40 ILCS 5/16-127

from Ch. 108 1/2, par. 16-127

Amends the Downstate Teacher Article of the Illinois Pension Code. Allows a member to establish optional credit for up to 2 years of service as a teacher or administrator employed by a private school recognized by the Illinois State Board of Education, provided that the teacher

(i) was certified under the law governing the certification of teachers at the time the service was rendered, (ii) applies in writing on or before June 30, 2023, (iii) supplies satisfactory evidence of the employment, (iv) completes at least 10 years of contributing service as a teacher, and (v) pays the required contribution. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

40 ILCS 5/16-158

from Ch. 108 1/2, par. 16-158

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes. Further amends the Downstate Teacher Article of the Illinois Pension Code. In a provision that requires an employer to make an additional contribution to the System for certain salary increases greater than 6%, excludes salary increases resulting from teaching summer school on or after May 1, 2021 and before September 15, 2022. Effective immediately.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

SB 1646, as amended by HA 2, would reopen a window for teachers to apply for optional service credit for work done in approved private schools as teachers and administrators. The Teachers' Retirement System reports having 3,463 members who have applied for this private school credit in previous window openings, as described below. TRS estimates that the fiscal impact of this bill would be low, as the member must pay both the member and employer contributions, plus the actuarially assumed rate of interest to take advantage of this credit. The fiscal impact to TRS as a result of exempting summer school teaching from the 6% Final Average Salary Cap is unknown, as it is not known how many teachers would accrue pensionable salary in excess of 6% from the previous school year with the same employer via summer school teaching rendered between May 1, 2021 and September 15, 2022.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Teachers Retirement System)

Actuarial cost impact. SB 1646 as amended would have an unknown impact to TRS. Changes allowing optional service purchase under the bill are designed to be fully paid for by the related member contributions. Changes in required school district contributions would likely create some additional cost to the State of Illinois, but the total cost cannot be calculated without knowing the actual behavior of individual school districts and employees. Administrative cost impact. Administering the provisions of this bill would not increase the administrative costs of TRS.

In provisions amending the Local Government Taxpayers' Bill of Rights Act, creates a 7-year statute of limitations for utility taxes (currently, 4 years). In provisions amending the Illinois Municipal Code, provides that a public utility that is an electric utility may not provide customer-specific information. In provisions concerning a public utility's liability for premises that have been annexed to the municipality, provides that the utility shall only be liable beginning 60 days after the date that the municipality provided the public utility notice of the annexation. Adds provisions amending the Public Utilities Act. Provides that, in order to increase transparency and accessibility of charity care and financial assistance data, the Attorney General shall post on the Attorney General's website: all community benefits plans contained in reports submitted by hospitals; and a compiled report that summarizes information from completed community benefits plans. Provides that an electronic version of the compiled report shall be sent to the Governor and each member of the General Assembly. Amends the Hospital Uninsured Patient Discount Act. Provides that a hospital, other than a rural hospital or a Critical Access Hospital, shall provide a discount from charges to specified uninsured patients for all medically necessary health care services exceeding \$150 (rather than \$300) in any one inpatient admission or outpatient encounter. Provides for civil monetary penalties of \$1,000 to \$5,000 (rather than \$500) for a violation. Requires the Attorney General to publish an annual report that outlines complaints received related to hospital uninsured discount programs and financial assistance applications. Makes other changes. Deletes reference to:

210 ILCS 76/5
 210 ILCS 76/25

Replaces everything after the enacting clause with the provisions of the introduced bill and makes the following changes. Removes language specifying that the Act applies to all nonprofit and public hospitals licensed under the Hospital Licensing Act or operated under the University of Illinois Hospital Act. Removes language changing the provisions concerning a nonprofit hospital that fails to make a report of the community benefits plan. Removes language increasing civil monetary penalties. Provides that hospitals shall permit an uninsured patient to apply for a discount within 90 days (rather than 60 days) of the date of discharge or date of service. Provides that hospitals shall offer uninsured patients who receive community-based primary care provided by a community health center or a free and charitable clinic, are referred by such an entity to the hospital, and seek access to nonemergency hospital-based health care services with an opportunity to be screened for and assistance with applying for public health insurance programs if there is a reasonable basis to believe that the uninsured patient may be eligible for a public health insurance program. Changes the effective date from immediate to January 1, 2022. Makes other changes.

