Provides that the amendatory Act may be referred to as the Thermal Energy Network and Jobs Acts. Sets forth a statement of legislative findings and intent. Amends the Public Utilities Act. Defines "thermal energy" and "thermal energy network". Requires the Illinois Commerce Commission to initiate a proceeding within 6 months after the effective date of the amendatory Act to support the development of pilot thermal energy networks. Provides that within 10 months after the effective date of the amendatory Act, every gas public utility, electric public utility, or combination public utility serving over 100,000 customers shall file with the Commission a petition seeking Commission-approval of at least one and no more than 3 proposed pilot thermal energy network projects. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to report to the Commission, on a quarterly basis and until completion of the pilot thermal energy network project, the status of each pilot thermal energy network project. Requires every gas public utility, electric public utility, or combination public utility constructing or operating a Commission-approved pilot thermal energy network project to demonstrate that it has entered into a labor peace agreement with a bona fide labor organization that is actively engaged in representing its employees. Requires the Commission to adopt specified rules within 4 years after the completion of the construction of all thermal energy network projects. Provides that a gas public utility, electric public utility, or combination public utility required to develop a pilot thermal energy network project shall be permitted to recover all reasonable and prudently incurred costs associated with the development, construction, and operation of one or more pilot thermal energy network projects through general rates or through rates set in a Multi-Year Rate Plan. Effective immediately.

House Committee Amendment No. 1

In provisions concerning definitions, makes changes to the definition of "thermal energy network". In provisions concerning a utility that proposes 3 pilot thermal energy network projects, requires that one pilot project include an industrial heat application that may additionally include residential and commercial applications (rather than one pilot project be focused on existing electric heat customers). Provides that priority shall be given to pilot proposals that replace leak-prone natural gas distribution infrastructure with distribution infrastructure that supplies non-combusting thermal energy or that replaces thermal energy for buildings currently heated with electric resistance heat. Provides that each public utility shall hold at least one pre-filing public meeting to receive public comment concerning the proposed thermal energy network in the municipality where the thermal energy network is to be located. Sets forth requirements for the notice of the public meeting. Provides that the Illinois Commerce Commission shall require projects submitted to a utility-scale renewable thermal energy network program for approval to include a proposed rate structure for thermal energy services supplied to network end users and consumer protection plans for end users. Provides that the Commission may approve the proposed rate structure if the projected heating and cooling costs for end users is not greater than the heating and cooling costs the end users would have incurred if the end users had not participated in the program. In provisions concerning the requirement that the Commission adopt certain rules, provides that such rules shall be adopted within 4 years of the effective date of the amendatory provisions (rather than within 4 years after the completion of the construction of all thermal energy network projects under the amendatory provisions). In provisions concerning the recovery of costs, provides that a gas public utility, electric public utility, or combination public utility developing a thermal energy network project that includes an industrial heat application may recover rates proportionally from each class of customer.

820 ILCS 405/612

from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000.

Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

HB 04491

Rep. Marcus C. Evans, Jr.-Michael J. Kelly-Carol Ammons-Stephanie A. Kifowit

5 ILCS 345/1 from Ch. 70, par. 91

Amends the Public Employee Disability Act. Provides that, whenever an eligible employee suffers any injury or illness in the line of duty (rather than suffers any injury in the line of duty) which causes that employee to be unable to perform the employee's duties, the employee shall continue to be paid by the employing public entity on the same gross pay basis, inclusive of all pensionable salary, as the employee was paid before the injury (rather than paid by the employing public entity on the same basis as he was paid before the injury), with no deduction from and with continued accrual of any sick leave credits (rather than with no deduction from his sick leave credits) and specified other compensation, with other requirements. Makes technical changes.

House Floor Amendment No. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning disability benefits for injury, deletes a provision that would have authorized the employee to continue to be paid after suffering an illness in the line of duty. In provisions concerning illness disability benefits, provides that whenever an eligible employee suffers an illness in the line of duty which causes the employee to be unable to perform the employee's duties, the employee shall continue to be paid by the employing public entity on the same gross pay basis, inclusive of all pensionable salary, as the employee was paid before the illness, with no deduction from and with continued accrual of any sick leave credits, with no deduction from the employee's compensatory time for overtime accumulations, with continued accrual of any vacation credits, and with continued accrual of any service credits in a public pension fund (rather than the employee shall continue to be paid by the employing public entity on the same basis as the employee was paid before the illness, with no deduction from the employee's sick leave credits, compensatory time for overtime accumulations or vacation, and with continued accrual of any service credits in a public pension fund) during the time the employee is unable to perform the employee's duties as a result of the illness, but not longer than one year in relation to the same illness. Makes technical and conforming changes in provisions concerning disability benefits for injury.

Amends the Illinois Pension Code. Makes a technical change in a Section concerning prohibited transactions.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)
Increasing the continuation disability pension paid to survivors by a flat 3% would have a fiscal impact on applicable local downstate firefighter pension funds, limited to survivors who would meet the eligibility requirements. It is not known how many would be eligible for the 3% increase provided in HB 727, as amended by HA 1. However, the number of eligible survivors is expected to be limited due to the restrictive requirements.

105 ILCS 5/34-18.88 new

Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met.

House Committee Amendment No. 1

Replaces everything after the enacting clause. Amends the School Code. Provides that a school board shall prohibit a school from using a native name, logo, or mascot. Provides, however, that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028 if specified requirements are met. Provides that for any school whose team name is the name of a federally recognized tribe or historical Native American person, the school may continue to use its current team name and an agreed upon logo and mascot on and after the effective date of the amendatory Act if certain conditions are met. Provides that nothing in the provisions may be interpreted to prohibit county, municipality, or school district names.

Fiscal Note, House Committee Amendment No. 1 (State Board of Education)

HB 1237 (H-AM 1) provides that a school board shall prohibit a school from using a native name, logo, or mascot; defines "native name, logo, or mascot". However, provides that a school may continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2028, if specified requirements are met. This change would not have a fiscal impact to the State Board of Education. School districts and schools that use mascots as defined above would incur unknown costs over time during implementation of this bill. The State Board of Education recommends the sponsors consult with Illinois Association of School Administrators, Illinois Association of School Boards, or the Illinois High School Association regarding costs to schools and districts.

House Floor Amendment No. 4

Replaces everything after the enacting clause with the provisions of House Amendment No. 1, and makes the following changes: Allows a school to continue to use uniforms or other materials bearing a native name, logo, or mascot that were purchased on or before the effective date of the amendatory Act until September 1, 2030 (rather than 2028) if the school sets forth a reasonable timeline for the selection of a new school or athletic team name, logo, or mascot through formal school board action no later than July 1, 2026 (rather than if certain requirements are met). Includes a marquee, sign, or other permanent school structure that bears the prohibited native name, logo, or mascot that the school shall remove the next time the marquee, sign, or other permanent school structure is remodeled or replaced. Provides that if either a school or federally recognized tribe wishes to terminate consent to use a native name, logo, or mascot, the school shall select a new school or athletic team name, logo, or mascot through formal school board action no later than one year from the date of termination and shall discontinue use of the name, logo, or mascot no later than 3 years from the date of termination (rather than providing that if either a school or federally recognized tribe wishes to terminate an agreement, the school has one year from the date of termination to discontinue its use of the name, logo, or mascot). Makes other changes. Adds an effective date of July 1, 2026.

