New Act

Creates the Birth Center Licensing Act. Provides that, except as provided by the Act, no person shall open, manage, conduct, offer, maintain, or advertise as a birth center without a valid license issued by the Department of Public Health. Requires all birth centers in existence as of the effective date of the Act to obtain a valid license to operate within 2 years after the adoption of rules by the Department to implement the Act. Provides that an applicant for a license under the Act shall submit an application on forms prescribed by the Department, which shall be accompanied by a nonrefundable license fee, as established by rule by the Department. Provides that licenses under the Act are renewable every 3 years upon submission of specified materials. Requires birth centers, to the extent possible, to link and integrate services with nearby health care facilities. Contains provisions concerning staffing requirements; minimum standards to protect the health and safety of a patient of a birth center; and requirements for reimbursement, reporting, training, and inspections. Requires the Department to adopt specified rules. Contains other provisions. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Makes changes concerning definitions. Refers to certified nurse midwives (rather than midwives). Provides that licenses under the Act are renewable every year (rather than every 3 years) upon submission of specified materials. Provides that birth centers shall obtain certificates of need from the Health Facilities and Services Review Board under the Illinois Health Facilities Planning Act before receiving a license by the Department of Public Health. Provides that if, after obtaining an initial certificate of need, a birth center seeks to increase the bed capacity of the birth center, the birth center must obtain a certificate of need from the Health Facilities and Services Review Board before increasing the bed capacity. Provides that a birth center in a medically underserved area shall receive priority in obtaining a certificate of need. Provides that a birth center shall link and integrate its services with at least one birthing hospital with a minimum of a Level 1 perinatal designation (rather than with nearby health care facilities). Provides that a birth center shall have an established agreement with a nearby receiving birthing center (rather than a written plan for transfer of patients). Provides that a birth center is encouraged to participate in quality improvement projects implemented by the Department of Public Health's Administrative Perinatal Centers and other Department-supported perinatal quality improvement projects. Requires clinicians, or their clinical representative, and attending persons in labor at a birth center to attend morbidity and mortality reviews that occur at the receiving birthing hospital on their patients. Requires the Department to require each birth center to report specified information every year (rather than every 3 years). Removes language requiring the Department to deem an accreditation body

applicable to birth centers as a substitute for its own periodic inspection. Makes other changes.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Government Forecasting & Accountability)

HB 4139, as amended by House Amendment 1, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 4139, (H-AM 1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Illinois Student Assistance Commission)

It is estimated that if the program were to serve everyone who is eligible, HB4139 would require about \$1.4 billion over 18 years to rebate the tuition and fees paid of an estimated 65,160 Illinois teachers, including an estimated 53,460 current teachers. Potential costs would be an estimated \$88.3 million in FY23 and \$93.5 million in FY24, growing each year until annual costs peaked in years 9 and 10 at about \$140.2 million each year and declining thereafter.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 1 (Dept. of Commerce & Economic Opportunity)

New Act

Creates the Lake Michigan Rescue Equipment Act. Provides that the owner of a pier or drop-off on Lake Michigan shall install public rescue equipment, including, at a minimum, ring life buoys, on each of the owner's piers and drop-offs along the Lake Michigan coast. Provides that public rescue equipment shall also be installed in all high-incident drowning areas on an owner's property. Includes requirements for ring life buoys. Provides that each unit of local government owning a pier or drop-off on Lake Michigan shall track and report to the Department of Public Health, in a form prescribed by the Department, Lake Michigan lakefront drownings, both fatal and non-fatal drownings, near the unit's piers and drop-offs. Includes tracking and reporting requirements. Provides that the Department shall analyze the tracking and reporting and appropriately provide a plan and recommendations for reduction in drowning incidents. Defines terms. Effective 180 days after becoming law.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Modifies definitions. Provides that, to reduce vandalism and theft, the rescue equipment station shall have signage (rather than an alarm, signage, and a warning of cameras) that warns lakefront patrons that tampering with or misuse of public rescue equipment is strictly prohibited. Removes provisions about automatic contacting of 9-1-1 and compliance with a specified guide. Provides that the buoyant line attached to each ring life buoy must be at least 100 feet in length (rather than 100 inches). Provides that each unit of local government owning a pier or drop-off on Lake Michigan shall track and publish a report on the unit's website lakefront drownings if such drownings occur within 100 feet of the unit's piers and drop-offs and if the unit was made aware of such drowning (rather than making a report to the Department of Public Health). Provides that, if there have been drownings during the reporting period, each unit of local government must also publish a water safety plan on the unit's website. Adds provisions relating to high-incident drowning area plans. Makes other changes. Changes the effective date from 180 days after becoming law to one year after becoming law.

