Creates a deduction for amounts that are included in the taxpayer's federal adjusted gross income as discharge of indebtedness attributable to student loan forgiveness. Amends the Live Theater Production Tax Credit Act. Provides that, for State Fiscal Year 2023, "accredited theater production" also includes any commercial Broadway touring show. Provides that the amount of tax credits awarded pursuant to the Act for the State fiscal year ending on June 30, 2023 shall not

exceed \$4,000,000 (currently, \$2,000,000). Provides that, for the State fiscal year ending on June 30, 2023, no more than \$2,000,000 in credits may be awarded to accredited theater productions that are not commercial Broadway touring shows, and no more than \$2,000,000 in credits may be awarded to commercial Broadway touring shows. Amends the Reimagining Electric Vehicles in Illinois Act. Changes the definition of "electric vehicle component parts manufacturer" and "retained employee". Grants the Department of Commerce and Economic Opportunity the power to determine the conditions and procedures for renewing the REV Illinois Credit. Directs the Department of Commerce and Economic Opportunity to make certain wage determinations. Provides that, if a project that is subject to an existing agreement under the Economic Development for a Growing Economy Tax Credit Act meets the requirements to be designated as a REV Illinois project under the Act, the taxpayer that is subject to that existing agreement may apply to the Department to amend the agreement. Provides that, if a project ceases to qualify as a REV Illinois project because the taxpayer is no longer an electric vehicle manufacturer, an electric vehicle component manufacturer, an electric vehicle power supply equipment manufacturer, a battery recycling and reuse manufacturer, or a battery raw materials refining service provider, the project may still receive certain tax credit awards, as long as the project continues to meet other requirements. Specifies that certain agreements may be renewed. Increases the maximum amount of specified credits.

HB-5284 AVELAR.

735 ILCS 5/9-106.2

Amends the Eviction Article of the Code of Civil Procedure. Provides that it is an affirmative defense to an eviction action if the court finds that the demand for possession is based upon a demand for possession relating to the entry of a barred individual onto any portion of the premises where the tenant, lessee, or household member who was the victim of domestic violence, sexual violence, stalking, or dating violence did not knowingly consent to the barred person entering the premises or a valid court order permitted the barred person's entry onto the premises. Provides that nothing in a provision regarding an affirmative defense for violence precludes a landlord from exercising any rights the landlord may have under existing local, State, federal, or common law to bar an individual who is not a tenant or lessee or member of the tenant's or lessee's household. Removes provisions providing that: a landlord shall have the power to bar the presence of a person from the premises owned by the landlord who is not a tenant or lessee or who is not a member of the tenant's or lessee's household; and a landlord may give notice to a person that the person is barred from the premises owned by the landlord.

215 ILCS 5/356u

Amends the Illinois Insurance Code. In provisions concerning cancer screenings, provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and is amended, delivered, issued, or renewed after the effective date of the amendatory Act shall provide coverage without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement on the benefits. Provides for coverage for an annual prostate cancer screening for male insureds. Defines "prostate cancer screening" as medically viable methods for the detection and diagnosis of prostate cancer, including a digital rectal exam and the prostate-specific antigen test and associated laboratory work, and provides that the term includes subsequent follow-up testing as directed by a health care provider, including, but not limited to, urinary analysis, serum biomarkers, and medical imaging.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Provides that a group policy of accident and health insurance that provides coverage for hospital or medical treatment or services for illness on an expense-incurred basis and is amended, delivered, issued, or renewed after January 1, 2024 (rather than the effective date of the amendatory Act) shall provide coverage, without imposing a deductible, coinsurance, copayment, or any other cost-sharing requirement, for specified methods of cancer testing. Specifies that the provisions do not apply to coverage of prostate cancer screenings to the extent such coverage would disqualify a high-deductible health plan from eligibility for a health savings account under the Internal Revenue Code. Defines "prostate cancer screening" to include medically necessary subsequent follow-up testing as directed by a health care provider (rather than subsequent follow-up testing as directed by a health care provider).

