Amends the Vital Records Act. Removes language requiring that the State Registrar of Vital Records establish a new certificate of birth when he receives a declaration stating that a person has undergone treatment for the purpose of gender transition, or that the individual has an intersex condition, and that the sex designation on such person's birth record should therefore be changed. Provides that the State Registrar of Vital Records must establish a new certificate of birth when he receives a statement signed by the person in which the person attests to making the request for the purpose of affirming the person's gender identity or intersex condition and that the sex designation on the person's certificate of birth should therefore be changed. Provides that the fee for a new certificate of birth shall not be required from persons upon release from the Department of Corrections or the Department of Juvenile Justice, but the person is entitled to only one new certificate of birth fee waiver. Provides that the fee for a new certificate of birth shall be waived for specified persons. Provides that fees for a new certificate of birth and for a search of a birth record or a certified copy of a birth record shall be waived for all requests by a person who resides in a shelter for domestic violence. Requires the State Registrar of Vital Records to establish standards and procedures for the waiver of fees. Provides that a person who resides in a shelter for domestic violence must not be charged for verification. Provides that a person who knowingly or purposefully falsifies verification is subject to a penalty of \$100. Provides that a person who resides in a shelter for domestic violence shall be provided no more than 4 birth records annually under the provisions. Effective January 1, 2022.

 20 ILCS 2105/2105-205 was 20 ILCS 2105/60.3

Amends the Civil Administrative Code of Illinois. Provides that, if the Department of Financial and Professional Regulation refuses to issue a license or certificate or grant registration to an applicant based upon a criminal conviction or convictions, the Department shall include in its notification to the applicant an explanation of how the conviction directly relates to and would prevent the person from effectively engaging in the position for which a license, registration, or certificate is sought. Provides that the Department shall post on its website a list of all State and federal licensing restrictions that would prohibit an applicant from working in a position for which a license is sought. In provisions concerning an annual report summarizing statistical information relating to new license, certification, or registration applications during the preceding calendar year, requires the Department to include the types of criminal convictions that contributed to the denial of a license, certificate, or registration.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following change: Provides that the Department of Financial and Professional Regulation shall post on its website a list of all State (rather than State and federal) licensing restrictions that would prohibit an applicant from working in a position for which a license is sought.

HOUSE FLOOR AMENDMENT NO. 1

Provides that "amusement ride" means, among other things, any dry slide, alpine slide, or toboggan slide that a person must pay to gain access to, but not a slide at a private residence, public or nonpublic school, daycare, or public park (rather than any dry slide, alpine slide, or toboggan slide). HOUSE FLOOR AMENDMENT NO. 2

705 ILCS 505/8 from Ch. 37, par. 439.8

Amends the Court of Claims Act. Provides that if a person who has been granted a pardon or issued a certificate of innocence establishes that he or she plead guilty due to a forced confession, the Court of Claims shall make an award of \$50,000 per year the person was wrongfully imprisoned and attorney's fees not exceeding 25% of the award granted. Provides that the court shall include the number of years the person was imprisoned awaiting trial in its determination of the award and that the court shall include an additional \$25,000 for each year served on parole, probation, or registered as a sex offender after imprisonment. Provides that the court shall annually adjust the awards authorized by the new provisions to reflect the increase, if any, in the Consumer Price Index For All Urban Consumers for the previous calendar year, as determined by the United States Department of Labor, except that no annual increment may exceed 5%. Makes corresponding changes. Effective immediately.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Court of Claims Act. Deletes language regarding the amount a court shall award to a person for time unjustly served in prison when the person imprisoned received a pardon on the ground of innocence of the crime for which he or she was imprisoned or he or she received a certificate of innocence. Provides instead that the court shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned, including the number of years the person was awaiting trial. Provides that the court shall award attorney's fees in an amount not to exceed 25% of the award granted. Provides that the changes made by the amendatory Act apply to all claims pending or filed on or after the effective date.