Amends various Acts relating to the governance of public universities and community colleges in Illinois. Requires the governing board of each public university and community college district to employ a benefits navigator for the purpose of helping students at the institution of higher education apply for and receive assistance from benefits programs; defines "benefits program". Requires the governing board (i) to provide training for the benefits navigator, with training guidance and support provided by the Department of Human Services, (ii) participate in a statewide consortium with other public institutions of higher education for the purpose of facilitating communication between benefits navigators at different institutions and developing best practices for benefits navigators, and (iii) develop an internal process to enable students to provide feedback and recommendations on how the institution can better assist students in determining eligibility for benefits programs and applying for assistance under benefits programs. Sets forth the duties of a benefits navigator. Effective January 1, 2023.

HOUSE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the contents of the bill with the following changes. Makes changes to the definition of "benefits navigator". Removes the requirement that the Department of Human Services provide training guidance and support. Requires the statewide consortium to be facilitated by the Board of Higher Education. Makes related changes. Effective January 1, 2023.

New Act

820 ILCS 154/35 new

Creates the Child Extended Bereavement Leave Act. Provides that the Act may be referred to as Zachary's Parent Protection Act. Provides that an employee of a large employer that employs 250 or more full-time employees is entitled to use a maximum of 26 weeks of unpaid leave if the employee experiences the loss of a child, 26 years of age or younger, by suicide. Provides that an employee of a small employer that employs at least 50 but fewer than 250 full-time employees is entitled to use a maximum of 12 weeks of unpaid leave if the employee experiences the loss of a child, 26 years of age or younger, by suicide. Provides that leave may be taken in a single continuous period or intermittently, but leave must be completed within one year after the employee notifies the employer of the loss. Permits an employer to require reasonable advance notice of the employee's intention to leave and reasonable documentation. Provides that an employee who takes leave under the Act is entitled to be restored to the position of employment held by the employee when the leave commenced or to be restored to an equivalent position. Provides that nothing in the Act shall be construed to entitle any restored employee the accrual of any seniority or employment benefits during any period of leave. Prohibits an employer from taking any adverse action against an employee who exercises his or her rights under the Act. Requires the Department of Labor to enforce the Act. Provides that a person who uses leave under either the Child Bereavement Leave Act or the Child Extended Bereavement Leave Act may not take leave under the other Act, and amends the Child Bereavement Leave Act accordingly.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes to the Child Extended Bereavement Leave Act: Redefines "child" to mean an employee's biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis (rather than an employee's biological or adopted child or legal ward who is 26 years of age or younger). Provides that an employee of a large employer is entitled to use a maximum of 12 (rather than 26) weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide (rather than by suicide). Provides that an employee of a small employer is entitled to use a maximum of 6 (rather than 12) weeks of unpaid leave if the employee experiences the loss of a child by suicide or homicide (rather than by suicide). Provides that leave may be taken in a single continuous period or intermittently in increments of no less than 4 hours, but leave must be completed within one year after the employee notifies the employer of the loss. Provides that the Act does not extend the maximum period of leave to which an employee is entitled under the federal Family and Medical Leave Act of 1993 or under any other paid or unpaid leave provided under federal, State or local law, a collective bargaining agreement, or an employment benefits program or plan.

HB-4265 HERNANDEZ, BARBARA - GONZALEZ.

New Act

Creates the Public Higher Education Act. Provides that the intent of the Act is for the requirements of the Act to apply equally to the governing board of each public institution of higher education in this State. Defines "governing board of each public institution of higher education" and "public institution of higher education". Requires that, beginning with the 2022-2023 academic year, all documents and forms, including applications for admission, issued by a public institution of higher education offer a student the option to select "non-binary" if the document or form asks the student to identify the student's gender or biological sex. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 2

Changes the starting date for non-binary options to be included on documents and forms from the 2022-2023 academic year to the 2023-2024 academic year.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 4265, as amended by HA 2, will not impact any public pension fund or retirement system in Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Government Forecasting & Accountability)

HB 4265, as amended by House Amendment 2, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to HB 4265 (H-AM1) as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

STATE MANDATES FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Dept.

of Commerce & Economic Opportunity)

This bill does not create a State mandate.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Northeastern Illinois University)

House Bill 4265 (H-AM 2) would require up to 120 hours of staff time to identify, redesign, update and replace electronic and paper forms that request this information, and would require replacement and reprinting of forms made obsolete due to this change. The total one-time cost of compliance would be up to \$10,000.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Illinois State University)

As required by House Bill 4265, HA-2, the application for admission to Illinois State University currently contains a non-binary gender choice; therefore, it is expected that the fiscal impact on the University will be nominal.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Western Illinois University)

