Amends the Behavior Analyst Licensing Act, the Clinical Psychologist Licensing Act, the Clinical Social Work and Social Work Practice Act, the Marriage and Family Therapy Licensing Act, the Medical Practice Act of 1987, the Licensed Certified Professional Midwife Practice Act, the Nurse Practice Act, the Pharmacy Practice Act, the Physician Assistant Practice Act of 1987, the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, the Wholesale Drug Distribution Licensing Act, the Registered Surgical Assistant and Registered Surgical Technologist Title Protection Act, and the Genetic Counselor Licensing Act. Provides that the Department of Professional and Financial Regulation shall not take any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based solely upon the person's involvement in any health care service, so long as the care was not unlawful under the laws of the State. Prohibits the Department from taking any disciplinary or non-disciplinary action against a person's authorization to practice (rather than against the license or permit issued) under each of the amended Acts based upon the person's license, registration, or permit (rather than only license) being revoked or suspended, or the person being otherwise disciplined by any other state, if that form of discipline was based solely on the person violating another state's laws prohibiting involvement in any health care service if that health care service would not have been unlawful under the laws of the State and is consistent with the applicable standard of conduct for a person practicing in Illinois under those Acts. Changes certain references to official occupation titles in the amended Acts to "person". Amends the Illinois Food, Drug and Cosmetic Act. Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization, even if the drug's labelling reflects prior approval that is no longer in effect, so long as such labelling was true and accurate at the time of manufacture.

House Floor Amendment No. 1

Provides that a drug's status as not approved by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Act if it is recommended for use by the World Health Organization (rather than if its safety and efficacy have been established by peer-reviewed research or if it is recommended for use by the World Health Organization).

Senate Committee Amendment No. 1

Provides that, if a drug had been approved by the U.S. Food and Drug Administration before January 1, 2025, the revocation of approval by the U.S. Food and Drug Administration shall not cause it to be deemed an adulterated drug in violation of the Illinois Food, Drug and Cosmetic Act if the drug is recommended for use by the World Health Organization, even if the drug's labeling reflects prior approval that is no longer in effect, so long as the drug's labeling was true and accurate at the time of its manufacture. Provides that those provisions are inoperative on and after January 1, 2035.

Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2030 (instead of June 30, 2026). Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Amends the General Obligation Bond Act. Authorizes an additional \$700,000,000 (rather than \$1,000,000,000) of State Pension Obligation Acceleration Bonds. Makes a conforming change. Amends the State Employees, State Universities, and Downstate Teachers Articles of the Illinois Pension Code. Extends the option for a participant to receive an accelerated pension benefit payment in lieu of any pension benefit or for a reduction in the increases to his or her annual retirement annuity and survivor's annuity to June 30, 2028 (instead of June 30, 2030). Effective immediately.

House Floor Amendment No. 2

In provisions amending the General Obligation Bond Act, authorizes an additional \$1,000,000,000 (rather than \$700,000,000) of State Pension Obligation Bonds. In language providing an exception to a limitation on bond issuance, excludes bonds authorized by certain changes made to the Act by Public Act 104-8 and bonds authorized by the amendatory Act. Makes a grammatical change.

Pension Note, House Floor Amendment No. 2 (Government Forecasting & Accountability)

HB 5196, as amended by HA 2, would extend the Accelerated Pension Buyout programs for two additional years, through June 30, 2028, and authorize an additional \$1 billion in State Pension Obligation Acceleration Bonds to pay for the buyouts, bringing the total bond authorization for these programs to \$3.2 billion. According to SERS, SURS, and TRS, the programs have resulted in an estimated \$2.6 billion reduction in liabilities and required approximately \$2 billion in buyout payments, based on the most recently provided data from each system (ranging from June 2025 to January 2026). Given the experience of the buyout programs to date, it may be reasonable to anticipate similar participation patterns during the extended period under HA 2, which could help reduce the liability. However, estimating the precise reduction in pension liabilities is uncertain by nature, as participation is voluntary and individual member decisions play a significant role in determining overall program impact.

Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

405 ILCS 5/3-210 from Ch. 91 1/2, par. 3-210

Amends the Mental Health and Developmental Disabilities Code. Makes changes to a provision concerning initial Department of Human Services investigations of a facility employee's alleged abuse, neglect, or financial exploitation of a recipient of mental health or developmental disability services. Expands the provision to include allegations of material obstruction of an investigation, physical abuse, sexual abuse, non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$100), or egregious neglect. Adds provisions concerning Department investigations where a facility employee is the perpetrator of, at most, neglect, de minimis financial exploitation (such as financial exploitation totaling a cumulative value of less than \$100), or mental abuse.

House Committee Amendment No. 2

Changes the amendatory provisions such that a facility employee shall be barred from further contact with a facility resident if the Department of Human Services' initial investigation indicates that the facility employee is (rather than may be) the perpetrator of non-de minimis financial exploitation (such as financial exploitation totaling a cumulative value equal to or greater than \$20 (rather than \$100)). Adds physical abuse to the types of conduct that will result in a facility employee being barred from further contact with a facility resident.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following addition: Provides that nothing in the amendatory Act is intended to include an employee of a hospital licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act or a hospital affiliate.

HB 04207 (Continued)

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that an individual or group policy of accident and health insurance that is amended, delivered, issued, or renewed on or after January 1, 2028 and is subject to the Code shall provide coverage for a medically necessary coronary calcium scan and scoring if: (1) the individual is between 40 and 75 years of age; (2) the scan is ordered by a licensed health care provider; and (3) the provider has conducted and documented a cardiovascular risk assessment demonstrating clinical appropriateness consistent with evidence-based guidelines. Provides that coverage shall be provided at intervals consistent with evidence-based clinical guidelines and shall not be subject to more restrictive limitations than other diagnostic imaging services covered under the policy. Sets forth provisions concerning cost-sharing. Amends the Health Maintenance Organization Act to require the same coverage under the provisions of that Act. Amends the Illinois Public Aid Code to require coverage for a medically necessary coronary calcium scan and scoring for an eligible individual who: (A) is between 40 and 75 years of age; (B) is assessed by a licensed health care provider as having moderate or greater risk of atherosclerotic cardiovascular disease based on a documented cardiovascular risk assessment consistent with nationally recognized evidence-based clinical guidelines; (C) does not have a prior diagnosis of coronary artery disease; and (D) has not received a covered coronary artery calcium scan within the previous 5 years, unless medically necessary as determined by the Department of Healthcare and Family Services. Requires coverage without cost sharing and provides that the Department may adopt reasonable utilization controls consistent with other diagnostic imaging services covered under the medical assistance program. Provides that implementation of the coverage shall occur only to the extent that federal financial participation is available and approved by the federal Centers for Medicare and Medicaid Services.

20 ILCS 3805/7.34 new
30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Adds reference to:
725 ILCS 5/112A-11.5

Adds reference to:
750 ILCS 60/201 from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

New Act

Creates the Human Services Workforce Sustainability Act. Requires the Departments of Human Services, Children and Family Services, Juvenile Justice, and Public Health, and other specified State agencies, to complete, by June 30, 2027, a look-back calculation for each contracted human services organization that compares the funding amount awarded to the human services organization in State fiscal years 2026 and 2021 in order to identify the percentage change in funding, if any, to the human services organization between those fiscal years. Provides that based on the look-back calculations, each State agency shall identify the total aggregate amount of additional appropriations needed to ensure that grant amounts awarded by the State agency in State Fiscal Year 2028 are at least 25% more than the grant amounts awarded to grantees in State Fiscal Year 2021. Contains provisions concerning implementation of increased grant funding, subject to appropriation; additional percentage increases in grants amounts beginning in State Fiscal Year 2029; expenditure and certification requirements on contracted human services organizations that receive increased grant funding; oversight by the Department of Central Management Services; the adoption of administrative rules; and other matters. Effective July 1, 2026.

Amends the Department of Human Services Act. In the definition of "material obstruction of an investigation", defines the term to mean the intentional failure to timely report an allegation to the hotline or the interference (rather than purposeful interference) with an investigation of physical abuse, sexual abuse, mental abuse, neglect, or financial exploitation for the purpose of obstructing an Office of the Inspector General investigation. Provides that such material obstruction may include, but is not limited to, delaying or withholding reports of allegations to the hotline for the purpose of obstructing an Office of the Inspector General investigation; the withholding or altering of documentation or recorded evidence when reporting an allegation to the hotline or during an investigation; influencing, threatening, or impeding a victim's, complainant's, or required reporter's report of an allegation to the hotline or witness testimony during an investigation; or presenting untruthful information to the hotline or during an investigatory interview. Provides that any employee who fails to cooperate with an Office of the Inspector General investigation may also result in a finding of material obstruction of an investigation. Expands the list of employee conduct during an investigation that is in violation of the Act, including the failure to timely report an incident of abuse or material obstruction of an investigation committed by another employee. Provides that disciplinary proceedings may also be initiated pursuant to the Board's recommendation or Department findings and shall be conducted in the same manner as other disciplinary proceedings under the Act. Sets forth rulemaking authority for the Department.

