The Digest is published by the Legislative Reference Bureau. It is prepared for print through the computer services of the Legislative Information System and is printed by the Legislative Printing Unit.

The format of the Digest includes synopses of bills and resolutions pending in the House of Representatives and the Senate and indices by statute reference, subject matter, and sponsor.

The Digest is published periodically during the time the General Assembly is in Session. It is available by subscription through the Legislative Reference Bureau for \$55.00 per calendar year.

A synopsis contained in the Digest does not purport to be an analysis of the bill described. It is intended to give only sufficient information concerning the subject matter so that the reader may determine whether he or she is interested in examining the bill to determine its full content and effect.

215 ILCS 5/154.6 from Ch. 73, par. 766.6
215 ILCS 5/154.9 new

Amends the Illinois Insurance Code. Provides that it is an improper claims practice for a domestic, foreign, or alien company transacting business in this State to fail to pay the replacement vehicle use or occupation tax, title, and transfer fees on a private passenger total loss claim if that act is committed knowingly in violation of the Code, has been committed with such frequency to indicate a persistent tendency to engage in that type of conduct, and is committed without just cause. Provides that an insurer shall pay use or occupation tax, title, and transfer fees when the insurer determines that an insured's or third-party claimant's private passenger automobile is a total loss covered under the terms of a personal automobile policy issued by the insurer. Provides that if an insurer elects to replace the insured vehicle, the insurer shall pay the use or occupation tax, title, and transfer fees on the replacement vehicle. Provides that if a cash settlement is provided for the total loss private passenger vehicle, an insurer shall reimburse or directly pay the insured or third-party claimant for replacement vehicle use or occupation tax, title, and transfer fees under specified conditions. Grants the Department of Insurance rulemaking authority. Effective January 1, 2022.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that for personal automobile policies issued or renewed on or after July 1, 2022 (rather than policies issued by an insurer) it is an improper claims practice for a domestic, foreign, or alien company transacting business in this State to fail to pay the replacement vehicle use or occupation tax, title, and transfer fees on a private passenger total loss claim if that act is committed knowingly in violation of the Code, has been committed with such frequency to indicate a persistent tendency to engage in that type of conduct, and is committed without just cause. Changes the effective date from January 1, 2022 to July 1, 2022.

225 ILCS 65/65-43

Amends the Nurse Practice Act. Removes language requiring that a collaborating physician attest to the completion of the clinical experience required for an advanced practice registered nurse to practice without a written collaborative agreement. Removes a provision that includes prescribing benzodiazepines or Schedule II narcotic drugs only in a consultation relationship with a physician within the scope of practice of an advanced practice registered nurse with full practice authority.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In a provision concerning clinical experience for an advanced practice registered nurse, provides that completion of the clinical experience must be attested to by the collaborating physician or physicians or employer (rather than the collaborating physician or physicians) and the advanced practice registered nurse. Provides that if the collaborating physician or physicians or employer is unable to attest to the completion of the clinical experience, the Department of Financial and Professional Regulation may accept other evidence of clinical experience as established by rule. Restores language concerning prescribing benzodiazepines or Schedule II narcotic drugs that was stricken in the introduced bill.

