FISCAL NOTE (Admin Office of the Illinois Courts)

HB 2989 amends the Criminal Code of 2012, making various statutory sentencing provisions discretionary rather than mandatory. Based on a review of the bill, it has been determined that the proposed legislation would have no fiscal impact on the state appropriation to the judicial branch. It is not possible to determine what fiscal impact, if any, the bill would have on local judicial budgets.

HOUSE FLOOR AMENDMENT NO. 4

Provides that, in addition, the court may, in its discretion, decline to impose the sentencing enhancements based upon the possession or use of a firearm during the commission of the offense.

Amends the Criminal Identification Act. Provides that the Illinois State Police and all law enforcement agencies within the State shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probation for any person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that the clerk of the circuit court shall, on the effective date of the amendatory Act, automatically expunge the court records of a person who, on or after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation on the effective date of the amendatory Act. Provides that a person imprisoned solely as a result of one or more convictions for possession or delivery, but not manufacture or production, of cannabis shall be released from incarceration on the effective date of the amendatory Act. Amends the Cannabis Control Act. Repeals the provision prohibiting the possession of cannabis. Modifies the provision prohibiting the delivery or manufacture of cannabis so it applies only to manufacture or production of cannabis. Amends the Cannabis Regulation and Tax Act to make conforming changes.

FISCAL NOTE (Admin Office of the Illinois Courts)

HB3085 amends the Criminal Identification Act, requiring automatic expungement of law enforcement and court records related to cannabis convictions on the effective date of the bill. Based on a review of the bill, it is not possible to determine what fiscal impact, if any, the bill would have on state appropriations to the judicial branch or what fiscal impact, if any, the bill would have on local judicial budgets.

FISCAL NOTE (Illinois State Police)

House Bill 3085 provides the Illinois State Police shall automatically expunge all criminal history records of an arrest, charge not initiated by arrest, order of supervision, or order of qualified probatfon for any person who, onor after January 1, 1970, has been convicted of, or is serving an order of supervision for, possession or delivery, but not manufacture or production, of cannabis whether or not the person has served or is serving his or her sentence for that violation. Automatic expungement outside the judicial process will not allow for the collection of statutory fees, which cover administrative costs. While existing personnel may be used to develop and implement computer programming to carry out the automatic expungement of electronic records, our records unit who-handles physical records would need additional staff. The cost of one office specialist in our records unit is \$113,583, which includes personal services and fringe benefits (retirement, social security and insurance). If House Bill 3085 were to become law, we would hire three additional records specialists at a cost of approximately \$340,749.

Replaces everything after the enacting clause. Amends the School Code. Adds bullying and the death of a family member as mitigating factors that a student may disclose during a suspension review hearing or expulsion hearing. If allegations of sexual violence or gender-

based harassment (rather than only allegations of domestic violence) are made against the student subject to discipline during the suspension review hearing or expulsion hearing, prohibits the student subject to discipline or the student's representative from directly questioning or contacting the alleged victim. If a pupil will be absent from school for 2 or more consecutive weeks for treatment of the pupil's physical or mental health arising from domestic or sexual violence, requires a qualified employee (rather than an employee) from the pupil's domestic or sexual violence organization to provide written notice of the pupil's need for home instruction to the school district; defines "qualified employee", "domestic violence program", and "rape crises organization". Amends the Children and Students Who Are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence Article of the School Code. Requires the Ensuring Success in School Task Force to include in its report recommendations for language to include in school and district policies (rather than to include model school and district policies in the report). Sets forth additional requirements a school district must include in its policy concerning student confidentiality and the disclosure of information related to the imminent risk of serious physical injury or death of a student or another person. Makes other changes. Effective July 1, 2022, except that provisions concerning confidentiality take effect July 1, 2023.

SENATE FLOOR AMENDMENT NO. 3

In the provision about Task Force membership, provides that one member must represent a statewide organization of school social workers (rather than social workers). In the provision concerning confidentiality, provides that if disclosing an imminent risk of serious physical injury or death to a student or another person does not require disclosing confidential information about a student's status, then the student's status must not (instead of must) be shared.