New Act

Creates the Family Justice Centers Act. Authorizes cities, counties, the State, and community-based nonprofits to establish multiagency, multidisciplinary Family Justice Centers to serve survivors of domestic violence, sexual violence, stalking, and human trafficking. Sets requirements for center operations, including survivor consent and confidentiality policies, privacy protections, collaboration with law enforcement and community providers, operating agreements, survivor feedback processes, and annual training standards. Provides a framework for coordinated service delivery among participating agencies. Declares findings. Defines terms.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In specified lists that include law enforcement, adds references to the Department of Children and Family Services. Provides that, if Department of Children and Family Services personnel are present on site at a Family Justice Center, they shall only interact with a survivor receiving services from the Family Justice Center upon the survivor's request. Provides that each Family Justice Center shall consult with certain types of statewide and local community-based agencies (rather than just certain types of community-based agencies). Makes changes to provisions concerning the survivor consent policy required for each Family Justice Center. Deletes a provision specifying that a Family Justice Center is not required to obtain consent before sharing information obtained from a survivor with a mandated reporter, a peace officer, or a member of the prosecution team if that person is required by law to report or disclose specific information or incidents. Makes other changes.

Provides that the Task Force shall submit an interim report summarizing preliminary findings, analyses, and recommendations, to the Governor and the General Assembly, no later than January 31, 2027. Provides that the Task Force shall submit a final report, including all final findings and recommendations, draft statutory language, and estimated fiscal impacts, no later than December 1, 2027. Repeals the Act on June 30, 2028. Effective immediately.

House Committee Amendment No. 1

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill as amended by House Amendment 1 with the following changes. In provisions relating to legislative findings, provides that developmental psychology and neuroscience studies have shown (rather than Developmental psychology and neuroscience conclude) that judgment, impulse control, and psychosocial maturity may continue (rather than continue) developing into the mid-20s. Further provides that emerging adults may differ (rather than differ) significantly from older adults in risk assessment, susceptibility to peer influence, emotional regulation, and decision making under stress. Further provides that emerging adults may also (rather than also) face elevated rates of mental health disorders, trauma exposure, substance use disorders, unemployment, and housing instability. Further provides that adult jails and prisons can be (rather than are) associated with higher rates of victimization, self harm, long-term disability, and recidivism among the emerging adult population. Further provides that after decades of program based intervention alternatives for juveniles, it is appropriate for the task force to evaluate the efficacy of each of these programs to ensure only those that are reducing criminal behavior and providing for public safety are continued while those that are not providing the expected benefits are phased out. In provisions concerning the composition of the Task Force, provides that the Task Force shall include two representatives (rather than one representative) of a municipal police department. Further provides that the Task Force shall include two representatives (rather than one representative) of a sheriff's office. Further provides that that the Task Force shall include two representatives (rather than one representative) of a community based legal services or holistic defense organization serving emerging adults. 40 ILCS 5/1-110.16

Amends the General Provisions Article of the Illinois Pension Code. With regard to the 5 State-funded retirement systems, provides that the following are forbidden entities for purposes of investment and certain other transactions: Hamas; any company or entity that is wholly or partially managed or controlled by Hamas; any company identified by the Office of Foreign Assets Control in the United States Department of the Treasury as sponsoring terrorist activities in conjunction with Hamas or under specified regulations pertaining to terrorism sanctions; any company that has been fined, penalized, or sanctioned by the Office of Foreign Assets Control in the United States Department of the Treasury for any violation of any United States rules and restrictions relating to Hamas that occurred at any time following the effective date of the amendatory Act; or any company that has business operations that involve contracts with or the provision of supplies or services to Hamas, companies in which Hamas has any direct or indirect equity share, or consortiums or projects commissioned by Hamas. Provides that a retirement system shall not transfer or disburse funds to, deposit into, acquire any bonds or commercial paper from, or otherwise loan to or invest in any entity unless a certifying company certifies to the retirement system that: (1) with respect to investments in a publicly traded company, the certifying company has relied on information provided by an independent researching firm that specializes in global security risk; and (2) 100% of the retirement system's assets for which the certifying company provides services or advice are not and have not been invested or reinvested in any forbidden entity at any time after 4 months after the effective date of the amendatory Act. Requires the Illinois Investment Policy Board to make its best efforts to identify all Hamas-restricted companies and include those companies in the list of restricted companies for purposes of investment distributed to each retirement system and the Illinois State Board of Investment. New Act

Creates the Geothermal Homes and Business Act. Provides that, beginning January 1, 2026, the long-term renewable resources procurement plan developed by the Illinois Power Agency shall include a Geothermal Homes and Business Program for the procurement of geothermal renewable energy credits. Sets forth provisions concerning the geothermal heating and cooling system calculation methodology; Program block allocation; Program block pricing; approved vendors; contract terms; utility cost recovery; extenuating circumstances; administration of the Act by the Illinois Power Agency; and the prohibition of double claiming geothermal renewable energy credits. Effective immediately.

House Committee Amendment No. 1

Adds reference to:
20 ILCS 3855/1-10

Adds reference to:
220 ILCS 5/16-108

Adds reference to:
220 ILCS 5/16-111.5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. In provisions concerning program establishment, provides that the Program shall function as a separate and distinct procurement program that does not draw from the allocation and funding of renewable energy credits from other sources. In provisions concerning program block allocation, provides that at least 33% (rather than 50%) of each annual block shall be reserved by systems that meet the Illinois Power Agency's definition of "residential". In provisions concerning project terms, provides that applicant firms shall have advanced capital disbursed before geothermal renewable energy credits are first generated (rather than after the geothermal heating and cooling system is operational but before geothermal renewable energy credits are first generated). In provisions concerning advanced capital, provides that the amount or percentage of capital advanced for residential systems (rather than for all systems) shall be at the discretion of the Agency by not less than 40% of the total contract. Provides that the amount or percentage of capital advanced for commercial, public, or environmental justice systems shall be at the discretion of the Agency. In provisions concerning contract terms, provides that each project shall be subject to the requirements of the Prevailing Wage Act. Provides that the Agency shall require verification that, for all construction for a project that was performed by a renewable energy credit delivery contract holder, its contractors, or its subcontractors, the construction employees received an amount for the work equal to or greater than the general prevailing rate. Provides that geothermal renewable energy credits for any single geothermal heating and cooling project that is 285 tons or larger and is procured after the effective date of the amendatory provisions shall be from a project built by general contractors that entered into a project labor agreement prior to construction. Provides that the project labor agreement shall be filed with the Director in accordance with procedures established by the Agency through its long-term renewable resources procurement plan. Amends the Illinois Power Agency Act. Makes a change to the definition of "renewable energy resources". Amends the Public Utilities Act. In provisions concerning the recovery of costs associated with the provision of delivery and other services, provides that an electric utility shall be entitled to recover through tariffed charges all costs associated with the purchase of geothermal renewable energy credits pursuant to the Geothermal Homes and Businesses Act. In provisions concerning procurement, provides that, beginning with the delivery year commencing on June 1, 2026, an electric utility shall procure geothermal renewable energy credits in accordance with the applicable provisions set forth in the Geothermal Homes and Businesses Act. Makes other changes. Effective immediately.

HB 03399 (Continued)

In provisions concerning the length of contracts under the Geothermal Homes and Businesses Program, provides that, for geothermal renewable energy credits that qualify and are procured under the Program, the length of a geothermal renewable energy credits delivery contract shall be 15 years (rather than 25 years). In provisions concerning the Illinois Power Agency administration of the Program, provides that the Agency may use any existing program administrator and applicable subcontractors to develop, administer, implement, operate, and evaluate the Program (rather than the Agency shall be authorized to retain one or more experts or expert consulting firms to develop, administer, implement, operate, and evaluate the Program and the Agency shall retain the consultant or consultants in the same manner, to the extent practicable, as the Agency retains others to administer provisions of this Act, including, but not limited to, the procurement administrator). Adds provisions concerning the cost recovery of generating units.

Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. HB 02827 (Continued)

Creates the Homeschool Act. Requires the State Board of Education to create a Homeschool Declaration Form to be used by a homeschool administrator to submit information indicating that a child is enrolled in a homeschool program to the principal of the public school or to the school district that the homeschooled child would otherwise attend. Provides that a student enrolled in a homeschool program in which the homeschool administrator has not notified the public school or school district with the Homeschool Declaration Form is considered truant, with penalties applying. Provides that if a child in a homeschool program seeks to enroll part time in a public school or participate in any public school activities taking place on or off of school grounds, the homeschool administrator must submit proof that the child has received all required immunizations and health examinations or a signed Certificate of Religious Exemption. Sets forth requirements for homeschool administrators and programs and reporting requirements. Makes conforming and other changes in the Freedom of Information Act, the School Code, and the Illinois School Student Records Act, including requiring (rather than allowing) nonpublic schools to register with the State Board of Education.