HOUSE COMMITTEE AMENDMENT NO. 1

In provisions of the Hospital Uninsured Patient Discount Act regarding patient responsibility, provides that hospitals may make the availability of a discount and the maximum collectible amount under the Act contingent upon the uninsured patient first applying for coverage under public health insurance programs (rather than public programs) if there is a reasonable basis to believe that the uninsured patient may be eligible for such program.

Amends the Abused and Neglected Child Reporting Act. In provisions concerning persons authorized to have access to reports of child abuse or neglect, provides that State's Attorneys are authorized to receive unfounded reports for the purposes of screening and prosecuting court petitions making an allegation of abuse or neglect relating to the same child, a sibling of the child involving the same perpetrator, or a child or perpetrator in the same household as the child for whom the petition is being filed. Provides that parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, or a child or perpetrator in the same household as the child, including a household from which a child was removed or into which a child may be placed for purposes of certain types of juvenile court hearings. Amends the Juvenile Court Act of 1987. Requires the Department of Children and Family Services to notify parties of the final finding on a report of alleged abuse or neglect within 5 days after the Department classifies the report. Provides that a court shall not terminate wardship if there is a pending investigation involving any person acting in a caretaker role in the minor's household, unless the court makes written factual findings that, despite the pending investigation, there is no risk of abuse or neglect to the minor, that good cause exists to terminate wardship, and it is in the minor's best interest to terminate wardship. Effective upon becoming law, except some provisions take effect January 1, 2022.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Further amends the Abused and Neglected Child Reporting Act by providing that parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, the same perpetrator, or a child or perpetrator in the same household as the child for purposes of certain types of juvenile court hearings (rather than parties to juvenile court proceedings are entitled to receive copies of unfounded reports regarding the same child, a sibling of the child, or a child or perpetrator in the same household as the child, including a household from which a child was removed or into which a child may be placed, for purposes of certain types of juvenile court hearings). Makes revisions to language in the introduced bill concerning the admissibility of unfounded reports in certain judicial proceedings and hearings. Further amends the Juvenile Court Act of 1987. In a provision requiring the Department of Children and Family Services to notify parties of its final finding in an abuse or neglect report, requires the Department to notify the parties within 10 days (rather than 5 days) after the abuse or neglect report is classified by the Department. Removes language requiring the Department to provide the parties with copies of the abuse or neglect report. In a provision concerning the duration of wardship, provides that to terminate wardship, the court shall consider a pending investigation in accordance with the Abused and Neglected Child Reporting Act, if any, involving any person acting in a caretaker role in the minor's household, and make written factual findings that, despite the pending investigation, there is no risk of abuse or neglect to the minor, and it is in the minor's best interest to terminate wardship.

New Act

Creates the Interstate Contracts for Mental Health and Substance Use Disorder Treatment Act. Provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health or substance use disorder to obtain appropriate treatment across state lines in qualified hospitals and facilities that are closer to their homes than are facilities available in their home states. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to provide substance use or mental health treatment to Wisconsin residents who are subject to involuntary commitment orders for treatment issued by Wisconsin courts, except that no services may be provided to Wisconsin residents who are involved in a criminal proceeding. Permits mental health facilities located in certain northern border counties to contract with Wisconsin county departments to secure substance use or mental health treatment for Illinois residents who are subject to involuntary commitment orders for treatment issued by State courts, except that no services may be secured for Illinois residents who are committed under specified provisions of the Code of Criminal Procedure or the Unified Code of Corrections. Contains provisions concerning involuntary commitment court orders, treatment records, transfers between facilities, required contract provisions, and other matters.

SENATE FLOOR AMENDMENT NO. 1

Changes the short title of the Act to the Interstate Contracts for Mental Health Disorder Treatment Act (rather than the Interstate Contracts for Mental Health and Substance Use

Disorder Treatment Act). Removes all references to treatment for a substance use disorder and instead provides that the purpose of the Act is to enable Illinois and Wisconsin residents who are subject, by court order, to involuntary admission on an inpatient basis for the treatment of a mental health disorder to obtain appropriate treatment across state lines in qualified private hospitals and facilities that are closer to their homes than are facilities available in their home states. Provides that the Act does not apply to state-operated or public facilities or hospitals located in Wisconsin or Illinois.

Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Amends the Chicago Teacher Article of the Illinois Pension Code. Adds to the definition of "teacher", educational staff employed by a Chicago contract school in a position requiring certification or licensure, except for managerial, supervisory, or confidential employees, who are required to or elect to participate in the Fund. Requires such educational staff to participate, unless they began employment with the contract school before the effective date of the amendatory Act. Provides that educational staff that began employment with the contract school before the effective date of the amendatory Act may elect to participate as a member for service accrued after the effective date of the election. Makes conforming and other changes. Amends the State Mandates Act to require implementation without reimbursement by the State. Effective July 1, 2021.

SENATE COMMITTEE AMENDMENT NO. 1

In provisions concerning the submission of payroll records and pension contributions, provides that the Fund shall provide a conditional grace period for contract schools that show evidence of timely and good faith efforts to submit payroll records and make pension contributions due between July 1, 2021 and October 1, 2021. Provides that if payroll records and pension contributions due during that time period are not submitted by October 1, 2021, the statutory penalties, liquidated damages, and interest shall be calculated from the original

due date to the submission date of the pension contributions or payroll records, as applicable. Provides that evidence of timely and good faith efforts shall include specified evidence.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Changes the dates of the conditional grace period for contract schools to show evidence of timely and good faith efforts to submit payroll records and make pension contributions due to between January 1, 2022 and April 1, 2022 (rather than between July 1, 2021 and October 1, 2021). Provides that participation in the Fund shall begin on January 1, 2022 for educational staff of a contract school beginning employment on and after the effective date of the amendatory Act. Allows educational staff employed in a contract school before the effective date of the amendatory Act that elect to participate in the Fund to participate as a member for service accrued after January 1, 2022 (rather than after the effective date of the election) with the contract school, another contract school, a charter school, or the Board of Education. Prohibits a person from accruing service for employment with a contract school that occurred before January 1, 2022 (rather than before the effective date of the election to participate as a member).

Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Provides that an oral, written, or sign language statement of a minor, who at the time of the

commission of the offense was under 18 years of age, made as a result of a custodial interrogation conducted at a police station or other place of detention on or after the effective date of the amendatory Act shall be presumed to be inadmissible as evidence in a criminal proceeding or a juvenile court proceeding for an act that if committed by an adult would be a misdemeanor offense under the Sex Offenses Article of the Criminal Code of 2012 or a felony offense under the Criminal Code of 2012 if, during the custodial interrogation, a law enforcement officer, juvenile officer, or other public official or employee, knowingly engages in deception.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Amends the Juvenile Court Act of 1987 and the Code of Criminal Procedure of 1963. Reinserts the provisions of the introduced bill, except: (1) limits the presumed inadmissibility to a confession made by the minor during the custodial interrogation (rather than statements) in which the law enforcement officer or juvenile officer (rather than a law enforcement officer, juvenile officer, or other public official or employee) knowingly engaged in deception; (2) provides that the presumption of inadmissibility of the confession may be overcome by a preponderance of the evidence (rather than clear and convincing evidence); and (3) in the definition of "deception" changes false statements regarding leniency to unauthorized statements regarding leniency.

HOUSE FLOOR AMENDMENT NO. 1

Further amends the Juvenile Court Act of 1987. In a provision concerning the prohibition of deceptive tactics, provides that the presumption of inadmissibility of a confession of a minor, who at the time of the commission of the offense was under 18 years of age (rather than by a suspect), at a custodial interrogation at a police station or other place of detention, when such confession is procured through the knowing use of deception, may be overcome by a preponderance of the evidence that the confession was voluntarily given, based on the totality of the circumstances. Further amends the Code of Criminal Procedure of 1963 to make a conforming change.

