HOUSE FLOOR AMENDMENT NO. 2

Deletes reference to:

305 ILCS 5/3-2

Adds reference to:

210 ILCS 50/3.10

305 ILCS 5/5-4.2

305 ILCS 5/5-30c new

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to adjust the Department's criteria for determining the appropriateness of non-emergency transportation by striking any reference to prohibiting approval of ground ambulance services when the sole purpose of the transport is for the navigation of stairs or the assisting or lifting

of a patient at a medical facility or during a medical appointment. Provides that it is the intent of the General Assembly to permit ground ambulance reimbursement for lifting, moving, or navigating stairs when a recipient exhibits extenuating circumstances related to the social determinants of health which would make an otherwise non-eligible ground ambulance transport eligible for reimbursement. Provides that such extenuating circumstances may be established through the completion of a Physician Certification Statement. Requires the Department to establish a methodology for providing reimbursement for: (i) bariatric transports at an amount of one additional base rate for each additional 2 personnel necessary to safely move the patient; and (ii) specialty care transports to include transports originating or terminating at a residence and for intra-facility transports. Provides that, to increase access to non-emergency transportation services, the Department shall increase the base rate for medi-car and stretcher van services to at least \$50, and the rate of each attendant for medi-car and stretcher van services to at least \$50. Provides that the reimbursement rate shall only apply to stretcher van providers licensed by the Department of Public Health in accordance with the Emergency Medical Services (EMS) Systems Act. Requires the Department of Healthcare and Family Services to establish a grant program for the purpose of building capacity among IMPACT-enrolled and BEP-certified providers of medi-car and stretcher van transportation services. Amends the Emergency Medical Services (EMS) Systems Act. Removes pre-hospital or inter-hospital transportation from the definition of "critical care transport". Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Further amends the Emergency Medical Services (EMS) Systems Act. Changes the definition of "critical care transport" to mean transportation which includes the provision of pre-hospital or inter-hospital emergency care or non-emergency medical services to a critically injured or ill patient by a vehicle service provider, including the provision of medically necessary supplies and services, at a level of service beyond the scope of the Paramedic (rather than the pre-hospital or inter-hospital transportation of a critically injured or ill patient by a vehicle service provider, including the provision of medically necessary supplies and services, at a level of service beyond the scope of the Paramedic).

HOUSE FLOOR AMENDMENT NO. 6

Adds reference to:

410 ILCS 705/10-35

In provisions amending the Compassionate Use of Medical Cannabis Program Act, makes changes to the definition of "Social Equity Justice Involved Applicant". Requires cannabis in a vehicle to be in a reasonably secured, sealed or resealable (rather than a reasonable secured, sealed) container. In provisions amending the Cannabis Regulation and Tax Act, makes the following changes. Removes language providing that any person 21 years of age or older in possession of cannabis shall not be required to possess cannabis in a container that meets specified requirements. Provides an exception for breaching the confidentiality of information obtained under the Act. Provides that an Early Approval Adult Use Dispensing Organization's application to relocate its license under specified provisions shall be deemed approved 30 days (rather than within 30 days) following the submission of a complete application to relocate. Provides that specified applicants may not be located within 1,500 of a dispensing organization licensed under provisions regarding Early Approval Adult Use Dispensing Organization Licenses or Early Approval Adult Use Dispensing Organization License secondary sites (rather than within 1,500 of a dispensing organization), unless specified requirements are met. Provides that if awarding a license in a Tied Applicant Lottery would result in a Tied Applicant possessing more than 10 specified licenses, or any combination of the specified licenses, (rather than only the specified licenses) the Tied Applicant must choose which license to abandon. Restores language requiring any product containing cannabis to be sold in a container that, among other things, must be odor-proof.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 1463, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 1463, as amended by House Amendment 1 as it is not a supplemental appropriation that increases or decreases appropriations. JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

Adds reference to:

20 ILCS 1305/1-75 new

30 ILCS 105/5.970 new

Replaces everything after the enacting clause. Amends the Department of Human Services Act. Provides that the amendatory Act may be referred to as the First Responders Child Care Act. Provides that subject to appropriation, the Department of Human Services shall establish and administer an Off-Hours Child Care Grant Program to provide grants to licensed child care facilities to expand their program of services to include off hours, night, or sleep time child care for first responders and third shift workers who, on account of their work schedule, need child care outside of the hours when licensed child care facilities typically operate. Provides that services funded under the grant program must address the child care needs of first responders. Provides that grants provided under the program may also be used to cover any capital and operating expenses related to the provision of off-hours, night, or sleep time child care for first responders. Requires child care facilities seeking funding under the grant program to apply to the Department in a form and manner prescribed by the Department. Requires the Department to implement the grant program by the date the Child Care Advisory Council submits its final report to the General Assembly as provided under Senate Resolution 862 of the 102nd General Assembly or by December 31, 2022, whichever is earlier. Permits the Department to adopt any rules necessary to implement the program. Defines "first responders" to mean emergency medical services personnel as defined in the Emergency Medical Services (EMS) Systems Act, firefighters, law enforcement officers, and, as determined by the Department, any other workers who, on account of their work schedule, need child care outside of the hours when licensed child care facilities typically operate. Amends the State Finance Act. Creates the Off-Hours Child Care Grant Program Fund as a special fund in the State treasury. Effective immediately.

Deletes reference to:

20 ILCS 1705/1

Adds reference to:

New Act

Replaces everything after the enacting clause. Creates the Mental Health Inpatient Facility Access Act. Requires the Department of Human Services' Division of Mental Health to develop a written, strategic plan that comprehensively addresses improving access to inpatient psychiatric beds in State-operated mental health facilities for individuals needing a hospital level of care. Provides that the plan shall include annual training requirements for State-operated inpatient mental health facility clinicians, regular and periodic mental health assessments of individuals admitted to State-operated facilities, updated facility policies and procedures aimed at increasing opportunities for home visits and work programs that assist with community reintegration, steps to increase access to community-based mental health services that provide outpatient alternatives and step-down services, certification requirements for mental health clinicians, and other matters. Requires the Department to develop benchmarks to ensure that every individual found unfit to stand trial or not guilty by reason of insanity who has been committed by a court to the Department for treatment shall be admitted to a Department facility within specified statutory time periods. Requires the strategic plan to be made publicly available in one year. Prohibits the Department from making further reductions in State-operated inpatient mental health bed capacity. Provides that nothing in the amendatory Act shall affect the authority of the Governor to issue emergency executive orders to protect the health or safety of recipients or employees of State-operated inpatient psychiatric facilities. Effective immediately.

215 ILCS 134/45.3 new

Amends the Managed Care Reform and Patient Rights Act. Requires health insurance carriers that provide coverage for prescription drugs to ensure that, within service areas and levels of coverage specified by federal law, at least half of individual and group plans meet one or more of the following criteria: apply a pre-deductible and flat-dollar copayment structure to the entire drug benefit, limit a beneficiary's monthly out-of-pocket financial responsibility for prescription drugs to a specified amount, or limit a beneficiary's annual out-of-pocket financial responsibility for prescription drugs to a specified amount. Provides that all plans for prescription drugs offered under the amendatory Act must be clearly and appropriately named, marketed in the same manner as other plans offered by the health insurance carrier, and offered for purchase to any individual and group plan sponsor. Effective January 1, 2022.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Managed Care Reform and Patient Rights Act. In provisions concerning individual health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall ensure that at least 10% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall ensure that at least 25% of individual health care plans offered in each applicable service area apply a flat-dollar copayment structure to the entire drug benefit. In provisions concerning group health plans that provide coverage for prescription drugs, provides that beginning January 1, 2023, health insurance carriers shall offer at least one group health plan in each applicable service area that applies a flat-dollar copayment structure to the entire drug benefit; and beginning January 1, 2024, health insurance carriers shall offer at least 2 group health plans in each applicable service area that apply a flat-dollar copayment structure to the entire drug benefit. Provides that the flat-dollar copayment structure for prescription drugs must be applied pre-deductible and be reasonably graduated and proportionately related in all tier levels such that the copayment structure as a whole does not discriminate against or discourage the enrollment of individuals with significant health care needs. Requires the health insurance carriers to clearly and appropriately name the plans to aid in individual or group plan selection. Requires the health insurance carriers to market the plans in the same manner as their other plans. Requires the Department of Insurance to adopt rules necessary to implement and enforce the provisions. Effective January 1, 2023.