House Committee Amendment No. 1

Adds reference to:

105 ILCS 10/2

from Ch. 122, par. 50-2

Adds reference to:

105 ILCS 10/6

from Ch. 122, par. 50-6

Adds reference to:

105 ILCS 10/8.5 new

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Homeschool Act: Requires proof of immunization and a health examination or an exemption only for regularly occurring, public-school-sponsored, public-school activities. Requires a homeschool administrator to have a high school diploma or its recognized equivalent at a minimum. Requires the homeschool administrator to provide proof of, among other options, any degree obtained from an institution of higher education. Changes the reporting date for regional offices of education, intermediate service centers, and the Chicago school district from June 30 (beginning in 2027 and every year thereafter) to July 31; changes the reporting date for the State Board of Education from July 31 (previously beginning in 2027, but now beginning in 2028) to February 1; and makes other changes. Provides that nothing in the Act supersedes the Department of Children and Family Services Guardianship Administrator's authority to approve or deny whether a youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator may participate in a homeschool program and that consent must be obtained from the Department of Children and Family Services Guardianship Administrator prior to the Homeschool Declaration Form being submitted for all youth under the custody or guardianship of the Department of Children and Family Services Guardianship Administrator. In the Freedom of Information Act: Provides that information and records held by any school district (rather than the Chicago school district) containing confidential information about a student, parent, or guardian under the Homeschool Act is exempt from copying and inspection. In the Illinois School Student Records Act: Provides that neither a "student permanent record" nor a "student temporary record" includes a Homeschool Declaration Form or any record that a homeschool administrator submits to a school district for proof of a homeschooled student's immunization and health examination. Provides that student records or information may be released, transferred, disclosed, or otherwise disseminated to the State Board of Education or a school or school district's regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent of schools only for the purposes of transmitting a Homeschool Declaration Form to one of these entities in accordance with the Homeschool Act. Requires a regional office of education or intermediate service center or, in the case of the Chicago school district, the general superintendent that receives a Homeschool Declaration Form to maintain a copy of the Homeschool Declaration Form for not less than 5 years after receiving the Homeschool Declaration Form. Provides that a public school or school district is not required to maintain a Homeschool Declaration Form or a copy of a Homeschool Declaration Form, but may maintain a copy of a Homeschool Declaration Form as long as the public school or school district abides by all storage requirements and confidentiality requirements. Requires a public school or school district that receives proof of a homeschooled student's immunization and health examination to maintain a copy of those records for not less than 5 years after receipt.

Pension Note (Government Forecasting & Accountability)

HB 2827, as amended by HA 1, will not impact any public pension fund or retirement system in the State of Illinois.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$1,574.16 for implementation. There may also be increased costs to school districts, regional offices of education, and public schools, but those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Amends the Rivers, Lakes, and Streams Act. Provides that the public right to access and use navigable waters includes all rights recognized by State or federal law, including the rights set forth in the Northwest Ordinance of 1787 and the federal navigational servitude, and all rights arising under the public trust doctrine, which shall be understood and applied in a manner consistent with the spirit of the Act to maximize the full and free enjoyment of State waters by the public. Provides that any segment of a lake, river, or stream that is capable of supporting use by commercial or recreational watercraft for a substantial part of the year, or that is actually so used, shall be deemed navigable, and shall be open to public access and use, unless the contrary is proven in litigation by a preponderance of the evidence. HB 02987 (Continued)

Creates the Warehouse Tornado Preparedness Act. Provides that all operators of a warehouse within this State shall prepare a tornado safety plan for each warehouse they operate within 120 days after the effective date of the Act for each existing warehouse or, for warehouses opened on or after 120 days after the effective date of the Act, no later than 7 days after the warehouse becomes operational. Provides that each plan shall be specific to the warehouse it was prepared for and must be reviewed and updated at least once per year or upon any significant change to the operations of the warehouse that affects the applicability or accuracy of the information in the plan. Specifies what the plan must contain. Requires each warehouse facility to have designated or constructed sufficient shelter space for at least 125% of persons who regularly work in the warehouse at the same time, including persons who are at the warehouse temporarily, such as delivery drivers. Requires each warehouse to maintain specified emergency supplies in its tornado shelter. Effective immediately.

House Floor Amendment No. 4

Adds reference to:

55 ILCS 5/5-1192 new

Adds reference to:

65 ILCS 5/11-31.1-1

from Ch. 24, par. 11-31.1-1

Adds reference to:

65 ILCS 5/11-31.1-1.5 new

Replaces everything after the enacting clause. Reinserts the provisions of the bill with the following changes. In provisions concerning tornado safety plans, provides that the operator of a warehouse should coordinate with the warehouse's local emergency services and disaster agency and fire department or fire protection district to create plans that, when implemented, will be consistent with the local jurisdiction's response activities. Provides that copies of the plan and all updates made to the plan must be filed with the fire department or fire protection district in the jurisdiction in which the warehouse is located and the local emergency services and disaster agency in the jurisdiction in which the warehouse is located (instead of filed with the Office of the State Fire Marshal, the Illinois Emergency Management Agency and Office of Homeland Security, and the fire department, fire protection district, or local emergency services agency with primary responsibility for the warehouse). Provides that warehouse facilities constructed after the effective date of the Act must provide the means, through modification, installation, or demonstration via rational analysis, to meet a life-safety performance level for tornado loading that is equivalent to, or exceeds, the life-safety performance level for the most onerous of other building code-prescribed extreme environmental loading events. Sets forth provisions concerning that evaluation. Provides that, in lieu of a risk-targeted approach, the evaluating design professional may elect to follow prescriptive methods as outlined in the Federal Emergency Management Agency standard P-431, Tornado Protection: Selecting Refuge Areas in Buildings and the Best Available Refuge Area Checklist to ensure that shelter areas designated in tornado safety plans are qualified as the best available refuge areas. Removes provisions concerning tornado shelters and emergency supplies. Amends the Counties Code. Defines "building inspector". Requires a building inspector to hold a certification from the International Code Council in the area in which the inspector is inspecting or examining. Requires that the county keep on file a copy of the certifications of the persons doing inspections or examinations on its behalf. Provides that a building inspector may have a grace period of one year from the date of hire to acquire the certification required under these provisions. Amends the Illinois Municipal Code to add similar requirements for building inspectors. Effective immediately, except that provisions amending the Counties Code and the Illinois Municipal Code take effect January 1, 2027.

Senate Committee Amendment No. 1

Provides that "warehouse" means a building in which warehouse workers perform their duties and goods are stored in industries defined by specified North American Industry Classification System (NAICS) codes, however such building is denominated (instead of an establishment as defined by specified North American Industry Classification System (NAICS) codes, however such establishment is denominated).

New Act

Creates the Charitable Organization Beneficiary Act. Requires a holder of property in which a charitable organization that is exempt from taxation as a 501(c)(3) entity is a designated beneficiary in a nonprobate instrument (excluding wills or trusts) to notify each charitable organization within 30 business days that it may have a right to the property. Creates a process in which the charitable organization may request that it be given information about the property or that the property be delivered to the charitable organization or both. Provides duties and obligations of the holder of the property. Provides the holder of the property protection from liability for a good faith reliance on the information it receives from a designated beneficiary. Provides remedies against a holder of property for a failure or refusal to provide the requested information or transfer of property if the provisions of the Act are followed. Defines terms.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Requires that the notice of death to the owner of property include the exact language of the beneficiary designation except that the names of any other beneficiaries that are not charitable organizations may be redacted. Provides that nothing in the Act alters the duties of the holder of the property under the Revised Uniform Unclaimed Property Act or the Unclaimed Life Insurance Benefits Act. Requires that the holder of the property must provide notice to each charitable organization listed under the beneficiary designation that the charitable organization may have a right to the property within 45 business days of the death of the owner of the property. Deletes provisions that provide that (i) any right or title acquired from the charitable organization in consideration of the provision of property or information under the Act is not invalid because of an inadvertent misapplication by the charitable organization; and (ii) a transaction and a lien created by a transaction entered into by the charitable organization and anyone acting in reliance on the affidavit under the Act is enforceable against the property. Provides that if the holder of the property fails or refuses to provide the requested property or information within 60 business days after receiving the affidavit, the charitable organization may bring an action against the holder of the property to receive the information about the property or recover the property or compel the delivery of the property. Provides that the court may award reasonable attorney's fees based on the time expended by the attorney to obtain the requested information or payment, delivery, or transfer of the property without regard to the amount of the recovery on behalf of the charitable organization. Deletes the requirement that verification of a charitable organization's authority may not exceed 30 days from the date of delivery of the affidavit.