Creates the Protecting Illinois Native Landscapes Act. Provides that a unit of local government may not enact or enforce an ordinance or resolution that prohibits or unreasonably restricts an owner, authorized agent, or authorized occupant of privately owned residential land or a premises from allowing Illinois native species to voluntarily grow within the landscape or to install and maintain Illinois native species within a managed native landscape. Provides that native landscaping that may not be prohibited includes small or large areas of native landscaping in the front, back, or side yard or in areas that do not fit a standard definition of yard, such as areas on farms, rural properties, corporate campuses, school campuses, and large estates. Excludes from the scope of the Act an ordinance or resolution of a unit of local government that prohibits plants, trees, or other landscaping from interfering with public transportation, vehicular traffic, or driveway or entrance road sight lines or from crossing sidewalks or property boundaries. Limits the concurrent exercise of home rule powers.

Provides, in the definition of "open space purposes", that development includes development for agricultural purposes. Provides that, after the effective date of the amendatory Act, a township board may lease open space that is a part of the township's open space program for a period not longer than 25 years from the date of the lease to an individual, a nonprofit organization, the federal government, a state government, or a local government for specified purposes consistent with open space purposes. Provides that, upon expiration of a lease of land that was leased after the effective date of the amendatory Act, title to all structures on the leased land shall be vested in the township. Provides that leased open space may be used for agricultural purposes. Provides that a township board may lease open space for open space purposes and buildings and facilities on the open space to an individual, a nonprofit organization, the federal government, a state government, or a local government. Provides that the township board may not sell, convey, donate, or otherwise dispose of open space without referendum approval by the majority of the voters of the township at a regular election, and provides that the board may certify the question of disposition of property to the appropriate election authority only if the board approves the question by at least a two-thirds majority of the board members. Provides that, if a township dissolves or is consolidated or merged or the boundaries of the township are altered, any affected open space shall continue to be used for open space purposes unless the open space is disposed of or is approved by a two-thirds vote of the board of the unit of local government in control of that open space and after referendum of the voters of the unit of local government.

HB 02970 (Continued)

Provides that nothing in the Section concerning the removal or dismissal of teachers in contractual continued service precludes a school board from asserting that the specific conduct alleged in an original notice of remedial warning letter is part of an alleged pattern of behavior, but the original warning or subsequent action taken must be reasonably related to the specific conduct alleged. Requires the school district to use reasonable efforts to remove the notice of remedial warning from the teacher's personnel file after the 4 years have elapsed or sooner if agreed through the exclusive bargaining representative. Corrects grammatical and terminology errors.

Senate Committee Amendment No. 1

Amends the Educator Licensure Article of the School Code. Adds 5 administrative or faculty members of community colleges to the State Educator Preparation and Licensure Board. For a Professional Educator License: provides that the requirements to successfully complete specified coursework are only required until July 1, 2027 or the date that the revised test for a particular content area is implemented, whichever is later; and exempts persons seeking a school support personnel or chief school business official endorsement from the requirement that a person must successfully complete specified coursework. Requires, by July 1, 2027, the State Superintendent of Education to begin incorporating specified topics into revised examinations for individuals seeking a Professional Educator License endorsed in teaching or administration, excluding a chief school business official endorsement. Exempts, for educator licenses, applicants seeking a school support personnel endorsement who hold an active and valid professional license in the same subject matter as the endorsement sought from being required to pass a test of content area knowledge for each area of endorsement for which there is an applicable test. Creates the Teacher Performance Assessment Advisory Committee to aid in operationalizing and creating a pilot, State-developed, teacher performance assessment. Establishes the Paraprofessional to Teacher Pathway Program to provide an expedited pathway for paraprofessionals to earn a Professional Educator License in a specific content area. Sets forth the Program criteria, the requirements for individuals for entry into the Program, and the adoption of rules by the State Board of Education. Provides that an institution of higher education approved to offer educator preparation programs may enter into a partnership agreement with a community college to offer an approved educator preparation program leading to educator licensure for individuals who already hold a bachelor's degree. Makes other changes.

Fiscal Note, House Floor Amendment No. 1 (State Board of Education)

HB 3247 (H-AM-1) amends the School Code to ensure that children are not denied a free public education or excluded from any school programs or activities based on their or an associated person's actual or perceived citizenship or immigration status. The bill prohibits schools from using criteria or methods that lead to such exclusion and from disclosing or threatening to disclose immigration status information to immigration or law enforcement agencies. It also restricts immigration agents' access to school premises without proper documentation and approval, and prohibits schools from detaining individuals solely based on immigration detainers or warrants. Schools are required to adopt policies to comply with these provisions, and individuals aggrieved by violations can file a civil lawsuit within two years, with potential damages of three times actual damages or \$17,000. This change would not have a fiscal impact to the State Board of Education. There could potentially be increased costs to school districts, public schools, charter schools, and nonpublic schools; however, the exact amount is unknown.

105 ILCS 128/60

Amends the Interscholastic Athletic Organization Act. Provides that an association or other entity that has as one of its purposes promoting, sponsoring, regulating, or in any manner providing for interscholastic athletics or any form of athletic competition among schools and students within this State shall require all school coaches to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). Requires certification in CPR and AED use to be consistent with national, evidence-based, emergency cardiovascular care guidelines. Amends the School Safety Drill Act. Provides that a cardiac emergency response plan shall include (i) establishing a cardiac emergency response team that is certified in cardiopulmonary resuscitation and the use of an automated external defibrillator and (ii) the use of annual cardiac response drills to practice the steps established in the cardiac emergency response plan, in partnership with local emergency medical services. Makes other changes concerning the plan.

House Floor Amendment No. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes. In the Interscholastic Athletic Organization Act, requires all paid school head coaches or chief sponsors of the activity (rather than all school coaches) to obtain and maintain certification in cardiopulmonary resuscitation (CPR), first aid, and the use of an automatic external defibrillator (AED). In the School Safety Drill Act, requires a cardiac emergency response plan to include training on symptom and warning signs of sudden cardiac arrest, hands-only CPR, and use of AEDs (rather than information on hands-only CPR and use of AEDs) and establishing a cardiac emergency response team trained in CPR and the use of an AED consistent with national evidence-based emergency cardiovascular care guidelines, and provides that cardiac response drills may be conducted without student participation.

Amends the Code of Criminal Procedure of 1963. Changes the definitions of "harassment" to include, among other actions, doxing, electronic tracking, and nonconsensual creation, dissemination, or threatening the dissemination of electronically generated or digitally altered content pertaining to the petitioner. Requires a county (not just counties with more than 250,000 in population) to provide remote access to a hearing on a protective order to include relevant witnesses besides the petitioner and respondent. Creates additional remedies for the court to grant in a domestic violence order of protection. Requires that any motion to extend a plenary order must be filed on or before the expiration date, and the plenary order remains in effect after filing until its original expiration date or until the motion is presented or heard, whichever is later. Requires a plenary order to be extended if the court finds that since entry of the plenary order there has been no material change in the relevant circumstances as required by law, and an extension of a plenary order may be granted for any fixed period of time or indefinitely until the plenary order is vacated or modified. Provides that if the motion to extend the plenary order is uncontested, petitioner's motion or affidavit stating that there has been no material change in relevant circumstances since entry of the order and stating the reason for the requested extension is sufficient for the court to extend the plenary order for any length of time, including indefinitely. Provides that the court may grant a contested request for an extension of the plenary order for more than 2 years for good cause. Provides that a violation of the original order or a subsequent incident of abuse is not required to grant the extension or determine the length of the extension, and compliance with the original order does not negate the basis or length of the extension. Amends the Illinois Domestic Violence Act of 1986. Makes conforming changes.