Adds reference to:

415 ILCS 5/22.15

from Ch. 111 1/2, par. 1022.15

415 ILCS 5/22.55

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that each covered manufacturer must, beginning January 1, 2024 (rather than no later than July 1, 2022) or 6 months after becoming a covered manufacturer, individually or collectively implement (rather than participate in) an approved drug take-back program. Requires a drug take-back program to provide for the collection, transportation, and disposal of covered drugs. Provides that specified requirements shall be undertaken by a drug take-back program or a covered manufacturer (rather than a manufacturer program operator). Requires the Environmental Protection Agency to review all proposals in conjunction with one another to ensure the proposals are coordinated to achieve authorized collection site coverage. Requires the Agency to either approve, reject, or approve with modification a proposal within 90 days after receiving it. Requires drug take-back program promotion to be implemented by all drug take-back programs collectively. Provides that a manufacturer program operator shall (rather than may) allocate administration and operation costs of programs to participating covered manufacturers. Requires each covered manufacturer and manufacturer program operator to register with the Agency and submit the registration fee by January 1, 2023 (rather than April 1, 2022), and by January 1 (rather than April 1) of each year thereafter. Removes language requiring penalties collected under the Act to be used in accordance with the Act's provisions. Removes language allowing the Agency to impose a civil penalty for a violation of the Act of \$7,000 per violation per day. Makes other changes. Amends the Environmental Protection Act. Provides that moneys in the Solid Waste Management Fund shall be used for the administration of the Drug Take-Back Act. Removes provisions requiring the Agency to (1) develop and implement a public information program regarding household waste drop-off points that accept pharmaceutical products, as well as mail-back programs; (2) develop a sign that provides information on the proper disposal of unused pharmaceutical products; and (3) establish, by rule, a statewide medication take-back program by June 1, 2016 to ensure that there are pharmaceutical product disposal options regularly available for residents across the State. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Provides that "covered drug" means, among other things, a drug. Makes a typographical change.

In provisions of the Drug Take-Back Act, makes the following changes. Provides that "covered drug" does not include drugs sold at retail as a unit dose package or homeopathic drugs. Makes changes to the definition of "proprietary information". Provides that program promotion requirements do not apply to any drug take-back program established prior to the Act's effective date that provides promotional or educational materials to the public about the proper collection and management of covered drugs. Provides that each covered manufacturer and covered manufacturer program operator shall submit a registration fee of \$2,500 (rather than \$5,000).

SENATE COMMITTEE AMENDMENT NO. 2

Removes language providing that the definition of "covered manufacturer" does not include a pharmacy. Provides that private label distributors and repackagers are not covered manufacturers.

SENATE FLOOR AMENDMENT NO. 3

Requires the Environmental Protection Agency to provide a 30-day public comment period on drug take-back program proposals and revised proposals during specified 90-day periods. Provides that the reason for the Agency's rejection of a drug take-back program proposal must be provided in the written notification to the manufacturer program operator.

HB-1952 TARVER.

705 ILCS 405/5-915

Amends the Juvenile Court Act of 1987. Provides that the juvenile law enforcement records of a person who before his or her 18th birthday has committed an act which if committed by an adult would constitute a criminal violation under the Cannabis Control Act or a criminal violation of the Drug Paraphernalia Control Act with respect to cannabis are subject to automatic expungement. Provides that the law enforcement agency who initiated the violation shall automatically expunge, on or before January 1 and July 1 of each year, the juvenile law enforcement records of a person eligible under this provision. Provides that the law enforcement agency shall provide by rule the process for access, review, and confirmation of the automatic expungement by the law enforcement agency. Provides that the clerk of the circuit court shall expunge, upon order of the court, or in the absence of a court order on or before January 1 and July 1 of each year, the juvenile court records of a person who before his or her 18th birthday has committed an act which if committed by an adult would constitute a criminal violation under the Cannabis Control Act or a criminal violation of the Drug Paraphernalia Control Act with respect to cannabis in the clerk's possession or control and which contains the final satisfactory disposition which pertain to a person eligible under this provision. Effective immediately.