FISCAL NOTE (Court of Claims)

House Bill 86 could have a cost to the State of Illinois, however no dollar estimate can be given. Under the current statute, award amounts for innocent individuals that were incarcerated are in three tiers, with maximum payouts based on the length of incarceration. Each tier could be affected by this amendment, which allows payment of \$50,000.00 per year in cases involving coerced confessions. It is not possible to forecast the number of future innocence claims that may be received by the Court of Claims, nor the lengths of incarceration or circumstances surrounding any individual future claim. The Court received approximately 50 certificates in fiscal year 2020 and, to date, over 70 certificates in fiscal year 2021.

Amends the Code of Civil Procedure. Provides that any person criminally prosecuted and incarcerated for 30 days or longer prior to trial for one or more felonies by the State which he or she did not commit may file a petition for a certificate of innocence. Provides that the petitioner must prove that: the petitioner was incarcerated prior to trial in a prosecution that resulted in an acquittal or dismissal; the prosecution did not result in a conviction of a lesser included offense; the petitioner is innocent of the charges on which the petitioner's pretrial detention was based, or the charges did not constitute a felony or misdemeanor; and the petitioner did not by his or her own conduct voluntarily cause or bring about the charges that resulted in his or her pretrial incarceration. Provides that a person who has been issued a certificate of innocence may file a claim against the State for time unjustly served in pretrial incarceration in a county jail. Provides that the Court of Claims shall award \$50,000 per year during which the person was wrongfully imprisoned and shall prorate that amount for a fraction of a year that the person was wrongfully imprisoned (rather than "the amount of the award is at the discretion of the court; and provided, the court shall make no award in excess of the following amounts: for imprisonment of 5 years or less, not more than \$85,350; for imprisonment of 14 years or less but over 5 years, not more than \$170,000; for imprisonment of over 14 years, not more than \$199,150"). HOUSE FLOOR AMENDMENT NO. 1

- Deletes reference to:
20 ILCS 2310/2310-705 new
- Adds reference to:
225 ILCS 85/43 new

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Further amends the Pharmacy Practice Act. Sets forth provisions concerning dispensation of hormonal contraceptives. Provides that the Department of Financial and Professional Regulation may adopt rules to implement the provisions. In provisions in the Illinois Public Aid Code concerning coverage for patient care services for hormonal contraceptives provided by a pharmacist, provides that the Department of Public Health (rather than the Director of Public Health) shall apply for any necessary federal waivers or approvals to implement the provisions by January 1, 2022. Provides that the Department shall submit to the Joint Committee on Administrative Rules administrative rules (rather than adopt administrative rules) as soon as practicable but no later than 6 months after federal approval is received (rather than no later than May 1, 2022). Removes changes to the Department of Public Health Powers and Duties Law of the Civil Administrative Code of Illinois. Removes language that provides that the provisions shall not be implemented until the receipt of all necessary federal waivers or approvals or until January 1, 2024, whichever comes first, and if federal approval is not obtained by January 1, 2024, the provisions shall be implemented using State funds.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Amends the Illinois Insurance Code. Provides that a group or individual policy of accident and health insurance or a managed care plan that is amended, delivered,

issued, or renewed on or after January 1, 2023 (rather than the effective date of the amendatory Act) shall provide coverage for health care or patient care services provided by a pharmacist if specified conditions are met (instead of coverage for patient care services provided by a pharmacist for hormonal contraceptives assessment and consultation). Amends the Pharmacy Practice Act to provide that nothing in the provisions concerning dispensation of hormonal contraceptives shall be interpreted to require a pharmacist to dispense hormonal contraception under a standing order issued by a physician licensed to practice medicine in all its branches or the medical director of a local health department (rather than also under a standing order issued by the Medical Director of the Department of Public Health). Changes the definition of "practice of pharmacy". Effective January 1, 2023 (rather than January 1, 2022).

SENATE FLOOR AMENDMENT NO. 2

Provides that the bill takes effect on January 1, 2022, except that provisions amending the Illinois Insurance Code take effect on January 1, 2023 (rather than all provisions taking effect on January 1, 2023).