In provisions requiring the Department of Children and Family Services to submit annual reports to the General Assembly concerning youth in care who are awaiting placement or psychiatric hospitalization (rather than placement), provides that the reports are to be submitted no later than December 31 of each year (rather than on December 31 of each year through December 31, 2023). Amends the Adoption Act. Provides that a spouse or civil union partner is not required to join in a petition for the adoption of an adult if a petitioner is a former stepparent of that adult. Provides that the residence requirement for adoption shall not apply to: an adoption of a child placed by a State-licensed child welfare agency performing adoption services (rather than an adoption of a child placed by an agency); an adoption of an adult by a former stepparent; and an adoption of a child born in the State who has resided in the State continuously since birth, or a child who has continuously resided in the State for at least 6 months immediately preceding the commencement of the adoption proceeding. Includes additional information for the affidavit of identification to be given by the biological mother in an adoption proceeding. Provides that execution of a POLST form shall not be a requirement for admission to any facility or a precondition to the provision of services by any provider of health care services. Provides that an individual may revoke a document directing that resuscitating efforts shall not be implemented. In a Section regarding Department of Public Health Uniform POLST forms, changes the definition of "attending health care practitioner". an out-of-hospital Do Not Resuscitate (DNR) order sanctioned by a State in the United States that: has been executed by an adult; and is apparent and immediately available. Provides that before voiding or revoking a uniform practitioner orders for life-sustaining treatment (POLST) form, National POLST form, or another state's POLST Paradigm portable medical orders form consented to by the individual, that individual's legally authorized surrogate decision maker shall first: engage in consultation with the attending health care practitioner; consult the patient's advance directive, if available; and make a good faith effort to act consistently, at all times, with the patient's known wishes, or, if the patient's wishes are not known, using substituted judgment as the standard. Provides that when an individual's legally authorized surrogate is making a good faith effort to act consistently with the patient's known wishes to void or revoke a POLST form, if the patient's wishes are unknown and remain unknown after reasonable efforts to discern them, the decision shall be made on the basis of the patient's best interests as determined by the surrogate decision maker.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Deletes the definition of "qualified physician". Defines "physician" as a physician licensed to practice medicine in all its branches in the State. Allows a surrogate decision maker to execute a POLST portable medical orders form to forgo life sustaining treatment. In a Section regarding Department of Public Health Uniform POLST forms, deletes the definition of "attending health care practitioner" and replaces references to "attending health care practitioner" with "qualified health care practitioner". Replaces "POLST Paradigm portable medical orders form" with "POLST portable medical orders form". Provides that certain requirements regarding the revocation of a POLST form do not apply to an individual wanting to revoke his or her own POLST form.

New Act

Creates the Student Parent Data Collection Act. Beginning September 1, 2021, requires each public institution of higher education to determine the parental status of each of its enrolled students and collect specified information about the student if the student indicates that the student is a parent. Beginning September 1, 2021, requires each public institution of higher education that operates one or more child care centers or early learning centers on its campus or is otherwise affiliated with a child care center or early learning center to collect specified information concerning the number of children served. Sets forth reporting and privacy requirements. Effective July 1, 2021.

New Act

Creates the Wipes Labeling Act. Presents the findings of the General Assembly. Provides that a covered entity must clearly and conspicuously label a covered product as "do not flush" in accordance with specified requirements. Provides that, upon a request by a municipality or county, a covered entity must submit to the requesting entity, within 90 days after the request, nonconfidential business information and documentation demonstrating compliance with the Act in a format that is easy to understand. Provides that municipalities and counties have the authority to enforce the Act and to collect civil penalties for violations of the Act and may impose a civil penalty in the amount of up to \$2,000 for the first violation of the Act, up to \$5,000 for the second violation, and up to \$10,000 for the third and any subsequent violation. Provides that a municipality or county shall send a written notice of an alleged violation and a copy of the requirements of the Act to a noncompliant covered entity, which will have 90 days to become compliant. Provides that covered products required to be registered by the United States Environmental Protection Agency under the federal Insecticide, Fungicide, and Rodenticide Act must only comply with the Act on and after July 1, 2023. Limits home rule powers to regulate the labeling of covered products. Contains a severability provision. Effective July 1, 2022.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Replaces references to municipalities and counties with references to jurisdictional wastewater authorities. Replaces the labeling requirements of the introduced bill with provisions requiring that, subject to specified exceptions, a covered product manufactured on or after July 1, 2022 shall be labeled clearly and conspicuously in adherence to specified labeling requirements. Provides that a covered entity may include on a covered product words or phrases in addition to those required for label notice if the words or phrases are consistent with the purposes of the provisions. Provides that jurisdictional wastewater authorities have the concurrent and exclusive authority (rather than municipalities and counties have the authority) to enforce the Act and collect civil penalties for violations of the Act. Removes provisions regarding covered products registered with the United States Environmental Protection Agency. Defines "jurisdictional wastewater authority". Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Defines "high contrast" as (1) provided by either a light symbol on a solid dark background or a dark symbol on a solid light background; and (2) having at least 70% contrast between the symbol artwork and background using the formula $[(B1 - B2) / B1] * 100$, where B1 is the light reflectance value of the relatively lighter area and B2 is the light reflectance value of the relatively darker area.