Adds reference to:
725 ILCS 5/112A-11.5

Adds reference to:

from Ch. 40, par. 2312-1

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Requires the court to grant a request for remote hearing unless good cause is shown to deny the request. Provides that a petitioner may not be denied a protective order solely on the basis that the petitioner or the respondent is incarcerated in a penal institution at the time of the issuance of the order. Allows a petition seeking protection to include a crime victim who was abused by a family or household member before the offender was incarcerated and by any person who has previously suffered abuse by a family or household member convicted of certain crimes. Provides that if the respondent does not contest the motion to extend a plenary order of protection after service of the motion in accordance with Supreme Court Rules, the court may grant the request for an extension based solely on the petitioner's motion and affidavit setting forth the requirements of the provisions governing plenary orders. Makes structural changes.

Amends the School Code. Requires, beginning with the 2027-2028 school year, school boards to report specified data to the State Board of Education regarding computer science courses in schools maintaining any of grades kindergarten through 8. Requires the State Board to make the data publicly available. With respect to a Professional Educator License, provides that the State Board shall create an introductory content area endorsement for teaching computer science in grades 5 through 12 that allows licensed educators to teach introductory computer science courses. In provisions concerning required high school courses, provides that a computer science course (rather than an Advanced Placement computer science course) qualifies under the mathematics requirement. Requires each pupil entering the 9th grade beginning with the 2028-2029 school year to successfully complete one year of high school computer science and artificial intelligence as a prerequisite to receiving a high school diploma, which may be taken in any of grades 7 through 12 and shall count toward the fulfillment of certain other high school graduation requirements. Requires the State Board to create guidelines for school districts. Provides that the computer science course requirement does not apply to a pupil transferring to a high school in this State from another state after the pupil's 11th grade year. Allows a school to enter into a cooperative resource sharing agreement to ensure that its students can enroll in a computer science course. Makes other changes.

HB 04416 (Continued)

820 ILCS 405/612

from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000. Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

Replaces everything after the enacting clause. Amends the Public Utilities Act. In provisions concerning nondiscrimination, provides that the Illinois Commerce Commission may approve a low-income discount for residential electric and natural gas customers that applies to the entirety of a qualifying customer's bill, including, but not limited to, a qualifying customer's delivery service charges, energy supply charges, and any other applicable charges. Provides that an electric or natural gas utility may fund its low-income discounts through a surcharge on both its residential and non-residential customers' electric and natural gas bills. Provides that any charges, surcharges, or cost recovery mechanisms authorized or approved by the Commission under the amendatory provisions shall be assessed solely on a fixed, per-customer basis and shall not be designed, implemented, or recovered on a volumetric, usage-based, demand-based, or throughput basis, whether directly or indirectly. Provides that charges authorized under certain provisions may vary by customer class or rate classification. Provides that any electric or natural gas public utility serving more than 100,000 customers in the State that does not have a low-income discount or that elects to implement a low-income discount that complies with the requirements of the amendatory provisions on or after the effective date of the amendatory Act shall, within 30 days after the effective date of the amendatory Act, file a new or amended tariff with the Commission to implement the new low-income discount or bring the utility's low-income discount into compliance with the amendatory provisions. Provides that, in reviewing and approving any low-income discount, the Commission shall take into consideration the effect of the low-income discount on, and shall endeavor to maximize, the allocation and receipt of federal LIHEAP grants, funds under certain provisions of the Energy Assistance Act, and other State and federal energy assistance funds that are available to the State. Amends the Energy Assistance Act. In provisions concerning eligibility under the Act, provides that, in setting the annual eligibility level for the use of State funds from the Supplemental Low-Income Energy Assistance Fund, the Department of Commerce and Economic Opportunity shall consider the amount of available funding and may not set a limit higher than 300% of the federal nonfarm poverty level. In provisions concerning the Supplemental Low-Income Energy Assistance Fund, provides that the yearly administrative expenses of the Fund may not exceed 15% (rather than 13%) of the amount collected during that year, except when unspent funds from the Fund are reallocated from a previous year. Provides that any unspent balance of the 15% administrative allowance may be utilized for administrative expenses in the year they are reallocated. Provides that, of the 15% administrative allowance, no less than 9% (rather than 8%) shall be provided to Local Administrative Agencies for administrative expenses. Provides that, beginning January 1, 2027, the Base Energy Assistance Charge shall be \$0.80 per month, with no additional step-up provisions, for each utility that is required by the Commission to implement a low-income discount program and shall be \$0.40 per month for each utility that is not required to implement a low-income discount program and that contributes to the Supplemental Low-Income Energy Assistance Fund. Makes other changes. Effective immediately.

from Ch. 121 1/2, par. 262Z

Amends the Community Living Facilities Licensing Act, the MC/DD Act, the ID/DD Community Care Act, the Community-Integrated Living Arrangements Licensure and Certification Act, and the Child Care Act of 1969. Requires the State agencies responsible for licensing facilities under those Acts to adopt, by December 31, 2026, rules requiring a facility to disclose upon initial application for licensure and on a quarterly basis thereafter, whether the facility, its subsidiaries, affiliates, parent companies, or contractual service providers are owned, managed, or contained within a fund owned or managed by an asset management company; and if so, to make certain disclosures about the asset management company's assets, the facility's debt, and other matters. Requires the State agencies to also adopt rules requiring such a facility to provide written notice of transactions and copies of agreements which would (i) sell or otherwise dispose of a material amount of the facility's assets or (ii) transfer control, responsibility, or governance of a material amount of the facility's assets or operations. Prohibits facilities owned or managed by an asset management company from engaging in certain transactions or actions that would result in the facility issuing debt-funded dividends or perform any other similar action causing the facility to become financially distressed. Provides that a violation of these requirements and prohibitions constitutes an unlawful practice within the meaning of the Consumer Fraud and Deceptive Business Practices Act. Requires the State agencies to publish disclosures, written notices, and copies of agreements submitted by facilities on the agencies' public websites. Imposes similar requirements and prohibitions on adult day service providers serving individuals with developmental disabilities under the Illinois Act on the Aging and providers of adult developmental training services under the Mental Health and Developmental Disabilities Administrative Act. Effective immediately.

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as

\$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may

occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

House Floor Amendment No. 1

Provides that an employer or employment agency may not include in any specific job posting a statement that an applicant must have a valid driver's license, unless driving is one of the essential functions of the posted job and is a business necessity. Calls upon the Trump administration to end the government shutdown and restore funding to SNAP and other critical federal government programs rather than continuing to put partisan politics before their obligation to the American people. That if an expedient end to the shutdown cannot or will not be achieved, then the Trump administration is urged to release the reserve funds held by the United States Department of Agriculture specifically for just this eventuality, thereby enabling SNAP beneficiaries to retain access to adequate nutrition while negotiations continue. States that using hunger as a weapon to obtain a desired political outcome is reprehensible and unequivocally condemns the Trump Administration's actions in this regard.

Provides that, with respect to life insurance final expense policies, no life company authorized to issue those policies in the State shall refuse to insure an individual; refuse to continue to insure an individual; limit the amount, extent, or kind of coverage available to an individual; or charge an individual a different rate for the same coverage solely on the basis that an insured or applicant has been convicted of a felony. Amends the School Code. Provides that the State Board of Education shall require that each school district annually report the number of students who were referred to a law enforcement agency or official and the number of instances of referrals to law enforcement that students received. Provides that on or before January 31, 2027 and on or before January 31 of each subsequent year, the State Board of Education shall prepare a report on student referrals to law enforcement in all school districts in the State. 30 ILCS 105/5.1038 new

Amends the Illinois Housing Development Act. Requires the Illinois Housing Development Authority (Authority) to establish and administer a First-Generation Homebuyer Down Payment Assistance Program to provide targeted assistance to eligible first-generation homebuyers throughout the State for the purchase of a single-family or non-commercial multi-family residence. Sets forth eligibility requirements. Permits the Authority to prioritize assistance to applicants purchasing homes in designated community priority areas, applicants with household income below 80%, and applicants purchasing homes in areas with low homeownership rates, high housing costs burdens, or limited access to affordable mortgage credit. Provides that assistance under the program shall be provided as a forgivable loan to be forgiven pro rata on a monthly basis over a 5-year period of continuous owner-occupancy. Sets forth the available loan amounts and provides that assistance funds may be used for down payments, closing costs, mortgage insurance, interest rate buydowns, or principal reduction. Permits the Authority to waive repayment in cases of documented financial hardship that is beyond the control of the homebuyer. Permits the Authority to adopt rules to implement and administer the program. Effective July 1, 2026.

