assault". Deletes the definition of "prepubescent sexual assault survivor". Changes provisions regarding hospitals located in counties with a population of less than 1,000,000 and within a 20-mile radius of a 4-year public university with respect to a sexual assault treatment plan approved by the Department of Public Health. Makes changes in various provisions concerning plans of correction and penalties for hospitals that commit specified violations of the Act. In provisions regarding requirements for medical forensic services, provides that the provisions of the Act are not intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital or approved pediatric health care facility with a nonacute complaint of sexual assault if there is a compelling reason for evidence collection, or upon the request of the survivor. In provisions regarding the prohibition on billing sexual assault survivors directly for certain services, changes references to the Office of the Attorney General to references to the Department of Healthcare and Family Services.

Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Requires a trustee to maintain, for a minimum of 7 years after the termination of the trust, a copy of the governing trust instrument under which the trustee was authorized to act at the time the trust terminated. Amends the Revised Uniform Unclaimed Property Act. Provides that property held in an account or plan, including a health savings account, that qualifies for tax deferral under the United States income tax law, is presumed abandoned 20 years after the account was opened. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Establishes a procedure regulating agreements between an owner or apparent owner and a finder to locate or recover property held by the State Treasurer. Requires a finder to be licensed by the State Treasurer and creates qualifications to be so licensed. Makes definitions. Makes other changes. The Treasurer is authorized to adopt rules as necessary to implement the Act. Effective immediately.

5 ILCS 315/17

from Ch. 48, par. 1617

Amends the Illinois Public Labor Relations Act. Provides that, if there is an impasse between a unit of public sector attorneys and a public employer, the parties shall submit the dispute to interest arbitration. Effective December 1, 2026.

House Committee Amendment No. 1

Deletes reference to:

5 ILCS 315/17

from Ch. 48, par. 1617

Replaces everything after the enacting clause. Further amends the Illinois Public Labor Relations Act. Provides that, notwithstanding any other provision of the Act, beginning on the effective date of the amendatory Act, "managerial employee" does not include Assistant State's Attorneys, Assistant Public Defenders, Assistant Appellate Defenders, Assistant Appellate Prosecutors, or attorneys in the office of the Cook County Public Guardian, so long as the duties and responsibilities performed by a given position do not otherwise establish those Assistant State's Attorneys, Assistant Public Defenders, Assistant Appellate Prosecutors, Assistant Appellate Defenders, or attorneys in the office of the Cook County Public Guardian as managerial employees as defined in the Act. Specifies that Assistant State's Attorneys, Assistant Public Defenders, Assistant Appellate Prosecutors, Assistant Appellate Defenders, and attorneys in the office of the Cook County Public Guardian shall not be determined to be managerial employees as a matter of law. Deletes a definition of the term "public sector attorney". Deletes provisions limiting the authority of public sector attorneys to strike.