Amends the Network Adequacy and Transparency Act. Provides that a network plan shall make available, through a directory, information about whether a provider offers the use of telehealth or telemedicine to deliver services, what modalities are used and what services via telehealth or telemedicine are provided, and whether the provider has the ability and willingness to include in a telehealth or telemedicine encounter a family caregiver who is in a separate location than the patient if the patient so wishes and provides his or her consent. Defines "family caregiver". Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning information that a network plan shall make available through an electronic provider directory or in print, provides that information concerning use of telehealth or telemedicine includes, but is not limited to, whether the provider offers the use of telehealth or telemedicine to deliver services to patients for whom it would be clinically appropriate (rather than whether the provider offers the use of telehealth or telemedicine to deliver services) and what modalities are used and what types of services may be provided via telehealth or telemedicine (rather than what modalities are used and what services via telehealth or telemedicine are provided). 15 ILCS 505/0.05 rep.

Amends the State Treasurer Act. Repeals provisions regarding transfer of power; transfer of personnel; transfer of property; and rules and standards. Amends the Revised Uniform Unclaimed Property Act. Changes the definition of "virtual currency". Provides that a money order is presumed abandoned if it is unclaimed by the apparent owner 3 (rather than 7) years after issuance. Provides that virtual currency is presumed abandoned if it is unclaimed by the apparent owner 5 years after the last indication of interest in the property. Provides that a business association who has no reportable property shall so report to the administrator under specified circumstances. Provides that the administrator does not need to notify the Department of Revenue of the names or social security numbers of apparent owners of abandoned property if the administrator reasonably believes that the Department of Revenue will be unable to provide information that would provide sufficient evidence to establish that the person in the Department of Revenue's records is the apparent owner of unclaimed property in the custody of the administrator. Includes a provision regarding identification of apparent owners of abandoned property using other State databases. Provides that if property reported to the administrator is virtual currency, the holder shall liquidate the virtual currency and remit the proceeds to the administrator. Makes changes to provisions regarding: when tax-deferred and tax-exempt retirement accounts presumed abandoned; United States savings bonds; crediting income or gain to owner's account; and action by a person whose claim is denied.

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:

765 ILCS 1026/15-905

Provides that the Secretary of State may (rather than shall) provide the Treasurer with the last known address as it appears in its respective records of any person reasonably believed to be the apparent owner of abandoned property. Provides that any warrants issued by the Comptroller pursuant to a voucher from the Treasurer to pay an owner that are not presented to the Treasurer within 12 months of the date of issuance shall be void, but the funds shall not escheat to the State and shall instead be redeposited in the Unclaimed Property Trust Fund. Provides that the Treasurer shall be responsible for any tax reporting required by federal law related to payments under the Revised Uniform Unclaimed Property Act.

HOUSE FLOOR AMENDMENT NO. 3

Adds reference to:

765 ILCS 1026/15-210

765 ILCS 1026/15-1002.1

765 ILCS 1026/15-1004

765 ILCS 1026/15-1401

765 ILCS 1026/15-1402

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Further amends the Revised Uniform Unclaimed Property Act. Provides that a money order is presumed abandoned if it is unclaimed by the apparent owner 5 (rather than 3) years after issuance. Provides that any instrument on which a financial organization or business association is directly liable, other than a money order, is presumed abandoned if it is unclaimed by the apparent owner 3 years after issuance. Makes changes concerning the time and circumstances under which financial organization deposits are presumed abandoned. Makes changes in provisions governing extending the reporting date of certain reported renewable time deposits. Deletes language requiring a holder to inform the State Treasurer, as administrator, to provide a telephone number that persons may call to inquire about or claim property. Provides that the State Treasurer may, at reasonable times and upon reasonable notice: (1) examine the records of specified types of financial organizations under certain conditions; (2) issue an administrative subpoena requiring the financial organization to make records available for examination; and (3) bring an action seeking judicial enforcement of the subpoena. Provides that records obtained in examinations of State-regulated financial organizations are subject to the same provisions concerning use and confidentiality as records obtained in examinations of other persons. Makes other changes. Adds an immediate effective date.

HOUSE FLOOR AMENDMENT NO. 4

Provides that a time deposit for which the owner has not consented to automatic renewal of the time deposit is presumed abandoned 3 years after the later of maturity or the date of the last indication of interest in the property by the apparent owner (instead of "3 years after the date of last indication of interest in the property by the apparent owner").