Housing Affordability Impact Note (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. While the proposed establishes a new program for First-Generation Homebuyer Down Payment Assistance, this is the establishment of a program that is not needed on the state level. IHDA's current Down Payment Assistance programs and IHDA's current homebuyer programs target first time home buyers exclusively AND they allow first generation homebuyers to already use them. Creation of a new program is redundant and would create more red tape and would not lower barriers for first time homebuyers.

Fiscal Note (Housing Development Authority)

This program is redundant and not needed as current Homebuyer and Down Payment assistance programs already do everything this bill proposes. This bill requires program rules that would need to be established and updated throughout the next year (1 FTE Lawyer / Legal Staff (\$200,000/year). Outside of establishment of new rules, the administration of this program could be covered under existing IHDA staffing levels except for the reporting requirements, which would require the hiring and maintenance of a program staff position or two. These position(s) would be required to meet reporting requirements and burdensome publishing requirements on an ongoing basis(\$100,000 - \$200,000 per year). Additional advertising would also need to occur which could add \$30K to the cost of administering this program.

Recognizes and expresses gratitude to the Office of the Illinois Attorney General and Attorney General Kwame Raoul for their exceptional devotion, leadership, and perseverance in defending democracy and freedoms through the courts. Acknowledges that the most effective instrument for the protection of democracy and civil liberties in the last nine months has been litigation, and that the Attorney General and his team have been incredibly effective in their defense of the State's democracy. Recognizes the Office of the Illinois Attorney General's filing of a lawsuit against the Trump administration to stop the unlawful deployment of the National Guard in Illinois, challenging federal invocation of 10 U.S.C. § 12406, the Posse Comitatus Act, and the Tenth Amendment, is a case of national significance in protecting state sovereignty and civil liberties. Encourages the Office of the Illinois Attorney General to continue steadfastly engaging in litigation as necessary to uphold democracy and freedoms.

HR 00551

Rep. La Shawn K. Ford

Urges the Illinois State Board of Education (ISBE) to identify and publish a list of evidence-based, decision-making, and impulse-control curricula that have been demonstrated to reduce violence involvement, make at least one free or low-cost curriculum available statewide for optional integration into existing Social and Emotional Learning (SEL) instruction, encourage districts to implement these programs using existing resources and staff development, and develop, pilot, and rigorously test new school-based decision-making and violence-prevention curricula that can be easily adopted by ISBE and schools statewide if proven effective in reducing violence. Urges the Administrative Office of the Illinois Courts (AOIC), the Department of Juvenile Justice (DJJ), and county probation and diversion programs to identify and approve evidence-based, decision-making curricula appropriate for minors under supervision, diversion, or detention, to encourage their integration as standard early interventions, and to implement these initiatives within existing budgets and structures. Urges the Illinois Department of Human Services (IDHS) and the Illinois Criminal Justice Information Authority (ICJIA) to coordinate with ISBE, AOIC, DJJ, and local partners to align violence-prevention curricula and community-based interventions across settings. Recognizes Professor Jens Ludwig for his groundbreaking research, leadership, and publication of Unforgiving Places. Acknowledges the contributions of other scholars and organizations advancing behavioral approaches to violence prevention.

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. In provisions regarding the notice of intention not to renew a policy of insurance, provides that no company may impose renewal premium increases of more than 10% for policies of fire and extended coverage insurance that are subject to certain cancellation requirements, unless the company mails or delivers by electronic means to the named insured and the Department of Insurance notice of the increase in renewal premium at least 60 days before the policy renewal or anniversary date. Creates the Rates for Fire and Extended Coverage Insurance Article. Contains provisions concerning the purpose and applicability of the Article. Prohibits rates from being excessive, inadequate, or unfairly discriminatory, as specified. Sets forth provisions concerning determinations and notice from the Department and hearings on the notice. Provides that credible State-specific loss experience shall be used in the development of rates whenever that data is available and statistically reliable. Authorizes insurers, in order to meet actuarial standards of credibility, to supplement State-specific loss experience with countrywide, regional, or out-of-state loss experience. Effective January 1, 2027.

Creates the Electric Transmission Facilities Siting Act. Defines terms. Requires that, in the siting of new electric transmission facilities, available corridors be used in the following order of priority: (1) existing public utility corridors; (2) highway corridors; and (3) new corridors. Provides that a public utility or developer may construct, place, or maintain a high-voltage electric service line on a public right-of-way or along a highway if (i) the public utility or developer submits a colocation request for the high-voltage electric service line to the Secretary of Transportation and (ii) the Secretary reviews and approves the colocation request. Provides that, after the threshold date, a stand-alone energy storage system that is neither paired with distributed generation nor with any electric load beyond the electric load that is used by the energy storage system itself (rather than a stand-alone energy storage system) shall be compensated with a rebate of \$250 per kilowatt-hour of nameplate capacity. Amends the Environmental Protection Act. In provisions concerning greenhouse gases, provides that the Environmental Protection Agency and the Illinois Power Agency shall file a plan to reduce or delay certain emissions reductions requirements with the Illinois Commerce Commission for review in conjunction with the integrated resource plan under certain provisions of the Public Utilities Act. Honors the memory of the Jewish people who were victims of the Holocaust and recognizes the bravery of survivors who have shared their stories with the world. Honors the memory of the millions of additional people, including prisoners of war, ethnic Poles, Romani people, Serbian civilians, people with disabilities, political opponents and dissenters, people labeled as asocial, Jehovah's Witnesses, gay, bisexual, and transgender people, and Black Germans, who were persecuted and murdered by the Nazi state and their collaborators. Expresses gratitude for the soldiers, resistance fighters, and all those who helped defeat the Nazi regime and end the Holocaust. Expresses gratitude for the American soldiers who fought around the world during World War II, including the over 980,000 men and women from Illinois who served in the U.S. Armed Forces and the approximately 22,000 who gave their lives in pursuit of liberty. Expresses gratitude for the American forces that liberated the Buchenwald concentration camp on April 11, 1945, and who would go on that month to liberate concentration camps at Dachau, Dora-Mittelbau, and Flossenburg before liberating Mauthausen in early May 1945. Urges all Illinoisans to commit to learning about the Holocaust in order to ensure that such atrocities are never perpetrated again. Urges all Illinoisans to enhance their efforts to combat antisemitism, bigotry, intolerance, and racism.

Sets forth provisions concerning private professional guardians as successor guardians and the removal of private professional guardians who fail to comply with the specified requirements.