New Act
30 ILCS 805/8.45 new

Creates the Decennial Committees on Local Government Consolidation and Efficiency Act. Provides that within one year after the effective date of the Act and at least once every 10 years thereafter, each unit of local government (except municipalities and counties) must form a committee to: study local efficiencies, including an analysis of whether to consolidate with another governmental unit, municipality, or county; and create a report with recommendations regarding efficiencies, increased accountability, and consolidation. Provides that the duties of the committee include, but are not limited to, the study of the unit of local government's governing statutes, ordinances, rules, procedures, powers, jurisdiction, shared services,

intergovernmental agreements, and interrelationships with other units of local government and the State. Provides that the committee shall collect data, research, analysis, and public input. Dissolves the committee after completion of its report and oral presentation of the report. Contains provisions about committee membership, meetings, and report requirements. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Provides that the 2 residents appointed to the commission shall be appointed by the board of the governmental unit (rather than appointed by the county board chairperson or the president of the board of county commissioners in the county in which the governmental unit lies). Removes a government studies representative from a community college or State university from the committee and, instead, provides that the committee may seek assistance from community colleges or universities with research and the development and review of reports of the committee. Provides that, at the conclusion of each meeting, the committee shall conduct a survey of residents who attended asking for input on what was discussed at the meeting (rather than allowing public input though at least one public survey sent to at least 10% of residents within the governmental unit). Allows the committee meetings to take place at the same time as the governmental unit's regularly scheduled meetings under specified circumstances. Removes a requirement of an oral presentation of the committee's report. Requires that the committee submit its report no later than 18 months (rather than 6 months) after the formation of the committee.

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Provides that the State Board of Education shall adopt rules governing the use of isolated time, time out, and physical restraint in public schools and special education nonpublic facilities (rather than just in public schools). Provides that the State Board shall, by the adoption of emergency rules if it so chooses, create (rather than must create) a grant program for school districts, certain special education nonpublic facilities, and special education cooperatives (rather than for school districts and special education cooperatives and charter schools approved by the State Board). Makes changes concerning the prohibition against the use of prone restraint to allow prone restraint to be used when specified conditions are satisfied. Amends the Illinois Administrative Procedure Act to make a related change. Corrects grammatical errors. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

With respect to the grant program, requires the State Board of Education to prioritize grant funding to those school districts, special education nonpublic facilities, and special education cooperatives that submit a plan to achieve a significant reduction or elimination in the use of isolated time out and physical restraint in less than 3 years. In provisions allowing the use of prone restraint if certain conditions are satisfied, allows the use of prone restraint if the use of prone restraint occurs within the 2021- 2022 school year (rather than within the schools years of 2021-2022 and 2022-2023).

Amends the Illinois Funeral or Burial Funds Act. Provides that nothing shall prohibit the purchaser of a life insurance policy or tax-deferred annuity contract for the purpose of funding a pre-need contract from irrevocably assigning ownership of the policy or annuity to a funeral home (rather than person) or trust for the purpose of obtaining favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program, as permitted under federal law. Amends the Illinois Public Aid Code. In a provision requiring the Department of Healthcare and Family Services to exempt certain prepaid funeral or burial contracts from consideration when making an eligibility determination for medical assistance, provides that at any time after submitting an application for medical assistance and before the Department makes a final determination of eligibility, an applicant may use available resources to purchase one of the exempted prepaid funeral or burial contracts.