Amends the Illinois Anatomical Gift Act. Deletes language providing that no hospital, physician and surgeon, procurement organization, or other person shall determine the ultimate recipient of an anatomical gift based upon a potential recipient's physical or mental disability, except to the extent that the physical or mental disability has been found by a physician and surgeon, following a case-by-case evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift. Provides instead that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability: deem an individual ineligible to receive an anatomical gift or organ transplant; deny medical and other services related to organ transplantation, including evaluation, surgery, counseling, postoperative treatment, and services; refuse to refer the individual to a transplant center or other related specialist for the purpose of evaluation for or receipt of an organ transplant; refuse to place an individual on an organ transplant waiting list or place an individual at a lower priority position on the waiting list than the position at which the individual would have been placed if not for the individual's disability; or decline insurance coverage for any procedure associated with the receipt of the anatomical gift, including posttransplantation care. Provides that a hospital, physician and surgeon, procurement organization, or other person may take an individual's disability into account when making treatment or coverage recommendations or decisions solely to the extent that the physical or mental disability has been found by a physician or surgeon, following an individualized evaluation of the potential recipient, to be medically significant to the provision of the anatomical gift.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Provides that a hospital, physician and surgeon, procurement organization, or other person shall not, solely on the basis of an individual's mental or physical disability, if an individual has the necessary support system to assist the individual in complying with posttransplant medical requirements, consider the individual's inability to independently comply with posttransplant medical requirements to be medically significant. Provides that a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services, unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services. Provides that a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to

organ transplantation due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity.

SENATE FLOOR AMENDMENT NO. 2

Deletes language providing that: a covered entity shall make reasonable modifications to its policies, practices, or procedures to allow individuals with disabilities access to transplantation-related services unless the covered entity can demonstrate that making such modifications would fundamentally alter the nature of such services; and a covered entity shall take steps necessary to ensure that an individual with a disability is not denied medical services or other services related to organ transplantation, due to the absence of auxiliary aids or services, unless the covered entity demonstrates that taking the steps would fundamentally alter the nature of the medical services or other services related to organ transplantation or would result in an undue burden for the covered entity. Provides instead that a covered entity shall comply with the requirements of the Americans with Disabilities Act of 1990 and its implementing regulations in making reasonable modifications to its policies or procedures in response to a request from an individual with disabilities regarding access to transplantation-related services. Adds a definition for "covered entity".

Removes language requiring manufacturers to annually submit specified reports and lists of ingredients to the Attorney General. In provisions amending the Prevention of Tobacco Use by Persons under 21 Years of Age and Sale and Distribution of Tobacco Products Act, provides that no person shall honor or accept any discount, coupon, or other benefit or reduction in price that is inconsistent with specified provisions, subsequent United States Food and Drug Administration industry guidance, or any rules adopted under the specified federal provisions (instead of specified prohibitions). Provides that after the Department of Revenue has seized any tobacco product, nicotine product, or electronic cigarette under the amendatory provisions and a person having any property interest in the seized property has not been charged with an offense under specified provisions, the Department of Revenue must hold a hearing and determine specified information. 705 ILCS 135/5-20
725 ILCS 5/124A-20

Amends the Criminal and Traffic Assessment Act. Deletes language providing that one hour of public or community service shall be equivalent to \$4 of assessment. Provides instead that the period of public service necessary to satisfy the assessment shall be set by the court, but in no event shall the hourly rate of the public or community service performed by the defendant be equivalent to less than the minimum wage of the State. Provides that the performance of public or community service may (rather than shall) be a condition of probation, conditional discharge, or supervision and shall be in addition to the performance of any other period of public or community service ordered by the court or required by law. Amends the Code of Criminal Procedure of 1963. In a provision regarding assessment waiver, removes language from the definition of "assessments" excluding assessments tied to violations of the Illinois Vehicle Code. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and further amends the Code of Criminal Procedure of 1963. Reduces the amount by which criminal and traffic assessments may be waived for traffic and certain criminal offenses. Effective immediately.