House Bill 4265, as amended by House Amendment 2, will have nominal costs for Western Illinois University due to programming costs of electronic documents and update and replacement of certain paper forms.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Governors State University)

Governors State University estimates that compliance with this proposed amendment would cost approximately \$10,000 to identify, redesign, update and replace electronic and paper forms that request this information, and would require replacement and reprinting of forms made obsolete due to this change. Estimates that compliance with this proposed amendment would cost approximately \$10,000 to identify, redesign, update and replace electronic and paper forms that request this information, and would require replacement and reprinting of forms made obsolete due to this change.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Eastern Illinois University)

The total cost is estimated to be between (100 hours x \$50.00 per hour) \$5,000.00 and (250 hours x \$50.00 per hour) \$12,500.00 depending on the amount of work required.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (Southern Illinois University)

Compliance with HB 4265 (H-AM-2) would require staff time to identify, redesign and update web-based and paper-based forms and reports. As these would all be internally made changes, we estimate those costs to be nominal.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 2 (University of Illinois)

Compliance with HB 4265 (H-AM 2) would cost the University of Illinois System approximately \$10,000 to add gender neutral responses to student documents currently in use across the U of I System. This will cover the costs to reprogram the existing electronic student record systems. Additional expenses for paper copies, etc. are considered negligible.

720 ILCS 5/12C-10 was 720 ILCS 5/12-21.5

Amends the Juvenile Court Act of 1987. Provides that a neglected minor includes any minor under the age of 12 (rather than 14) years whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor. Provides that neglect does not include permitting a child, whose basic needs are met and who is of sufficient age and maturity to avoid harm or unreasonable risk of harm, to engage in

independent activities, including: (1) traveling to and from school, including by walking, running, or bicycling; (2) traveling to and from nearby commercial or recreational activities; (3) engaging in outdoor play; (4) remaining in a vehicle unattended, except as otherwise provided by law; (5) remaining at home unattended; or (6) engaging in a similar independent activity. Amends the Criminal Code of 2012. Provides that a person commits child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly leaves that child who is under the age of 12 (rather than 13) without supervision by a responsible person over the age of 14 for a period of 24 hours or more.

HOUSE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Changes the legislative findings. Provides that a neglected minor includes any minor (rather than a minor under 14 years) whose parent or other person responsible for the minor's welfare leaves the minor without supervision for an unreasonable period of time without regard for the mental or physical health, safety, or welfare of that minor. Provides that a minor shall not be considered neglected for the sole reason that the minor was engaged in independent activities, except if the person responsible for the minor's health, safety, or welfare willfully disregards danger that the independent activity poses to the physical or mental health of the minor under circumstances when the danger is sufficiently obvious that no reasonable person would cause or permit the minor to be unsupervised in such a situation given the minor's level of maturity, physical condition, or mental abilities. Provides that factors considered in determining if a minor's needs can be sufficiently met during an independent activity are whether the activity is generally accepted as suitable for minors of the same age or level of maturity, or are developmentally appropriate for a minor based on the development of cognitive, emotional, physical, and behavioral capacities that are typical for the minor's age or age group. Provides that the determination for a specific minor shall also take into account the developmental stage of that minor's cognitive, emotional, and physical development and the minor's behavioral capacities. Amends the Criminal Code of 2012 to change the child abandonment statute. Provides that a person commits child abandonment when he or she, as a parent, guardian, or other person having physical custody or control of a child, without regard for the mental or physical health, safety, or welfare of that child, knowingly permits a child to engage in independent activities that were unreasonable under the circumstances or for an unreasonable period of time without regard for the minor's mental or physical health, safety or well-being. Provides that for the purposes of this provision, no specific age shall be determinative of reasonableness. Provides that reasonableness shall be determined by the maturity of each individual child (rather than leaves that child who is under the age of 13 without supervision by a responsible person over the age of 14 for a period of 24 hours or more).