New Act

Creates the Local Accessory Dwelling Unit Act. Provides that a unit of local government may not prohibit the building or usage of accessory dwelling units in the unit of local government. Provides that a unit of local government may provide reasonable regulations relating to the size and location of accessory dwelling units similar to other accessory structures unless a regulation would have the effect of prohibiting accessory dwelling units. Provides that, for the purposes of the Act, a regulation is considered to have the effect of prohibiting an accessory dwelling unit if it: (1) explicitly disallows the construction of accessory dwelling units; (2) imposes fees other than building permit review; (3) applies standards that would render such units inconsistent with other local land use laws; (4) imposes design, bulk, and density standards that would physically preclude the project; (5) requires off-street parking spaces; or (6) requires corrections of nonconformities of the principal dwelling unit. Provides that a unit of local government shall approve or deny an application for a permit to create or serve an accessory dwelling unit by right and without discretionary review. Requires the unit of local government to either approve or deny the application to create or serve an accessory dwelling unit within 60 days from the date the unit of local government receives a completed application if there is an existing single-family or multi-family dwelling on the lot. Provides that, if the unit of local government has not approved or denied the completed application within 60 days, then the application shall be deemed approved unless the Act provides for additional time. Provides that, if a unit of local government denies an application for an accessory dwelling unit, then the unit of local government shall return a full set of comments to the applicant in writing with a list of items that are defective or deficient and a description of how the application can be remedied by the applicant. Provides that a unit of local government shall not deny an application for a permit to create an accessory dwelling unit due to the correction of nonconforming zoning conditions, building code violations, or unpermitted structures that do not present a threat to public health and safety and are not affected by the construction of the accessory dwelling unit. Defines terms. Limits home rule powers.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Amends the Video Gaming Act. Requires the Illinois Gaming Board to provide written status updates to each applicant for a license issued under the Act no later than 30, 60, and 90 days after the date the application is deemed complete by the Board. Sets forth information to be included in the written status updates. Provides that if the Board has not issued a final determination approving or denying an application within 365 days after the date the application is deemed complete, the Board shall issue a conditional approval to the applicant unless the delay is attributable to: the applicant's failure to timely provide requested information or documentation; a pending criminal investigation or enforcement action directly involving the applicant; or a written finding by the Board, supported by specific facts, that issuance of a conditional approval would pose a material risk to the public interest or the integrity of video gaming. Provides that a conditional approval authorizes the applicant to proceed with preparatory business activities consistent with licensure but does not authorize operation of video gaming terminals until final approval is issued. Provides that nothing limits the Board's authority to approve, deny, suspend, revoke, or condition a license upon completion of its investigation. Provides that any delay caused by the applicant's failure to timely respond to a written request from the Board tolls the time periods until the requested information is received. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Amends the Criminal Code of 2012. Deletes a provision that timely notice to a retail mercantile establishment that is a victim of retail theft, organized retail crime, financial institution fraud, or looting shall include 7 days' notice of any court proceedings. Amends the Code of Criminal Procedure of 1963. Provides that a law enforcement officer may not refuse to complete a written report as required by the Protective Orders Article of the Code on any ground. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning an incident of abuse. Provides for the vacation of a conviction (rather than only prostitution convictions) if the defendant was a victim of human trafficking. Provides that the determination of the motion shall be by a preponderance of the evidence. Provides that evidence demonstrating the defendant's status as a victim of trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense. Provides that, regardless of whether the court grants a motion to vacate the sentence, it may permit the defendant to file an expedited petition for expungement or sealing under the Criminal Identification Act to be heard whenever possible before the same judge to whom the motion to vacate his or her conviction was presented upon 30 days' notice to those entitled to notification of expungement or sealing proceedings. Amends the Sexual Assault Incident Procedure Act. Provides that a law enforcement officer shall not discourage or attempt to discourage a victim from filing a police report concerning sexual assault or sexual abuse. Amends the Illinois Domestic Violence Act of 1986 to make conforming changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. In the amendatory changes to the Code of Criminal Procedure of 1963 concerning a motion to vacate a conviction for an offense committed as a result of the defendant having been a human trafficking victim, deletes provision that evidence demonstrating the defendant's status as a victim of human trafficking at the time of the offense shall create a rebuttable presumption that the defendant was a victim of human trafficking at the time of the offense and provides that with the exception of the expedited notice period and timeline for hearing, any petition to seal or expunge records shall be governed entirely by the provisions of the Criminal Identification Act. In the amendatory provisions of the Illinois Domestic Violence Act of 1986 concerning the written report by a law enforcement officer investigating an alleged incident of abuse, neglect, or exploitation between family or household members, provides that no law enforcement officer may refuse to complete a written report for a bona fide allegation (rather than any allegation) as required by the provision on any ground.