FISCAL NOTE, HOUSE COMMITTEE AMENDMENT NO. 1 (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would likely have a negative fiscal impact on local circuit court budgets, as well as state, county, and municipal entities and law enforcement agencies who share revenue collected from traffic assessments. It is not possible to formulate a reliable estimate of the fiscal impact of this bill because comprehensive statewide data does not currently exist regarding the percentage of defendants in traffic cases, who would be eligible for full or partial waivers under the criteria contained in the bill, or the dollar amount of waived assessments in those cases that otherwise would have been collected.

HOUSE FLOOR AMENDMENT NO. 2

Removes the change to the Code of Criminal Procedure of 1963 that alters the definition of "assessments" to include assessments tied to violations of the Illinois Vehicle Code. Provides instead that, in a county having a population of more than 3,000,000, "assessments" includes assessments for violations of the Illinois Vehicle Code. Provides that the added language is inoperative on and after July 1, 2024.

Provides instead that a victim's criminal history or felony status shall not automatically prevent compensation to that victim. Expands the powers and duties of the Attorney General. New Act

Creates the Fair Food Delivery Act. Prohibits a third-party delivery service from using the likeness, registered trademark, or intellectual property belonging to a merchant without obtaining written consent from the merchant for the use of the likeness, trademark, or other intellectual property. Provides that an agreement subject to the Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor acting on behalf of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm that may occur after the merchant's product leaves the merchant's place of business. Authorizes recovery of actual damages or \$5,000, whichever is greater. Imposes a civil penalty of not more than \$1,000 per violation. Provides that each day a violation occurs constitutes a separate violation. Defines terms. Effective immediately.

SENATE FLOOR AMENDMENT NO. 1

Removes a provision concerning third-party use of merchant trademarks and likenesses and instead provides that a third-party delivery service may not purchase or use the name, likeness, registered trademark, or intellectual property belonging to a merchant, and may not take or arrange for the pickup or delivery of an order from a merchant, without first obtaining written consent from the merchant. Provides that an agreement subject to the Fair Food Delivery Act may not include a provision that requires a merchant to indemnify a third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service for any damages or harm partially or wholly caused by or resulting from the third-party delivery service, an independent contractor of the third-party delivery service, or a registered agent of the third-party delivery service. Removes the immediate effective date.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with the following changes. Removes bars from the definition of "merchant". Provides that a merchant whose likeness is used (rather than whose likeness is used, or pickup or delivery is arranged through the marketplace) by a third-party delivery service in violation of the Act may bring an action in the circuit court in the county in which the merchant or third-party delivery service conducts business to recover actual damages or \$5,000, whichever is greater. Makes grammatical and other changes.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to Senate Bill 818 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

This legislation would neither increase nor decrease the number of judges needed in the state of Illinois.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

PENSION NOTE (Government Forecasting & Accountability)

SB 0818, as engrossed, will not impact any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

SB 0818, as Engrossed, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling

a single-family residence.

FISCAL NOTE (Dept. of Human Services)

No fiscal impact to IDHS related to the changes proposed in SB 818.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State mandate.

CORRECTIONAL NOTE (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

FISCAL NOTE (Dept. of Public Health)

SB 818 would not pose any fiscal cost aside from standard staff time helping ISBE develop standards, where the cost would be negligible.

LAND CONVEYANCE APPRAISAL NOTE (Dept. of Transportation)

No land conveyances are included in Senate Bill 818; therefore, there are no appraisals to be filed.