HB 04206 (Continued)

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Provides that a "beneficiary designation" means a provision in an instrument designating a beneficiary, other than in a will or an instrument creating a trust, and may also mean the instrument itself, including, but not limited to, any of the following: (1) a demand deposit, savings deposit, time deposit or other account or instrument on which the holder is directly liable with a designation for payment upon death or other nonprobate designation making it transferable on death; (2) a security registered in beneficiary form; or (3) a pension, profit-sharing plan, retirement account such as an IRA, 401(k), 403(b), or other employment-related benefit plan. Excludes from this definition a beneficiary made as part of an annuity or an insurance policy. Amends the Unclaimed Life Insurance Benefits Act. Requires an insurer within 120 days after being contacted by the charitable beneficiary to: (1) determine whether the charitable organization has a right to the proceeds of the policy, annuity contract, or a retained asset account; (2) provide a general description of the policy, annuity contract, or a retained asset account that may be held for the benefit of the charitable organization and the exact language of the beneficiary designation; and (3) include information that verifies whether the insurer has already obtained the official death certificate or documentation needed to verify the death of the insured, annuitant, or retained asset account holder. Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act, the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. Excludes not-for-profit organizations that are the irrevocable sole beneficiary of a life insurance policy covered by the Illinois Insurance Code. Requires an insurer to provide within 120 days the appropriate claims forms or instructions to a holder of property under the Charitable Organization Beneficiary Act. Makes structural changes. Amends the Illinois Insurance Code. Provides that if due proof of death requires a certified copy of the death certificate, then no more than one beneficiary is required to submit a certified copy of the death certificate.

HB 05365 (Continued)

Amends the Probate Act of 1975. Requires that a guardian ad litem in a petition seeking a guardianship of an adult with alleged disability to inquire with the respondent before the hearing on whether a supported decision-making agreement is an appropriate alternative to guardianship or a limited guardianship is an appropriate alternative to plenary guardianship. Requires that the court make the same inquiry at the hearing and advise the respondent of the right to modify an adjudication of disability using a limited guardianship or termination of guardianship with a supported decision-making agreement. Amends the Supported Decision-Making Agreement Act. Allows the existence of a supported decision-making agreement to be entered into evidence for purposes other than as evidence of capacity or incapacity. Requires that a support decision-making agreement must be written in plain language and include the following: (1) a list of the areas in which both the principal requests support and the supporter agrees to provide support; (2) the supporter's agreement that the supporter is not disqualified from acting as a supporter under the Act; (3) the supporter's agreement that the supporter will complete the training required by the Act; (4) a statement that a supporter is not authorized to make a decision for the principal; and (5) information about how to report suspicion that an adult with a disability is being abused, neglected, or exploited by the supporter. Requires that a supported decision-making agreement must be signed by the principal and each supporter. Provides that the principal may use reasonable modifications, such as assistive technology or physical assistant, to sign the agreement. Provides that a supported decision-making agreement should be reviewed by the principal and all supporters every 2 years and, updated as needed, in the same manner as an initial supported decision-making agreement is executed. 630 ILCS 10/15

Amends the Innovations for Transportation Infrastructure Act. Provides that the Department of Transportation or the Illinois State Toll Highway Authority may use the design-build project delivery method for transportation facilities if the capital costs for transportation facilities delivered utilizing the design-build project delivery method or Construction Manager/General Contractor project delivery method or Alternative Technical Concepts in a design-bid-build project delivery method do not for transportation facilities delivered by the Department, exceed the value of 20% of the projects annually programmed in (rather than \$400 million of contracts awarded during) the Department's multi-year highway improvement program on an annual basis (rather than for any 5-year period). Removes language that provides that notwithstanding any other law, and as authority supplemental to its existing powers, the Department may use the Construction Manager/General Contractor project delivery method for up to 2 transportation facilities per year. Effective immediately.

House Floor Amendment No. 1

Replaces everything after the enacting clause. Amends the Innovations for Transportation Infrastructure Act. Provides that the Department of Transportation or the Illinois State Toll Highway Authority may use the design-build project delivery method for transportation facilities if the capital costs for transportation facilities delivered utilizing the design-build project delivery method or Construction Manager/General Contractor project delivery method or Alternative Technical Concepts in a design-bid-build project delivery method do not for transportation facilities delivered by the Department, exceed \$500,000,000 (rather than \$400 million) of contracts awarded on an annual basis (rather than during the Department's multi-year highway improvement program for any 5-year period). Provides that the Department may adjust the applicable monetary threshold on a yearly basis to reflect inflationary costs in highway construction as measured by the United States Department of Transportation in the National Highway Construction Cost Index or other similar index. Requires a notice of any change to that threshold to be published in the Illinois Transportation Bulletin. Removes language that provides that notwithstanding any other law, and as authority supplemental to its existing powers, the Department may use the Construction Manager/General Contractor project delivery method for up to 2 transportation facilities per year. Effective immediately.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following change. Removes a provision from the engrossed bill that would have authorized the Department of Transportation to adjust the applicable monetary threshold on a yearly basis to reflect inflationary costs in highway construction as measured by the United States Department of Transportation in the National Highway Construction Cost Index or other similar index.

Amends the Name Change Article of the Code of Civil Procedure. Provides that for a petition for name change by a person who is required to register under Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registration Act and not yet pardoned, if the petition alleges that it is sought because of marriage, religious beliefs, status as a victim of trafficking or gender-related identity, the court may grant or deny the petition after making a determination based on certain factors. Provides that any denial of a name change to these individuals must be in writing demonstrating the reasons for the denial. Provides that a person who has been convicted as an adult of a felony offense and whose sentence has not been completed, terminated, or discharged is not permitted to file a petition for a name change unless pardoned for the offense. Provides that the State's Attorney may file an objection to the petition within 30 days of being served if the petitioner has been convicted of and not been pardoned or has a pending case for any of the these enumerated charges: identity theft, aggravated identity theft, felony or misdemeanor criminal sexual abuse if the victim of the offense at the time of its commission is under 18 years of age, felony or misdemeanor sexual exploitation of a child, felony or misdemeanor indecent solicitation of a child, or felony or misdemeanor indecent solicitation of an adult. Provides the same opportunity to object if the petitioner has any pending charge that would require compliance, if convicted, with the Sex Offender Registration Act, the Murderer and Violent Offender Against Youth Registration Act, or the Arsonist Registry Act. Provides those objections must be in writing, filed with the circuit court clerk, served upon the petitioner, and state with specificity the basis of the objection, including, but not limited to, any evidence of specific intent for requesting the name change and any specific and detailed facts demonstrating that any potential risk to another individual or group would outweigh any potential harm or negative impact to the individual making the request for the name change. Makes other changes.

House Floor Amendment No. 1

Requires a petition for name change to include a statement if the petitioner is a juvenile with a current felony or misdemeanor adjudication or conviction that has not been sealed or expunged, and for which a pardon has not been granted a pending charge on a felony or misdemeanor, or has an arrest for which a charge has not been filed. Provides that adults with sealed juvenile convictions or adjudications are not required to disclose the sealed convictions or adjudications on the name change petition, and such convictions and adjudications may not be considered in the proceedings. Restores current law that allows the State's Attorney to request the court order a petitioner to update the petitioner's criminal history with the Illinois State Police in certain circumstances. Requires that notice of the petition must be served on the State's Attorney if the petitioner is a juvenile with a current felony or misdemeanor conviction or adjudication that has not been sealed or expunged, and for which a pardon has not been granted, pending charge on a felony or misdemeanor offense, or has an arrest for which a charge has not been filed. Provides that notice of a name change does not have to be given to the Illinois State Police and State's Attorney for an adult with a sealed, expunged, or pardoned juvenile conviction or adjudication. Provides that the State's Attorney may file an objection if the petitioner has a pending case for a Class 2 felony or greater offense. Makes other changes.

Provides that every covered housing provider, as defined, and its agents that receive federal housing assistance payments from the U.S. Department of Housing and Urban Development are subject to the provisions of the Act. Provides that unless required by federal law or an applicable State or federal funding program, no covered housing provider shall establish or implement any rules, policies, or procedures that: (i) impose time limits as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants; or (ii) impose work requirements as a condition of initial or continued eligibility for any covered housing or that impact the amount of the rent subsidy or assistance provided to covered housing tenants. Provides that nothing with respect to this prohibition prevents a covered housing provider from terminating assistance or a residential lease as authorized by federal law. Permits a covered housing provider to establish and implement a voluntary employment or job training program, or encourage a covered housing applicant or tenant to participate in a voluntary employment or job training program if program participation does not impact the applicant's or tenant's initial or continued eligibility for the rent subsidy or assistance or the amount of rent subsidy or assistance; and the program has one or more specified goals, including, but not limited to, (i) increasing personal income, (ii) generating financial savings, and (iii) homeownership. Amends the Housing Authorities Act with substantially similar provisions. Provides that no housing authority, or its agents, shall impose time limits or work requirements on its tenants or housing applicants. Provides that the prohibition shall apply to all federally assisted housing, as defined, administered by local housing authorities. 750 ILCS 5/505	from Ch. 40, par. 505
750 ILCS 5/510	from Ch. 40, par. 510

Amends the Illinois Marriage and Dissolution of Marriage Act. Provides for a child support calculation for shared physical care in which each parent exercises 110 or more overnights per year with the child or 110 or more overnight equivalents as determined by a court as a deviation from guidelines or upon agreement by the parties. Provides that overnight equivalents are calculated by using a method other than overnights if the parent has significant parenting time periods on separate days in which the child is in the parent's physical care and under the direct care of that parent but does not stay overnight. Provides that if parents have shared physical care of a child, the basic child support obligation is multiplied by 1.5 to calculate the combined shared care child support obligation; the court shall determine each parent's portion of the shared care child support obligation based on the parent's percentage share of combined adjusted net income; the shared care child support obligation is then computed for each parent by multiplying that parent's portion of the shared care support obligation by the percentage of time the child spends with the other parent and determining any adjustment for shared physical custody that is less than 146 overnights or overnight equivalents. Provides that the respective shared care child support obligations are then offset with the parent owing more paying the difference in child support. Creates a statutory table to calculate the child support if a parent has physical shared custody for less than 146 overnights or overnight equivalents per year. Provides that the shared care child support obligation after adjustment may not be greater than the amount that would have been ordered under the basic support guidelines in any event. Provides that a parent incarcerated for more than 180 days is presumed to be unable to pay any amount of child support, and this presumption may be rebutted by evidence establishing the ability to pay child support during incarceration. Provides a rebuttable presumption that a minimum child support obligation of \$40 per month, per child, will be entered for an obligor who has actual or imputed gross income at or less than 100% of the most recent United States Department of Health and Human Services Federal Poverty Guidelines for a family of one person.