New Act

104th General Assembly
House Democrat Sponsor Synopsis Report

Representative Mary Beth Canty**HB 03312 (Continued)**

Creates the Utility Data Access Act. Requires the Illinois Commerce Commission to enact the following procedures: (1) a utility shall retain all consumption data for a period of not less than 2 years; (2) a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years; (3) a utility shall honor an account holder's request to transmit the account holder's covered usage data held by the utility to any entity designated by the account holder; (4) a qualified data recipient with respect to a qualified building or qualified property may request that a qualified utility provide aggregated usage data for the qualified building or qualified property; (5) a utility shall deliver requested data on a schedule set by the Commission; and (6) the account holder request process and utility delivery of requested data shall be convenient and secure. Establishes requirements for: the Commission's participation in a stakeholder process; the form and timeline in which covered usage data is provided to the data recipient; entry of data into the benchmarking tool; and the provision of covered usage data to recipients upon account holder authorization. Provides that, except in cases where the utility has not followed processes established by the Act or the utility is grossly negligent, the utility shall be held harmless for third-party misuse of data shared under the Act and no cause of action may be initiated against the utility for such subsequent misuse. Provides that prior to filing for cost recovery, a qualified utility must first demonstrate good faith efforts to secure federal, State, or other relevant funding options. Sets forth provisions regarding funding for the Commission to carry out its responsibilities under the Act and the Commission selecting and engaging outside consultants with experience in benchmarking and utility data access. States findings. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning utility data access, provides that the Illinois Commerce Commission shall enact procedures whereby a qualified utility shall retain, for a period of not less than 7 years, monthly consumption data that reflects consumption that occurred in or after 2022 and that was used for billing (rather than a qualified utility shall retain monthly consumption data used for billing for a period of not less than 15 years). Provides that a qualified utility shall retain, for a period of not less than 15 years, monthly consumption data that reflects consumption that occurred in or after 2028 and that was used for billing. Provides that the account holder request process and utility delivery of requested data shall be convenient and secure, and, at the Commission's direction, requests to the utility may be submitted exclusively through an online portal (rather than only the request process shall be convenient and secure). Provides that data recipients may request and receive timely revisions correcting erroneous utility data. Removes provisions concerning the stakeholder process. Provides that, for any covered usage data that a utility provides to a data recipient must be available to be requested online, except that a nonqualified utility may provide only paper request forms upon a showing of hardship (rather than the covered usage data must be available to be requested online and in printable paper form). Makes other changes.

Limits the concurrent exercise of home rule powers if inconsistent with the Act. Provides that a landlord may not rename a fee or charge to avoid application of the Act. Provides that the Act applies to all lease agreements entered into after the effective date of the Act, except that the Act does not apply to lease agreements entered into for dwelling units in owner-occupied premises containing 6 units or fewer.

Senate Floor Amendment No. 7

Deletes reference to:

New Act

Adds reference to:

765 ILCS 705/35 new

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Creates a civil action for any person alleging a violation of the rental fee transparency and fee ban provisions under the amendatory Act. Effective July 1, 2026.

Senate Floor Amendment No. 8

Provides that non-optional fees must be disclosed in a clear and conspicuous manner in a listing of residential property or in an accompanying weblink at the time of the listing. Prohibits the imposition of a fee or fine ancillary to the application fee at the time of the application that is intended to duplicate the costs of tenant screening or to include costs unrelated to tenant screening but may not be construed to limit the ability of the landlord to charge an application fee to cover the costs of tenant screening.

New Act

20 ILCS 3930/7

from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Amends the Nursing Home Care Act. Requires a facility to notify the Office of State Guardian and the public guardian in the county where the patient resides before executing a contract in specified circumstances where the patient has diminished capacity. Amends the Probate Act of 1975. Includes private professional guardians as individuals who may act as guardians. Establishes standards for private professional guardians before appointment. Requires a private professional guardian who serves as guardian for 15 or more persons with disabilities to be certified as a National Master Guardian by the Center for Guardianship Certification and imposes other requirements, including background checks. Sets forth provisions concerning private professional guardians as successor guardians and the removal of private professional guardians who fail to comply with the specified requirements.

House Committee Amendment No. 1

Adds reference to:

755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

HB 05198 (Continued)

Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

House Floor Amendment No. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

725 ILCS 5/108-15 new

Amends the Code of Criminal Procedure of 1963. Provides that a no-knock search warrant shall not be issued when the only offense alleged is possession of a controlled substance unless there is probable cause to believe that the controlled substance is for other than personal use. Provides that when an officer, having a warrant for the search of a dwelling, executes the search warrant, the officer shall: (1) execute the warrant between the hours of 9 a.m. and 7 p.m. unless the judge, for good cause, expressly authorizes execution at another time; (2) be readily identifiable as a law enforcement officer in uniform or wearing a visible law enforcement badge that clearly identifies the person as a law enforcement officer; (3) In counties of 90,000 or more inhabitants, be a member of a special weapons and tactics team or special response team, or another established team or unit trained and tasked with resolving high-risk situations and incidents, who has received appropriate training in the execution of arrest and search warrants authorizing entry without notice; (4) wear and activate a body-worn camera as required by the use of force in execution of a search warrant when entering a premises for the purpose of enforcing the law; (5) have a certified or licensed paramedic or emergency medical technician in proximity and available to provide medical assistance, if needed; (6) be prohibited from pointing firearms at individuals under 18 years old, unless there is clear and present danger to the officer or another person; and (7) knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that a no-knock entry or not waiting a reasonable amount of time is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by the law enforcement officers executing the search. Makes other changes.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with these changes. Provides that the Act may be referred to as the Anjanette Young Act. Provides that no court shall issue a search warrant that permits police officers to enter a residence without first knocking and announcing their office. Provides that police officers may enter a residence without first knocking and announcing their office in exigent circumstances when entry without notice is necessary to prevent physical injury to police officers or others. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining any child, unless the child presents an immediate threat of physical harm to oneself or another person. Provides that during the execution of a residential warrant, police officers are prohibited from handcuffing or restraining parents, relatives, or caregivers of children while in the presence of children, unless the person presents an immediate threat of physical harm to oneself or another person. Provides that as soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person shall be promptly released. Provides that the officer shall knock and announce the officer's presence at a volume loud enough for the officer to reasonably believe the occupants inside can hear, allow a minimum of 30 seconds of time before entering given the size of the dwelling for someone to get to the door, and delay entry if the officer has reason to believe that someone is approaching the dwelling's entrance with the intent of voluntarily allowing the officer to enter the dwelling; except that this provision does not apply if the circumstances known to the officer at the time provide an objectively reasonable basis to believe that immediate entry (instead of no-knock entry or not waiting a reasonable amount of time) is necessary because of an emergency threatening the life of or grave injury to a person, provided that the imminent danger is not created by law enforcement officers executing the search. Provides that residential search warrants shall be prohibited unless they involve violent felonies as defined by 18 U.S.C. 16; the illegal manufacture, distribution, or sale of narcotics, firearms, or munitions; property crimes over \$1,000; or when necessary to protect a person from a threat of physical harm. Provides that law enforcement agencies shall provide copies of body-worn camera footage of the raid to the owners of the residence and the people present within 10 days of their request for such footage. HB 02374 (Continued)

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Changes references to "sexual assault survivors" to references to "acute sexual assault survivors". In provisions regarding minimum requirements for medical forensic services provided to sexual assault survivors by hospitals and approved pediatric health care facilities, provides that nothing in those provisions is intended to prohibit a qualified medical provider from offering an Illinois Sexual Assault Evidence Collection Kit to a sexual assault survivor who presents at a treatment hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility with a nonacute complaint of sexual assault according to the qualified medical provider's clinical discretion based on best practices for indications for evidence collection. Makes changes to provisions regarding continuing education and competency to remain on the Qualified Medical Provider List. Allows for virtual or telephonic consultation in providing certain information. Adds references to approved pediatric health care facilities. Provides that medical forensic services shall be provided with the consent of the sexual assault survivor, with certain requirements. Makes changes to provisions regarding a sexual assault services voucher. In provisions regarding written consent to the release of sexual assault evidence for testing, provides for an agent acting under a health care power of attorney, and provides that, if a parent, guardian, or health care power of attorney is unwilling to release sexual assault evidence, then a State's Attorney or the Attorney General may petition the court to authorize its release. Provides that fines shall be deposited into the Sexual Assault Survivor Treatment Regulation Fund. Makes changes to provisions regarding the Sexual Assault Nurse Examiner Program. Provides for a qualified medical provider list. Describes Sexual Assault Nurse Examiner and Sexual Assault Forensic Examiner qualifications. Defines terms. Makes other changes. Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. Amends the Revised Uniform Unclaimed Property Act. Provides that property held in an account or plan, including a health savings account, that qualifies for tax deferral under the United States income tax law, is presumed abandoned 20 years after the account was opened. Requires State agencies to report final compensation due a State employee to the Treasurer's Office as unclaimed property if the employee dies while employed. Requires a holder who holds property presumed abandoned to hold the property in trust for the benefit of the State Treasurer on behalf of the owner from and after the date the property is presumed abandoned. Requires that the State Treasurer provide written notice to a State agency and the Governor's Office of Management and Budget of property presumed to be abandoned and allegedly owned by the State agency before it can be escheated to the State's General Revenue Fund if the property remains unclaimed after one year. Creates authority for the Secretary of the Department of Financial and Professional Regulation to order a regulated person under the Act to immediately report and remit property subject to the Act if the Secretary determines that the action is necessary to protect the interest of an owner. Establishes a procedure regulating agreements between an owner or apparent owner and a finder to locate or recover property held by the State Treasurer. Requires a finder to be licensed by the State Treasurer and creates qualifications to be so licensed. Makes definitions. Makes other changes. Provides that if the State Treasurer reasonably believes that the apparent owner of property presumed abandoned held under this Act is a State agency as defined in the Illinois State Auditing Act, the State Treasurer may give written notice to the chief executive officer of such State agency and the Governor's Office of Management and Budget. Requires that, before the termination of a trust, a trustee must conduct a reasonable search for any trust property that has been reported and remitted to a State unclaimed property administrator. Provides that, in the tenth year after the opening of an account holding property covered by the Act for which the apparent owner has not, within the previous 3 years, indicated interest under the Act and that is not otherwise presumed abandoned, the holder shall attempt to contact the apparent owner in a manner substantially similar to the notice required by the Act. Requires the State Treasurer to adopt rules to implement the Act. HB 02584 (Continued)