Replaces everything after the enacting clause. Amends the Election Code. Provides dates for the 2022 general primary election and dates to prepare for the 2022 general election. Repeals the provisions on January 1, 2023. Provides that in a county with a population of less than 3,000,000, the sheriff may establish a temporary branch polling place at the county jail. Limits eligibility to a resident of a county who is in custody at the county jail and who has not been convicted of the offense for which the resident is in custody. Provides that a voter whose application for permanent vote by mail status is accepted by the election authority shall remain on the permanent vote by mail list until the voter requests to be removed from permanent vote by mail status, the voter provides notice to the election authority of a change in registration, or the election authority receives confirmation that the voter has subsequently registered to vote in another county. Provides the notice to be sent by election authorities to all qualified voters before a general election for the option to be placed on the list of permanent vote by mail status voters. Provides the application form for permanent vote by mail status. Allows an election authority to combine the applications for single election vote by mail and permanent vote by mail status on one form. Provides that a political committee selected to conduct an audit shall only be required to conduct the audit if it was required to file at least one quarterly report during the period to be covered by the audit and has a fund balance of \$10,000 or more, an average closing fund balance of \$10,000 or more on quarterly reports, or average total receipts of \$10,000 or more on quarterly reports. Replaces everything after the enacting clause. Amends the Election Code. Provides for procedures to fill vacancies occurring in elected county offices and in the offices of elected members of the county board in counties under the county executive form of government. Amends the County Executive Form of Government Division of the Counties Code. Modifies the definition of "county board" and adds the definition of "county board speaker". Provides that the county executive shall control the internal operations of the county executive's office and procure the necessary equipment, materials, and services to perform the duties of that office. Removes a requirement for the advice and consent of the board for county executive hirings (rather than appointments) related to subordinate deputies, employees, and appointees for the general administration of county affairs. Provides that the county executive shall remove or suspend in the discretion of the county executive anyone whom the county executive has the power to hire (rather than appoint), other than officials in an elected office that were appointed to fill a vacancy (currently, shall remove or suspend in the county executive's discretion, after due notice and hearing, anyone whom the county executive has the power to appoint). Provides that, in a county that has adopted the county executive form of government, the county board chairman, chairperson, or chair shall only have those powers and duties set forth in the Division and that any powers and duties vested in a county board chairman, chairperson, or chair in any Illinois statute, other than the Division and specified provisions of the Public Health District Act and Election Code, shall instead be vested in the county executive in those counties that have adopted the county executive form of government. Adds provisions relating to meetings of the county board, speaker of the county board, quorum, omnibus votes, and administering oaths. Replaces male pronouns with gender-neutral terms. Makes other changes. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions in the Election Code relating to vacancies that occur in a county other than Champaign County operating under the executive form of government, provides that, when a vacancy occurs in the office of an elected member of the county board, notification shall be given to the appropriate county board district committee of each established political party within 3 days of the declaration of the vacancy by the county executive, and that the vacancy shall be filled within 60 days by appointment of the elected county board speaker or county board chair, as the case may be, with the advice and consent of the county board. Makes conforming changes. Changes a reference of "county official" to "county officer" in exceptions to a county executive's authority to hire specified individuals.

licensed and registered in Illinois. Requires the Task Force to submit reports to the General Assembly, beginning January 1, 2024, and each January 1 thereafter, that provide a status update on the program and annual impact measure reporting. Provides that the program shall implement a maternity episode payment model that provides a single payment for all services across the prenatal, intrapartum, and postnatal period which covers the 9 months of pregnancy plus 12 weeks of postpartum. Requires the Department of Healthcare and Family Services to make available to the Task Force all relevant data related to maternal care expenditures made under the State's Medical Assistance Program so that budget-neutral reimbursement rates can be established for bundled maternal care services spanning the prenatal, labor and delivery, and postpartum phases of a maternity episode. Replaces everything after the enacting clause. Amends the Illinois Pension Code. In the General Assembly, Illinois Municipal Retirement Fund (IMRF), State Universities, Downstate Teachers, and Judges Articles, makes changes to the age at which certain distributions are required and the age at which certain annuities are payable. In the General Provisions and IMRF Articles, moves provisions concerning Tier 2 members of IMRF from the General Provisions Article to the IMRF Article. Provides that the increase to the retirement annuity of a Tier 1 regular employee shall be computed from the effective date of the retirement annuity, the first increase being 0.25% (instead of .167%) of the monthly amount times the number of months from the effective date to January 1. Provides that if the employee was a Tier 1 regular employee, the surviving spouse annuity shall be increased by an amount equal to (i) 3% of the original amount thereof if the deceased employee was receiving a retirement annuity at the time of his or her death; otherwise (ii) 0.25% (instead of 0.167%) of the original amount thereof for each complete month that has elapsed since the date the annuity began. In the Metropolitan Water Reclamation District Article, provides that payments of an ordinary disability benefit shall be made at least monthly (instead of intervals of not more than 30 days). In the Chicago Teacher Article, makes changes concerning mistakes in benefit amount, the definition of "administrator", and payroll deductions. In the State Universities Article, makes changes concerning the qualification of trustees and the optional defined contribution benefit. In a provision of the Cook County Forest Preserve Article concerning the property tax levy for providing revenue for the Fund, provides that the forest preserve district may use other lawfully available funds in lieu of all or part of the levy. In a provision of the Cook County Article concerning proof of disability, provides that proof of duty or ordinary disability shall be furnished to the board by at least one licensed and practicing physician appointed by or acceptable to the board (instead of appointed by the board) and provides that each disabled employee who receives a duty or ordinary disability benefit shall be examined at least once a year or a longer period of time as determined by the board (instead of at least once a year). In the State Employee Article, provides that the System may indemnify a financial institution insured by an agency of the federal government as necessary to recover for the System any benefit overpayment that the System has made to the financial institution on behalf of a member. In the Social Security Enabling Act Article, repeals a provision requiring the submission of a report to the General Assembly covering the administration and operation of the Article during the preceding biennium. In the Downstate Firefighter Article, provides that an active member of the State Employees' Retirement System (SERS) who is an arson investigator may apply to transfer to SERS his or her credits and creditable service accumulated in any downstate firefighter pension fund. In the IMRF Article, provides that an active member of SERS who is a Commerce Commission police officer may apply to transfer to SERS certain IMRF credits. In the State Employee Article, provides that a State policeman, conservation police officer, arson investigator, or Commerce Commission police officer may elect to establish eligible creditable service under the alternative retirement annuity formula. Provides that a State policeman or conservation police officer may elect to convert service credit earned under the Article to eligible creditable service. In the Chicago Teacher Article, provides that payment from the Fund shall be made upon checks or through direct deposit transmittals authorized by the executive director (instead of upon warrants signed by the president and the secretary of the Board of Education, the president of the Board, and countersigned by the executive director). In the Downstate Teacher Article, adds to the