Amends the State Universities Article of the Illinois Pension Code. Amends the Residential Real Property Disclosure Act. Changes the definition of "seller". Defines "contract". Changes the phrases "disclosure document" and "disclosure statement" to "disclosure report". Provides that if a seller is involved in specified types of transfers, the seller is exempt from the Act, regardless of whether a disclosure report is delivered. Provides that the seller shall deliver to the prospective buyer the written disclosure report before the signing of a contract (rather than before the signing of a written agreement by the seller and prospective buyer that would require the prospective buyer to accept a transfer of the residential real property). Provides that if, prior to closing, any seller becomes aware (rather than has actual knowledge) of an error, inaccuracy, or omission in any prior disclosure report or supplement after delivery of that disclosure report or supplement to a prospective buyer, that seller shall supplement the prior disclosure report. Makes changes to the disclosure report form. Provides that if a seller discloses a material defect in the disclosure report, a prospective buyer, within 5 (rather than 3) business days after receipt of the disclosure report, may terminate the contract. Provides that if a seller discloses a material defect in a supplement to the disclosure, the prospective buyer shall not have a right to terminate unless: (i) the material defect results from an error, inaccuracy, or omission of which the seller had actual knowledge at the time of the prior disclosure; (ii) the material defect is not repairable prior to closing; or (iii) the material defect is repairable prior to closing, but within 5 business days after delivery of the supplemental disclosure, the seller declines, or otherwise fails to agree in writing, to repair the material defect. Allows for the disclosure report to be delivered by email or other electronic delivery. Makes other changes. Effective immediately.

within the last 12 months on a residential real property form shall identify capacity or explain the relationship to the property (rather than only explain the relationship to the property). Requires a copy of specific provisions of Article 2 (rather than a copy of the whole Act) to be printed on or as a part of the Residential Real Property Disclosure Report form.

Specifies the duties of the clearinghouse. Requires the clearinghouse to be incorporated as a nonprofit. Requires the clearinghouse to submit, by July 1, 2023 and by July 1 every 3 years thereafter, a 3-year plan to the Agency for approval. Specifies the requirements for the plan. Provides that the clearinghouse shall remit to the Agency an annual fee of \$250,000 to be used for administrative costs (rather than pay the Agency an annual administrative fee of not less than \$200,000 and not more than \$500,000). 415 ILCS 5/22.59a new

Amends the Environmental Protection Act. Provides that all CCR generated by the electric generating industry located in a municipality bordering Lake Michigan with greater than 75,000 inhabitants but fewer than 150,000 inhabitants shall be removed from the site. Provides that, notwithstanding any other provision of law, the amendatory provisions do not impact any financial obligation arising before their effective date. Effective immediately.

PENSION NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

HB 4358, as amended by HA 3, will not impact any public pension fund or retirement system in the State of Illinois.

STATE DEBT IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Government Forecasting & Accountability)

HB 4358, as amended by House Amendment 3, would not change the amount of authorization for any type of State-issued bond, and, therefore, would not affect the level of State indebtedness.

BALANCED BUDGET NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Office of Management and Budget)

Please be advised that the Balanced Budget Note Act does not apply to House Bill 4358, [as amended by House Amendment 3] as it is not a supplemental appropriation that increases or decreases appropriations. Under the Act, a balanced budget note must

be prepared only for bills that change a general funds appropriation for the fiscal year in which the new bill is enacted.

JUDICIAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Admin Office of the Illinois Courts)

The legislation will not increase or decrease the number of judges needed in the State of Illinois.

FISCAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Illinois Environmental Protection Agency)

House Amendment #3 imposes no additional fiscal impact on the Illinois EPA.

LAND CONVEYANCE APPRAISAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept. of Transportation)

No land conveyances are included in this bill, therefore, there are no appraisals to be filed.

HOUSING AFFORDABILITY IMPACT NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Housing Development Authority)

HB4358 (H-AM-3) is anticipated to have no effect on the cost of constructing, purchasing, owning, or selling a single-family residence. It is possible that some of the training requirements for construction/engineers could come with a cost that gets passed to the construction industry which could impact the affordability of housing in Illinois, but not enough information is provided in the bill to make this determination and the reviewer does not believe there will be any measurable impact.

CORRECTIONAL NOTE, HOUSE FLOOR AMENDMENT NO. 3 (Dept of Corrections)

This amendment has no fiscal impact or population impact on the department.

- 225 ILCS 25/17.1

Amends the Illinois Dental Practice Act. Provides that a person who uses teledentistry practices dentistry within the meaning of the Act. Provides that a dentist may utilize and delegate dental services to a dental hygienist or dental assistant using telehealth only under the supervision requirements as specified in the Act for in-person patient care. Provides that a dental assistant who has at least 2,000 hours of direct clinical patient care experience and who has completed a structured training program provided by a continuing education provider approved by the Department of Financial and Professional Regulation may perform specified procedures. Provides that a dental assistant who has completed specified training may perform coronal scaling and intracoronal temporization of a tooth under the supervision of a dentist. Changes the definition of "public health setting" to include a prison. Changes the definition of "teledentistry" to include limited patient diagnosis and treatment planning (rather than patient care) using synchronous and asynchronous communications under an Illinois licensed dentist's authority (rather than a dentist's authority).