House Committee Amendment No. 1

Adds reference to:
755 ILCS 5/11a-26 new

Replaces everything after the enacting clause. Amends the Guardians for Adults with Disabilities Article of the Probate Code of 1975. Authorizes the appointment of a private professional guardian to serve as a temporary, limited, or plenary guardian for a person with a disability. Defines "private professional guardian" as (1) a person or entity who receives compensation for services as a guardian to 5 or more persons with disabilities who are not related to the guardian by blood or marriage; or (2) a not-for-profit corporation qualified to act as guardian. Provides that "private professional guardian" does not include a government agency, the Office of State Guardian, a public guardian, corporations qualified to accept and execute trusts in this State, or a financial institution. Requires a petitioner who nominates a private professional guardian to be appointed as a guardian to attach an affidavit to the petition for guardianship detailing the petitioner's efforts at locating and contacting the respondent's nearest relatives, agent under power of attorney, or other fiduciaries regarding the need for the appointment of a guardian unless a family member of the respondent nominates the private professional guardian. Requires the private professional guardian to personally meet and assess the respondent, certify best interest findings, and identify the least restrictive alternative and community-based living options. Prohibits certain conflicts of interest by the private professional guardian. Requires that the private professional guardian be certified by the Center for Guardianship Certification. Provides that if a private professional guardian estimates that the estate of the person with a disability can afford the services of the private professional guardian for 36 months or less before the estate is depleted, and the person with a disability is living at home, then the private professional guardian shall forgo or delay the collection of court-awarded fees until the person with a disability is clinically unable to remain at home or until it is not financially feasible, for reasons other than the collection of court-awarded fees, for the person with a disability to remain at home. Provides that the private professional guardian may petition the court to reduce or waive the 36-month no fee collection period by showing that it is in the best interests of the person with a disability for the private professional guardian to collect the full or partial amount of court-awarded fees. Makes other changes.

HB 03811 (Continued)

Replaces everything after the enacting clause. Reinserts provisions of House Amendment No.1 with the following changes. Provides that if a private professional guardian is serving as a limited or plenary guardian of a person with a disability and intends to name the Office of State Guardian or public guardian as successor, notice shall be provided to the court and the Office of State Guardian or a public guardian not less than 120 days before the hearing for a successor to a limited or plenary guardian unless the assets of the person with a disability at the time of the appointment of the limited or plenary guardian do not exceed the estimated amount necessary for funding of the needs of the person with a disability for a period of 120 days. Provides that before being appointed as guardian for a person with a disability, the private professional guardian must certify, in open court or by affidavit: (i) that the private professional guardian has personally met with and assessed the respondent or, if not reasonably possible, consistent with the National Guardianship Association Standards of Practice, certify that they will meet with the respondent as soon as feasible after the appointment. Provides that a private professional guardian may not (i) have any direct or indirect beneficial interest, financial or otherwise, in entities or corporations that transact business with the estate or receive benefits, including referral fees, from persons, entities, or corporations that transact business with the estate or on behalf of the person under its guardianship, excluding any fixed salary received from its employer. Provides that within 2 years of the effective date of the amendatory Act, a person or the president, director, or chief executive officer of a not-for-profit corporation and employees of the private professional guardian who serve as a private professional guardian must be certified as a national master guardian or a national certified guardian by the Center for Guardianship Certification or its successor organization. Requires a private professional guardian that manages, in the aggregate, more than \$1 million of assets as a guardian of persons with a disability, to arrange for an independent audit by a qualified examiner of its financial records on an annual basis. Requires a private professional guardian to promptly notify the court at such time that it estimates the estate of the person with a disability can no longer afford the services of the private professional guardian or, if the sale of respondent's residence would be required for the continued services of a private professional guardian, within 36 months or less. Makes structural changes.

Replaces everything after the enacting clause. Reinserts the provisions of the bill with these changes. Provides that a "beneficiary designation" means a provision in an instrument designating a beneficiary, other than in a will or an instrument creating a trust, and may also mean the instrument itself, including, but not limited to, any of the following: (1) a demand deposit, savings deposit, time deposit or other account or instrument on which the holder is directly liable with a designation for payment upon death or other nonprobate designation making it transferable on death; (2) a security registered in beneficiary form; or (3) a pension, profit-sharing plan, retirement account such as an IRA, 401(k), 403(b), or other employment-related benefit plan. Excludes from this definition a beneficiary made as part of an annuity or an insurance policy. Amends the Unclaimed Life Insurance Benefits Act. Requires an insurer within 120 days after being contacted by the charitable beneficiary to: (1) determine whether the charitable organization has a right to the proceeds of the policy, annuity contract, or a retained asset account; (2) provide a general description of the policy, annuity contract, or a retained asset account that may be held for the benefit of the charitable organization and the exact language of the beneficiary designation; and (3) include information that verifies whether the insurer has already obtained the official death certificate or documentation needed to verify the death of the insured, annuitant, or retained asset account holder. Provides that if the holder of property maintains it is prohibited from paying, delivering, or transferring the property listed under a beneficiary designation to a charitable organization due to requirements under federal law, the holder of the property shall (1) explain in writing the reason why the property cannot be paid, delivered, or transferred to the charitable organization; and (2) take all actions necessary in order to facilitate payment, delivery, or transfer of the property in compliance with this Act. Provides that if a holder of property fails or refuses to comply with the Act, the court may award a charitable organization, among other relief, a penalty in an amount determined by the court up to \$10,000 only if the court finds that the holder of the property engaged in bad faith or willful misconduct. Excludes not-for-profit organizations that are the irrevocable sole beneficiary of a life insurance policy covered by the Illinois Insurance Code. Requires an insurer to provide within 120 days the appropriate claims forms or instructions to a holder of property under the Charitable Organization Beneficiary Act. Makes structural changes. Amends the Illinois Insurance Code. Provides that if due proof of death requires a certified copy of the death certificate, then no more than one beneficiary is required to submit a certified copy of the death certificate.

Defines "covered animal" as any of the following animals, and hybrids of those animals: (1) elephantidae; (2) felidae, but excluding a domestic cat; (3) non-human primate; or (4) ursidae. Provides that the provisions of the amendatory Act are in addition to, and not in lieu of, any other laws protecting animal welfare. Amends the Adult Protective Services Act. In provisions concerning financial exploitation of an eligible adult, provides that a court may grant a temporary injunction ex parte, pending a full hearing, and may grant such relief as the court deems proper if the court makes certain findings, including, but not limited to, that an immediate and present danger of exploitation of the eligible adult exists, there is a likelihood of irreparable harm and nonavailability of an adequate remedy at law, there is a substantial likelihood of success on the merits, and the threatened injury to the eligible adult outweighs possible harm to the respondent. Representative Edgar González, Jr.
HB 01607 (Continued)

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

40 ILCS 5/6-235 new
30 ILCS 805/8.49 new

Amends the Chicago Firefighter Article of the Illinois Pension Code. Provides that the Retirement Systems Reciprocal Act (Article 20 of the Code) is adopted and made a part of the Chicago Firefighter Article, but only with respect to a person who, on or after the effective date of the amendatory Act, is entitled under the Chicago Firefighter Article to begin receiving a retirement annuity or survivor's annuity and who elects to proceed under the Retirement Systems Reciprocal Act. Amends the State Mandates Act to require implementation without reimbursement by the State.

Pension Note, House Floor Amendment No. 1 (Government Forecasting & Accountability)

HB 2705 (H-AM 1) amends various provisions of the Illinois Pension Code pertaining to public safety employees, including ensuring Tier 1 status and providing for reciprocity, among other changes. An actuarial study would need to be completed in order to determine the fiscal impact of HB 2705 (H-AM 1) To the extent that this bill allows public safety employees with prior service (including non-public safety Tier 1 service) in other pension funds to qualify for Tier 1 status, liabilities of the applicable pension funds would increase. In regard to reciprocity, to the extent that the affected pension funds would be required to pay a pension for non-vested service that currently only qualifies for a refund of contributions, there could be a financial impact, as liabilities would increase in such situations. The magnitude of this impact would depend on the number of affected members and the length of reciprocal service credited. An actuarial study would be needed to analyze several different sample scenarios under which members may avail themselves of reciprocity.