definition of "teacher", the chief administrative officer of the education service centers established under the School Code and serving that portion of a Class II county outside a city of 500,000 or more inhabitants. Amends the State Mandates Act to require implementation without reimbursement. Certain changes to the Illinois Pension Code and the changes to the State Mandates Act are effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

40 ILCS 5/15-202

Adds reference to:

5 ILCS 375/6.5

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. In provisions amending the State Universities Retirement System Article of the Illinois Pension Code, removes language that changes references to the "optional defined contribution benefit" to "optional defined contribution plan". Amends the State Employees Group Insurance Act of 1971. Deletes language providing that if in any case an error is made in billing a TRS benefit recipient under a provision concerning health benefits for TRS benefit recipients and TRS dependent beneficiaries, the Department shall identify the error and refund the overpaid amount as soon as practicable; and providing that a TRS benefit recipient who has overpaid shall be entitled to a refund of overpayments for up to 7 years of past payments. Provides that if, for any month beginning on or after January 1, 2013, a TRS benefit recipient or TRS dependent beneficiary was enrolled in Medicare Parts A and B and such Medicare coverage was primary to coverage under certain provisions of the Act but payment for that coverage was made at a rate greater than the Medicare primary rate published by the Department of Central Management Services, the TRS benefit recipient or TRS dependent beneficiary shall be eligible for a refund equal to the difference between the amount paid by the TRS benefit recipient or TRS dependent beneficiary and the published Medicare primary rate. Provides that to receive a refund, the TRS benefit recipient or TRS dependent beneficiary must provide documentation to the Department of Central Management Services evidencing the TRS benefit recipient's or TRS dependent beneficiary's Medicare coverage and the amount paid by the TRS benefit recipient or TRS dependent beneficiary during the applicable time period. Certain changes to the Illinois Pension Code and the changes to the State Mandates Act are effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Authorizes a skilled nursing home, extended care facility, or intermediate care facility to prohibit an individual from visiting a resident or patient of the nursing home or facility if specific facts demonstrate that the individual would endanger his or her physical health or safety or the health or safety of a resident, patient, or health care worker of the nursing home or facility. Requires such a denial to be in writing and provided to the individual and the resident or patient with whom the individual was denied visitation. Requires each skilled nursing home, extended care facility, and intermediate care facility to inform each resident of the nursing home or facility (or that individual's representative) of the resident's visitation rights and the facility's visitation-related policies and procedures. Specifies that these nursing homes and facilities must not restrict, limit, or otherwise deny visitation privileges on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation, or disability. Requires the nursing homes and facilities to ensure that all visitors enjoy full and equal visitation privileges, consistent with the residents' preferences.