HOUSE FLOOR AMENDMENT NO. 2

Adds reference to:

- 225 ILCS 25/18 from Ch. 111, par. 2318

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: Removes changes to the definition of "teledentistry". Removes a provision that provides that a person who uses teledentistry is considered to practice dentistry under the Act. Restores a provision providing that a dental assistant who has completed training and is an expanded function dental assistant, may place, carve, and finish amalgam restorations, and place, pack, and finish composite restorations as allowed under provisions concerning acts constituting the practice of dentistry. Provides that a dental assistant who has completed training and is an expanded function dental assistant may perform coronal scaling as allowed under provisions concerning acts constituting the practice of dentistry and intracoronal temporization of a tooth. Provides that an order to a hygienist on which services are necessary to be performed on the patient who is unable to travel to a dental office shall be implemented within 30 (rather than 120) days. Provides that without the supervision of a dentist, a dental hygienist may perform dental health education functions, including instruction in proper oral health care and dental hygiene in either a school setting or a long-term care facility. Provides that a dental hygienist may record care (instead of case) histories and oral conditions observed at any time prior to a clinical exam by a dentist.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill, and makes the following changes: Provides that a dental assistant who has completed training and is an expanded function dental assistant may perform coronal scaling only on patients 17 (instead of 12) years of age or younger who have an absence of periodontal disease and who are not medically compromised as allowed under provisions concerning acts constituting the practice of dentistry and intracoronal temporization of a tooth. Restores a provision that provides that coronal sealing shall only be utilized on patients who are eligible for Medicaid, who are uninsured, or whose household income is not greater than 400% (rather than 200%) of the federal poverty level. Provides that an order to a hygienist on which services are necessary to be performed on the patient who is unable to travel to a dental office shall be implemented within 45 (rather than 30) days.

SENATE FLOOR AMENDMENT NO. 2

Expands the definition of "public health setting" to include a long-term care facility. Provides that the training program for expanded functions for dental assistants or hygienists must include a minimum of 32 hours of instruction in both didactic and clinical manikin or human subject instruction (rather than a minimum of 16 hours of instruction in both didactic and clinical manikin or human subject instruction). Provides that coronal scaling performed by dental assistants shall be utilized on patients whose household income is not greater than 300% (rather than 400%) of the federal poverty level. Provides that a dental hygienist who is certified as a public health dental hygienist may provide services to patients who are uninsured and whose household income is not greater than 300% (rather than 200%) of the federal poverty level.

Amends the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act. Defines "email address of record". Provides that the definition of "clinical supervision" includes face-to-face video if the session is synchronous and involves verbal and visual interaction during supervision. Provides that if the Department finds an individual unable to practice because of a substance-related violation, the Department may require that individual to submit to a substance abuse evaluation or treatment by programs approved by the Department as a condition, term, or restriction for continued, restored, or renewed licensure to practice. Makes other changes. Provisions amending the Regulatory Sunset Act are effective immediately.

Amends the Metropolitan Water Reclamation District Article of the Illinois Pension Code.

Provides that, beginning in fiscal year 2032 and each year thereafter, the District shall contribute the actuarially determined contribution. Provides that the actuarially determined contribution is equal to the employer's normal cost plus an amount to amortize the unfunded liability on a level percent of payroll basis and bring the total actuarial assets of the Fund up to 100% of the total actuarial liability, calculated using the entry age normal actuarial cost method, by the year 2050. Makes conforming changes. Amends the Metropolitan Water Reclamation District Act. Adds a provision allowing for the corporate authorities of the district to issue bonds in the principal amount of \$600,000,000 for the purpose of making contributions to the pension fund without submitting the question of issuing bonds to the voters of the District. Amends the State Mandates Act to require implementation without reimbursement. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

In the Property Tax Extension Limitation Law in the Property Tax Code, modifies the exclusions to the definition of "aggregate extension" by excluding special purpose extensions made for payments of principal and interest on bonds issued under specified provisions of the Metropolitan Water Reclamation District Act to make contributions to the pension fund established under Article 13 of the Illinois Pension Code (rather than made for the purpose of making contributions to the pension fund established under Article 13 of the Illinois Pension Code by use of bonds issued under specified provisions of the Metropolitan Water Reclamation District Act). Makes a conforming change. Modifies provisions in the Metropolitan Water Reclamation District Article of the Illinois Pension Code. Removes language providing that, beginning in fiscal year 2032 and each year thereafter, the District shall contribute the actuarially determined pension contribution requirements from its annual tax levy and related provisions. In provisions requiring revenues derived from the tax to be paid to the Metropolitan Water Reclamation District Retirement Fund for the benefit of the Fund, adds an exception for amounts of revenues to be retained by the District and used to pay principal and interest on bonds issued for the sole purpose of making contributions to the Fund. In the Metropolitan Water Reclamation District Act, provides that the corporate authorities are authorized to issue from time to time bonds of the district in the principal amount of an amount not to exceed \$600,000,000 (rather than in the principal amount of \$600,000,000) without submitting the question of issuing bonds to the voters of the District and that the bonds issued under the specified paragraph (rather than subsection) are intended to decrease the unfunded liability of the pension fund and shall not decrease the amount of the employer pension contributions.