FISCAL NOTE (Illinois State Police)

House Bill 1952 provides law enforcement agencies that initiated a criminal violation of the Cannabis Control or Drug Paraphernalia Control Acts, would have to automatically expunge juvenile records of a person who committed a criminal violation on or before January 1 and July 1 of each year. Automatic expungement outside the judicial process will not allow for the collection of statutory fees, which cover administrative costs. While existing personnel may be used to develop and implement computer programming to carry out the automatic expungement of electronic records, our records unit who handles physical records would need additional staff. The cost of one office specialist in our records unit is \$113,583, which includes personal services and fringe benefits (retirement, social security and insurance). If House Bill 1952 were to become law, we would hire three additional records specialists at a cost of approximately \$340,749.

735 ILCS 5/21-103 from Ch. 110, par. 21-103

Deletes a provision concerning objections relating to specificity, timing, filing, and form. Provides that a person who has been convicted of a felony offense in this State or any other state and whose sentence has not been terminated, completed, or discharged is not permitted to file a petition for a name change in the courts of this State unless that person is pardoned for the offense. Adds "name" to two section headings to reflect the duty to report a legal name change. Provides that certain objections shall be served upon the petitioner. Replaces a repeal of a provision concerning notice by publication with a change to the provision providing that the court may issue an order directing that the notice and publication requirement be waived for a change of name involving a person who files with the court a statement verified under oath that the person believes that publishing notice of the name change would be a hardship, including but not limited to, a negative impact on the person's health or safety. Provides that in a case where waiver of the notice and publication requirement is sought, the petition for waiver will be presumed granted and heard at the same hearing as the petition for name change. Provides that the court retains discretion to determine whether a hardship is shown and may order the petitioner to publish thereafter.

Amends the Illinois Act on the Aging. In provisions concerning the powers and duties of the Department on Aging under the Act, requires the Department to work with workforce development providers through the federal Workforce Innovation and Opportunity Act to establish and implement an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law (rather than requiring the Department to make a grant to an institution of higher learning to study the feasibility of establishing and implementing an affirmative action employment plan for the recruitment, hiring, training, and retraining of persons 60 or more years old for jobs for which their employment would not be precluded by law). Requires the Department to conduct demonstration projects to identify additional ways to assist aging and minority senior citizens throughout the State (rather than requiring the Department to conduct a study of the feasibility of implementing the Senior Companion Program throughout the State). In a provision requiring the Department on Aging and the Department of Human Services to file a joint report with the Governor and the General Assembly, removes the requirement that the report be filed on or before September 30 of each year. Requires the Department on Aging and other specified agencies to submit an annual report on programs and services for minority senior citizens in the State to be filed with the Governor and the General Assembly within 12 months of the closing of the lapse period for the fiscal year included in the report.

 215 ILCS 180/35
 215 ILCS 180/40

Amends the Illinois Insurance Code. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions. Provides that an insurer shall not limit benefits or coverage for medically necessary services on the basis that those services should be or could be covered by a public program. Provides that an insurer shall base any medical necessity determination or the utilization review criteria on current generally accepted standards of mental, emotional, nervous, or substance use disorder or condition care. Provides that in conducting utilization review of covered health care services and benefits for the diagnosis, prevention, and treatment of mental, emotional, and nervous disorders or conditions in children, adolescents, and adults, an insurer shall exclusively apply the criteria and guidelines set forth in the most recent versions of the treatment criteria developed by the nonprofit professional association for the relevant clinical specialty. Provides that an insurer shall not apply different, additional, conflicting, or more restrictive utilization review criteria than the criteria and guidelines set forth in the treatment criteria. Provides that the Director may, after appropriate notice and opportunity for hearing, assess a civil penalty between \$5,000 and \$20,000 for each violation. Amends the Health Carrier External Review Act. Provides that the independent review organization shall comply with specified requirements for an adverse determination or final adverse determination involving mental, emotional, nervous, or substance use disorders or conditions. Makes other changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