Amends the Prior Authorization Reform Act and the Illinois Public Aid Code. Provides that a health insurance issuer, the fee-for-service medical assistance program, and a Medicaid managed care organization may not require prior authorization for the following prescription drug types and their therapeutic equivalents approved by the United States Food and Drug Administration: human immunodeficiency virus pre-exposure prophylaxis and post-exposure prophylaxis medication or human immunodeficiency virus treatment medication. Effective January 1, 2027.

House Committee Amendment No. 1

Adds reference to:

215 ILCS 5/356z.60

Adds reference to:

305 ILCS 5/5-5.12

from Ch. 23, par. 5-5.12

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Amends the Illinois Public Aid Code. In provisions concerning utilization controls, removes provisions concerning drugs for the treatment of HIV or AIDS. Amends the Illinois Insurance Code to include pre-PrEP HIV screening, sexually transmitted infection screening, kidney function analysis, routine laboratory testing, and routine provider visits as covered follow-up services in provisions requiring an individual or group policy of accident and health insurance to provide coverage for all abortifacients, hormonal therapy medication, human immunodeficiency virus pre-exposure prophylaxis, and post-exposure prophylaxis drugs approved by the United States Food and Drug Administration, and follow-up services related to that coverage. Effective on January 1, 2027.

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB2584, as amended by House Amendment 1, the legislation will not increase or decrease the number of judges needed in the state of Illinois.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 2584, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Pension Note (Government Forecasting & Accountability)

HB 2584, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 2584, House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

Fiscal Note (Dept. of Healthcare & Family Services)

HB2584 has an estimated annualized cost to the Illinois Medical Assistance Program of \$48.8 million due to a total loss of supplemental rebate revenue for the Illinois Department of Healthcare and Family Services and utilization shifts to higher-cost medications. The majority of this annual cost is due to the loss of supplemental rebate revenue.

Racial Impact Note (Dept. of Healthcare & Family Services)

Changes to the Public Aid Code proposed in House Bill 2584, as amended by House Amendment # 1, would impact approximately 18,000 Medicaid customers currently utilizing the medications as described. A total of 62% of current Medicaid customers utilizing these medications self-report as racial or ethnic minorities. This is higher than 35% of the entire population of Medicaid customers who identify as racial or ethnic minorities. The trend over the last 3 years is mostly steady for Medicaid customers identifying as racial or ethnic minorities who utilize the medications. The procedural changes proposed by HA #1 would impact all Medicaid customers utilizing or who may utilize these medications in the future.