HOUSE FLOOR AMENDMENT NO. 1

In provisions concerning cost sharing for emergency services and cost sharing for non-emergency services, provides that if the cost sharing for the same item or service furnished by a participating provider would have been a flat-dollar copayment, that amount shall be the cost-sharing amount unless the provider has billed a lesser total amount. Provides that upon receipt of the provider's bill or facility's bill, the health insurance issuer shall provide the nonparticipating provider or the facility with a written explanation of benefits (rather than the health insurance issuer shall provide the nonparticipating provider or the facility with a written explanation of benefits). Provides that the arbitrator shall not establish a rebuttable presumption that the qualifying payment amount should be the total amount owed to the provider or facility by the combination of the issuer and the insured, beneficiary, or enrollee. Defines "qualifying payment amount". Makes other changes.

20 ILCS 3805/7.33 new
20 ILCS 3805/14 from Ch. 67 1/2, par. 314

Amends the Illinois Housing Development Act. Provides that no later than July 1, 2022, the Illinois Housing Development Authority shall establish and administer the Rehab Program to help reclaim vacant and abandoned properties in communities of concentrated poverty. Provides that the purposes of the Rehab Program are: to encourage private sector investment in acquiring, rehabbing, and placing on the market, vacant and abandoned properties located in communities of concentrated poverty; to provide low-income families with more affordable

housing options in modern, safe buildings while redressing historic discrimination against African Americans in housing; and other stated purposes. Provides that within 45 days of the satisfactory completion of a qualified project, the Authority shall pay to the qualified developer responsible for the project a Rehab Program incentive fee. Provides that after the initial pilot of the Rehab Program ends, and continuing thereafter, the Authority may authorize qualified projects in any calendar year in an amount not to exceed either \$50,000,000 for the year in question, or, if the Authority is then utilizing bond proceeds to pay Rehab Program incentive fees as permitted under the amendatory Act, more than \$250,000,000 in aggregate bond indebtedness then outstanding for all such bonds. Provides that the Authority may from time to time adopt rules requiring qualified developers to hire a certain percentage of workers for the qualified project in question from the community in which the qualified project is located. Provides that initially the Rehab Program shall be piloted out in 10 communities identified by the Authority that span the State, to ensure the program generates economic benefits equitably across Illinois. Permits the Authority to issue bonds and notes for the payment of Rehab Program incentive fees to qualified developers. Effective immediately.

FISCAL NOTE (Housing Development Authority)

Fiscal impact could be offset with administration funding that is not currently contemplated in HB4784.

HOUSE FLOOR AMENDMENT NO. 1

Deletes reference to:

20 ILCS 3805/14

Replaces everything after the enacting clause. Reinserts the provisions of the introduced bill with the following changes: Provides that commencing State Fiscal Year 2023 (rather than no later than July 1, 2022), the Illinois Housing Development Authority shall establish and administer the Rehab Program to help reclaim vacant and abandoned properties in communities of concentrated poverty. Removes from the definition of "community of concentrated poverty" a community that is designated as or qualifies as a blighted or slum area under any federal, State, or local governmental authority or agency law, rule, regulation, or ordinance. Expands the definition of "project costs" to provide that the Authority shall issue regulations from time-to-time identifying what may be included within the rubric of reasonable costs for purposes of the amendatory Act, as well as the form and content of expense reporting a qualified developer must utilize. Makes a change to the definition of "qualified developer". In a provision concerning the administration of the Rehab Program, provides that within 45 days of the satisfactory completion of a qualified project, the Authority shall pay to the qualified developer responsible for such project a Rehab Program incentive fee in a dollar amount that is equal to: (i) the difference between the approved project costs for the qualified project in question and the fair market value of such completed qualified project; plus (ii) an amount equal to 5% of such approved project costs (rather than 5% of such fair market value). Removes a provision permitting the Authority to authorize qualified projects in any given calendar year in an amount not to exceed more than \$250,000,000 in aggregate bond indebtedness then outstanding for all such bonds. Provides that the amount of Rehab Program incentive fees the Authority may issue during the pilot period shall be \$30,000,000 (rather than \$20,000,000). Removes a provision requiring the Authority to fund such incentive fees by issuing bonds if there are inadequate appropriations to cover the full fee amount during the pilot period. Instead provides that, to the extent authorized by the General Assembly and the Governor, the \$30,000,000 appropriation for the pilot program shall be funded with proceeds the State receives under the federal American Rescue Plan Act of 2021. Removes a provision permitting the Authority to issue bonds for the payment of Rehab Program incentive fees to qualified developers. Effective immediately.