In provisions concerning mental and emotional disorders, provides that an insurer shall not set a specific limit on the duration of benefits or coverage of medically necessary treatment of mental, emotional, nervous, or substance use disorders or conditions or limit coverage only to alleviation of the insured's current symptoms. Provides that nothing shall require the insurer to cover a treatment when the authorization was granted based on a material misrepresentation by the insured, the policyholder, or the provider. Provides that an insurer may apply specified utilization review criteria to health care services and benefits for mental, emotional, and nervous disorders or conditions that are outside the scope of specified criteria and guidelines or relate to advancements in technology or types of care that are not covered in the most recent versions of specified sources. Provides that if the Director of Insurance determines that an insurer has violated the provisions, the Director may assess a civil penalty between \$1,000 and \$5,000 for each violation (rather than between \$5,000 and \$20,000). Removes language that provides that changes in terminology, organization, or classification of mental, emotional, nervous, substance use disorder or condition in future versions of specified publications shall not affect the conditions covered by provisions concerning mental and emotional disorders as long as a condition is commonly understood to be a mental, emotional, nervous, or substance use disorder or condition by health care providers practicing in relevant clinical specialties. Removes language that provides that an insurer shall not limit benefits or coverage for mental, emotional, nervous, or substance use disorders or conditions to short-term or acute treatment at any level of placement. Makes other changes. Changes the effective date to January 1, 2022 (rather than an immediate effective date).

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:
 215 ILCS 5/370c.1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Provides that every insurer that amends, delivers, issues, or renews a group or individual policy of accident and health insurance or a qualified health plan offered through the health insurance marketplace in the State and Medicaid managed care organizations providing coverage for hospital or medical treatment shall provide coverage for medically

necessary treatment of mental, emotional, nervous, or substance use disorders or conditions on or after January 1, 2023 (rather than January 1, 2022). Provides that an insurer or Medicaid managed care organization shall not be required to pay for services if the individual was not the insurer's enrollee or eligible for Medicaid at the time the service was rendered. Provides that an insurer shall not be required to cover benefits that have been authorized and provided for a covered person by a public entitlement program. Provides that for medical necessity determinations (rather than in conducting utilization review of covered health care services and benefits) relating to level of care placement, continued stay, and transfer or discharge of insureds diagnosed with mental, emotional, and nervous disorders or conditions, insurers and Medicaid managed care organizations shall apply specified patient placement criteria. Makes various changes to provisions concerning requirements for insurers regarding education of the insurer's staff and other stakeholders, publishing of utilization review criteria, and documentation of interrater reliability testing and remediation actions. Further amends the Illinois Insurance Code. In provisions concerning mental, emotional, nervous, or substance use disorder or condition parity, provides that not later than January 1 (rather than August 1) of each year, the Department of Insurance shall issue a joint report to the General Assembly and provide an educational presentation to the General Assembly. Removes language that provides that insurers shall base the duration of treatment on the insured's individual needs; that an insurer shall only engage applicable qualified providers in the treatment of mental, emotional, nervous, or substance use disorders or conditions or the appropriate subspecialty and who possess an active professional license or certificate to review, approve, or deny services; and that every insurer shall sponsor a formal education program by nonprofit clinical specialty associations. Makes other changes. Effective January 1, 2022, except that specified provisions take effect immediately.

HB-2739 JONES - CARROLL.