HB 03521 (Continued)

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that unreliable statements to law enforcement made during a custodial interrogation conducted at a police station or other place of detention by a defendant are inadmissible at trial in any criminal court proceeding or juvenile court proceeding for the prosecution of a homicide. Provides that in any proceeding under this provision, the prosecution shall timely disclose prior to any relevant evidentiary hearing or trial its intent to introduce a statement made during a custodial interrogation conducted at a place of detention. Provides that at that time, the prosecution must tender any electronic recordings of the statement and any documents relating to the circumstances under which the statement was obtained and any other evidence the State intends to rely upon to determine the statement's reliability. Provides that before trial, a defendant may move to exclude a statement alleged to be unreliable. Provides that the defendant shall specifically identify the statement or statements alleged to be unreliable. Provides that at the hearing, it shall be the burden of the prosecutor to prove by a preponderance of the evidence that the statement is reliable. Provides that when deciding a statement's reliability, a court should consider: (1) whether the details in the statement fit with the evidence known before the interrogation, especially details that describe unusual or not easily guessed facts of the crime that had not been made public; (2) whether the statement provides any new details or any new evidence not known before the interrogation that can be independently corroborated after the interrogation; (3) whether facts of the crime were disclosed to the defendant rather than originated with the defendant; (4) whether the defendant recanted the defendant's statement at any time and the circumstances of that recantation; (5) whether the statement was electronically recorded; and (6) any other information relevant to the reliability of the statement.

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes all changes to the Election Code, Illinois Procurement Code, and the Promissory Note and Bank Holiday Act. In the School Code, makes Lunar New Year an optional special holiday (rather than a mandatory legal holiday).

Fiscal Note, House Floor Amendment No. 1 (Dept. of Central Management Services)

HB 3790, as amended by HAM #1, will not require additional resources. Salaries will be paid, whether it is a State holiday or a regular workday. What will be lost is productivity. If productivity were to equate to the cost of salaries, CMS estimates its' payroll (1120) costs to be approximately \$250,000 for the day. On a Statewide level, that payroll figure is estimated to be roughly \$12.5 million.

820 ILCS 405/612

from Ch. 48, par. 442

Amends the Unemployment Insurance Act. Provides that, with respect to a week of unemployment beginning on or after June 1, 2026, benefits shall be payable to an individual on the basis of wages for employment in other than an instructional, research, or principal administrative capacity performed for an educational institution or an educational service agency, as long as the individual is otherwise eligible for benefits. Effective immediately.

Fiscal Note (State Board of Education)

HB 4416 does not have a fiscal impact on the Illinois State Board of Education. Currently, most school district support staff are not eligible for unemployment benefits if they have reasonable assurance of employment continuing for the next school year. The bill makes these staff eligible for these benefits. Categories of staff impacted include paraprofessionals (classroom and individual aides), bus drivers, secretaries, cooks and cafeteria workers, health care aides, safety and security staff, and various other categories of staff not working twelve months. The State Board of Education does not collect the data required to determine a precise financial impact on school districts. However, estimations based on the Non certified Staff Salary Study suggest the statewide cost to school districts could be significant.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

HB 4416 adds both a financial and clerical mandate to school districts. Many school districts, in lieu of paying contributions, reimburse the State for the actual amount of any unemployment benefits paid. Because of this, special care is taken to ensure claims are accurate to minimize the impact on district finances. Additional staff time, and potentially additional clerical staff, will be needed to review and process the increase in claims that will follow should this bill become law. Ultimately, the State Board of Education cannot provide a comprehensive effect of the proposed mandate.

Fiscal Note (Dept. of Employment Security)

Pursuant to the Fiscal Note Act, 25 ILCS 50/1, the Illinois Department of Employment Security (Department) has reviewed House Bill 4416 and has determined that the legislation could have a fiscal impact on the Unemployment Insurance Trust Fund (UTF) and administrative costs for the Department. The Department gathered data from 2020 when the law was changed to remove the unemployment insurance (UI) eligibility bar for non-instructional, non-principally administrative, and non-research academic employees, and ran a cost estimate using 2026 estimated wage data. The Department assumed that 75% of workers who were eligible at that time would be eligible for purposes of the cost estimate. This assumption was supported by labor market re-entry rates (members of this category of workers securing alternative seasonal employment), and the general choice of many unemployed individuals to not file for UI benefits. The Department estimated that the annual cost to provide these academic employees UI benefits between and within terms of academic years, assuming the employees are otherwise eligible for UI benefits, would be between \$138,000,000 and \$176,000,000.

Approximately 93% of the total amount of unemployment benefits would be paid dollar-for-dollar by public schools, colleges, universities, and not-for-profit academic institutions that make payments in lieu of contributions. Using the federal Resource Justification Model (RJM) for the cost of administering UI benefits, the Department additionally estimated that implementing HB 4416 would cost approximately \$3,600,000, including the cost of updating systems, processing new claims, administering the additional weekly benefits and appeals, and an increase in postage. The Department also asked the United States Department of Labor (USDOL) for a standard, informal conformity review of the language of this bill with federal regulations. USDOL did not note a conformity issue.

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires hospitals and birthing centers to adopt and maintain written policies and procedures authorizing a patient enrolled in the medical assistance program to select an Illinois Medicaid certified and enrolled doula of the patient's choice to accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth, and during the patient's entire postpartum stay. Provides that the doula shall be considered part of the patient's care team and shall not be counted as a support person or against any guest quota. Requires hospitals and birthing centers to provide a written copy of their policies and procedures to maternity patients, the facilities' maternity health care providers, and any other person at the patient's request. Requires publication of the written policies on each facility's website. Contains provisions concerning hospital and birthing center liaisons and doulas certification acknowledgment requirements. Permits the Department of Healthcare and Family Services and the Department of Public Health to establish standing recommendations to meet Centers for Medicare and Medicaid Services requirements and ensure access to preventive services, including Medicaid-covered maternal and reproductive health supports and services.