Amends the Affordable Housing Planning and Appeal Act. Requires non-exempt local governments to provide residents with notice and the opportunity for comment at a public hearing prior to adopting an affordable housing plan. Requires a non-exempt local government to provide proof of its compliance with the notice and public hearing requirements when it submits a copy of its affordable housing plan to the Illinois Housing Development Authority. Expands the list of information that must be provided in the affordable housing plan to include, (i) an identification of "specific lands" (rather than "lands") within the jurisdiction that are most appropriate for the construction of affordable housing, (ii) proposed timelines to commence "specific actions and deadlines" (rather than "actions") to implement the components of the affordable housing plan, and (iii) incentives, including certain measures to address the need for affordable housing, that the local government may provide for the purpose of attracting affordable housing. In a provision permitting certain persons to appeal a local government's denial of a proposed affordable housing plan, expands the list to include a service provider that is under contract to provide services for potential residents of a proposed supportive housing project or community-integrated living arrangement that is included in the proposed affordable housing plan. Contains provisions concerning final actions or decisions by the governing body of the local government on the proposed affordable housing plans; appeal procedures and timelines; and other matters. Expands the Illinois Housing Development Authority's rulemaking authority to include the adoption of rules and regulations concerning the substance of affordable housing plans consistent with the changes made in the amendatory Act.

House Floor Amendment No. 1

Changes the definition of "exempt local government" to mean any local government in which at least 25% (rather than 10%) of its total year-round housing units are affordable, as determined by the Illinois Housing Development Authority, or any municipality with a population under 2,000 (rather than 2,500). Provides that beginning October 1, 2028 (rather than October 1, 2024, the Illinois Housing Development Authority shall determine which local governments are exempt or not exempt from the operation of the Act. Requires an affordable housing plan to consist of incentives, including, but not limited to, specified measures outlined under the amendatory Act, that the local government intends to (rather than may) provide for the purpose of attracting affordable housing to its (rather than their) jurisdiction. Provides that a local government, whether exempt or non-exempt under the Act, may adopt measures regarding the preservation of existing affordable housing, including home modifications to support accessibility. Makes several technical changes.

Amends the Illinois Human Rights Act. Provides that it is a civil rights violation under the Act to refuse to lease or rent real property or otherwise discriminate against any person in the terms, conditions, or privileges of a real estate transaction by using an applicant's credit score or credit history as a disqualifying factor if that applicant's source of income includes a local, State, or federal housing subsidy. "Housing subsidy" includes, but is not limited to, housing choice vouchers, permanent supportive housing program placements, or rapid rehousing subsidies. Provides that use of credit scores or history to deny a rental application to a person with a housing subsidy is a violation of the Act as it constitutes a practice that subjects individuals to discrimination based on source of income without a legitimate, nondiscriminatory necessity.

Amends the Township Open Space Article of the Township Code. Reduces the acreage that constitutes open land or open space under the Article to 25 acres (currently, 50 acres). Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

House Floor Amendment No. 1

Reduces the acreage that constitutes open land or open space under the Article from 50 acres or more to 12 acres or more (rather than from 50 acres or more to 25 acres or more in the introduced bill). Provides that a township board may, without a referendum, sell, convey, or donate any part of the open space to the Illinois Department of Transportation if specified conditions are satisfied. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any open space affected by that action shall continue to be used for open space purposes unless, among other reasons, the open space is sold, conveyed, or donated to a nonprofit organization, the federal government, a state government, or a local government to be used for open space purposes.

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Amends the Charter Schools Law of the School Code. Provides that upon approval of a charter renewal by an authorizer, the charter operator shall execute the renewal agreement no later than 90 days after the date of the authorizer's final renewal approval. Provides that a charter school that is deemed nonrenewed is ineligible to receive any payments from a school district. Provides that a charter operator that fails to execute a renewal agreement within a specified period may not continue to operate the charter school beyond the expiration of the existing charter term and is subject to closure procedures. Requires every charter operator to maintain closure security. Provides that failure to maintain closure security is a basis for the authorizer to withhold a portion of per-pupil payments until compliance is achieved and for consideration in denying a charter renewal or revoking the charter or ineligibility to operate additional charter campuses. Provides that if the closure security is insufficient to cover the costs of a closure event, the authorizer or the State Board of Education may bring a civil action against the charter operator to recover the unpaid amounts and seek to impose a lien on any property owned by the charter operator to secure recovery. Provides that if an authorizer determines that a charter school is in financial distress, the authorizer may require the charter operator to submit a financial remediation plan within 30 days. Provides that if the authorizer determines that the charter school has failed to implement an approved remediation plan or the financial distress presents an immediate risk to students, employees, or public funds, the authorizer may initiate financial intervention by appointing an independent fiscal manager approved by the authorizer and the State Board. Allows the fiscal manager to exercise authority limited to financial matters. Provides that financial intervention is temporary and may not exceed 180 days, except that the authorizer may extend the intervention once for good cause. Makes other changes. Effective immediately.

from Ch. 121, par. 100-8

Amends the Toll Highway Act. Provides that the Illinois State Toll Highway Authority has the power to establish a special pay supplement for those positions of employment that require that a person employed in that position speak or write a language other than English. Provides that such paid positions may be eligible for a bilingual pay supplement to attract bilingual individuals, to encourage present employees to become proficient in languages other than English, or to retain qualified bilingual employees. Provides that a bilingual pay supplement shall be processed within 30 calendar days after the employee presents to the Authority a certification from either the designated testing program process selected by the Authority or a State community college confirming that language skill proficiency in reading, writing, and speaking has been satisfied by the employee.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

Provides that, upon discovery of a fire-related death at the scene of the incident (rather than just upon discovery of a fire-related death), the chief of the fire department or the chief's designee shall notify the Office to initiate its investigation (rather than shall notify the Office for an investigation of the cause, origin, and circumstances). Allows the Office to request the fire chief or the chief's designee to take reasonable steps to maintain control of the scene and, if making such request, directs the office to provide an estimated time of arrival to the fire chief or the chief's designee (rather than directs the chief of the fire department or designee to maintain control of the scene until a representative of the Office arrives on the scene and initiates the investigation). Provides that, if the fire chief or the chief's designee has agreed to maintain control of the scene, the fire chief or the chief's designee may turn over control of a scene to a law enforcement officer. Provides that the fire chief, designee, or law enforcement officer is not required to maintain a scene (i) after the arrival of a representative of the Office or (ii) upon advisement from the Office that it is no longer necessary to maintain control of the scene, whichever is first.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

Replaces everything after the enacting clause. Amends the Landlord and Tenant Act. Adds provisions concerning rental fee transparency by requiring all non-optional fees, regardless of whether they are one-time fees or recurring fees, to be explicitly contained on the first page of a lease agreement. Provides that a tenant shall not be liable for payment of any fee that is not explicitly contained on the first page of the lease agreement. Requires a landlord to disclose in the lease agreement or unit listing whether utilities are included in the rent. Prohibits certain fees including: (i) a fee for a rental application or background check in excess of \$50, with some exceptions; (ii) a fee or fine for modification or renewal of a lease agreement; (iii) a fee or fine for after-hours requests for maintenance service; (iv) a fee or fine for pest abatement or removal where the tenant has in no way contributed to the infestation; and other fees. Limits the concurrent exercise of home rule powers if inconsistent with the provisions of the amendatory Act. Provides that the amendatory Act applies to all lease agreements for residential rental property entered into after the effective date of the amendatory Act; and that a landlord may not rename a fee or charge to avoid application of the Act. Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes)). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

Amends the Uniform Electronic Transactions in Dental Care Billing Act. Provides that beginning January 1, 2028 (instead of 2026), no dental plan carrier is required to accept from a dental care provider eligibility for a dental plan transaction or dental care claims or equivalent encounter information transaction. Sets forth exemptions from the requirements of the Act, and requires a dental care provider who is exempt from the requirements of the Act to file a form with the Department of Insurance indicating the applicable exemption. Requires each dental plan carrier to establish a portal that provides certain benefit and billing information. Requires a dental plan carrier to establish an electronic portal that allows dental care providers to submit claims electronically and directly to the dental care provider; accept attachments in an electronic format with the initial electronic claim's submission; and provide remittance advice with the corresponding payment. Provides that nothing in the Act requires a dental care provider to only accept electronic payment from a dental plan carrier. Provides that dental plan carriers shall allow alternative forms of payment, without additional fees or charges, to a dental care provider, if requested. Effective immediately.