Amends the Code of Criminal Procedure of 1963. Provides that at any time upon the recommendation of the State's Attorney of the county in which the defendant was sentenced, the State's Attorney may petition the sentencing court or the sentencing court's successor to resentence the offender if the original sentence no longer advances the interests of justice. Provides that the sentencing court or the sentencing court's successor may resentence the offender if it finds that the original sentence no longer advances the interests of justice. Provides that, upon receipt of a petition for resentencing, the court may resentence the defendant in the same manner as if the offender had not previously been sentenced; however, the new sentence, if any, may not be greater than the initial sentence. Provides that the court may consider postconviction factors, including, but not limited to, the inmate's disciplinary record and record of rehabilitation while incarcerated; evidence that reflects whether age, time served, and diminished physical condition, if any, have reduced the inmate's risk for future violence; and evidence that reflects changed circumstances since the inmate's original sentencing such that the inmate's continued incarceration no longer serves the interests of justice. Provides that credit shall be given for time served; that victims shall be afforded all rights as outlined in the Rights of Crime Victims and Witnesses Act; and that resentencing shall not reopen the defendant's conviction to challenges that would otherwise be barred. Provides that nothing in the new provisions shall be construed to limit the power of the Governor under the Constitution to grant a reprieve, commutation of sentence, or pardon.

210 ILCS 45/3-102.3 new

5 ILCS 100/5-45.8 new

Amends the Nursing Home Care Act. Provides that the Department of Public Health shall require each long-term care facility in the State, as a condition of facility licensure, to adopt and implement written policies, provide for the availability of technology to facility residents, and ensure that appropriate staff and other capabilities are in place to prevent the social isolation of facility residents. Contains specified requirements for the social isolation prevention policies. Provides that the Department shall distribute civil monetary penalty funds, as approved by the federal Centers for Medicare and Medicaid Services, and any other available federal and State funds, upon request, to facilities for communicative technologies and accessories needed for the purposes of the provisions. Provides that whenever the Department conducts an inspection of a long-term care facility, the Department's inspector shall determine whether the long-term facility is in compliance with the provisions and the policies, protocols, and procedures adopted pursuant to the provisions. Requires the Department to adopt rules necessary to implement the provisions within 60 days after the amendatory Act's effective date (and makes conforming changes in the Illinois Administrative Procedure Act). Contains other provisions. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Removes language providing that the Department of Public Health shall require each long-term care facility in the State to perform specified actions as a condition of facility licensure. Provides that the social isolation prevention policies shall not be interpreted as a substitute for in person visitation, but shall be wholly in addition to the existing in person visitation policies. Provides that a resident's individualized visitation plan shall give priority to the resident's preferences over the preferences of the resident's representative. Provides that a long-term care facility may apply for (rather than the Department shall distribute) civil monetary penalty fund grants, and may request other available federal and State funds to obtain assistive and supportive technologies and related accessories that would facilitate communication between residents and other family members, friends, and external support systems. Provides that the Department (rather than the Department's inspector) shall determine whether a long-term care facility is in compliance with the provisions whenever the Department conducts an annual licensure and certification survey, when a complaint is received, or as frequently as may be necessary (rather than whenever the Department conducts an inspection of a long-term care facility). Provides that a noncompliant long-term care facility shall be liable to pay an administrative penalty as a Type "C" violation. Provides that implementation of an administrative penalty as a Type "C" violation under the provisions shall not be imposed prior to January 1, 2023. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 2

In provisions amending the Nursing Home Care Act, provides that the social isolation prevention policies adopted by each long-term care facility shall be consistent with the rights and privileges guaranteed to residents and constraints provided under specified provisions of the Nursing Home Care Act.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Adds provisions regarding legislative findings. Replaces references to specified types of equipment with references to assistive and supportive technology and devices. Requires appropriate staff to develop and update an individualized virtual visitation schedule while taking into account the individual's requests and preferences (rather than to assess and regularly reassess the individual needs and preferences of facility residents). Requires appropriate staff to develop an individualized virtual visitation schedule (rather than an individualized visitation plan) with specified requirements. Provides that specific protocols and procedures shall be developed to ensure that the quantity of assistive and supportive technology and devices maintained on-site at a facility remains sufficient, at all times, to meet the assessed social and activity needs and preferences of each facility resident. Makes other changes. Effective immediately.

