Fidel,

I received a call from our friend today regarding [REDACTED]. He seemed concerned about her. I told him that you were doing an internal investigation on all your new hires and that I may or may not be briefed. (The purpose was to stress with everyone that ComEd takes ethics seriously.) I told him that from the news article that you were not concerned but if the investigation brings up additional information then you will have to re-evaluate. He asked me to keep him informed and I said I would.

FYI...

This e-mail is only going to you.

Best, Mike