Provides that the provisions of the Act apply to offenses committed before the effective date of this Act, and to offenses committed on or after the effective date of this amendatory Act. Provides for resentencing of currently incarcerated persons based on these changes. Effective immediately.

FISCAL NOTE (Dept. of Revenue)

Although the bill limits the credit to \$1.5 billion over its 6-year life, the Department is unable to provide a fiscal impact estimate for House Bill 3215 because the legislation, as introduced, contains multiple drafting ambiguities, errors, and incomplete definitions. For example, the bill defines "participant" to mean, in part, a full-time employee who was formerly incarcerated between January 1, 2009 and December 31, 2019. The bill, however, provides later that the credit is limited to 10,000 participants "newly released" from prison and 10,000 participants that were released between January 1, 2009 and

December 31, 2019. Additionally, the bill provides the credit amount awarded is to be between \$10,000 and \$15,000 each year per participant hired. The bill further provides a list of criteria to be considered in determining the amount of the credit, but no guidance is provided as to how that list of criteria computes to a given credit amount. These problems, among others in the bill as introduced, prevent the Department from making adequately precise determinations of who qualifies for the credit and of how to calculate the credit.

 Adds reference to:
 105 ILCS 5/10-20.83 new
 105 ILCS 5/34-18.78 new
 110 ILCS 148/15

Replaces everything after the enacting clause. Amends the School Code. Requires a school district that enrolls students in any of grades 6 through 12 to adopt and implement a postsecondary and career expectations framework; sets forth requirements concerning the framework. Provides that a school district that enrolls students in any of grades 9 through 12 shall become an eligible school district and award College and Career Pathway Endorsements pursuant to the Postsecondary and Workforce Readiness Act and pursuant to a specified schedule. Allows a school board of a school district to opt out of implementation of all or any part of these provisions through a finding that the board has in place alternative systems for college and career readiness and that such systems are more likely to successfully prepare students for college and career expectations. Authorizes the State Board of Education to adopt rules. Amends the Postsecondary and Workforce Readiness Act. Requires the State Board of Education, Illinois Community College Board, Board of Higher Education, and Illinois Student Assistance Commission to, by July 1, 2023 and in consultation with appropriate stakeholders, jointly adopt and publicize an update to the model postsecondary and career expectations that extends the expectations to grade 6 and includes such other revisions and updates as the agencies deem appropriate. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by House Amendment No. 2 with the following changes. Provides that by July 1, 2024 (rather than July 1, 2025) a school district that enrolls students in any of grades 6 through 12 shall adopt and commence implementation of career exploration and career development activities in accordance with (rather than shall adopt and implement) a postsecondary and career expectations framework for each of grades 6 through 12 served by the district that substantially aligns to the model framework adopted by State agencies. Makes conforming changes. Provides that the career exploration and career development activities offered in alignment with the postsecondary and career expectations framework shall prepare students enrolled in grades 6 through 12 to make informed plans and decisions about their future education and career goals, including possible participation in a career and technical education pathway, by providing students with opportunities to explore a wide variety of high-skill, high-wage, and in-demand career fields. Allows a school board of a school district to opt out of implementation if the board adopts a specified set of findings (rather than through a finding that the board has in place alternative systems for college and career readiness and that such systems are more likely to successfully prepare students for college and career expectation). Removes the immediate effective date.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Specifies that by July 1, 2025, a school district that enrolls students in any of grades 9 through 12 shall either elect to implement College and Career Pathway Endorsements or opt out of implementation. Provides that a school district may elect to implement College and Career Pathway Endorsements either by submitting the necessary application materials to the State Board of Education or by the school board of the district adopting a timeline for implementation. Adds to the enumerated findings that a school board of a school district must adopt in order to opt out of implementation the willingness of institutions of higher education to partner with the school district for successful implementation of the pathway and whether the district has sought and established a partnership agreement with a community college district incorporating the provisions of the Model Partnership Agreement under the Dual Credit Quality Act. Provides that a school district electing to opt out of implementation may reverse its decision in whole or in part at any time. Requires the State Board of Education to publish and maintain on its website an inventory of resources available to support school districts in implementing College and Career Pathway Endorsements. Makes other changes.