Amends the Revised Uniform Unclaimed Property Act. Provides that property due or owed by a business association resulting from a transaction occurring in the normal and ordinary course of business is exempt from the Act. Provides that an action or proceeding may not be maintained by the administrator more than 10 years after the holder filed a nonfraudulent report with the administrator (rather than after the holder specifically identified the property in a report filed with the administrator or gave express notice to the administrator of a dispute regarding the property). Deletes language regarding the tolling of the period of limitation. Provides instead that the parties may agree to extend the period of limitation. Provides that the administrator may not commence an action, proceeding, or examination with respect to a duty of a holder more than 10 years after the duty arose. Provides that if a person subject to examination does not retain the records, the administrator may use specific estimation techniques to determine the amount of unclaimed property and shall incorporate a net method of extrapolation (rather than determine the value of property due using a reasonable method of estimation based on all information available to the administrator). Deletes language providing that a payment made based on estimation is a penalty for failure to maintain the records and does not relieve a person from an obligation to report and deliver property to a State in which the holder is domiciled. Provides that a holder may request a hearing to contest the use or validity of the estimation technique. Provides that the examination is final upon the failure of the holder to request a hearing. Provides that if a hearing is held, the State Treasurer shall issue an order approving or disapproving the use or validity of the estimation techniques. Deletes language providing that if the administrator contracts with a person, the contract may provide for compensation of the person based on a contingent fee. Deletes language providing that an initial report filed for property that was not required to be reported before the Act

took effect must include all items of property that would have been presumed abandoned during the 5-year period preceding the effective date as if the Act had been in effect during that period.

Establishes the powers and duties of the Department, including prescribing rules defining what constitutes an appropriate curriculum for music therapy, reviewing the qualifications of applicants for licenses, investigating alleged violations of the Act, conducting hearings on disciplinary and other matters, and establishing a schedule of fees for the administration and enforcement of the Act. Establishes qualifications for licensure as a professional music therapist and clinical music therapist. Establishes grounds for discipline of a license. Provides for civil and criminal penalties for violations of the Act. Creates provisions concerning formal hearings, including transcripts of proceedings, appointment of hearing officers, subpoenas and depositions, and rehearings. Provides for judicial review of all final administrative decisions of the Department. Preempts home rule. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Removes all references to licensed clinical music therapists. Changes references to the "Music Therapy Advisory Committee" and "Advisory Committee" to "Music Therapy Advisory Board" and "Advisory Board". Changes the definition of "music therapy". Adds provisions concerning applicants' and licensees' addresses of record and email addresses of record. Makes changes concerning composition and powers and duties of the Music Therapy Advisory Board. Makes changes in provisions concerning exemptions from the Act, collaboration with audiologists and speech-language pathologists, the practice of psychotherapy by licensed music therapists, the powers and duties of the Department of Financial and Professional Regulation, qualifications for licensure, license renewal, grounds for discipline, violations, investigations, hearings, and findings. SENATE FLOOR AMENDMENT NO. 3

Replaces everything after the enacting clause. Reinserts the provisions of Senate Amendment No. 2 with the following changes. Provides that "music therapy intervention" as defined occurs during a therapist-client relationship and includes collaborating with and educating the client and the family, caregiver of the client, or any other appropriate person regarding the needs of the client that are being addressed in music therapy and the manner in which the music therapy treatment addresses those needs in compliance with state and federal law. Provides that the Music Therapy Advisory Board shall advise the Department of Financial and Professional Regulation on all matters pertaining to disciplinary actions for practice of music therapy in the State. Removes a provision that provides that nothing in the Act may be construed to prohibit the practice of a person whose training and national certification attests to the individual's preparation and ability to practice the individual's certified profession or

occupation. Provides that the Secretary of Financial and Professional Regulation shall issue a license to an applicant for a professional music therapist license if the applicant is of good moral character. Provides that in determining moral character under the provisions of qualifications for licensure, the Department may take into consideration whether the applicant has engaged in conduct which would constitute grounds for discipline under the Act. Removes as a ground for discipline the failure to file a return, or to pay the tax, penalty, or interest shown in a filed return, or to pay any final assessment of tax, penalty, or interest, as required by a tax Act administered by the Department of Revenue. Adds that whenever the Secretary believes substantial justice (rather than only justice) has not been done in the revocation, suspension, or refusal to issue or renew a license or the discipline of a licensee, the Secretary may order a rehearing. 305 ILCS 5/5-4.2 from Ch. 23, par. 5-4.2