Amends the Criminal Code of 2012. Provides that a person is not accountable for the conduct of another if he or she was subjected to specific and credible coercion, compulsion, duress, or threats. Provides that no offense is excepted from the provision that a person is not guilty of an offense by reason of conduct that he or she performs under the compulsion of threat or menace of the imminent infliction of death or great bodily harm, if he or she reasonably believes death or great bodily harm will be inflicted upon him or her, or upon his or her spouse or child, if he or she does not perform that conduct. Amends the Code of Civil Procedure. In a provision concerning relief from judgments, changes the allegations a movant must establish when presenting a meritorious claim to: (1) the movant was convicted of a forcible felony; (2) the movant's participation in the offense was related to experiencing or the effects of gender-based violence; and (3) no substantial evidence or incomplete evidence of gender-based violence against the movant was presented at the movant's sentencing hearing. Changes the term "domestic violence" to "gender-based violence". Removes the definition of "intimate partner". Makes corresponding changes.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill, and makes the following changes: In the Criminal Code of 2012, removes language providing that no offense is excepted from the provision that a person is not guilty of an offense by reason of conduct that he or she performs under the compulsion of threat or menace of the imminent infliction of death or great bodily harm, if he or she reasonably believes death or great bodily harm will be inflicted upon him or her, or upon his or her spouse or child, if he or she does not perform that conduct. In the Code of Civil Procedure, restores language providing that a movant may present a meritorious claim if the allegations in the petition establish that the evidence of domestic violence or gender-based violence against the movant is material and noncumulative to other evidence offered at the sentencing hearing, and is of such a conclusive character that it would likely change the sentence imposed by the original trial court. Restores the term "domestic violence". Defines "gender-based" violence. Restores the definition of "intimate partner". Makes other changes.

Amends the Illinois Housing Development Act. Provides that from funds appropriated, directly or indirectly, from moneys received by the State from the Coronavirus State Fiscal Recovery Fund in accordance with the American Rescue Plan Act of 2021, the Illinois Housing Development Authority (Authority) shall expend funds to create a Senior Home Preservation Grant Program to provide grants to legacy resident seniors to preserve the safety of their homes. Provides that grants may be used for housing owned by a legacy resident senior to reduce the cost of repair and rehabilitation, to remove or correct health or safety hazards, to comply with applicable housing standards or codes, or to make needed repairs to improve the general living conditions of the legacy resident senior, including improved accessibility for seniors with disabilities. Requires applicants to apply to the program in a form and manner prescribed by the Authority. Provides that, to qualify for a grant, the applicant must, at a minimum, be the owner of the home and use the home as his or her primary residence. Permits the Authority to establish minimum housing standards applicants must meet to qualify for a grant under the program. Provides that the Authority may adopt rules to implement the program. Provides that expenditures of funds provided under the authority of the American Rescue Plan Act of 2021 shall be in accordance with the permitted purposes under the American Rescue Plan Act of 2021 and all related federal guidance.

FISCAL NOTE (Housing Development Authority)

Provides that from funds appropriated, directly or indirectly, from moneys received by the State from the Coronavirus State Fiscal Recovery Fund in accordance with the American Rescue Plan Act of 2021, the Illinois Housing Development Authority (Authority) shall create a Senior Home Preservation Grant Program to provide grants to legacy resident seniors to preserve the safety of their homes. As drafted this bill suggests that grants will be made directly to residents from the Authority – differing greatly from existing infrastructure established and used by IHDA to administer similar grant programs which work directly with municipalities or local non-profits. As drafted, IHDA would need to build new systems designed for individual grants, establish rules for monitoring and vetting grantees, and to hire staff to administer directly to the grantees. The overall size of the burden cannot be known until a funding amount is known. Fiscal impact could be offset with administration funding that is not currently contemplated in HB4949.

Amends the Environmental Protection Act. Requires public water supply operators to notify specified health care facilities at least 30 days prior to any known, planned, or anticipated disruption event and within one hour after being aware of an unplanned disruption event. Provides that any planned or unplanned disruption event notification sent to a health care facility shall be sent to the Environmental Protection Agency and the Department of Public Health and shall be posted on the public water supply operator's website. Contains notification requirements. Contains other provisions. Effective immediately.

