[REDACTED],

It looks like [REDACTED] agreed to a memo by Reyes Kurson on March 25th responding to "Idea A" in Amy's e-mail of March 14th.

Baseline of 25 hours per month of legal work at \$400 per hour with an increase of a rate for Administrative hearings of their work at \$7500 per month rather than \$5000. (their claim is that their associate spends about 8 hours a week on administrative hearings.)

You have countered my request of 40 hours a month but that the administrative hearing hours of 15 would be essentially 15 of the 40. So, in my view after reading everything again, it is basically what [REDACTED] agreed to on March 25th at 2:04. We have not really moved the ball.

I think I have read everything accurately. So, the question for you is can you increase the hours per month at a fee rate of \$400 without carving the administrative hearing hours as part of the 40? Can we guarantee 40 hours a month at \$400 an hour which would total 480 hours a year, plus an administrative retainer of \$7500 per month and then the renewable language we have both agreed to in the past?

PLEASE ADVISE...

Best, Mike