Amends the Medical Assistance Article of the Illinois Public Aid Code. In a provision requiring the Department of Healthcare and Family Services to establish, by rule, a process by which a provider of ambulance services can appeal a denied request for payment of ambulance services (rather than payment of non-emergency transportation by means of ground ambulance service), provides that for all appeals concerning ambulance services provided on and after December 15, 2012, the provider shall establish the medical necessity of the transport utilizing the patient care report and any other materials available in accordance with specified criteria established under the Code. Provides that a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form is not necessary to establish subject matter jurisdiction for appeal or medical necessity on appeal but may be considered if available. Provides that all Department rules, or parts thereof, in conflict with the provisions of the amendatory Act shall not apply. Provides that nothing in the amendatory Act shall be construed to affect any rights, actions, or causes of action that accrued prior to the effective date of the amendatory Act, except that the non-necessity of a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form as provided in the amendatory Act shall be retroactively applied to the full extent permissible.

SENATE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that for all claims concerning ambulance services

provided to fee-for-service Medicaid beneficiaries denied for failure of submittal of a valid Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance provided on and after December 15, 2012, the provider shall be able to appeal such denial and establish the medical necessity of the transport utilizing the patient care report and any other materials available in accordance with specified criteria established under the Code. Provides that a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form is not necessary to establish subject matter jurisdiction for appeal or medical necessity on appeal but may be considered if available. Provides that all Department rules, or parts thereof, in conflict with the provisions of the amendatory Act shall not apply. Provides that nothing in the amendatory Act shall be construed to affect any rights, actions, or causes of action that accrued prior to the effective date of the amendatory Act, except that the non-necessity of a Physician Certification Statement, Certificate of Transportation Services, or Medical Certification for Non-Emergency Ambulance form as provided in the amendatory Act shall be retroactively applied to the full extent permissible, including allowing any claims denied for failure to procure such form which were not appealed at the time of denial to have an opportunity for proper appeal.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that for non-emergency ground ambulance claims properly denied under the policy of the Department of Healthcare and Family Services at the time the claim is filed due to failure to submit a valid Medical Certification for Non-Emergency Ambulance on and after December 15, 2012 and prior to January 1, 2021, the Department shall allot \$2,000,000 to a pool to reimburse such claims if the provider proves medical necessity for the service by other means. Requires providers to submit any such denied claims for which they seek compensation to the Department no later than December 31, 2021 along with documentation of medical necessity. Provides that no later than May 31, 2022, the Department shall determine for which claims medical necessity was established. Provides that such claims for which medical necessity was established shall be paid at the rate in effect at the time of the service, provided the \$2,000,000 is sufficient to pay at those rates. Provides that if the pool is not sufficient, claims shall be paid at a uniform percentage of the applicable rate such that the pool of \$2,000,000 is exhausted. Provides that the appeal process described in a specified provision of the Code shall not be applicable to the Department's determinations. Effective immediately.

New Act

Creates the Privacy of Adult Victims of Criminal Sexual Offenses Act. Defines "adult victim" and "criminal history record information." Provides that notwithstanding any other law to the contrary, inspection and copying of law enforcement records maintained by any law enforcement agency or all circuit court records maintained by any circuit clerk relating to any investigation or proceeding pertaining to a criminal sexual offense, by any person not exempted by this Act, shall be restricted to exclude the identity of the adult victim without a court order. Provides that when a criminal sexual offense is committed or alleged to have been committed by a school district employee or any individual contractually employed by a school district, a copy of the criminal history record information relating to the investigation of the offense or alleged offense shall be transmitted to the superintendent of schools if certain conditions are met. Makes other changes.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as introduced, with the following change: Clarifies language related to restricting the identity of victims of criminal sexual offenses or alleged criminal sexual offenses by providing that such identity shall be restricted unless a court order is issued authorizing the removal of such restriction of a particular case record or particular records of cases maintained by any circuit court clerk.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the bill as engrossed, with the following changes: Provides that an advocate and victim's attorney may be exempt from a requirement to exclude a victim's identity in certain records, and removes "parent" from the list of exempt individuals. Provides that a court may for the adult victim's protection and for good cause shown, prohibit any person or agency present in court from further disclosing the adult victim's identity. Provides that a court may prohibit such disclosure only after giving notice and a hearing to all affected parties. Provides that in determining whether to prohibit disclosure of the adult victim's identity the court shall consider: (a) the best interest of the adult victim; and (b) whether such nondisclosure would further a compelling State interest. Provides that the copy of the criminal history record information that is to be provided under a provision concerning criminal sexual offense and school districts shall exclude the identity of the adult victim. Provides that the superintendent shall be restricted from revealing the identity of the adult victim.