House Floor Amendment No. 2

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that, within 6 months after the amendatory Act, all hospitals with licensed obstetric beds and birthing centers shall adopt and maintain written policies and procedures to permit a patient enrolled in the medical assistance program to have an Illinois Medicaid certified and enrolled doula of the patient's choice accompany the patient within the facility's premises for the purposes of providing support before, during, and after labor and childbirth. Provides that an Illinois Medicaid certified and enrolled doula shall not be counted as a support person or against the guest quota before, during, or after childbirth. Requires each applicable facility to post a summary of the facility's adopted policies and procedures on its website, including contact information to facilitate communication between the facility and Illinois Medicaid enrolled doulas and doula organizations. Provides that nothing in the amendatory Act: (i) shall be construed to provide a doula with access to a patient when that access is inconsistent with generally accepted medical standards or practices; and (ii) is intended to expand or limit the malpractice liability of a hospital beyond the limits existing in current Illinois statutory and common law. Replaces everything after the enacting clause. Reinserts provisions of the bill with these changes. Restores definition of "alternative container" to current law. Provides the Comptroller may inspect crematory records and premises at the crematory authority's place of business to review a licensee's compliance with the Crematory Regulation Act. Provides that each crematory authority shall implement (1) a standard operating procedure that is appropriate for the crematory authority and not made uniform through rules and provide a copy to all employees; and (2) a medical waste management plan that is appropriate for the crematory authority and not made uniform through rules. Deletes as a ground for denial or discipline for an applicant or licensee who has failed to pay delinquent taxes and child support. Provides that if human remains have not been cremated within 30 days after the date of delivery to the crematory, and absent direction from a law enforcement agency to hold the remains, the crematory authority shall provide notice to the Comptroller's office and the coroner or medical examiner in the county in which the death occurred as to why the cremation cannot be performed and that this 30-day notice requirement may not be construed as a legal standard of reasonableness for the timeliness of a cremation. Provides that any person who intentionally violates a provision of the Act or a final order of the Comptroller is liable for a civil penalty not to exceed \$10,000 rather than \$25,000. Provides that pacemakers do not need to be removed in alkaline hydrolysis if: (1) the involved funeral director has received advance written notice from the crematory authority that its alkaline hydrolysis vessel has been certified by the manufacturer to work safely on human remains that contain pacemakers; and (2) the involved funeral director has received advance written confirmation that the aqueous solution that results from the alkaline hydrolysis of a pacemaker satisfies all federal and State hazardous waste rules and meets all publicly owned treatment works pretreatment standards upon being discharged into the sanitary sewer system. Provides that the Statewide Interoperability Executive Committee (SIEC) shall oversee governance, interoperability, and land mobile radio standards for Illinois' land mobile radio communications system and shall collaborate with the Office of the Statewide 9-1-1 Administrator and the Office of the Statewide Interoperability Coordinator to strengthen Illinois' emergency communications ecosystem. Provides that the SIEC may designate subcommittees necessary to effectuate its responsibilities. Provides that the voting membership of the SIEC must, at a minimum, include the Statewide Interoperability Coordinator, the Statewide 9-1-1 Administrator, the Director of the Secretary of the State Police or the Director's designee, and at least one representative from each of the following, appointed by the Governor: an association representing Illinois fire chiefs, an association representing Illinois fire protection districts, the Office of the State Fire Marshal, an association representing Illinois chiefs of police, an association representing Illinois sheriffs, the Illinois State Police, the Illinois Emergency Management Agency and Office of Homeland Security, the Department of Public Health, the Department of Innovation and Technology, and the Department of Military Affairs. Provides that for each violation recorded by an automated traffic law enforcement system, the municipality having jurisdiction shall issue a written notice of violation to the registered owner by mail within 30 days after the Secretary of State identifies the owner, but no later than 90 days after the violation. Sets forth defenses for a violation. Provides that unless the driver received a Uniform Traffic Citation from a police officer at the time of the violation, the motor vehicle owner is subject to a civil penalty not exceeding \$100, or the completion of a traffic education program, or both, plus an additional penalty of not more than \$100 for failure to pay the original penalty or complete a required program in a timely manner. Requires each intersection monitored by an automated traffic law enforcement system to have a posted sign visible to approaching traffic indicating that automated enforcement is in use. Provides that compensation paid for an automated traffic law enforcement system must be based on the value of the equipment or services provided and may not be based on the number of citations issued or the revenue generated. New Act
30 ILCS 105/5.1030 new

Creates the Health Care Availability and Access Board Act. Establishes the Health Care Availability and Access Board to protect State residents, State and local governments, commercial health plans, health care providers, pharmacies licensed in the State, and other stakeholders within the health care system from the high costs of prescription drug products. Contains provisions concerning Board membership and terms; staff for the Board; Board meetings; circumstances under which Board members must recuse themselves; and other matters. Provides that the Board shall perform the following actions in open session: (i) deliberations on whether to subject a prescription drug product to a cost review; and (ii) any vote on whether to impose an upper payment limit on purchases, payments, and payor reimbursements of prescription drug products in the State. Permits the Board to adopt rules to implement the Act and to enter into a contract with a qualified, independent third party for any service necessary to carry out the powers and duties of the Board. Creates the Health Care Availability and Access Stakeholder Council to provide stakeholder input to assist the Board in making decisions as required by the Act. Contains provisions concerning Council membership, member terms, and other matters. Provides that the Board shall adopt the federal Medicare Maximum Fair Price as the upper payment limit for a prescription drug product intended for use by individuals in the State. Prohibits the Board from creating an upper payment limit that is different from the Medicare Maximum Fair Price for the prescription drug product that has a Medicare Maximum Fair Price. Requires the Board to implement an upper payment limit that is the same as the Medicare Maximum Fair Price no sooner than the Medicare implementation date. Provides that Medicare Part C and D plans are not required to reimburse at the upper payment limit. Provides that the Attorney General may enforce the Act and may pursue any available remedy under State law when enforcing the Act. Effective 180 days after becoming law.

Fiscal Note (Dept. of Central Management Services)

CMS does expect a fiscal impact as a result of this proposed legislation; however, due to the nature in which prescription drug rebates are calculated on a quarterly basis in arrears and based on drug pricing, utilization, etc., the impact will ever be fluctuating. Some Medicare Maximum Fair Price drugs may result in a savings while others will result in a cost. It's impossible for CMS to quantify.

Requires Prescription Drug Affordability Board membership to also include individuals with expertise in the practice of pharmacy. Includes reimbursements from health benefit plans in provisions concerning upper payment limits for payor reimbursements. Requires the Board to maintain financial records and accounts in accordance with generally accepted governmental accounting principles. Provides that the Board shall be deemed a public body for purposes of the Freedom of Information Act and the Open Meetings Act; all records of the Board, including meeting minutes, cost review records, and correspondence, shall be public records subject to disclosure in accordance with the Freedom of Information Act, except as otherwise provided by law; and meetings of the Board shall be open to the public in accordance with the Open Meetings Act. Requires the Board to establish an operational plan for distribution and access to a drug with an upper payment limit before the Board reviews specific drugs for affordability and establishes any upper payment limits. Provides that the Board shall prioritize establishing and implementing upper payment limits for the 10 prescription drug products with a Medicare Maximum Fair Price that went into effect in 2026 before proceeding with upper payment limits on other prescription drug products with a Medicare Maximum Fair Price or affordability reviews for any other prescription drug products. Adds more items to the list of information that may be included to conduct an affordability review. Provides that the Board may suspend an upper payment limit if it determines that there is a shortage of the drug in the State unless the Board determines that the shortage was caused by a manufacturer or its agent. Changes expertise requirements for membership of the Prescription Drug Affordability Stakeholder Council. Establishes specified exemptions for the Department of Healthcare and Family Services and other State departments in provisions concerning protections and other Board considerations. Provides that any upper payment limit established by the Board shall not apply to prescription drug products purchased by the Department of Healthcare and Family Services for the medical assistance program under Article V of the Illinois Public Aid Code or to a health care plan serving Medicaid populations that provides, arranges for, pays for, or reimburses the cost of any health care service for persons who are enrolled under the medical assistance program under Article V of the Illinois Public Aid Code unless, after consultation with and approval of the Director of Healthcare and Family Services, it is determined that the upper payment limit would reduce costs to the State. Provides that, if a prescription drug product subject to an upper payment limit established under the Act is intended to be made available for purchase by pharmacies, distributors, or wholesalers licensed in the State, it shall be available at a price that does not exceed the upper payment limit (rather than a wholesaler or distributor shall make any prescription drug product that is subject to an upper payment limit established under the Act available for purchase by pharmacies licensed in this State at a price that does not exceed the established upper payment limit), and, if a wholesaler or distributor acquires a prescription drug product subject to an upper payment limit at a price that exceeds the upper payment limit, the wholesaler or distributor is entitled to a chargeback or rebate equal to the difference between the price and the upper payment limit from the entity that sold the product to the wholesaler or distributor. Changes the required reporting date for the Board concerning the operation of the generic drug market in the United States to June 1, 2027 (rather than June 1, 2025). Requires the Board to notify the General Assembly if 5 years have passed without any litigation hindering Board operations. Provides that the Act is repealed 5 years after the effective date of the Act. Makes other changes. Effective 180 days after becoming law.