HOUSE FLOOR AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the introduced bill with the following changes. Defines "disruption event" and "water supply operator". Requires public water supply operators to notify specified health care facilities and their water supply operator not more than 30 days, but no fewer than 15 days (rather than at least 30 days) before any known, planned, or anticipated disruption event and within 2 hours (rather than one hour) after being aware of an unplanned disruption event. Requires any planned or unplanned disruption event notification sent to a health care facility to be sent to State agencies within 5 business days. Makes other changes. Effective immediately.

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause with the provisions of the engrossed bill with the following changes. Requires public water supply operators' designated employees or contractors (rather than public water supply operators) to notify specified health care facilities at least 30 days prior to any known, planned, or anticipated disruption event and within 2 hours after being aware of an unplanned disruption event. Provides that a health care facility shall designate an email address accessible to the health care facility's designated water management plan administrator and other responsible administrative personnel (rather than to the health care facility's designated management and other personnel) to receive electronic

notifications from the public water supply operator. Removes language requiring notice to include any action undertaken to correct a disruption event. Provides that, beginning one year after the amendatory Act's effective date (rather than each month), the State agencies shall make available upon request a list of disruption events, in an electronic format, sorted by the year and month of each occurrence (rather than publish on their websites a list of disruptions events that have occurred in the preceding month).

SENATE FLOOR AMENDMENT NO. 2

Replaces everything after the enacting clause. Reinserts the provisions of the bill, as amended by Senate Amendment No.1, with the following changes. In provisions containing definitions, provides that the meaning of a disruption event includes any change to a disinfection technique, practice, or technology that could change disinfectant levels in the water within a public water supply that results in a residual disinfectant level 20% above or below normal operating levels (rather than any change to a disinfection technique, practice, or technology that could change disinfectant levels in the water within a public water supply). Removes language providing that a disruption event includes any water main break, system failure or disruption, equipment failure, chemical or disinfectant treatment interruption, or flooding of a public water supply operator's facilities. Changes references from a public water supply operator to a public water distribution entity. In provisions concerning notification, requires a public water distribution entity to notify its water supply operator and all affected health care facilities on the public water supply's health care facility list not less than 14 days before any known, planned, or anticipated disruption event (rather than requiring a public water supply operator to notify its public water supply operator and all health care facilities on the public water supply's health care facility list not more than 30 days or fewer than 15 days before any known, planned, or anticipated disruption event). In the provision requiring that any planned or unplanned disruption event notification sent to a health care facility also be sent to the State agencies within 5 business days, provides that notification shall be sent to the State agencies via email to the email addresses designated by the State agencies. Removes the provisions requiring notification to be posted on the public water supply operator's website or on a social media website. Makes other changes. Effective immediately.

SENATE FLOOR AMENDMENT NO. 3

Provides that "disruption event" means, among other things, any change to a disinfection technique, practice, or technology, including each instance of any change in the concentration of any disinfectant in the water of a public water supply that results in residual concentrations of the disinfectant in the water either exceeding 50% or falling below 20% of the monthly average concentration of disinfectant reported to the Agency in a public water distribution entity's most recent monthly submission of Daily Operating Reports (rather than any change to a disinfection technique, practice, or technology that could change disinfectant levels in the water within a public water supply that results in a residual disinfectant level 20% above or below normal operating levels).

SENATE COMMITTEE AMENDMENT NO. 1

Replaces everything after the enacting clause. Reinserts the provisions of the engrossed bill with the following changes: Further amends the Medical Assistance Article of the Illinois Public Aid Code. Provides that a managed care organization must pay for preventative prenatal services, perinatal healthcare services, and postpartum services rendered by a non-affiliated provider, for which the health plan would pay if rendered by an affiliated provider, at the rate paid (rather than at no less than the rate paid) under the Illinois Medicaid fee-for-service program methodology for such services. Provides that, in cases where a managed care organization must pay for preventive prenatal services, perinatal healthcare services, and postpartum services rendered by a non-affiliated provider, the payment rate requirements under the amendatory Act shall not apply if the services were not emergency services, as defined in a specified provision of the Code, and: (1) the non-affiliated provider is a perinatal hospital and has, within the 12 months preceding the date of service, rejected a contract that was offered in good faith by the health plan as determined by the Department of Healthcare and Family Services; or (2) the health plan has terminated a contract with the non-affiliated provider for cause, and the Department has not deemed the termination to have been without merit. Provides that the Department may deem that a determination for cause has merit if: (i) an institutional provider has repeatedly failed to conduct discharge planning; or (ii) the provider's conduct adversely and substantially impacts the health of Medicaid patients; or (iii) the provider's conduct constitutes fraud, waste, or abuse; or (iv) the provider's conduct violates the code of ethics governing his or her profession.