HOUSE FLOOR AMENDMENT NO. 2

SENATE COMMITTEE AMENDMENT NO. 1

Adds reference to:
815 ILCS 414/1.9 new

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes. Adds a provision concerning refund alternatives for ticket order cancellations and postponements due to events caused by epidemics and pandemics (rather than ticketed events canceled because of an Act of God, earthquake, epidemic, pandemic, explosion, strike, lockout, labor controversy, riot, civil disturbance act of public enemy, embargo, war, any law, ordinance or regulation, legal order, any failure or delay of any transportation, power, or communications system). Provides that the provision only applies to ticket orders sold by primary sellers and resale marketplaces after January 1, 2022 and to venues with a capacity in excess of 2500 ticket purchasers per ticketed event or, in the case of multiple-day concert festivals, venues with a daily attendance in excess of 2500 ticket purchasers. Provides that if a ticketed event is canceled and not rescheduled by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace, then as soon as a time period of 60 (rather than 30) days has elapsed after the official cancellation of such ticketed event, the ticket purchaser may request full compensation worth at least 100% (rather than 110%) of the value of the purchaser's ticket order (including all fees, regardless of how characterized) from the entity that directly sold the purchaser the ticket. Provides that if a ticketed event is postponed by reason of any epidemic or pandemic or any other similar cause not under the control of the primary seller or resale marketplace and the original tickets are valid for entry at the time of the rescheduled event, then any purchaser of such tickets shall not be entitled to a refund or other compensation unless and until such ticketed event is canceled. Provides that if the postponed ticketed event is rescheduled more than 18 months after the originally scheduled date, then the ticket purchaser may either request full compensation worth at least 100% (rather than 110%) of the purchaser's order ticket or retain and use the ticket at the rescheduled event as soon as a time period of 30 days has elapsed after the date that is 18 months from the original date of performance of the ticketed event. Prohibits a person from knowingly using or selling software to circumvent a security measure or any other control measure used by a primary seller or venue to enforce event ticket purchasing limits or to maintain the integrity of online ticket purchasing order rules. Makes other changes.

Amends the Illinois Public Aid Code. Provides that the medical assistance program shall cover community-based pediatric palliative care from a trained interdisciplinary team. Amends the Pediatric Palliative Care Act. Repeals a provision that made the Act inoperative on and after July 1, 2012. Requires the Department of Healthcare and Family Services to develop a pediatric palliative care program (rather than a pediatric palliative care pilot program) under which a qualifying child may receive community-based pediatric palliative care from a trained interdisciplinary team and may also choose to continue to pursue aggressive curative or disease-directed treatments for a serious (rather than a potentially life-limiting) illness under the benefits available under the Illinois Public Aid Code. Defines a qualifying child to be a person under the age of 19 (rather than 18) who is enrolled in the medical assistance program and suffers from a serious illness (rather than a potentially life-limiting medical condition). Contains provisions concerning a State Plan amendment; prohibited Department rules; pediatric interdisciplinary teams; reimbursable services offered under the pediatric palliative care program; standards for and technical assistance to managed care organizations; reporting requirements; criteria a case manager must meet for demonstrated expertise in pediatric palliative care; and other matters.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes to the Pediatric Palliative Care Act. Makes changes to the definition of "serious illness". Restores language requiring the Department of Healthcare and Family Services to apply for a waiver to implement the pediatric palliative care program. Defines a qualifying child to be a person under the age of 21 who is enrolled in the medical assistance program and is diagnosed by the child's primary physician or specialist as suffering from a serious illness (rather than a person under 19 years of age who is enrolled in the medical assistance program and suffers from a serious illness). Provides that those serious illnesses that render a child eligible for pediatric palliative care services include any other serious illness that the Department, in consultation with interested stakeholders, determines to be appropriate. Restores language making certain reimbursable services offered under the pediatric palliative care program subject to federal approval for matching funds. Changes "case manager" to "program manager". Changes "qualifying participants" to "qualifying children".