Provides that the pilot program shall provide long-acting injectable medications for opioid use disorder, when clinically appropriate, to not fewer than 3,000 individuals in the custody of the Department of Corrections (rather than a minimum of 4,000 administrations of long-acting injectable medications for opioid use disorders). Provides that the Department shall document the basis for inclusion or non-inclusion of eligible individuals and shall make aggregate information regarding eligibility and selection available to the General Assembly upon request. Provides that the Department shall not commence implementation of the pilot program unless and until sufficient opioid settlement funds have been secured to fully implement the program and to ensure that individuals participating in the pilot program may receive the full course of treatment clinically indicated. Provides that the Department shall ensure that, prior to the release of a person participating in the pilot program, the person is connected to an appropriate provider or treatment site in the geographic region in which the person will reside after release, that an appointment for continued treatment is scheduled with that provider or site, and that relevant medical and treatment information is shared with the receiving provider to support continuity of care. Provides that the Department shall contract with an independent research organization, public university, or other qualified third-party evaluator to conduct an independent evaluation of the pilot program. Provides that the Department shall provide the evaluator with access to relevant program and administrative data necessary to complete the evaluation, subject to applicable privacy protections. Provides that the independent evaluator shall prepare a report summarizing the findings of the evaluation and shall submit the report to the Department and the General Assembly no later than January 1, 2029 (rather than January 1, 2028). HB 04739 (Continued)

Amends the School Code. Provides that, subject to appropriation, the State Board of Education, in consultation with the Department of Public Health, shall develop an educational document explaining, at a minimum, the values of good indoor air quality and shall supply the document to school districts. Provides that, subject to funding from the State Board, a school district shall ensure that all active classrooms are equipped with an air quality monitor.

Fiscal Note (State Board of Education)

HB 4739 amends the School Code to provide that, subject to funding from the Illinois State Board of Education, a school district shall ensure that all active classrooms are equipped with an air quality monitor. Section 2-3.12 of the School Code requires the inspection of all buildings in a school district once every 10 years. This statutory requirement helps populate the data collected in ISBE's health/life safety survey system about public school facilities, including school buildings, for all school districts other than Chicago Public Schools (CPS). Utilizing this health/life/safety survey data in combination with the ISBE Entity Profile System data the agency estimates that there are approximately 110,000 active classrooms statewide including CPS. It's possible that this number is understated, since many schools utilize smaller rooms that may be considered active classrooms for services such as tutoring, speech therapy and individual instruction.

HB 4739 does not specify what types of air quality monitors would be funded by an appropriation. Commercial air quality monitors can cost as little as \$200 to several thousands of dollars per unit. This bill also does not contemplate ongoing maintenance costs that districts might face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require. Ultimately, the State Board of Education cannot determine potential costs to districts. Agency implementation costs would likely be minimal; however, resources may be needed to support the application funding process.

State Mandates Fiscal Note (Dept. of Commerce & Economic Opportunity)

House Bill 4739 would require each school district in the state to equip all active classrooms within the district with an air quality monitor. Active classrooms are defined in the bill as a room currently being used for any duration of in-person instruction, which includes spaces typically thought of as classrooms as well as smaller spaces in which individual or small-group instruction may occur. The initial requirement is subject to appropriation. The legislation does not contemplate ongoing maintenance costs that districts will face, such as the cost of repairing or replacing damaged or obsolete monitors, or ongoing subscription costs that some monitors require.

Provides that the Illinois State Toll Highway Authority shall submit, on or before December 31 of each year, to the General Assembly and the Governor a report on the bilingual pay supplements processed within the last calendar year and the needs of bilingual positions left unfilled in the last calendar year.

Fiscal Note (Illinois Tollway Authority)

It is estimated that the bilingual pay supplement would result in an annual increase in direct expenditures of \$5,948 (5-year cost estimate: \$31,579 (assuming 3% annual inflation but no other changes). This amount would be paid from the Tollway's operating budget. There is no foreseen long-range fiscal effect beyond this recurring expense. The reporting requirement is expected to be absorbed into the agency's existing operational budget; no new staff, funds, or other resources would be required for reporting compliance. Stipend amounts, eligibility, and duration would be subject to union negotiations.

New Act

Creates the Commission on Eliminating Food Deserts Act. Establishes the Commission on Eliminating Food Deserts in the Office of the Lieutenant Governor for the purpose of reviewing the effectiveness of current State-led efforts to eliminate food deserts in Illinois and advising the General Assembly on policy, funding, initiatives, and best practices for the elimination of food deserts in Illinois. Describes the membership of the Commission. Provides that the Commission shall convene at the call of the chairperson and meet as frequently as necessary to carry out its duties. Provides that the Office of the Lieutenant Governor shall provide administrative and other support to the Commission. Provides that commissioners shall serve without compensation but shall be reimbursed for their reasonable and necessary expenses from funds appropriated for that purpose. Provides that the Commission shall submit a report to the Governor and the General Assembly on or before January 1, 2027, with annual addenda thereafter. Provides that the Act is repealed and the Commission is dissolved if 90% of food deserts in this State have been eliminated, with certain requirements. Defines terms.

House Committee Amendment No. 1

In provisions concerning the Commission on Eliminating Food Deserts, adds a commissioner who is a representative of labor organizations, appointed by the Governor, to members of the Commission.

House Floor Amendment No. 2

Provides that the Director of Commerce and Economic Opportunity or the Director's designee serves on the Commission as an ex officio, nonvoting, advisory member.

House Floor Amendment No. 3

Provides that the Commission on Eliminating Food Deserts is established in the Department of Public Health (rather than the Office of the Lieutenant Governor), and that the Department of Public Health (rather than the Office of the Lieutenant Governor) shall provide support to the Commission. Replaces the Lieutenant Governor or the Lieutenant Governor's designee as chairperson on the Commission with the Director of Public Health or the Director's designee as chairperson. Adds the Director of Aging or the Director's designee to the Commission.

Senate Committee Amendment No. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Retitles the Act as the Task Force on Eliminating Food Deserts Act (rather than the Commission on Eliminating Food Deserts Act), and makes corresponding changes throughout the Act. Changes the date of the submission of the report by the Task Force to January 1, 2028 (rather than January 1, 2027). Deletes provisions regarding the submission of an addendum noting the percentage of food deserts in the State that have been eliminated since the submission of the report, and deletes provisions that trigger repeal if 90% of food deserts have been eliminated. Provides that the Act is repealed and the Task Force is dissolved upon the submission of the report by the Task Force, with certain filing requirements.

HB 03660

Rep. Sonya M. Harper

New Act
230 ILCS 40/15

Creates the Amber Alert Plus Act. Defines "Amber Alert Plus" as a notification system designed to issue and coordinate alerts with respect to Black youth, including young women and girls, who are reported missing under unexplained or suspicious circumstances, who are reported missing and are at risk, who are reported missing and are developmentally disabled or cognitively impaired, or who have been abducted. Provides for procedures for law enforcement agencies to request activation of an Amber Alert Plus by the Illinois State Police if the law enforcement agency determines that an Amber Alert Plus would be an effective tool in the investigation of missing or abducted Black youth, including listing factors for the agency to consider. Allows use of a changeable message sign under specified circumstances. Provides that radio, television, cable, satellite, and social media systems are encouraged, but not required, to cooperate with disseminating the Amber Alert Plus or the information contained in an Amber Alert Plus. Amends the Video Gaming Act. Provides that the Illinois Gaming Board, in its discretion, may require video gaming terminals to display Amber Alert and Amber Alert Plus (rather than only Amber Alert) messages if the Board makes a finding that it would be economically and technically feasible and pose no risk to the integrity and security of the central communications system and video gaming terminals.
