Supporting: HB-5574 HA 1 Emergency Rental and Homeowner Protection Act

Testimony:

I am in support of the Emergency Renter and Homeowner Protection Act, HB5574, because no one should be put out on the streets ever, least of all during a public health crisis. For the good of everyone in the state we must have rent relief so that as many as possible can continue to shelter in place and arrest the spread of COVID-19.