Amends the Illinois Insurance Code. Includes the delivery of covered health care services by way of telephone usage in the definition of "telehealth services". Provides that health care services that are covered under an individual or group policy of accident or health insurance must be covered when delivered via telehealth services when clinically appropriate, subject to specified conditions (rather than requiring an individual or group policy of accident or health insurance to comply with specified conditions if it provides coverage for telehealth services). Provides that patient cost-sharing may be no more than if the health care service were delivered in person. Provides that no excepted benefit policy may deny or reduce any benefit to a patient based on the use of clinically appropriate telehealth services in the course of satisfying the policy's benefit criteria.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. In provisions concerning health care services that are covered under an individual or group policy of accident and health insurance that must be covered when delivered via telehealth services when clinically appropriate, provides that reimbursement to a health care provider for telehealth services for behavioral health services provided through an interactive telecommunications system shall be made on the same basis, in the same manner, and at the same rate as would be applied for the same services if they had been delivered in-person and shall include reasonable compensation to a facility that serves as the originating site at the time a telehealth service is rendered. Provides that with respect to telehealth benefits provided in an individual or group policy of accident or health insurance, insurers may not (rather than an individual or group policy of accident or health insurance may not) require patients to use a separate panel of health care providers to receive telehealth service coverage and reimbursement; create geographic or facility restrictions or requirements for telehealth services; require patients or health care providers to prove a hardship or access barrier before the approval of telehealth services for coverage or reimbursement; negotiate different contract rates for telehealth services and in-person services for behavioral health services; or impose upon telehealth services utilization review requirements that are unnecessary, duplicative, or unwarranted or impose any treatment limitations, prior authorization, documentation, or recordkeeping requirements that are more stringent than the requirements applicable to the same health care service when rendered in-person. Provides that health care providers shall determine the appropriateness of specific sites, technology platforms, and technology vendors for a telehealth service, as long as delivered services adhere to privacy laws. Defines terms.

Amends the Illinois Income Tax Act. Provides that all the corporations, wherever incorporated or domiciled, that are members of a unitary business shall file a combined return as a combined group. Makes changes to the definition of "unitary business". Contains provisions concerning a water's edge election. Provides that, with respect to unitary business groups, "United States" means the 50 states of the United States, the District of Columbia, and United States' territories and possessions.

FISCAL NOTE (Dept. of Revenue)

The revenue impact of this bill is unknown. Several issues need to be addressed before determining if and how this bill might impact State revenues. As an example, in a provision relating to a water's-edge election, the bill provides that a taxpayer's "entire income" must be considered. The bill does not define "entire income" nor is this a relevant term in the Illinois Income Tax Act. Aside from this and similar type issues needing addressed, there are other challenges to determining a fiscal impact. For example, where there might be a revenue impact, there is no way to compute an estimate since the provision brings income into the apportionable base from companies that previously have not had to file with the Department. There is no way for the Department to know anything about those companies, their income, or their apportionment factors. In fact, the Department cannot definitively say whether the overall revenue impact of this bill, as written, is positive, negative, or neutral.

- 35 ILCS 5/1501 from Ch. 120, par. 15-1501

Amends the Illinois Income Tax Act. Contains provisions concerning a deduction for income included in the taxpayer's federal adjusted gross income and deemed received under Section 951A (GILTI) or Section 952 (Subpart F) of the Internal Revenue Code.

FISCAL NOTE (Dept. of Revenue)

The bill refers to a corporate taxpayer's calculation of federal adjusted gross income. However, corporate taxpayers do not have a federal adjusted gross income. They have federal taxable income. Additionally, the bill proposes to disallow a subtraction at the State level that would have been made in tax years 2018 and 2019 for amounts

included federally pursuant to Section 965 of the Internal Revenue Code. This is likely to raise issues as to the constitutionality of the proposal. For these reasons, an estimate cannot be determined.