 225 ILCS 45/1a from Ch. 111 1/2, par. 73.101a
 225 ILCS 45/2a
 225 ILCS 45/2b new

Replaces everything after the enacting clause. Amends the Illinois Insurance Code. Provides that an insured or any other person who may be the owner of rights under a policy of life insurance may make an irrevocable assignment of all or a part of his or her rights under the policy to a funeral home in accordance with a specified provision of the Illinois Funeral or Burial Funds Act. Provides that a policy owner who executes a designation beneficiary form irrevocably waives and cannot exercise certain rights, including the right to collect from the insurance company the net proceeds of the policy when it becomes a claim by death and the right to collect or receive income, distributions, or shares of surplus, dividend deposits, refunds of premium, or additions to the policy. Amends the Illinois Funeral or Burial Funds Act. In a provision concerning pre-need contracts funded through the purchase of a life insurance policy or tax-deferred annuity contract, provides that nothing shall prohibit the purchaser from irrevocably assigning ownership of the policy or annuity to a person or trust or from irrevocably assigning the benefits of the policy or annuity to a funeral home for the purpose of obtaining favorable consideration for Medicaid, Supplemental Security Income, or another public assistance program. Provides that the form prepared by the Department of Healthcare and Family Services or by the insurance company shall provide for an irrevocable designation of beneficiary of one or more life insurance policies. Requires the insured or any other person who may be the owner of rights under the policy of whole life insurance to sign a guaranteed pre-need contract with the provider that describes the cost of the funeral goods and services to be provided upon the person's death, up to \$6,774, in addition to the purchase of burial spaces as defined under the Act. Requires the licensee to annually report certain information to the Comptroller. Requires the proceeds of the life insurance policy to be paid to the provider and disbursed in a certain order upon the death of the insured. Amends the Medical Assistance

Article of the Illinois Public Aid Code. In a provision requiring the Department of Healthcare and Family Services to exempt certain prepaid funeral or burial contracts from consideration when making an eligibility determination for medical assistance, provides that at any time after submitting an application for medical assistance and before the Department makes a final determination of eligibility, an applicant may use available resources to purchase one of the exempted prepaid funeral or burial contracts. Exempts up to \$6,774 (rather than \$5,874) in funds under an irrevocable prepaid funeral or burial contract when determining an individual's resources and eligibility for medical assistance. Provides that existing life insurance policies are exempt if there has been an irrevocable declaration of proceeds at the death of the insured. Requires the insured person to sign an irrevocable designation of beneficiary form declaring that any amounts payable from the policies not used for funeral goods and services shall be received by the State up to an amount equal to the total medical assistance paid on behalf of the person with any remaining funds paid to a secondary beneficiary (if any) listed on the policy.

Provides that the written information and the immunization data exemption forms must include information that the health care provider shall (rather than may) report immunization data to the Department of Public Health to be entered into the immunization data registry. Effective January 1, 2022.

HOUSE FLOOR AMENDMENT NO. 2

In provisions amending the Illinois Public Aid Code, provides that the Department of Healthcare and Family Services shall ensure that provider and hospital reimbursements for

immunization are no lower than 70% of the regional maximum administration fee as established by the U.S. Department of Health and Human Services' Centers for Medicare and Medicaid Services (rather than the Medicare reimbursement rate).

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept. of Healthcare & Family Services)

Based on limited data availability, the annual impact of using 70% of Medicare rates for vaccine services for Medicaid participants under age 21 is estimated at \$5.7 million, with \$0.9 million for FFS claims and about \$4.8 million impact to the MCO capitation rates. The FY 2022 impact for providing six months of services at the new rates would be about \$2.9 million. There would be substantial administrative costs to change the pricing methodology to the provider level and for storage and programming changes to the claims processing and provider enrollment systems. Planning and implementation may take up to 12 months to complete, which would exceed the time available with the January 1, 2022 effective date.

