

Members of the Redistricting Committee:

I am a resident of Congressional District IL-03 and I implore you to reconsider the current redistricting.

My district has historically been a Southwest Side and southwestern Cook County district. Dividing communities and extending beyond its general shape is completely retrogressive and will break up our diverse constituency, diluting our representation in Congress.

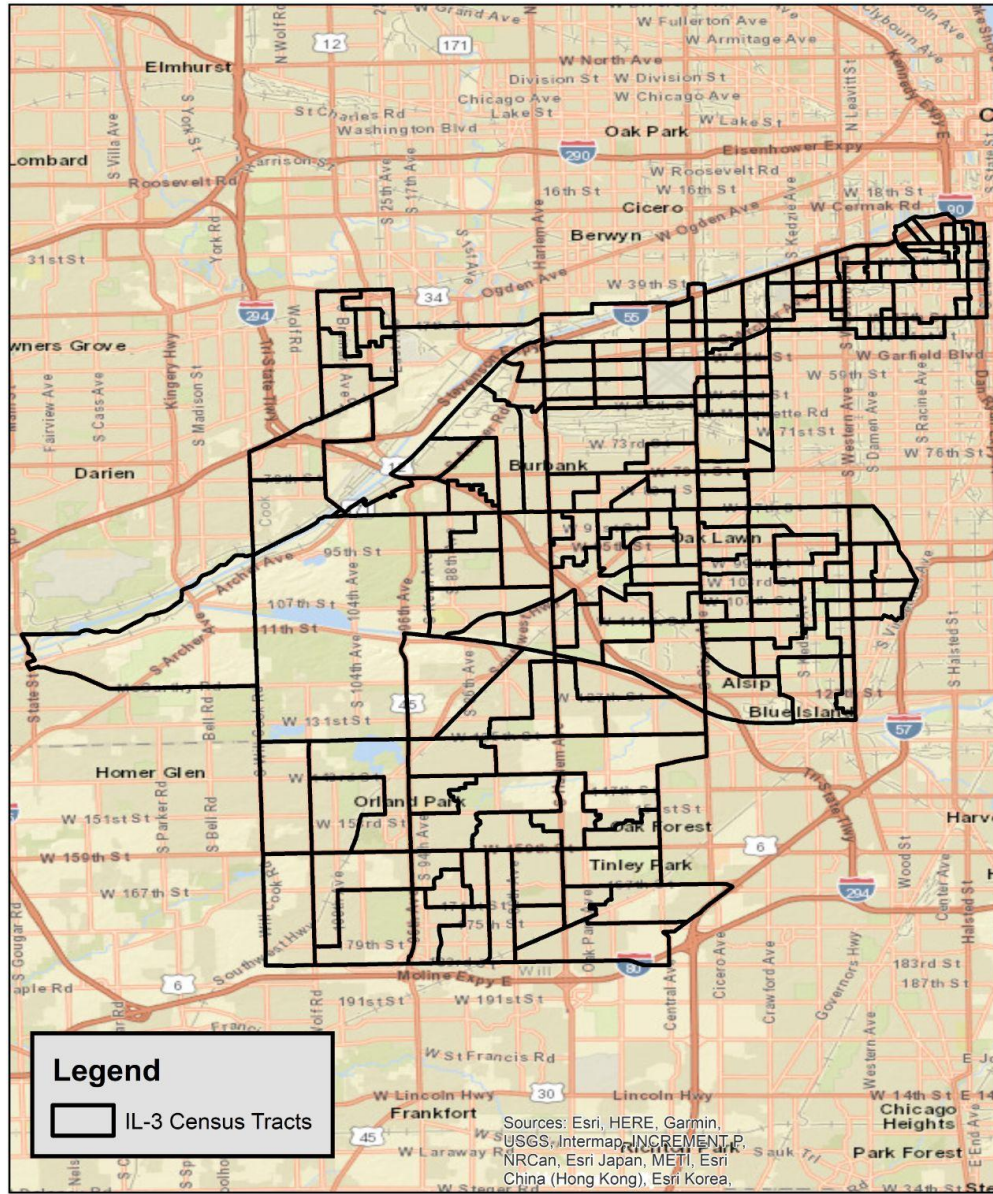

The residents this district have worked hard to come together and hear from ALL constituents.

I have attached a sample of a logical shape to consider for redistricting.

Thanks you for your time.