40 ILCS 5/16-118 from Ch. 108 1/2, par. 16-118
 40 ILCS 5/17-149 from Ch. 108 1/2, par. 17-149

Amends the Illinois Pension Code. In the Downstate Teacher Article, provides that beginning July 1, 2021 through June 30, 2022, to assist with addressing the substitute teacher shortage that has been exacerbated by the ongoing COVID-19 global pandemic and public health emergency, an annuitant may accept employment as a teacher without impairing his or her retirement status if that employment is not within the school year during which service was terminated and does not exceed 140 paid days (rather than 120 paid days) or 700 paid hours (rather than 600 paid hours) in each school year, but not more than 100 paid days in the same classroom. In the Chicago Teacher Article, provides that the service retirement pension shall not be cancelled in the case of a service retirement pensioner who is re-employed as a teacher or administrator (rather than a teacher) on a temporary and non-annual basis or on an hourly basis, so long as the person (1) does not work as a teacher or administrator (rather than a teacher) for compensation on more than 120 days in a school year or (2) in the case of a person who retires with at least 5 years of service as a principal or administrator, does not work as a teacher or administrator for compensation on more than 140 days in a school year. Removes a limitation on the amount of gross compensation a service retirement pensioner may receive for such re-employment without having the service retirement pension cancelled. Effective immediately.

Amends the Criminal Code of 2012. Provides that when the victim is under 18 years of age at the time of the offense or a person with a disability, a prosecution for grooming may be commenced within 10 years after the discovery of such an offense by a person or agency having the legal duty to report the offense or in the absence of such discovery, within 10 years after the proper prosecuting officer becomes aware of the offense. In the definition provisions of the Sex Offenses Article of the Code, includes "sibling" in the definition of "family member" and includes in the definition of "unconscious of the nature of the act", incapable of resisting because the victim was asleep, unconscious, or surprised such that the victim could not give voluntary, intelligent, and knowing agreement to the sexual act. In the definition of "family member" deletes provision that if the victim is a child under 18 years of age, an accused must have resided in the household with the child continuously for at least 6 months. Provides that a person also commits grooming when he or she knowingly engages in a pattern of conduct that entices, persuades, induces, or coerces a child to engage or participate in criminal sexual activity or is for the purpose of sexual gratification or arousal of the victim, the accused, or another. Increases the penalty for grooming from a Class 4 to a Class 3 felony. Changes references in the Code from "child pornography" to "child sexual abuse images". Defines "pattern" and "sexual activity". Amends the Code of Criminal Procedure of 1963. Provides that the court may set any conditions it finds just and appropriate on the taking of testimony of a victim or witness who is under 18 years of age or an intellectually disabled person or a person affected by a developmental disability (rather than a victim who is a child under the age of 18 years or a moderately, severely, or profoundly intellectually disabled person or a person affected by a developmental disability), involving the use of a facility dog in any criminal proceeding (rather than in a prosecution of criminal sexual assault, predatory criminal sexual assault of a child, aggravated criminal sexual assault, criminal sexual abuse, aggravated criminal sexual abuse, or any violent crime). Makes changes concerning the admissibility of evidence in prosecutions for involuntary servitude, involuntary sexual servitude of a minor, or trafficking in persons.

Honors the memory of all U.S. service members killed in Afghanistan, including the thirteen who died on August 26, 2021. Extends gratitude to all men and women of the U.S. Armed Forces who served in Afghanistan. Urges the federal government to secure the safety and evacuation of any U.S. citizens still remaining in Afghanistan. Further urges the federal government to work with international, state, and local governments to assist displaced Afghan allies to resettle in safe communities. Further urges the federal government to somberly evaluate the failures of U.S. leadership that led to this grim denouement of Operation Enduring Freedom, to stand boldly against totalitarian regimes emboldened by this perceived American weakness, and to once again take up America's historic position as the leader of the free world and as a beacon of liberty across the globe.

Urges the Performance Evaluation Advisory Council (PEAC) to initiate and complete a research study into the implementation of teacher evaluation in Illinois, gather feedback from stakeholders state-wide, review best practice from other states, and use that research to inform a set of policy recommendations that would address any identified challenges while preserving the core benefits of PERA's robust evaluation system with an interim report to the legislature by December 31, 2022 that includes a full timeline for report creation, including a plan for gathering stakeholder feedback, with a final report to be given to the legislature by December 31, 2023. Further urges the PEAC convene to initiate discussion on this charge by April 30, 2022.

SENATE COMMITTEE AMENDMENT NO. 1

Deletes everything. Inserts new language that calls upon the Performance Evaluation Advisory Council (PEAC) to initiate and complete a research study performed by an educational research organization that is not a state agency to examine the implementation of teacher evaluation in Illinois, gather feedback from stakeholders state-wide, and review best practice from other states. Urges PEAC to use that research to inform a set of policy

recommendations that would address any identified challenges while preserving the core benefits of PERA's robust evaluation system with an interim report urged to be delivered to the legislature by January 16, 2023 that includes a full timeline for report creation, including a plan for gathering stakeholder feedback, with a final report urged to be delivered to the legislature by June 30, 2024. Urges the Chair of the Illinois State Board of Education to work with the PEAC Chair. Urges PEAC convene to initiate discussion on this charge by April 30, 2022.