Replaces everything after the enacting clause. Amends the Sexual Assault Survivors Emergency Treatment Act. Provides that "pediatric health care facility" means a clinic or physician's office that provides medical services to patients under the age of 18 (rather than to pediatric patients). Provides that a hospital must submit a plan to provide specified services and that the failure to provide that plan is subject to a fine of up to \$500 per day until the hospital submits a plan. Provides that certain fines may not be taken or assessed until 12 months after the amendatory Act's effective date. Provides that if an approved pediatric facility submits 2 Plans of Correction that are found to not be acceptable by the Department of Public Health, the approved pediatric health care facility shall become subject to the imposition of a fine by the Department and the termination of its approved sexual assault treatment plan. Provides that an approved pediatric health care facility may provide medical forensic services to all sexual assault survivors under the age of 18 (instead of pediatric sexual assault survivors) who present for medical forensic services in relation to injuries or trauma resulting from a sexual assault. Provides that the Department of Public Health shall approve a proposed plan submitted by a pediatric health care facility if it finds that the proposed plan meets certain minimum requirements and that implementation of the proposed plan would provide medical forensic services for sexual assault survivors under the age of 18 (instead of pediatric sexual assault survivors). Prohibits a pediatric health care facility from providing medical forensic services to sexual assault survivors under the age of 18 (instead of pediatric sexual assault survivors) who present with a complaint of sexual assault within a minimum of the last 7 days or who have disclosed past sexual assault by a specific individual and were in the care of that individual within a minimum of the last 7 days until the Department has approved a treatment plan. Provides that a transfer hospital, treatment hospital with approved pediatric transfer, or approved pediatric health care facility may transfer a sexual assault survivor to an out-of-state hospital that is located in a county that borders Illinois (rather than to an out-of-state hospital that has been designated as a trauma center by the Department under specified provisions of the Emergency Medical Services (EMS) Systems Act) if the out-of-state hospital meets specified requirements. Specifies that a provision regarding out-of-state hospitals is inoperative on and after January 1, 2029 (rather than January 1, 2024). In provisions regarding the Sexual Assault Medical

Forensic Services Implementation Task Force, requires the Task Force's report to the General Assembly to be submitted by January 1, 2024 (rather than January 1, 2023) and include the status of pediatric sexual assault care. Makes other changes. Effective January 1, 2023, except that changes to provisions concerning the Sexual Assault Medical Forensic Services Implementation Task Force take effect upon becoming law.

- 65 ILCS 5/8-1-19 new
- 105 ILCS 5/22-94 new
- 110 ILCS 805/3-29.20 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with changes. Provides that for any State agency subject to the provisions of the Illinois Procurement Code, no less than 10% (rather than 20%) of the total dollar amount used by that State agency for the purchase of media services shall be used to procure the services of black-owned media. Requires each municipality, county, school district, and community college district to adopt an ordinance or resolution for the procurement of black-owned media services that establishes an aspirational goal that no less than 10% (rather than 20%) of the total dollar amount used for the purchase of media services shall be used to procure the services of black-owned media. Provides that if any State agency or public institution of higher education contract is eligible to be paid for or reimbursed, in whole or in part, with federal-aid funds, grants, or loans, and the requirements concerning black-owned media services would result in the loss of those federal-aid funds, grants, or loans, then the contract is exempt from those specified requirements in order to remain eligible for those federal-aid funds, grants, or loans.

Provides that each State agency under the jurisdiction of Illinois Procurement Code shall file with the Commission on Equity and Inclusion an annual compliance plan which shall outline the State agency's efforts and progress towards using media services funds to procure services of black-owned media for the then immediately preceding fiscal year. Further modifies the defined term "black-owned media". Provides that the Act does not apply to a private entity if the private entity's employees are covered by a collective bargaining agreement that provides for different policies regarding the retention, collection, disclosure, and destruction of biometric information. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that no managed care organization that contracts with the Department to provide services to recipients may restrict a recipient's access to pharmacy services to a selected group of pharmacies. Provides that if a managed care organization merges with or is acquired by another entity, the resulting entity may not restrict a recipient's access to pharmacy services to a selected group of pharmacies. Permits the Department to renegotiate with the resulting entity the terms of the managed care contract the Department had with the original managed care organization prior to the merger or acquisition. Requires the Department to contract with an independent research organization to conduct a study and submit a report on those managed care organizations that are contracted to provide services to recipients. Requires the report to include an analysis of pharmacy access for medical assistance recipients with the aim of identifying "pharmacy deserts"; an analysis of the costs and benefits of having managed care organizations administer health care services, including pharmacy services, to recipients; and other matters. Prohibits the Department from entering into any new contract with a managed care organization before the report has been received and analyzed by the Department and posted on its website. Effective immediately.

BALANCED BUDGET NOTE (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 591 as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE (Admin Office of the Illinois Courts)

Based on a review of the bill, it has been determined that the proposed legislation would neither increase nor decrease the number of judges needed in the State of Illinois.

PENSION NOTE (Government Forecasting & Accountability)

HB 591 will not have any impact on any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE (Government Forecasting & Accountability)

HB 591 would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

HOUSING AFFORDABILITY IMPACT NOTE (Housing Development Authority)

This bill will have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence.