- 235 ILCS 5/10-1 from Ch. 43, par. 183

Amends the Liquor Control Act of 1934. Adds provisions concerning: first class wine-manufacturers, first-class wine-makers, and second-class wine-makers that manufacture beer or spirits; class 1 craft distillers and class 2 craft distillers that manufacture wine or beer; and class 1 brewers and class 2 brewers that manufacture wine or spirits. Prohibits self-distribution exemption holders from being affiliated with a group that produces certain quantities of beer, wine, or spirits (instead of any other alcoholic liquor). Creates the brewery shipper's license and the distillery shipper's license to allow certain licensees to ship beer or spirits. Contains provisions concerning licensing fees; application for a license; recordkeeping; and taxation. Limits home rule powers to regulate the delivery of alcoholic liquor. Removes language providing that any retail license issued to a manufacturer shall only permit the manufacturer to sell beer at retail on the premises actually occupied by the manufacturer. Provides that a brew pub licensee may sell no more than 6,200 gallons of beer per year to retail licensees within a 10-mile radius of the licensed premises if the premises are in a city with a population of more than 1,000,000 or within a 50-mile radius of the licensed premises if the premises are in a city with a population of 1,000,000 or less. Deletes a provision specifying that the sale of beer at retail by a brew pub must be in-person. Adds provisions authorizing delivery and carry out of mixed drinks by class 1 craft distillers, wine-maker's premises, brew pubs, and distilling pubs. Removes language repealing the provision concerning delivery and carry out of mixed drinks on June 2, 2021. Makes other changes. Effective immediately.

HB-3587 SLAUGHTER - CASSIDY - HARPER - MAYFIELD - LILLY.

725 ILCS 5/123 new

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

- 725 ILCS 5/104-17 from Ch. 38, par. 104-17

Amends the Code of Criminal Procedure of 1963. Provides that in the case of an order of the court committing a defendant who has been found unfit to stand trial for treatment, the court shall order that the placement be on an outpatient basis unless the court determines that outpatient treatment will not provide reasonable assurances for the safety of the defendant and

others or provide reasonable assurances that the defendant can be restored to fitness on an outpatient basis. Provides that if the court determines that placement on an outpatient basis is not appropriate, the court shall (rather than may) order the defendant placed for treatment in the custody of the Department of Human Services or the court may order him or her placed in the custody of any other appropriate public or private inpatient mental health facility (deletes treatment program) which has agreed to provide treatment to the defendant. Makes other changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following changes: In a provision concerning commitment for treatment, provides that the court shall order that the placement be on an outpatient basis unless the court determines: (1) that outpatient treatment will not provide reasonable assurances for the safety of the defendant and others or provide reasonable assurances that the defendant can be restored to fitness on an outpatient basis, or (2) that clinically appropriate outpatient treatment is not accessible, or optimal, due to cost, waiting lists, treatment limits, or other barriers. Provides that the defendant shall be placed in a state operated facility under certain circumstances unless there are no beds available.