State Mandates Fiscal Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

Balanced Budget Note (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 3350, as Introduced, as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

HB 03350 (Continued)

Judicial Note (Admin Office of the Illinois Courts)

Based on a review of HB 3350, the legislation will not increase or decrease the number of judges needed in the State of Illinois.

Pension Note (Government Forecasting & Accountability)

HB 3350 shall have no impact on any public pension fund or retirement system in the State of Illinois.

State Debt Impact Note (Government Forecasting & Accountability)

HB 3350 would not change the amount of authorization for any type of State issued bond, and, therefore, would not affect the level of State indebtedness

Fiscal Note (Financial & Professional Regulation)

The Illinois Department of Financial and Professional Regulations (IDFPR) estimates that implementing House Bill 3350 will require three additional staff members, resulting in an estimated cost of \$942,800. However, the bill does not include a dedicated revenue source to offset these expenditures. As a result, these costs are not accounted for in the Governor's introduced budget, placing an additional financial burden on the department. Without a corresponding increase in revenue, the department will be required to absorb these costs within its existing budget, which would negatively impact its appropriations authority and fund balance. This unfunded mandate could strain IDFPR'S ability to effectively carry out its regulatory responsibilities.

Correctional Note (Dept of Corrections)

House Bill 3350 would result in no increase to the corrections population and have no fiscal impact on the Department over the first ten years after enactment.

New Act

Creates the Illinois Receivership Act. Creates a process in which a person is appointed by the court as the court's agent under the court's direction to take possession of, manage and, if authorized by the Act or court order, transfer, sell, lease, or otherwise dispose of receivership property. Provides criteria for a court to provide notice and opportunity for a hearing as appropriate before the court can issue an order under the Act. Applies to real property and any personal property related to or used in operating the real property, personal property and fixtures, and other business assets such as corporations, limited liability companies and trusts among other things. Provides that this Act does not apply to (i) an interest in real property improved by one to six dwelling units with some exceptions; (ii) a receiver that is a governmental unit or an individual acting in an official capacity on behalf of the governmental unit unless the unit elects for this Act to apply; and (iii) a receiver appointed under the Illinois Mortgage Foreclosure Law. Defines terms. Provides for the powers and duties of a receiver, disqualification of a receiver, the status of a receiver as lien holder, duties of an owner, powers of the court in managing a receivership, and defenses and immunities of a receiver. Makes other changes.

House Floor Amendment No. 1

Provides that this Act does not apply to residential real estate as defined in the Illinois Mortgage Foreclosure Law. Deletes provisions that this Act does not apply to a receivership for an interest in real property improved by one to six dwelling units unless: (1) the interest is used for agricultural, commercial, industrial, or mineral-extraction purposes, other than incidental uses by an owner occupying the property as the owner's primary residence; (2) the interest secures an obligation incurred at a time when the property was used or planned for use for agricultural, commercial, industrial, or mineral-extraction purposes; (3) the owner planned or is planning to develop the property into one or more dwelling units to be sold or leased in the ordinary course of the owner's business; or (4) the owner is collecting or has the right to collect rents or other income from the property from a person other than an affiliate of the owner.

House Floor Amendment No. 2

Provides that the Act does not apply to a receivership if the receiver is appointed under the Nursing Home Care Act.

HB 02565

Rep. Dave Vella-Rick Ryan-Abdelnasser Rashid-Gregg Johnson, La Shawn K. Ford, Amy Briel and Marcus C. Evans, Jr.

820 ILCS 405/604 from Ch. 48, par. 434

Amends the Unemployment Insurance Act. Provides that an individual shall be ineligible for benefits for a period totaling and not to exceed 2 weeks (rather than an individual shall be ineligible for benefits for any week) with respect to which it is found that his total or partial unemployment is due to a stoppage of work which exists because of a labor dispute at the factory, establishment, or other premises at which he is or was last employed. Provides that, after the 2-week period, the individual will be eligible for benefits.

Fiscal Note, House Floor Amendment No. 1 (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Amendment 1 to House Bill 2565 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. Assuming that the number of strikes in Illinois remains at the historical average for the past 17 years, and that the average strike period remains at approximately four benefit weeks, and using estimated 2026 wage data, the Department estimates the total cost to the UTF under Amendment 1 of HB 2565 would be approximately \$700,000 to \$1,000,000 per year. In addition, it is reasonable to expect that employers who make payments in lieu of contributions (governmental entities and not-for-profit employers who repay the UTF dollar-for-dollar for all unemployment benefits paid to their workers) would repay the UTF approximately \$700,000 to \$1,000,000 per year, under the same assumptions. The Department also estimates that, under the same assumptions as above, administrative costs for implementing and administering Amendment 1 of HB 2565 would be approximately \$67,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department has also asked the United States Department of Labor for a standard, informal conformity review of the language of this bill with federal regulations. The Department has not yet received a response.

330 ILCS 61/1-15

Amends the Service Member Employment and Reemployment Rights Act. In a provision concerning differential compensation, changes the definition of "work days" to mean the actual number of shifts (rather than days) the employee would have worked during the period of military leave but for the service member's military obligation. Further provides that work days are tabulated without regard for the number of hours in a shift (rather than work day), regardless if the shift extends into the next day. Removes a provision providing that work hours that extend into the next calendar day count as 2 work days.

330 ILCS 61/5-5

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following additional changes: Provides that a service member whose employment with an employer is interrupted by a period of active service shall be permitted, upon request of that service member, to use during such period of service any vacation, annual, or similar leave with pay accrued by the service member before the commencement of such period of active service. In a provision concerning concurrent compensation for public employees who are members of a reserve component, provides that such public employees may receive concurrent compensation for both annual training orders and orders in lieu of annual training in the same calendar year; however, the combined total of their concurrent compensation shall not exceed 30 days in a calendar year. In a provision concerning differential compensation, provides that after a public employee is absent from his or her employment for a consecutive period of 365 days while performing voluntary active service, the employee's entitlement to differential compensation shall be terminated. Further provides that the public employee's right to differential pay shall be reinstated upon the employee's return to work with his or her employer for more than 90 calendar days. Provides that public employees are not entitled to differential pay for periods of unpaid active service including, but not limited to: travel to and from military orders, rest periods immediately before or after military orders, and military service in which the public employee does not receive pay from the military. Provides that "work days" are tabulated up to 24 continuous hours in a shift, regardless if the shift extends into the next calendar day; and a shift that extends beyond 24 continuous hours will be calculated as an additional work day. Makes the bill effective immediately.

Senate Floor Amendment No. 1

Provides that, no later than 45 days after a youth in care is removed from the youth's home and placed in the temporary custody or guardianship of the Department of Children and Family Services, and every year thereafter, a youth in care shall receive mental health prevention and wellness screenings unless the youth in care is (1) less than 6 months of age; (2) 12 years of age or older and does not consent to receiving mental health services; or (3) already being treated by a mental health clinician. Provides that, if the required screening results in a recommendation of mental health care for the youth, the youth's caseworker shall coordinate the delivery of mental health care and related services recommended for the youth. Specifies that, if the youth in care is covered under the State's Medicaid managed care program, the managed care plan shall ensure that the youth has access to a mental health provider who will begin serving the youth within 30 days after receipt of the referral from the screening and who satisfies certain availability and proximity requirements. Requires the Department of Children and Family Services and the Department of Healthcare and Family Services to ensure that any managed care plan that is in effect, amended, delivered, issued, or renewed on or after January 1, 2026 will require managed care organizations to meet these obligations if the managed care plan serves youth in care under the State's Medicaid managed care program. Specifies that any mental health care and related services provided to the youth shall be in addition to any other care or services the youth receives from the youth's primary care provider. Grants the Department of Children and Family Services rulemaking powers to implement these provisions, including the power to adopt rules to promote a holistic and proactive approach to the provision of mental health care for youth in care. Defines "mental health and wellness screening".

105 ILCS 5/24-12

Amends the School Code. Allows a teacher to grieve the issuance of a warning regarding causes that are considered remediable pursuant to the applicable collective bargaining agreement to determine whether the school district had just cause in issuing the warning. Requires notice of remedial warnings to be narrowly specify the nature of the alleged misconduct that needs to be remedied. Provides that general allegations of unprofessional conduct are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances shall a notice of remedial warning remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning. Effective immediately.

House Floor Amendment No. 1

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Removes the language that provides that general allegations of unprofessional conduct or similar phrases are insufficient to link together otherwise unrelated offenses as related. Provides that under no circumstances may a notice of remedial warning remain effective for longer than 4 years from the date of the issuance of the notice of remedial warning (rather than remain effective or within a teacher's personnel file or record for longer than 3 years from the date of the occurrence which gave rise to the issuance of the notice of remedial warning). Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following change: Provides that a notice of remedial warning may not include misconduct deemed irremediable or actions that are injurious to or endanger the health or person of students in the classroom or school. Corrects a grammatical error. Effective immediately.

