750 ILCS 5/612 new

Amends the Illinois Marriage and Dissolution of Marriage Act. Allows a court to appoint a parenting coordinator when deemed in the best interests of the child following the entry of, or prior to if approved by the court, a parenting plan. Provides that a parenting coordinator shall facilitate the resolution of conflict among parties regarding an existing parenting plan in a marital dissolution, parentage, or post-judgment case. Authorizes a parenting coordinator to make specific recommendations regarding the existing parenting plan. Restricts a parenting coordinator from making certain recommendations. Requires the parenting coordinator to provide recommendations to the parties within 14 days of the recommendations. Allows the parties to submit the recommendations to the court for entry as an agreed order. Prohibits a parenting coordinator from serving as a court's professional evaluation in any proceeding involving one or more parties for whom the parenting coordinator has provided parenting coordination services. Requires the parties to pay the parenting coordinator fees. Requires the parties to comply with the recommendations made by the parenting coordinator. Allows a party to file a motion for review of any recommendations made by the parenting coordinator. Allows the parenting coordinator to have access to non-public records involving the parties. Provides that communications with the parenting coordinator shall not be confidential. Provides that no ex parte communication by the parenting coordinator with the court is permitted. Grants the same immunity to a parenting coordinator as provided to all other professionals appointed under a provision regarding the representation of a child. Allows a court to adopt its own rules governing the qualifications, appointment, duties, and training of parenting coordinators.

SENATE FLOOR AMENDMENT NO. 1

Deletes language providing that a parenting coordinator is authorized to make specific recommendations regarding the existing parenting plan, including decisions regarding non-permanent alterations to the physical appearance of the child such as the child's clothing and

hairstyle. Restricts a parenting coordinator from making recommendations as to any allocation of parenting time besides specified minor alterations of parenting time. Provides that a court shall consider the financial resources of the parties and any fee waiver requests pending or which have been granted. Allows the court to order the party opposing any recommendations to pay both parties' reasonable attorney's fees and costs incurred in connection with the issue brought before the court if the court finds the motion for review was frivolous.

SENATE FLOOR AMENDMENT NO. 2

Provides that the Supreme Court (rather than each circuit court for the State) may adopt rules governing the qualifications, appointment, duties, and training of parenting coordinators if such rules do not conflict with the minimum requirements.

Requires paid leave time to be provided upon the oral or written request of an employee. Provides that any paid leave time granted shall not carry over from one calendar year to the next. Provides that an employer is not required to provide an employee with reimbursement for granted paid leave time that has not been used. Prohibits an employer from retaliating against an employee who uses paid leave time or files a complaint alleging a violation of the Act. 60 ILCS 1/85-70 new

Amends the Counties Code. Provides that, if a county board member, county board chairman, State's Attorney, or other countywide elected official is criminally charged with an infamous crime or of any offense involving a violation of his or her official oath, the county board shall review the alleged crimes to determine by a three-fifths vote of all members if the countywide elected official should be placed on administrative leave. Provides that, if the county board believes the official has been criminally charged with an infamous crime or of any offense involving a violation of his or her official oath, the county board shall send their determination to the State's Attorney or, if the determination is regarding the State's Attorney, the determination shall be sent to the Attorney General. Provides that, upon receipt of a determination from the county board, if the State's Attorney or Attorney General believes the crime or crimes to be germane to the official's duties, then the State's Attorney or Attorney General shall file a motion to place the elected official on administrative leave with the circuit court of the county. Provides that, upon receipt of the motion, the circuit court shall review and determine if the official shall be placed on administrative leave. Provides that the court may require the county to pay court costs or reasonable attorney fees, or both, if the court dismisses the action. Provides that, if the official is placed on administrative leave because a conflict exists, the official is barred from county property and performing the official's duties until the case is closed and the county board determines the conflict is resolved. Provides that the official shall continue to receive all compensation and benefits during the official's administrative leave. Provides that, if the county board puts an official on administrative leave, the board shall appoint a replacement for the official while the official is on administrative leave. Amends the Township Code. Makes similar changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that if a State's Attorney or township attorney believes the crime or crimes to be germane to the official's duties, or a special State's Attorney (rather than the Attorney General) if the crime or crimes deal with the State's Attorney, such attorney shall file a petition (rather than a motion) with the circuit court for a rule to show cause why not to place the elected official on administrative leave (rather than to have the court place the elected official on administrative leave). Replaces the procedure by which the court determines if an officer shall be placed on administrative leave with the following: provides that the court shall issue a rule requiring the officer to show cause why he or she should not be put on administrative leave and the officer shall have a trial in the date stated in the rule; and provides that, if, after trial, the court determined that the township officer should be placed on administrative leave, the township officer shall be removed from office. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the Senate Amendment No. 1 with the following changes: Provides that the county board shall petition the court for the appointment of a special State's Attorney to review the board's determination if the determination is relating to the State's Attorney or if the State's Attorney has a conflict of interest (rather than only if relating to the State's Attorney). Makes conforming changes. Limits the provisions to counties that have a population of less than 500,000 people and townships within counties that have a population of less than 500,000 people. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Limits the provisions to officials charged with an infamous crime or of any felony in violation of his or her official oath (rather than any offense involving a violation of his or her official oath). Provides that, if the official is removed from office, then the official is barred from county or township property and performing the official's duties until the case is closed and the county or township board determines the conflict is resolved. Makes other changes.