Specifies that the amendatory Act may be referred to as the Equality for Every Family Act. Amends the Illinois Parentage Act of 2015. Declares it to be the public policy of Illinois that a child has the same rights and protections under law to parentage without regard to the marital status, age, gender, gender identity or sexual orientation of their parents, or the circumstances of the child's birth, including whether the child was born as a result of assisted reproduction or surrogacy. Changes the burden of proof for challenging a presumption of parentage from clear and convincing evidence to a preponderance of the evidence. Provides that a person who gave birth to a child and an alleged genetic parent of the child, a presumed parent under the Illinois Parentage Act of 2015, or an intended parent under the assisted reproduction provisions may sign an acknowledgment of parentage to establish the parentage of the child. Prohibits genetic testing from being used to: (i) challenge the parentage of a person who is a parent by assisted reproduction under the Illinois Parentage Act of 2015 or the Gestational Surrogacy Act; or (ii) establish the parentage of a person who is a donor. Changes the venue provisions for a proceeding to adjudicate parentage and the related notice provisions in such a proceeding. Provides that an individual who consents to assisted reproduction with the intent to be a parent of a child conceived by assisted reproduction is a parent of the child. Amends the Illinois Gestational Surrogacy Act. Contains provisions describing the consequences if a change in the marital status of a surrogate occurs. Sets out provisions concerning the termination of a gestational surrogacy agreement. Amends the Adoption Act. Provides a process for a confirmatory adoption for children born through assisted reproduction. Defines terms. Makes other changes. Effective immediately.

Amends the Administration Article of the Illinois Public Aid Code. Provides that subject to appropriation and any necessary federal waivers or approvals, the Department of Human Services shall develop and implement a transitional benefits program for Temporary Assistance for Needy Families (TANF) and the Supplemental Nutrition Assistance Program (SNAP) that is designed in such a way that a TANF or SNAP beneficiary will not experience an immediate loss of benefits should the beneficiary's income exceed the maximum allowable income under the TANF or SNAP program. Provides that the transitional benefits offered shall gradually step down the beneficiary's monthly benefit proportionate to the increase in the beneficiary's income. Sets forth monthly benefits amounts based on monthly household income. Requires beneficiaries to comply with TANF and SNAP work requirements. Provides that, subject to appropriation, the Department shall implement, by July 1, 2026, a program to allow recipients to receive transitional child care benefits without the requirement that such recipients first be eligible for full child care benefits. Provides that transitional child care benefits shall be determined on a sliding scale for recipients with household incomes in excess of the eligibility level for full benefits. Sets forth the sliding benefit schedule for the program. Requires the Department to track the number of participants in the program and issue an annual report to the General Assembly by September 1, 2027 and by September 1 each year thereafter, detailing the effectiveness of the program in encouraging recipients to secure employment earning an income greater than the maximum wage eligible for the full child care benefit. Requires the Department to pursue all necessary waivers from the federal government to implement the program. Provides that upon federal approval, the Department shall limit any initial application for the SNAP, TANF, or the Child Care Assistance Program to a one-page form that is easily accessible on the Department's website. Provides that persons participating in TANF, SNAP, or the Child Care Assistance Program who are required to complete a periodic eligibility review form, may submit such form as an attachment to their Illinois income tax return. Requires the Department of Human Services and the Department of Revenue to adopt rules. Effective immediately.

20 ILCS 3930/7 from Ch. 38, par. 210-7

Creates the Homicide Victims' Families' Rights Act. Provides for the review of the case file of open unresolved murders. Defines "open unresolved murder" as any criminal activity in which death occurred more than 3 years prior to the date of the application for review of the case file under the Act, for which all probative investigative leads have been exhausted, and for which no likely perpetrator has been identified. Provides that the person or persons performing the review shall not have previously investigated the murder. Provides that only one case review shall be undertaken at any one time with respect to the same murder victim. Provides that each law enforcement agency shall develop a written application to be used for persons to request a case file review. Provides that the applicable agency shall conduct a full reinvestigation of the murder if the review of the case file concludes that a full reinvestigation of the murder would result in probative investigative leads. Provides for the compilation and publication of specified information and statistics regarding open unresolved murders by the Illinois Criminal Justice Information Authority. Provides that each law enforcement agency shall employ or designate a minimum number of family liaison officers proportionate to the average number of homicides in the agency's jurisdiction within the previous 5 years of the date of employment with the maximum ratio of 40 homicides per each family liaison officer employed or designated. Each agency may establish a lower ratio for hiring or designating of family liaison officers. Establishes the duties and training for family liaison officers. Amends the Illinois Criminal Justice Information Act to make conforming changes.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Excludes from the definition of "agency", law enforcement entities of the State. In the provision that the person or persons performing the case file review shall not have previously investigated the murder does not apply to law enforcement agencies located in counties or municipalities that have fewer than 35,000 inhabitants. Provides that a person or persons who have previously investigated the murder may perform the full reinvestigation if there is at least one other person performing the full reinvestigation who has not previously investigated the murder. Provides that the Homicide Victims' Families' Rights Act only applies to law enforcement agencies located wholly within the boundaries of counties with a population of 3,000,000 or more.

Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Amends the Community Emergency Services and Support Act. Modifies legislative findings. Provides that appropriate mobile response services must, among other things, subject to the care decisions of the individual receiving care, coordinate transportation for any individual experiencing a mental or behavioral health emergency to the least restrictive setting feasible (rather than provide transportation for any individual experiencing a mental or behavioral health emergency). Provides that adequate mobile mental health relief provider training includes, among other things, training in recognizing and working with people with neurodivergent and developmental disability diagnoses and in the techniques available to help stabilize and connect them to further services and training in the involuntary commitment process, in identification of situations that meet the standards for involuntary commitment, and in cultural competencies and social biases to guard against any group being disproportionately subjected to the involuntary commitment process or the use of the process not warranted under the legal standard for involuntary commitment. Provides that mobile mental health relief providers may only participate in the involuntary commitment process to the extent permitted under the Mental Health and Developmental Disabilities Code. Requires the system for gathering information developed by the Statewide Advisory Committee to determine the number of instances of mobile mental health relief providers initiating petitions for involuntary commitment. Provides that the exemption from civil liability for emergency care provided in the Good Samaritan Act applies to anyone providing care under the Act. Provides that each 9-1-1 public safety answering point and emergency service dispatched through a 9-1-1 public safety answering point must begin coordinating its activities with the mobile mental and behavioral health services established by the Division of Mental Health once all 3 of the following conditions are met, but not later than July 1, 2027 (rather than July 1, 2025). Adds definitions and modifies existing definitions. Effective immediately.

Defines "covered animal" as any of the following animals, and hybrids of those animals: (1) elephantidae; (2) felidae, but excluding a domestic cat; (3) non-human primate; or (4) ursidae. Provides that the provisions of the amendatory Act are in addition to, and not in lieu of, any other laws protecting animal welfare. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

New Act

Creates the Rights Against Forced Arbitration Act. Provides that a seller may not require an Illinois consumer to agree to a provision that would do either of the following: (1) require the Illinois consumer to arbitrate outside of Illinois for a claim arising in Illinois for the purchase of consumer goods or services; or (2) require the Illinois consumer to arbitrate a controversy arising in Illinois under the substantive law of a state other than Illinois. Provides that any provision of a contract that violates the Act is voidable by the Illinois consumer, and if a provision is rendered void at the request of that consumer, the matter shall be adjudicated in Illinois and Illinois law governs the dispute. Provides that in addition to injunctive relief and any other remedies available, a court may award a consumer who is enforcing rights under this Act reasonable attorney's fees incurred in enforcing those rights.

225 ILCS 115/30 new

510 ILCS 5/8

from Ch. 8, par. 358

Specifies that the Act may be referred to as the Rabies Vaccination Access for Shelters and Public Health Act. Amends the Veterinary Medicine and Surgery Practice Act of 2004 and the Animal Control Act. Allows a licensed veterinarian to delegate rabies vaccination within an animal shelter, animal control facility, or government-authorized public health vaccination clinic to a certified veterinary technician or trained shelter vaccine administrator who is acting under the veterinarian's indirect supervision. Requires written protocols, training verification, and oversight by the supervising veterinarian. Directs the Department of Financial and Professional Regulation under the Veterinary Medicine and Surgery Practice Act of 2004 and the Department of Agriculture under the Animal Control Act to adopt rules within 12 months of the effective date of the amendatory Act. Effective January 1, 2027.

House Committee Amendment No. 1

In the legislative findings, replaces a reference to indirect supervision with a reference to direct supervision. In requirements for rabies vaccination, requires the supervising licensed veterinarian to assume professional responsibility for the rabies vaccine administered to the patient by the individuals acting under the veterinarian's direction (rather than to be responsible for oversight of the vaccine administration).