HOME RULE NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not pre-empt home rule authority.

STATE MANDATES FISCAL NOTE (Dept. of Commerce & Economic Opportunity)

This bill does not create a State Mandate.

FISCAL NOTE (Dept. of Healthcare & Family Services)

The bill would require the Department to accept claims from any provider licensed under the Pharmacy Practice Act for services provided to recipients under the Medicaid fee-for-service (FFS) program or through a contractual managed care organization (MCO) entity. There would be a significant impact to liability for the MCO capitation rates. This bill has a total fiscal impact of \$186 million.

Changes references from "utilization review organization" to "health insurance issuer" or "health insurance issuer or its contracted utilization review organization". Provides that a health insurance issuer or its contracted utilization review organization must ensure that all adverse determinations are made by a physician when the request is by a physician or a representative of a physician. Provides that a health insurance issuer shall periodically review its prior authorization requirements and consider removal of prior authorization requirements in specified circumstances (rather than a utilization review organization shall not require prior authorization in specified circumstances). In provisions concerning length of prior authorization approval, provides that a prior authorization approval shall be valid for the lesser of 12 months after the date the health care professional or health care provider receives the prior authorization approval or the length of treatment as determined by the patient's health care professional. In provisions concerning clinical review criteria of prior authorization requirements, removes language that provides that a utilization review organization shall seek input from actively practicing physicians representing major areas of the specialty who are not employees of the utilization review organization or consultants to the utilization review organization before establishing or substantially or materially altering written clinical review criteria. Removes language that provides that a utilization review organization shall not deny prior authorization of a health care service solely based on the grounds that a health care professional or health care provider judges a service, product, or procedure is medically appropriate for his or her patient even if it has not been formally approved for the specific condition being treated. In provisions concerning statistics that shall be made available regarding prior authorization approvals and denials, removes specified categories of information. In provisions concerning requirements applicable to the physician who can review consultations and appeals, removes language that provides that the physician must not be employed by a utilization review organization, be under contract with the utilization review organization other than to participate in one or more of the utilization review organization's health care professional networks or to perform reviews of appeals, or otherwise have any financial interest in the outcome of the appeal. Amends the Unified Code of Corrections. Provides that the decision to parole and the conditions of parole for all prisoners who were sentenced for first degree murder or who received a minimum sentence of 20 years or more under the law in effect prior to February 1, 1978 shall be determined by a majority vote of the members of the Prisoner Review Board present and voting at the hearing in which the determination is made (rather than a majority vote of the Prisoner Review Board). Provides that within 15 days after the parole interview, the State's Attorney shall provide the attorney for the person eligible for parole with a copy of his or her letter in opposition to parole via certified mail. Provides that each party may respond to the other's written submissions made at the parole hearing within 5 business days of the en banc hearing. Provides that the Prisoner Review Board may, after denying parole, schedule a rehearing no later than 2 (rather than 5) years from the date of the parole denial, if the Board finds that it is not reasonable to expect that parole would be granted at a hearing prior to the scheduled rehearing date.

New Act

Creates the Partial-Birth Abortion Ban Act of 2021. Provides that any person who knowingly performs a partial-birth abortion and thereby kills a human fetus or infant is guilty of a Class 4 felony. Provides that a person shall only perform or induce a partial-birth abortion on a viable fetus if: (i) the person is a physician; (ii) the person has a documented referral from another physician not legally or financially affiliated with the person performing or inducing the abortion; (iii) both physicians determine that the life of the mother is endangered by a physical disorder, physical illness, or physical injury, including a life-endangering condition caused by or arising from the pregnancy itself; and (iv) there is no other medical procedure that would suffice for that purpose. Provides that the maternal grandparents of the fetus or infant, if the mother has not attained the age of 18 years at the time of the abortion, may obtain appropriate relief unless the pregnancy resulted from the plaintiff's criminal conduct or the plaintiff consented to the abortion. Provides that a woman on whom a partial-birth abortion is performed may not be prosecuted under the Act, for a conspiracy to violate the Act, or for an offense under Article 31 of the Criminal Code of 2012, nor may she be held accountable under Article 5 of the Criminal Code of 2012. Effective immediately.