Provides that an investigator for the Department of Revenue, investigator for the Illinois Gaming Board, or arson investigator may elect to convert service credit earned under the Article to eligible creditable service under the alternative annuity formula by filing a written election with the Board within 6 months after the effective date of the amendatory Act and paying a specified contribution.

SENATE FLOOR AMENDMENT NO. 4

Replaces everything after the enacting clause. Reinserts the provisions of the bill as amended by Senate Amendment No. 1 with the following changes. Provides that an investigator for the Secretary of State may elect to convert service credit earned under the Article to eligible creditable service under the alternative annuity formula by filing a written election with the Board within 6 months after the effective date of the amendatory Act and paying a specified contribution. In provisions requiring an investigator for the Department of Revenue, investigator for the Illinois Gaming Board, investigator for the Secretary of State, or arson investigator to pay a specified amount to the System to establish that eligible creditable service, provides that the amount shall include the difference between the amount of employee and employer contributions transferred to the System under the provisions and the amounts that would have been contributed had such contributions been made at the rates applicable to State policemen (rather than investigators for the Department of Revenue or investigators for the Illinois Gaming Board). Makes conforming changes.

35 ILCS 200/15-178

Amends the Property Tax Code. Provides that to receive a reduction in assessed value, an owner, for the purpose of the initial application and only until the building is put in service, may provide proof of either a deed restriction or participation in a government program that includes legally enforceable affordability requirements comparable to the requirements of this Code and the chief county assessment officer shall furnish a letter of intent to the applicant indicating that a preliminary assessment of the new construction or qualifying rehabilitation indicates that it will meet all eligibility requirements. Modifies "assessed value for the residential real property in the base year" to mean the assessed value used to calculate the tax bill, as certified by the Board of Review, for the tax year immediately prior to the tax year in which the building permit is issued; for property assessed as other than residential property, the "assessed value for the residential real property in the base year" means the assessed value that would have been obtained had the property been classified as residential as derived from the Board of Review's certified market value (currently, the value in effect at the end of the taxable year prior to the latter of: (1) the date of initial application; or (2) the date on which 20% of the total number of units in the property are occupied by eligible tenants paying eligible rent). Modifies "maximum income limits" to include when a property may be deemed to have satisfied the maximum income limits with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property. Modifies "maximum rent" to include that a property may be deemed to have satisfied the maximum rent with a weighted average if municipal, state, or federal laws, ordinances, rules or regulations requires the use of a weighted average of no more than 60% of area median income for that property.

SENATE COMMITTEE AMENDMENT NO. 1

Amends the Code of Criminal Procedure of 1963 concerning pretrial detention. In the definition of "willful flight", provides that past non-appearance in court is conclusive evidence of future intent to evade prosecution (rather than simple past non-appearance in court alone is not evidence of future intent to evade prosecution). Provides that monetary bail is abolished for all petty, traffic, and criminal offenses committed on or after January 1, 2023. Provides that in addition to other provisions permitting the court to deny a defendant pretrial release, the court may deny a defendant pretrial release if the defendant is charged with any other crime for which the court believes there is a serious risk that: (1) the defendant will not appear in court as required; (2) the defendant will pose a danger to any other person or the community; or (3) the defendant will obstruct or attempt to obstruct justice, or threaten, injure, or intimidate, or attempt to threaten, injure, or intimidate a prospective witness or juror. Provides that if the court enters an order for the detention of the defendant, the defendant shall be brought to trial on the offense for which he is detained within 120 (rather than 90) days after entry of the order of detention.