New Act
105 ILCS 5/27A-5

Creates the Right to Play Act. Provides that a student who is a member of a school athletic activity may participate in a nonschool athletic activity that is of the same sport as the school athletic activity during the season in which the student participates in the school athletic activity without losing eligibility to participate in the school athletic activity, provided that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day.

House Floor Amendment No. 1

Provides that the student may participate with a waiver granted by the principal or athletic director from the student's school. Provides that the waiver may also apply to "all-star team" events and that up to 2 waivers per student may be granted over the course of each school year. Requires the waiver to be reported by the school granting the waiver to an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within the State. Removes language that provides that the student may not participate in both the nonschool athletic activity and a school athletic practice or competition for the same sport on the same day. Corrects terminology and typographical errors.

from Ch. 23, par. 4161

Amends the School Code. Provides that beginning with the 2026-2027 school year, a school district shall provide informational materials about the Illinois Achieving a Better Life Experience (ABLE) account program (rather than the Achieving a Better Life Experience (ABLE) account program) annually to the parent or guardian of a student who has a section 504 Plan under the federal Rehabilitation Act of 1973, using the same distribution methods employed for other communications related to the student's section 504 Plan. Removes language providing that a school may transmit the informational material to a parent or guardian in the same manner as other documents and information related to an Individualized Education Program meeting are provided to the parent or guardian. Amends the Department of Early Childhood Act and the Early Intervention Services System Act. In provisions requiring individualized family service plans for children receiving early intervention services, provides that during the initial development of an individual family service plan and at each review meeting of the service plan, the regional intake offices shall provide the parent or guardian with informational materials about the Illinois (ABLE) account program. Requires the informational materials to include an overview of the Illinois ABLE account program, eligibility criteria, and other necessary enrollment information. Requires the Office of the State Treasurer to prepare and deliver the informational materials about the Illinois ABLE account for distribution to regional intake offices which shall subsequently disseminate the informational materials to parents and guardians in the same manner as they transmit other documents to families. Makes technical changes to the State Treasurer Act to change the name of the Achieving a Better Life Experience (ABLE) account program to the Illinois Achieving a Better Life Experience (ABLE) account program.

House Floor Amendment No. 1

HB 02367 (Continued)

Amends the Unified Code of Corrections. Eliminates provisions that a person must serve various percentages for particular offenses. Provides that the rules and regulations of the Department of Corrections shall provide that the individual in custody shall receive one day of sentence credit for each day of service in prison other than when a sentence of natural life imprisonment has been imposed. Provides that each day of sentence credit shall reduce by one day the incarcerated person's period of incarceration set by the court. Provides that within 6 months after the effective date of the amendatory Act, the Department of Corrections shall recalculate each incarcerated person's release date by crediting each person one day sentence credit for each day the incarcerated person has spent in prison on the current sentence. Provides that an incarcerated person serving a term of natural life imprisonment shall be eligible to accumulate sentence credit so that in the event that his or her sentence is reduced to something less than a sentence of natural life imprisonment, it can thereafter be credited toward his or her new sentence. Makes technical changes. Effective January 1, 2026.

Amends the Criminal Code of 2012. Changes the statute of limitations for grooming to provide that when the victim is under 17 years of age at the time of the offense, a prosecution for grooming may be commenced within 10 years after the victim or the person with a disability attains 17 years of age. Changes the name of the offense of child pornography to child sexual abuse material. Deletes references to criminal transmission of HIV in various statutes. In the Sex Offenses Article of the Criminal Code of 2012, provides a definition for "unable to give knowing consent" and changes the definition of "family member" to include a sibling and an accused who has resided in the household for at least 3 (rather than 6) months. Provides that a person commits sexual exploitation of a child if in the presence or virtual presence, or both, of a child and with knowledge that a child or one whom he or she believes to be a child would view his or her acts, that person knowingly entices, coerces, or persuades a child to participate in the production of the recording or memorializing a sexual act of persons ages 18 or older. Provides that a violation of this provision of sexual exploitation of a child is a Class 4 felony. Provides that a defendant, in order to commit grooming, must be 5 years or more older than the groomed child, or hold a position of trust, authority, or supervision in relation to the child at the time of the offense. Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability) involving the use of a facility dog in any criminal proceeding. Makes other changes concerning the admissibility of evidence in cases involving involuntary servitude, involuntary sexual servitude of a minor, and trafficking in persons. Amends various Acts to change references from "child pornography" to "child sexual abuse material".

House Committee Amendment No. 1

Restores various references to "child pornography" in the bill.

House Floor Amendment No. 2

In the amendatory changes to the definition provisions of the Sex Offenses Article of the Criminal Code of 2012, defines "unable to give knowing consent" as including, but not being limited to, when the victim was asleep, unconscious, or unaware of the nature of the act (rather than surprised) such that the victim could not give voluntary and knowing agreement to the sexual act.

Amends the Courses of Study Article of the School Code. Provides that, beginning with the 2026-2027 school year, every public elementary school and high school shall include in its curriculum a unit of instruction studying the events of Arab American history, including the history of Arab Americans in the State and the Midwest, as well as the contributions of Arab Americans from the 19th century onward. Provides that the State Superintendent of Education may prepare and make available to all school boards instructional materials, including those established by the Public Broadcasting Service, that may be used as guidelines for the development of the unit of instruction. Provides that each school board shall determine the minimum amount of instructional time that qualifies as a unit of instruction. Provides that the regional superintendent of schools shall monitor a school district's compliance with the curricular requirements during the regional superintendent's annual compliance visit. Provides that a school may meet the requirements through an online program or course. Effective immediately.

Fiscal Note (State Board of Education)

This change would have a fiscal impact on the Illinois State Board of Education, with estimated costs of \$8,764 for implementation. While there may also be increased costs to school districts, regional offices of education, and public schools, those amounts are currently unknown. The State Board of Education recommends that sponsors consult with relevant stakeholders to better understand the potential costs to districts.

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. HB 04471 (Continued)

Replaces everything after the enacting clause. Creates the Responsible Gun Manufacturing Act. Provides that it is unlawful for a person to manufacture a convertible pistol. Provides that it is unlawful for a certified licensee, as defined in the Firearm Dealer License Certification Act, to sell, offer to sell, exchange, give, transfer, or deliver any convertible pistol. Provides that a violation of the Act is punishable by a civil penalty of \$10,000, which shall be paid to the Illinois State Police. Provides that, if the person who committed the violation is a certified dealer, at the discretion of the Illinois State Police, the Illinois State Police shall suspend or revoke the certified dealer's license under the Firearm Dealer License Certification Act. Provides that the civil penalty and license suspension or revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides that a second violation of the Act is punishable by a civil penalty of \$25,000, which shall be paid to the Illinois State Police, and, if the person who committed the violation is a certified dealer, the Illinois State Police shall revoke the certified dealer's license pursuant to the Firearm Dealer License Certification Act. Provides that the civil penalty and license revocation shall be assessed by the Illinois State Police after a hearing is held in accordance with the Firearm Dealer License Certification Act. Provides exemptions. Provides that the Illinois State Police may adopt rules to implement the Act. Provides for emergency rulemaking by the Illinois State Police to implement the Act. Defines "convertible pistol" as any semiautomatic pistol with a cruciform trigger bar that can be readily altered by hand or with common household tools so that it can be converted into a machine gun by the installation or attachment of a switch. Provides that "convertible pistol" does not include hammer-fired semiautomatic pistols. A tab or other piece of material on a pistol frame is not sufficient to prevent ready alteration so that the pistol can be converted into a machine gun by the installation or attachment of a switch, and will not prevent such pistol from qualifying as a convertible pistol, if that tab or other piece of material can be readily removed with common household tools. Defines other terms. Amends the Illinois Administrative Procedure Act to make conforming changes.

Creates the Emerging and Socially Disadvantaged Farmers Infrastructure and Market Access Grant Program. Provides that the Department of Agriculture shall administer grants to eligible applicants to increase agricultural production, strengthen farm viability, and expand market access. Fiscal Note (Department of Agriculture)

House Bill 4922 has a negative impact on state revenues and would require annual additional appropriation of \$372,687.70 from the General Revenue Fund. HB 01224 (Continued)

New Act
30 ILCS 540/1

from Ch. 127, par. 132.401

Creates the State Agency Retainage Act. Provides that, if a State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made, a percentage of the payment may be retained by the State agency. Prohibits the amount of retainage under the Act from exceeding 10% of the amount of any and all draw amounts submitted and approved under the terms of the contract until the contract is 50% completed. Prohibits retainage of more than 5% of the contract of the amount of any and all draw amounts submitted and approved under the terms of the contract for the duration of the contract. Authorizes retainage to be adjusted as the contract approaches completion to recognize better than expected performance, the ability to rely on alternative safeguards, and other factors. Further provides that on completion of all contract requirements, amounts retained under the Act must be paid promptly. Defines the terms "retainage" and "State agency". Amends the State Prompt Payment Act. Specifies that the State Prompt Payment Act does not apply to retainage withheld under the State Agency Retainage Act.

