Right.

[REDACTED] asked if we would do more. You said you would think about it. Does this mean your team has rejected doing anything more?

Also, [REDACTED] had an additional question regarding [REDACTED] and you were going to check. I have not heard a decision from you on that matter and it has been 60-90 days.

Fidel, I am worried that something is troubling you. It is not like you to not be responsive to multiple e-mails on the same subject matter. If you are ill or something is causing you extreme difficulties I am sorry. Very.

So, me not responding to inquiries from [REDACTED] makes me look bad. I represent you and Anne. It has been I bet almost 90 days.

You asked me for names for [REDACTED]'s position. I gave you three names and even now after more than 30 days none of those three have been contacted. I told them and I think I put it in the e-mail that the inquiry came from you and that I was authorized to solicit their resume. So, again, we look bad.

Just like we look bad on how we handled [REDACTED] who was a Cullerton and Dave Gross recommendation.

So, I am at wits end. I am not even talking about our Friend.

If there is a problem with me then please deliver that message. I am an adult. I get it. If there is a problem with you, please talk to Anne and maybe we should have someone else be my "MOVER" while you work out this severe problem.

I do not know what else to say.

I pray your health is not the problem.

Best, Mike
