Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

As a person of faith I am in support of the Emergency Renter and Homeowner Protection Act, HB5574 because it is our moral and spiritual imperative to bring concrete relief to the hundreds of thousands of our neighbors who are struggling with income insecurity during this crisis. We are called to care for our neighbors as God cares for us, and people should not be facing loss of home because of the economic crisis. This crisis is mostly impacting Black and Latinx families, and our state must do the moral and just thing by providing protection with the passage of HB5574.