House Floor Amendment No. 3

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Deletes the provisions that amended the State Prompt Payment Act. Provides that "retainage" does not include moneys withheld from grants to entities for capital improvements to non-State property. Provides that, if the contractor or subcontractor has displayed unsatisfactory performance on previous State agency projects resulting in a low performance score or suspension of prequalification, the State agency may apply retainage from the beginning of the project. Provides that, notwithstanding any other provision of law, if a State agency has not withheld retainage from a payment to a contractor on a project, then that contractor may not withhold retainage from a payment to a subcontractor for the same project. Provides that, if a State agency has withheld retainage from a contractor under the Act, then the contractor may withhold retainage from a payment to a subcontractor, but only to the extent that the amount retained from payment to the contractor by the State agency is attributable to a failure on the part of the subcontractor to make satisfactory progress with respect to the subcontractor's contractual obligations. Specifies that the Act's limitations on retainage from subcontracts apply only to subcontracts that are entered into on or after the Act's effective date of the Act in connection with a State construction contract that is subject to the Act. Effective July 1, 2026.

Senate Committee Amendment No. 1

Deletes reference to:
New Act

Deletes reference to:
30 ILCS 540/1

from Ch. 127, par. 132.401

Adds reference to:
30 ILCS 550/1

from Ch. 29, par. 15

Replaces everything after the enacting clause. Amends the Public Construction Bond Act. Provides that, before the completion of 50% of the contract for public works, the State or a local governmental unit, except for the Department of Transportation, may not withhold retainage from any payment to a contractor who furnishes the bond or bond substitute required by the Act in an amount in excess of 10% of any payment made before the date of completion of 50% of the contract for public works. Provides that, when a contract for public works is 50% complete, the State or the local governmental unit, except for the Department of Transportation, shall reduce the retainage so that no more than 5% is held. Allows a State agency, subject to these limitations, to withhold as retainage a portion of the moneys from the payment of a contract that is entered into on or after the effective date of the amendatory Act if and only if the State agency determines that satisfactory progress has not been achieved by a contractor or subcontractor during any period for which a payment is to be made. Requires satisfactory progress to be clearly provided for in the contract between the State agency and the contractor or subcontractor. Provides that retainage may not be used as a substitute for good contract management, and the State agency may not withhold funds without cause. Provides that determinations to retain and the specific amount to be withheld must be made by the State agency on a case-by-case basis based on the performance of milestones under the current contract as provided for in the contract between the State agency and the contractor. Prohibits a contractor from withholding retainage from a subcontractor except to the extent a State agency has withheld retainage from the contractor which is attributable to that subcontractor's subcontract. Defines "retainage". Provides that nothing in the amendatory Act may be construed to modify any provision of the State Prompt Payment Act or the Local Government Prompt Payment Act. Effective June 1, 2027.

Senate Floor Amendment No. 3

Provides that the provision does not apply to the Illinois State Toll Highway Authority.

Amends the Medical Assistance Article of the Illinois Public Aid Code. In provisions concerning non-emergency transportation services for medical assistance recipients, removes a requirement that facilities complete a Physician Certification Statement prior to ordering non-emergency transportation services for a patient. Instead, requires the Department of Healthcare and Family Services to develop, subject to federal approval, a Uniform Non-Emergency Transportation Certification Form (form) for non-emergency transportation. Provides that the form shall be the only form used by and required of all facilities, physicians, transportation providers, and transportation brokers whenever a patient or person covered by the medical assistance program is being transported from a facility or personal residence and requires non-emergency transportation. Makes corresponding changes to the Nursing Home Care Act and the Hospital Licensing Act. Further amends the Medical Assistance Article with a provision authorizing transportation brokers to use a network of independent driver providers for the delivery of covered transportation services. Provides that transportation brokers and participating independent driver providers shall be subject to the same driver credentialing and licensing standards and provider registration requirements as transportation network companies (TNC) and TNC drivers enrolled in the Impact Medicaid Program Advanced Cloud Technology system. With respect to the Department's Business Enterprise Program requirements for Medicaid managed care organizations (MCO), requires each MCO to submit only one Letter of Intent that consolidates and sets forth all pending transportation services from all BEP-certified transportation providers contracted with the MCO. Requires the Department to permit a MCO's transportation broker to attest to the accuracy of all claims for services provided by a contracted transportation provider.

Representative Nicholas K. Smith
HB 03811 (Continued)

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

Sets forth information to be included in the written status updates. Provides that if the Board has not issued a final determination approving or denying an application within 365 days after the date the application is deemed complete, the Board shall issue a conditional approval to the applicant unless the delay is attributable to: the applicant's failure to timely provide requested information or documentation; a pending criminal investigation or enforcement action directly involving the applicant; or a written finding by the Board, supported by specific facts, that issuance of a conditional approval would pose a material risk to the public interest or the integrity of video gaming. Provides that a conditional approval authorizes the applicant to proceed with preparatory business activities consistent with licensure but does not authorize operation of video gaming terminals until final approval is issued. Creates the Emerging and Socially Disadvantaged Farmers Infrastructure and Market Access Grant Program. Provides that the Department of Agriculture shall administer grants to eligible applicants to increase agricultural production, strengthen farm viability, and expand market access. Defines "emerging farmer," "socially disadvantaged farmer," and related terms. Specifies allowable uses of grant funds, priorities for awards, and reporting requirements. Effective July 1, 2026.

Fiscal Note (Department of Agriculture)

House Bill 4922 has a negative impact on state revenues and would require annual additional appropriation of \$372,687.70 from the General Revenue Fund. The additional annual appropriation is specific to the costs of administering the program and is not reflective of the total investment required to effectively stand up the program.

Requires a facility that complies with an order to readmit a resident that has been deemed to have been unlawfully discharged to notify the Department within 10 business days after the resident has been readmitted to the facility. Provides that a facility may involuntarily transfer or discharge a resident because the facility is unable to meet the medical needs of the resident, as documented in the resident's clinical record by the resident's physician. Makes other changes. Effective immediately.

House Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes: Removes provisions that required the Department of Public Health to consider an order from an administrative law judge and steps the facility took to safely care for the resident when considering whether a violation occurred. In provisions concerning the ordered readmission of a patient, provides that, if a resident whose readmission was ordered by the Department engages in conduct similar to that which led to the resident's involuntary discharge and for which the facility documented concerns, the Department shall take into account the required notice provided by the facility in considering whether to impose a fine. Changes the effective date to January 1, 2026 (instead of an immediate effective date).

New Act

Creates the Aligning Recommendations with Children's Actual Clinical and Emergency Needs and Determinations Act (ARC-ACEND). Provides that if a child who is the subject of a custody or parenting-time dispute has a serious medical condition, all recommendations made by guardian ad litem, child representative, evaluator, mediator, or other court-appointed officer are deemed provisional and may not be used by the court until a qualified medical provider certifies, in writing, that the recommendation is consistent with the child's clinical needs and medical best interests. Requires that if a qualified medical provider determines that a provisional recommendation is not consistent with the child's clinical needs or medical best interests, the recommendation must be modified to at least the minimum extent necessary to achieve consistency with the recommendations of the qualified medical provider. Provides that nothing in the Act may be construed to limit the court's authority to order additional or more protective modifications if consistent with the child's clinical needs or medical best interests, but the court may not impose less protective measures or measures inconsistent with the qualified medical provider's recommendations. Requires that if the court alters the recommended modifications of the qualified medical provider, it must rule in writing and specify the reasons for the alteration, and the qualified medical provider and the child's primary caregiver must be given an opportunity to respond before the order becomes final. Requires medical consistency for children with a serious medical condition to supersede all other considerations, including but not limited to, geography, parental preferences, logistical convenience or feasibility, or generalized notions of co-parenting balance. Provides that for any child with a serious medical condition, it is per se contrary to the child's medical best interests to be separated from a safe parent who is primarily or predominantly responsible for the child's day-to-day condition-related care, monitoring, or condition management. Provides that this presumption may be rebutted only by clear and convincing evidence, supported by qualified medical testimony, that separation is medically necessary for the child's safety or clinical well-being.

Creates the Supervised Parenting Safety and Fairness Act. Makes legislative findings. Requires that before a court may order supervised parenting time, it must determine whether qualified supervisors are reasonably available within the child's geographic area and shall document the inquiry. Requires that if supervision is warranted, the court may not order or permit unsupervised parenting time solely because no qualified supervisor is available. Provides that if no qualified supervisor is available, the court shall maintain the restriction on unsupervised parenting time and order one or more statutorily authorized alternatives, including temporary suspension of in-person parenting time, virtual contact, therapeutic supervised contact, or other protective measures necessary to ensure safety. Provides a rebuttable presumption of supervised parenting time: (1) in any case in which that parent has committed abuse against the child or the other parent based on a preponderance of the evidence; (2) when the other parent has an active order of protection against the parent in question which has been upheld or extended after a hearing. Provides that evidence of abuse may not be given weight if it appears more probable than not to be manufactured or the product of coaching or fabricated, unless and until it can be independently corroborated.