Amends the All-Inclusive Care for the Elderly Act. Changes the name of the Act to the "Program of All-Inclusive Care for the Elderly Act". Provides that no later the March 1, 2022, the Department of Healthcare and Family Services must submit a State Plan amendment to the federal Centers for Medicare and Medicaid Services (CMS) to establish the Program of All-Inclusive Care for the Elderly (PACE program) to provide community-based, risk-based, and capitated long-term care services as optional services under the State's Medicaid Plan and under contracts entered into between CMS, the Department, and PACE organizations. Provides that beginning June 1, 2022, or upon federal approval, the Department must develop the PACE program in consultation with nursing homes, Area Agencies on Aging, and others interested in the well-being of Illinois' elderly residents. Provides that no later than June 30, 2022, the Department must have prepared a comprehensive plan that describes on a county by county basis how PACE services will be delivered within the designated region. Requires the Department, by August 1, 2022, to issue a request for proposals seeking organizations to enter into risk-based contracts. Provides that no later than October 1, 2023, the Department shall begin accepting applications for the PACE program and shall begin approving applications by November 1, 2023. Provides that certain federal requirements of the PACE model shall not be waived or modified. Contains provisions concerning the treatment of income and resources to determine applicant eligibility; capitation rates for PACE organizations; and other matters. Amends the Illinois Public Aid Code. Provides that subject to federal approval, PACE services shall become a covered benefit of the medical assistance program. Effective immediately.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The Department of Healthcare and Family Services anticipates that approximately 3 - 6 PACE organizations would begin operation between a target start date of 7/1/23 and a target end date of 6/30/24. It is anticipated that capacity at each center would be roughly 500 individuals. At a per member per month rate of \$616 the cost would be between \$924,000 and \$1,848,000. This fiscal impact has been put together with very broad assumptions, as at this point, it is difficult to determine exactly how many areas of the state will be able to support a PACE program, and thus, the number of enrollees is a very general estimate. It is important to note, the cost of the PACE program would be offset by the reduction to MCO coverage. Therefore, while there is a fiscal impact, the fiscal impact on the state overall would be minimal.

Repeals provisions concerning carry over projects, Fiscal Year 2002 escalation, debt service grants, and a school capital needs assessment. Amends the State Finance Act and the Local Government Debt Reform Act to make related changes. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes: Makes changes to the definition of "grant index". Provides that during the first application cycle after June 30, 2022 (instead of June 30, 2021), the required local match and grant award amount may be adjusted if the applicant had previously expended funds on a school construction project on the 2004, 2005, or 2006 School Construction Grant List (instead of the 2004 School Construction Grant List). Provides that in that case, the grant award amount shall be increased by an amount equal to the amount of the grant the applicant would have received had it been awarded a grant in 2004, 2005, or 2006 based on the 2004, 2005, or 2006 School Construction Grant List and the year in which the school district applied for the grant (instead of increasing the grant award amount by an amount equal to the amount of the grant the applicant would have received had it been awarded a grant in 2004 based on the 2004 School Grant Construction List). Changes other dates. Provides that a school district shall have 2 years from the date the school district was issued a conditional grant award from the Capital Development Board to obtain the school district's required local match and receive a final grant award from the Capital Development Board. If the required local match is not obtained within the 2-year time frame, provides that the school district shall be required to

reapply in another application cycle, after the 2-year time frame, to be considered for a grant award. Requires the State share of the grant amount in a conditional grant award that is not claimed by a school district within the 2-year time frame to be reallocated to future application cycles after the 2-year time frame expires. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 4

In provisions concerning the School Construction Law, provides that the definition of grant index applies only to completed or partially completed, as determined by the Capital Development Board, school construction projects (rather than only to completed school construction projects) as specified.

Amends the Nursing Home Care Act. In provisions regarding involuntary transfer or discharge of a resident, provides that a facility may submit to a resident or a resident's legal representative a bill for all charges for which payment was not made during the COVID-19 pandemic. Provides that if payment is not made or if the resident or the resident's legal representative does not contact the facility to set up a payment schedule acceptable to the facility within 45 days after submission of a bill, the facility may submit a request for payment and, 30 days after receipt of the request for payment, the facility may initiate an involuntary transfer or discharge of the resident. Provides that if the resident or the resident's legal representative submits evidence of the resident's financial inability to cover all charges, the facility shall make application on behalf of the resident for Medicaid services, and, upon approval of the resident's application, the State shall pay the resident's bill, retroactive to the date the resident failed to make payment. Provides that a resident's discharge prior to this action does not eliminate a resident's responsibility to pay for all services rendered. Effective immediately.