Amends the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004. In a provision requiring training for registered employees of a private detective agency within 30 days of their employment, specifies that the training may be classroom-based or online Internet-based and removes certain topics that must be included in that training. Provides that registered employees of a private detective agency and private detectives shall complete an additional 8 hours of annual training each calendar year. Provides that private security contractors shall complete an additional 4 hours of annual training each calendar year. Provides that classroom basic training for private security contractors may be provided in a classroom setting or may be Internet-based online or other supervised computerized training. Provides that if a private security contractor owns or is employed by a private security contractor agency, the private security contractor agency shall maintain a record of the annual training and must make the record of annual training available to the Department of Financial and Professional Regulation upon request. Provides that a licensee applying for a firearm control card must complete a firearm training course consisting of 48 hours (rather than 40 hours) of training. Provides that a licensee or employee in possession of a valid firearm control card shall complete an additional 8 hours of refresher training each calendar year. Requires that commercial or industrial operations that employ one or more persons (rather than 5 or more persons) shall register their security forces with the Department and that registration subjects the security force to certain requirements. Makes other changes. Amends the Criminal Code of 2012 to make conforming changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: In provisions amending the Private Detective, Private Alarm, Private Security, Fingerprint Vendor, and Locksmith Act of 2004, provides that training for registered employees of a private detective agency, private detectives, and private security contractors may be provided in a classroom or seminar setting or via Internet-based online learning programs (rather than in a classroom setting or may be Internet-based online or other supervised computerized training); provides that the original form or a copy (rather than the form) that certifies that the employee successfully completed basic and annual training shall be placed in the employee's file with the employer for the period the employee remains with the employer (and makes conforming changes); and makes other changes. In provisions amending the Criminal Code of 2012, removes language that provides that specified provisions concerning the unlawful use of a weapon do not apply to an athlete's possession, transport on official Olympic and Paralympic transit systems established for athletes, or use of competition firearms sanctioned by the International Olympic Committee, the International Paralympic Committee, the International Shooting Sport Federation, or USA Shooting in connection with such athlete's training for and participation in shooting competitions at the 2016 Olympic and Paralympic Games and sanctioned test events leading up to the 2016 Olympic and Paralympic Games; specifies that, for certain security guards, 20 hours of training for a security officer and 28 (rather than 20) hours of firearm training are required to qualify for an exemption; and makes conforming changes.

Amends the Illinois Police Training Act. Provides that the Illinois Law Enforcement Training Standards Board shall develop and approve a standard curriculum for a training program on the Firearms Restraining Order Act. Replaces everything after the enacting clause. Amends the Student-Athlete Endorsement Rights Act. Permits a student athlete to retain an agent (instead of certified agent) for any matter or activity relating to compensation for the use of the name, image, likeness, or voice of the student athlete while enrolled at a postsecondary educational institution. Requires a student athlete to provide the postsecondary educational institution with written notice and a copy of any agreement entered into for professional representation in a manner and time prescribed by the institution (rather than within 7 days). Requires a student athlete to provide to the postsecondary educational institution any written contract for publicity rights in a manner and at a time prescribed by the institution (rather than prior to the execution of the agreement and before any compensation is provided to the student athlete). Provides that compensation for a student athlete's name, image, likeness, or voice shall not be conditioned on the athletic performance (rather than performance or attendance) at a particular postsecondary educational institution. Provides that a postsecondary educational institution is not required to directly or indirectly identify, create, facilitate, arrange, negotiate, or otherwise enable opportunities for a prospective or current student athlete to enter into a publicity rights agreement with a third party (instead of prohibiting a postsecondary educational institution from directly or indirectly arranging for a third party to provide compensation to, or entering into a publicity rights agreement with, a prospective or current student athlete). Adds a provision encouraging postsecondary educational institutions to provide financial literacy, brand management, and life skills programming designed for student athletes. Makes other changes.