New Act

Creates the Private Primary Residential Flood Insurance Act. Sets forth provisions concerning flood insurance rates. Provides that an insurer shall file with the Department of Insurance all rates and any change to such rates within 30 days after the effective date of the rate change. Sets forth provisions concerning flood insurance forms. Provides that authorized insurers must notify the Department of plans to sell primary residential flood insurance products at least 30 days before writing flood insurance in the State and file a plan of operation and financial projections or material revisions to such plan. Sets forth provisions concerning notice to consumers that live in a special flood hazard area, notice of cancellation and nonrenewal, and surplus line placements of private flood insurance. Provides that rates, supplementary rate information, and any supporting information filed under the Act shall be open to public inspection upon disposition, except information marked and accepted by the Director of Insurance as confidential, trade secret, or proprietary by the insurer or filer. Provides that the Department may adopt rules to implement the Act.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that authorized insurers must obtain the Director of Insurance's approval for a plan of operation or material revisions to such plan (rather than authorized insurers must file a plan of operation and financial projections or material revisions to such plan). Removes language that provides that the Department of Insurance may require that an insurer file the forms for primary residential flood insurance coverage, or that an authorized insurer may issue an insurance policy, contract, or endorsement. Removes provisions concerning flood insurance rates, notice to consumers that live in a special flood hazard area, notice of cancellation and nonrenewal, and surplus line placements of private flood insurance. Removes language that provides that rates, supplementary rate information, and any supporting information filed under the Act shall be open to public inspection upon disposition, except information marked and accepted by the Director as confidential, trade secret, or proprietary by the insurer or filer. Provides that an insurer shall (rather than may) certify that the insurance policy meets a definition of "private flood insurance", as specified in certain federal law and regulations. Makes other changes.

New Act

50 ILCS 750/4 from Ch. 134, par. 34

Creates the Community Emergency Services and Supports Act. Provides that the Act applies to every unit of local government that provides or coordinates ambulance or similar emergency medical response or transportation services for individuals with emergency medical needs. A home rule unit may not respond to or provide services for a mental or behavioral health emergency, or create a transportation plan or other regulation, relating to the provision of mental or behavioral health services in a manner inconsistent with this Act. Provides that one plan shall describe how the EMS Region will provide mobile emergency mental and behavioral health services to individuals who do not present as a threat to the responders, and are not involved in criminal activity at the time of the response. Provides that the plan shall conform to the requirements of the Act and, recognizing the variety of systems, services, and needs across the State, provide the specific requirements and guidance appropriate for that region. Provides that the plan shall be identified as the region's community emergency services

and supports plan. Provides that the second plan shall describe the manner and extent to which responders operating under the region's Community Emergency Services and Supports Plan coordinate with law enforcement when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that the plan shall be identified as the region's Non-Violent Misdemeanor Coordination Plan. Amends the Emergency Telephone System Act to make conforming changes. Effective immediately.

FISCAL NOTE (Dept. of Human Services)

The fiscal impact to IDHS to provide for the establishment and oversight on the committees would be minimal.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Creates the Community Emergency Services and Support Act. Provides that each 9-1-1 call center and provider of emergency services dispatched through a 9-1-1 system must coordinate with the mobile mental and behavioral health services established by the Division of Mental Health of the Department of Human Services so that the following State goals and State prohibitions are met whenever a person interacts with one of these entities for the purpose seeking emergency mental and behavioral health care or when one of these entities recognizes the appropriateness of providing mobile mental or behavioral health care to an individual with whom they have engaged. Provides that the Division of Mental Health is also directed to provide guidance regarding whether and how these entities should coordinate with mobile mental and behavioral health services when responding to individuals who appear to be in a mental or behavioral health emergency while engaged in conduct alleged to constitute a non-violent misdemeanor. Provides that 9-1-1 call centers, emergency services dispatched through 9-1-1 call centers, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that certain specified State prohibitions are avoided. Provides that the Division of Mental Health shall establish regional advisory committees in each EMS Region to advise on emergency response systems for mental and behavioral health. Provides that the Act applies to persons of all ages, both children and adults. Provides that the Act does not limit an individual's right to control his or her own medical care. No provision of this Act shall be interpreted in such a way as to limit an individual's right to choose his or her preferred course of care or to reject care. Provides that no provision of this Act shall be interpreted to promote or provide justification for the use of restraints when providing mental or behavioral health care. Amends the Emergency Telephone System Act to make conforming changes.