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes. Makes changes to provisions concerning the requirements for the program. New Act

Creates the Supported Decision-Making Agreement Act. Authorizes the creation of supported decision-making agreements and allows a supporter to assist a principal with an intellectual or developmental disability in accessing, collecting, or obtaining information that is relevant to a decision authorized under the supported decision-making agreement. Provides that all adults are presumed to be capable of making decisions regarding daily living and to have capacity unless otherwise determined by a court. Provides that certain persons are disqualified from acting as a supporter. Provides that a supporter may exercise the authority granted to the supporter in the supported decision-making agreement. Provides for the duties of a supporter in a supported decision-making agreement. Prohibits a supporter from doing certain actions in relation to the principal. Requires 2 or more witnesses to be present and sign and date a supported decision-making agreement. Provides a form for a supported decision-making agreement. Provides that a person is not subject to criminal or civil liability and has not engaged in professional misconduct for an act or omission under certain circumstances. Provides that a decision or request made or communicated with the assistance of a supporter shall be recognized as the decision or request of the principal and may be enforced by the principal or supporter on the same basis as a decision or request of the principal. Provides that if a person who receives a copy or is aware of the existence of a supported decision-making agreement and has cause to believe that the principal is being abused, neglected, or exploited by the supporter, the person shall report the alleged abuse, neglect, or exploitation. Provides that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated. Provides for the termination of a supported decision-making agreement. Provides that a principal may revoke the supported decision-making agreement and invalidate the supported decision-making agreement at any time. Provides that a supporter may resign by giving notice to the principal. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 2

Deletes language providing that a person against whom there has been a finding of abuse, neglect, or exploitation of the principal, a child, an elderly individual, or a person with a disability is disqualified from acting as a supporter. Instead disqualifies a person who is listed on the Health Care Worker Registry maintained by the Department of Public Health as ineligible to work. Deletes language providing that a person against whom the principal has

obtained an order of protection is disqualified from acting as a supporter. Instead disqualifies an individual who is the subject of a civil or criminal order prohibiting contact with the principal. Deletes language providing that any interested party with a reasonable basis to believe that the supporter is abusing or neglecting the principal shall have the right to petition for the appointment of a limited temporary guardian and a guardian ad litem for the purpose of determining if the support decision-making agreement should be terminated.

SENATE COMMITTEE AMENDMENT NO. 1

Allows a supporter in a supported decision-making agreement to ascertain the wishes and decisions of the principal in order to advocate that the wishes and decisions of an individual with disabilities are implemented (rather than "ascertain the wishes and decisions of the principal, assist in communicating those wishes and decisions to other persons, and advocate to ensure that the wishes and decisions of the principal are implemented"). Requires the Guardianship and Advocacy Commission to develop training and education materials for both principals and supporters. Provides that the Act is effective 6 months after becoming law (rather than immediately).

820 ILCS 405/900 from Ch. 48, par. 490

Amends the Unemployment Insurance Act to provide that if an individual's benefit year begins on or after March 8, 2020, but before the week following the last week of a disaster period established by the gubernatorial disaster proclamations in response to COVID-19, recovery by suit in the name of the People of the State of Illinois or recoupment from benefits payable to an individual for any week shall be permanently waived if the sum was received by the individual without fault on his or her part. Provides that, in cases of such permanent waiver of recovery or recoupment, the Director of Employment Security may not request the Comptroller or the Secretary of the Treasury to withhold a sum of benefits for which an individual is found to be ineligible. Effective immediately.

FISCAL NOTE (Dept. of Employment Security)

The legislation may have a fiscal impact on the Illinois Unemployment Insurance Trust

Fund. The reported data indicates that for the programs payable under Illinois state law: (1) Fiscal Year 2019, non-fraudulent recovery totaled approximately \$14,303,046.00; (2) Fiscal Year 2020, non-fraudulent recovery totaled approximately \$16,552,059.00; and (3) First and Second Quarter Fiscal Year 2021, non-fraudulent recovery totaled approximately \$10,147,378.00. Based on the above data, it appears the legislation could forgive \$3.5 million to \$5.1 million for each quarter the waiver provision remained in effect. While the system is generally designed to replenish the state's Unemployment Trust Fund account by charging employers for benefits paid from the account, employers would not be directly charged for the forgiven overpayments as the bill is currently written.
